ABOUT THIS PUBLICATION

The paper copy of the *Administrative Register* (A.A.R.) is the official publication for rules and rulemaking activity in the state of Arizona.

Rulemaking is defined in Arizona Revised Statutes known as the Arizona Administrative Procedure Act (APA), A.R.S. Title 41, Chapter 6, Articles 1 through 10.

The Office of the Secretary of State does not interpret or enforce rules published in the *Arizona Administrative Register* or *Code*. Questions should be directed to the state agency responsible for the promulgation of the rule as provided in its published filing.

The *Register* is cited by volume and page number. Volumes are published by calendar year with issues published weekly. Page numbering continues in each weekly issue.

In addition, the *Register* contains the full text of the Governor's Executive Orders and Proclamations of general applicability, summaries of Attorney General opinions, notices of rules terminated by the agency, and the Governor's appointments of state officials and members of state boards and commissions.

ABOUT RULES

Rules can be: made (all new text); amended (rules on file, changing text); repealed (removing text); or renumbered (moving rules to a different Section number). Rules activity published in the *Register* includes: proposed, final, emergency, expedited, and exempt rules as defined in the APA.

Rulemakings initiated under the APA as effective on and after January 1, 1995, include the full text of the rule in the *Register*. New rules in this publication (whether proposed or made) are denoted with underlining; repealed text is stricken.

WHERE IS A "CLEAN" COPY OF THE FINAL OR EXEMPT RULE PUBLISHED IN THE REGISTER?

The *Arizona Administrative Code* (A.A.C.) contains the codified text of rules. The A.A.C. contains rules promulgated and filed by state agencies that have been approved by the Attorney General or the Governor's Regulatory Review Council. The *Code* also contains rules exempt from the rulemaking process.

The printed *Code* is the official publication of a rule in the A.A.C. is prima facie evidence of the making, amendment, or repeal of that rule as provided by A.R.S. § 41-1012. Paper copies of rules are available by full Chapter or by subscription. The *Code* is posted online for free.

LEGAL CITATIONS AND FILING NUMBERS

On the cover: Each agency is assigned a Chapter in the *Arizona Administrative Code* under a specific Title. Titles represent broad subject areas. The Title number is listed first; with the acronym A.A.C., which stands for the *Arizona Administrative Code*; following the Chapter number and Agency name, then program name. For example, the Secretary of State has rules on rulemaking in Title 1, Chapter 1 of the *Arizona Administrative Code*. The citation for this chapter is 1 A.A.C. 1, Secretary of State, Rules and Rulemaking

Every document filed in the office is assigned a file number. This number, enclosed in brackets, is located at the top right of the published documents in the *Register*. The original filed document is available for 10 cents a copy.

Participate in the Process

Look for the Agency Notice

Review (inspect) notices published in the *Arizona Administrative Register*. Many agencies maintain stakeholder lists and would be glad to inform you when they proposed changes to rules. Check an agency's website and its newsletters for news about notices and meetings.

Feel like a change should be made to a rule and an agency has not proposed changes? You can petition an agency to make, amend, or repeal a rule. The agency must respond to the petition. (See A.R.S. § 41-1033)

Attend a public hearing/meeting

Attend a public meeting that is being conducted by the agency on a Notice of Proposed Rulemaking. Public meetings may be listed in the Preamble of a Notice of Proposed Rulemaking or they may be published separately in the *Register*. Be prepared to speak, attend the meeting, and make an oral comment.

