

## NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rule-making information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

### NOTICE OF PUBLIC INFORMATION

#### OFFICE OF THE SECRETARY OF STATE – CORRECTION

[M08-521]

1. **Name of the agency:** Corporation Commission
2. **Title and its heading:** 14, Public Service Corporations; Corporations and Associations; Securities Regulation  
**Chapter and its heading:** 4, Corporation Commission – Securities  
**Articles and headings:** 1, In General Relating to the Arizona Securities Act  
**Section numbers:** R14-4-116
3. **The public information relating to the listed Sections:**

A Notice of Final Rulemaking filed with our office was published in the *Arizona Administrative Register* with an incorrect effective date. This was due to a clerical error. The Final Rulemaking was published at 14 A.A.R. 3613, September 19, 2008 (Issue 38). The office file number assigned to this rulemaking is R08-293.

Instead of an effective date of October 21, 2008, as indicated in the *Register*, the effective date for this filing is actually October 24, 2008, because the package was officially filed in our office on August 25, 2008 (60 days from August 25 yields an October 24, 2008, effective date).
