THE ARIZONA ADMINISTRATIVE CODE

Within the stated calendar quarter, this Chapter contains all rules made, amended, repealed, renumbered, and recodified; or rules that have expired or were terminated due to an agency being eliminated under sunset law. These rules were either certified by the Governor’s Regulatory Review Council or the Attorney General’s Office; or exempt from the rulemaking process, and filed with the Office of the Secretary of State. Refer to the historical notes for more information.

Please note that some rules you are about to remove may still be in effect after the publication date of this Supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), accepts state agency rule filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the Administrative Code. RULES
A.R.S. § 41-1001(17) states: “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE
The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions. Virtually everything in your life is affected in some way by rules published in the Arizona Administrative Code, from the quality of air you breathe to the licensing of your dentist. This chapter is one of more than 230 in the Code compiled in 21 Titles.

ADMINISTRATIVE CODE SUPPLEMENTS
Rules filed by an agency to be published in the Administrative Code are updated quarterly. Supplement release dates are printed on the footers of each chapter:

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2017 is cited as Supp. 17-1.

HOW TO USE THE CODE
Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARTICLES AND SECTIONS
Rules in chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering system separated into subsections.

HISTORICAL NOTES AND EFFECTIVE DATES
Historical notes inform the user when the last time a Section was updated in the Administrative Code. Be aware, since the Office publishes each quarter by entire chapters, not all Sections are updated by an agency in a supplement release. Many times just one Section or a few Sections may be updated in the entire chapter.

ARIZONA REVISED STATUTE REFERENCES
The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES
Arizona Session Law references in the introduction of a chapter can be found at the Secretary of State’s website, www.azsos.gov/services/legislative-filings.

EXEMPTIONS FROM THE APA
It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Arizona Administrative Register online at www.azsos.gov/rules, click on the Administrative Register link.

In the Administrative Code the Office includes editor’s notes at the beginning of a chapter indicating that certain rulemaking Sections were made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR
If you are researching rules and come across rescinded chapters on a different paper color, this is because the agency filed a Notice of Exempt Rulemaking. At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

PERSONAL USE/COMMERCIAL USE
This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

Public Services managing rules editor, Rhonda Paschal, assisted with the editing of this chapter.

Historical Note
Adopted effective May 17, 1976 (Supp. 76-3). Former Section R6-5-2404 repealed, new Section R6-5-2404 adopted effective March 1, 1978 (Supp. 78-2).

R6-5-2405. Hearing process

A. Filing of appeal
1. A request for a hearing shall be filed in writing with the Department or provider within 15 calendar days after the mailing date of the decision letter, except that for appeals on denying, revoking or suspending a license of a child welfare agency or foster home the request shall be filed within 20 calendar days.
2. Except as otherwise provided by statute or by Department regulation, any appeal, application, request, notice, report, or other information or document submitted to the Department shall be considered received by and filed with the Department:
   a. If transmitted via the United States Postal Service or its successor, on the date it is mailed. The mailing date will be as follows:
      i. As shown by the postmark.
      ii. In the absence of a postmark the postage-meter mark of the envelope in which it is received;
      iii. If not postmarked or postage-meter marked, or if the mark is illegible, the date entered on the document as the date of completion.
   b. If transmitted by any means other than the United States Postal Service or its successor, on the date it is received by the Department.
   c. The submission of any appeal, application, request, notice, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the Department that the delay in submission was due to Department error or misinformation or to delay or other action of the United States Postal Service or its successor.
   d. Any notice, determination, decision or other data mailed by the Department shall be considered as having been given to the addressee to whom it is directed on the date it is mailed to the addressee’s last known address. The date mailed shall be presumed to be the date of the notice, determination, decision or other data unless otherwise indicated by the facts. Computation of time shall be made in accordance with Rule 6(a) of the Rules of Civil Procedure, 16 A.R.S.

3. Benefits shall not be reduced or terminated prior to a hearing decision unless due to a subsequent change in household eligibility another notice of adverse action is received and not timely appealed.

