A. The overall time-frame described in A.R.S. § 41-1072 for each type of approval granted by the Department under this Chapter is set forth in Table 1. The applicant and the Department may agree in writing to extend the substantive review time-frame and the overall time-frame. An extension of the substantive review time-frame and the overall time-frame may not exceed 25% of the overall time-frame.

B. The administrative completeness review time-frame described in A.R.S. § 41-1072 for each type of approval granted by the Department under this Chapter is set forth in Table 1 and begins on the date that the Department receives an application.

C. The substantive review time-frame described in A.R.S. § 41-1072 is set forth in Table 1 and begins on the date of the notice of administrative completeness.

1. As part of the substantive review for an application for a certificate, the Department shall conduct an inspection that may require more than one visit to the child care group home or premises.

2. As part of the substantive review for a request for approval of a change affecting a certificate that requires a change in the use of physical space at a child care group home, the Department shall conduct an inspection that may require more than one visit to the child care group home.

3. The Department shall send a certificate or a written notice of approval or denial of a certificate or other request for approval to an applicant within the substantive review time-frame.

4. During the substantive review time-frame, the Department may make one comprehensive written request for additional information, unless the Department and the applicant have agreed in writing to allow the Department to submit supplemental requests for information.

a. If the Department determines that an applicant, a child care group home, or the premises are not in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 4 and this Chapter, the Department shall send a comprehensive written request for additional information that includes a written statement of deficiencies stating each statute and rule upon which noncompliance is based.

b. An applicant shall submit to the Department all of the information requested in a comprehensive written request for additional information or a supplemental request for information, including, if applicable, documentation of the corrections required in a statement of deficiencies, within 30 days after the date of the comprehensive written request for additional information or the supplemental request for information.

c. The substantive review time-frame and the overall time-frame are suspended from the date that the Department sends a comprehensive written request for additional information or for a supplemental request for information until the date that the Department receives all of the information requested, including, if applicable, documentation of corrections required in a statement of deficiencies.

d. If an applicant fails to submit to the Department all of the information requested in a comprehensive written request for additional information or a supplemental request for information, including, if applicable, documentation of corrections required in a statement of deficiencies, within the time prescribed in subsection (C)(4)(b), the Department shall deny the application.

5. The Department shall issue a certificate or approval if the Department determines that the applicant and the child care group home or premises are in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 4 and this Chapter, and the applicant submits documentation of corrections, which is acceptable to the Department, for any deficiencies.

6. If the Department denies a certificate or approval, the Department shall send to the applicant a written notice of denial setting forth the reasons for denial and all other information required by A.R.S. § 41-1076.
R9-3-103. Individuals to Act for Applicant or Certificate Holder

When an applicant or certificate holder is required by this Chapter to provide information on or sign an application form or other document, hold a fingerprint clearance card, or complete Department-provided orientation, the following shall satisfy the requirement on behalf of the applicant or certificate holder:

   a. If requesting a change in capacity, the square footage of the outdoor activity area and the square footage of the indoor areas where child care services will be provided;
   b. If requesting a change that involves a modification of the residence that requires a building permit, a copy of the building permit;
   c. If requesting a change in space utilization that affects individual rooms:
      i. A floor plan of the residence that complies with R9-3-201(2)(f) and shows the intended changes, and
      ii. The square footage of each affected room; and
   d. If requesting a change in space utilization that affects the outdoor activity area:
      i. A site plan of the premises that complies with R9-3-201(2)(g) and shows the intended changes, and
      ii. The square footage of the intended outdoor activity area.

C. The Department shall review a request submitted under subsection (B) according to R9-3-102. If the intended change is in compliance with A.R.S. Title 36, Chapter 7.1, Article 4 and this Chapter, the Department shall send the certificate holder an approval of the request and, if necessary, an amended certificate that incorporates the change but retains the anniversary date of the current certificate.

D. A certificate holder shall not implement any change in subsection (B) until the Department issues an approval or amended certificate.

E. At least 30 days before the date of a change in ownership, a certificate holder shall send the Department written notice of the change in ownership.

F. A person planning to assume operation of a child care group home shall obtain a new certificate as prescribed in R9-3-201 before beginning operation of the child care group home.

G. A certificate holder changing a child care group home's location shall:
1. Apply for a new certificate as prescribed in R9-3-201, and
2. Obtain a new certificate from the Department before beginning operation of the child care group home at the new location.

H. Within 30 days after the date of a change in the business organization information provided under R9-3-201(2)(j), other than a change in ownership, a certificate holder that is a business organization shall send the Department written notice of the change.

opment, nutrition, psychology, or early childhood
education; or
c. At least 30 hours of training in child care and
devopment, nutrition, psychology, or early child-
hood education; and
2. At least one adult staff member, in addition to the pro-
vider or the staff member specified in subsection (D)(1),
is on the premises when six or more enrolled children are
at the child care group home.
E. A certificate holder shall ensure that a parent of an enrolled
child or an individual designated in writing by the parent of an
enrolled child is allowed immediate access during hours of
operation to the areas of the premises where the enrolled child
is receiving child care services.
F. A certificate holder shall:
1. Prepare a document that includes the following informa-
tion:
a. The name and contact telephone number of the pro-
vider;
b. The hours of operation of the child care group home;
c. Charges, fees, and payment requirements for child
care services;
d. Whether medications are administered at the child
care group home and, if so, a description of what the
parent is required to give to the child care group
home;
e. Whether enrolled children go on field trips under the
supervision of a staff member;
f. Whether the child care group home provides trans-
portation for enrolled children to or from school, a
school bus stop, or other locations;
g. The mechanism by which a staff member will verify
that an individual contacting the child care group
home by telephone claiming to be the parent of an
enrolled child is the enrolled child’s parent;
h. A statement that a parent has access to the areas on
the premises where the parent’s enrolled child is
receiving child care services;
i. A statement that inspection reports for the child care
group home are available for review at the child care
group home; and
j. The local address and contact telephone number for the
Department; and
2. Ensure that a staff member provides the document required in subsection (F)(1) to a parent of an enrolled child.

