Within the stated calendar quarter, this Title contains all rules made, amended, repealed, renumbered, and recodified; or rules that have expired or were terminated due to an agency being eliminated under sunset law. These rules were either certified by the Governor’s Regulatory Review Council or the Attorney General’s Office; or exempt from the rulemaking process, and filed with the Office of the Secretary of State. Refer to the historical notes for more information. Please note that some rules you are about to remove may still be in effect after the publication date of this Supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PUBLISHER
Arizona Department of State
Office of the Secretary of State, Administrative Rules Division
Under Arizona law, the Department of State, Office of the Secretary of State (Office), accepts state agency rule filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the Administrative Code. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

RULES
A.R.S. § 41-1001(17) states: “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE
The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions. Virtually everything in your life is affected in some way by rules published in the Arizona Administrative Code, from the quality of air you breathe to the licensing of your dentist. This chapter is one of more than 230 in the Code compiled in 21 Titles.

ADMINISTRATIVE CODE SUPPLEMENTS
Rules filed by an agency to be published in the Administrative Code are updated quarterly. Supplement release dates are printed on the footers of each chapter:

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2017 is cited as Supp. 17-1.

HOW TO USE THE CODE
Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARTICLES AND SECTIONS
Rules in chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering system separated into subsections.

HISTORICAL NOTES AND EFFECTIVE DATES
Historical notes inform the user when the last time a Section was updated in the Administrative Code. Be aware, since the Office publishes each quarter by entire chapters, not all Sections are updated by an agency in a supplement release. Many times just one Section or a few Sections may be updated in the entire chapter.

ARIZONA REVISED STATUTE REFERENCES
The Arizona’s Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES
Arizona Session Law references in the introduction of a chapter can be found at the Secretary of State’s website, www.azsos.gov/services/legislative-filings.

EXEMPTIONS FROM THE APA
It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Arizona Administrative Register online at www.azsos.gov/rules, click on the Administrative Register link.

In the Administrative Code the Office includes editor’s notes at the beginning of a chapter indicating that certain rulemaking Sections were made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR
If you are researching rules and come across rescinded chapters on a different paper color, this is because the agency filed a Notice of Exempt Rulemaking. At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

PERSONAL USE/COMMERCIAL USE
This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 2. ADMINISTRATION

CHAPTER 20. CITIZENS CLEAN ELECTIONS COMMISSION

Editor’s Note: The Citizen’s Clean Elections Commission has filed a Notice of Public Information with the Office of the Secretary of State (Office) stating the Governor’s Regulatory Review Council (G.R.R.C.) “cannot effectively repeal the rules” in this Chapter. The Notice also states, “persons subject to the Act and Rules are advised that it is the Commission’s position [sic] that an action of G.R.R.C.…. cannot relieve them of their obligations under the Act and Rules.” [published at 23 A.A.R. 1761] The Office has received a Notice of Rule Expiration from the G.R.R.C. stating R2-20-109 and R2-20-111 have automatically expired [published at 23 A.A.R. 1757]. Under A.R.S. § 41-1056(G), our Office publishes G.R.R.C. notices and has included the rule expiration in this Chapter. Since the Office is merely the publisher, it has not, nor will it interpret the legality of the G.R.R.C. authority to “effectively repeal rules.”

Editor’s Note: The Office of the Secretary of State publishes all Code Chapters on white paper (Supp. 02-1).

Editor’s Note: This Chapter contains rules that were adopted under an exemption from the rulemaking provisions of the Arizona Administrative Procedure Act (A.R.S. Title 41, Chapter 6) pursuant to A.R.S. § 16-956(D). Exemption from A.R.S. Title 41, Chapter 6 means that these rules were not certified by the Attorney General or the Governor’s Regulatory Review Council. Because this Chapter contains rules that are exempt from the regular rulemaking process, the Chapter is printed on blue paper. The rules affected by this exemption appear throughout this Chapter.

