PIMA COUNTY Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the August 24, 2010 Primary Election. Two percent of precincts were counted as required by statute, which amounted to nine precincts out of 417 total precincts.

The hand count began on August 28, 2010 at 8:00 AM when representatives from the Pima County Republican and Democratic Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican was chosen to go first.

With the order established, the specific precincts to be counted were selected with the representatives from each part alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Four contested races were chosen as required by law. Since the election did not contain a Statewide Ballot Measure, two (2) Statewide races, one (1) Federal race, and one (1) Legislative race were counted. Specifically, the following list displays the contested races that were counted:

- Statewide Race – *Governor (Republican)* – (417 possible precincts to count)
- Statewide Race – *Superintendent of Public Instruction (Democrat)* – (417 possible precincts to count)
- Federal Race – *U.S. Representative in Congress District 8 (Republican)* – (181 possible precincts to count)
- Legislative Race – *State Senate District (Republican)* – (80 possible precincts to count)

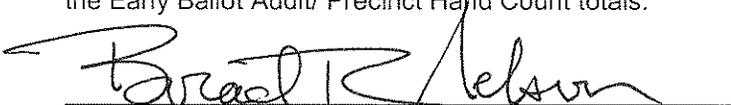

The master precinct and race selection lists are attached for review. The physical hand count started at 10:00 a.m. on August 28, 2010 and was concluded at 1:30 p.m. on August 28, 2010. The tabulation method used was the stacking method. The hand count was conducted by 13 boards consisting of 3 members, of which not more than 2 members were from the same political party. This hand count included votes cast on both the optical scan and touch screen devices from the selected precincts.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 4 batches, each containing 250 early ballots. There were a total of 104,381 early ballots cast in Pima County for the 2010 Primary Election.

Comments:

No discrepancies were found between the Early Ballot / Precinct Machine totals and the results of the Early Ballot Audit/ Precinct Hand Count totals.

Brad R. Nelson, Election Director
