R13-8-113. Review of Decision by Local Board on Rehearing of Original Determination

A. Except as provided in subsection (H), the decision by the local
board on rehearing of the original determination may be
vacated and a new rehearing granted on motion of the
aggrieved party for any of the following causes materially
affecting that party’s rights:

1. Irregularity in the administrative proceedings of the local
board or the hearing officer or prevailing party, or any
order or abuse of discretion, whereby the moving party
was deprived of a fair hearing.

2. Misconduct of the local board, the hearing officer, or pre-
vailing party.

3. Accident or surprise which could not have been pre-
vented by ordinary prudence.

4. Material evidence, newly discovered, which with reasonable
diligence could not have been discovered and pro-
duced at the rehearing.
5. Error in the admission or rejection of evidence, or other errors of law occurring at the rehearing or during the progress of the administrative proceeding.
6. That the decision is the result of passion or prejudice.
7. That the decision is not justified by the evidence or is contrary to law.

B. A new rehearing may be granted to all or any of the parties and on all or part of the issues for any of the reasons for which new hearings are authorized by law or rule of the local board. On the granting of a motion for review, the local board may take additional testimony, amend findings of fact and conclusions of law, or make new findings and conclusions and direct the entry of a new decision.

C. The motion for review shall be in writing, shall specify generally the grounds upon which the motion is based, and may be amended at any time before it is ruled upon by the local board.

D. A motion for review shall be filed not later than 15 calendar days after receipt of notification of the decision by the local board on the rehearing of original determination. For purposes of this subsection, the claimant shall receive notification either by attending the meeting at which the decision is made or by certified mail.

E. Any party to the proceeding may file a response to the motion or amended motion within ten calendar days after service of the motion or amended motion. The local board may require filing of briefs upon issues raised in the motion and may provide for oral argument.

F. When a motion for rehearing is based upon affidavits, they shall be served with the motion. All parties to the proceeding have ten calendar days after such service within which to serve opposing affidavits, which period may be extended for an additional period not exceeding 20 calendar days either by the local board for good cause shown or by the parties by written stipulation. The local board may permit reply affidavits.

G. Not later than 40 calendar days after the decision, the local board of its own initiative may order a new rehearing for any reason for which it might have granted a new rehearing on motion of a party. Additionally, after giving the parties notice and an opportunity to be heard on the matter, the local board may grant a motion for review, timely served, for a reason not stated in the motion. In either case the local board shall specify the grounds therefore.

H. If the local board makes specific findings that the immediate effectiveness of a decision in a particular matter is necessary for the protection of the system and its members and that a review of the decision is impracticable, unnecessary, or contrary to the public interest, the decision may be issued as a final decision without opportunity for a review. If a decision is issued as a final decision without an opportunity for review, any application for judicial review of the decision shall be made within the time limits permitted by law for applications for judicial review of the local board’s final decisions.

R13-8-114. Transcripts
If any party designates any portion of the oral proceedings before the local board or hearing officer as part of the record on review in the superior court, the cost of the transcript shall be paid by the party so designating unless the local board waives the cost of transcription upon good cause shown. A request for waiver of the cost of transcription shall be in writing and served upon the local board at the time of the service of the complaint.

R13-8-115. Confidentiality of Medical Records and Data
A. Medical records and data of members held by the local board are confidential and are exempt from public copying and inspection requirements of A.R.S. § 39-121 et seq.

B. The local board shall discuss all medical records and specific medical data in executive session, including the taking of testimony that is specifically required to be maintained as confidential by state or federal law, unless the member signs a consent form to discuss the member’s medical records and data in an open meeting.

C. The member, member’s legal counsel, and only individuals whose presence is reasonably necessary in order for the local board to carry out its executive session responsibilities may attend an executive session pursuant to A.R.S. § 38-431.03(A)(2) to discuss the member’s medical records and specific medical data.