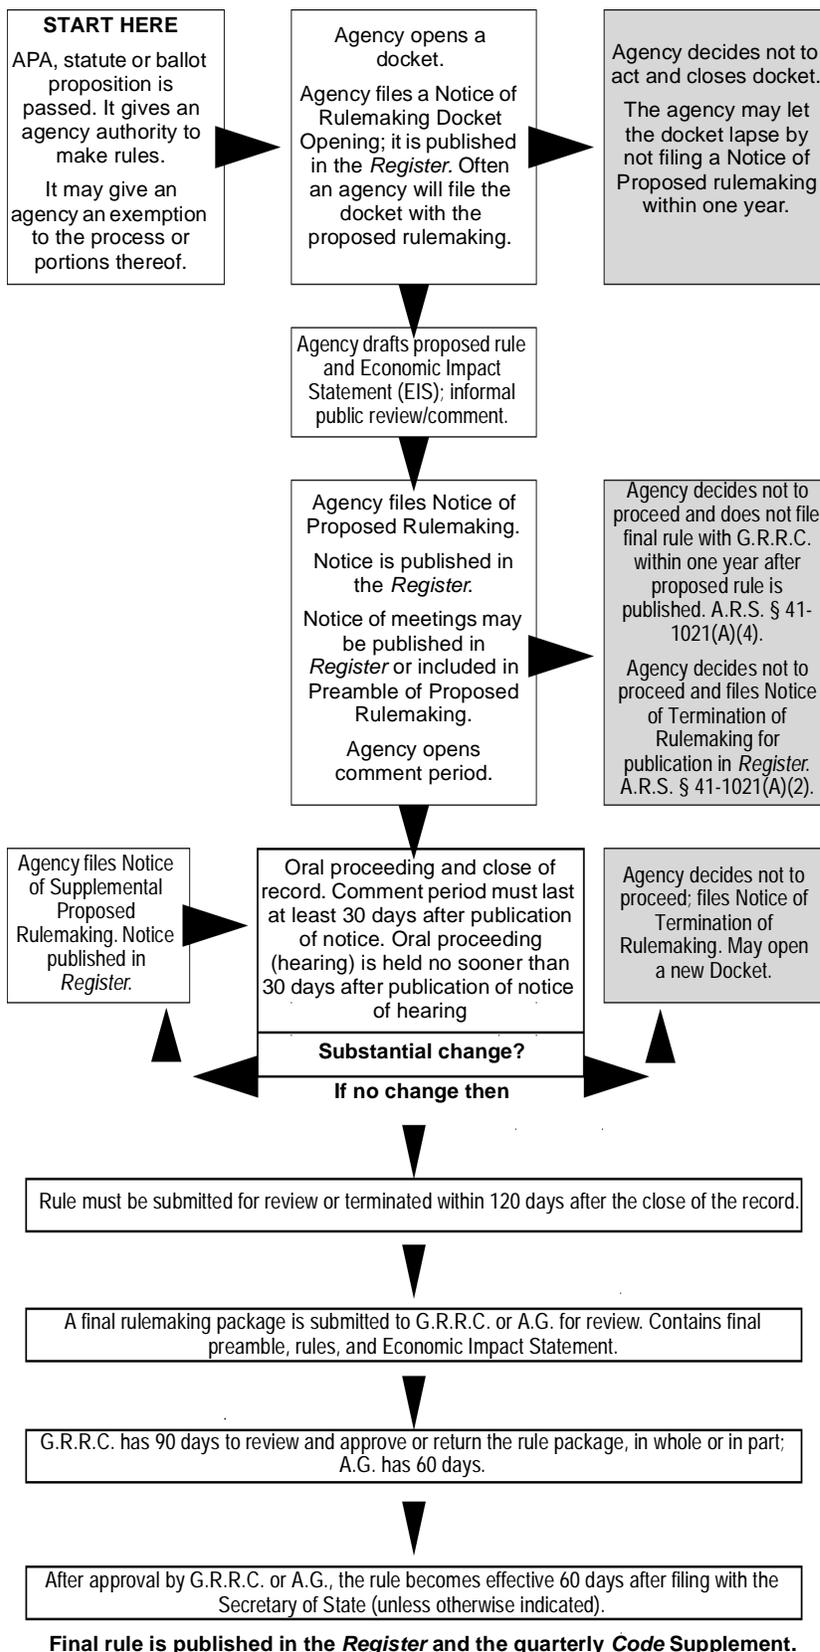

An agency may not have a public meeting scheduled on the Notice of Proposed Rulemaking. If not, you may request that the agency schedule a proceeding. This request must be put in writing within 30 days after the published Notice of Proposed Rulemaking.

Write the agency

Put your comments in writing to the agency. In order for the agency to consider your comments, the agency must receive them by the close of record. The comment must be received within the 30-day comment timeframe following the *Register* publication of the Notice of Proposed Rulemaking.