4. The local office or provider shall advise the client of any community legal services available and, when requested, shall assist in completing the hearing request.

B. Notice of hearing
1. Hearings will be held at the local office or any other place mutually agreed upon by the hearing officer and appellant. They shall be scheduled not less than 20 nor more than 30 days from the date of filing of the request for hearing. The appellant shall be given no less than 15 days notice of hearing, except that the appellant may waive the notice period or request a delay. For appeals on denying, revoking or suspending a license of a child welfare agency or foster home, however, the hearing shall be held within ten days of the date of filing of the request for hearing.

2. The notice of hearing shall inform the appellant of the date, time, and place of the hearing, the name of the hearing officer, the issues involved, and of his rights to present his case in person or through a representative; examine and copy any documents in his case file and all documents and records to be used by the agency at the hearing at a reasonable time prior to the hearing as well as at the hearing; obtain assistance from the local office in preparing his case; and of his opportunity to make inquiry at the local office about the availability of community legal resources which could provide representation at the hearing.

3. Appellant, in lieu of a personal appearance, may submit a written statement, under oath or affirmation, setting forth the facts of the case provided that the statement is submitted to the Department prior to or at the time of the hearing. All parties shall be ready and present with all
witnesses and documents at the time and place specified in the notice of hearing, and shall be prepared at such time to dispose of all issues and questions involved in the appeal.

4. The hearing officer may take such action for the proper disposition of an appeal as he deems necessary, and on his own motion, or at the request of any interested party upon a showing of good cause disqualify himself, or may continue the hearing to a future time or reopen a hearing before a decision is final to take additional evidence. If an interested party fails to appear at a scheduled hearing, the hearing officer may adjourn the hearing to a later date or may make his decision upon record and such evidence as may be presented at the scheduled hearing. If, within ten days of the scheduled hearing, appellant files a written application requesting reopening of the proceedings and establishes good cause for failure to appear at the scheduled hearing, the hearing shall be rescheduled. Notice of the time, place, and purpose of any continued, reopened or rescheduled hearing shall be given to all interested parties.

C. Prehearing summary
1. A prehearing summary of the facts and grounds for the action taken shall be prepared and forwarded to the hearing officer no less than four days prior to the hearing.
2. The summary shall be provided to the appellant prior to the commencement of the hearing.

D. Subpoena of witnesses. The hearing officer may subpoena any witnesses or documents requested by the Department or claimant to be present at the hearing. The request shall be in writing and shall state the name and address of the witness and the nature of his testimony. The nature of the witnesses' testimony must be relevant to the issues of the hearing, otherwise the hearing officer may deny the request. The request for the issuance of a subpoena shall be made to give sufficient time, a minimum of three working days, prior to the hearing. A subpoena requiring the production of records and documents shall specifically describe them in detail and further set forth the name and address of the custodian thereof.

E. Review of file. In the presence of a Department representative, the appellant and/or his authorized representative shall be permitted to review, obtain or copy any Department record necessary for the proper presentation of the case.

F. Conduct of the hearing
1. Hearings shall be conducted in an orderly and dignified manner.
2. Hearings are opened, conducted and closed by the hearing officer who shall rule on the admissibility of evidence and shall direct the order of proof. He shall have power to administer oaths and affirmations, take depositions, certify to official acts and issue subpoenas to compel the attendance of witnesses, the production of books, papers, correspondence, memoranda and other records he deems necessary as evidence in connection with a hearing.
3. Evidence not related to the issue shall not be allowed to become a part of the record.
4. The hearing officer may, on his own motion, or at the request of the appellant or Department representative, exclude witnesses from the hearing room.
5. The worker, supervisor or other appropriate person may be designated Department representative for the hearing.
6. The appellant and Department representative may testify, present evidence, cross-examine witnesses and present arguments.
7. The appellant may appear for himself or be represented by an attorney or any other person he designates.