G. A certificate holder shall ensure that a staff member posts in a place that can be conspicuously viewed by individuals entering or leaving the child care group home:
1. The child care group home certificate;
2. The name of the provider;
3. The name of the staff member designated to act on behalf of the certificate holder when the provider is not present at the child care group home;
4. The hours of operation for the child care group home;
5. The weekly activity schedule required in R9-3-401(B)(4)(b);
6. The amount of time in minutes enrolled children may watch television, videos, or DVDs at the child care group home; and
7. The weekly menu, required in R9-3-406(F), before the first meal or snack of the week.

H. A certificate holder shall ensure that a staff member supervises any individual who is not a staff member and is on the premises where enrolled children are present.

I. A certificate holder shall ensure that a staff member who has current training in first aid and CPR is present during hours of operation when an enrolled child is on the premises or on a trip away from the premises under the supervision of a staff member.

J. A certificate holder shall ensure that if a staff member or resident lacks documentation of immunization or evidence of immunity that complies with A.A.C. R9-6-704 for a communicable disease listed in A.A.C. R9-6-702(A):
1. The staff member or resident is excluded from the child care group home between the start and end of an outbreak of the communicable disease at the child care group home, or
2. The child care group home is closed until the end of an outbreak at the child care group home.

K. Within 72 hours after changing a provider, a certificate holder shall send the Department written notice of the change, including the name of the new provider.

L. Except as provided in subsections (M) and (N), a certificate holder shall notify the Department in writing of a planned change in a child care group home’s hours of operation at least three days before the date of the planned change, including:
1. The certificate holder’s name;
2. The child care group home’s certificate number; and
3. The current and intended hours of operation.

M. A certificate holder is not required to notify the Department of a change in a child care group home’s hours of operation when the change in the child care group home’s hours of operation is due to the occurrence of a state or federal holiday on a day of the week the child care group home regularly provides child care services.

N. When the premises of a child care group home are left unoccupied during hours of operation or the child care group home is temporarily closed due to an unexpected event, a certificate holder shall ensure that a staff member notifies the Department before leaving the child care group home unoccupied or closing the child care group home, stating the period of time during which the child care group home will be unoccupied or closed.

**R9-3-303. Enrollment of Children**

A. A certificate holder shall require that a child be enrolled by the child’s parent or by an individual authorized in writing by the child’s parent.

B. Except as required in A.R.S. § 36-3009, before a child receives child care services at a child care group home, a certificate holder shall require the individual enrolling the child to complete a Department-provided Emergency, Information, and Immunization Record card containing:
   1. The child’s name, home address, city, state, zip code, sex, and date of birth;
   2. The date of the child’s enrollment;
   3. The name, home address, city, state, zip code, and contact telephone number of each parent of the child;
   4. The name and contact telephone number of at least two individuals authorized by the child’s parent to collect the child from the child care group home or to be contacted if the child’s parent cannot be contacted;
   5. The name and contact telephone number of the child’s physician, physician assistant, or registered nurse practitioner;
   6. Written authorization for emergency medical care of the child;
   7. The name of the individual to be contacted in case of injury or sudden illness of the child;
   8. A written description provided by a child’s parent of the nutritional and dietary needs of the child;
   9. A written description provided by the child’s parent noting the child’s susceptibility to illness, physical conditions of which a staff member should be aware, and any individual requirements for health maintenance; and
   10. The dated signature of the individual completing the Emergency, Information, and Immunization Record card.

C. A certificate holder shall maintain a current Emergency, Information, and Immunization Record card for each enrolled child on the premises in a place that provides a staff member ready access to the card in the event of an emergency at, or evacuation of, the child care group home.

D. When a child is disenrolled from a child care group home, the certificate holder shall ensure that a staff member:
   1. Enters the date of disenrollment on the child’s Emergency, Information, and Immunization Record card; and
   2. Maintains the records in subsection (D)(1) for 12 months after the date of disenrollment on the premises in a place separate from the current Emergency, Information, and Immunization Record cards.

**Historical Note**
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Section repealed; new R9-3-303 renumbered from R9-3-307 and amended by exempt rulemaking at 17 A.A.R. 1530, September 30, 2011 (Supp. 11-3).

**R9-3-304. Enrolled Child Immunization Requirements**

A. A certificate holder shall not permit an enrolled child to receive child care services at a child care group home until the child care group home receives:

   1. An immunization record for the enrolled child with the information required in 9 A.A.C. 6, Article 7, stating that the enrolled child has received all current, age-appropriate immunizations required under 9 A.A.C. 6, that is:
      a. Provided by a physician, physician assistant, registered nurse practitioner, or another individual authorized by state law to administer immunizations; or
      b. Generated from the Arizona State Immunization Information System, which is the Department’s child immunization reporting system established in A.R.S. § 36-135; or
   2. An exemption affidavit for the enrolled child provided by the enrolled child’s parent that contains:
      a. A statement, signed by the enrolled child’s physician, physician assistant, or registered nurse practitioner, that the immunizations required by 9 A.A.C. 6, Article 7 would endanger the enrolled child’s health or medical condition; or
      b. A statement, signed by the enrolled child’s parent, that the enrolled child is being raised in a religion whose teachings are in opposition to immunization.

B. A certificate holder shall ensure that a staff member attaches an enrolled child’s written immunization record or exemption affidavit, required in subsection (A), to the enrolled child’s Emergency, Information, and Immunization Record card, required in R9-3-303(B).

C. A certificate holder shall ensure that a staff member updates an enrolled child’s written immunization record required in subsection (A)(1)(a) each time the enrolled child’s parent provides the child care group home with a written statement from the enrolled child’s physician, physician assistant, or registered nurse practitioner that the enrolled child has received an age-appropriate immunization required by 9 A.A.C. 6, Article 7.

