The Secretary of State is an equal opportunity employer.

Dear Arizona Voter:

Welcome to the *2004 General Election Publicity Pamphlet*. The *Publicity Pamphlet* is one of the most important tools that Arizonans use in deciding how to vote. There is a great deal of information here and it is my hope you will find it useful.

This pamphlet is divided into three parts: (1) general information about voting; (2) information about each proposition that will appear on the ballot, including the actual language of the measure followed by a description of what the measure does and arguments for and against the measure; and (3) the 2004 Voter Information Guide on the judges that will appear on the ballot.

The following are some important dates to remember:

- **Registration Deadline:** October 4, 2004 at midnight – For information about your registration, please call your county recorder's office. A list of each county recorders' contact information can be found on page 8;
- **Early Voting:** September 30 thru October 22, 2004, is the period when ballots will be mailed to registered voters who request early ballots. If you are registered and you would like to receive a ballot in the mail, call your county recorder's office for assistance (page 8); and
- **Election Day:** November 2, 2004 is Election Day – Polling places are open from 6:00 a.m. until 7:00 p.m. If you requested an early ballot, you have until 7:00 p.m., November 2, to return your ballot to your county recorder's office. Or, you may drop it off at any polling place in your county by 7:00 p.m. on Election Day.

If you are **military or an overseas citizen**, you may request an early ballot, receive voter registration materials, a Federal Post Card Application and ballot by mail or fax. For more information, please visit my Web site, www.azsos.gov, and click on the "Military and Overseas Voter" icon on the right side of the home page.

I encourage you to visit my Web site, www.azsos.gov, for more information about the 2004 General Election. Thanks to each of you for taking the time to study the issues and candidates on the ballot. And, more importantly, thank you for taking the time to make your voice heard by voting in this historic election.

Sincerely,

A handwritten signature in cursive script that reads "Janice K. Brewer".

Janice K. Brewer
Secretary of State

NOTICE

At the time this pamphlet was printed, the verification of initiative petition signatures by the county recorders and court challenges were not yet complete. It is possible that not all of the propositions published in this pamphlet will be on the General Election ballot on November 2, 2004. Please review your ballot carefully before voting.

For information about propositions on the November ballot, visit the Secretary of State's Web site, www.azsos.gov, or call 1-877-THE VOTE (1-877-843-8683). Those measures that achieve ballot status will be listed on the Web site upon completion of the verification process and court proceedings.

You may also register to vote by mail. Forms are available at government offices and public locations throughout the state. Forms may be requested by calling the appropriate county recorder or by calling 1-877-THE VOTE (1-877-843-8683), TDD 602-255-8683 or by visiting the Secretary of State's Web site at www.azsos.gov

Accessibility for voters

County election officials will accommodate special needs of voters who are physically unable to go to the polls or who need special access or special voting aids at polling places. Arizona residents who need assistance with voting should contact their county election department at the number listed on page 8.

VOTER REGISTRATION

October 4 is the registration deadline for the 2004 General Election.

The Secretary of State is pleased to announce you can now register to vote on-line through the EZ Voter Program. Visit the Secretary of State's Web site at www.azsos.gov to register. EZ Voter is a quick four-step process in English or Spanish that allows you to register in just a couple of minutes. You must have an Arizona driver's license or nonoperating identification license in order to use EZ Voter.

If you do not have an Arizona driver's license or nonoperating identification license, the Secretary of State's Web site also provides a voter registration form that can be filled out and printed on a home computer. Once signed, it can be mailed to the Secretary of State's office. You may also request a voter registration form by calling toll-free within Arizona at 1-877-THE VOTE (1-877-843-8683).

Voter registration forms are also available from the county recorder in each county, as well as at government offices and public locations throughout the state. Completed forms can be sent to the appropriate county recorder listed in this publication on page 8.

For those Arizona residents who are temporarily absent from the state you can register by mailing a registration form to the county recorder in your county of residence.

EARLY VOTING

Any registered voter can vote early in Arizona's 2004 General Election. Between September 30 and October 22, early ballots will be mailed to registered voters who request one.

Registered voters can request an early ballot by telephone, mail or fax. Such requests must be received by your county recorder before 5 p.m. on October 22, 2004. A written request must include the voter's name and address as registered, date of birth, election for which the ballot is requested, address where the voter is temporarily residing (if applicable), and the signature of the voter. In some cases you may be able to request an early ballot on-line. Check with your county recorder, whose information can be found on page 8.

Ballots MUST be received by the county recorder, either by personal delivery or by mail, or may be dropped off at any polling place in the voter's county of residence no later than 7 p.m. on Election Day.

MILITARY AND OVERSEAS VOTERS

New changes have made it easier for military and overseas personnel to participate in federal and Arizona elections. A special Web site at www.azsos.gov/election/military.htm has been set up to facilitate voter registration and early ballot requests for those military and overseas voters. While on-line you must fill out the Federal Postcard Application (FPCA), which serves as both the voter registration and early ballot request form. You can also request the FPCA from your voting assistance officer or by contacting your county recorder directly (see page 8). You can fax back the completed FPCA request, which will be processed by the appropriate county recorder. Once you have voted your early ballot, you can fax it directly to your county recorder for processing.

