remark against a good public servant, Susan Rice U..N. ambassador for the United States is finally the culminating act of malfeasance for Arizona senator John McCain. His hate for this president has grown so large that he cannot govern logically or effectively anymore.

Although we thank him (even though he voted against the New G.I. Bill for our veterans) as we thank all of our veterans for their brave and courageous service that does not mean he should once again get a pass for reducing our beloved state of Arizona to a laughing stock as his fellow extremist friend Jan Brewer has done.

John McCain should not and will not be allowed to join S.C. Senator Lindsey Graham in taking our state into this new confederate alliance of McCarthyist/racist hate . Our state of Arizona will not be in the words of Abraham Lincoln: "A State Out of the Union" anymore ! Please send a powerful symbolic message and sign our petition to let the world know that John McCain's hate does not represent us or our beloved Arizona. Thank you.