D. If an enrolled child’s immunization record indicates that the enrolled child has not received an age-appropriate immunization required by 9 A.A.C. 6, Article 7, a certificate holder shall ensure that a staff member:
   1. Notifies the enrolled child’s parent in writing that the enrolled child may attend the child care group home for not more than 15 days after the date of the notification unless the enrolled child’s parent complies with the immunization requirements in 9 A.A.C. 6, Article 7; and
   2. Documents on the enrolled child’s Emergency, Information, and Immunization Record card the date on which the enrolled child’s parent is notified of an immunization required by the Department.

E. For an outbreak of a disease listed in A.A.C. R9-6-702(A) at a child care group home, a certificate holder shall:
   1. Not allow an enrolled child to attend the child care group home between the start and end of the outbreak if the enrolled child lacks documentation of immunization or evidence of immunity to the disease that complies with A.A.C. R9-6-704, and
   2. Permit the enrolled child to attend the child care group home if a parent of the enrolled child provides any of the documents in A.A.C. R9-6-704 for the enrolled child.

**Historical Note**
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Section repealed; new R9-3-304 renumbered from R9-3-308 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

**R9-3-305. Admission and Release of Enrolled Children**

A. A certificate holder shall ensure that:

   1. Not allow an enrolled child to attend the child care group home if a parent of the enrolled child provides any of the documents in A.A.C. R9-6-704 for the enrolled child.
A certificate holder shall ensure that an enrolled child is

1. An enrolled child is signed into and signed out from the child care group home by:
   a. The enrolled child’s parent;
   b. An individual authorized in writing or by telephone by the enrolled child’s parent; or
   c. The enrolled child, if the enrolled child is a school-age child and the enrolled child’s parent has given written permission for the enrolled child to self-admit or self-release;

2. The individual signing the enrolled child into or out from the child care group home:
   a. Records the time of the enrolled child’s arrival or departure, and
   b. Signs the attendance record with at least the first initial of the individual’s first name and the individual’s last name; and

3. The attendance record is maintained on the premises for 12 months from the date of the attendance record.

B. If an enrolled child gives a staff member written permission for the enrolled child to self-admit or self-release, the certificate holder shall ensure that the staff member verifies permission with the enrolled child’s parent before the enrolled child is allowed to self-admit or self-release.

C. If an individual who is unknown to a staff member present comes to sign out an enrolled child, the certificate holder shall ensure that before releasing the child to the individual the staff member reviews:
   1. The enrolled child’s Emergency, Information, and Immunization Record card to verify that the enrolled child’s parent has authorized the individual to sign out the child; and
   2. A driver’s license or other picture identification to verify the individual’s identity.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Section repealed; new R9-3-305 renumbered from R9-3-310 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-306. Pesticides
Except as prescribed by A.R.S. § 36-898(C), a certificate holder shall ensure that a staff member makes the following pesticide information available in writing to the parent of an enrolled child, upon the parent’s request, at least 48 hours before a pesticide application occurs on the premises:
   1. The brand, concentration, rate of application, and any use restrictions required by the label of the herbicide or specific pesticide;
   2. The date and time of the pesticide application;
   3. The pesticide label and the material safety data sheet; and
   4. The name and telephone number of the pesticide business licensee and the name of the licensed applicator.

R9-3-307. Illness and Infestation
A. A certificate holder shall ensure that an enrolled child is excluded from the child care group home when:
   1. A staff member determines that the enrolled child’s illness:
      a. Prevents the enrolled child from participating in activities without experiencing discomfort or aggravation of symptoms, or
      b. Results in a greater need for care than staff members can provide without compromising the health or safety of other enrolled children, or
   2. The child’s exclusion is required under 9 A.A.C. 6, Article 3.

B. If an enrolled child exhibits signs of illness or infestation that require exclusion from the child care group home under subsection (A), a certificate holder shall ensure that a staff member:
   1. Immediately separates the enrolled child from other enrolled children;
   2. Notifies the individual designated by the parent on the enrolled child’s Emergency, Information, and Immunization Record card to be contacted in case of the enrolled child’s injury or illness that the enrolled child needs to be picked up from the child care group home; and
   3. Makes a written record of the notification and places it in the enrolled child’s file.

C. A certificate holder shall ensure that a staff member or resident who has signs or symptoms of illness or infestation is excluded from the child care group home when required under 9 A.A.C. 6, Article 3.

D. If a certificate holder is notified that an enrolled child, staff member, or resident has an infestation or a communicable disease, other than human immunodeficiency virus or a sexually transmitted disease, the certificate holder shall:
   1. Provide written notice of potential exposure to each staff member and to a parent of each enrolled child within 24 hours after the certificate holder receives notice of the communicable disease or infestation;
   2. Maintain the written notice required in subsection (D)(1) on the premises for 12 months after the written notice is provided; and
   3. Provide notice to the local health agency if required under 9 A.A.C. 6, Article 2.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Former R9-3-307 renumbered to R9-3-303; new R9-3-307 renumbered from R9-3-311 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-308. Suspected Abuse or Neglect of an Enrolled Child
A certificate holder shall ensure that:
   1. The certificate holder or a staff member immediately reports suspected abuse or neglect of an enrolled child to Child Protective Services, established within the Arizona Department of Economic Security under A.R.S. Title 8, Chapter 10, Article 1, or to a local law enforcement agency, as required by A.R.S. § 13-3620;
   2. If a staff member or resident is suspected of abuse or neglect of an enrolled child, the certificate holder also reports the suspected abuse or neglect to the Department; and
   3. Documentation of a report required in subsection (1) or (2) is maintained on the premises for 12 months after the date of the report.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Former R9-3-308 renumbered to R9-3-304; new R9-3-308 renumbered from R9-3-312 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).
A certificate holder shall ensure that a document is prepared and maintained on the premises that specifies:
1. Whether prescription or nonprescription medications are administered to enrolled children; and
2. If prescription or nonprescription medications are administered, the requirements in subsection (B) for administering the prescription or nonprescription medications.

