The undersigned intends to circulate and file a recall petition demanding the recall of:

Governor Jan Brewer
(Name)

Governor
(Title of Office Held)

RECEIVED
SECRETARY OF STATE
2012 FEB -3 PM 3:

The grounds of the recall are as follows: (State in not more than 200 words the grounds of the demand.)

Taking a page out of the playbooks of Wisconsin Gov. Scott Walker and Ohio Gov. John Kasich, Gov. Jan Brewer and extreme right-wing Arizona Lawmakers are pushing a series of bills attacking firefighters, teachers, nurses and other public service workers who work hard to keep our communities safe and strong. These bills would take away all collective bargaining rights for public service workers, leading to larger class sizes in our schools, more dangerous working conditions for firefighters and police officers and making our communities less safe. As in Wisconsin and Ohio these measures are not about balancing Arizona's budget and are not about jobs.

I hereby make application for the issuance of an official serial number to be printed on each side of each signature sheet of the petition (please affix to lower right-hand corner).

they are about destructive political agendas, right-wing politicians and their corporate funders pushing across the country to consolidate their power.
And finally but not least, the workers, the poor, the elderly and children of our beautiful state have been attacked enough by this governor with her cut backs that threaten to turn our beloved state into a place resembling a third world country. In this year, the centennial of Arizona, we will re-take our state for love, compassion and humanity. May GOD bless the state of Arizona, recall Jan Brewer!