8. A full and complete record shall be kept of all proceedings in connection with an appeal, and such records shall be open for inspection by the claimant or his representative at a place accessible to him. A transcript of the proceedings need not, however, be made unless it is required for further proceedings. When a transcript has been made for further proceedings, a copy shall be furnished without cost to each interested party.

G. Hearing decision
1. The hearing decision shall be rendered exclusively on the evidence and testimony produced at the hearing, appropriate state and federal law, and Department rules governing the issues in dispute.
2. The decision shall set forth the pertinent facts involved, the conclusions drawn from such facts, the sections of applicable law or rule, the decision and the reasons thereof. A copy of such decision, together with an explanation of the appeal rights, shall be delivered or mailed to each interested party and their attorneys of record not more than 60 days from the date of filing the request for appeal, unless the delay was caused by the appellant.
3. In those cases where the local office must take additional action as a result of a decision, such action must be taken immediately.
4. All decisions in favor of the appellant apply retroactively to the date of the action being appealed, or to the date the hearing officer specifically finds appropriate.
5. When a hearing decision upholds the proposed action of reducing, suspending or terminating a grant, an overpayment is the result.
6. All hearing decisions will be made accessible to the public, subject to meeting the provision for safeguarding confidential information relating to the claimant.
7. Decision of the hearing officer will be the final decision of the Department unless a reconsideration is requested in accordance with subsection (I).

H. Withdrawal of appeal. An appeal may be withdrawn as follows:
1. Voluntary withdrawal. This may be accomplished by completing and signing the proper Department form or by submitting a letter properly signed.
2. Abandonment or involuntary withdrawal. This occurs when an appellant fails to appear at a scheduled hearing and within ten days thereof fails to request a rescheduled hearing or fails to appear at a rescheduled hearing which he has requested. A hearing may not be considered abandoned if the claimant provides notification up to the time of the hearing that he is unable, due to good cause, to keep the appointment and that he still wishes a hearing.

I. Reconsideration
1. An appellant, within ten calendar days after the decision was mailed or otherwise delivered to him, may request the Director to review the decision. The request shall be in writing and should set forth a statement of the grounds for review, and may be filed personally or by mail.
2. After receipt of an application for leave to appeal, the Director shall:
   a. Deny the application, or
   b. Remand the case for rehearing, specifying the nature of any additional evidence required and/or issues to be considered, or
   c. Grant the application and decide the appeal on the record.
3. The Director shall promptly adopt his decision which shall be the final decision of the Department. A copy of the decision, together with a statement specifying the
rights for judicial review, shall be distributed to each interested party.

   d. Suspension, termination, reduction, or withholding of assistance except as provided in subsection (B);
   e. Increase in the fee level and DES-required copayment amount; or
   f. The existence or amount of an overpayment attributed to the family or the terms of a plan to repay the overpayment.
2. Applicants and recipients are not entitled to a hearing to challenge benefit adjustments made automatically as a result of changes in federal or state law, unless the Department has incorrectly applied such law to the individual seeking the hearing.

B. Request for Hearing; Time Limits.
1. A person who wishes to appeal a negative action shall file a written request for a fair hearing with a local CCA office, within 10 days of the negative action notice date.
2. A request for a hearing is deemed filed;
   a. On the date it is mailed, if transmitted via the United States Postal Service or its successor. The mailing date is as follows:
      i. As shown by the postmark;
      ii. As shown by the postage meter mark of the envelope in which it is received, if there is no postmark; or
      iii. The date entered on the document as the date of its completion, if there is no postmark or no postage meter mark, or if the mark is illegible.
   b. On the date actually received by the Department, if not sent through the mail as provided in subsection (B)(2)(a).
3. The submission of any document is considered timely if the appellant proves that delay in submission was due to Department error or misinformation, or to delay caused by the U.S. Postal Service or its successor.
4. Any document mailed by the Department is considered as having been given to the addressee on date it is mailed to the addressee’s last known address. The date mailed shall be presumed to be the date shown on the document, unless otherwise indicated by the facts.
5. The Office of Appeals shall deny any request that is not timely filed. A party may appeal a decision on the timeliness of an appeal.