2. Spending the money lawfully prior to April 30 of an election year in a way that does not constitute a direct campaign purpose and does not meet the definition of “expenditure” under A.R.S. § 16-901(24); and the event or item purchased is completed or otherwise used and depleted prior to April 30 of an election year;
3. Remitting the money to the Fund; or

9. Will pay any civil penalties included in a conciliation agreement or otherwise imposed against the candidate;
10. Will timely file all campaign finance reports with the Secretary of State in an electronic format; and
11. Will file an amended application for certification reporting any change in the information prescribed in the application for certification within five days after the change.

D. If certified as a participating candidate, the candidate shall:
1. Only accept early contributions from individuals during the exploratory and qualifying periods in accordance with A.R.S. § 16-945. No contributions may be accepted from political action committees, political parties or corporations;
2. Not accept any private contributions, other than early contributions and a limited number of $5 qualifying contributions;
3. Make expenditures of personal monies of no more than the amounts prescribed in A.R.S. § 16-941(A)(1) and (2). If the loan is to be repaid, the loans shall be repaid promptly upon receipt of Clean Elections funds if the participating candidate qualifies for Clean Elections funding. Loans from a financial institution or bank, to a candidate used for the purpose of influencing that candidate’s election shall be considered personal monies and shall not exceed the personal monies expenditure limits set forth in A.R.S. § 16-941(A)(2).
4. Attend a Commission sponsored candidate training class within 60 days of being certified or within 60 days of the beginning of the qualifying period if the candidate is certified before the beginning of the qualifying period. If the candidate is unable to attend a training class, the candidate shall:
   a. Notify the Commission that the candidate is unable to attend a training class. The Commission then will send that person the Commission training materials; and
   b. The candidate shall sign and send to the Commission a statement certifying that he or she has received and reviewed the Commission training materials; and
5. Limit campaign expenditures. Prior to qualifying for Clean Elections funding, a candidate shall not incur debt, or make an expenditure in excess of the amount of cash on hand. Upon approval for funding by the Secretary of State, a candidate may incur debt, or make expenditures, not to exceed the sum of the cash on hand and the applicable spending limit.

E. Loans. A participating candidate may accept an individual contribution as a loan or may loan his or her campaign committee personal monies during the exploratory and qualifying periods only. The total sum of the contribution received or personal funds and loans shall not exceed the expenditure limits set forth in A.R.S. § 16-941(A)(1) and (2). If the loan is to be repaid, the loans shall be repaid promptly upon receipt of Clean Elections funds if the participating candidate qualifies for Clean Elections funding. Loans from a financial institution or bank, to a candidate used for the purpose of influencing that candidate’s election shall be considered personal monies and shall not exceed the personal monies expenditure limits set forth in A.R.S. § 16-941(A)(2).

F. A participating candidate may raise early contributions for election to one office and choose to run for election to another office.

G. Contributions to officeholder expense accounts are subject to the restrictions of A.R.S. § 41-1234.01, contributions prohibited during session; exceptions.

Historical Note
date’s early contributions or personal monies. A candidate may develop his or her own three-part reporting slip for qualifying contributions, or one that is photocopied or computer reproduced, if the form substantially complies with the form prescribed by the Commission. The candidate must comply with the Act and ensure that the original qualifying slip is tendered to the Secretary of State, a copy remains with the candidate, and that a copy is given to the contributor.

C. A candidate may accept electronic $5 qualifying contributions for the elected office sought by the candidate. The Secretary of State’s secured internet portal must be used to collect electronic $5 qualifying. A $5 contribution must accompany every $5 qualifying contribution form and must be submitted via the Secretary of State’s portal using a private electronic payment service, specified by the Secretary of State’s Office, bank account, credit or debit card. A non-refundable transaction fee may be assessed on electronic $5 qualifying contribution transactions. The transaction fee is not a contribution to the candidate’s campaign and is paid by the contributor. If excess funds are accumulated by the candidate’s campaign based on the transaction fee then all excess funds must be given to the Commission and must be entered into the candidate’s campaign finance report in a manner that indicates the transaction fees have been accumulated and transferred.