You can also submit to the Governor's Regulatory Review Council written comments that are relevant to the Council's power to review a given rule (A.R.S. § 41-1052). The Council reviews the rule at the end of the rulemaking process and before the rules are filed with the Secretary of State.

6. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

In response to the recommendations of the Auditor General's Performance Report and Sunset Review, the Board has determined that it is necessary to amend the continuing education affidavit requirements in A.A.C. R4-11-1202 to include the total number of continuing education hours in activities defined in A.A.C. R4-11-1209(A)(4). This action will also allow the Board more options when considering non-compliance with the continuing education renewal requirements.

The rulemaking will also update language emphasizing compliance with continuing dental education requirements.

The rule will include format, style, and grammar necessary to comply with the current rules of the Secretary of State. The Board believes that approval of the rule will benefit the public health and safety by clearly establishing the requirements for continuing education for dentists, dental hygienists, denturists, dental consultants, restricted permit holders, and retired licensees and certificate holders.

7. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

8. A showing of good cause why the rules are necessary to promote a statewide interest if the rules will diminish a previous grant of authority of a political subdivision of this state:

9. The summary of the economic, small business, and consumer impact:

The amended rule will impact the Board, dentists, dental hygienists, denturists, dental consultants, restricted permit holders, and retired licensees and certificate holders, and the public.

The amended rule's impact on established Board of Dental Examiners' procedures and office related costs will realize a one-time expense to reconfigure business rules of the online renewal process to include a new continuing education category. All continuing education affidavit forms must be updated. The rule's net economic impact for the Board is minimal.

The Board estimates the amended rule will have no economic impact on licensees.

The amended rule has no economic impact on the public.

The Board, dentists, dental hygienists, denturists, dental consultants, restricted permit holders, and retired licensees and certificate holders, and the public benefit from rules that are clear, concise, and understandable. The rule benefits the public health and safety by clearly establishing the requirements for continuing education for dentists, dental hygienists, denturists, and dental consultants, restricted permit holders, and retired licensees and certificate holders.

10. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

There are no substantial changes in the final rules from the proposed rules. Minor changes to style, format, grammar, and punctuation were made as requested by GRRC staff.

11. An agency's summary of the public stakeholder comments made about the rulemaking and the agency response to the comments:

A public hearing was held January 12, 2015. No one attended the hearing and no written comments were received.

12. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

Not applicable

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

Administration or compounded by a pharmacy licensed in Arizona, another state, or United States territory. The rule however goes further by establishing a list of four (4) excluded nutrients in A.A.C. R4-18-904(B)(2); Silver protein, or any substance that contains silver, Cesium chloride, Hydrazine sulfate, and Lipid replacement as used in total parenteral nutrition. A.R.S. § 32-1501(15)(iii) defines nutrients as a substance that provides nourishment for growth or metabolism and that is manufactured and supplied for intravenous use by a manufacturer registered with the United States Food and Drug Administration or compounded by a pharmacy licensed by the state board of pharmacy. Statute does not require rule to list specific nutrients because both statute and rule already define substances considered not suitable for intravenous administration.

It has come to the attention of the Board that some of our licensees have used one or more of the substances listed in A.A.C. R4-18-904(B)(2), and state they have had positive results with their use. The American Naturopathic Research Institute/Naturopathic Oncology Research Institute report, they are currently conducting an IRB (ID # IORG0007953), in which one or more of the excluded nutrients had been used. The current rules have an impact on the data supplied for the IRB. According to the website www.cancer.gov; The Food and Drug Administration (FDA) has approved the study of hydrazine sulfate in clinical trials. According to www.researchednutritionals.com; Lipid Replacement is not just the dietary substitution of certain lipids with proposed health benefits; it is the actual replacement of damaged cellular lipids with undamaged lipids to ensure proper structure and function of cellular structures, mainly cellular and organelle membranes. Removing the use any of the 4 excluded substances, may impact the health and safety of the public. The Board is requesting an emergency rule change under A.R.S. § 41-1032(A)(1).