C. Hearing Requests; Preparation and Processing.
1. Within two work days of receiving a request for appeal, the local CCA office shall notify the Office of Appeals of the hearing request.
2. Within 10 days of receiving a request for appeal, the local CCA office shall prepare and forward to the Office of Appeals a prehearing summary which shall include:
   a. The appellant’s name (and case name, if different);
   b. The appellant’s SSN (or case number, if different);
   c. The local office responsible for the appellant’s case;

D. Continuation of Assistance Pending Appeal; Exceptions.
1. If an appellant files a request for appeal within 10 calendar days of the negative action notice date, the Department shall continue assistance at the current level unless:
   a. The appellant waives continuation of current assistance;
   b. The appeal results from a change in federal or state law which mandates an automatic adjustment for all classes of recipients and does not involve a misapplication of the law, or
   c. The appellant is requesting continuation of TCC benefits for longer than the 24-month eligibility period.
2. The negative action shall be stayed until receipt of an official written decision in favor of the Department, except in the following circumstances:
   a. At the hearing and on the record, the hearing officer finds that the sole issue involves application of law, and the Department properly applied the law and computed the assistance due the appellant;
   b. A change in eligibility or assistance amount occurs for reasons other than those being appealed, and the eligible family receives and fails to timely appeal a notice of negative action concerning such change;
   c. Federal or state law mandates an automatic adjustment for classes of recipients;
   d. The appellant withdraws the request for hearing; or
   e. The appellant fails to appear for a scheduled hearing without prior notice to the Office of Appeals, and the hearing officer does not rule in favor of the appellant based upon the record.
3. Upon receipt of a decision in favor of the Department, the Department shall write an overpayment for the amount of any assistance the family received in excess of the correct amount, while the stay was in effect.

   1. The case name and number;
   2. The hearing officer assigned to the case; and

B. The party requesting the change shall file the affidavit with the Office of Appeals and send a copy to all other parties at least five days before the scheduled hearing date.
C. Unless a party is challenging a hearing officer for cause as provided in subsection (D), a party may request only one change of hearing officer.
D. At any time before a hearing officer renders a decision, a party may challenge a hearing officer on the grounds that the hearing officer is not impartial or disinterested in the case.
E. A party who brings a challenge for cause shall file a request as provided in subsection (A) and send a copy of the request to all other parties. The request shall explain the reason why the assigned hearing officer is not impartial or disinterested.
F. The hearing officer being challenged for cause may hear and decide the challenge unless:
   1. A party specifically requests that another hearing officer make the determination, or
   2. The assigned hearing officer disqualifies himself or herself from the decision.
G. The Office of Appeals shall transfer the case to another hearing officer when:
   1. A party requests a change as provided in subsections (A) through (C), or
   2. A hearing officer is removed for cause as provided in subsections (D) through (F).
A party to a hearing has the following rights:

7. The right to further appeal, as provided in R6-5-7518 and R6-5-7520, if dissatisfied with an Office of Appeals’ decision.

R6-5-7511. Subpoenas
A. A party who wishes to have a witness testify at a hearing, or to offer a particular document or item in evidence, shall first attempt to obtain the witness or evidence by voluntary means. Department documents are available to the appellant as prescribed in R6-5-7512(2).
B. If the party cannot procure the voluntary attendance of the witness or production of the evidence, the party may ask the hearing officer assigned to the case to issue a subpoena for a witness, document, or other physical evidence.
C. The party seeking the subpoena shall send the hearing officer a written request for a subpoena. The request shall include:
1. The case name and number;
2. The name of the party requesting the subpoena;
3. The name and address of any person to be subpoenaed, with a description of the subject matter of the witness’s anticipated testimony;
4. A description of any documents or physical evidence to be subpoenaed, including the title, appearance, and location of the item, and the name and address of the person in possession of the item; and
5. A description of the party’s efforts to obtain the witness or evidence by voluntary means.
D. A party who wants a subpoena shall ask for the subpoena at least five days before the scheduled hearing date.
E. The hearing officer shall deny the request if the witness’s testimony or the physical evidence is not relevant to an issue in the case or is cumulative.
F. The Office of Appeals shall prepare all subpoenas and serve them by certified mail, return receipt requested, except that the Office of Appeals may serve subpoenas to state employees who are appearing in the course of their state employment, by regular mail, hand-delivery, or state courier service.

