- r. Whether any residual tumor cells were left at the edges of a surgical site, after surgery to remove a tumor at the primary site;
- s. Whether the patient is alive or dead, including the date of last contact if the patient is alive, and the date, place, and cause of death if the patient is dead;
- t. Whether or not the patient has evidence of a current cancer, carcinoma in situ, or benign tumor of the central nervous system as of the date of last contact or death, or whether this information is unknown;
- u. The name of the physician, nurse practitioner, or doctor of naturopathic medicine providing medical services, as defined in A.R.S. § 36-401, to the patient;
- v. The name of the individual or the code that identifies the individual completing the case report;
- w. The date the case report was completed; and
- x. Whether the patient has a history of other cancers, and if so, identification of the primary site and the date the other cancer was diagnosed; and

3. Use codes and a coding format supplied by the Department for data items specified in subsection (A)(2) that require codes on the case report.

B. The cancer registry of a hospital with a licensed capacity of fewer than 50 inpatient beds that reports as specified in R9-4-404(A) and the cancer registry of a hospital with a licensed capacity of 50 or more inpatient beds shall:

1. Prepare a case report in a format provided by the Department;
2. Include the information specified in subsection (A) and the following information on the case report:
 - a. The patient's accession number;
 - b. The sequence number of the cancer being reported;
 - c. The date the patient was admitted to the hospital for diagnostic evaluation, cancer-directed treatment, or evidence of cancer, carcinoma in situ, or a benign tumor of the central nervous system, if applicable;
 - d. The date the patient was discharged from the hospital after the patient received diagnostic evaluation or treatment at the hospital, if applicable;
 - e. The source of payment for diagnosis or treatment of cancer, or both;
 - f. The level of the facility's involvement in the diagnosis or treatment, or both, of the patient for cancer;
 - g. The year in which the hospital first provided diagnosis or treatment to the patient for the cancer being reported;
 - h. The patient's county of residence at diagnosis of cancer;
 - i. The patient's marital status and age at diagnosis of cancer, place of birth, and, if applicable, name of the patient's spouse;
 - j. If the patient is under 18 years of age and unmarried, the name of the patient's parent or legal guardian;
 - k. The patient's religious preference, if applicable;
 - l. Whether the patient's laboratory results show the presence of specific substances known as Tumor Marker 1 and Tumor Marker 2, which are derived from tumor tissue and whose detection in the blood of a human body indicates the presence of a specific type of tumor;
 - m. A narrative description of how the cancer was diagnosed;
 - n. The number of regional lymph nodes examined and the number in which evidence of cancer was detected;

Department of Health Services - Noncommunicable Diseases

- o. The clinical or pathological staging classification, based on the analysis of tumor, lymph node, and metastasis;
 - p. The patient's clinical or pathological stage group;
 - q. The occupation of the individual who determined the clinical or pathological stage group of the patient;
 - r. A narrative description of the clinical evaluation of x-ray diagnostic films and scans of the patient, and the dates of the films or scans;
 - s. A narrative description of laboratory tests performed for the patient, including the date, type, and results of any of the patient's laboratory tests;
 - t. A narrative description of the results of the patient's clinical evaluation;
 - u. The procedures used by the reporting facility to obtain a diagnosis and staging classification, including the dates on which the procedures were performed, and the name of the facilities where the procedures were performed, if different from the reporting facility;
 - v. A narrative description of any cancer-related surgery on the patient, including the date of surgery, name of the facility where the surgery was performed, if different from the reporting facility, and type of surgery;
 - w. The code associated with the type of surgery performed on the patient and the date of surgery;
 - x. The codes associated with the:
 - i. Surgical approach;
 - ii. Extent of lymph node surgery;
 - iii. Number of lymph nodes removed;
 - iv. Surgery of regional sites, distant sites, or distant lymph nodes; and
 - v. Reason for no surgery or that surgery was performed;
 - y. Whether reconstructive surgery on the patient was performed as a first course of treatment, delayed, or not performed;
 - z. A narrative description of cancer-related radiation treatment administered to the patient, including the date of radiation treatment, name of the facility where the radiation treatment was performed, if different from the reporting facility, and type of radiation;
 - aa. The code associated with the type of radiation treatment administered to the patient and the date of radiation treatment;
 - bb. A narrative description of cancer-related chemotherapy administered to the patient, including the date of cancer-related chemotherapy, name of the facility that administered the chemotherapy, if different from the reporting facility, and type of chemotherapy;
 - cc. The code associated with the type of chemotherapy administered to the patient and the date of chemotherapy;
 - dd. If the patient's treatment included both surgery and radiation treatment, the sequence of the two treatments;
 - ee. If applicable, a narrative description of any other types of cancer or non-cancer-directed first course of treatment, not otherwise coded on the case report for the patient, including:
 - i. Additional surgery, chemotherapy, radiation, or other treatment, administered to the patient;
 - ii. The dates of the treatment;
 - iii. The names of the facilities where the treatment was performed, if different from the reporting facility; and
 - iv. The type of treatment;
 - ff. If additional cancer of the type diagnosed at the primary site is found after cancer-directed treatment, the date and location of the additional cancer, and whether the additional cancer was found at the primary site, a regional site, or a distant site;
 - gg. If the patient has died, whether an autopsy was performed; and
 - hh. The type of records used by the reporting facility to complete the case report; and
3. Use codes and coding format supplied by the Department for data items specified in subsection (B)(2) that require codes in the case report.

Historical Note

Adopted effective January 1, 1992, filed September 25, 1991 (Supp. 91-3). Section repealed; new Section made by final rulemaking at 12 A.A.R. 179, effective March 11, 2006 (Supp. 06-1). Amended by final rulemaking at 12 A.A.R. 3708, effective November 11, 2006 (Supp. 06-3).

R9-4-404. Requirements for Submitting Case Reports and Allowing Review of Hospital Records

- A.** The cancer registry of a hospital with a licensed capacity of 50 or more inpatient beds shall ensure that:
1. An electronic case report is submitted to the Department within 180 calendar days from the date a patient is first released from the hospital; and
 2. An electronic follow-up report, including a change of patient address, if applicable, a summary of additional first course of treatment, if applicable, and the information in R9-4-403(A)(2)(q), (s), (t), and (u) and R9-4-403(B)(2)(gg), is submitted to the Department at least annually for:
 - a. All living analytic patients in the hospital's cancer registry database, and
 - b. All analytic patients in the hospital's cancer registry database who have died since the last follow-up report.
- B.** The cancer registry or other designee of a hospital with a licensed capacity of fewer than 50 inpatient beds shall either report as specified in subsection (A), or shall at least once every six months:
1. Prepare and submit a written report to the Department:
 - a. For all individuals:
 - i. Released by the hospital since the last report was prepared, and
 - ii. Whose medical records include ICD-9-CM diagnosis codes specified in a list provided to the hospital by the Department,
 - b. Containing ICD-9-CM diagnosis codes that are arranged in numeric order, and
 - c. Including the following information associated with each ICD-9-CM diagnosis code:
 - i. The individual's medical record number assigned by the hospital,
 - ii. The individual's age,
 - iii. The individual's admission and discharge dates, and
 - iv. Whether the diagnosis code reflects the individual's principal or secondary diagnosis, and

Department of Health Services - Noncommunicable Diseases

2. Allow the Department to review the records listed in R9-4-405(A) to obtain the information specified in R9-4-403 about a patient.
 - C. If the designee of a clinic submitted 100 or more case reports to the Department in the previous calendar year or expects to submit 100 or more case reports in the current calendar year, the designee of the clinic shall:
 1. Submit a case report to the Department for each patient who is not referred by the clinic to a hospital for the first course of treatment; and
 2. Ensure that the case report in subsection (C)(1) is submitted in electronic format within 90 calendar days of:
 - a. Initiation of treatment of the patient at the clinic; or
 - b. Diagnosis of cancer in the patient, if the clinic did not provide treatment.
 - D. If the designee of a clinic submitted fewer than 100 case reports to the Department in the previous calendar year and expects to submit fewer than 100 case reports in the current calendar year, the designee of the clinic shall submit an electronic or paper case report to the Department for each patient, within 30 calendar days from the date of diagnosis of cancer in the patient, if the clinic:
 1. Diagnoses cancer in the patient without a pathology report from a pathology laboratory, and
 2. Does not refer the patient to a hospital for the first course of treatment.
 - E. A physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner shall submit an electronic or paper case report to the Department for each patient, within 30 calendar days from the date of diagnosis of cancer in the patient, if the physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner:
 1. Diagnoses cancer in the patient without a pathology report from a pathology laboratory, and
 2. Does not refer the patient to a hospital or clinic for the first course of treatment.
 - F. A clinic, physician, dentist, registered nurse practitioner, or doctor of naturopathic medicine that receives a letter from the Department, requesting any of the information specified in R9-4-403 about a patient, shall provide to the Department the requested information on the patient within 15 business days from the date of the request.
 - G. A clinic, physician, dentist, registered nurse practitioner, or doctor of naturopathic medicine that receives a letter from a hospital, requesting any of the information specified in R9-4-403 about a patient, shall provide to the hospital the requested information on the patient within 15 business days from the date of the request.
 - H. A pathology laboratory shall:
 1. Allow the Department to review pathology reports at least once every 90 calendar days to obtain the information specified in R9-4-403; and
 2. Provide to the Department copies, in electronic or written format, of pathology reports of patients.
- a hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner required to report under R9-4-404 shall allow the Department to review any of the following records, as are applicable to the facility:
1. A report meeting the requirements of R9-4-404(B)(1);
 2. Patient medical records;
 3. Medical records of individuals not diagnosed with cancer;
 4. Pathology reports;
 5. Cytology reports;
 6. Logs containing information about surgical procedures, as specified in A.A.C. R9-10-214(A)(6) or A.A.C. R9-10-1709(A); and
 7. Records other than those specified in subsections (A)(1) through (A)(6) that contain information about diagnostic evaluation, cancer-directed treatment, or other treatment provided to an individual by the hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner.
- B. The Department shall consider a hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner required to report under R9-4-404 as meeting the criteria in R9-4-404 if the hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner submits a case report to the Department for at least 97% of the patients for whom a case report is required under R9-4-404 during a calendar year.
 - C. The Department shall consider a hospital required to report under R9-4-404(A)(2) as meeting the criteria in R9-4-404(A)(2) if the hospital submits a follow-up report specified in R9-4-404(A)(2) to the Department once each calendar year for at least:
 1. Eighty percent of all analytic patients from the hospital's reference date; and
 2. Ninety percent of all analytic patients diagnosed within the last five years or from the hospital's reference date, whichever is shorter.
 - D. The Department shall return a case report not prepared according to R9-4-403 to the hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner that submitted the case report, identifying the revisions that are needed in the case report. The hospital, clinic, physician, doctor of naturopathic medicine, dentist, or registered nurse practitioner shall submit the revised case report to the Department within 15 business days from the date the Department requests the revision.
 - E. Upon written request by the Department, a hospital shall prepare a case report based on a simulated medical record provided by the Department for the purpose of demonstrating the variability with which data is reported. The hospital shall return the case report to the Department within 15 business days from the date of the request.

Department of Health Services - Noncommunicable Diseases

- b. Woman who:
 - i. Is the mother of an individual; or
 - ii. Adopts an individual.
- 41. "Pathology laboratory" means a facility in which human cells, body fluids, or tissues are examined for the purpose of diagnosing diseases and that is licensed under 9 A.A.C. 10, Article 1.
- 42. "Patient" means an individual, regardless of current age:
 - a. Who, from conception to one year of age, was clinically evaluated for a possible birth defect or a medical condition that may be related to a birth defect:
 - i. By:
 - (1) A physician,
 - (2) A midwife,
 - (3) A registered nurse practitioner, or
 - (4) A physician assistant; or
 - ii. At a hospital or clinic;
 - b. Whose mother was clinically evaluated during her pregnancy with the individual:
 - i. For a medical condition that may be related to a possible birth defect, and
 - ii. By an individual or facility specified in subsection (42)(a);
 - c. Who, from conception to one year of age, was tested by a genetic testing facility or other clinical laboratory;
 - d. Whose mother was tested during her pregnancy with the individual by a:
 - i. Genetic testing facility or other clinical laboratory, or
 - ii. Prenatal diagnostic facility; or
 - e. Who, from conception to one year of age, was provided treatment or whose mother during her pregnancy with the individual was provided treatment by a hospital, clinic, physician, registered nurse practitioner, or other person specified in R9-4-503(A) for a medical condition that may be related to a possible birth defect.
- 43. "Perinatal risk factor" means a situation or circumstance that may increase the chance of an individual being born with a birth defect, such as:
 - a. A family medical history of birth defects or other medical conditions;
 - b. The exposure of the individual or the individual's mother or biological father to radiation, medicines, chemicals, or diseases before the individual's birth; or
 - c. An abnormal result of a test performed for the individual or the individual's mother by a prenatal diagnostic facility or clinical laboratory, including a genetic testing facility.
- 44. "Physician assistant" means an individual licensed under A.R.S. Title 32, Chapter 25.

R9-4-502. Reporting Sources; Information Submitted to the Department**A. The designee of a hospital shall:**

- 1. Prepare a written report each month in a format specified by the Department identifying all individuals:
 - a. Who are patients or the mothers of patients; and
 - b. Whose:

Department of Health Services - Noncommunicable Diseases

- i. Discharge date is within the month for which the report is being prepared, as specified in subsection (A)(2)(d); and
 - ii. Medical record includes for the principal diagnosis, a secondary diagnosis, or a procedure performed on the individual, an ICD-9-CM diagnosis or procedure code specified in a list provided to the hospital by the Department;
 2. Include the following information in the report specified in subsection (A)(1):
 - a. The name, address, and telephone number of the hospital, or the identification number assigned by the Department to the hospital;
 - b. The name and telephone number of the designee of the hospital;
 - c. The date the report was completed;
 - d. The month for which the report is being prepared; and
 - e. For each patient or the mother of the patient:
 - i. The patient's or mother's medical record number;
 - ii. The name of the patient or patient's mother, if available, and, if applicable, any other name by which the patient or patient's mother is known;
 - iii. The race and ethnicity of the patient or patient's mother;
 - iv. The patient's gender and date of birth, if applicable;
 - v. The admission and discharge dates;
 - vi. The principal and secondary diagnoses or the ICD-9-CM diagnosis codes for the principal and secondary diagnoses for the patient or patient's mother; and
 - vii. The procedure codes for the patient or patient's mother; and
 3. Submit the report specified in subsection (A)(1) to the Department, in a format specified by the Department, within 30 calendar days after the end of the month for which the report is being prepared.
- B. The designee of a high-risk perinatal practice shall:
 1. Prepare a written report each month in a format specified by the Department for all individuals:
 - a. Who are patients or the mothers of patients; and
 - b. Whose:
 - i. Date of last contact is within the month for which the report is being prepared, as specified in subsection (B)(2)(d); and
 - ii. Medical record includes a principal or secondary diagnosis specified in a list provided to the high-risk perinatal practice by the Department;
 2. Include the following information in the report specified in subsection (B)(1):
 - a. The name, address, and telephone number of the high-risk perinatal practice, or the identification number assigned by the Department to the high-risk perinatal practice;
 - b. The name and telephone number of the designee of the high-risk perinatal practice;
 - c. The date the report was completed;
 - d. The month for which the report is being prepared; and
 - e. For each patient or the mother of the patient:
 - i. The patient's or mother's medical record number, if assigned;
 - ii. The mother's name;
 - iii. The mother's date of birth;
 - iv. The mother's estimated date of confinement;
 - v. The patient's gender, if known;
 - vi. Whether the patient is from a singleton or multiple gestation;
 - vii. The location and date of the patient's birth, if known;
 - viii. Whether the patient was born alive or dead, if known;
 - ix. The date of last contact with the mother;
 - x. The principal and secondary diagnoses for the patient or the patient's mother; and
 - xi. If the principal and secondary diagnoses for the patient were made before the patient's birth, whether the principal and secondary diagnoses were confirmed at birth; and
 3. Submit the report specified in subsection (B)(1) to the Department, in a format specified by the Department, within 30 calendar days after the end of the month for which the report is being prepared.
- C. The designee of a genetic testing facility shall:
 1. Prepare a written report each month, in a format specified by the Department, for all individuals:
 - a. Who are patients or the mothers of patients, and
 - b. For whom the genetic testing facility performed a test:
 - i. Completed within the month for which the report is being prepared, as specified in subsection (C)(2)(d); and
 - ii. Specified in a list provided by the Department to the genetic testing facility;
 2. Include the following information in the report specified in subsection (C)(1):
 - a. The name, address, and telephone number of the genetic testing facility, or the identification number assigned by the Department to the genetic testing facility;
 - b. The name and telephone number of the designee of the genetic testing facility;
 - c. The date the report was completed;
 - d. The month for which the report is being prepared; and
 - e. For each patient or mother of a patient:
 - i. If the test was performed on the patient:
 - (1) The patient's name, date of birth, and gender; and
 - (2) The name of the patient's parent or guardian;
 - ii. If the test was performed on the mother of the patient:
 - (1) The mother's name and date of birth;
 - (2) The estimated gestational age of the patient when the test was performed, if available; and
 - (3) The mother's estimated date of confinement when the test was performed, if available;
 - iii. The name of the physician, registered nurse practitioner, or physician assistant who ordered the test for the patient or the patient's mother; and
 - iv. Information about the test, including:
 - (1) The type of test performed on the patient or the patient's mother,
 - (2) The date the test was completed, and
 - (3) The results of the test; and

Department of Health Services - Noncommunicable Diseases

3. Submit the report specified in subsection (C)(1) to the Department, in a format specified by the Department, within 30 calendar days after the end of the month for which the report is being prepared.
 - D.** The designee of a prenatal diagnostic facility shall:
 1. Submit an electronic or paper report to the Department:
 - a. For each mother:
 - i. On whom the prenatal diagnostic facility conducts a test specified in a list provided by the Department to the prenatal diagnostic facility, and
 - ii. Whose test result indicates a diagnosis specified in a list provided by the Department to the prenatal diagnostic facility; and
 - b. Within 30 calendar days from the date of the test;
 2. Include the following information in the report specified in subsection (D)(1):
 - a. The name, address, and telephone number of the prenatal diagnostic facility, or the identification number assigned by the Department to the prenatal diagnostic facility;
 - b. The name and telephone number of the designee of the prenatal diagnostic facility;
 - c. The date the report was completed;
 - d. The mother's name and date of birth;
 - e. The estimated gestational age of the patient at the time of the test;
 - f. The mother's estimated date of confinement;
 - g. The outcome of the pregnancy, if known;
 - h. The name of the physician, registered nurse practitioner, or physician assistant who ordered the test for the mother; and
 - i. Information about the test, including:
 - i. The type of test performed on the mother,
 - ii. The date the test was completed, and
 - iii. The results of the test.
- c. Reports from:
 - i. Physicians or other individuals who clinically evaluated, diagnosed, or treated a patient or the patient's mother,
 - ii. High-risk perinatal practices,
 - iii. Prenatal diagnostic facilities,
 - iv. Genetic testing facilities,
 - v. Pathology laboratories, or
 - vi. Other facilities or clinical laboratories that performed a test for a patient or the patient's mother;
- d. Logs and registers containing information about surgical procedures, as specified in A.A.C. R9-10-214(A)(6) or A.A.C. R9-10-1709(A);
- e. Other logs that may contain information about a patient or the mother of a patient with a birth defect, such as:
 - i. Labor and delivery unit logs,
 - ii. Nursery unit logs,
 - iii. Pediatric unit logs,
 - iv. Intensive care unit logs,
 - v. Autopsy logs, and
 - vi. Ultrasound logs;
- f. Autopsy reports; and
- g. Records other than those specified in subsections (B)(1)(a) through (f) that contain information about or may lead to information about:
 - i. A patient,
 - ii. The patient's mother, or
 - iii. The patient's biological sibling; and
2. Collect the following information from a person or facility specified in subsection (A), as applicable to a patient or the mother of a patient:
 - a. The name, address, and telephone number of the person or facility, or the identification number assigned by the Department to the person or facility;
 - b. The date of first contact and the date of last contact;
 - c. The date the patient was admitted to a hospital;
 - d. The date the patient was discharged from a hospital;
 - e. The dates the mother of the patient was admitted to and discharged from a hospital for:
 - i. The birth of the patient, or
 - ii. Treatment related to a possible birth defect in the patient;
 - f. The name and address of the hospital or other location in which the patient was born;
 - g. The name and address of a hospital in which the patient or the mother of the patient was admitted for treatment related to a possible birth defect in the patient;
 - h. The specific unit of a hospital that provided medical services to the patient or the patient's mother;
 - i. The medical record number of the patient or the patient's mother;
 - j. The patient's name and any other name by which the patient is known;
 - k. The names, addresses, and dates of birth of the patient's parents;

- s. The address and telephone number of the patient at the date of last contact;
- t. The county in which the patient was born;
- u. The name of each physician, registered nurse practitioner, physician assistant, or other person that clinically evaluated, diagnosed, ordered a test for, or treated the patient or the patient's mother;
- v. The names of any facility from which or to which the patient or the patient's mother was transferred or referred;
- w. Whether the patient was referred to or is enrolled in CRS and, if so, the date of referral or enrollment;
- x. Whether the patient is receiving any other follow-up services, medical services, nursing services, or health-related services related to a birth defect, and, if so, the name of the person providing the services and the date the provision of the services began;
- y. The name of the insurance company, if applicable, that:
 - i. Paid for the birth of the patient, and
 - ii. Is currently covering medical expenses for the patient or the patient's mother;
- z. Any perinatal risk factors documented in:
 - i. The patient's medical record,
 - ii. The patient's mother's medical record, or
 - iii. The patient's family medical history;
- aa. Whether any tests were performed on the patient or the patient's mother by a genetic testing facility and, if so:
 - i. The types of tests performed,
 - ii. The test dates,
 - iii. The test results,
 - iv. The age or estimated gestational age of the patient at the time of each test,
 - v. The estimated date of confinement of the patient's mother at the time of each test,
 - vi. The name of the genetic testing facility that performed each test; and
 - vii. The names of the individuals who interpreted the test results;
- bb. Whether any tests were performed on the patient or the patient's mother by a prenatal diagnostic facility and, if so:
 - i. The types of tests performed,
 - ii. The test dates,
 - iii. The test results,
 - iv. The estimated gestational age of the patient at the time of each test,
 - v. The estimated date of confinement of the patient's mother at the time of each test,
 - vi. The name of the prenatal diagnostic facility that performed each test, and
 - vii. The names of the individuals who interpreted the test results;
- cc. Whether any other types of tests were performed on the patient or the patient's mother that may enable the diagnosis of a birth defect and, if so:
 - i. The types of tests performed,
 - ii. The test dates,
 - iii. The test results,
- iv. The age or estimated gestational age of the patient at the time of each test,
- v. The estimated date of confinement of the patient's mother at the time of each test,
- vi. The names of the facilities that performed the tests, and
- vii. The names of the individuals who interpreted the test results;
- dd. Whether any surgical procedures associated with a birth defect were performed on the patient or the patient's mother and, if so:
 - i. The types of surgical procedures performed,
 - ii. The dates of the surgical procedures,
 - iii. The results of the surgical procedures,
 - iv. The ages or estimated gestational ages of the patient at the time of the surgical procedures,
 - v. The estimated date of confinement of the patient's mother at the times of the surgical procedures, and
 - vi. The names of the facilities at which the surgical procedures were performed, and
 - vii. The names of the individuals who performed the surgical procedures;
- ee. For each diagnosis made for the patient or the patient's mother:
 - i. The diagnosis,
 - ii. Whether the diagnosis is a principal or secondary diagnosis,
 - iii. The facility at which the diagnosis was made,
 - iv. The date on which the diagnosis was made, and
 - v. The name of the individual who made the diagnosis;
- ff. The number of times the patient's mother has been pregnant;
- gg. The number of times a pregnancy of the patient's mother has lasted:
 - i. More than 37 weeks,
 - ii. Between 20 and 37 weeks, and
 - iii. Less than 20 weeks;
- hh. The number of children who were born as a result of the patient's mother's pregnancies, and whether the children were born alive or dead;
- ii. Whether the patient is from a singleton or multiple gestation, and, if from a multiple gestation, whether a co-twin of the patient:
 - i. Is identical or fraternal;
 - ii. Is alive, and, if not alive, the co-twin's date of death; and
 - iii. Has:
 - (1) The same birth defect as the patient,
 - (2) A different birth defect from that of the patient, or
 - (3) No birth defect;
- jj. If the patient is being adopted or living with a guardian rather than a parent;
- kk. If the patient is being adopted, the name, address, and telephone number of the individual who will adopt the patient;
- ll. The date of last contact; and
- mm. If the patient has died:
 - i. The patient's date and county of death,
 - ii. The facility in which the patient's death occurred, and
 - iii. Whether an autopsy was performed on the patient.

EMERGENCY RULEMAKING**R9-4-602. Opioid Poisoning-Related Reporting Requirements**

- A. An ambulance service, an emergency medical services provider, or a law enforcement agency shall, either personally or through a representative, submit a report to the Department, in a Department-provided format and within five business days after an encounter with an individual with a suspected opioid overdose, that includes:
1. The following information about the ambulance service, emergency medical services provider, or law enforcement agency:
 - a. Name;
 - b. Street address, city, county, and zip code;
 - c. Whether the entity reporting is:
 - i. An ambulance service,
 - ii. An emergency medical services provider, or
 - iii. A law enforcement agency; and
 - d. If applicable, the certificate number issued by the Department to the ambulance service; and
 2. The name, title, telephone number, and email address of a point of contact for the entity required to report;
 3. The street address, city, county, state, and zip code of the location at which the ambulance service, emergency medical services provider, or law enforcement agency encountered the individual;
 4. If applicable, the date and time the ambulance service, emergency medical services provider, or law enforcement agency was dispatched to the location specified according to subsection (A)(3);
 5. The following information about the individual with a suspected opioid overdose or who died of a suspected opioid overdose:
 - a. Name,
 - b. Date of birth,
 - c. Age in years,
 - d. Gender,
 - e. Race and ethnicity, and
 - f. Reason for suspecting that the individual had an opioid overdose;
 6. Whether naloxone was administered to the individual before the ambulance service, emergency medical services provider, or law enforcement agency encountered the individual and, if so:
 - a. The number of doses of naloxone administered to the individual; and
 - b. As applicable, that the naloxone was administered to the individual by:
 - i. Another individual; or
 - ii. Another entity and, if so the type of entity that administered the naloxone to the individual;
 7. Whether naloxone was administered to the individual by the ambulance service, emergency medical services provider, or law enforcement agency and, if so, the number of doses of naloxone administered to the individual;
 8. The following information about the disposition of the individual:

Department of Health Services - Noncommunicable Diseases

- a. Whether the individual was pronounced dead at the location specified according to subsection (A)(3);
- b. Whether the individual was transported to a hospital and; if so:
 - i. The name of the hospital to which the individual was transported, and
 - ii. The type of entity that transported the individual to the hospital; and
- c. If known, whether the individual:
 - i. Survived the suspected opioid overdose,
 - ii. Died from the suspected opioid overdose, or
 - iii. Died from another cause after experiencing a suspected opioid overdose; and
9. The date of the report.
- B.** An administrator of a health care institution licensed under 9 A.A.C. 10 or a pharmacist, as applicable, is not required to submit a report to the Department under this Article for:
 1. An opioid overdose resulting from the administration of the opioid to a patient in the health care institution if the opioid overdose is addressed through the health care institution's quality management program; or
 2. Naloxone dispensed in connection with a surgical procedure, as defined in A.A.C. R9-10-101, performed in the health care institution.
- C.** Except as prohibited by Title 42 Code of Federal Regulations, Chapter I, Subchapter A, Part 2 or as specified in subsection (B), a health professional or the administrator of a health care institution licensed under 9 A.A.C. 10 shall, either personally or through a representative, submit a report to the Department, in a Department-provided format and within five business days after an encounter with an individual with a suspected opioid overdose, that includes:
 1. The name, street address, city, county, zip code, and telephone number of the health professional or health care institution;
 2. If different from the person in subsection (C)(1), the name, title, street address, city, county, zip code, telephone number, and email address of the individual reporting on behalf of the person in subsection (C)(1);
 3. The following information about the individual with a suspected opioid overdose:
 - a. The individual's name;
 - b. The individual's street address, city, county, state, and zip code;
 - c. The individual's date of birth;
 - d. The individual's gender;

 - f. Whether the individual is pregnant and, if so, the expected date of delivery;
 - g. If applicable, the name of the individual's guardian; and
 - h. Whether naloxone was administered to the individual before the health professional or health care institution encountered the individual and, if so:
 - i. The type of entity that administered the naloxone to the individual, or
 - ii. That the naloxone was administered to the individual by another individual;
 4. The following information about the diagnosis of opioid overdose:
 - a. The reason for suspecting that the individual had an opioid overdose;
 - b. The date of the suspected opioid overdose;
 - c. The date of diagnosis; and
 - d. Except as provided in subsection (G), if the diagnosis was confirmed through one or more tests performed by a clinical laboratory, for each test:
 - i. The name, address, and telephone number of the clinical laboratory;
 - ii. The date a specimen was collected from the individual;
 - iii. The type of specimen collected;
 - iv. The type of laboratory test performed; and
 - v. The laboratory test result and date of the result;
5. The following information about the suspected opioid overdose:
 - a. Whether the opioid overdose appeared to be intentional or unintentional;
 - b. The location where the opioid overdose took place;
 - c. Whether the individual was alone at the time of the opioid overdose;
 - d. Whether the individual was transported to the health professional or health care institution by an ambulance service, an emergency medical services provider, or a law enforcement agency and, if so, the type of entity that transported the individual;
 - e. The specific opioid that appeared to be responsible for the opioid overdose; and
 - f. If known, whether:
 - i. The individual was prescribed an opioid within the 90 calendar days before the date of the suspected opioid overdose;
 - ii. The individual had been referred to receive behavioral health services, as defined in A.R.S. § 36-401; or
 - iii. The opioid overdose was the first time the individual had had an opioid overdose and, if not, the number of previous opioid overdoses the individual was known to have had;
6. Whether the individual with the suspected opioid overdose:
 - a. Survived the suspected opioid overdose and:
 - i. Was admitted to the health care institution;
 - ii. Was transferred to another health care institution and, if so, the name of the health care institution;
 - iii. Was discharged to a law enforcement agency;
 - iv. Was discharged to home; or
 - v. Left the health care institution against medical advice;

 - a. The individual's name;
 - b. The individual's date of birth;
 - c. The individual's gender;
 - d. The individual's race and ethnicity;
 - e. The name of the individual's mother; and
 - f. If not the individual's mother, the name of the individual's guardian;
 4. The following information about a diagnosis of neonatal abstinence syndrome:
 - a. The reason for suspecting that the individual has neonatal abstinence syndrome;
 - b. The date of the onset of signs of neonatal abstinence syndrome;
 - c. The date of diagnosis;
 - d. Except as provided in subsection (G), if the diagnosis was confirmed through one or more tests performed by a clinical laboratory, for each test:
 - i. The name, address, and telephone number of the clinical laboratory;
 - ii. The date a specimen was collected from the individual;
 - iii. The type of specimen collected;
 - iv. The type of laboratory test performed; and
 - v. The laboratory test result and date of the result; and
 - e. Whether any of the following supported a diagnosis of neonatal abstinence syndrome:
 - i. A maternal history of opioid use,
 - ii. A positive laboratory test for opioid use by the individual's mother, or
 - iii. A positive laboratory test for opioids in the individual;
 5. If known, the following information about the suspected neonatal abstinence syndrome:
 - a. The source of the opioid believed to have caused the neonatal abstinence syndrome; and
 - b. If the source of the opioid used by the individual's mother was not through a prescription order, as defined in A.R.S. § 32-1901, the specific opioid used by the individual's mother; and
 6. The date of the report.
- E.** Except as specified in subsection (B), a pharmacist shall, either personally or through a representative, submit a report to the Department, in a format provided by the Arizona Board of Pharmacy and within five business days after dispensing naloxone to an individual, that includes:
1. The following information about the pharmacist:
 - a. Name;
 - b. Pharmacy street address, city, county, and zip code; and
 - c. The professional license number issued to the pharmacist under A.R.S. Title 32;
 2. The number of doses of naloxone dispensed to the individual by the pharmacist;
 3. The date the naloxone was dispensed; and
 4. The date of the report.
- F.** A medical examiner shall, either personally or through a representative, submit a report to the Department, in a Department-provided format and within five business days after the completion of the death investigation required in A.R.S. § 11-594 on the human remains of a deceased individual with a suspected opioid overdose, that includes:
1. The following information about the medical examiner:
 - a. Name; and
 - b. Street address, city, county, and zip code;
 2. The following information about the deceased individual with a suspected opioid overdose:
 - a. The deceased individual's name;
 - b. The deceased individual's date of birth;
 - c. The deceased individual's gender;
 - d. The deceased individual's race and ethnicity;
 - e. Whether the deceased individual was pregnant and, if so, the expected date of delivery;
 - f. If applicable, the name of the deceased individual's guardian; and
 - g. Whether naloxone was administered to the deceased individual before the deceased individual's death and, if known:
 - i. The type of entity that administered the naloxone to the deceased individual, or
 - ii. That the naloxone was administered to the deceased individual by another individual;
 3. The following information about the diagnosis of opioid overdose:
 - a. The reason for suspecting that the deceased individual had an opioid overdose;
 - b. The date of the opioid overdose;
 - c. The date of diagnosis; and
 - d. If the diagnosis was confirmed by clinical laboratory tests:
 - i. The name, address, and telephone number of the clinical laboratory;
 - ii. The date a specimen was collected from the deceased individual;
 - iii. The type of specimen collected;
 - iv. The type of laboratory test performed; and
 - v. The laboratory test result and date of the result;
 4. If applicable, a copy of the clinical laboratory test results;
 5. If known, the following information about the suspected opioid overdose:
 - a. Whether the opioid overdose appeared to be intentional or unintentional;
 - b. The location where the opioid overdose took place;
 - c. Whether the deceased individual was alone at the time of the opioid overdose;
 - d. The specific opioid that appeared to be responsible for the opioid overdose;
 - e. Whether the deceased individual was prescribed an opioid within the 90 calendar days before the date of the opioid overdose; and
 - f. Whether the opioid overdose was the first time the deceased individual was known to have had an opioid overdose and, if not, the number of previous opioid overdoses the deceased individual had had;
 6. Whether the deceased individual with the suspected opioid overdose:
 - a. Died from the suspected opioid overdose and, if so, the date of death; or
 - b. Died from another cause after experiencing a suspected opioid overdose and, if so, the date of death; and
 7. The date of the report.
- G.** A director of a clinical laboratory, on the premises of a health care institution licensed as a hospital, as defined in A.A.C. R9-10-101, or performing laboratory tests under an arrangement with a hospital, shall submit a report to the Department, in a Department-provided format and within five business days after completing laboratory tests on one or more specimens

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), accepts state agency rule filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the Administrative Code. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

ADMINISTRATIVE RULES DIVISION

RULES

A.R.S. § 41-1001(17) states: “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions. Virtually everything in your life is affected in some way by rules published in the Arizona Administrative Code, from the quality of air you breathe to the licensing of your dentist. This chapter is one of more than 230 in the Code compiled in 21 Titles.

ADMINISTRATIVE CODE SUPPLEMENTS

Rules filed by an agency to be published in the Administrative Code are updated quarterly. Supplement release dates are printed on the footers of each chapter:

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2017 is cited as Supp. 17-1.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARTICLES AND SECTIONS

Rules in chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering system separated into subsections.

HISTORICAL NOTES AND EFFECTIVE DATES

Historical notes inform the user when the last time a Section was updated in the Administrative Code. Be aware, since the Office publishes each quarter by entire chapters, not all Sections are updated by an agency in a supplement release. Many times just one Section or a few Sections may be updated in the entire chapter.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in the introduction of a chapter can be found at the Secretary of State’s website, www.azsos.gov/services/legislative-filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Arizona Administrative Register online at www.azsos.gov/rules, click on the Administrative Register link.

In the Administrative Code the Office includes editor’s notes at the beginning of a chapter indicating that certain rulemaking Sections were made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR

If you are researching rules and come across rescinded chapters on a different paper color, this is because the agency filed a Notice of Exempt Rulemaking. At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

PERSONAL USE/COMMERCIAL USE

This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

Public Services managing rules editor, Rhonda Paschal, assisted with the editing of this chapter.

ARTICLE 1. GENERAL**R9-6-101. Definitions**

In this Chapter, unless otherwise specified:

1. "Active tuberculosis" means the same as in A.R.S. § 36-711.
2. "Administrator" means the individual who is the senior leader at a child care establishment, health care institution, correctional facility, school, pharmacy, or shelter.
3. "Agency" means any board, commission, department, office, or other administrative unit of the federal government, the state, or a political subdivision of the state.
4. "Agent" means an organism that may cause a disease, either directly or indirectly.
5. "AIDS" means Acquired Immunodeficiency Syndrome.
6. "Airborne precautions" means, in addition to use of standard precautions:
 - a. Either:
 - i. Placing an individual in a private room with negative air-pressure ventilation, at least six air exchanges per hour, and air either:
 - (1) Exhausted directly to the outside of the building containing the room, or
 - (2) Recirculated through a HEPA filtration system before being returned to the interior of the building containing the room; or
 - ii. If the building in which an individual is located does not have an unoccupied room meeting the specifications in subsection (6)(a)(i):
 - (1) Placing the individual in a private room, with the door to the room kept closed when not being used for entering or leaving the room, until the individual is transferred to a health care institution that has a room meeting the specifications in subsection (6)(a)(i) or to the individual's residence, as medically appropriate; and
 - (2) Ensuring that the individual is wearing a mask covering the individual's nose and mouth; and
 - b. Ensuring the use by other individuals, when entering the room in which the individual is located, of a device that is:
 - i. Designed to protect the wearer against inhalation of an atmosphere that may be harmful to the health of the wearer, and
 - ii. At least as protective as a National Institute for Occupational Safety and Health-approved N-95 respirator.
7. "Approved test for tuberculosis" means a Mantoux skin test or other test for tuberculosis recommended by the Centers for Disease Control and Prevention or the Tuberculosis Control Officer appointed under A.R.S. § 36-714.
8. "Arizona State Laboratory" means the part of the Department authorized by A.R.S. Title 36, Chapter 2, Article 2, and A.R.S. § 36-132(A)(11) that performs serological, microbiological, entomological, and chemical analyses.
9. "Average window period" means the typical time between exposure to an agent and the ability to detect infection with the agent in human blood.
10. "Barrier" means a mask, gown, glove, face shield, face mask, or other membrane or filter to prevent the transmission of infectious agents and protect an individual from exposure to body fluids.
11. "Body fluid" means semen, vaginal secretion, tissue, cerebrospinal fluid, synovial fluid, pleural fluid, peritoneal fluid, pericardial fluid, amniotic fluid, urine, blood, lymph, or saliva.
12. "Carrier" means an infected individual without symptoms who can spread the infection to a susceptible individual.
13. "Case" means an individual:
 - a. With a communicable disease whose condition is documented:
 - i. By laboratory results that support the presence of the agent that causes the disease;
 - ii. By a health care provider's diagnosis based on clinical observation; or
 - iii. By epidemiologic associations with the communicable disease, the agent that causes the disease, or toxic products of the agent;
 - b. Who has experienced diarrhea, nausea, or vomiting as part of an outbreak; or
 - c. Who has experienced a vaccinia-related adverse event.
14. "Case definition" means the disease-specific criteria that must be met for an individual to be classified as a case.
15. "Chief medical officer" means the senior health care provider in a correctional facility or that individual's designee who is also a health care provider.

R9-6-103. Disclosure of Communicable Disease-Related Information to a Good Samaritan

- A. In this Section, unless otherwise specified, the following definitions apply:
 1. "Affidavit" means a voluntary declaration or statement of facts that is made in writing and under oath or affirmation.

Department of Health Services - Communicable Diseases and Infestations

2. "Assisted person" means the individual with whom a Good Samaritan alleges interaction constituting a significant exposure risk.
 3. "Available" means in the possession of or accessible by the Designated Officer who is reviewing a disclosure request.
 4. "Communicable disease-related information" has the same meaning as in A.R.S. § 36-661.
 5. "Designated Officer" means an individual appointed by the Director or a local health officer to:
 - a. Review a disclosure request from a Good Samaritan;
 - b. Determine whether disclosure of communicable disease-related information is required under A.R.S. § 36-664(E) and this Section; and
 - c. Respond to the Good Samaritan.
 6. "Director" has the same meaning as in A.R.S. § 36-101.
 7. "Disclosure request" means the information submitted by a Good Samaritan according to A.R.S. § 36-664(E) and subsection (C) or (D).
 8. "Emergency care or assistance" means actions performed by an individual on or for another individual, which are necessary to prevent death or impairment of the health of the other individual.
 9. "Emergency department" has the same meaning as in A.A.C. R9-11-101.
 10. "Good Samaritan" has the same meaning as in A.R.S. § 36-661.
 11. "In writing" means:
 - a. An original document,
 - b. A photocopy,
 - c. A facsimile, or
 - d. An e-mail.
 12. "Medical consultation" means discussion between a Good Samaritan and:
 - a. A physician or a registered nurse practitioner working in an emergency department or urgent care unit;
 - b. An occupational health provider as defined in A.A.C. R9-6-801; or
 - c. Any other health care provider knowledgeable in determining circumstances when post-exposure prophylaxis is necessary.
 13. "Mucous membrane" means a thin, pliable layer of tissue that lines passageways and cavities in the human body that lead to the outside, such as the mouth, gastrointestinal tract, nose, vagina, and urethra.
 14. "Notarized" means signed and dated by a notary.
 15. "Notary" means any individual authorized to perform the acts specified under A.R.S. § 41-313.
 16. "Post-exposure prophylaxis" means treatment provided to an individual who may have been exposed to a communicable disease, which is intended to prevent infection of the individual.
 17. "Significant exposure risk" has the same meaning as in A.R.S. § 36-661.
 18. "Under oath or affirmation" means a sworn or affirmed statement made by a Good Samaritan to a notary under the penalty of perjury.
 19. "Urgent care unit" has the same meaning as in A.A.C. R9-11-201.
- B.** A significant exposure risk may occur when a Good Samaritan's interaction with an individual results in:
1. A transfer of blood or body fluids from the individual onto the mucous membranes or into breaks in the skin of the Good Samaritan; or
 2. A sharing of airspace between the Good Samaritan and the individual.
- C.** If a Good Samaritan makes a disclosure request to the Department or a local health agency 72 hours or less after an alleged significant exposure risk, the disclosure request shall include:
1. The Good Samaritan's name;
 2. The Good Samaritan's mailing address or e-mail address;
 3. The telephone number at which the Good Samaritan may be reached during a working day;
 4. A description of the accident, fire, or other life-threatening emergency, in which the Good Samaritan rendered emergency care or assistance;
 5. A description of the:
 - a. Emergency care or assistance rendered by the Good Samaritan at the accident, fire, or other life-threatening emergency; and
 - b. Circumstances that the Good Samaritan believes constitute a significant exposure risk;
 6. If known, the name of the assisted person;
 7. If known, the date of birth of the assisted person; and
 8. Any additional information that may identify the assisted person.
- D.** If a Good Samaritan makes a disclosure request to the Department or a local health agency more than 72 hours after an alleged significant exposure risk, the disclosure request shall include:
1. A statement in writing that the Good Samaritan is requesting communicable disease-related information for an assisted person as allowed under A.R.S. § 36-664(E);
 2. Documentation concerning the accident, fire, or other life-threatening emergency in which the Good Samaritan rendered emergency care or assistance; and
 3. A notarized affidavit that contains:
 - a. The information specified in subsections (C)(1) through (8);
 - b. A statement that the Good Samaritan understands that the Good Samaritan may seek medical consultation to determine whether post-exposure prophylaxis for a communicable disease is needed;
 - c. A statement that the Good Samaritan certifies that the declarations contained within the affidavit are truthful to the best of the Good Samaritan's knowledge; and
 - d. The Good Samaritan's signature.
- E.** Within two working days after the Department or a local health agency receives a disclosure request from a Good Samaritan, the Designated Officer shall:
1. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) indicates a significant exposure risk to the Good Samaritan and communicable disease-related information is available for the assisted person:
 - a. Attempt to contact the Good Samaritan by telephone and provide the Good Samaritan with the communicable disease-related information:
 - i. For the assisted person;
 - ii. Pertaining to the specific communicable disease or diseases that may be transmitted through the interaction between the Good Samaritan and the assisted person; and
 - iii. Without revealing the assisted person's name;
 - b. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that disclosure of communicable disease-related information for one communicable disease does not rule out the possibility that the Good Samaritan was exposed to other communicable diseases about which information is not available to the Designated Officer;

Department of Health Services - Communicable Diseases and Infestations

- c. Attempt to contact the Good Samaritan by telephone and provide to the Good Samaritan information concerning the agent causing the communicable disease for which the Designated Officer is disclosing communicable disease-related information, including:
 - i. A description of the disease or syndrome caused by the agent, including its symptoms;
 - ii. A description of how the agent is transmitted to others;
 - iii. The average window period for the agent;
 - iv. An explanation that exposure to an individual with a communicable disease does not mean that infection has occurred or will occur;
 - v. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
 - vi. That it is necessary to notify others that they may be or may have been exposed to the agent through interaction with the Good Samaritan; and
 - vii. The availability of assistance from the Department, local health agencies, or other resources; and
 - d. Send to the Good Samaritan in writing:
 - i. The information specified in subsection (E)(1)(a);
 - ii. The notification specified in subsection (E)(1)(b);
 - iii. The information specified in subsection (E)(1)(c); and
 - iv. A statement that the confidentiality of the disclosed communicable disease-related information is protected by A.R.S. §§ 36-664(G) and 36-666(A)(2);
2. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) indicates a significant exposure risk to the Good Samaritan, but the Designated Officer is unable to provide communicable disease-related information for the assisted person:
- a. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that either:
 - i. Communicable disease-related information, pertaining to the specific communicable disease or diseases that may be transmitted through the interaction between the Good Samaritan and the assisted person, is not available to the Designated Officer; or
 - ii. The Designated Officer is unable to identify the assisted person from the information provided in the Good Samaritan's disclosure request, as specified in subsection (C) or (D);
 - b. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that:
 - i. The Good Samaritan's interaction with the assisted person may pose a significant exposure risk to the Good Samaritan; and
 - ii. The Good Samaritan may seek medical consultation on the need for post-exposure prophylaxis; and
 - c. Send to the Good Samaritan in writing the notifications specified in subsections (E)(2)(a) and (b); and
3. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) does not

indicate a significant exposure risk to the Good Samaritan:

- a. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that the Designated Officer will not disclose any available communicable disease-related information for the assisted person; and
- b. Send to the Good Samaritan in writing:
 - i. The notification specified in subsection (E)(3)(a);

Key:

- ☎ Submit a report immediately after receiving one specimen for detection of the agent. Report the receipt of subsequent specimens within five working days after receipt.
 - ☎ Submit a report within 24 hours after obtaining a positive test result.
 - ① Submit a report within one working day after obtaining a positive test result.
 - ☒ Submit a report within five working days after obtaining a positive test result or a test result specified in Table 2.3.
 - * Submit an isolate of the organism for each positive culture, if available, or a specimen for each positive test result to the Arizona State Laboratory within one working day.
 - + Submit an isolate of the organism for each positive culture to the Arizona State Laboratory within one working day.
- When appearing after one of the symbols above, the following modify the requirement:
- ¹ When reporting a positive result for any of the specified tests, report the results of all other tests performed for the subject as part of the disease panel or as a reflex test.
 - ² Submit a report only when an initial positive result is obtained for an individual.
 - ³ Submit an isolate or specimen of the organism, as applicable, only when an initial positive result is obtained for an individual, when a change in resistance pattern is detected, or when a positive result is obtained ≥ 12 months after the initial positive result is obtained for an individual.
 - ⁴ Submit an isolate or specimen, as applicable, only by request.
 - ⁵ Submit an isolate of the organism, if available, or a specimen when a positive result is obtained for an individual < 5 years of age.

R9-6-205. Reporting Requirements for a Pharmacist or an Administrator of a Pharmacy

- A. A pharmacist who fills an individual's initial prescription for two or more of the drugs listed in subsection (B) or an administrator of a pharmacy in which an individual's initial prescription for two or more of the drugs listed in subsection (B) is filled shall, either personally or through a representative, submit a report, in a Department-provided format, that complies with subsection (C) to the Department within five working days after the prescription is filled.
- B. A combination of two or more of the following drugs when initially prescribed for an individual triggers the reporting requirement of subsection (A):
 1. Isoniazid,
 2. Streptomycin,
 3. Any rifamycin,
 4. Pyrazinamide, or
 5. Ethambutol.
- C. A pharmacist or an administrator of a pharmacy shall submit a report required under subsection (A) that includes:
 1. The following information about the individual for whom the drugs are prescribed:
 - a. Name,
 - b. Address,
 - c. Telephone number, and
 - d. Date of birth; and
 2. The following information about the prescription:

- a. The name of the drugs prescribed,
- b. The date of prescription, and
- c. The name and telephone number of the prescribing health care provider.

R9-6-206. Local Health Agency Responsibilities Regarding Communicable Disease Reports

- A. The Department shall notify each local health agency of the format to be used by:
 1. A health care provider required to report when making a report required under R9-6-202(A) and Table 2.1;
 2. An administrator of a health care institution or correctional facility when making a report required under R9-6-202(B) and Table 2.1; and
 3. An administrator of a school, child care establishment, or shelter when making a report required under R9-6-203(A) and Table 2.2.
- B. A local health agency shall inform health care providers required to report and administrators of health care institutions, correctional facilities, schools, child care establishments, and shelters of the format to use when making a report, as specified in subsection (A).

Department of Health Services - Communicable Diseases and Infestations

- C. Except as specified in Table 2.4 and Article 3, a local health agency shall provide to the Department the information contained in each report of a case, suspect case, or occurrence received by the local health agency under R9-6-202 or R9-6-203, including any report of disease in a nonresident of the jurisdiction who is or has been diagnosed or treated in the jurisdiction, within five working days after receipt and shall specify:
1. Which of the following best describes the individual identified in each report:
 - a. The individual meets the case definition for a case of the specific disease,
 - b. The individual is a suspect case,
 - c. The individual does not meet the case definition for a case or suspect case of the specific disease, or
 - d. The local health agency has not yet determined the status of the disease in the individual; and
 2. The status of the epidemiologic investigation for each report.
- D. Except as specified in Table 2.4 and Article 3, a local health agency shall submit to the Department a report, in a Department-provided format, of an epidemiologic investigation conducted by the local health agency:
1. In response to a report of a case, suspect case, or occurrence:
 - a. Submitted under R9-6-202 or R9-6-203, or
 - b. About which the local health agency was notified by the Department;
 2. Within 30 calendar days after receiving the report submitted under R9-6-202 or R9-6-203 or notification by the Department;
 3. If an epidemiologic investigation is required for the reported disease under Article 3; and
 4. Including in the report of the epidemiologic investigation:
 - a. The information described in:
 - i. R9-6-202(C) for a report submitted under R9-6-202,
 - ii. R9-6-203(B) for a report submitted under R9-6-203, or
 - iii. R9-6-202(C) for a report about which the Department notified the local health agency;
 - b. A description of all laboratory or other test results, performed in addition to the laboratory tests described in R9-6-202(C) and contributing to the diagnosis;
 - c. A description of the case's symptoms of the disease and other signs that may be observed that indicate that the individual may have the disease, if applicable;
 - d. A classification of the case according to the case definition;
 - e. A description of the condition or status of the case at the end of the epidemiologic investigation;
 - f. A description of the case's specific risk factors for acquiring the disease or other epidemiologic evidence of how the case acquired the infection that resulted in the disease;
 - g. A description of how the local health agency provided or arranged for the case to receive health education about the nature of the disease and how to prevent transmission or limit disease progression;
 - h. A description of the case's specific risk factors for transmitting the disease considered by the local health agency when conducting an assessment of contacts;
 - i. A description of the control measures used by the local health agency to reduce the spread of the disease; and
 - j. The date the report of the case, suspect case, or occurrence was submitted or the Department notified the local health agency.
- E. For each instance when the local health agency receives a report or reports indicating an outbreak or possible outbreak, the local health agency shall:
1. Within 24 hours after receiving the report or reports, provide to the Department, in a Department-provided format, the following information:
 - a. The location of the outbreak or possible outbreak;
 - b. If known, the number of cases and suspect cases;
 - c. The date that the outbreak was reported or the dates that cases suggestive of an outbreak were reported;
 - d. The setting of the outbreak or possible outbreak;
 - e. The name of the disease suspected or known to be the cause of the outbreak or possible outbreak; and
 - f. The name and telephone number of an individual at the local health agency who can serve as a point of contact regarding the outbreak or possible outbreak; and
 2. Within 30 calendar days after receiving the last report or reports associated with the outbreak, submit to the Department a report, in a Department-provided format, of the epidemiologic investigation conducted by the local health agency in response to the outbreak or possible outbreak, including:
 - a. A description of the outbreak location and setting;
 - b. The date that the local health agency was notified of the outbreak;
 - c. A description of how the local health agency verified the outbreak;
 - d. The number of individuals reported to be ill during the outbreak;
 - e. The number of individuals estimated to be at risk for illness as a result of the outbreak;
 - f. The specific case definition used;
 - g. A summary profile of the signs and symptoms;
 - h. An epidemiologic curve;
 - i. A copy of the laboratory evidence collected, including all laboratory test results, for all specimens submitted for testing to a laboratory other than the Arizona State Laboratory;
 - j. Hypotheses of how the outbreak occurred;
 - k. A description of the control measures used and the dates the control measures were implemented;
 - l. The conclusions drawn based upon the results of the epidemiologic investigation;
 - m. Recommendations for preventing future outbreaks; and
 - n. The name, address, and telephone number of the individual making the report to the Department.

R9-6-207. Federal or Tribal Entity Reporting

A. To the extent permitted by law, a federal or tribal entity shall comply with the reporting requirements in this Article as follows:

1. If the federal or tribal entity is participating in the diagnosis or treatment of an individual, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for a health care provider;
2. If the federal or tribal entity is operating a facility that provides health care services, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for an administrator of a health care institution;
3. If the federal or tribal entity is operating a correctional facility, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for an administrator of a correctional facility;
4. If the federal or tribal entity is operating a facility that provides child care services, the federal or tribal entity shall comply with the reporting requirements in R9-6-203 and Table 2.2 for an administrator of a child care establishment;
5. If the federal or tribal entity is operating a facility that offers instruction to students in a grade level from kindergarten through grade 12, a college or university, a "private vocational program" as defined in A.R.S. § 32-3001, or an institution that grants a "degree" as defined in A.R.S. § 32-3001, the federal or tribal entity shall comply with the reporting requirements in R9-6-203 and Table 2.2 for an administrator of a school;
6. If the federal or tribal entity is operating a clinical laboratory, the federal or tribal entity shall comply with the reporting requirements in R9-6-204 and Table 2.3 for a clinical laboratory director; and
7. If the federal or tribal entity is operating a facility that provides pharmacy services, the federal or tribal entity shall comply with the reporting requirements in R9-6-205 for an administrator of a pharmacy.

B. For the purposes of this Section, "federal or tribal entity" means a person operating within this state, whether on federal or tribal land or otherwise, under the authority of an agency or other administrative subdivision of the federal government or a tribal nation and who is:

1. Licensed as a doctor of allopathic, naturopathic, osteopathic, or homeopathic medicine under the laws of this or another state;
2. Licensed as a physician assistant under the laws of this or another state;
3. Licensed as a registered nurse practitioner under the laws of this or another state;
4. Licensed as a dentist under the laws of this or another state;
5. Operating a facility that provides health care services;
6. Operating a correctional facility;
7. Operating a facility that provides child care services;
8. Operating a facility that offers instruction to students in a grade level from kindergarten through grade 12, a college or university, a "private vocational program" as defined in A.R.S. § 32-3001, or an institution that grants a "degree" as defined in A.R.S. § 32-3001;

9. Operating a clinical laboratory; or
10. Operating a facility that provides pharmacy services.

ARTICLE 3. CONTROL MEASURES FOR COMMUNICABLE DISEASES AND INFESTATIONS

R9-6-301. Definitions

In this Article, unless otherwise specified:

1. "Aquatic venue" means an artificially constructed structure or modified natural structure that:
 - a. Is used:
 - i. For water contact recreation, as defined in A.A.C. R9-8-801; or
 - ii. To treat a diagnosed injury, illness, or medical condition under the supervision of a health professional, as defined in A.R.S. § 32-3201;
 - b. Is open to all individuals or to all residents of a community, members of a club or camp, individuals being treated by a specific health professional, or patrons of other such establishments; and
 - c. Includes a:
 - i. Natural bathing place as defined in A.A.C. R18-5-201,
 - ii. Public spa as defined in A.A.C. R18-5-201,
 - iii. Public swimming pool as defined in A.A.C. R18-5-201,
 - iv. Semi-artificial bathing place as defined in A.A.C. R18-5-201,
 - v. Semi-public spa as defined in A.A.C. R18-5-201,

Department of Health Services - Communicable Diseases and Infestations

- vi. Semi-public swimming pool as defined in A.A.C. R18-5-201, and
 - vii. Water-play area, an artificially constructed depression in which water issues from showers or other nozzles and drains away to leave little or no standing water.
2. "Blood bank" means a facility where human whole blood or a blood component is collected, prepared, tested, processed, or stored, or from which human whole blood or a blood component is distributed.
 3. "Blood center" means a mobile or stationary facility that procures human whole blood or a blood component that is transported to a blood bank.
 4. "Contact precautions" means, in addition to use of standard precautions:
 - a. Placing an individual in a private room or a cohort room with a distance of three or more feet separating the individual's bed from the bed of another individual; and
 - b. Ensuring the use of a gown and gloves by other individuals when entering the room in which the individual is located.
 5. "Contaminated" means to have come in contact with a disease-causing agent or toxin.
 6. "Disinfection" means killing or inactivating communicable-disease-causing agents on inanimate objects by directly applied chemical or physical means.
 7. "Disinfection" means any physical, biological, or chemical process to reduce or eliminate undesired arthropod or rodent populations.
 8. "Droplet precautions" means, in addition to use of standard precautions:
 - a. Placing an individual in a private room or a cohort room with a distance of three or more feet and a curtain separating the individual's bed from the bed of another individual;
 - b. Ensuring that the individual wears a mask covering the individual's mouth and nose, if medically appropriate, when not in the room described in subsection (8)(a); and
 - c. Ensuring the use of a mask covering the mouth and nose by other individuals when entering the room in which the individual is located.
 9. "Follow-up" means the practice of investigating and monitoring cases, carriers, contacts, or suspect cases to detect, treat, or prevent disease.
 10. "Incapacitated adult" means an individual older than 18 years of age for whom a guardian has been appointed by a court of competent jurisdiction.
 11. "Isolation precautions" means methods to limit the transmission of an infectious agent, based on the infectious agent and the location of infection in or on the infected individual or animal, that includes isolation of the infected individual or animal and may include any one or combination of the following:
 - a. Standard precautions,
 - b. Contact precautions,
 - c. Droplet precautions, or
 - d. Airborne precautions.
 12. "Midwife" has the same meaning as in A.R.S. § 36-751.
 13. "Multi-drug-resistant organism" means a bacterial agent on a Department-provided list that is known to not be killed or whose growth is not slowed by specific classes of antibiotics.
 14. "Pediculocide" means a shampoo or cream rinse manufactured and labeled for controlling head lice.
 15. "Person in charge" means the individual present at a food establishment who is responsible for the food establishment's operation at the time in question.
 16. "Plasma center" means a facility where the process of plasmapheresis or another form of apheresis is conducted.
 17. "State health officer" means the Director of the Department or the Director's designee.
 18. "Vector" means a living animal, usually a mosquito, tick, flea, or other arthropod, that may transmit an infectious agent to an individual.

Historical Note

Adopted effective October 19, 1993 (Supp. 93-4).
 Amended effective April 4, 1997 (Supp. 97-2). Former R9-6-301 repealed; new R9-6-301 renumbered from R9-6-103 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3). R9-6-302. Local Health Agency Control Measures

A local health agency shall:

1. Review each report received under Article 2 for completeness and accuracy;
2. Confirm each diagnosis;
3. Conduct epidemiologic and other investigations required by this Chapter or in cooperation with the Department;
4. Facilitate notification of known contacts;
5. Conduct surveillance;
6. Determine trends;
7. Implement control measures, quarantines, isolations, and exclusions as required by the Arizona Revised Statutes and this Chapter;
8. Disseminate surveillance information to health care providers;
9. Provide health education to a disease case or contact to reduce the risk of transmission of the respective disease; and
10. Report to the Department, as specified in R9-6-206 and this Article.

Historical Note

Renumbered from R9-6-702 and amended effective October 19, 1993 (Supp. 93-4). Former R9-6-302 renumbered to R9-6-304; new R9-6-302 renumbered from R9-6-204 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3). R9-6-303. Isolation, Quarantine, Exclusion, and Other Control Measures

- A.** When a local health agency is required by this Article to isolate or quarantine an individual or group of individuals, the local health agency:
1. Shall issue a written order:
 - a. For isolation or quarantine and other control measures;
 - b. To each individual or group of individuals and, for each individual who is a minor or incapacitated adult, the individual's parent or guardian, except as provided in subsection (A)(2);
 - c. That specifies:
 - i. The isolation or quarantine and other control measure requirements being imposed, includ-

Department of Health Services - Communicable Diseases and Infestations

- ing, if applicable, requirements for physical examinations and medical testing to ascertain and monitor each individual's health status;
- ii. The identity of each individual or group of individuals subject to the order;
- iii. The premises at which each individual or group of individuals is to be isolated or quarantined;
- iv. The date and time at which isolation or quarantine and other control measure requirements begin; and
- v. The justification for isolation or quarantine and other control measure requirements, including, if known, the disease for which the individual or individuals are believed to be cases, suspect cases, or contacts; and
- d. That may provide information about existing medical treatment, if available and necessary to render an individual less infectious, and the consequences of an individual's failure to obtain the medical treatment; and
- 2. May post the written order in a conspicuous place at the premises at which a group of individuals is to be isolated or quarantined if:
 - a. The written order applies to the group of individuals, and
 - b. It would be impractical to provide a copy to each individual in the group.
- B. A local health agency may issue a written order for additional control measures:
 - 1. Except as provided in subsection (A)(2), to each affected individual, group of individuals, or person and, for each individual who is a minor or incapacitated adult, the individual's parent or guardian;
 - 2. That specifies:
 - a. The control measure requirements being imposed, including, if applicable, requirements for:
 - i. Being excluded from working as a food handler, caring for patients or residents in a health care institution, or caring for children in or attending a school or child care establishment;
 - ii. Avoiding other locations where the individual or an individual in the group of individuals may pose a health risk to other individuals;
 - iii. Observing airborne precautions, droplet precautions, or contact precautions and the methods by which the individual shall comply with the requirement;
 - iv. Prophylaxis or immunization, as applicable, as an alternative to or to reduce the length of exclusion;
 - v. Physical examinations and medical testing to ascertain and monitor the individual's health status; or
 - vi. Not creating a situation where additional individuals may be exposed to the communicable disease;
 - b. The identity of each individual, group of individuals, or person subject to the order;
 - c. The date and time at which the control measure requirements begin; and
 - d. The justification for the control measure requirements, including:
 - i. If known, the disease for which the individual or individuals are believed to be cases, suspect cases, or contacts; and
 - ii. If applicable, the possible consequences of the individual, group of individuals, or person failing to follow the recommendations of the Department or the local health agency to control the spread of the communicable disease; and
 - 3. That may provide information about the disease, existing medical treatment, if applicable, and the consequences of an individual's failure to comply with the order.
- C. Within 10 calendar days after the issuing of a written order described in subsection (A) or (B), if a local health agency determines that isolation, quarantine, or other control measure requirements need to continue for more than 10 calendar days after the date of the order, the local health agency shall file a petition for a court order that:
 - 1. Authorizes the continuation of isolation, quarantine, or other control measure requirements pertaining to an individual, a group of individuals, or a person;
 - 2. Includes the following:
 - a. The isolation, quarantine, or other control measure requirements being imposed, including, if applicable, requirements for physical examinations and medical testing to ascertain and monitor an individual's health status;
 - b. The identity of each individual, group of individuals, or person subject to isolation, quarantine, or other control measure requirements;
 - c. If applicable, the premises at which each individual or group of individuals is isolated or quarantined;
 - d. The date and time at which isolation, quarantine, or other control measure requirements began; and
 - e. The justification for isolation, quarantine, or other control measure requirements, including, if applicable and known, the disease for which the individual or individuals are believed to be cases, suspect cases, or contacts; and
 - 3. Is accompanied by the sworn affidavit of a representative of the local health agency or the Department attesting to the facts asserted in the petition, together with any further information that may be relevant and material to the court's consideration.
- D. A local health agency that files a petition for a court order under subsection (C) shall provide notice to each individual, group of individuals, or person identified in the petition according to the Arizona Rules of Civil Procedure, except that notice shall be provided within 24 hours after the petition is filed.
- E. In the event of noncompliance with a written order issued under subsection (A) or (B), a local health agency may contact law enforcement to request assistance in enforcing the order.
- F. If the Department determines that isolation, quarantine, or other control measure requirements are necessary, the Department, under A.R.S. § 36-136(G), may take any of the actions specified in subsections (A) through (E).

R9-6-335. *Escherichia coli*, Shiga Toxin-producing

A. Case control measures: A local health agency shall:

1. Upon receiving a report under R9-6-202 or R9-6-203 of a Shiga toxin-producing *Escherichia coli* case or suspect case, notify the Department within one working day after receiving the report and provide to the Department the information contained in the report;
2. Exclude a Shiga toxin-producing *Escherichia coli* case or suspect case with diarrhea from:
 - a. Working as a food handler, caring for patients or residents in a health care institution, or caring for children in or attending a child care establishment until:
 - i. Two successive stool specimens, collected from the Shiga toxin-producing *Escherichia coli* case or suspect case at least 24 hours apart, are negative for Shiga toxin-producing *Escherichia coli*;
 - ii. Diarrhea has resolved; or
 - iii. The local health agency has determined that the case or suspect case is unlikely to infect other individuals; and
 - b. Using an aquatic venue for two weeks after diarrhea has resolved;

3. Conduct an epidemiologic investigation of each reported Shiga toxin-producing *Escherichia coli* case or suspect case; and
4. For each Shiga toxin-producing *Escherichia coli* case, submit to the Department, as specified in Table 2.4, the information required under R9-6-206(D).

B. Environmental control measures: A local health agency shall:

1. If an animal located in a private residence is suspected to be the source of infection for a Shiga toxin-producing *Escherichia coli* case or outbreak, provide health education for the animal's owner about Shiga toxin-producing *Escherichia coli* and the risks of becoming infected with Shiga toxin-producing *Escherichia coli*; and
2. If an animal located in a setting other than a private residence is suspected to be the source of infection for a Shiga toxin-producing *Escherichia coli* case or outbreak:
 - a. Provide health education for the animal's owner about Shiga toxin-producing *Escherichia coli* and the risks of becoming infected with Shiga toxin-producing *Escherichia coli*; and
 - b. Require the animal's owner to provide information to individuals with whom the animal may come into contact about Shiga toxin-producing *Escherichia coli* and methods to reduce the risk of transmission.

final rulemaking at 23 A.A.R. 2605, effective January 1, 2018 (Supp. 17-3).

R9-6-344. Hepatitis B and Hepatitis D

A. Case control measures:

1. A local health agency shall:
 - a. Evaluate a health care provider identified as the source of hepatitis B virus transmission in the work place and, if indicated, ensure reassignment of the health care provider to a position where the occupational risk of transmission is eliminated;
 - b. Conduct an epidemiologic investigation of each reported case or suspect case of hepatitis B or hepatitis B co-infected with hepatitis D; and
 - c. For each acute case of hepatitis B or hepatitis B co-infected with hepatitis D or case of perinatal hepatitis B, submit to the Department, as specified in Table 2.4, the information required under R9-6-206(D).
2. The operator of a blood bank, blood center, or plasma center shall notify a donor of a test result with significant evidence suggestive of hepatitis B, as required under A.R.S. § 32-1483 and 21 CFR 630.6.

B. Contact control measures: A local health agency shall:

1. Refer each non-immune hepatitis B contact to a health care provider for prophylaxis and initiation of the hepatitis B vaccine series, and
2. Provide health education related to the progression of hepatitis B disease and the prevention of transmission of hepatitis B infection to each non-immune hepatitis B contact.

R9-6-355. Measles (Rubeola)

A. Case control measures:

1. An administrator of a school or child care establishment, either personally or through a representative, shall:
 - a. Exclude a measles case from the school or child care establishment and from school- or child-care-establishment-sponsored events from the onset of illness through the fourth calendar day after the rash appears; and
 - b. Exclude a measles suspect case from the school or child care establishment and from school- or child-care-establishment-sponsored events until the local health agency has determined that the suspect case is unlikely to infect other individuals.
2. A diagnosing health care provider or an administrator of a health care institution, either personally or through a representative, shall isolate and institute airborne precautions for a measles case from onset of illness through the fourth calendar day after the rash appears.
3. An administrator of a health care institution, either personally or through a representative, shall exclude a measles:
 - a. Case from working at the health care institution from the onset of illness through the fourth calendar day after the rash appears; and
 - b. Suspect case from working at the health care institution until the local health agency has determined that the suspect case may return to work.
4. A local health agency shall:
 - a. Upon receiving a report under R9-6-202 or R9-6-203 of a measles case or suspect case, notify the Department within 24 hours after receiving the report and provide to the Department the information contained in the report;
 - b. Conduct an epidemiologic investigation of each reported measles case or suspect case;
 - c. For each measles case, submit to the Department, as specified in Table 2.4, the information required under R9-6-206(D); and
 - d. Ensure that one or more specimens from each measles case or suspect case, as required by the Department, are submitted to the Arizona State Laboratory.
5. An administrator of a correctional facility or shelter, either personally or through a representative, shall com-

ply with the measles control measures recommended by a local health agency or the Department.

B. Contact control measures:

1. When a measles case has been at a school or child care establishment, the administrator of the school or child care establishment, either personally or through a representative, shall:
 - a. Consult with the local health agency to determine who shall be excluded and how long each individual shall be excluded from the school or child care establishment, and
 - b. Comply with the local health agency's recommendations for exclusion.
2. A local health agency shall:
 - a. Determine which measles contacts will be quarantined or excluded, according to R9-6-303, to prevent transmission; and
 - b. Provide or arrange for immunization of each non-immune measles contact within 72 hours after last exposure, if possible.
3. An administrator of a health care institution shall ensure that a paid or volunteer full-time or part-time worker at a health care institution does not participate in the direct care of a measles case or suspect case unless the worker is able to provide evidence of immunity to measles through one of the following:
 - a. A record of immunization against measles with two doses of live virus vaccine given on or after the first birthday and at least one month apart;
 - b. A statement signed by a physician, physician assistant, registered nurse practitioner, state health officer, or local health officer affirming serologic evidence of immunity to measles; or
 - c. Documentary evidence of birth before January 1, 1957.

R9-6-359. Mumps

A. Case control measures:

1. An administrator of a school or child care establishment, either personally or through a representative, shall:
 - a. Exclude a mumps case from the school or child care establishment for five calendar days after the onset of glandular swelling; and
 - b. Exclude a mumps suspect case from the school or child care establishment and from school- or child-care-establishment-sponsored events until evaluated and determined to be noninfectious by a physician, physician assistant, registered nurse practitioner, or local health agency.
2. A diagnosing health care provider or an administrator of a health care institution, either personally or through a representative, shall isolate and institute droplet precautions

with a mumps case for five calendar days after the onset of glandular swelling.

3. An administrator of a health care institution, either personally or through a representative, shall exclude a mumps:
 - a. Case from working at the health care institution for five calendar days after the onset of glandular swelling; and
 - b. Suspect case from working at the health care institution until evaluated and determined to be noninfectious by a physician, physician assistant, registered nurse practitioner, or local health agency.
4. A local health agency shall:
 - a. Upon receiving a report under R9-6-202 or R9-6-203 of a mumps case or suspect case, notify the Department within one working day after receiving the report and provide to the Department the information contained in the report;
 - b. Conduct an epidemiologic investigation of each reported mumps case or suspect case;
 - c. For each mumps case, submit to the Department, as specified in Table 2.4, the information required under R9-6-206(D); and
 - d. Ensure that one or more specimens from each mumps case or suspect case, as required by the Department, are submitted to the Arizona State Laboratory.
5. An administrator of a correctional facility or shelter, either personally or through a representative, shall comply with the mumps control measures recommended by a local health agency or the Department.

B. Contact control measures:

1. When a mumps case has been at a school or child care establishment, the administrator of the school or child care establishment, either personally or through a representative, shall:
 - a. Consult with the local health agency to determine who shall be excluded and how long each individual shall be excluded from the school or child care establishment, and
 - b. Comply with the local health agency's recommendations for exclusion.
2. An administrator of a health care institution shall ensure that a paid or volunteer full-time or part-time worker at a health care institution does not participate in the direct care of a mumps case or suspect case unless the worker is able to provide evidence of immunity to mumps through one of the following:
 - a. A record of immunization against mumps with two doses of live virus vaccine given on or after the first birthday and at least one month apart; or
 - b. A statement signed by a physician, physician assistant, registered nurse practitioner, state health officer, or local health officer affirming serologic evidence of immunity to mumps.
3. A local health agency shall determine which mumps contacts will be:
 - a. Quarantined or excluded, according to R9-6-303, to prevent transmission; and
 - b. Advised to obtain an immunization against mumps.

R9-6-405. Enrollment Process; Provisional Enrollment

- A. The Department shall:
1. Review the documents submitted by an applicant as required in R9-6-404(A);
 2. Determine whether the applicant is eligible under R9-6-403;
 3. Grant or deny enrollment based on applicant eligibility, the date of application, and the availability of funds; and
 4. Notify the applicant or the applicant's representative of the Department's decision within five business days after receiving the documents specified in R9-6-404(A).
- B. An applicant or the applicant's representative shall execute any consent forms or releases of information necessary for the Department to verify eligibility.
- C. The Department shall send an applicant or the applicant's representative a written notice of denial, setting forth the information required under A.R.S. § 41-1092.03, if:
1. The applicant or the applicant's representative fails to provide documentation establishing eligibility for enrollment in ADAP,

2. The documentation submitted to the Department under R9-6-404 is found to contain false information, or
 3. The Department does not have funds available to enroll the applicant in ADAP.
- D. The Department shall grant a 30-day provisional enrollment in ADAP to an applicant if:
1. The Department determines that the applicant meets the requirements of R9-6-403(1) through (4); and
 2. The applicant or the applicant's representative attests in writing that the applicant has applied for AHCCCS enrollment and, if eligible for Medicare, a low-income subsidy and a Medicare drug plan, but is unable to provide documentation that complies with R9-6-403(5) or (6) or both.
- E. The Department shall provide an applicant to whom the Department has granted provisional enrollment in ADAP with the drugs on the list specified in R9-6-404(B)(5) during the provisional enrollment period.
- F. Except as specified in subsection (H), to continue ADAP enrollment beyond a 30-day provisional enrollment period, an applicant or the applicant's representative shall provide to the Department, before the end of the 30-day provisional enrollment period, documentation that complies with R9-6-403(5) and, if applicable, R9-6-403(6).
- G. Except as specified in subsection (H), if an applicant with provisional enrollment or the applicant's representative fails to provide documentation as required in subsection (F) to the Department before end of a 30-day provisional enrollment period, the Department shall send the applicant or the applicant's representative a written notice of denial, setting forth the information required under A.R.S. § 41-1092.03.
- H. The Department may grant an extension of provisional enrollment to an applicant beyond a 30-day provisional enrollment period if the applicant or the applicant's representative provides documentation to the Department that the applicant has applied for AHCCCS enrollment and, if eligible for Medicare, a low-income subsidy and Medicare drug plan and:
1. AHCCCS has not yet determined whether the applicant is eligible for AHCCCS enrollment; or
 2. If the applicant is eligible for Medicare:
 - a. The Social Security Administration has not yet determined whether the applicant is eligible for a low-income subsidy, or
 - b. The applicant cannot enroll in a Medicare drug plan until the next general enrollment period.

- B.** When an enrolled individual's residential or mailing address changes, the enrolled individual or the enrolled individual's representative shall:

Department of Health Services - Communicable Diseases and Infestations

1. Complete a Department-provided form containing for the enrolled individual the information specified in R9-6-404(A)(1)(a) through R9-6-404(A)(1)(h) and R9-6-404(A)(1)(j), (k), (m), (n), and (o);
 2. Attest on the form specified in subsection (B)(1) that:
 - a. To the best of the knowledge and belief of the enrolled individual or the enrolled individual's representative, the information submitted in the form and the documents submitted with the form are accurate and complete;
 - b. The enrolled individual meets the eligibility criteria specified in R9-6-403; and
 - c. The enrolled individual or the enrolled individual's representative understands that eligibility does not guarantee that the Department will be able to provide drugs and that an individual's enrollment in ADAP may be terminated as specified in R9-6-408;
 3. Grant permission on the form specified in subsection (B)(1) for the Department to discuss the enrolled individual's enrollment with:
 - a. AHCCCS, for the purpose of determining AHCCCS eligibility;
 - b. Medicare and the Social Security Administration, for the purpose of determining eligibility for a low-income subsidy and enrollment in a Medicare drug plan;
 - c. The applicant's primary care provider or designee;
 - d. The vendor pharmacy, to assist with drug distribution; and
 - e. Any other entity as necessary to establish eligibility for enrollment in ADAP or assist with drug distribution;
 4. Sign and date the form specified in subsection (B)(1); and
 5. Submit to the Department within 30 calendar days of the change:
 - a. The form specified in subsection (B)(1); and
 - b. Proof of Arizona residency, as specified in R9-6-404(A)(9), showing the new Arizona residential address included on the form specified in subsection (B)(1).
- C.** When an enrolled individual's primary care provider changes, the enrolled individual or the enrolled individual's representative shall:
1. Comply with subsections (B)(1) through (4);
 2. Obtain from the new primary care provider the Department-provided form specified in subsection (D), completed by the new primary care provider; and
 3. Submit the form specified in subsection (B)(1) and the form specified in subsection (C)(2) to the Department within 30 calendar days after the change.
- D.** The primary care provider of an enrolled individual shall complete for the enrolled individual a Department-provided form containing:
1. The information required under R9-6-404(B)(1), (2), and (5) through (8); and
 2. The dates of and results for the most recent CD4-T-lymphocyte count and, if available, viral load test conducted for the enrolled individual.
- E.** When an enrolled individual's annual family income decreases to an amount that may make the individual eligible for enrollment in AHCCCS, the enrolled individual or the enrolled individual's representative shall:
1. Apply for enrollment in AHCCCS within 30 calendar days after the change in annual family income; and
 2. If the enrolled individual is determined to be ineligible for AHCCCS enrollment, submit to the Department within 30 calendar days after the change, documentation that complies with R9-6-403(5).
- F.** When an enrolled individual becomes eligible for Medicare, the enrolled individual or the enrolled individual's representative shall, within 30 calendar days after the enrolled individual becomes eligible for Medicare:
1. Apply for a low-income subsidy and for a Medicare drug plan, and
 2. If the enrolled individual is determined to be ineligible for a low-income subsidy, submit to the Department documentation that complies with R9-6-403(6).
- G.** Before the expiration of each six-month period after an individual's initial enrollment, the enrolled individual or the enrolled individual's representative shall submit to the Department:
1. Proof of annual family income, as specified in R9-6-404(A)(7) or (8); and
 2. Proof that the enrolled individual is a resident of Arizona, as specified in R9-6-404(A)(9).
- H.** Before the expiration of each 24-month period after an individual's initial enrollment, the enrolled individual or the enrolled individual's representative shall:
1. Comply with subsections (B)(1) through (4);
 2. Obtain from the enrolled individual's primary care provider the Department-provided form completed as specified in subsection (D); and
 3. Submit to the Department:
 - a. The form specified in subsection (H)(1),
 - b. The form specified in subsection (H)(2),
 - c. Proof of annual family income, as specified in R9-6-404(A)(7) or (8), and
 - d. Proof that the enrolled individual is a resident of Arizona, as specified in R9-6-404(A)(9).
- I.** The Department shall:
1. Review information about an enrolled individual and determine eligibility for continuing enrollment for the enrolled individual:
 - a. Every six months after the individual's initial enrollment;
 - b. When the Department receives information from the enrolled individual or the enrolled individual's representative under subsection (A); or
 - c. When the Department no longer has sufficient funds to provide continuing enrollment to all enrolled individuals;
 2. Grant continuing enrollment to an enrolled individual, subject to the availability of funds, when:
 - a. The enrolled individual or the enrolled individual's representative complies with subsection (A); and
 - b. The Department determines that:
 - i. The information in the documents submitted to the Department is accurate and complete, and
 - ii. The enrolled individual is eligible under R9-6-403; and
 3. Notify the enrolled individual or the enrolled individual's representative of the Department's decision within five business days after receipt of the documents required in subsection (A).
- J.** If the Department denies continuing enrollment to an enrolled individual, the Department shall send to the enrolled individual or the enrolled individual's representative a written notice of denial setting forth the information required under A.R.S. § 41-1092.03.

R9-6-409. Drug Prescription and Distribution Requirements

- A.** A primary care provider shall:
 1. Issue a prescription order:
 - a. For each drug from the ADAP formulary prescribed for an applicant or enrolled individual by the primary care provider;
 - b. For dispensing up to a 30-day supply of the drug; and
 - c. To authorize no more than a six-month supply of the drug, including the original prescription order and all refills;
 2. Submit:
 - a. A written prescription order or copy of a written prescription order to the Department as specified in R9-6-404(A)(3); and
 - b. A written or oral prescription order to the vendor pharmacy when:
 - i. Prescribing a drug for a newly enrolled individual,
 - ii. Prescribing a new drug for an enrolled individual, or
 - iii. Authorizing an additional six-month supply of a drug for an enrolled individual; and
 3. Notify the vendor pharmacy when discontinuing a drug for an enrolled individual.
- B.** The Department shall forward a written prescription order submitted to the Department as specified in subsection (A)(2)(a) to the vendor pharmacy within three business days of approving an individual for initial enrollment.
- C.** The vendor pharmacy shall:
 1. Maintain a supply of the drugs on the ADAP formulary available for dispensing;
 2. Receive prescription orders issued by an enrolled individual's primary care provider;
 3. Before dispensing drugs, verify:
 - a. With an enrolled individual or the enrolled individual's representative the address to which the enrolled individual or the enrolled individual's representative wants the drugs delivered, and
 - b. An individual's enrollment status;
 4. Dispense up to a 30-day supply of a drug to an enrolled individual:
 - a. Upon receipt of a:
 - i. Prescription order as specified in subsection (C)(2), or
 - ii. Request from the enrolled individual or the enrolled individual's representative for a refill of the drug;
 - b. To the address identified, as specified in subsection (C)(3)(a); and
 - c. So the drug is dispensed to the enrolled individual no later than three business days after the vendor pharmacy:
 - i. Receives a prescription order or request for refill, as specified in subsection (C)(4)(a);
 - ii. Has verified the address to which the drug is to be delivered, as specified in subsection (C)(3)(a); and

Department of Health Services - Communicable Diseases and Infestations

- iii. Has verified the individual's enrollment status, as specified in subsection (C)(3)(b); and
 - 5. Notify the Department upon receiving a request for dispensing a drug for an individual who is neither enrolled nor provisionally enrolled in ADAP.
- D.** The Department may authorize replacement of a drug when:
 - 1. The drug has been dispensed by the vendor pharmacy to an enrolled individual; and
 - 2. The enrolled individual or the enrolled individual's representative claims the dispensed drug was lost, stolen, or damaged.
- E.** The primary care provider of an enrolled individual may request approval of a restricted drug for the enrolled individual by:
 - 1. Completing a Department-provided form for each requested restricted drug that contains the following information:
 - a. The name, business address, and telephone number of the primary care provider;
 - b. The date of the request;
 - c. The enrolled individual's name and date of birth;
 - d. The indications for the use of the restricted drug;
 - e. The most recent results of laboratory analyses to support the request and the dates of the laboratory analyses;
 - f. A justification for use of the restricted drug by the enrolled individual;
 - g. An attestation by the primary care provider that:
 - i. To the best of the primary care provider's knowledge and belief, the information presented in the request is accurate and complete; and
 - ii. The primary care provider understands that the primary care provider is required to provide instructions to the enrolled individual regarding the use of the restricted drug and monitor the enrolled individual's use of the restricted drug;
 - h. The dated signature of the primary care provider;
 - i. An attestation by the enrolled individual or the enrolled individual's representative that the enrolled individual or the enrolled individual's representative understands that the enrolled individual is required to:
 - i. Follow the instructions of the enrolled individual's primary care provider regarding the use of the restricted drug; and
 - ii. Have periodic laboratory analyses performed to support continuing use of the restricted drug; and
 - j. The dated signature of the enrolled individual or the enrolled individual's representative;
 - 2. Issuing a written or oral prescription order for the restricted drug to the vendor pharmacy; and
 - 3. Submitting to the Department:
 - a. The completed drug-specific form specified in subsection (E)(1), and
 - b. Copies of the results of the most recent laboratory analyses to support the request for the restricted drug.
- F.** If the restricted drug requested under subsection (E) is approved by the Department for an enrolled individual, the enrolled individual's primary care provider shall:
 - 1. Provide instructions to the enrolled individual regarding the use of the restricted drug; and
 - 2. Monitor the enrolled individual's use of and clinical response to the restricted drug.
- G.** When the Department receives a drug-specific form requesting a restricted drug for an enrolled individual, the Department shall:
 - 1. Review the documents submitted according to subsection (E)(3);
 - 2. Determine whether the information submitted to the Department:
 - a. Is complete; and
 - b. Substantiates that the enrolled individual's use of the restricted drug is indicated; and
 - 3. Notify the following of the Department's decision within five business days after receiving the request:
 - a. The enrolled individual or the enrolled individual's representative;
 - b. The enrolled individual's primary care provider; and
 - c. The vendor pharmacy.
- H.** If the Department denies a request for approval of a restricted drug for an enrolled individual, the Department shall send to the enrolled individual or the enrolled individual's representative a written notice of denial setting forth the information required under A.R.S. § 41-1092.03.
- I.** The Department shall only authorize the distribution of drugs that are included on the ADAP formulary.

R9-6-502. Management of Exposed Animals

- A.** An animal control agency shall manage an exposed dog, cat, or ferret as follows:
1. If the exposed dog, cat, or ferret is currently vaccinated, the animal control agency shall:
 - a. Revaccinate the animal with an approved rabies vaccine within seven days after the date that the animal is exposed; and
 - b. Confine and observe the animal in the owner's home or, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined by the animal control agency, for 45 days after the animal is exposed; or
 2. If the exposed dog, cat, or ferret is not currently vaccinated, the animal control agency shall:
 - a. Euthanize the animal; or
 - b. At the owner's request, confine the animal for 180 days, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined by the animal control agency, and vaccinate the animal with an approved rabies vaccine 28 days before it is released from confinement.
- B.** An animal control agency that is aware of an exposed animal, other than a cat, dog, ferret, or livestock, shall:
1. Make every effort to capture the exposed animal as soon as it is identified, and
 2. Euthanize the animal as soon as it is captured.
- C.** An animal control agency shall release from confinement a dog, cat, or ferret exposed to a suspect case when the animal control agency receives a negative rabies report on the suspect case from the Department.
- D.** Livestock shall be handled according to A.A.C. R3-2-408.

 - a. By September 1, 2008 for a child entering sixth grade;
 - b. By September 1, 2009 for a child entering sixth and seventh grade;
 - c. By September 1, 2010 for a child entering sixth through eighth grade;
 - d. By September 1, 2011 for a child entering sixth through ninth grade;
 - e. By September 1, 2012 for a child entering sixth through 10th grade;
 - f. By September 1, 2013 for a child entering sixth through 11th grade; and
 - g. By September 1, 2014 for a child entering sixth through 12th grade; and
 - 2. Be excluded from school entry by a school administrator until the child meets the requirements in this Section.
- E.** If the Department receives written notification from the CDC that there is a shortage of a vaccine for a disease listed in subsection (A)(1), or that the CDC is limiting the amount of a vaccine for a disease listed in subsection (A)(1), the Department shall:
 - 1. Provide written notification to each school and child care in this state of the shortage or limitation of the vaccine;
 - 2. Suspend compliance with subsections (A), (B), (C), and (D); and
 - 3. Upon receiving written notification from the CDC that the vaccine is available, notify each school and child care in this state:
 - a. That the vaccine is available, and
 - b. Of the time by which an individual is required to comply with subsections (A), (B), (C), and (D).
- F.** The Department shall notify each school and child care in this state that the Department no longer requires compliance with subsections (A), (B), (C), and (D) for a disease listed in subsection (A)(1) if:
 - 1. The disease is declared eradicated by:
 - a. The World Health Organization, and
 - b. The Advisory Committee on Immunization Practices; and
 - 2. The Department no longer recommends immunization against the disease.

R9-6-703. Responsibilities of Individuals and Local Health Agencies for Administering Vaccines

- A.** Upon request of a responsible person, a local health agency shall provide for the immunization of a child against any disease listed in R9-6-702(A)(1).
- B.** An individual administering a vaccine shall ensure that the dosage and route of administration of each vaccine are provided according to the manufacturer's recommendations.
- C.** Before administering a vaccine to a child, the individual administering the vaccine shall:
 - 1. Provide the responsible person with the following written information:
 - a. A description of the disease,
 - b. A description of the vaccine,
 - c. A statement of the risks of the disease and the risks and benefits of immunization, and
 - d. Contraindications for administering the vaccine; and
 - 2. Obtain a statement signed by the responsible person confirming that the responsible person:
 - a. Was provided the written information described in subsection (C)(1),

Department of Health Services - Communicable Diseases and Infestations

- b. Was provided an opportunity to read the written information,
 - c. Was provided an opportunity to ask questions, and
 - d. Requests that the designated vaccine be administered to the child.
- D.** Following the administration of a vaccine, the individual administering the vaccine shall provide written information to the responsible person or, if a child is immunized at school, to the child to give to the responsible person, that includes:
- 1. The vaccine administered,
 - 2. The reactions to the vaccine that might be expected, and
 - 3. The course of action if a severe reaction occurs.
- E.** An individual administering a vaccine shall provide a written record as set forth in R9-6-704 to the immunized child or to the responsible person.

R9-6-704. Standards for Documentary Proof of Immunity

- A.** An individual may establish proof of a child's immunity to a disease listed in R9-6-702(A)(1) by one of the following:
- 1. An immunization record that contains:
 - a. The child's name;
 - b. The child's date of birth;
 - c. The type of vaccine administered;
 - d. The month and year of each immunization, other than MMR, for a child who received an immunization before January 1, 2003;
 - e. The month, day, and year of MMR immunization for a child who received an immunization before January 1, 2003;
 - f. The month, day, and year of each immunization for a child who received an immunization on or after January 1, 2003; and
 - g. The name of the individual administering the vaccine or the name of the entity that the individual administering the vaccine represents;
 - 2. Laboratory evidence of immunity;
 - 3. An Arizona school immunization record that includes:
 - a. The child's name;
 - b. The child's date of birth;
 - c. The grade of the child on the date of enrollment;
 - d. Whether the child is male or female;
 - e. The type of vaccine administered;
 - f. The month and year of each immunization, other than MMR, for a child who received an immunization before January 1, 2003;
 - g. The month, day, and year of MMR immunization for a child who received an immunization before January 1, 2003; and
 - h. The month, day, and year of each immunization for a child who received an immunization on or after January 1, 2003;
 - 4. A school immunization record from another state;
 - 5. An electronic version of the child's immunization record containing the information in subsection (A)(1)(a) through (f) generated by an immunization registry, and signed and dated by any of the following:

- a. A local health officer,
 - b. A school administrator,
 - c. A child care administrator,
 - d. A WIC administrator,
 - e. An immunization registry administrator or immunization registry administrator's designee; or
 - f. A physician, physician's designee, practical nurse, or registered nurse;
6. An electronic version of the child's immunization record generated by a school, signed and dated by the school administrator or the school administrator's designee, and containing the information in subsection (A)(1)(a) through (f); or
7. A statement of immunity as described in subsection (B).
- B.** A physician, the physician's designee, practical nurse, or registered nurse may sign a statement of immunity stating that a child is immune to a disease, but shall not sign a statement of immunity to measles or rubella without obtaining serologic evidence of immunity.

Historical Note

Adopted effective January 28, 1987 (Supp. 87-1). Former Section R9-6-704 renumbered to Section R9-6-304, new Section R9-6-704 renumbered from R9-6-504 and amended effective October 19, 1993 (Supp. 93-4). R9-6-705. Responsibilities of Schools and Child Care

- A.** Except as provided in R9-6-706, a school administrator or a child care administrator shall ensure that an immunization record for each child attending a school or child care is maintained at the school or child care and contains the applicable documentary proof of immunity listed in R9-6-704.
- B.** If a child does not meet the requirements for immunization according to Table 1 or Table 2 or requirements for exemption from immunization according to R9-6-706, a school administrator shall:
- 1. Not allow the child to enter the school, or
 - 2. If the child is already attending the school, remove the child from school as authorized by A.R.S. § 15-872.
- C.** If a child does not meet the requirements for immunization according to Table 1 or Table 2 or requirements for exemption from immunization according to R9-6-706, a child care administrator shall notify the responsible person in writing at the time of entry that:
- 1. The child may attend the child care for not more than 15 days from the date of the notification; and
 - 2. If the child is not immunized by the 15th day following notification, the child is not permitted to attend the child care.
- D.** A school administrator or child care administrator shall determine that a child is in compliance with an immunization requirement in this Article for a specific disease if:
- 1. The child's immunization record contains proof of immunity required in R9-6-704, and the child has received the required immunizations according to Table 1 or Table 2; or
 - 2. A responsible person has submitted to the school or child care documentation of an exemption from immunization according to R9-6-706.
- E.** At the time of enrollment, if a child's immunization record is not available, does not contain proof of immunity required in

Department of Health Services - Communicable Diseases and Infestations

R9-6-704, or does not contain proof of an exemption according to R9-6-706, a school administrator or school administrator's designee, or a child care administrator shall notify the responsible person:

1. That the child is not in compliance with immunization requirements;
 2. In writing, that:
 - a. For the child enrolling in a school, all immunizations are required to be completed according to Table 1 or Table 2 and proof provided to the school before entry; or
 - b. For the child enrolling in a child care, all immunizations required in Table 1 or Table 2 are required to be completed and proof provided to the child care within 15 days of the notification; and
 3. In writing, that the responsible person is required to send the child to a physician or local health agency to obtain written proof of immunization before entry.
- F.** If a school administrator or a child care administrator questions the accuracy of a child's immunization record and is unable to verify the accuracy of the immunization record, the school administrator or the child care administrator shall notify, in writing, the responsible person:
1. That the responsible person is required to send the child to a physician or local health agency to review the child's immunization history and provide immunizations as needed;
 2. For a child attending a school, that the child is not allowed to return to school until the child's immunization record meets the standards of documentary proof in R9-6-704 and is presented to the school; and
 3. For a child attending a child care, that beginning 15 days following the notification, the child is not allowed to attend the child care, unless the child's immunization record meets the standards of documentary proof in R9-6-704 and is presented to the child care.
- G.** A school administrator or child care administrator shall maintain a list that contains the name of each child who:
1. Is exempt from providing proof of immunity according to R9-6-706, or
 2. Has not provided proof of immunity in compliance with R9-6-704.
- H.** A school administrator or child care administrator shall not allow a child who lacks proof of immunity against a disease listed in R9-6-702(A) to attend the school or child care during an outbreak of the disease for which the child lacks proof of immunity. The Department or local health agency shall determine the start and termination of an outbreak.

Historical Note

Adopted effective January 28, 1987 (Supp. 87-1). Former Section R9-6-705 renumbered to Section R9-6-305, new Section R9-6-705 renumbered from R9-6-505 and amended effective October 19, 1993 (Supp. 93-4). R9-6-706. Exemptions from Immunizations

- A.** A child who has reached a fifth birthday is exempt from the Hib immunization requirement.
- B.** A child who is 7 through 10 years of age is exempt from the pertussis immunization requirement.
- C.** A child:
 1. Until September 1, 2011, is exempt from the VAR immunization requirement if the child's responsible person

states, verbally or in writing, that the child has had varicella; and

2. After September 1, 2011, is not exempt from the VAR immunization requirement unless the child provides laboratory evidence of immunity to varicella.
- D.** A child who submits laboratory evidence of immunity to a disease to a school or child care is not required to be immunized against that disease as a condition for school or child care entry.
- E.** For a child attending a school, a parent or guardian shall submit to the school a written statement of exemption from immunization for personal beliefs as required in A.R.S. § 15-873(A)(1) or written certification of medical exemption as required in A.R.S. § 15-873(A)(2) on a form provided by the Department that contains:
1. The child's name;
 2. The child's date of birth;
 3. The type of exemption requested;
 4. The immunizations from which the parent or guardian is requesting an exemption;
 5. Whether the medical exemption is permanent or temporary, if applicable;
 6. The date the medical exemption terminates, if applicable;
 7. The parent or guardian's signature and the date signed; and
 8. The physician's or registered nurse practitioner's signature and the date signed, if applicable.
- F.** For a child attending a child care, a responsible person shall submit to the child care a written statement of exemption from immunization on a form provided by the Department that includes:
1. The child's name,
 2. The child's date of birth,
 3. The type of exemption,
 4. The immunizations from which the responsible person is requesting an exemption,
 5. If a medical exemption, whether the medical exemption is permanent or temporary,
 6. If temporary, the date the medical exemption terminates, if applicable,
 7. The responsible person's signature and the date signed, and
 8. The physician's or registered nurse practitioner's signature and the date signed, if applicable.
- G.** A child care administrator or school administrator shall:
1. Record an exemption on a child's immunization record,
 2. Allow a child with a temporary medical exemption to attend a child care or school until the date the temporary exemption terminates, and
 3. Notify a child's responsible person in writing of the date the child is required to complete all immunizations before the temporary medical exemption terminates.

R9-6-707. Reporting Requirements

- A.** By November 15 of each year, a school administrator shall submit a report to the Department or local health agency on a form provided by the Department that contains:
 1. The name and address of the school;
 2. An identification of whether it is a public school, private school, or charter school;
 3. The name, telephone number, and fax number of a contact person;
 4. The name and district number of the school district, if applicable;
 5. The county the school is located in;
 6. Each grade taught at the school;
 7. The number of children enrolled at the school in designated grades as of the date of the report;
 8. The number of children with documentary proof of immunization status, including the number of children who are in each of the following categories:
 - a. Have received each immunization required for their age,
 - b. Have a medical exemption,
 - c. Are exempt for personal beliefs according to A.R.S. § 15-873, and
 - d. Have submitted laboratory evidence of immunity as defined in A.R.S. § 36-671, and
 9. The number of doses received per child of each vaccine required in Table 1.
- B.** If requested by the Department or local health agency, a school administrator or child care administrator shall provide the following outbreak, case, or suspect case information:
 1. Immunization information in R9-6-704;
 2. Attendance information specifying each date each child was present at the school or child care during the communicable period; and
 3. Any other information relating to the outbreak, case, or suspect case that is requested by the Department or local health agency.
- C.** A school administrator that has an individual authorized by law to administer vaccines and receives vaccines provided by the Department shall:
 1. Prepare a report on a form provided by the Department each calendar month that contains:
 - a. A VFC PIN number;
 - b. The provider name or business name, address, telephone number, and fax number;
 - c. The beginning date and end date of the report;
 - d. The number of children immunized during the preceding calendar month;
 - e. The age and date of birth of each child immunized during the preceding calendar month;
 - f. Whether each child immunized during the preceding calendar month is:
 - i. Covered by KidsCare;
 - ii. Covered by AHCCCS;
 - iii. Uninsured;
 - iv. A Native American or an Alaskan native;
 - v. Underinsured; and
 - vi. Non-VFC eligible, if applicable;
 - g. The number of doses of each vaccine administered during the preceding calendar month; and
 - h. The manufacturer, manufacturer's lot number, and expiration date of each vaccine listed in Table 1 that was administered during the preceding calendar month; and
 2. Send the report required in subsection (C)(1) by the fifth day of the following month to:
 - a. The local health agency, if the vaccine was provided by the local health agency; or
 - b. The Department, if the vaccine was provided by the Department.
- D.** By November 15 of each year, a child care administrator shall submit to the Department or local health agency a report on a form provided by the Department that contains:
 1. The name, mailing address, and telephone number of the child care;
 2. The date of the report;
 3. The name of a contact person;
 4. The Department license or certificate number of the child care, if applicable;
 5. The name of the child care administrator;
 6. Whether the children are in child care;
 7. Whether the children in child care are in a Head Start program;
 8. The number of children attending the child care who were less than 5 years of age as of October 1; and
 9. The number of children less than five years of age as of October 1 for whom the child care has immunization records on file specifying the number of children who are in each of the following categories:
 - a. Have received each immunization required for their age;
 - b. Have medical exemptions;
 - c. Are exempt for religious beliefs according to the rules in 9 A.A.C. 5 regulating child care facilities or child care group homes; and
 - d. Have submitted laboratory evidence of immunity.
- E.** In addition to the report required in subsection (D), by November 15 of each year, a child care administrator shall submit to the Department or local health agency a report on a form provided by the Department that contains:
 1. The information in subsection (D)(1) through (D)(4),
 2. The information in subsection (D)(6), and
 3. For each child less than 5 years of age as of October 1:

Department of Health Services - Communicable Diseases and Infestations

- a. The birth date of the child;
 - b. How many doses of each vaccine listed in Table 1 the child has received;
 - c. For each vaccine listed in Table 1 except MMR, the month, day, and year of the most recent immunization;
 - d. For MMR, the month, day, and year of each immunization; and
 - e. Whether each child has a medical or religious exemption.
- F.** By March 30 of each year, a local health officer shall forward to the Department the information contained in the reports received by the local health agency according to subsections (A) and (D).
- G.** A local health officer who receives and distributes vaccine provided by the Department shall submit to the Department the report required in subsection (C) every calendar month.
- H.** As required by A.R.S. § 36-135, a health care professional shall submit for each vaccine administered to a child the information required in A.R.S. § 36-135(B), the IRMS number, and the VPC PIN number, if applicable, to the Department as follows:
- 1. If reporting by mail or fax, the health care professional shall use a form provided by the Department.
 - 2. If reporting by telephone, the health care professional shall call a telephone number provided by the Department
- for this purpose between 8:00 a.m. and 5:00 p.m., Monday through Friday, except state holidays.
3. If reporting electronically, the health care professional shall:
- a. Connect to the ASIIS web page through a secure Internet connection and enter the information; or
 - b. Ensure that the information is submitted in a format that can be imported into ASIIS and:
 - i. Provide a compact disk or digital video disk that contains the information to the Department; or
 - ii. Transfer the information to the Department through a secure file transfer protocol.

R9-6-802. Notice of Test Results

- A.** Within 10 working days after the date of receipt of a laboratory report for a test ordered by a health care provider as a result of a court order issued under A.R.S. § 13-1210, the ordering health care provider shall:
1. If the test is conducted on the blood of a court-ordered subject who is incarcerated or detained:
 - a. Provide a written copy of the laboratory report to the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained; and
 - b. Notify the occupational health provider in writing of the results of the test; and
 2. If the test is conducted on the blood of a court-ordered subject who is not incarcerated or detained:
 - a. Unless the court-ordered subject is deceased, notify the court-ordered subject as specified in subsection (D);
 - b. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
 - c. Notify the occupational health provider in writing of the results of the test.
- B.** Within five working days after the date of receipt of a laboratory report for a court-ordered subject who is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained shall:
1. Notify the court-ordered subject as specified in subsection (D);
 2. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
 3. Notify the officer in charge of the correctional facility as specified in subsection (E).
- C.** Within five working days after an occupational health provider receives written notice of test results as required in subsection (A), the occupational health provider shall notify:
1. The named public safety employee or volunteer as specified in subsection (D); and
 2. The employer as specified in subsection (E).
- D.** An individual who provides notice to a court-ordered subject or named public safety employee or volunteer as required under subsection (A), (B), or (C) shall describe the test results and provide or arrange for the court-ordered subject or named public safety employee or volunteer to receive the following information about each agent for which the court-ordered subject was tested:
1. A description of the disease or syndrome caused by the agent, including its symptoms;
 2. A description of how the agent is transmitted to others;
 3. The average window period for the agent;
 4. An explanation that a negative test result does not rule out infection and that retesting for the agent after the average window period has passed is necessary to rule out infection;
 5. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
 6. That it is necessary to notify others that they may be or may have been exposed to the agent by the individual receiving notice;
 7. The availability of assistance from local health agencies or other resources; and
 8. The confidential nature of the court-ordered subject's test results.
- E.** An individual who provides notice to the officer in charge of a correctional facility, as required under subsection (B), or to an employer, as required under subsection (C), shall describe the test results and provide or arrange for the officer in charge of the facility or the employer to receive the following information about each agent for which a court-ordered subject's test results indicate the presence of infection:
1. A description of the disease or syndrome caused by the agent, including its symptoms;
 2. A description of how the agent is transmitted to others;
 3. Measures to reduce the likelihood of transmitting the agent to others;
 4. The availability of assistance from local health agencies or other resources; and
 5. The confidential nature of the court-ordered subject's test results.
- F.** An individual who provides notice under this Section shall not provide a copy of the laboratory report to anyone other than the court-ordered subject and, if the court-ordered subject is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained.
- G.** An individual who provides notice under this Section shall protect the confidentiality of the court-ordered subject's personal identifying information and test results.
- H.** A health care provider who orders a test on the blood of a court-ordered subject who is not incarcerated or detained may, at the time the court-ordered subject is seen by the ordering health care provider, present the court-ordered subject with a telephone number and instruct the court-ordered subject to contact the ordering health care provider after a stated period of time for notification of the test results.
- I.** A health care provider who orders a test has not satisfied the obligation of the health care provider to notify under subsection (A) if:

Department of Health Services - Communicable Diseases and Infestations

1. The health care provider provides a telephone number and instructions, as allowed by subsection (H), for a court-ordered subject to contact the ordering health care provider and receive the information specified in subsection (D); and
 2. The court-ordered subject does not contact the ordering health care provider.
- J.** A health care provider who orders a test on a court-ordered subject's blood shall comply with all applicable reporting requirements contained in this Chapter.

 1. Notify the Department within five working days after receiving the results of the test to detect HIV infection;
 2. Provide to the Department:
 - a. A written copy of the court order,
 - b. A written copy of the results of the test to detect HIV infection, and
 - c. The name and telephone number of the submitting entity or submitting entity's designee; and
 3. Either:
 - a. Comply with the requirements in:
 - i. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
 - ii. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained; or
 - b. Provide to the Department or the local health agency in whose designated service area the subject is living:
 - i. The name and address of the subject;
 - ii. A written copy of the results of the test to detect HIV infection, if not provided as specified in subsection (F)(2)(b); and

- iii. Notice that the submitting entity did not provide notification as specified in subsection (F)(3)(a).

- G. If the Department or a local health agency is notified by a submitting entity as specified in subsection (F)(3)(b), the Department or local health agency shall comply with the requirements in:
 1. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
 2. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained.
- H. When the Department receives a written copy of the results of a test to detect HIV infection that was performed for a subject as a result of a court order issued under A.R.S. §§ 8-341 or 13-1415, the Department shall either:
 1. Provide to the victim:
 - a. A description of the results of the test to detect HIV infection;
 - b. The information specified in R9-6-802(D); and
 - c. A written copy of the test results; or
 2. Provide to the local health agency in whose designated service area the victim is living:
 - a. The name and address of the victim,
 - b. A written copy of the results of the test to detect HIV infection, and
 - c. Notice that the Department did not provide notification as specified in subsection (H)(1).
- I. If a local health agency is notified by the Department as specified in subsection (H)(2), the local health agency shall:
 1. Provide to the victim:
 - a. A description of the results of the test to detect HIV infection;
 - b. The information specified in R9-6-802(D); and
 - c. A written copy of the test results; or
 2. If the local health agency is unable to locate the victim, notify the Department that the local health agency did not inform the victim of the results of the test to detect HIV infection.

Historical Note

Section R9-6-1004 renumbered from R9-6-1003 and amended by final rulemaking at 14 A.A.R. 1502, effective April 1, 2008 (Supp. 08-2).

R9-6-1005. Anonymous HIV Testing

- A. A local health agency and the Department shall offer anonymous HIV testing to individuals.
- B. If an individual requests anonymous HIV testing, the Department or a local health agency shall:
 1. Provide to the individual requesting anonymous HIV testing health education about HIV, the meaning of HIV test results, and the risk factors for becoming infected with HIV or transmitting HIV to other individuals;
 2. Record in a format specified by the Department information about the individual's risk factors for becoming infected with or transmitting HIV and submit the information to the Department;
 3. Collect a specimen of blood from the individual;
 4. Record the following information on a form provided by the Department:
 - a. The individual's date of birth,
 - b. The individual's race and ethnicity,
 - c. The individual's gender,
 - d. The date and time the blood specimen was collected, and

Department of Health Services - Communicable Diseases and Infestations

- e. The name, address, and telephone number of the person collecting the blood specimen; and
5. Before the individual leaves the building occupied by the Department or local health agency:
 - a. Test the individual's specimen of blood using a screening test for HIV;
 - b. Provide the results of the screening test to the individual;
 - c. Record the test results on the form specified in subsection (B)(4); and
 - d. If the test results from the screening test on the specimen of blood indicate that the individual may be HIV-infected, submit the specimen of blood to the Arizona State Laboratory for confirmatory testing by:
 - i. Assigning to the blood specimen an identification number corresponding to the pre-printed number on the form specified in subsection (B)(4);
 - ii. Giving the individual requesting anonymous HIV testing the identification number assigned to the blood specimen and information about how to obtain the results of the confirmatory test; and
 - iii. Sending the blood specimen and the form specified in subsection (B)(4) to the Arizona State Laboratory for confirmatory testing.

Historical Note

New Section made by final rulemaking at 14 A.A.R. 1502, effective April 1, 2008 (Supp. 08-2).

R9-6-1006. Notification

- A. The Department or the Department's designee shall confidentially notify an individual reported to be at risk for HIV infection, as required under A.R.S. § 36-664(J), if all of the following conditions are met:
 1. The Department receives the report of risk for HIV infection in a document that includes the following:
 - a. The name and address of the individual reported to be at risk for HIV infection or enough other identifying information about the individual to enable the individual to be recognized and located,
 - b. The name and address of the HIV-infected individual placing the individual named under subsection (A)(1)(a) at risk for HIV infection,
 - c. The name and address of the individual making the report, and
 - d. The type of exposure placing the individual named under subsection (A)(1)(a) at risk for HIV infection;
 2. The individual making the report is in possession of confidential HIV-related information; and
 3. The Department determines that the information provided in the report is accurate and contains sufficient detail to:
 - a. Indicate that the exposure described as required in subsection (A)(1)(d) constitutes a significant exposure for the individual reported to be at risk for HIV infection, and
 - b. Enable the individual reported to be at risk for HIV infection to be recognized and located.
- B. As authorized under A.R.S. § 36-136(L), the Department shall notify the superintendent of a school district in a confidential document that a pupil of the school district tested positive for HIV if the Department determines that:
 1. The pupil places others in the school setting at risk for HIV infection; and

2. The school district has an HIV policy that includes the following provisions:
 - a. That a school shall not exclude a pupil who tested positive for HIV from attending school or school functions or from participating in school activities solely due to HIV infection;
 - b. That school district personnel who are informed that a pupil tested positive for HIV shall keep the information confidential; and
 - c. That the school district shall provide HIV-education programs to pupils, parents or guardians of pupils, and school district personnel through age-appropriate curricula, workshops, or in-service training sessions.

R9-6-1103. Local Health Agency Requirements

- A. For each STD case, a local health agency shall:
 1. Comply with the requirements in:
 - a. R9-6-317(A)(1) and (2) for each chancroid case reported to the local health agency, and
 - b. R9-6-381(A)(3)(a) through (c) for each syphilis case reported to the local health agency;
 2. Offer or arrange for treatment for each STD case that seeks treatment from the local health agency for symptoms of:
 - a. Chancroid,
 - b. Chlamydia infection,
 - c. Gonorrhea, or
 - d. Syphilis;
 3. Provide information about the following to each STD case that seeks treatment from the local health agency:
 - a. A description of the disease or syndrome caused by the applicable STD, including its symptoms;
 - b. Treatment options for the applicable STD;
 - c. A description of measures to reduce the likelihood of transmitting the STD to others and that it is necessary to continue the measures until the infection is eliminated; and
 - d. The confidential nature of the STD case's test results; and
 4. Inform the STD case that:
 - a. A chlamydia or gonorrhea case must notify each individual, with whom the chlamydia or gonorrhea case has had sexual contact within 60 days preceding the onset of chlamydia or gonorrhea symptoms up to the date the chlamydia or gonorrhea case began treatment for chlamydia or gonorrhea infection, of the need for the individual to be tested for chlamydia or gonorrhea; and
 - b. The Department or local health agency will notify, as specified in subsection (B), each contact named by a chancroid or syphilis case.
- B. For each contact named by a chancroid or syphilis case, the Department or a local health agency shall:
 1. Notify the contact named by a chancroid or syphilis case of the contact's exposure to chancroid or syphilis and of the need for the contact to be tested for:
 - a. Chancroid, if the chancroid case has had sexual contact with the contact within 10 days preceding the onset of chancroid symptoms up to the date the chancroid case began treatment for chancroid infection; or
 - b. Syphilis, if the syphilis case has had sexual contact with the contact within:
 - i. 90 days preceding the onset of symptoms of primary syphilis up to the date the syphilis case began treatment for primary syphilis infection;
 - ii. Six months preceding the onset of symptoms of secondary syphilis up to the date the syphilis case began treatment for secondary syphilis infection; or

- iii. 12 months preceding the date the syphilis case was diagnosed with syphilis if the syphilis case cannot identify when symptoms of primary or secondary syphilis began;

2. Offer or arrange for each contact named by a chancroid or syphilis case to receive testing and, if appropriate, treatment for chancroid or syphilis; and
3. Provide information to each contact named by a chancroid or syphilis case about:
 - a. The characteristics of the applicable STD,
 - b. The syndrome caused by the applicable STD,
 - c. Measures to reduce the likelihood of transmitting the applicable STD, and
 - d. The confidential nature of the contact's test results.
- C. For each contact of a chlamydia or gonorrhea case who seeks treatment from a local health agency for symptoms of chlamydia or gonorrhea, the local health agency shall:
 1. Offer or arrange for treatment for chlamydia or gonorrhea;
 2. Provide information to each contact of a chlamydia or gonorrhea case about:
 - a. The characteristics of the applicable STD,
 - b. The syndrome caused by the applicable STD,
 - c. Measures to reduce the likelihood of transmitting the applicable STD, and
 - d. The confidential nature of the contact's test results.

 - c. The name and telephone number of the submitting entity or submitting entity's designee; and
 3. Either:
 - a. Comply with the requirements in:
 - i. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
 - ii. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained; or
 - b. Provide to the Department or the local health agency in whose designated service area the subject is living:
 - i. The name and address of the subject;
 - ii. A written copy of the results of the test to detect a sexually-transmitted disease, if not provided as specified in subsection (E)(2)(b); and
 - iii. Notice that the submitting entity did not provide notification as specified in subsection (E)(3)(a).
- F.** If the Department or a local health agency is notified by a submitting entity as specified in subsection (E)(3)(b), the Department or local health agency shall comply with the requirements in:
1. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
 2. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained.
- G.** When the Department receives the results of a test to detect a sexually-transmitted disease that was performed for a subject as a result of a court order issued under A.R.S. § 13-1415, the Department shall:
1. Provide to the victim:
 - a. A description of the results of the test to detect the sexually-transmitted disease,
 - b. The information specified in R9-6-802(D), and
 - c. A written copy of the test results for the sexually-transmitted disease; or
 2. Provide to the local health agency in whose designated service area the victim is living:
 - a. The name and address of the victim,
 - b. A written copy of the results of the test to detect the sexually-transmitted disease, and
 - c. Notice that the Department did not provide notification as specified in subsection (G)(1).
- H.** If a local health agency is notified by the Department as specified in subsection (G)(2), the local health agency shall:
1. Provide to the victim:
 - a. A description of the results of the test to detect the sexually-transmitted disease;
 - b. The information specified in R9-6-802(D); and
 - c. A written copy of the test results for the sexually-transmitted disease; or
 2. If the local health agency is unable to locate the victim, notify the Department that the local health agency did not inform the victim of the results of the test to detect the sexually-transmitted disease.

R9-6-1203. Tuberculosis Control in Correctional Facilities

- A.** An administrator of a correctional facility shall ensure that:
1. Each new inmate in the correctional facility undergoes a symptom screening for tuberculosis while processing into the correctional facility;

Department of Health Services - Communicable Diseases and Infestations

2. An inmate in whom symptoms suggestive of tuberculosis are detected during screening:
 - a. Is immediately:
 - i. Placed in airborne infection isolation, or
 - ii. Required to wear a surgical mask and retained in an environment where exposure to the general inmate population is minimal and the inmate can be observed at all times to be wearing the mask;
 - b. If not immediately placed in airborne infection isolation, is within 24 hours after screening:
 - i. Given a medical evaluation for active tuberculosis, or
 - ii. Transported to a health care institution to be placed in airborne infection isolation; and
 - c. Is given a medical evaluation for active tuberculosis before being released from airborne infection isolation or permitted to stop wearing a surgical mask and released from the environment described in subsection (A)(2)(a)(ii).
 3. Except as provided in subsection (A)(6), each new inmate who does not have a documented history of a positive result from an approved test for tuberculosis or who has not received an approved test for tuberculosis within the previous 12 months is given an approved test for tuberculosis within seven days after processing into the correctional facility;
 4. Except as provided in subsection (A)(5), each new inmate who has a positive result from an approved test for tuberculosis or who has a documented history of a positive result from an approved test for tuberculosis is given a chest x-ray and a medical evaluation, within 14 days after processing into the correctional facility, to determine whether the inmate has active tuberculosis;
 5. If an inmate has had a documented negative chest x-ray after a positive result from an approved test for tuberculosis, the inmate is not required to have another chest x-ray unless the inmate has signs or symptoms of active tuberculosis;
 6. Each new inmate who is HIV-positive, in addition to receiving an approved test for tuberculosis, is given a chest x-ray and a medical evaluation within seven days after processing into the correctional facility, to determine whether the inmate has active tuberculosis;
 7. Each inmate who has a negative result from an approved test for tuberculosis when tested during processing has a repeat approved test for tuberculosis after 12 months of incarceration and every 12 months thereafter during the inmate's term of incarceration;
 8. Each inmate with active tuberculosis is:
 - a. Provided medical treatment that meets accepted standards of medical practice, and
 - b. Placed in airborne infection isolation until no longer infectious; and
 9. All applicable requirements in 9 A.A.C. 6, Articles 2 and 3 are complied with.
- B.** The requirements of subsection (A) apply to each correctional facility that houses inmates for 14 days or longer and to each inmate who will be incarcerated for 14 days or longer.
- C.** An administrator of a correctional facility, either personally or through a representative, shall:
1. Unless unable to provide prior notification because of security concerns, notify the local health agency at least one working day before releasing a tuberculosis case or suspect case;

2. If unable to provide prior notification because of security concerns, notify the local health agency within 24 hours after releasing a tuberculosis case or suspect case; and
3. Provide a tuberculosis case or suspect case or an inmate being treated for latent tuberculosis infection the name and address of the local health agency before the case, suspect case, or inmate is released.

Historical Note

RULES

A.R.S. § 41-1001(17) states: “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions. Virtually everything in your life is affected in some way by rules published in the Arizona Administrative Code, from the quality of air you breathe to the licensing of your dentist. This chapter is one of more than 230 in the Code compiled in 21 Titles.

ADMINISTRATIVE CODE SUPPLEMENTS

Rules filed by an agency to be published in the Administrative Code are updated quarterly. Supplement release dates are printed on the footers of each chapter:

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2017 is cited as Supp. 17-1.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARTICLES AND SECTIONS

Rules in chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering system separated into subsections.

HISTORICAL NOTES AND EFFECTIVE DATES

Historical notes inform the user when the last time a Section was updated in the Administrative Code. Be aware, since the Office publishes each quarter by entire chapters, not all Sections are updated by an agency in a supplement release. Many times just one Section or a few Sections may be updated in the entire chapter.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in the introduction of a chapter can be found at the Secretary of State’s website, www.azsos.gov/services/legislative-filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Arizona Administrative Register online at www.azsos.gov/rules, click on the Administrative Register link.

In the Administrative Code the Office includes editor’s notes at the beginning of a chapter indicating that certain rulemaking Sections were made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR

If you are researching rules and come across rescinded chapters on a different paper color, this is because the agency filed a Notice of Exempt Rulemaking. At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

PERSONAL USE/COMMERCIAL USE

This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

Public Services managing rules editor, Rhonda Paschal, assisted with the editing of this chapter.

TITLE 9. HEALTH SERVICES**CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING**

Editor's Note: The heading for 9 A.A.C. 10 changed from "Licensure" to "Licensing" per a request from the Department of Health Services (Supp. 03-4).

Editor's Note: The Office of the Secretary of State publishes all Chapters on white paper (Supp. 01-2).

Editor's Note: This Chapter contains rules which were adopted, amended, and repealed under exemptions from the provisions of the Administrative Procedure Act (A.R.S. Title 41, Chapter 6) pursuant to Laws 1993, Ch. 163, § 3(B); Laws 1996, Ch. 329, § 5; Laws 1998, Ch. 178 § 17, and Laws 1999, Ch. 311. Exemption from A.R.S. Title 41, Chapter 6 means that the Department of Health Services did not submit these rules to the Governor's Regulatory Review Council for review; the Department may not have submitted notice of proposed rulemaking to the Secretary of State for publication in the Arizona Administrative Register; the Department was not required to hold public hearings on these rules; and the Attorney General did not certify these rules. Because this Chapter contains rules which are exempt from the regular rulemaking process, the Chapter is printed on blue paper.

The applicant and the Department may agree in writing to extend the substantive review time-frame and the overall time-frame. The substantive review time-frame and the overall time-frame may not be extended by more than 25% of the overall time-frame.
- B.** The administrative completeness review time-frame for each type of approval granted by the Department as prescribed in this Article is listed in Table 1.1. The administrative completeness review time-frame begins on the date the Department receives an application packet or a written request for a change in a health care institution license according to R9-10-109(F):
- 1. The application packet for an initial health care institution license is not complete until the applicant provides the Department with written notice that the health care institution is ready for a licensing inspection by the Department.
 - 2. If the application packet or written request is incomplete, the Department shall provide a written notice to the applicant specifying the missing document or incomplete information. The administrative completeness review time-frame and the overall time-frame are suspended from the date of the notice until the date the Department receives the missing document or information from the applicant.
 - 3. When an application packet or written request is complete, the Department shall provide a written notice of administrative completeness to the applicant.
 - 4. For an initial health care institution application, the Department shall consider the application withdrawn if

the applicant fails to supply the missing documents or information included in the notice described in subsection (B)(2) within 180 calendar days after the date of the notice described in subsection (B)(2).

- 5. If the Department issues a license or grants an approval during the time provided to assess administrative completeness, the Department shall not issue a separate written notice of administrative completeness.
- C.** The substantive review time-frame is listed in Table 1.1 and begins on the date of the notice of administrative completeness.
- 1. The Department may conduct an onsite inspection of the facility:
 - a. As part of the substantive review for approval of architectural plans and specifications;
 - b. As part of the substantive review for issuing a health care institution initial or renewal license; or
 - c. As part of the substantive review for approving a modification in a health care institution's license.
 - 2. During the substantive review time-frame, the Department may make one comprehensive written request for additional information or documentation. If the Department and the applicant agree in writing, the Department may make supplemental requests for additional information or documentation. The time-frame for the Department to complete the substantive review is suspended from the date of a written request for additional information or documentation until the Department receives the additional information or documentation.
 - 3. The Department shall send a written notice of approval or a license to an applicant who is in substantial compliance with applicable requirements in A.R.S. Title 36, Chapter 4 and this Chapter.
 - 4. After an applicant for an initial health care institution license receives the written notice of approval in subsection (C)(3), the applicant shall submit the applicable license fee in R9-10-106 to the Department within 60 calendar days after the date of the written notice of approval.
 - 5. The Department shall provide a written notice of denial that complies with A.R.S. § 41-1076 to an applicant who does not:
 - a. For an initial health care institution application, submit the information or documentation in subsection (C)(2) within 120 calendar days after the Department's written request to the applicant;
 - b. Comply with the applicable requirements in A.R.S. Title 36, Chapter 4 and this Chapter; or
 - c. Submit the fee required in R9-10-106.
 - 6. An applicant may file a written notice of appeal with the Department within 30 calendar days after receiving the notice described in subsection (C)(5). The appeal shall be conducted according to A.R.S. Title 41, Chapter 6, Article 10.
 - 7. If a time-frame's last day falls on a Saturday, a Sunday, or an official state holiday, the Department shall consider the next working day to be the time-frame's last day.

R9-10-109. Changes Affecting a License

- A.** A licensee shall ensure that the Department is notified in writing at least 30 calendar days before the effective date of:
1. A change in the name of:
 - a. A health care institution, or
 - b. The licensee; or
 2. A change in the address of a health care institution that does not provide medical services, nursing services, or health-related services on the premises.
- B.** If a licensee intends to terminate the operation of a health care institution either during or at the expiration of the health care institution's license, the licensee shall ensure that the Department is notified in writing of:
1. The termination of the health care institution's operations, as required in A.R.S. § 36-422(D), at least 30 calendar days before the termination, and
 2. The address and contact information for the location where the health care institution's medical records will be retained as required in A.R.S. § 12-2297.
- C.** If a licensee is an adult behavioral health therapeutic home or a behavioral health respite home, the licensee shall ensure that:
1. The Department is notified in writing if the licensee does not have a written agreement with a collaborating health care institution, as required in R9-10-1603(A)(4) or R9-10-1803(A)(5) as applicable; and
 2. The adult behavioral health therapeutic home or behavioral health respite home does not accept an individual as a resident or recipient, as applicable, or provide services to a resident or recipient, as applicable, until:
 - a. The adult behavioral health therapeutic home or behavioral health respite home has a written agreement with a collaborating health care institution;
 - b. The collaborating health care institution has approved the adult behavioral health therapeutic home's or behavioral health respite home's:
 - i. Scope of services, and
 - ii. Policies and procedures; and
- D.** If a licensee is an affiliated outpatient treatment center, the licensee shall ensure that if the affiliated outpatient treatment center:
1. Plans to begin providing administrative support to a counseling facility at a time other than during the affiliated outpatient treatment center's initial or renewal license application process, the following information for each counseling facility is submitted to the Department before the affiliated outpatient treatment center begins providing administrative support:
 - a. The counseling facility's name,
 - b. The license number assigned to the counseling facility by the Department, and
 - c. The date the affiliated outpatient treatment center will begin providing administrative support to the counseling facility; or
 2. No longer provides administrative support to a counseling facility previously identified by the affiliated outpatient treatment center as receiving administrative support from the affiliated outpatient treatment center, at a time other than during the initial or renewal license application process, the following information for each counseling facility is submitted to the Department within 30 calendar days after the affiliated outpatient treatment center no longer provides administrative support:
 - a. The counseling facility's name,
 - b. The license number assigned to the counseling facility by the Department, and
 - c. The date the affiliated outpatient treatment center stopped providing administrative support to the counseling facility.
- E.** If a licensee is a counseling facility, the licensee shall ensure that if the counseling facility:
1. Plans to begin receiving administrative support from an affiliated outpatient treatment center at a time other than during the counseling facility's initial or renewal license

Department of Health Services - Health Care Institutions: Licensing

application process, the following information for the affiliated outpatient treatment center is submitted to the Department before the counseling facility begins receiving administrative support:

- a. The affiliated outpatient treatment center's name,
 - b. The license number assigned to the affiliated outpatient treatment center by the Department, and
 - c. The date the counseling facility will begin receiving administrative support; or
2. No longer receives administrative support from an affiliated outpatient treatment center previously identified by the counseling facility as providing administrative support to the counseling facility, at a time other than during the counseling facility's initial or renewal license application process, the following information for the affiliated outpatient treatment center is submitted to the Department within 30 calendar days after the counseling facility no longer receives administrative support from the affiliated outpatient treatment center:
 - a. The affiliated outpatient treatment center's name,
 - b. The license number assigned to the affiliated outpatient treatment center by the Department, and
 - c. The date the counseling facility stopped receiving administrative support from the affiliated outpatient treatment center.
 3. Plans to begin sharing administrative support with an affiliated counseling facility at a time other than during the counseling facility's initial or renewal license application process, the following information for each affiliated counseling facility sharing administrative support with the counseling facility is submitted to the Department before the counseling facility and affiliated counseling facility begin sharing administrative support:
 - a. The affiliated counseling facility's name,
 - b. The license number assigned to the affiliated counseling facility by the Department, and
 - c. The date the counseling facility and the affiliated counseling facility will begin sharing administrative support; or
 4. No longer shares administrative support with an affiliated counseling facility previously identified by the counseling facility as sharing administrative support with the counseling facility at a time other than during the counseling facility's initial or renewal license application process, the following information is submitted for each affiliated counseling facility within 30 calendar days after the counseling facility and affiliated counseling facility no longer share administrative support:
 - a. The affiliated counseling facility's name,
 - b. The license number assigned to the affiliated counseling facility by the Department, and
 - c. The date the counseling facility and affiliated counseling facility will no longer be sharing administrative support.
- F.** A governing authority shall submit an initial license application required in R9-10-105 for:
1. A change in ownership of a health care institution;
 2. A change in the address or location of a health care institution that provides medical services, nursing services, health-related services, or behavioral health services on the premises; or
 3. A change in a health care institution's class or subclass.
- G.** A governing authority is not required to submit documentation of a health care institution's architectural plans and specifications required in R9-10-105(A)(5) for an initial license application if:

1. The health care institution has not ceased operations for more than 30 calendar days,
 2. A modification has not been made to the health care institution,
 3. The services the health care institution is authorized by the Department to provide are not changed, and
 4. The location of the health care institution's premises is not changed.
- H.** The Department shall approve or deny a request for a change in services or another modification described in this Section according to R9-10-108.
- I.** A licensee shall not implement a change in services or another modification described in this Section until an approval or amended license is issued by the Department.

R9-10-110. Modification of a Health Care Institution

- A.** A licensee of a health care institution that is required by this Chapter to comply with any of the physical plant codes and standards incorporated by reference in A.A.C. R9-1-412 shall submit an application for approval of architectural plans and specifications for a modification of the health care institution.
- B.** A licensee of a health care institution shall submit a written request for a modification of the health care in a Department-provided format that contains:
1. The health care institution's name, address, and license number;
 2. A narrative description of the modification;
 3. The name of the health care institution's administrator's or individual representing the health care institution as designated in A.R.S. § 36-422 and the dated signature of the administrator or individual; and
 4. One of the following:
 - a. For a health care institution that is required to comply with the physical plant codes and standards incorporated by reference in A.A.C. R9-10-412 for the building, documentation of the health care institution's architectural plans and specifications approval in R9-10-104; or
 - b. For a health care institution that is not required to comply with the physical plant codes and standards, documentation that demonstrates that the requested modification complies with applicable requirements in this Chapter.
- C.** The Department shall approve or deny a request for a modification described in subsection (B) according to R9-10-108.
- D.** A licensee shall not implement a modification described in subsection (B) until an approval or amended license is issued by the Department.

Historical Note

New Section made by final rulemaking at 8 A.A.R. 3559, effective August 1, 2002 (Supp. 02-3). Amended by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Section R9-10-110 renumbered to Section R9-10-111; new Section R9-10-110 made by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

R9-10-111. Enforcement Actions

- A. If the Department determines that an applicant or licensee is violating applicable statutes and rules and the violation poses a direct risk to the life, health, or safety of a patient, the Department may:
1. Issue a provisional license to the applicant or licensee under A.R.S. § 36-425,
 2. Assess a civil penalty under A.R.S. § 36-431.01,
 3. Impose an intermediate sanction under A.R.S. § 36-427,
 4. Remove a licensee and appoint another person to continue operation of the health care institution pending further action under A.R.S. § 36-429,
 5. Suspend or revoke a license under A.R.S. § 36-427 and R9-10-111,
 6. Deny a license under A.R.S. § 36-425 and R9-10-111, or
 7. Issue an injunction under A.R.S. § 36-430.
- B. In determining which action in subsection (A) is appropriate, the Department shall consider the direct risk to the life, health, or safety of a patient in the health care institution based on:
1. Repeated violations of statutes or rules,
 2. Pattern of violations,
 3. Types of violation,
 4. Severity of violation, and
 5. Number of violations.

Historical Note

R9-10-113. Tuberculosis Screening

A health care institution's chief administrative officer shall ensure that the health care institution complies with the following if tuberculosis screening is required at the health care institution:

1. For each individual required to be screened for infectious tuberculosis, the health care institution obtains from the individual:
 - a. On or before the date specified in the applicable Section of this Chapter, one of the following as evidence of freedom from infectious tuberculosis:
 - i. Documentation of a negative Mantoux skin test or other tuberculosis screening test recommended by the U.S. Centers for Disease Control and Prevention (CDC) administered within 12 months before the date the individual begins providing services at or on behalf of the health care institution or is admitted to the health care institution that includes the date and the type of tuberculosis screening test; or
 - ii. If the individual had a positive Mantoux skin test or other tuberculosis screening test, a written statement that the individual is free from infectious tuberculosis signed by a medical practitioner dated within 12 months before the date the individual begins providing services at or on behalf of the health care institution or is admitted to the health care institution; and
 - b. Every 12 months after the date of the individual's most recent tuberculosis screening test or written statement, one of the following as evidence of freedom from infectious tuberculosis:
 - i. Documentation of a negative Mantoux skin test or other tuberculosis screening test recommended by the CDC administered to the individual within 30 calendar days before or after the anniversary date of the most recent tuberculosis screening test or written statement that includes the date and the type of tuberculosis screening test; or
 - ii. If the individual has had a positive Mantoux skin test or other tuberculosis screening test, a written statement that the individual is free from infectious tuberculosis signed by a medical practitioner dated within 30 calendar days before or after the anniversary date of the most recent tuberculosis screening test or written statement; or
2. Establish, document, and implement a tuberculosis infection control program that complies with the Guidelines for Preventing the Transmission of *Mycobacterium tuberculosis* in Health-care Settings, 2005, published by the U.S. Department of Health and Human Services, Atlanta, GA 30333 and available at <http://www.cdc.gov/mmwr/PDF/RR/rr5417.pdf>, incorporated by reference, on file with the Department, and including no future editions or amendments and includes:
 - a. Conducting tuberculosis risk assessments, conducting tuberculosis screening testing, screening for

Section R9-10-113 renumbered from R9-10-114; new Section R9-10-113 renumbered from R9-10-112 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

R9-10-114. Clinical Practice Restrictions for Hemodialysis Technician Trainees

- A. The following definitions apply in this Section:
1. "Assess" means collecting data about a patient by:
 - a. Obtaining a history of the patient,
 - b. Listening to the patient's heart and lungs, and
 - c. Checking the patient for edema.
 2. "Blood-flow rate" means the quantity of blood pumped into a dialyzer per minute of hemodialysis.
 3. "Blood lines" means the tubing used during hemodialysis to carry blood between a vascular access and a dialyzer.
 4. "Central line catheter" means a type of vascular access created by surgically implanting a tube into a large vein.
 5. "Clinical practice restriction" means a limitation on the hemodialysis tasks that may be performed by a hemodialysis technician trainee.
 6. "Conductivity test" means a determination of the electrolytes in a dialysate.
 7. "Dialysate" means a mixture of water and chemicals used in hemodialysis to remove wastes and excess fluid from a patient's body.
 8. "Dialysate-flow rate" means the quantity of dialysate pumped per minute of hemodialysis.
 9. "Directly observing" or "direct observation" means a medical person stands next to an inexperienced hemodialysis technician trainee and watches the inexperienced hemodialysis technician trainee perform a hemodialysis task.
 10. "Direct supervision" has the same meaning as "supervision" in A.R.S. § 36-401.
 11. "Electrolytes" means chemical compounds that break apart into electrically charged particles, such as sodium, potassium, or calcium, when dissolved in water.
 12. "Experienced hemodialysis technician trainee" means an individual who has passed all didactic, skills, and competency examinations provided by a health care institution that measure the individual's knowledge and ability to perform hemodialysis.
 13. "Fistula" means a type of vascular access created by a surgical connection between an artery and vein.
 14. "Fluid-removal rate" means the quantity of wastes and excess fluid eliminated from a patient's blood per minute of hemodialysis to achieve the patient's prescribed weight, determined by:
 - a. Dialyzer size,
 - b. Blood-flow rate,
 - c. Dialysate-flow rate, and
 - d. Hemodialysis duration.
 15. "Germicide-negative test" means a determination that a chemical used to kill microorganisms is not present.
 16. "Germicide-positive test" means a determination that a chemical used to kill microorganisms is present.
 17. "Graft" means a vascular access created by a surgical connection between an artery and vein using a synthetic tube.
 18. "Hemodialysis machine" means a mechanical pump that controls:
 - a. The blood-flow rate,
 - b. The mixing and temperature of dialysate,
 - c. The dialysate-flow rate,
 - d. The addition of anticoagulant, and
 - e. The fluid-removal rate.
 19. "Hemodialysis technician" has the same meaning as in A.R.S. § 36-423(A).
 20. "Hemodialysis technician trainee" means an individual who is working in a health care institution to assist in providing hemodialysis and who is not certified as a hemodialysis technician according to A.R.S. § 36-423(A).
 21. "Inexperienced hemodialysis technician trainee" means an individual who has not passed all didactic, skills, and competency examinations provided by a health care institution that measure the individual's knowledge and ability to perform hemodialysis.
 22. "Medical person" means:
 - a. A physician who is experienced in dialysis;
 - b. A registered nurse practitioner who is experienced in dialysis;
 - c. A nurse who is experienced in dialysis;
 - d. A hemodialysis technician who meets the requirements in A.R.S. § 36-423(A) approved by the governing authority; and
 - e. An experienced hemodialysis technician trainee approved by the governing authority.
 23. "Not established" means not approved by a patient's nephrologist for use in hemodialysis.
 24. "Patient" means an individual who receives hemodialysis.
 25. "pH test" means a determination of the acidity of a dialysate.
 26. "Preceptor course" means a health care institution's instruction and evaluation provided to a nurse, hemodialysis technician, or hemodialysis technician trainee that enables the nurse, hemodialysis technician, or hemodialysis technician trainee to provide direct observation and education to hemodialysis technician trainees.
 27. "Respond" means to mute, shut off, reset, or troubleshoot an alarm.
 28. "Safety check" means successful completion of tests recommended by the manufacturer of a hemodialysis machine, a dialyzer, or a water system used for hemodialysis before initiating a patient's hemodialysis.
 29. "Water-contaminant test" means a determination of the presence of chlorine or chloramine in a water system used for hemodialysis.

- B.** An experienced hemodialysis technician trainee may:
1. Perform hemodialysis under direct supervision, and
 2. Provide direct observation to another hemodialysis technician trainee only after completing the health care institution's preceptor course approved by the governing authority.
- C.** An experienced hemodialysis technician trainee shall not access a patient's:
1. Fistula that is not established, or
 2. Graft that is not established.
- D.** An inexperienced hemodialysis technician trainee may perform the following hemodialysis tasks only under direct observation:
1. Access a patient's central line catheter;
 2. Respond to a hemodialysis-machine alarm;
 3. Draw blood for laboratory tests;
 4. Perform a water-contaminant test on a water system used for hemodialysis;
 5. Inspect a dialyzer and perform a germicide-positive test before priming a dialyzer;
 6. Set up a hemodialysis machine and blood lines before priming a dialyzer;
 7. Prime a dialyzer;
 8. Test a hemodialysis machine for germicide presence;
 9. Perform a hemodialysis machine safety check;
 10. Prepare a dialysate;
 11. Perform a conductivity test and a pH test on a dialysate;
 12. Assess a patient;
 13. Check and record a patient's vital signs, weight, and temperature;
 14. Determine the amount and rate of fluid removal from a patient;
 15. Administer local anesthetic at an established fistula or graft, administer anticoagulant, or administer replacement saline solution;
 16. Perform a germicide-negative test on a dialyzer before initiating hemodialysis;
 17. Initiate or discontinue a patient's hemodialysis;
 18. Adjust blood-flow rate, dialysate-flow rate, or fluid-removal rate during hemodialysis; or
 19. Prepare a blood, water, or dialysate culture to determine microorganism presence.
- E.** An inexperienced hemodialysis technician trainee shall not:
1. Access a patient's:
 - a. Fistula that is not established, or
 - b. Graft that is not established; or
 2. Provide direct observation.
- F.** When a hemodialysis technician trainee performs hemodialysis tasks for a patient, the patient's medical record shall include:
1. The name of the hemodialysis technician trainee;
 2. The date, time, and hemodialysis task performed;
 3. The name of the medical person directly observing or the nurse or physician directly supervising the hemodialysis technician trainee; and
 4. The initials or signature of the medical person directly observing or the nurse or physician directly supervising the hemodialysis technician trainee.
- G.** If the Department determines that a health care institution is not in substantial compliance with this Section, the Department may take enforcement action according to R9-10-110.

 - ii. On-going training requirements for a medical staff member or personnel member who has direct patient contact while the patient is in a restraint or in seclusion; and
 - iii. Criteria for monitoring and assessing a patient including:
 - (1) Frequencies of monitoring and assessment based on a patient's condition, cognitive status, situational factors, and risks associated with the specific restraint or seclusion;
 - (2) For the renewal of an order for restraint or seclusion, whether an assessment is required before the order is renewed and, if an assessment is required, who may conduct the assessment;
 - (3) Assessment content, which may include, depending on a patient's condition, the patient's vital signs, respiration, circulation, hydration needs, elimination needs, level of distress and agitation, mental status, cognitive functioning, neurological functioning, and skin integrity;
 - (4) If a mechanical restraint is used, how often the mechanical restraint is monitored or loosened; and
 - (5) A process for meeting a patient's nutritional needs and elimination needs;
 - g. Establish the criteria and procedures for renewing an order for restraint or seclusion;
 - h. Establish procedures for internal review of the use of restraint or seclusion;
 - i. Establish requirements for notifying the parent or guardian of a patient who is under 18 years of age and who is restrained or secluded; and
 - j. Establish medical record and personnel record documentation requirements for restraint and seclusion, if applicable;
6. If time out is used in the organized psychiatric services unit or special hospital, a time out:
 - a. Takes place in an area that is unlocked, lighted, quiet, and private;
 - b. Does not take place in the room approved for seclusion by the Department under R9-10-104;
 - c. Is time-limited and does not exceed two hours per incident or four hours per day;
 - d. Does not result in a patient's missing a meal if the patient is in time out at mealtime;
 - e. Includes monitoring of the patient by a medical staff member or personnel member at least once every 15 minutes to ensure the patient's health, safety, and welfare and to determine if the patient is ready to leave time out; and
 - f. Is documented in the patient's medical record, to include:
 - i. The date of the time out,
 - ii. The reason for the time out,
 - iii. The duration of the time out, and
 - iv. The action planned and taken to address the reason for the time out;
 7. Restraint or seclusion is:
 - a. Not used as a means of coercion, discipline, convenience, or retaliation;
 - b. Only used when all of the following conditions are met:
 - i. Except as provided in subsection (A)(8), after obtaining an order for the restraint or seclusion;
 - ii. For the management of a patient's aggressive, violent, or self-destructive behavior;
 - iii. When less restrictive interventions have been determined to be ineffective; and
 - iv. To ensure the immediate physical safety of the patient, to prevent imminent harm to the patient or another individual, or to stop physical harm to another individual; and
 - c. Discontinued at the earliest possible time;
 8. If as a result of a patient's aggressive, violent, or self-destructive behavior, harm to the patient or another individual is imminent or the patient or another individual is being physically harmed, a personnel member:
 - a. May initiate an emergency application of restraint or seclusion for the patient before obtaining an order for the restraint or seclusion, and
 - b. Obtains an order for the restraint or seclusion of the patient during the emergency application of the restraint or seclusion;
 9. Restraint or seclusion is:
 - a. Only ordered by a physician or a registered nurse practitioner, and

 3. Registered nurse to provide direction for nursing services provided by or at the behavioral health inpatient facility.
- E. An administrator shall provide written notification to the Department of a patient's:
 1. Death, if the patient's death is required to be reported according to A.R.S. § 11-593, within one working day after the patient's death; and
 2. Self-injury, within two working days after the patient inflicts a self-injury that requires immediate intervention by an emergency medical services provider.
- F. Except as specified in R9-10-318(A)(1), if abuse, neglect, or exploitation of a patient is alleged or suspected to have occurred before the patient was admitted or while the patient is not on the premises and not receiving services from a behavioral health inpatient facility's employee or personnel member, an administrator shall report the alleged or suspected abuse, neglect, or exploitation of the patient according to A.R.S. § 46-454.
- G. If an administrator has a reasonable basis, according to A.R.S. § 46-454, to believe abuse, neglect, or exploitation has occurred on the premises or while a patient is receiving services from a behavioral health inpatient facility's employee or personnel member, the administrator shall:
 1. If applicable, take immediate action to stop the suspected abuse, neglect, or exploitation;
 2. Report the suspected abuse, neglect, or exploitation of the patient according to A.R.S. § 46-454;
 3. Document:
 - a. The suspected abuse, neglect, or exploitation;
 - b. Any action taken according to subsection (G)(1); and
 - c. The report in subsection (G)(2);
 4. Maintain the documentation in subsection (G)(3) for at least 12 months after the date of the report in subsection (G)(2);
 5. Initiate an investigation of the suspected abuse, neglect, or exploitation and document the following information within five working days after the report required in subsection (G)(2):
 - a. The dates, times, and description of the suspected abuse, neglect, or exploitation;
 - b. A description of any injury to the patient related to the suspected abuse or neglect and any change to the patient's physical, cognitive, functional, or emotional condition;
 - c. The names of witnesses to the suspected abuse, neglect, or exploitation; and
 - d. The actions taken by the administrator to prevent the suspected abuse, neglect, or exploitation from occurring in the future; and
6. Maintain a copy of the documented information required in subsection (G)(5) and any other information obtained during the investigation for at least 12 months after the date the investigation was initiated.
- H. An administrator shall establish and document the criteria for determining when a patient's absence is unauthorized, including the criteria for a patient who:
 1. Was admitted under A.R.S. Title 36, Chapter 5, Articles 1, 2, or 3;
 2. Is absent against medical advice; or
 3. Is under the age of 18.
- I. An administrator shall:
 1. For a patient who is under a court's jurisdiction, within an hour after determining that the patient's absence is unauthorized according to the criteria in subsection (H), notify the appropriate court or a person designated by the appropriate court;
 2. Document the notification in subsection (I)(1) and the written log required in subsection (I)(3);
 3. Maintain a written log of unauthorized absences for at least 12 months after the date of a patient's absence that includes the:
 - a. Name of a patient absent without authorization;
 - b. If applicable, name of the person notified as required in subsection (I)(1); and
 - c. Date of the notification; and
 4. Evaluate and take action related to unauthorized absences under the quality management program in R9-10-304.

- R9-10-307. Admission; Assessment**
- Except as provided in R9-10-315(E) or (F), an administrator shall ensure that:
- 1. A patient is admitted based upon the patient's presenting behavioral health issue and treatment needs and the behavioral health inpatient facility's ability and authority to provide physical health services, behavioral health services, and ancillary services consistent with the patient's treatment needs;
 - 2. A patient is admitted on the order of a medical practitioner or clinical director;
 - 3. A medical practitioner or clinical director, authorized by policies and procedures to accept a patient for admission, is available;
 - 4. Except in an emergency or as provided in subsections (6) and (7), general consent is obtained from a patient or, if applicable, the patient's representative before or at the time of admission;
 - 5. The general consent obtained in subsection (4) or the lack of consent in an emergency is documented in the patient's medical record;
 - 6. General consent is not required from a patient receiving a court-ordered evaluation or court-ordered treatment;
 - 7. General consent is not required from a patient receiving treatment according to A.R.S. § 36-512;
 - 8. A medical practitioner performs a medical history and physical examination on a patient within 30 calendar days before admission or within 72 hours after admission and documents the medical history and physical examination in the patient's medical record within 72 hours after admission;
 - 9. If a medical practitioner performs a medical history and physical examination on a patient before admission, the medical practitioner enters an interval note into the patient's medical record within seven calendar days after admission;
 - 10. Except when a patient needs crisis services, a behavioral health assessment of a patient is completed before treatment for the patient is initiated;
 - 11. If a behavioral health assessment is conducted by a:
 - a. Behavioral health technician or registered nurse, within 24 hours a behavioral health professional, certified or licensed under A.R.S. Title 32 to provide the behavioral health services needed by the patient, reviews and signs the behavioral health assessment to ensure that the behavioral health assessment identifies the behavioral health services needed by the patient; or
 - b. Behavioral health paraprofessional, a behavioral health professional, certified or licensed under A.R.S. Title 32 to provide the behavioral health services needed by the patient, supervises the behavioral health paraprofessional during the completion of the behavioral health assessment and signs the behavioral health assessment to ensure that the behavioral health assessment identifies the behavioral health services needed by the patient;
 - 12. When a patient is admitted, a registered nurse:
 - a. Conducts a nursing assessment of a patient's medical condition and history;
 - b. Determines whether the:
 - i. Patient requires immediate physical health services, and
 - ii. Patient's behavioral health issue may be related to the patient's medical condition and history;
 - c. Documents the patient's nursing assessment and the determinations required in subsection (12)(b) in the patient's medical record; and

R9-10-308. Treatment Plan

- A. Except for a patient admitted to receive crisis services or as provided in R9-10-315(E) or (F), an administrator shall ensure that a treatment plan is developed and implemented for a patient that is:

- 1. Based on the behavioral health assessment and on-going changes to the behavioral health assessment of the patient;
- 2. Completed:
 - a. By a behavioral health professional or by a behavioral health technician under the clinical oversight of a behavioral health professional, and
 - b. Before the patient receives treatment;
- 3. Documented in the patient's medical record within 48 hours after the patient first receives treatment;
- 4. Includes:
 - a. The patient's presenting issue;
 - b. The behavioral health services and physical health services to be provided to the patient;
 - c. The signature of the patient or the patient's representative and date signed, or documentation of the refusal to sign;
 - d. The date when the patient's treatment plan will be reviewed;
 - e. If a discharge date has been determined, the treatment needed after discharge; and
 - f. The signature of the personnel member who developed the treatment plan and the date signed;
- 5. If the treatment plan was completed by a behavioral health technician, reviewed and signed by a behavioral health professional within 24 hours after the completion of the treatment plan to ensure that the treatment plan meets the patient's treatment needs; and
- 6. Reviewed and updated on an on-going basis:
 - a. According to the review date specified in the treatment plan,
 - b. When a treatment goal is accomplished or changes,
 - c. When additional information that affects the patient's behavioral health assessment is identified, and
 - d. When a patient has a significant change in condition or experiences an event that affects treatment.
- B. An administrator shall ensure that:
 - 1. A request for participation in developing a patient's treatment plan is made to the patient or the patient's representative;
 - 2. An opportunity for participation in developing the patient's treatment plan is provided to the patient or the patient's representative; and
 - 3. The request in subsection (B)(1) and the opportunity in subsection (B)(2) are documented in the patient's medical record.
- C. If a patient who is admitted to receive crisis services remains admitted as a patient after the patient no longer needs crisis services, an administrator shall ensure that a treatment plan for the patient is:
 - 1. Except for subsection (A)(3), completed according to the requirements in subsection (A); and
 - 2. Documented in the patient's medical record within 24 hours after the patient no longer needs crisis services.

R9-10-309. Discharge

- A. Except as provided in R9-10-315(E) or (F), an administrator shall ensure that a discharge plan for a patient is:
 - 1. Developed that:

- a. Identifies any specific needs of the patient after discharge;
 - b. If the discharge date has been determined, includes the discharge date;
 - c. Is completed before discharge occurs; and
 - d. Includes a description of the level of care that may meet the patient's assessed and anticipated needs after discharge;
 2. Documented in the patient's medical record within 48 hours after the discharge plan is completed; and
 3. Provided to the patient or the patient's representative before the discharge occurs.
- B.** An administrator shall ensure that:
1. A request for participation in developing a patient's discharge plan is made to the patient or the patient's representative,
 2. An opportunity for participation in developing the patient's discharge plan is provided to the patient or the patient's representative, and
 3. The request in subsection (B)(1) and the opportunity in subsection (B)(2) are documented in the patient's medical record.
- C.** An administrator shall ensure that a patient is discharged from a behavioral health inpatient facility when the patient's treatment needs are not consistent with the services that the behavioral health inpatient facility is authorized and able to provide.
- D.** An administrator shall ensure that there is a documented discharge order by a medical practitioner or behavioral health professional before a patient is discharged unless the patient leaves the behavioral health inpatient facility against a medical practitioner's or behavioral health professional's advice.
- E.** An administrator shall ensure that, at the time of discharge, a patient receives a referral for treatment or ancillary services that the patient may need after discharge, if applicable.
- F.** If a patient is discharged to any location other than a health care institution, an administrator shall ensure that:
1. Discharge instructions are documented, and
 2. The patient or the patient's representative is provided with a copy of the discharge instructions.
- G.** An administrator shall ensure that a discharge summary:

R9-10-321 renumbered to R9-10-322; new Section R9-10-321 renumbered from R9-10-320 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

R9-10-322. Emergency and Safety Standards

A. An administrator shall ensure that a behavioral health inpatient facility has:

1. A fire alarm system installed according to the National Fire Protection Association 72: National Fire Alarm and Signaling Code, incorporated by reference in A.A.C. R9-1-412, and a sprinkler system installed according to the National Fire Protection Association 13 Standard for the Installation of Sprinkler Systems, incorporated by reference in A.A.C. R9-1-412, that are in working order; or
2. An alternative method to ensure a patient's safety, documented and approved by the local jurisdiction.

B. An administrator shall ensure that:

1. A disaster plan is developed, documented, maintained in a location accessible to personnel members and other employees, and, if necessary, implemented that includes:
 - a. When, how, and where patients will be relocated;
 - b. How a patient's medical record will be available to individuals providing services to the patient during a disaster;
 - c. A plan to ensure each patient's medication will be available to administer to the patient during a disaster; and
 - d. A plan for obtaining food and water for individuals present in the behavioral health inpatient facility or the behavioral health inpatient facility's relocation site during a disaster;
2. The disaster plan required in subsection (B)(1) is reviewed at least once every 12 months;
3. Documentation of a disaster plan review required in subsection (B)(2) is created, is maintained for at least 12 months after the date of the disaster plan review, and includes:
 - a. The date and time of the disaster plan review;
 - b. The name of each personnel member, employee, volunteer, or student participating in the disaster plan review;
 - c. A critique of the disaster plan review; and
 - d. If applicable, recommendations for improvement;
4. A disaster drill for employees is conducted on each shift at least once every three months and documented;
5. An evacuation drill for employees and patients:
 - a. Is conducted at least once every six months; and
 - b. Includes all individuals on the premises except for:
 - i. A patient whose medical record contains documentation that evacuation from the behavioral health inpatient facility would cause harm to the patient, and
 - ii. Sufficient personnel members to ensure the health and safety of patients not evacuated according to subsection (B)(5)(b)(i);
6. Documentation of each evacuation drill is created, is maintained for at least 12 months after the date of the evacuation drill, and includes:
 - a. The date and time of the evacuation drill;
 - b. The amount of time taken for employees and patients to evacuate to a designated area;
 - c. If applicable:
 - i. An identification of patients needing assistance for evacuation, and
 - ii. An identification of patients who were not evacuated;
 - d. Any problems encountered in conducting the evacuation drill; and
 - e. Recommendations for improvement, if applicable; and

7. An evacuation path is conspicuously posted on each hallway of each floor of the behavioral health inpatient facility.

C. An administrator shall:

1. Obtain a fire inspection conducted according to the time-frame established by the local fire department or the State Fire Marshal,
2. Make any repairs or corrections stated on the fire inspection report, and
3. Maintain documentation of a current fire inspection.

R9-10-323. Environmental Standards

A. An administrator shall ensure that:

1. The premises and equipment are:
 - a. Cleaned and, if applicable, disinfected according to policies and procedures designed to prevent, minimize, and control illness or infection; and
 - b. Free from a condition or situation that may cause a patient or other individual to suffer physical injury;
2. A pest control program is implemented and documented;
3. Biohazardous medical waste is identified, stored, and disposed of according to 18 A.A.C. 13, Article 14 and policies and procedures;
4. Equipment used at the behavioral health inpatient facility is:
 - a. Maintained in working order;
 - b. Tested and calibrated according to the manufacturer's recommendations or, if there are no manufacturer's recommendations, as specified in policies and procedures; and
 - c. Used according to the manufacturer's recommendations;
5. Documentation of equipment testing, calibration, and repair is maintained for at least 12 months after the date of the testing, calibration, or repair;
6. Garbage and refuse are:
 - a. In areas used for food storage, food preparation, or food service, stored in covered containers lined with plastic bags;
 - b. In areas not used for food storage, food preparation, or food service, stored:
 - i. According to the requirements in subsection (6)(a), or
 - ii. In a paper-lined container that is cleaned and sanitized as often as necessary to ensure that the container is clean; and
 - c. Removed from the premises at least once a week;
7. Heating and cooling systems maintain the behavioral health inpatient facility at a temperature between 70° F and 84° F;
8. Common areas:

- a. Are lighted to assure the safety of patients, and
 - b. Have lighting sufficient to allow personnel members to monitor patient activity;
- 9. Hot water temperatures are maintained between 95° F and 120° F in the areas of a behavioral health inpatient facility used by patients;
- 10. The supply of hot and cold water is sufficient to meet the personal hygiene needs of patients and the cleaning and sanitation requirements in this Article;
- 11. Soiled linen and soiled clothing stored by the behavioral health inpatient facility are maintained separate from clean linen and clothing and stored in closed containers away from food storage, kitchen, and dining areas;
- 12. Oxygen containers are secured in an upright position;
- 13. Poisonous or toxic materials stored by the behavioral health inpatient facility are maintained in labeled containers in a locked area separate from food preparation and storage, dining areas, and medications and are inaccessible to patients;
- 14. Combustible or flammable liquids and hazardous materials stored by a behavioral health inpatient facility are stored in the original labeled containers or safety containers in a locked area inaccessible to patients;
- 15. If pets or animals are allowed in the behavioral health inpatient facility, pets or animals are:
 - a. Controlled to prevent endangering the patients and to maintain sanitation;
 - b. Licensed consistent with local ordinances; and
 - c. For a dog or cat, vaccinated against rabies;
- 16. If a water source that is not regulated under 18 A.A.C. 4 by the Arizona Department of Environmental Quality is used:
 - a. The water source is tested at least once every 12 months for total coliform bacteria and fecal coliform or *E. coli* bacteria;
 - b. If necessary, corrective action is taken to ensure the water is safe to drink; and
 - c. Documentation of testing is maintained for at least 12 months after the date of the test; and
- 17. If a non-municipal sewage system is used, the sewage system is in working order and is maintained according to applicable state laws and rules.
- B.** An administrator shall ensure that:
 - 1. Smoking tobacco products is not permitted within a behavioral health inpatient facility; and
 - 2. Except as provided in R9-10-318(A)(11), smoking tobacco products may be permitted on the premises outside a behavioral health inpatient facility if:
 - a. Signs designating smoking areas are conspicuously posted, and
 - b. Smoking is prohibited in areas where combustible materials are stored or in use.
- C.** If a swimming pool is located on the premises, an administrator shall ensure that:
 - 1. At least one personnel member with cardiopulmonary resuscitation training that meets the requirements in R9-10-303(C)(1)(e) is present in the pool area when a patient is in the pool area, and
 - 2. At least two personnel members are present in the pool area when two or more patients are in the pool area.