The Emergency rules package was submitted to the Attorney General for approval on November 18, 2014. The Attorney General approved the rules package and filed with the Secretary of State on December 18, 2014. The Emergency rules are part of a general rules package the Board is in the process of submitting to GRRC for approval. The Board hopes to submit the general rules package to GRRC by May 15, 2015. The general rules package Notice of Rulemaking Docket Opening is published in the Register: 22 A.A.R. 61, January 9, 2015. Because the general rules package may not be approved before the original one hundred eighty day time period has expired, the Board is seeking approval for one (1) renewal of one hundred eighty days. The Board is seeking approval of the renewal Pursuant to A.R.S. § 41-1026 (5) and has determined the following apply; 1. The agency has determine that the emergency situation still exists. If the emergency rule expires prior to the rules package being approved by GRRC, the rules will again exclude the 4 substances and may impact the health and safety of the public, 2. By filing this renewal, the Board is following procedure as prescribed in statute, 3. The Board is requesting approval by the Attorney General, 4. The Board has issued the rule as part of a regular rules package.

7. A reference to any study relevant to the rules that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rules, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

The Board did not review or rely on any study.

8. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rules will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

9. A summary of the economic, small business, and consumer impact:

When used in the economic impact statement summary, annual cost/revenue are designated as minimal when less than \$5,000, moderate when between \$5,000 and \$10,000, and substantial when greater than \$10,000.

The Board will incur minimal expense to write the rules and enforce their requirements.

The elimination of R4-18-904(B)(2) should not result in any costs to a naturopathic physician, medical student, or medical assistant, as the removal should not cause extra burden on any licensee or certificate holder.

10. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

None

11. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

The Board received written notice from the State of Arizona Naturopathic Association (AzNMA) requesting review of the current rule. The Board received a letter from Attorney Steven C. Mahaffy in his capacity as Council representing licensee Dr. Colleen Huber, has also requested removal of the current rule. The Board heard comments from Licensees and members of the public at the meeting of July 10, 2014 and September 11, 2014. All correspondence and comments are in favor of removing the rule. The Board has not received additional public comment.

12. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The Board issues a license or certificate, which fall within the definition of general permit.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

R4-18-904(B)(1) requires that nutrients for intravenous administration must be manufactured and supplied for intravenous use by a manufacturer registered with the United States Food and Drug administration. This provision is consistent with the requirements for registration in 21 U.S.C. § 360(b) (U.S. operations) and (i) (foreign establishments).

c. Whether a person submitted an analysis to the agency that compares the rule’s impact of the competitiveness of business in this state to the impact on business in other states:

The Board did not receive such an analysis from any person.

13. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

There is no incorporation by reference document.

14. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking package:

NOTICES OF RULEMAKING DOCKET OPENING

This section of the *Arizona Administrative Register* contains Notice of Rulemaking Docket Openings.

A docket opening is the first part of the administrative rulemaking process. It is an “announcement” that the agency intends to work on its rules.

When an agency opens a rulemaking docket to consider rulemaking, the Administrative Procedure Act (APA) requires the publication of the Notice of Rulemaking Docket Opening.

Under the APA effective January 1, 1995, agencies must submit a Notice of Rulemaking Docket Opening before beginning the formal rulemaking process. Many times an agency may file the Notice of Rulemaking Docket Opening with the Notice of Proposed Rulemaking.

The Office of the Secretary of State is the filing office and publisher of these notices. Questions about the interpretation of this information should be directed to the agency contact person listed in item #4 of this notice.

GOVERNOR EXECUTIVE ORDERS

The Administrative Procedure Act (APA) requires the full-text publication of Governor Executive Orders.

With the exception of egregious errors, content (including spelling, grammar, and punctuation) of these orders has been reproduced as submitted.

In addition, the *Register* shall include each statement filed by the Governor in granting a commutation, pardon or reprieve, or stay or suspension of execution where a sentence of death is imposed.

EXECUTIVE ORDER 2015-01

Internal Review of Administrative Rules; Moratorium to Promote Job Creation and Customer-Service-Oriented Agencies

Editor’s Note: This Executive Order is being reproduced in each issue of the Administrative Register until its expiration on December 31, 2015, as a notice to the public regarding state agencies’ rulemaking activities.