A. A party to a hearing has the following rights:
1. The right to request a postponement of the hearing, as provided in this Article;

The right to copy, before or during the hearing, any documents in the Department’s file on the appellant, and documents the Department may use at the hearing, except documents shielded by the attorney-client or work-product privilege, or as otherwise prohibited by federal or state confidentiality laws;
3. The right to request a change of hearing officer as provided in A.R.S. § 41-1992(B) and R6-5-7510;
4. The right to request subpoenas for witnesses and evidence as provided in R6-5-7511;
5. The right to present the case in person or through an authorized representative, subject to any limitations prescribed in the Rules of the Supreme Court of Arizona, Rule 31(a);
6. The right to present evidence and to cross-examine witnesses; and
7. The right to further appeal, as provided in R6-5-7518 and R6-5-7520, if dissatisfied with an Office of Appeals’ decision.

R6-5-7513. Withdrawal of an Appeal
A. An appellant may withdraw an appeal at any time prior to the scheduled hearing by signing a written statement expressing the intent to withdraw. The Department shall make a withdrawal form available for this purpose. An appellant may also orally withdraw an appeal on the open record.
B. Upon receipt of a withdrawal request signed by the appellant or the appellant’s representative, or a statement of withdrawal made on the record, the Office of Appeals shall dismiss the appeal.

R6-5-7514. Failure to Appear; Default; Reopening
A. If an appellant fails to appear at the scheduled hearing, the hearing officer shall:
1. Enter a default and issue a decision dismissing the appeal, except as provided in subsection (B);
2. Rule summarily on the available record; or
3. Adjourn the hearing to a later date and time.
B. The hearing officer shall not enter a default if the appellant notifies the Office of Appeals, before the scheduled time of hearing, that the appellant cannot attend the hearing, due to good cause, and still desires a hearing or wishes to have the matter considered on the available record.
C. No later than 10 days after a scheduled hearing date at which a party failed to appear, the non-appearing party may file a request to reopen the proceedings. The request shall be in writing and shall demonstrate good cause for the party’s failure to appear.
D. The hearing officer may decide the issue of good cause on the available record or may set the matter for briefing or for hearing.
E. If the hearing officer finds that the party had good cause for non-appearance, the hearing officer shall reopen the proceedings and schedule a de novo hearing with notice to all interested parties as prescribed in R6-5-7508(C).
F. Good cause exists where the non-appearing party demonstrates excusable neglect for both the failure to appear and the failure to timely notify the hearing officer. “Excusable neglect” has the meaning applied to “excusable neglect” as that term is used in Arizona Rules of Civil Procedure, Rule 60(c).

R6-5-7515. Hearing Proceedings
A. The hearing is a de novo proceeding. The Department has the initial burden of going forward with evidence to support the adverse action being appealed.
B. To prevail, the appellant shall prove, by a preponderance of the evidence, that the Department’s action was unauthorized, unlawful, or an abuse of discretion.
C. The Arizona Rules of Evidence do not apply at the hearing. The hearing officer may admit and give probative effect to evidence as prescribed in A.R.S. § 23-674(D).
D. The Office of Appeals shall tape record all hearings or record the hearing by other stenographic means. The Department need not transcribe the proceedings unless a transcription is required for further administrative or judicial proceedings.
E. The Office of Appeals charges a fee of $15 per page for providing a transcript. A party may obtain a waiver of the fee by...
submitting an affidavit stating that the party cannot afford to pay for the transcript.
F. A party may, at his or her own expense, arrange to have a court reporter present to transcribe the hearing.
G. The hearing officer shall call the hearing to order and dispose of any pre-hearing motions or issues.
H. With the consent of the hearing officer, the parties may stipulate to factual findings or legal conclusions.
I. Upon request and with the consent of the hearing officer, a party may make opening and closing statements. The hearing officer shall consider any statements as argument and not evidence. Unless the hearing officer allows a longer period of time, a statement shall not exceed three minutes.
J. A party may testify, present evidence, and cross-examine adverse witnesses. The hearing officer may also take witness testimony or admit documentary or physical evidence on his or her own motion.
K. The hearing officer shall keep a complete record of all proceedings in connection with an appeal and shall exclude any irrelevant evidence.
L. The hearing officer may require the parties to submit memoranda on issues in the case if the hearing officer finds that the memoranda would assist the hearing officer in deciding the case. The hearing officer shall establish a briefing schedule for any required memoranda.