D. A solicitor who seeks signatures and qualifying contributions on behalf of a participating candidate shall provide his or her residential address, typed or printed name and signature on each reporting slip. The solicitor shall also sign a sworn statement on the contribution slip avowing that the contributor signed the slip, that the contributor contributed the $5, that based on information and belief, the contributor’s name and address are correctly stated and that each contributor is a qualified elector of this state. If a contribution is received unsolicited, the candidate or contributor may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. Nothing in this rule shall prohibit the use of direct mail or the internet to obtain qualifying contributions as long as an original signature is provided on the qualifying contribution form. The candidate may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. For qualifying contributions received in accordance with subsection (C) of this Section, the residential address and signature of the solicitor is not required.

E. The Secretary of State has the authority to approve or deny a candidate for Clean Elections funding, pursuant to A.R.S. § 16-950(C) based upon the verification of the qualifying contribution forms by the appropriate county recorder. The county recorder shall disqualify any qualifying contribution forms that are:
   1. Unsigned by the contributor;
   2. Undated; or
   3. That the recorder is unable to verify as matching signature of a person who is registered to vote, on the date specified inside the electoral district the candidate is seeking.

F. The Secretary of State will notify the candidate and the Commission regarding the approval or denial of Clean Elections funds. A candidate who is denied Clean Elections funding after all of the slips are verified is eligible to submit supplemental qualifying contribution forms for one additional opportunity to be approved for funding pursuant to subsection (G) of this rule.

G. The amount equal to the sum of the qualifying contributions collected and tendered to the Secretary of State pursuant to A.R.S. § 16-950(B) will be deposited into the fund, and the amount tendered will not be returned to a candidate if a candidate is denied Clean Elections funding.

H. In accordance with the procedure set forth at A.R.S. § 16-950(C), if the Secretary of State determines that the result of the five percent random sample is less than 110 percent of the slips needed to qualify for funding, then the Secretary of State shall send all of the slips for verification. If the county recorder has verified all of the candidate’s signature slips and there is an insufficient number of valid qualifying contribution slips to qualify the candidate for funding, the candidate may make only one supplemental filing of additional qualifying contribution slips and qualifying contributions to the Secretary of State if all of the following apply:
   1. The candidate files at least the minimum number of additional slips needed to qualify for funding;
   2. The slips are not receipts for duplicate contributions from individuals who have previously contributed to that candidate; and
   3. The period for filing qualifying contributions slips has not expired.

I. The Secretary of State shall forward facsimiles of all of the supplemental qualifying contribution slips to the appropriate county recorders for the county of the contributors’ addresses as shown on the contribution slips. The county recorder shall verify all of the supplemental slips within 10 business days after receipt of the facsimiles and shall provide a report to the Secretary of State identifying as disqualified any slips that are unsigned by the contributor or undated or that the recorder is unable to verify as matching the signature of a person who is registered to vote, on the date specified on the slip, inside the electoral district of the office the candidate is seeking. On receipt of the report of the county recorder on all supplemental slips, the Secretary of State shall calculate the candidate’s total number of valid qualifying contribution slips and shall approve or deny the candidate for funds.

R2-20-106. Distribution of Funds to Certified Candidates
A. Before the initial disbursement of funds, the Commission shall review the candidate’s funding application and all relevant facts and circumstances and:
   1. Verify that the number of signatures on the candidate’s nominating petitions equals or exceeds the number required pursuant to A.R.S. § 16-322 as follows:
      a. If the application is submitted before the March 1 voter registration list is determined, the Commission shall verify that the number of signatures on the candidate’s nominating petitions equals or exceeds 115 percent of the number required pursuant to A.R.S. § 16-322 based on the prior election voter registration list as determined by the Secretary of State; or
b. If the application is submitted after the current year March 1 voter registration list is determined, the Commission shall verify that the number of signatures on the candidate’s nominating petitions is equal to or greater than the number required pursuant to A.R.S. § 16-322.

2. Determine that the required number of qualifying contributions have been received and paid to the Secretary of State for deposit in the Fund; and

3. Determine whether the candidate is opposed in the election.

B. In making the determinations described in subsection (A)(3), the Commission shall consider all relevant facts and circumstances, and it shall not be bound by election formalities such as the filing of nominating petitions by others in determining whether an applicant is opposed. Among other evidence the Commission may consider is the existence of exploratory committees or filings made to organize campaign committees of opponents and other like indicia.

