ABOUT THIS PUBLICATION

The paper copy of the *Administrative Register* (A.A.R.) is the official publication for rules and rulemaking activity in the state of Arizona.

Rulemaking is defined in Arizona Revised Statutes known as the Arizona Administrative Procedure Act (APA), A.R.S. Title 41, Chapter 6, Articles 1 through 10.

The Office of the Secretary of State does not interpret or enforce rules published in the *Arizona Administrative Register* or *Code*. Questions should be directed to the state agency responsible for the promulgation of the rule as provided in its published filing.

The *Register* is cited by volume and page number. Volumes are published by calendar year with issues published weekly. Page numbering continues in each weekly issue.

In addition, the *Register* contains the full text of the Governor's Executive Orders and Proclamations of general applicability, summaries of Attorney General opinions, notices of rules terminated by the agency, and the Governor's appointments of state officials and members of state boards and commissions.

ABOUT RULES

Rules can be: made (all new text); amended (rules on file, changing text); repealed (removing text); or renumbered (moving rules to a different Section number). Rules activity published in the *Register* includes: proposed, final, emergency, expedited, and exempt rules as defined in the APA.

Rulemakings initiated under the APA as effective on and after January 1, 1995, include the full text of the rule in the *Register*. New rules in this publication (whether proposed or made) are denoted with underlining; repealed text is stricken.

WHERE IS A "CLEAN" COPY OF THE FINAL OR EXEMPT RULE PUBLISHED IN THE REGISTER?

The *Arizona Administrative Code* (A.A.C.) contains the codified text of rules. The A.A.C. contains rules promulgated and filed by state agencies that have been approved by the Attorney General or the Governor's Regulatory Review Council. The *Code* also contains rules exempt from the rulemaking process.

The printed *Code* is the official publication of a rule in the A.A.C. is prima facie evidence of the making, amendment, or repeal of that rule as provided by A.R.S. § 41-1012. Paper copies of rules are available by full Chapter or by subscription. The *Code* is posted online for free.

LEGAL CITATIONS AND FILING NUMBERS

On the cover: Each agency is assigned a Chapter in the *Arizona Administrative Code* under a specific Title. Titles represent broad subject areas. The Title number is listed first; with the acronym A.A.C., which stands for the *Arizona Administrative Code*; following the Chapter number and Agency name, then program name. For example, the Secretary of State has rules on rulemaking in Title 1, Chapter 1 of the *Arizona Administrative Code*. The citation for this chapter is 1 A.A.C. 1, Secretary of State, Rules and Rulemaking

Every document filed in the office is assigned a file number. This number, enclosed in brackets, is located at the top right of the published documents in the *Register*. The original filed document is available for 10 cents a copy.

Participate in the Process

Look for the Agency Notice

Review (inspect) notices published in the *Arizona Administrative Register*. Many agencies maintain stakeholder lists and would be glad to inform you when they proposed changes to rules. Check an agency's website and its newsletters for news about notices and meetings.

Feel like a change should be made to a rule and an agency has not proposed changes? You can petition an agency to make, amend, or repeal a rule. The agency must respond to the petition. (See A.R.S. § 41-1033)

Attend a public hearing/meeting

Attend a public meeting that is being conducted by the agency on a Notice of Proposed Rulemaking. Public meetings may be listed in the Preamble of a Notice of Proposed Rulemaking or they may be published separately in the *Register*. Be prepared to speak, attend the meeting, and make an oral comment.

An agency may not have a public meeting scheduled on the Notice of Proposed Rulemaking. If not, you may request that the agency schedule a proceeding. This request must be put in writing within 30 days after the published Notice of Proposed Rulemaking.

Write the agency

Put your comments in writing to the agency. In order for the agency to consider your comments, the agency must receive them by the close of record. The comment must be received within the 30-day comment timeframe following the *Register* publication of the Notice of Proposed Rulemaking.

You can also submit to the Governor's Regulatory Review Council written comments that are relevant to the Council's power to review a given rule (A.R.S. § 41-1052). The Council reviews the rule at the end of the rulemaking process and before the rules are filed with the Secretary of State.

Arizona Revised Statutes (A.R.S.): The statutes are made by the Arizona State Legislature during a legislative session. They are compiled by Legislative Council, with the official publication codified by Thomson West. Citations to statutes include Titles which represent broad subject areas. The Title number is followed by the Section number. For example, A.R.S. § 41-1001 is the definitions Section of Title 41 of the Arizona Administrative Procedures Act. The "§" symbol simply means "section." Available online at www.azleg.gov.

Chapter: A division in the codification of the *Code* designating a state agency or, for a large agency, a major program.

Code of Federal Regulations (CFR): The *Code of Federal Regulations* is a codification of the general and permanent rules published in the *Federal Register* by the executive departments and agencies of the federal government.

