Dear Joe,

In accords with A.R.S. 16-602 (C) and 16-602 (G), on Tuesday November 14, 2006 Mohave County Arizona completed a hand count of at least two percent of the precincts in our county or two precincts, whichever was greater and also conducted a manual audit of early ballots equal to one percent of the total number of early ballots cast or 5,000 early ballots, whichever is less. The results of both the hand count and audit are as follows.

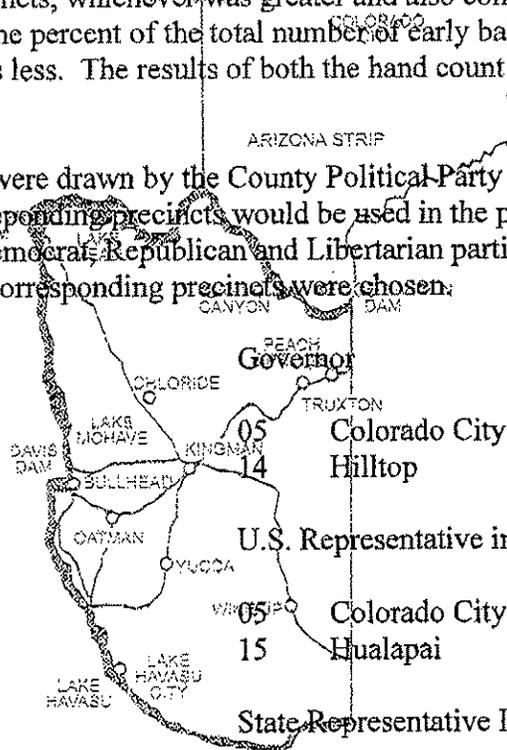

According to statute lots were drawn by the County Political Party Chairmen as to which contested races and corresponding precincts would be used in the precinct hand count and early ballot audit. The Democrat, Republican and Libertarian parties all participated. The following races and corresponding precincts were chosen:

Statewide:

Voting Precinct's Drawn:

Federal:

Legislative:

- Governor
 - 05 Colorado City
 - 14 Hilltop
- U.S. Representative in Congress District 2
 - 05 Colorado City
 - 15 Hualapai
- State Representative District 3
 - 47 Bluewater
 - 65 Parkway

Ballot Measure:

Proposition 204

32 Truxton
61 Mesa Del Sur

The difference between the manual and electronic count for both the precinct hand count and early ballot audit was below the designated margins established by the vote count verification committee in all cases (see exhibit A) concluding the results of the electronic tabulation will constitute the official count for these and all races on the Mohave County ballot.