[M15-02]

WHEREAS, Arizona has lost more jobs per capita than any other state and has yet to recover all of those jobs;

WHEREAS, burdensome regulations inhibit job growth and economic development;

WHEREAS, each agency of the State of Arizona should promote customer-service-oriented principles for the people that it serves;

WHEREAS, each State agency should undertake a critical and comprehensive review of its administrative rules and take action to reduce the regulatory burden, administrative delay, and legal uncertainty associated with government regulation;

WHEREAS, overly burdensome, antiquated, contradictory, redundant, and nonessential regulations should be repealed;

WHEREAS, Article 5, Section 4 of the Arizona Constitution and Title 41, Chapter 1, Article 1 of the Arizona Revised Statutes vests the executive power of the State of Arizona in the Governor;

NOW, THEREFORE, I, Douglas A. Ducey, by virtue of the authority vested in me by the Constitution and laws of the State of Arizona hereby declare the following:

1. A State agency, subject to this Order, shall not conduct any rulemaking except as permitted by this Order.
2. A State agency, subject to this Order, shall not conduct any rulemaking, whether informal or formal, without the prior written approval of the Office of the Governor. In seeking approval, a State agency shall address one or more of the following as justification for the rulemaking:
 - a. To fulfill an objective related to job creation, economic development, or economic expansion in this State.
 - b. To reduce or ameliorate a regulatory burden while achieving the same regulatory objective.
 - c. To prevent a significant threat to the public health, peace or safety.
 - d. To avoid violating a court order or federal law that would result in sanctions by a court or the federal government against an agency for failure to conduct the rulemaking action.
 - e. To comply with a federal statutory or regulatory requirement if such compliance is related to a condition for the receipt of federal funds or participation in any federal program.
 - f. To fulfill an obligation related to fees or any other action necessary to implement the State budget that is certified by the Governor’s Office of Strategic Planning and Budgeting.
 - g. To promulgate a rule or other item that is exempt from Title 41, Chapter 6, Arizona Revised Statutes, pursuant to section 41-1005, Arizona Revised Statutes.
 - h. To address matters pertaining to the control, mitigation or eradication of waste, fraud, or abuse within an agency or wasteful, fraudulent, or abusive activities perpetrated against an agency.
3. Paragraphs 1 and 2 apply to all State agencies, except for: (a) any State agency that is headed by a single elected State official, (b) the Corporation Commission, or (c) any State agency whose agency head is not appointed by the Governor. Those State agencies to which Paragraphs 1 and 2 do not apply are strongly encouraged to voluntarily comply with this Order in the context of their own rulemaking processes.
4. Pursuant to Article 5, Section 4 of the Arizona Constitution and Arizona Revised Statutes Section 41-101(A)(1), the State agencies identified in Paragraph 3 must provide the Office of the Governor with a written report for each proposed rule 30 days prior to engaging in any rulemaking proceeding and must also provide the Office of the

Governor with a written report within 15 days of any rulemaking. The reports required by this Paragraph shall explain, in detail, how the rulemaking advances the priorities and principles set forth in this Order.

5. No later than September 1, 2015, each State agency shall provide to the Office of the Governor an evaluation of their rules, with recommendations for which rules could be amended or repealed consistent with the priorities and principles set forth in this Order. The evaluation shall also include a summary of licensing time frames and describe how those time frames compare to real processing time, and whether or not they can be reduced. Additionally, each agency shall identify any existing licenses or permits in which a general permit could be used in lieu of an individual permit, pursuant to Arizona Revised Statutes Section 41-1037.
6. No later than July 1, 2015, each State agency shall provide to the Office of the Governor an update on divisions where electronic reporting and payment are not implemented and a suggested plan for how to implement this customer-service-oriented service.
7. This Order does not confer any legal rights upon any persons and shall not be used as a basis for legal challenges to rules, approvals, permits, licenses or other actions or to any inaction of a State agency. For the purposes of this Order, “person,” “rule” and “rulemaking” have the same meanings prescribed in Arizona Revised Statutes Section 41-1001.
8. This Executive Order expires on December 31, 2015.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arizona.