Historical Note
Adopted effective June 4, 1998 (Supp. 98-2).

R6-5-7516. Hearing Decision
A. No later than 60 days after the date the appellant files a request for hearing with the Department, the hearing officer shall render a decision based solely on the evidence and testimony produced at the hearing, and the applicable law. The 60-day time limit is extended for any delay caused by the appellant.
B. The hearing decision shall include:
1. Findings of fact concerning the issue on appeal;
2. Citations to the law and authority applicable to the issue on appeal;
3. A statement of the conclusions derived from the controlling facts and law, and the reasons for the conclusions;
4. The name of the hearing officer;
5. The date of the decision; and
6. A statement of further appeal rights and the time period for exercising those rights.
C. The Office of Appeals shall mail a copy of the decision to each party’s representative, or to the party if the party is unrepresented.

Historical Note
Adopted effective June 4, 1998 (Supp. 98-2).

R6-5-7517. Effect of the Decision
A. If the hearing officer affirms the adverse action against the appellant, the adverse action is effective on the mailing date of the hearing officer’s decision. The adverse action remains effective until the appellant appeals and obtains a higher administrative or judicial decision reversing or vacating the hearing officer’s decision.
B. If the hearing officer reverses the Administration’s decision to take adverse action, the Administration shall not take the action unless and until the Appeals Board or Arizona Court of Appeals issues a decision affirming the adverse action.

Historical Note
Adopted effective June 4, 1998 (Supp. 98-2).

R6-5-7518. Further Administrative Appeal
A. A party may appeal an adverse decision issued by a hearing officer to the Department’s Appeals Board, as prescribed in A.R.S. § 41-1992(C) and (D), by filing a written petition for review with the Office of Appeals within 15 days of the mailing date of the hearing officer’s decision.
B. The petition for review shall:
1. Be in writing;
2. Describe why the party disagrees with the hearing officer’s decision, and
3. Be signed and dated by the party or the party’s representative.
C. The party petitioning for review shall mail a copy of the petition to all other parties.
D. The Office of Appeals shall have the proceedings of the hearing below transcribed for the Appeals Board.

Historical Note
Adopted effective June 4, 1998 (Supp. 98-2).

R6-5-7519. Appeals Board
A. The Appeals Board shall conduct proceedings in accordance with A.R.S. § 41-1992(D) and A.R.S. § 23-672.
B. Following notice to the parties, the Appeals Board may receive additional evidence or hold a hearing if the Appeals Board finds that additional information would help in deciding the appeal. The Board may also remand the case to the Office of Appeals for rehearing, specifying the nature of the additional evidence required, or any further issues to be considered.
C. The Appeals Board shall decide the appeal based solely on the record of proceedings before the hearing officer and any further evidence or testimony presented to the Board.
D. The Appeals Board shall issue, and mail to all parties, a final written decision affirming, reversing, setting aside, or modifying the hearing officer’s decision. The Board’s decision shall specify the parties’ rights to further review and the time for filing a request for review.

Historical Note
Adopted effective June 4, 1998 (Supp. 98-2).

R6-5-7520. Judicial Review
Any party adversely affected by an Appeals Board decision may seek judicial review as prescribed in A.R.S. § 41-1993.
