

NOTICES OF EMERGENCY RULEMAKING

Under the Administrative Procedure Act, an agency may determine that adoption, amendment, or repeal of a rule is necessary for immediate preservation of the public health, safety, or welfare and the notice and public participation requirements are impracticable. Under this determination, the agency may adopt the rule as an emergency and submit it to the Attorney General for review. The Attorney General approves the rule and then files it with the Secretary of State. The rule remains in effect for 180 days. An emergency rule may be renewed for one 180-day period if the requirements of A.R.S. § 41-1026 are met. If the emergency rule is not renewed or the rule is not permanently adopted by the end of the 180-day period, the emergency rule expires and the text of the rule returns to its former language, if any.

- 6. An explanation of the rule, including the agency's reasons for initiating the rule:**

Notices of Emergency Rulemaking

The rules provide guidance and direction for the administration of the Arizona Tax Amnesty Program. Laws 2009, First Special Session, Ch. 3, § 2 states that the Department of Revenue may make emergency rules as necessary to administer the Program.

7. A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

8. The summary of the economic, small business, and consumer impact:

Generally, it is expected that the benefits will outweigh the costs. Taxpayers will have shorter forms and less complicated tax computations under the program. Taxpayers will also pay a lower interest amount and no penalties will be applied rather than if they were to be audited and assessed tax, interest and penalties. The 15 Arizona Counties will receive lower revenues due to the allowance of an average county privilege tax rate, the forgiveness of penalties and the allowance of a lower interest rate. The Department of Revenue will incur the costs of creating special forms and for making available past years' tax forms dating back to 2002. The Department of Revenue will also incur additional costs of processing the special returns.

9. Any other matters prescribed by statute that are applicable to the specific agency or to any specific rule or class of rules:

Not applicable

10. Incorporations by reference and their location in the rules:

None

11. An explanation of the situation justifying the rule's making as an emergency rule:

The Legislature has authorized the adoption of emergency rules in Laws 2009, First Special Session, Ch. 3, § 2, paragraph G, subparagraph 2 by providing that the Director of the Department of Revenue may adopt emergency rules pursuant to A.R.S. § 41-1026, as necessary to administer the program. These rules meet the emergency requirements because they are necessary to comply with deadlines imposed under the program and to avoid serious prejudice to the public interest or the interest of the taxpayers of Arizona.

12. The date of the Attorney General's approval of the emergency rule:

April 29, 2009

3. Luxury tax;

C. "Tax liabilities" includes any payment of estimated tax, interest and penalties required by law.
D. The Tax Amnesty Program does not apply to municipal privilege and use taxes.

Notices of Emergency Rulemaking

E. Any return or report filed under the Tax Amnesty Program is subject to verification as provided in law.

R15-10-603. Expired Tax Periods Under Audit

A. A taxpayer may apply for tax amnesty for a tax period under audit only if the application for tax amnesty contains all of the tax periods under audit that are within the liability period as defined by Laws 2009, First Special Session, Ch. 3, § 2. The Department shall reject as incomplete an application that contains less than all of the tax periods under audit that are within the liability period. A taxpayer shall not include on an application for tax amnesty any tax periods occurring before or after the liability period, even if included in the tax periods under audit.

B. For purposes of this Section, “tax periods under audit” means all of the tax periods

1. That were included in:
 - a. Proposed assessments issued by the Department, that were mailed to the taxpayer at the same time;
 - b. Department requests for tax returns, that were mailed to the taxpayer at the same time;
 - c. Department requests for information that were mailed to the taxpayer at the same time; or
 - d. Department requests for scheduling an audit that were mailed to the taxpayer at the same time; and
2. For which the taxpayer continues to have administrative or judicial appeal rights.

R15-10-604. Expired Gross Income Tax Return

A. An individual taxpayer that does not have sufficient information to fully complete the Arizona personal income tax return may file a gross income tax return. To file a gross income tax return, a taxpayer shall complete the form, Arizona Tax Amnesty Application – Individual Gross Income Tax Return.

B. A taxpayer that files a gross income tax return shall use the following table to calculate the tax due. The tax rate is determined by locating the income range of the gross income for the tax year for which amnesty is sought. The gross income for the year shall be multiplied by the tax rate listed under the income range for that tax year. For example, for 2004 if gross income is \$50,000, the tax due is \$975 (\$50,000 X .0195).