B. If prescription or nonprescription medications are administered at a child care group home, a certificate holder shall ensure that:
1. The provider or another staff member designated in writing by the provider is responsible for:
   a. Administering medications at the child care group home,
   b. Storing medications at the child care group home,
   c. Supervising the ingestion of medications, and
   d. Documenting the administration of medications;
2. At any given time, only one designated staff member at the child care group home is responsible for the duties described in subsection (B)(1);
3. The designated staff member does not administer a medication to an enrolled child unless the child care group home receives written authorization on a completed Department-provided authorization form that includes:
   a. The child’s first and last names;
   b. The name of the medication;
   c. The prescription number, if any;
   d. Instructions for administration specifying:
      i. The dosage,
      ii. The route of administration,
      iii. The first and last dates that the medication is to be administered, and
   i. The times and frequency of administration;
   e. The reason for the medication;
   f. The signature of the child’s parent; and
   g. The date of signature; and
4. The designated staff member:
   a. Measures liquid medications for oral administration using a measuring cup, spoon, or dropper specifically made for measuring liquid medication;
   b. Administers prescription medications provided by an enrolled child’s parent to the enrolled child only from a container dispensed by a pharmacy and accompanied by a pharmacy-generated prescription label that includes the child’s first and last names and administration instructions;
   c. Administers nonprescription medications provided by an enrolled child’s parent to the enrolled child only from an original manufacturer’s container labeled with the enrolled child’s first and last names;
   d. Does not administer a medication that has been transferred from one container to another;
   e. Does not administer a nonprescription medication to an enrolled child inconsistent with the instructions on the nonprescription medication’s label, unless the child care group home receives written administration instructions from the enrolled child’s physician, physician assistant, or registered nurse practitioner;
   f. Documents each administration of medication to an enrolled child on the Department-provided form required in subsection (B)(3) including:
      i. The name of the enrolled child;
   ii. The name and amount of medication administered and the prescription number, if any;
   iii. The date and time the medication was administered; and
   iv. The signature of the staff member who administered the medication to the enrolled child; and
   g. Maintains the record on the premises for 12 months after the date the medication is administered.
C. A certificate holder shall allow an enrolled child to receive an injection at the child care group home only after obtaining written authorization from a physician, physician assistant, or registered nurse practitioner. The certificate holder shall maintain the written authorization on the premises for 12 months after the date of the last injection.
D. An individual authorized by state law to give injections may give an injection to an enrolled child. In an emergency, an individual may give an injection to an enrolled child according to A.R.S. §§ 32-1421(A)(1) and 32-1631(2).
E. A certificate holder shall return unused prescription or nonprescription medication to a parent when the medication is no longer being administered to the enrolled child or has expired, whichever comes first, or dispose of the medication according to state and federal laws, if the child is no longer enrolled at the child care group home and the certificate holder is unable to locate the child’s parent.
F. Except as provided in subsection (G), a certificate holder shall ensure that:
1. Medication belonging to an enrolled child is stored in a locked, leak-proof storage cabinet or container that is used only for storing medications belonging to enrolled children; and
2. Medication belonging to a staff member or resident is stored in a locked, leak-proof storage cabinet or container that is separate from the storage container for enrolled children’s medications.
G. A certificate holder shall ensure that a staff member’s or enrolled child’s prescription medication necessary to treat life-threatening symptoms is kept in a location inaccessible to enrolled children except when the prescription medication is administered to treat the life-threatening symptoms.
H. A certificate holder shall ensure that a child care group home does not stock a supply of prescription or nonprescription medications for administration to enrolled children.

R9-3-403. Supplemental Standards for Care of an Enrolled Infant or One- or Two-Year-Old Child

A. A certificate holder shall ensure that:
   1. A staff member:
      a. Does not allow an enrolled infant or one- or two-year-old child to spend more than 30 consecutive minutes of time while awake in a crib, playpen, swing, feeding chair, infant seat, or other confining piece of equipment;
      b. Allows each enrolled infant to maintain an individual pattern of sleeping, waking, and eating, unless the enrolled infant’s parent has instructed otherwise;
      c. If providing a bottle or sippy cup to an enrolled infant or one- or two-year-old child before the enrolled infant or one- or two-year-old child naps or sleeps:
         i. Ensures that only water is in the bottle or sippy cup unless the written instructions required by subsection (A)(3)(b) state otherwise;
         ii. Removes the used bottle or sippy cup from the enrolled infant or one- or two-year-old child’s crib, bed, cot, or mat as soon as the enrolled infant or one- or two-year-old child finishes drinking or falls asleep; and
         iii. Cleans the used bottle or sippy cup before the bottle or sippy cup is reused;
d. Checks the diaper of each enrolled infant or one- or two-year-old child throughout the day and changes a diaper as soon as it is wet or soiled;

c. Ensures that toys provided for an enrolled infant or one- or two-year-old child are too large to swallow; and

d. Does not permit an enrolled infant to use a walker;

2. When putting an enrolled infant to sleep, a staff member:
   a. Places the enrolled infant on the enrolled infant’s back to sleep, unless the enrolled infant’s physician, physician assistant, or registered nurse practitioner has instructed otherwise in writing;
   b. Does not use a positioning device that restricts movement, unless the enrolled infant’s physician, physician assistant, or registered nurse practitioner has instructed otherwise in writing; and
   c. Does not use a mechanical restraint on the enrolled infant in a crib;

3. When feeding an enrolled infant, a staff member:
   a. Prepares and stores the enrolled infant’s formula, breast milk, or other food according to written instructions from the enrolled infant’s parent; or
   b. Feeds formula, breast milk, or other food to the enrolled infant according to current written instructions from the enrolled infant’s parent; and
   c. If the enrolled infant is younger than six months of age or cannot hold a bottle for feeding, holds the enrolled infant for feeding; and

4. When feeding an enrolled infant who is no longer being held for feeding or an enrolled one- or two-year-old child, a staff member:
   a. Seats the enrolled infant or one- or two-year-old child in a feeding chair or at a table with a chair that allows the enrolled infant or one- or two-year-old child to reach food while sitting; and
   b. If the feeding chair is manufactured with a safety strap, fastens the safety strap around the enrolled infant or one- or two-year-old child while the enrolled infant or one- or two-year-old child is seated in the feeding chair.

