February 7, 2008

The Hand Count that was conducted in Navajo County officially started February 6, 2008 at 2:30. Representatives from both parties drew lots to see who went first, the Republican Party Representative drew the party to count which was Democratic. The Democratic Party Representative drew the 1<sup>st</sup> precinct which was Winslow #43 and the Republican Party Representative drew the 2<sup>nd</sup> precinct, Greasewood #6. The actual Hand Count was conducted on February 7, 2008 at 10:00 am. There were four representatives from each party

Board 1 chose Greasewood #6 to start –

Machine count was 155, hand count was 155 with a zero percent difference.  
TSx count was 3, hand count was 3 with a zero percent difference.

Board 2 Hand counted Winslow #43 –

Machine count was 750, hand count was 749 with a .01% difference  
TSx count was 48, hand count was 48 with a zero percent difference.

Early Hand Count

Board 1 hand counted early TSx and the Early Ballots.

The parties previously had drawn eight precincts:

Chilchinbeto /01, Jeddito #1-3 15/73/74, Keams Canyon /19, Black Mesa /57, Clay Springs /03,  
Cedar Hills /59, Lakeside #1- #2 20/52 and Show Low #1 - #4 32/33/54/62.

Early TSX

TSx count was 17, hand count was 17 with a zero percent difference.

Early OS

Out of the 8 early precincts the parties randomly selected two precincts to hand count.

Early Black Mesa/57

Machine count was 3, hand count was 3 with a zero percent difference.

Early Lakeside 1-2 20/52

Machine count was 43, hand count was 43 with a zero percent difference.

Total early ballots received from the Records Office was 1321.
