PIMA COUNTY
Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the November 6, 2012 General Election. Four percent of precincts were counted as required by the Pima County Board of Supervisors, which amounted to twelve precincts out of 288 total precincts.

The hand count began on November 7, 2012 at 3:00 PM when representatives from the Pima County Republican and Democratic Parties met to discuss the number of precincts and early ballot batches to be audited. On November 10, 2012 at 8:00 AM representatives of the Democratic, Republican and Libertarian Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican was chosen to go first.

With the order established, the specific precincts to be counted were selected with the representatives from each party alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Five contested races were chosen as required by law. The following list displays the contested races that were counted:

US President -	<i>Presidential Electors</i>
Statewide Ballot Measure –	<i>Proposition 116</i>
Statewide Race -	<i>Corporation Commission</i>
Federal Race –	<i>U.S. Representative in Congress</i>
Legislative Race –	<i>State Senate</i>

The master precinct and race selection lists are attached for review. The physical hand count started at 9:00 AM on November 10, 2012 and was concluded at 4:00 PM on November 10, 2012. The tabulation method used was the stacking method. The hand count was conducted by 21 boards consisting of 3 members, of which not more than 2 members were from the same political party. This hand count included votes cast on both the optical scan and touch screen devices from the selected precincts.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 8 batches, each containing 250 early ballots. There were a total of 197,212 early ballots cast in Pima County on General Election Day.

Comments:

There were discrepancies between the hand count totals and machine totals in both the precinct hand count and early ballot hand count. However all discrepancies were well within the margin of variance as defined by the State of Arizona.

A handwritten signature in black ink that reads "Brad R. Nelson". The signature is written in a cursive style with a large, prominent initial "B" and "N".

Brad R. Nelson, Director

November 6, 2012 General Election