Economic, Small Business, and Consumer Impact Statement (EIS): The EIS identifies the impact of the rule on private and public employment, on small businesses, and on consumers. It includes an analysis of the probable costs and benefits of the rule. An agency includes a brief summary of the EIS in its preamble. The EIS is not published in the *Register* but is available from the agency promulgating the rule. The EIS is also filed with the rulemaking package.

Governor's Regulatory Review (G.R.R.C.): Reviews and approves rules to ensure that they are necessary and to avoid unnecessary duplication and adverse impact on the public. G.R.R.C. also assesses whether the rules are clear, concise, understandable, legal, consistent with legislative intent, and whether the benefits of a rule outweigh the cost.

About Preambles

The Preamble is the part of a rulemaking package that contains information about the rulemaking and provides agency justification and regulatory intent.

It includes reference to the specific statutes authorizing the agency to make the rule, an explanation of the rule, reasons for proposing the rule, and the preliminary Economic Impact Statement.

The information in the Preamble differs between rulemaking notices used and the stage of the rulemaking.

of determining which retired members return to work under the return to work statute(s). In other words, the ASRS may need to clarify that in order to “return to work,” a member must terminate, retire, and then, seek subsequent employment with an ASRS Employer. Also, the ASRS needs to clarify that a retired member must submit the Working After Retirement form within 30 days of commencing employment with an ASRS Employer. The Employer is also responsible for submitting a Working After Retirement form within 30 days of a change in employment status such as the intent to engage the retired member for 20 or more hours per week for 20 or more weeks in a fiscal year. Finally, the ASRS needs to clarify what may happen if a retired member or the retired member’s ASRS Employer is found to be in violation of the return to work statute(s). These clarifications will ensure that the ASRS, its Employers, and its members have prompt notice about which retired members are returning to work for which ASRS Employers, and the process for reporting return to work information.

6. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material.

None

7. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

8. The preliminary summary of the economic, small business, and consumer impact:

There is little to no economic, small business, or consumer impact, other than the minimal cost to the ASRS to prepare the rule package. The rules will have minimal economic impact, if any, because the rulemaking simply clarifies statutory requirements that already exist. There may be some economic impact to an Employer who employs a retired member because the Employer must submit a verified Working After Retirement form for each retired member. However, A.R.S. § 38-766.01 already requires the retired member to submit the Working After Retirement form and requires the Employer to verify that form before submitting it to the ASRS. Clarifying how a retired member and an ASRS Employer must submit the Working After Retirement form, will increase understandability of the statutory requirements in A.R.S. § 38-766.01, thereby reducing the regulatory burden imposed on the public. This clarification will ensure that ASRS Employers have notice about which personnel require the ASRS Employer to submit a Working After Retirement form to the ASRS. Thus, the economic impact is minimized.

9. The agency’s contact person who can answer questions about the economic, small business, and consumer impact statement:

10. The time, place, and nature of the proceedings for to make, amend, repeal, or renumber the rule, or if no proceeding is scheduled, where, when, and how persons may request and oral proceedings on the proposed rule:

Date: November 21, 2016
Time: 9:00 a.m.
Location: Arizona State Retirement System
10th Floor Board Room
3300 N. Central Ave.

None of the rules require a permit.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law, and if so, citation to the statutory authority to exceed the requirements of federal law:

No analysis was submitted.

G. By the due date specified on the Retiree Return to Work Notice of Non-Compliance with ASRS Statutes form, the retired member shall return the completed form and any supporting documentation to the ASRS indicating the action the retired member will take to correct the violation of A.R.S. §§ 38-766 or 38-766.01.

NOTICES OF PROPOSED EXEMPT RULEMAKING

This section of the Arizona Administrative Register contains Notices of Proposed Exempt Rulemaking. An agency may be exempt from rulemaking standards outlined in the Arizona Administrative Procedures Act (APA).

An agency's exemption is listed in the Preamble of the rulemaking as specified under: A.R.S. §§ 41-1005 or 41-1057; or a specific statute; or if a rule is promulgated by the Corporation Commission, it is exempt from Attorney General review under a court decision as determined by the Commission.

If an agency determines it is exempt under the law or court decision, the law may still require publication of the Proposed Exempt Rulemaking in this section to solicit and review public comments on the rulemaking.

Some agencies, even though completely exempt, may still elect to follow certain provisions of the APA, such as circulating its exempt rulemaking for comment. If an agency chooses this option, our office encourages filing the notice with our office for publication in the Register.

Please note, if a statute dictates that an agency is completely exempt from the rulemaking process, the agency is authorized to file a Notice of Exempt Rulemaking.

In all cases, an agency must still follow the procedures as established by our office in order to have its rulemaking package published.

The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed exempt rule should be directed to the agency proposing them. Refer to Item #5 of the Preamble to contact the person charged with the rulemaking.
