

Dear Arizona Voters:

Welcome to the 2008 General Election Publicity Pamphlet. The Publicity Pamphlet is one of the most important tools that Arizonans use in deciding how to vote. There is a great deal of information here and it is my hope you will find it useful.

This pamphlet is divided into three parts. (1) general information about voting; (2) information about each proposition that will appear on the ballot, including the actual language of the measure followed by a description of what the measure does and arguments for and against the measure; and (3) the 2008 Voter Information Guide on the judges that will appear on the ballot.

The following are some important dates to remember:

- **Registration Deadline:** October 6, 2008, at midnight - For information about your registration, please call your county recorder's office. A list of each county recorders' contact information can be found on page 8;
- **Early Voting:** October 2 through October 24, 2008, - is the period when ballots will be mailed to registered voters who request early ballots. If you are registered and you would like to receive a ballot in the mail, call your county recorder's office for assistance (page 8); and
- **Election Day:** November 4, 2008, is Election Day - Polling places are open from 6:00 a.m. until 7:00 p.m. If you requested an early ballot, you have until 7:00 p.m., November 4, to return your ballot to your county recorder's office. Or, you may drop it off at any polling place in your county by 7:00 p.m. on Election Day.

If you are **military or an overseas citizen**, you may request an early ballot, receive voter registration materials, a Federal Post Card Application and ballot by mail or fax. I am pleased to announce that new legislation was passed at my request in 2008 that will allow military and overseas personnel to securely submit their voted ballots electronically for the first time in Arizona history. A military and overseas voter can also fax their ballot directly to the proper county recorder for processing. Ballots must be received by 7:00 p.m. on Election Day. For more information, please visit my Web site, www.azsos.gov, and on the "Elections" menu, click "Voter Information" and then select "Military and Overseas Voters."

I encourage you to visit my Web site, www.azsos.gov, for more information about the 2008 General Election. Thanks to each of you for taking the time to study the issues and candidates on the ballot. And, more importantly, thank you for taking the time to make your voice heard by voting in this historic election.

Sincerely,