B. A certificate holder shall ensure that a staff member:
   1. Consults with an enrolled child’s parent to establish a plan for toilet training for the enrolled child,
   2. Implements the toilet training plan,
   3. Provides the parent with information about the enrolled child’s progress in toilet training, and
   4. Ensures that toilet training is not forced on the enrolled child.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1).
Amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-404. Supplemental Standards for Care of an Enrolled Child with Special Needs

A. Before an enrolled child with special needs receives child care services at a child care group home, the certificate holder shall ensure that the child care group home obtains from the enrolled child’s parent written instructions for providing care for the enrolled child, including as applicable for the enrolled child:
   1. A medication schedule,
   2. Nutrition and feeding instructions,
   3. Instructions for medical equipment or adaptive devices used by the enrolled child,
   4. Emergency instructions,
   5. Toileting and personal hygiene instructions,
   6. Identification of specific child care services to be provided at the child care group home, and
   7. Instructions for fire and emergency evacuation drills.

B. A certificate holder shall ensure that:
   1. At least one staff member receives instructions from the parent of an enrolled child with special needs that enables the staff member to interact with, feed, and care for the enrolled child with special needs;
   2. Documentation of the instructions required in subsection (B)(1) is maintained on the premises for 12 months after the child is disenrolled;
   3. When tube feeding an enrolled child, a staff member only uses:
      a. Commercially prepackaged formula in a ready-to-use state, stored according to directions on the package;
      b. Formula prepared by the enrolled child’s parent and brought to the child care group home in an unbreakable container; or
      c. Breast milk brought to the child care group home in an unbreakable container;
   4. Only a staff member who received the instructions required in subsection (B)(1):
      a. Feeds an enrolled child who requires tube feeding using the enrolled child’s tube-feeding apparatus, and
      b. Cleans the enrolled child’s tube-feeding apparatus; and
   5. A staff member:
      a. Assists an enrolled child with special needs to enable the enrolled child to participate in activities at the child care group home; and
      b. Ensures that the enrolled child is provided with developmentally appropriate toys, materials, and equipment.

C. In addition to complying with the requirements in R9-3-408, a certificate holder shall ensure that a staff member transporting an enrolled child with special needs in a wheelchair in a motor vehicle operated by the child care group home ensures that:
   1. The enrolled child’s wheelchair is manufactured to be wheelchair; and
   2. The enrolled child’s wheelchair is secured in the motor vehicle using a minimum of four anchorages attached to the motor vehicle floor, and four securement devices, such as straps or webbing that have buckles and fasteners, that attach the wheelchair to the anchorages;
   3. The enrolled child is secured in the wheelchair by means of a wheelchair restraint that is a combination of pelvic and upper body belts intended to secure a passenger in a wheelchair; and
   4. The enrolled child’s wheelchair is placed in a position in the motor vehicle that does not prevent access to the enrolled child in the wheelchair or passage to the front and rear of the motor vehicle.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Section repealed; new R9-3-404 renumbered from R9-3-406 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3). Subsection (B)(3)(a) corrected at request of Department, Office File No. M11-379, filed October 20, 2011 (Supp. 11-3).
A certificate holder shall ensure that a staff member:

A. R9-3-405. Discipline and Guidance
   1. Establishes and maintains reasonable guidelines and limits for enrolled children's behavior and applies them consistently;
   2. Teaches, models, and encourages orderly conduct, self-control, and age-appropriate behavior;
   3. When disciplining an enrolled child:
      a. Explains to the enrolled child why the particular behavior is not allowed,
      b. Suggests an alternate behavior to the enrolled child, and
      c. Assists the enrolled child to become engaged in an alternate activity; and
   4. If an enrolled child's behavior may result in harm to self or others, holds the enrolled child without undue force until the enrolled child regains self-control or composure.

B. A certificate holder shall ensure that a staff member does not use or allow:
   1. A method of discipline that could cause harm to the health, safety, or welfare of an enrolled child;
   2. Corporal punishment;
   3. Discipline associated with:
      a. Eating, napping, sleeping, or toileting;
      b. Medication;
      c. Mechanical restraint;
      d. Humiliation; or
      e. Fear; or
   4. Discipline administered to an enrolled child by an individual who is not a staff member.

C. A certificate holder may allow a staff member to separate an enrolled child older than two years of age from other children for unacceptable behavior according to the following:
   1. A separation period may not last longer than three minutes after the enrolled child has regained control or composure, and
   2. A staff member may not allow an enrolled child to be separated for longer than 10 minutes without the staff member interacting with the enrolled child.

D. A staff member may not discipline the staff member's own child in a manner inconsistent with subsections (A) through (C) during hours of operation.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1). Section repealed; new R9-3-405 renumbered from R9-3-409 and amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-406. General Nutrition and Menu Standards

A. This Section does not apply to infants.

B. A certificate holder shall ensure that meals and snacks are served to enrolled children in compliance with Table 4.1.

C. When a child care group home provides food for enrolled children, the certificate holder shall ensure that:
   1. Each meal or snack is prepared and served according to the meal pattern requirements in Table 4.2;
   2. Second servings of food are served to each enrolled child at meal time and snack time, if requested by the enrolled child;
   3. The same food item, other than milk, is not served more than once in a single day;
   4. During each week, meals include a variety of foods from each food category in the meal pattern requirements in Table 4.2;
   5. Unless an enrolled child's parent requests otherwise, milk served to the enrolled child is:
      a. Fat-free or 1% low-fat milk for an enrolled child older than two years of age; and
      b. Whole milk for an enrolled child two years of age or younger;
   6. Only pasteurized milk is served;