C. The Commission may review and affirm or change its determination that the candidate is or is not opposed until the ballot for the election is established.

D. Within seven days after a primary election and before the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to the participating candidates who received the greatest number of votes at each primary election, provided that the candidate with the highest number of votes out of the total number of votes, has at least two percentage points greater than the candidate with the next highest votes based on the unofficial results as of that date. In a legislative race for the Arizona House of Representatives, the Commission shall disburse funds for general election campaigns to participating candidates with the highest or second highest number of votes cast, provided such candidate received votes totaling at least two percentage points, of the total ballots cast, larger than the vote total cast for the candidate with the third highest vote total.

E. Promptly after the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to all eligible participating candidates to whom payment has not been made. If a participating candidate has received funds from the Commission pursuant to subsection (D) and the canvass or recount determines that the candidate is not eligible to appear on the general election ballot, the participating candidate shall return all unused funds to the Fund within 10 days after such determination is made. That candidate shall make no expenditures from general election funds from the date of the canvass.

F. The Commission may refuse to distribute funds to participating candidates in cases in which the Commission finds evidence of fraud or illegal activity committed by the participating candidate.

G. Pursuant to A.R.S. § 16-953(A), a participating candidate shall return to the Fund all of his or her primary election funds not committed to expenditures (1) during the primary election period; and (2) for goods or services directed to the primary election. A candidate shall not be deemed to have violated A.R.S. § 16-953(A) or this subsection on account of failure to use all materials purchased with primary election funds prior to the primary election, provided such candidate exercises good faith and diligent efforts to comply with the requirement that goods and services purchased with primary election funds be directed to the primary election. Subject to A.R.S. § 16-953(A) and this subsection, a candidate may continue to use goods purchased with primary election funds during the general election period.

A nonparticipating candidate who requests a debate pursuant to this rule shall complete and return the invitation form sent to the candidate by the Commission by the deadline identified on the form. Forms received by the Commission past the deadline may still be considered at the discretion of the Commission. A candidate failing to notify the Commission of her intention to participate may request that the Commission sponsor a debate or recognizes an alternate candidate may request that the Commission sponsor a debate or recognizes an alternate candidate.

1. The candidate’s request for excused absence shall:
   a. State the reason the candidate failed to participate in the debate, and

Fixed assets, including accessories, purchased with campaign funds that can be used for non-campaign purposes with a value of $200 or more shall be returned to the Commission no later than 14 days after the primary election or the general election if the candidate was successful in the primary. For purposes of determining whether a fixed asset is valued at $200 or more, the value shall include any accessories purchased for use with the fixed asset in question. A candidate may elect to keep an item by reimbursing the Commission for 80 percent of the original purchase price including the cost of accessories.
E. During the primary election period, a participating candidate shall not make any expenditure greater than the difference between:
   1. The sum of early contributions received plus public funds disbursed through the primary election period; less

   2. All other expenditures made during and for the general election period.

G. Transportation expenses.
   1. Except as otherwise provided in this subsection (D), the costs of transportation relating to the election of a participating statewide or legislative office candidate shall not be considered a direct campaign expense and shall not be reported by the candidate as expenditures or as in-kind contributions.
   2. If a participating candidate travels for campaign purposes in a privately owned automobile, the candidate may:
      a. Use campaign funds to reimburse the owner of the automobile at a rate not to exceed the state mileage reimbursement rate in which event the reimbursement shall be considered a direct campaign expense and shall be reported as an expenditure and reported in the reporting period in which the expenditure was incurred. If a candidate chooses to use campaign funds to reimburse, the candidate shall keep an itinerary of the trip, including name and type of events(s) attended, miles traveled and the rate at which the reimbursement was made. This subsection applies to candidate owned automobiles in addition to any other automobile.
      b. Use campaign funds to pay for direct fuel purchases for the candidate’s automobile only and shall be reported.       a. If a participating candidate travels for campaign purposes in a privately owned airplane, within 7 days from the date of travel, the candidate shall use campaign funds to reimburse the owner of the airplane at a rate of $150 per hour of flying time, in which event the reimbursement shall be considered a direct campaign expense and shall be reported as an expenditure. If the owner of the airplane is unwilling or unable to accept reimbursement, the participating candidate shall remit to the fund an amount equal to $150 per hour of flying time.
      b. If a participating candidate travels for campaign purposes in a state-owned airplane, within 7 days from the date of travel, the candidate shall use campaign funds to reimburse the state for the portion allocable to the campaign in accordance with subsection 3a, above. The candidate shall obtain and furnish to the Commission on request any evidence regarding direct campaign expenses made by the candidate as provided in subsection (A)(2).
   2. All participating candidates shall retain records with respect to each expenditure and receipt, including bank records, vouchers, worksheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, and any related materials documenting campaign receipts and disbursements, for a period of three years, and shall present these records to the Commission on request.