POLL WORKERS NEEDED

The Secretary of State's office is reaching out to corporate and community outreach networks to promote the need for poll workers on Election Day. This important civic responsibility is open to all registered voters in Arizona. Bilingual (Spanish or Native American) speaking poll workers are especially needed. Poll workers are paid for their time and effort. If you are interested, please call your county elections department and volunteer (see page 8).

The Secretary of State's office is encouraging corporations to participate in the "National Poll Worker Initiative" established by the federal Election Assistance Commission by allowing their employees to help on Election Day. If you are interested in supporting this very important initiative, please call your county elections department on page 8.

2004 CITIZENS CLEAN ELECTIONS COMMISSION CANDIDATE STATEMENTS PAMPHLETS

The 2004 Primary & General Election Candidate Statements Pamphlets are available from the Citizens Clean Elections Commission prior to the start of early voting.

A pamphlet is mailed to every household in Arizona that contains a registered voter. If you would like more information about the *Candidate Statements Pamphlets*, contact the Citizens Clean Elections Commission at: 602-364-3477; Toll-free number for other Arizona area codes: 1-877-631-8891; Web site address www.ccec.state.az.us; or visit their offices at 1616 West Adams, Suite 110, Phoenix, Arizona 85007.

VOTER RIGHTS

Any voter may be accompanied into the voting booth and assisted in casting a ballot by a person of his or her choice except for a candidate, other than precinct committeeman, whose name appears on the ballot or by two (2) poll workers of different political parties. In addition, a voter may also be accompanied by a person under the age of 18 pursuant to Arizona's "Youth in the Booth" law. Sample ballots may be brought to the polling place and may be taken into the voting booth at the time of the election. Any qualified voter who is in the line of waiting voters at 7 p.m. on Election Day shall be allowed to prepare and cast a ballot.

INSTRUCTIONS TO VOTERS AND ELECTION OFFICERS

1. The polls are open from 6:00 a.m. until 7:00 p.m.
2. Please give your full name and place of residence to the election officer in charge of the signature roster. The election officer will determine which type of ballot you will use to cast your vote.
3. Once you have received your ballot, go to the next available voting booth to cast your vote. Mark your ballot opposite the name of each candidate and ballot measure that reflects your choice.
4. If you want to vote for a person who is not printed on the ballot, write that person's name on the lines provided and mark the ballot in the appropriate place next to the name you have written.
5. Ask for assistance if you are physically unable to mark your ballot. Two election officers from opposing political parties will accompany you to the voting booth. They will:
 - tell you the names of all candidates for each office on the ballot,
 - tell you the political parties by which the candidates were nominated for each office,
 - read you the text describing the ballot measures,
 - ask the name of the candidates and ballot measures that reflect your choice, and
 - mark your ballot correctly.

Neither of the election officers who assist you with your vote are allowed to influence your vote by recommending or suggesting any candidate, political party for any office or any ballot measure.

6. If you accidentally spoil your ballot, present it to the election judge. Make sure to conceal any votes you have made on the ballot. Either you or the judge will need to mark the ballot as spoiled, and the judge will give you another ballot on which to cast your vote. You are allowed to spoil no more than three ballots.

If you feel that a violation of the Help America Vote Act of 2002 has occurred, you may contact:

RIGHT TO VOTE A PROVISIONAL BALLOT

You have a right to vote a provisional ballot if one of the following situations applies to you:

- if your name does not appear on the precinct register and you are in the correct polling place,
- if you have moved to a new address within the county and have not updated your voter registration,
- if you have legally changed your name and have not updated your voter registration,
- if you did not vote an early ballot.

To vote a provisional ballot:

- present to the election officer an identification stating your given name and surname,
- present to the election officer your complete residence address, or
- sign an affirmation stating that you are a registered voter in this jurisdiction and are eligible to vote.

If you vote a provisional ballot, the election official will enter your name on the signature roster. You will be asked to provide your signature next to your name.

Once you have voted a provisional ballot, your ballot will be placed in a provisional ballot envelope, which you can seal. The election official will ensure that the envelope is sealed. You will then be given a provisional ballot receipt with information on how to verify the status of your provisional ballot.

Arizona's New Voting Equipment

For the first time in Arizona's history, every voter at the **November 2, 2004** General Election will cast their ballot using optical scan equipment.

The new optical scan voting equipment is part of a national effort to bring more consistent voting processes to each state.

1. On Election Day, to cast your vote simply fill in the oval or connect the arrows on your ballot.
2. When you finish, put your ballot in the secrecy folder if provided.
3. Take your ballot to the election official for your ballot to be optically scanned.

That's it! Voting in Arizona is as easy as 1, 2, 3!

For more information on Arizona's new optical scan voting system visit our Web site at www.azsos.gov or call 1-877-THE VOTE.