* In the same meal service, dried beans or dried peas may be used as a meat alternate or as a vegetable; however, such use does not satisfy the requirement for both components.
** At lunch and supper, no more than 50% of the requirement shall be met with nuts, seeds, or nut butters. Nuts, seeds, or nut butters shall be combined with another meat or meat alternative to fulfill the requirement. Two tablespoons of nut butter or one ounce of nuts or seeds equals one ounce of meat.
*** Juice may not be served when milk is served as the only other component.
b. Assists each enrolled child who needs assistance with eating; and

c. Teaches self-feeding skills and habits of good nutrition to each enrolled child as necessary;

5. Food served to an enrolled child younger than five years of age is prepared so as not to present a choking hazard;

6. Each enrolled child is supplied with drinking and eating utensils for the child’s own use;

7. Each enrolled child’s bottle or sippy cup is marked with an identifier that is specific to the enrolled child;

8. An enrolled child is not allowed to drink from the bottle, sippy cup, cup, or glass of another individual;

9. An enrolled child is not allowed to eat food directly off the floor, carpet, or ground;

10. An enrolled child’s parent is notified when the child consistently refuses to eat or exhibits unusual eating behavior;

11. Each staff member is informed of a modified diet prescribed for an enrolled child by the child’s parent, physician, physician assistant, or registered nurse practitioner;

12. The food served to an enrolled child is consistent with a modified diet prescribed for the child by the child’s parent, physician, physician assistant, or registered nurse practitioner;

13. After each use, non-single-use utensils and equipment used in preparing, eating, or drinking food are:
   a. Washed in an automatic dishwasher and air dried or heat dried; or
   b. Washed in hot soapy water, rinsed in clean water, and air dried or heat dried;

14. Single-use utensils and equipment are disposed of after being used;

15. Perishable foods are covered and stored in a refrigerator;

16. A refrigerator at the child care group home maintains a temperature of 41°F or below, as shown by a thermometer kept in the refrigerator at all times;

17. A freezer at the child care group home maintains a temperature of 0°F or below, as shown by a thermometer kept in the freezer at all times;

18. Foods are prepared as close as possible to serving time and, if prepared in advance, are either:
   a. Cold held at a temperature of 45°F or below or hot held at a temperature of 130°F or above until served, or
   b. Cold held at a temperature of 45°F or below and then reheated to a temperature of at least 165°F before being served;

19. Fresh milk is served from the original, commercially filled container to a container used for meal service or a cup, and unused portions are not returned to the original container;

20. Food leftover from a meal where enrolled children pass a serving container from individual to individual or from the provider’s family meal is not served to an enrolled child; and

21. A food is not served past its expiration date or after it has begun to spoil.

B. If soap and running water are not available at the location where food is served, such as on a field trip, a staff member may use disposable wipes or hand sanitizer as a substitute for washing hands with soap and running water.

R9-3-408. Field Trips and Other Trips Away from the Child Care Group Home

A. A certificate holder shall only allow a staff member to take an enrolled child away from an area of the child care group home approved for providing child care services during hours of operation with written permission from the enrolled child’s parent as follows:

1. For a trip to drop off the enrolled child at or pick up the enrolled child from the enrolled child’s school, bus stop, or another location, the written permission shall include:
   a. The enrolled child’s name;
   b. The location where the enrolled child will be dropped off or picked up;
   c. The time at which the enrolled child will be dropped off or picked up;
   d. The time period, not to exceed 12 months, during which the permission is given; and
   e. The dated signature of the enrolled child’s parent;

2. For a field trip, the written permission shall include:
   a. The enrolled child’s name;
   b. A description of the field trip;
   c. The name of the field trip destination, if applicable;
   d. The street address and, if available, the telephone number of the field trip destination, if applicable;
   e. Either:
      i. The date or dates of the field trip; or
      ii. The time period, not to exceed 12 months, during which the permission is given;
   f. The projected time of departure from the child care group home;
   g. The projected time of arrival back at the child care group home; and
   h. The dated signature of the enrolled child’s parent.

B. A certificate holder shall ensure that a staff member maintains a copy of the written permission required in subsection (A) for 12 months after:

1. For a trip under subsection (A)(1), the date of the last trip; and
2. For a trip under subsection (A)(2), the last date for which permission was given.

C. A certificate holder shall ensure that:

1. Each motor vehicle used by an individual to transport an enrolled child:
   a. Is maintained in a mechanically safe condition;
   b. Is free from hazards;
   c. Is registered by the Arizona Department of Transportation as required by A.R.S. Title 28, Chapter 7;
   d. Has documentation of current motor vehicle insurance coverage maintained inside the motor vehicle;
   e. Has an operational heating system;
   f. Has an operational air-conditioning system; and

**R9-3-501. General Physical Environment Standards**

A. A certificate holder shall ensure that a child care group home has:
1. At least 30 square feet of floor space in indoor areas of the child care group home approved for providing child care services for each enrolled child, not including the following:
   a. A kitchen,
   b. A bathroom,
   c. A laundry room,
   d. A workshop room,
   e. A hallway, or
   f. A garage that has not been converted into living space;
2. If there are up to 10 enrolled children at the child care group home, excluding enrolled children who are in diapers, indoor bathroom facilities with at least one working toilet and one working sink available for use by enrolled children;
3. If there are more than 10 enrolled children at the child care group home, excluding enrolled children who are in diapers, indoor bathroom facilities with at least two working toilets and two working sinks available for use by enrolled children;
4. At least two unobstructed, usable exits to the outside available for use by enrolled children; and
5. An outdoor activity area.

B. A certificate holder shall ensure that each indoor area of the child care group home approved for providing child care services is maintained at a temperature between 68° F and 82° F during hours of operation.

