AN INITIATIVE MEASURE

PROPOSING AN AMENDMENT TO THE CONSTITUTION OF ARIZONA; AMENDING ARTICLE X, SECTIONS 3, 4 AND 7, CONSTITUTION OF ARIZONA; AMENDMENT ARTICLE X, CONSTITUTION OF ARIZONA, BY ADDING SECTION 12; RELATING TO STATE LANDS.

TEXT OF PROPOSED AMENDMENT

Be it enacted by the People of the State of Arizona,

1. Purpose

The purpose of this proposition is to permit the State of Arizona to plan and manage state trust land now and in the future in ways that promote well-planned growth, conservation, and sound stewardship in a manner consistent with the mission of the trust, addressing issues that were not of concern at the time of statehood. The amendments proposed here reflect a philosophy that well-planned growth and conservation, together with increased resources devoted to the management and planning of state trust lands, will increase the value of state trust lands to the long-term benefit and protection of the trust and its beneficiaries. To this end, this proposition:

1) Conserves sensitive lands through the designation of approximately 570,000 acres of permanent conservation lands, and allows other lands to be designated for conservation through local planning or to be classified as suitable for conservation through acts of the legislature such as the Arizona Preserve Initiative, A.R.S. § 37-311 *et seq.* Permits conservation lands to be sold to counties, cities, towns, and state agencies for appraised value but without an auction.

2) Modernizes the methods for planning and disposition of trust lands by providing for planning of trust lands with the cooperation of local communities, allowing the state to dispose of right-of-ways without a public auction, and by allowing the state to consider the true value of each transaction when appraising state trust lands.

3) Provides funding for better planning and more effective management of state trust lands in order to increase the revenues distributed to trust beneficiaries and protect the long-term value of trust lands, by authorizing a reasonable percentage of trust land revenues to be used to supplement existing funding for trust lands administration, management, planning, and disposition, and by requiring the state to demonstrate through annual reporting that these monies are being expended in the best interests of the trust and the trust beneficiaries.

2. Article X, Constitution of Arizona, is amended by adding section 1.1 as follows:

Section 1.1. Designated permanent conservation lands.

SECTION 1.1. THE PERMANENT CONSERVATION LANDS DESIGNATED IN SECTION 12 OF THIS ARTICLE SHALL BE USED IN A MANNER CONSISTENT WITH THE CONSERVATION OF THE NATURAL, CULTURAL, AND HISTORICAL ASSETS OF THE LAND, AND SHALL BE RESTRICTED AGAINST DEVELOPMENT IN A MANNER PRESCRIBED BY LAW. PERMANENT CONSERVATION LANDS MAY BE SOLD ONLY PURSUANT TO SECTION 3(B)(4) OF THIS ARTICLE, BUT ARE SUBJECT TO LEASE, RIGHTS-OF-WAY, OR OTHER USES CONSISTENT WITH THE REQUIREMENTS OF THIS SECTION. NOTHING IN THIS SECTION SHALL PRECLUDE THE CONTINUATION OR RENEWAL OF ANY LEASE, RIGHT-OF-WAY, OR OTHER USE OF PERMANENT CONSERVATION LANDS THAT WAS IN EXISTENCE AS OF THE EFFECTIVE DATE OF THIS SECTION.

3. Article X, sections 3, 4 and 7, Constitution of Arizona, are proposed to be amended as follows if approved by the voters and on proclamation of the Governor:

No sale or other disposal thereof shall be made for a consideration less than the value so ascertained, nor in any case less than the minimum price hereinafter fixed, nor upon credit unless accompanied by ample security, and the legal title shall not be deemed to have passed until the consideration shall have been paid.

~~H. Notwithstanding any other provision of this section, the annual distribution from the permanent funds for fiscal years 1999-2000 through 2002-2003 shall be as follows:~~

~~1. For fiscal year 1999-2000, the greater of five per cent of the average of the monthly market values of the funds for fiscal years 1994-1995 through 1998-1999 or the average of actual annual distributions for fiscal years 1994-1995 through 1998-1999.~~

You are hereby notified, pursuant to Arizona Revised Statutes § 19-121.04(B), that the initiative measure C-20-2008, Conserving Arizona's Land and Water, has not met the signature requirements for placement on the November 4, 2008 General Election Ballot. The actual number of remaining signatures is below the minimum required by the Arizona Constitution to place a measure on the general election ballot. The number of valid signatures filed with this petition, based on the random sample, appears to be less than ninety five per cent of the minimum required or through examination of each signature has been certified to be less than the minimum required by the Arizona Constitution. Consequently, the petition for serial number C-20-2008 lacks the minimum number of signatures to place it on the general election ballot.

Enclosed are the final tabulation of the random sampling and a copy of the official receipt.

Sincerely,

JANICE K. BREWER
Secretary of State
