Following attacks on students, LGBTQ individuals, and attempts to thwart legitimate recall efforts, we have found it necessary to begin recall efforts against State Representative John Kavanagh. In an unprecedented waste of taxpayer money, Representative Kavanagh has advocated for legislation that is discriminatory, unnecessary, and leaving the state open to costly lawsuits. Representative John Kavanagh presents himself as an advocate for small government, while actually attempting to expand the reach of government into Arizonan's personal lives. Representative John Kavanagh has spent his time in office unconstitutionally attacking specific groups such as students rather than fulfilling his campaign promises to limit government and use taxpayer's money effectively.