C. A certificate holder shall ensure that the lighting in each indoor area of the child care group home approved for providing child care services is sufficient to enable a staff member to see each enrolled child in the indoor area.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1).
Amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-502. Outdoor Activity Area Standards
A. Except as provided in subsection (B), a certificate holder shall ensure that the child care group home has an outdoor activity area that:
1. Is on the premises;
2. Is at least 500 square feet in size;
3. Is adjacent to the residence;
4. Includes shaded areas large enough to accommodate all enrolled children occupying the outdoor activity area at any time; and
5. Except as provided in subsection (D), is enclosed by a fence that:
   a. Is at least 4 feet high;
   b. Is secured to the ground;
   c. Does not have any vertical or horizontal open space that exceeds 4 inches at any point, including any space on a gate; and
   d. Has a gate from which an individual may exit the outdoor activity area.

B. The outdoor activity area of a child care group home may be less than 500 square feet if:
1. The outdoor activity area is at least 375 square feet in size; and
2. The certificate for the child care group home was issued:
   a. Before September 30, 2011, and the size of the outdoor activity area is not less than the size of the outdoor activity area on September 29, 2011; and
   b. On or after September 30, 2011, and the capacity of the child care group home is limited so that the outdoor activity area provides at least 50 square feet per each enrolled child.

C. A certificate holder shall ensure that:
1. A staff member:
   a. Keeps the gate in the fence surrounding an outdoor activity area closed while enrolled children are in the outdoor activity area, and
   b. Arranges play equipment in an outdoor activity area to eliminate hazards and to minimize conflict between children using the play equipment;
2. If a child can fall more than 48 inches from a climbing structure, swing, or slide in an outdoor activity area to the ground below, the climbing structure, swing, or slide:
   a. Has one of the following covering the fall zone of the climbing structure, swing, or slide:
      i. At least 6 inches of fine loose sand, pea gravel, wood fiber product, or other resilient material; or
      ii. A shock-absorbing unitary surfacing material manufactured for such use in outdoor activity areas; and
   b. Unless manufactured to be tip-resistant, as stated in the manufacturer’s description of the climbing structure, swing, or slide, is anchored securely to the ground with anchors that are installed below the ground and are covered by the resilient material required in subsection (C)(2)(a)(i) or (ii);
3. If a child can fall between 24 and 48 inches from a climbing structure, swing, or slide in an outdoor activity area to the ground below, the climbing structure, swing, or slide has covering the fall zone of the climbing structure, swing, or slide non-dormant, growing grass or the resilient material required in subsection (C)(2)(a)(i) or (ii);
4. Includes shaded areas large enough to accommodate all enrolled children occupying the outdoor activity area at any time; and
5. An outdoor activity area.

D. If the property adjoining an outdoor activity area has a swimming pool that is not enclosed by a fence that complies with the requirements of R9-3-503(B), the certificate holder shall ensure that the fence around the outdoor activity area complies with the requirements of R9-3-503(B).

R9-3-503. Swimming Pool Standards
A. A certificate holder shall ensure that a swimming pool used by an enrolled child at a child care group home:
1. Contains water that meets one of the following chemical disinfection standards:
   a. A free chlorine residual between 1.0 and 3.0 ppm as measured by the N, N-Diethy1-p-phenylenediamine test;
   b. A free bromine residual between 2.0 and 4.0 ppm as measured by the N, N-Diethy1-p-phenylenediamine test; or
   c. An oxidation-reduction potential equal to or greater than 650 millivolts; and
2. Is equipped with the following:
   a. An operational water circulation system that clarifies and disinfects the swimming pool water continuously and that includes at least:
      i. A removable strainer,
      ii. Two swimming pool inlets located on opposite sides of the swimming pool, and
      iii. A drain located in the swimming pool’s lowest point and covered by a grating that cannot be removed without using tools;
   b. An operational vacuum cleaning system; and
   c. The following items, which shall be accessible whenever the swimming pool is in use:
      i. A ring buoy attached to a 1/2 inch diameter rope at least 25 feet in length, and
      ii. A shepherd’s crook.
B. A certificate holder shall ensure that a swimming pool at the child care group home is totally enclosed by a fence that:
1. Separates the swimming pool from all other outdoor activity areas;
2. Is secured to the ground;
3. Is at least 5 feet high;
4. Has a self-closing, self-latching, lockable gate; and
5. Does not have any vertical or horizontal open space that exceeds 4 inches at any point, including any space on a gate.

C. A certificate holder shall ensure that:
   1. On each day an enrolled child uses a swimming pool at the child care group home, a staff member tests the swimming pool’s water quality at least once for compliance with subsection (A)(1), and records the results of the water quality tests in a log that includes each testing date and test result;
   2. A swimming pool is not used by an enrolled child if a water quality test shows that the swimming pool water does not comply with subsection (A)(1);
   3. Each gate on a fence around a swimming pool on the premises is locked whenever the swimming pool is not in use;
   4. Swimming pool chemicals are kept in a locked storage area; and
   5. Swimming pool machinery, including a vacuum cleaning system, is inaccessible to enrolled children.

D. A certificate holder shall ensure that a staff member does not allow an enrolled child to use or have access to a wading pool.

E. Before an enrolled child is allowed to swim at the child care group home, a certificate holder shall ensure that:
   1. The enrolled child’s parent has given written permission for swimming; and
   2. An individual who has current lifeguard certification that includes a demonstration of the individual’s ability to perform CPR is stationed at the swimming pool in a location that enables the individual to see clearly all parts of the swimming pool, including the bottom, at all times while enrolled children are using the swimming pool.