R2-20-704. Repayment
A. In general, the Commission may determine that a participating candidate who has received payments from the Fund must repay the Fund as determined by the Commission.

1. A candidate who has received payments from the Fund shall pay the Fund any amounts that the Commission determines to be repayable. In making repayment determinations, the Commission may utilize information obtained from audits and examinations or otherwise obtained by the Commission in carrying out its responsibilities.

2. The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than one year after the day of the election.

3. Once the candidate receives notice of the Commission’s repayment determination, the candidate should give preference to the repayment over all other outstanding obligations of the candidate, except for any taxes owed by the candidate.

4. Repayments may be made only from the following sources: personal funds of the candidate, funds in the candidate’s current election campaign account, and any additional funds raised subject to the limitations and prohibitions of the Act.

5. The Commission may withhold the portion of funds required to be repaid from future payments to a participating candidate if the Commission has made a repayment determination.

B. The Commission may determine that a participating candidate who has received payments from the Fund must repay the Fund under any of the following circumstances:

1. Payments in excess of candidate’s entitlement. If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the Fund an amount equal to such portion.

2. Use of funds not for direct campaign purposes. If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than direct campaign purposes described in R2-20-702, it will notify the candidate of the amount so used, and such candidate shall pay to the Fund an amount equal to such amount.

3. Expenditures that were not documented in accordance with campaign finance reporting requirements, expended in violation of state or federal law, or used to defray expenses resulting from a violation of state or federal law, such as the payment of fines or penalties.

4. Surplus. If the Commission determines that a portion of payments from the Fund remains unspent after all direct campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the Fund that portion of surplus funds.

5. Income on investment or other use of payments from the Fund. If the Commission determines that a candidate received any income as a result of an investment or other use of payments from the Fund, it shall so notify the candidate, and such candidate shall pay to the Fund an amount equal to the amount determined to be income, less any federal, state or local taxes on such income.
6. Unlawful acceptance of contributions by an eligible candidate. If the Commission determines that a participating candidate accepted contributions, other than early contributions or qualifying contributions, it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the Fund an amount equal to such amount, plus any civil penalties assessed.

C. Repayment determination procedures. The Commission’s repayment determination will be made in accordance with the following procedures:

1. Repayment determination. The Commission will send a repayment determination pursuant to Article 2, Compliance and Enforcement Procedures, and will set forth the legal and factual reasons for such determination, as well as the evidence upon which any such determination is based. The candidate shall repay, in accordance with subsection (D), the amount that the Commission has determined to be repayable.

2. Administrative review of repayment determination. If a candidate disputes the Commission’s repayment determination, he or she may request an administrative appeal of the determination in accordance with A.R.S. § 41-1092 et seq.

D. Repayment period.

1. Within 30 days of service of the notice of the Commission’s repayment determination, the candidate shall repay the amounts the Commission has determined must be repaid. Upon application by the candidate, the Commission may grant an extension of time in which to make repayment.

2. If the candidate requests an administrative appeal of the Commission’s repayment determination of this Section, he or she may request an administrative appeal of the determination in accordance with A.R.S. § 41-1092 et seq.

3. Interest shall be assessed on all repayments made after the initial 30-day repayment period or the 30-day repayment period established by this Section. The amount of interest due shall be the greater of:
