

NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

- 2. The public information relating to the listed Section:**

Under A.R.S. § 17-250(D), the Director of the Arizona Game and Fish Department is publishing this notice to inform the general public that a quarantine order has been issued for EZ Ranch Headquarters and Game Farm Facilities for the administrative investigation of potential wildlife disease issues. No cervids either live or dead may leave the facility while the order is in effect. The Department's officers will define the boundaries of the quarantine to minimize potential exposure of any wildlife disease to wild ungulates. In accordance with the Arizona Game and Fish Commission's protocol for dealing with wildlife disease issues, the Department has also advised the State Veterinarian and the U.S. Department of Agriculture Veterinary Services of the cause for quarantine.