R9-3-504. Fire Safety, Gas Safety, and Emergency Standards

A. A certificate holder shall ensure that:
   1. The house number of the child care group home’s residence is painted or posted on the premises so that it is visible from the street;
   2. A smoke detector is installed in each indoor area of the child care group home approved for providing child care services and in each hallway of the child care group home’s residence;
   3. Each smoke detector required under subsection (A)(2):
      a. Is maintained in an operable condition; and
      b. Is either battery operated or, if hard-wired into the electrical system of the child care group home’s residence, has a back-up battery;
   4. The child care group home’s residence has at least two portable fire extinguishers:
      a. One of which is labeled as rated at least 1A-10-BC by the Underwriters Laboratories and is mounted and maintained in the kitchen, and
      b. One of which is labeled as rated at least 2A-10-BC by the Underwriters Laboratories and is maintained in a location accessible to staff members in an area of the child care group home approved for providing child care services;
   5. Each electrical outlet in an area of the child care group home approved for providing child care services is covered with a safety plug cover or insert when not in use;
   6. An appliance, light, or other device with a frayed or spliced electrical cord is not used at the child care group home;
   7. An electrical cord, including an extension cord, is not run under a rug or carpeting, over a nail, or from one room to another at the child care group home;
   8. Each electrical, cable, or telephone outlet at the child care group home is covered with a face plate;
   9. A wood-burning stove, the interior of a fireplace, or a chiminea is inaccessible to enrolled children when in use;
   10. An unvented space heater or open-flame space heater is not used in the child care group home’s residence during hours of operation;
   11. An electric portable heater is not used in the child care group home’s residence during hours of operation unless the electric portable heater:
      a. Has:
         i. Either a non-porous casing or a grill with a mesh small enough to prevent cloth or a child’s finger from entering the casing.
         ii. A tilt switch that shuts off power to the electric portable heater if the electric portable heater tips over,
         iii. An automatic shutoff control to prevent overheating,
      b. A thermostat control; and
      12. A candle or incense is not burned in the child care group home’s residence during hours of operation; and
      13. Smoking is not permitted in the residence during hours of operation or in the presence or sight of enrolled children.

B. A certificate holder shall ensure that a staff member:
   1. Tests the battery for each smoke detector required under subsection (A)(2) each month;
   2. Makes a record of each test performed,
   3. Replaces a smoke detector battery that is no longer charged, and
   4. Maintains the record of the test on the premises for 12 months after the date of the test.

C. A certificate holder shall:
   1. Replace a disposable fire extinguisher when its indicator reaches the red zone; and
   2. Ensure that each rechargeable fire extinguisher in the child care group home’s residence:
      a. Is serviced at least once every 12 months, and
      b. Has a tag attached to the fire extinguisher that specifies the date of the last servicing and the identification of the person who serviced the fire extinguisher.

D. If there are gas pipes that run from a gas meter to an appliance or location on the premises:
   1. Before an applicant for a child care group home is issued a certificate by the Department, the applicant shall obtain a gas inspection report by a licensed plumber or individual authorized by the local jurisdiction that verifies there are no gas leaks in the gas pipes that run from the gas meter to any appliance or location on the premises; and
   2. A certificate holder shall ensure that:
      a. Each unused natural gas outlet at the child care group home has its valves removed by and is capped at the wall or floor by a licensed plumber or individual authorized by the local jurisdiction;
      b. A licensed plumber or individual authorized by the local jurisdiction conducts a gas inspection that verifies there are no gas leaks in the gas pipes that run from the gas meter to any appliance or location on
the premises at least once every 12 months after the date of the certificate; and
b. A list of emergency telephone numbers, including 9-1-1 and a poison control center;
c. A document or documents that include the contact telephone number for a parent of each enrolled child; and
d. An evacuation plan for the child care group home, including a floor plan of the child care group home’s residence on which lines have been drawn showing the evacuation path from each area of the child care group home approved for providing child care services;
2. Maintain the fire and emergency plan in a location accessible to staff members; and
3. Post a copy of the floor plan showing the evacuation paths from the residence in each indoor area of the child care group home approved for providing child care services.
F. A certificate holder shall ensure that:
1. An unannounced fire and emergency evacuation drill is conducted at least once each month;
2. During the fire and emergency evacuation drill, each staff member and enrolled child at the child care group home is evacuated from the child care group home according to the evacuation plan;
3. Each fire and emergency evacuation drill is conducted at a different time of day than the previous fire and emergency evacuation drill;
4. A record is made of each fire and emergency evacuation drill, including:
   a. The date of the fire and emergency evacuation drill,
   b. The time of the fire and emergency evacuation drill,
   and
5. The record of the fire and emergency evacuation drill is maintained on the premises for 12 months after the date of the fire and emergency evacuation drill.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 1214, effective September 1, 2004 (Supp. 04-1).
Amended by exempt rulemaking at 17 A.A.R. 1530, effective September 30, 2011 (Supp. 11-3).

R9-3-505. General Safety Standards
A. A certificate holder shall ensure that the following are cared for only on the ground floor of the child care group home’s residence:
1. An enrolled infant,
2. An enrolled child younger than five years of age, and
3. An enrolled child who uses a wheelchair or is not able to walk.
B. Except as provided in subsection (A)(3), a certificate holder may allow a staff member to care for an enrolled child five years of age or older on a floor above or below the ground floor of the child care group home’s residence if one of the two unobstructed, usable exits to the outside required in R9-3-501(A)(4) from the floor on which child care services are provided leads to the ground level outside without passing through the ground floor.
C. If the residence of a child care group home is a mobile home, a manufactured home, or a factory-built building, as defined in A.R.S. § 41-2142, the certificate holder shall ensure that:
1. The skirting around the mobile home, manufactured home, or factory-built building is permanently attached and surrounds the entire perimeter of the residence; and
2. Each stairway or ramp to the mobile home, manufactured home, or factory-built building has railings.
D. A certificate holder shall ensure that:
1. A stairway that leads to a floor or room outside of the areas of the child care group home approved for providing child care services is separated from the areas of the child care group home approved for providing child care services by either a door or gate that is kept closed during hours of operation;
2. A glass window, mirror, or other glass surface that is located lower than 36 inches above the floor, a sliding glass door, or another type of glass partition that is located lower than 36 inches above the floor:
   a. Is made of safety glass that has been manufactured, fabricated, or treated to prevent the glass from shattering or flying when struck or broken;
   b. Is shielded by a barrier to prevent impact by or physical injury to an enrolled child; or
   c. Has conspicuous markings located at a child’s eye level;
3. Firearms kept at the child care group home are unloaded, out of the view of enrolled children, and stored in separate locked areas, locked cabinets, or locked containers away from the locked areas, locked cabinets, or locked containers in which ammunition is stored;
