Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the November 2, 2010 General Election. Two percent of precincts were counted as required by statute, which amounted to nine precincts out of 417 total precincts.

The hand count began on November 6, 2010 at 8:00 AM when representatives from the Pima County Republican and Democratic Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican was chosen to go first.

With the order established, the specific precincts to be counted were selected with the representatives from each part alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Four contested races were chosen as required by law. Specifically, the following list displays the contested races that were counted:

Statewide Race – *State Mine Inspector* – (417 possible precincts to count)
Statewide Measure – *Proposition 113* - (417 possible precincts to count)
Federal Race – *U.S. Representative in Congress* – (417 possible precincts to count)
Legislative Race – *State Representative District* – (417 possible precincts to count)

The master precinct and race selection lists are attached for review. The physical hand count started at 9:00 a.m. on November 6, 2010 and was concluded at 1:30 p.m. on November 6, 2010. The tabulation method used was the stacking method. The hand count was conducted by 18 boards consisting of 3 members, of which not more than 2 members were from the same political party. This hand count included votes cast on both the optical scan and touch screen devices from the selected precincts.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 8 batches, each containing 250 to 260 early ballots. There were a total of 201,894 early ballots cast in Pima County for the 2010 General Election.

Comments:

There were small number discrepancies found between the Early Ballot / Precinct Machine totals and the results of the Early Ballot Audit/ Precinct Hand Count totals. These discrepancies were largely attributed to auditor's determinations regarding voter intent.