Tax Year	If The Gross Income Is:			
	\$0 Through-\$39,999	\$40,000 Through \$99,999	\$100,000 Through \$199,999	\$200,000 And Above
	Multiply It By:			
<u>2002</u>	<u>.0120</u>	<u>.0193</u>	<u>.0251</u>	<u>.0383</u>
<u>2003</u>	<u>.0120</u>	<u>.0195</u>	<u>.0254</u>	<u>.0388</u>
<u>2004</u>	<u>.0121</u>	<u>.0195</u>	<u>.0255</u>	<u>.0399</u>
<u>2005</u>	<u>.0120</u>	<u>.0192</u>	<u>.0251</u>	<u>.0401</u>

<u>2007</u>	<u>.0105</u>	<u>.0167</u>	<u>.0217</u>	<u>.0350</u>

R15-10-605. Expired Annualized County Transaction Privilege Tax Rates

A. A taxpayer that owes transaction privilege tax may use the annualized combined county transaction privilege tax rates as shown in the table in subsection (C) for purposes of calculating tax due for all applicable transaction privilege tax classifications. If the taxpayer chooses to use an annualized county tax rate for any tax period in a year, the taxpayer shall use the applicable annualized rate or rates for every tax period of that year for which a tax amnesty application is filed and must include in the application the income from all tax classifications and all counties.

B. A taxpayer that chooses to use an annualized county transaction privilege tax rate for a year and that is a monthly or quarterly filer may choose to file on an annual basis for that year, including all income for the year on a single return.

C. The applicable annualized tax rate to be used is determined by the county in which the business activity was conducted and the year in which the tax period or periods occurred. The applicable tax rate and the net taxable income amount from the business activity in the specific county for the taxable period are multiplied to calculate the tax due. For example, Business XY was engaged in a retail business in Gila County during 2004. Business XY had a net taxable amount of \$50,000 for that period. Business XY is also seeking amnesty for that period. Business XY’s county tax would be \$500 (\$50,000 X .1). Business XY must also pay the state transaction privilege taxes, which had a rate of 5.6 percent, in the amount of \$2800 (\$50,000 X .056). The total tax Business XY must pay is \$3300 (\$500 + \$2800).

R15-10-606. ~~Expired~~ Interest Calculation for Payment with Tax Amnesty Application

- A.** By June 1, 2009, taxpayers applying for tax amnesty shall pay the tax liability and interest for all the tax periods included in the amnesty application. Taxpayers shall determine the interest amount to be included in this payment by using the interest chart located in subsection (C) below. Interest is computed for total tax amounts due for each year. If there is more than one tax period included on a tax amnesty application in a year, the total tax amount due for the year is determined by adding the total tax amount due for each tax period of the year.
- B.** For the purpose of this rule “total tax amount due for a tax period” is determined by subtracting from the total tax liability

Notices of Emergency Rulemaking

due all withholding, estimated payments and other payments made or credits applied prior to the due date of the return. The total tax liability due is calculated in accordance with the applicable statutes, rules and tax form instructions. Payments received subsequently and credits subsequently applied from overpayments for tax periods included in the amnesty application shall not be used to reduce the total tax liability for purposes of calculating the interest amount for the June 1 payment.

- C. For each year in which there is any tax period included in the amnesty application, the taxpayer shall multiply the factor designated in the interest chart by the total tax amount due for that year. The product of this multiplication is the interest that is due for the year. For example, if for 2003 Mr. A has total tax due in the amount of \$500, the interest owed is \$90 (\$500 X .18). He must pay \$90 of interest along with the payment of tax due by June 1, 2009.

<u>2003</u>	<u>.18</u>

R15-10-607. Expired Application of Payments and Credits

- A. Payments received pursuant to a tax amnesty application shall be applied to the tax periods on the application starting with the oldest tax period and progressing chronologically until all the payments have been applied.
- B. Tax periods for which the taxpayer is entitled to a refund or credit may be included on an amnesty application. The credit shall be applied to other tax periods included in the application in the order described in subsection (A).
- C. For purposes of determining the total tax and interest due from a taxpayer applying for amnesty, credits from overpayment of other tax periods shall be applied as if a payment had been received on the 15th day of April of the year following the calendar year of the tax period of the overpayment. For example, a taxpayer has an overpayment of income tax for calendar year 2003 and an under payment of income tax for calendar year 2004. The credit from the overpayment in 2003 will be applied to the 2004 liability as if it were a payment made on April 15, 2004.
- D. No refund shall be given to a taxpayer for payments made or credits applied prior to May 1, 2009 for any tax periods included in a tax amnesty application. If a credit for overpayment in one or more of the tax periods contained in a tax amnesty application exceeds the total tax and interest liabilities for all other tax periods contained in the application, the amount due shall be reduced to zero but no refund shall be paid.
