

NOTICES OF AGENCY GUIDANCE DOCUMENTS

The Administrative Procedure Act requires the publication of guidance documents and substantive policy statements issued by agencies (A.R.S. § 41-1013(B)(14)). Substantive policy statements and guidance documents are written expressions which inform the general public of an agency's current approach to rule or regulation practice. Substantive policy statements and agency guidance documents do not include internal procedural documents which may only affect the internal procedures of the agency and do not impose additional requirements or penalties on regulated parties in accordance with A.R.S. Title 41.

NOTICE OF AGENCY GUIDANCE DOCUMENT

DEPARTMENT OF HEALTH SERVICES

[M05-33]

1. Title of the guidance document and the guidance document number by which the document is referenced:

GD-026-PHS-EMS: Drug Profile for Acetylsalicylic Acid, Aspirin, ASA

2. Date of the publication of the guidance document and the effective date of the document if different from the publication:

May 15, 2003

3. Summary of the contents of the guidance document:

The guidance document is a drug profile for acetylsalicylic acid and provides the following information for the drug: generic name, brand name, class, mechanism of action, indications and field use, contraindications, adverse reactions, incompatibilities and drug interactions, dosages, routes of administration, onset of action, peak effects, duration of action, dosage forms and packaging, Arizona drug box supply range, and special notes.

4. A statement as to whether the guidance document is a new document or a revision:

The document is a new document.

5. The name and address of the person to whom questions and comments about the guidance document may be directed:

Name: Gene Wikle, Bureau Chief

Address: Arizona Department of Health Services
Bureau of Emergency Medical Services
150 N. 18th Ave., Suite 540
Phoenix, AZ 85007-3248
