Registered voters can request that a ballot be mailed to them. The request can be telephoned, mailed, or faxed to the appropriate county recorder until 5:00 p.m. October 25, 2002. A written request must include the voter's name and address as registered, date of birth, election for which the ballot is requested, address where the voter is temporarily residing (if applicable), and the signature of the voter. You may be able to request an early voting ballot on-line. Check with your county recorder.

Ballots MUST be received by the county recorder, either by personal delivery or by mail, or it may be dropped off at any polling place in the voter's county of residence, no later than 7:00 p.m. on election day.