R9-10-324. Physical Plant Standards

- A.** An administrator shall ensure that the premises and equipment are sufficient to accommodate:
 - 1. The services stated in the behavioral health inpatient facility's scope of services, and
 - 2. An individual accepted as a patient by the behavioral health inpatient facility.
- B.** An administrator shall ensure that:
 - 1. A behavioral health inpatient facility has a:
 - a. Waiting area with seating for patients and visitors;
 - b. Room that provides privacy for a patient to receive treatment or visitors; and
 - c. Common area and a dining area that:
 - i. Are not converted, partitioned, or otherwise used as a sleeping area; and
 - ii. Contain furniture and materials to accommodate the recreational and socialization needs of the patients and other individuals in the behavioral health inpatient facility;
 - 2. A bathroom is available for use by visitors during the behavioral health inpatient facility's hours of operation and:
 - a. Provides privacy; and
 - b. Contains:
 - i. A working sink with running water,
 - ii. A working toilet that flushes and has a seat,
 - iii. Toilet tissue,
 - iv. Soap for hand washing,
 - v. Paper towels or a mechanical air hand dryer,
 - vi. Lighting, and
 - vii. A window that opens or another means of ventilation;
 - 3. For every six patients, there is at least one working toilet that flushes and has a seat and one sink with running water;
 - 4. For every eight patients, there is at least one working bathtub or shower with a slip-resistant surface;
 - 5. A patient bathroom complies with the following:
 - a. Provides privacy when in use;
 - b. Contains:
 - i. A shatterproof mirror, unless the patient's treatment plan requires otherwise;
 - ii. A window that opens or another means of ventilation; and
 - iii. Nonporous surfaces for shower enclosures and slip-resistant surfaces in tubs and showers;
 - c. Has plumbing, piping, ductwork, or other potentially hazardous elements concealed above a ceiling;
 - d. If the bathroom or shower area has a door, the door swings outward to allow for staff emergency access;
 - e. If grab bars for the toilet and tub or shower or other assistive devices are identified in the patient's treatment plan, has grab bars or other assistive devices to provide for patient safety;
 - f. If a grab bar is provided, has the space between the grab bar and the wall filled to prevent a cord being tied around the grab bar;

Department of Health Services - Health Care Institutions: Licensing

- g. Does not contain a towel bar, a shower curtain rod, or a lever handle that is not a specifically designed anti-ligature lever handle;
 - h. Has tamper-resistant lighting fixtures, sprinkler heads, and electrical outlets; and
 - i. For a bathroom with a sprinkler head where a patient is not supervised while the patient is in the bathroom, has a sprinkler head that is recessed or designed to minimize patient access;
6. If a patient bathroom door locks from the inside, an employee has a key and access to the bathroom;
 7. Each patient is provided a bedroom for sleeping;
 8. A patient bedroom complies with the following:
 - a. Is not used as a common area;
 - b. Is not used as a passageway to another bedroom or bathroom unless the bathroom is for the exclusive use of the patient occupying the bedroom;
 - c. Contains a door that opens into a hallway, common area, or outdoors and, except as provided in subsection (E), another means of egress;
 - d. Is constructed and furnished to provide unimpeded access to the door;
 - e. Has window or door covers that provide patient privacy;
 - f. Has floor to ceiling walls;
 - g. Is a:
 - i. Private bedroom that contains at least 60 square feet of floor space, not including the closet; or
 - ii. Shared bedroom that:
 - (1) Is shared by no more than four patients;
 - (2) Contains, except as provided in subsection (B)(9), at least 60 square feet of floor space, not including a closet, for each patient occupying the bedroom; and
 - (3) Provides sufficient space between beds to ensure that a patient has unobstructed access to the bedroom door;
 - h. Contains for each patient occupying the bedroom:
 - i. A bed that is: at least 36 inches wide and at least 72 inches long, and consists of at least a frame and mattress and linens that is not a threat to health and safety; and
 - ii. Individual storage space for personal effects and clothing such as shelves, a dresser, or chest of drawers;
 - i. Has clean linen for each bed including mattress pad, sheets large enough to tuck under the mattress, pillows, pillow cases, bedspread, waterproof mattress covers as needed, and blankets to ensure warmth and comfort for each patient;
 - j. Has sufficient lighting for a patient occupying the bedroom to read; and
 - k. If applicable, has a drawer pull that is recessed to eliminate the possibility of use as a tie-off point;
 9. If a behavioral health inpatient facility licensed before November 1, 2003 was approved for 50 square feet of floor space for each patient in a bedroom, ensure that the bedroom contains at least 50 square feet for each patient not including the closet;
 10. In a patient bathroom or a patient bedroom:
 - a. The ceiling is secured from access or at least 9 feet in height; and
 - b. A ventilation grille is:
 - i. Secured and has perforations that are too small to use as a tie-off point, or
 - ii. Of sufficient height to prevent patient access;
 11. For a door located in an area of the behavioral health inpatient facility that is accessible to patients:
 - a. A door closing device, if used on a patient bedroom door, is mounted on the public side of the door;
 - b. A door's hinges are designed to minimize points for hanging;
 - c. Except for a door lever handle that contains specifically designed anti-ligature hardware, a door lever handle points downward when in the latched or unlatched position; and
 - d. Hardware has tamper-resistant fasteners; and
 12. A window located in an area of the behavioral health inpatient facility that is accessible to patients is fabricated with laminated safety glass or protected by polycarbonate, laminate, or safety screens.
- C. An administrator of a licensed behavioral health inpatient facility may submit a request, in a Department-provided format, for additional time to comply with a physical plant requirement in subsection (B)(5)(c) through (B)(5)(i), (B)(10), (B)(11), or (B)(12) that includes:
 1. The rule citation for the specific plant requirement,
 2. The current physical plant condition that does not comply with the physical plant requirement,
 3. How the current physical plant condition will be changed to comply with the physical plant requirement,
 4. Estimated completion date of the identified physical plant change, and
 5. Specific actions taken to ensure the health and safety of a patient until the physical plant requirement is met.
 - D. When the Department receives a request for additional time to comply with a physical plant requirement in subsection (B)(5)(c) through (B)(5)(i), (B)(10), (B)(11), or (B)(12) submitted according to subsection (C), the Department may approve the request for up to 24 months after the effective date of these rules based on:
 1. The behavioral health inpatient facility's scope of services,
 2. The expected patient acuity based on the behavioral health inpatient facility's scope of services,
 3. The specific physical plant requirement in the request, and
 4. The threat to patients' health and safety.
 - E. A bedroom in a behavioral health inpatient facility is not required to have a second means of egress if:
 1. An administrator ensures that policies and procedures are established, documented, and implemented that provide for the safe evacuation of a patient in the bedroom based on the patient's physical and mental limitations and the location of the bedroom; or
 2. The building where the bedroom is located has a fire alarm system and a sprinkler system required in R9-10-322(A)(1).
 - F. If a swimming pool is located on the premises, an administrator shall ensure that:
 1. The swimming pool is enclosed by a wall or fence that:
 - a. Is at least five feet in height as measured on the exterior of the wall or fence;
 - b. Has no vertical openings greater than four inches across;
 - c. Has no horizontal openings, except as described in subsection (F)(1)(e);
 - d. Is not chain-link;
 - e. Does not have a space between the ground and the bottom fence rail that exceeds four inches in height; and
 - f. Has a self-closing, self-latching gate that:

Department of Health Services - Health Care Institutions: Licensing

- i. Opens away from the swimming pool,
 - ii. Has a latch located at least 54 inches from the ground, and
 - iii. Is locked when the swimming pool is not in use; and
2. A life preserver or shepherd's crook is available and accessible in the pool area.

- G.** An administrator shall ensure that a spa that is not enclosed by a wall or fence as described in subsection (F)(1) is covered and locked when not in use

B. An administrator shall ensure that:

1. Policies and procedures for medication administration:

- a. Are reviewed and approved by the director of nursing;
 - b. Specify the individuals who may:
 - i. Order medication, and
 - ii. Administer medication;
 - c. Ensure that medication is administered to a resident only as prescribed; and
 - d. Cover the documentation of a resident's refusal to take prescribed medication in the resident's medical record;
2. Verbal orders for medication services are taken by a nurse, unless otherwise provided by law;
 3. A medication administered to a resident:
 - a. Is administered in compliance with an order, and
 - b. Is documented in the resident's medical record; and
 4. If a psychotropic medication is administered to a resident, the psychotropic medication:
 - a. Is only administered to a resident for a diagnosed medical condition; and
 - b. Unless clinically contraindicated or otherwise ordered by an attending physician or the attending physician's designee, is gradually reduced in dosage while the resident is simultaneously provided with interventions such as behavior and environment modification in an effort to discontinue the psychotropic medication, unless a dose reduction is attempted and the resident displays behavior justifying the need for the psychotropic medication, and the attending physician documents the necessity for the continued use and dosage.

C. An administrator shall ensure that:

1. A current drug reference guide is available for use by personnel members; and
2. If pharmaceutical services are provided:
 - a. The pharmaceutical services are provided under the direction of a pharmacist;
 - b. The pharmaceutical services comply with ARS Title 36, Chapter 27; A.R.S. Title 32, Chapter 18; and 4 A.A.C. 23; and
 - c. A copy of the pharmacy license is provided to the Department upon request.

D. When medication is stored at a nursing care institution, an administrator shall ensure that:

1. Medication is stored in a separate locked room, closet, or self-contained unit used only for medication storage;
2. Medication is stored according to the instructions on the medication container; and
3. Policies and procedures are established, documented, and implemented to protect the health and safety of a resident for:
 - a. Receiving, storing, inventorying, tracking, dispensing, and discarding medication including expired medication;
 - b. Discarding or returning prepackaged and sample medication to the manufacturer if the manufacturer requests the discard or return of the medication;
 - c. A medication recall and notification of residents who received recalled medication; and
 - d. Storing, inventorying, and dispensing controlled substances.

E. An administrator shall ensure that a personnel member immediately reports a medication error or a resident's adverse reaction to a medication to the medical practitioner who ordered the medication and the nursing care institution's director of nursing.

R9-10-423. Food Services

A. An administrator shall ensure that:

1. The nursing care institution has a license or permit as a food establishment under 9 A.A.C. 8, Article 1;
2. A copy of the nursing care institution's food establishment license or permit is maintained;
3. If a nursing care institution contracts with a food establishment, as established in 9 A.A.C. 8, Article 1, to prepare and deliver food to the nursing care institution:
 - a. A copy of the contracted food establishment's license or permit under 9 A.A.C. 8, Article 1 is maintained by the nursing care institution; and
 - b. The nursing care institution is able to store, refrigerate, and reheat food to meet the dietary needs of a resident;
4. A registered dietitian:
 - a. Reviews a food menu before the food menu is used to ensure that a resident's nutritional needs are being met,
 - b. Documents the review of a food menu, and
 - c. Is available for consultation regarding a resident's nutritional needs; and
5. If a registered dietitian is not employed full-time, an individual is designated as a director of food services who consults with a registered dietitian as often as necessary to ensure that the nutritional needs of a resident are met.

B. A registered dietitian or director of food services shall ensure that:

1. Food is prepared:
 - a. Using methods that conserve nutritional value, flavor, and appearance; and
 - b. In a form to meet the needs of a resident such as cut, chopped, ground, pureed, or thickened;
2. A food menu:
 - a. Is prepared at least one week in advance,
 - b. Includes the foods to be served on each day,
 - c. Is conspicuously posted at least one day before the first meal on the food menu will be served,
 - d. Includes any food substitution no later than the morning of the day of meal service with a food substitution, and
 - e. Is maintained for at least 60 calendar days after the last day included in the food menu;
3. Meals and snacks for each day are planned and served using the applicable guidelines in <http://www.health.gov/dietaryguidelines/2010.asp>;
4. A resident is provided:
 - a. A diet that meets the resident's nutritional needs as specified in the resident's comprehensive assessment and care plan;
 - b. Three meals a day with not more than 14 hours between the evening meal and breakfast except as provided in subsection (B)(4)(d);
 - c. The option to have a daily evening snack identified in subsection (B)(4)(d)(ii) or other snack; and
 - d. The option to extend the time span between the evening meal and breakfast from 14 hours to 16 hours if:

Department of Health Services - Health Care Institutions: Licensing

- i. A resident group agrees; and
 - ii. The resident is offered an evening snack that includes meat, fish, eggs, cheese, or other protein, and a serving from either the fruit and vegetable food group or the bread and cereal food group;
 - 5. A resident is provided with food substitutions of similar nutritional value if:
 - a. The resident refuses to eat the food served, or
 - b. The resident requests a substitution;
 - 6. Recommendations and preferences are requested from a resident or the resident's representative for meal planning;
 - 7. A resident requiring assistance to eat is provided with assistance that recognizes the resident's nutritional, physical, and social needs, including the use of adaptive eating equipment or utensils;
 - 8. Tableware, utensils, equipment, and food-contact surfaces are clean and in good repair;
 - 9. A resident eats meals in a dining area unless the resident chooses to eat in the resident's room or is confined to the resident's room for medical reasons documented in the resident's medical record; and
 - 10. Water is available and accessible to residents.
- C. If a nursing care institution has nutrition and feeding assistants, an administrator shall ensure that:
- 1. A nutrition and feeding assistant:
 - a. Is at least 16 years of age;
 - b. If applicable, complies with the fingerprint clearance card requirements in A.R.S. § 36-411;
 - c. Completes a nutrition and feeding assistant training course within 12 months before initially providing nutrition and feeding assistance;
 - d. Provides nutrition and feeding assistance where nursing personnel are present;
 - e. Immediately reports an emergency to a nurse or, if a nurse is not present in the common area, to nursing personnel; and
 - f. If the nutrition and feeding assistant observes a change in a resident's physical condition or behavior, reports the change to a nurse or, if a nurse is not present in the common area, to nursing personnel;
 - 2. A resident is not eligible to receive nutrition and feeding assistance from a nutrition and feeding assistant if the resident:
 - a. Has difficulty swallowing,
 - b. Has had recurrent lung aspirations,
 - c. Requires enteral feedings,
 - d. Requires parenteral feedings, or
 - e. Has any other eating or drinking difficulty that may cause the resident's health or safety to be compromised if the resident receives nutrition and feeding assistance from a nutrition and feeding assistant;
 - 3. Only an eligible resident receives nutrition and feeding assistance from a nutrition and feeding assistant;
 - 4. A nurse determines if a resident is eligible to receive nutrition and feeding assistance from a nutrition and feeding assistant, based on:
 - a. The resident's comprehensive assessment,
 - b. The resident's care plan, and
 - c. An assessment conducted by the nurse when making the determination;
 - 5. A method is implemented that identifies eligible residents that ensures only eligible residents receive nutrition and feeding assistance from a nutrition and feeding assistant;
 - 6. When a nutrition and feeding assistant initially provides nutrition and feeding assistance and at least once every

three months, a nurse observes the nutrition and feeding assistant while the nutrition and feeding assistant is providing nutrition and feeding assistance to ensure that the nutrition and feeding assistant is providing nutrition and feeding assistance appropriately;

- 7. A nurse documents the nurse's observations required in subsection (C)(6); and
- 8. A nutrition and feeding assistant is provided additional training:
 - a. According to policies and procedures, and
 - b. If a nurse identifies a need for additional training based on the nurse's observation in subsection (C)(6).

R9-10-427. Quality Rating**A.** As required in A.R.S. § 36-425.02(A), the Department shall issue a quality rating to each licensed nursing care institution based on the results of a compliance survey.**B.** The following quality ratings are established:

1. A quality rating of "A" for excellent is issued if the nursing care institution achieves a score of 90 to 100 points,
2. A quality rating of "B" is issued if the nursing care institution achieves a score of 80 to 89 points,
3. A quality rating of "C" is issued if the nursing care institution achieves a score of 70 to 79 points, and
4. A quality rating of "D" is issued if the nursing care institution achieves a score of 69 or fewer points.

C. The quality rating is determined by the total number of points awarded based on the following criteria:

1. Nursing Services:
 - a. 15 points: The nursing care institution is implementing a system that ensures residents are provided nursing services to maintain the resident's highest practicable physical, mental, and psychosocial well-being according to the resident's comprehensive assessment and care plan.
 - b. 5 points: The nursing care institution ensures that each resident is free from medication errors that resulted in actual harm.
 - c. 5 points: The nursing care institution ensures the resident's representative is notified and the resident's attending physician is consulted if a resident has a significant change in condition or if the resident is in an incident that requires medical services.
2. Resident Rights:
 - a. 10 points: The nursing care institution is implementing a system that ensures a resident's privacy needs are met.
 - b. 10 points: The nursing care institution ensures that a resident is free from physical and chemical restraints for purposes other than to treat the resident's medical condition.

Department of Health Services - Health Care Institutions: Licensing

- c. 5 points: The nursing care institution ensures that a resident or the resident's representative is allowed to participate in the planning of, or decisions concerning treatment including the right to refuse treatment and to formulate a health care directive.
- 3. Administration:
 - a. 10 points: The nursing care institution has no repeat deficiencies that resulted in actual harm or immediate jeopardy to residents that were cited during the last survey or other survey or complaint investigation conducted between the last survey and the current survey.
 - b. 5 points: The nursing care institution is implementing a system to prevent abuse of a resident and misappropriation of resident property, investigate each allegation of abuse of a resident and misappropriation of resident's property, and report each allegation of abuse of a resident and misappropriation of resident's property to the Department and as required by A.R.S. § 46-454.
 - c. 5 points: The nursing care institution is implementing a quality management program that addresses nursing care institution services provided to residents, resident complaints, and resident concerns, and documents actions taken for response, resolution, or correction of issues about nursing care institution services provided to residents, resident complaints, and resident concerns.
 - d. 1 point: The nursing care institution is implementing a system to provide social services and a program of ongoing recreational activities to meet the resident's needs based on the resident's comprehensive assessment.
 - e. 1 point: The nursing care institution is implementing a system to ensure that records documenting freedom from infectious pulmonary tuberculosis are maintained for each personnel member, volunteer, and resident.
 - f. 2 points: The nursing care institution is implementing a system to ensure that a resident is free from unnecessary drugs.
 - g. 1 point: The nursing care institution is implementing a system to ensure a personnel member attends in-service education according to policies and procedures.
- 4. Environment and Infection Control:
 - a. 5 points: The nursing care institution environment is free from a condition or situation within the nursing care institution's control that may cause a resident injury.
 - b. 1 point: The nursing care institution establishes and maintains a pest control program.
 - c. 1 point: The nursing care institution develops a written disaster plan that includes procedures for protecting the health and safety of residents.
 - d. 1 point: The nursing care institution ensures orientation to the disaster plan for each personnel member is completed within the first scheduled week of employment.
 - e. 1 point: The nursing care institution maintains a clean and sanitary environment.
 - f. 5 points: The nursing care institution is implementing a system to prevent and control infection.
 - g. 1 point: An employee cleans the employee's hands after each direct resident contact or when hand cleaning is indicated to prevent the spread of infection.
- 5. Food Services:
 - a. 1 point: The nursing care institution complies with 9 A.A.C. 8, Article 1, for food preparation, storage and handling as evidenced by a current food establishment license.
 - b. 3 points: The nursing care institution provides each resident with food that meets the resident's needs as specified in the resident's comprehensive assessment and care plan.
 - c. 2 points: The nursing care institution obtains input from each resident or the resident's representative and implements recommendations for meal planning and food choices consistent with the resident's dietary needs.
 - d. 2 points: The nursing care institution provides assistance to a resident who needs help in eating so that the resident's nutritional, physical, and social needs are met.
 - e. 1 point: The nursing care institution prepares menus at least one week in advance, conspicuously posts each menu, and adheres to each planned menu unless an uncontrollable situation such as food spoilage or non-delivery of a specified food requires substitution.
 - f. 1 point: The nursing care institution provides food substitution of similar nutritive value for residents who refuse the food served or who request a substitution.
- D. A nursing care institution's quality rating remains in effect until a survey is conducted by the Department for the next renewal period except as provided in subsection (E).
- E. If the Department issues a provisional license, the current quality rating is terminated. A provisional licensee may submit an application for a substantial compliance survey. If the Department determines that, as a result of a substantial compliance survey, the nursing care institution is in substantial compliance, the Department shall issue a new quality rating according to subsection (C).
- F. The issuance of a quality rating does not preclude the Department from seeking a civil penalty as provided in A.R.S. § 36-431.01, or suspension or revocation of a license as provided in A.R.S. § 36-427.

- E.** A manager shall ensure that, unless otherwise stated:
1. Documentation required by this Article is provided to the Department within two hours after a Department request; and
 2. When documentation or information is required by this Chapter to be submitted on behalf of an assisted living facility, the documentation or information is provided to the unit in the Department that is responsible for licensing and monitoring the assisted living facility.
- F.** If a requirement in this Article states that a manager shall ensure an action or condition or sign a document:
1. A governing authority or licensee may ensure the action or condition or sign the document and retain the responsibility to ensure compliance with the requirement in this Article;
 2. The manager may delegate ensuring the action or condition or signing the document to another individual, but the manager retains the responsibility to ensure compliance with the requirement in the Article; and
 3. If the manager delegates ensuring an action or condition or signing a document, the delegation is documented and the documentation includes the name of the individual to whom the action, condition, or signing is delegated and the effective date of the delegation.
- G.** A manager shall:
1. Not act as a resident's representative and not allow an employee or a family member of an employee to act as a resident's representative for a resident who is not a family member of the employee;
 2. If the assisted living facility administers personal funds accounts for residents and is authorized in writing by a resident or the resident's representative to administer a personal funds account for the resident:
 - a. Ensure that the resident's personal funds account does not exceed \$2,000;
 - b. Maintain a separate record for each resident's personal funds account, including receipts and expenditures;
 - c. Maintain the resident's personal funds account separate from any account of the assisted living facility; and
 - d. Provide a copy of the record of the resident's personal funds account to the resident or the resident's representative at least once every three months;
 3. Notify the resident's representative, family member, public fiduciary, or trust officer if the manager determines that a resident is incapable of handling financial affairs; and
 4. Except when a resident's need for assisted living services changes, as documented in the resident's service plan, ensure that a resident receives at least 30 calendar days written notice before any increase in a fee or charge.
- H.** A manager shall permit the Department to interview an employee, a volunteer, or a resident as part of a compliance survey or a complaint investigation.
- I.** If abuse, neglect, or exploitation of a resident is alleged or suspected to have occurred before the resident was accepted or while the resident is not on the premises and not receiving services from an assisted living facility's manager, caregiver, or assistant caregiver, the manager shall report the alleged or suspected abuse, neglect, or exploitation of the resident according to A.R.S. § 46-454.
- J.** If a manager has a reasonable basis, according to A.R.S. § 46-454, to believe abuse, neglect or exploitation has occurred on the premises or while a resident is receiving services from an assisted living facility's manager, caregiver, or assistant caregiver, the manager shall:
1. If applicable, take immediate action to stop the suspected abuse, neglect, or exploitation;
 2. Report the suspected abuse, neglect, or exploitation of the resident according to A.R.S. § 46-454;
 3. Document:
 - a. The suspected abuse, neglect, or exploitation;
 - b. Any action taken according to subsection (J)(1); and
 - c. The report in subsection (J)(2);
 4. Maintain the documentation in subsection (J)(3) for at least 12 months after the date of the report in subsection (J)(2);
 5. Initiate an investigation of the suspected abuse, neglect, or exploitation and document the following information within five working days after the report required in subsection (J)(2):
 - a. The dates, times, and description of the suspected abuse, neglect, or exploitation;
 - b. A description of any injury to the resident related to the suspected abuse or neglect and any change to the resident's physical, cognitive, functional, or emotional condition;
 - c. The names of witnesses to the suspected abuse, neglect, or exploitation; and

- d. The actions taken by the manager to prevent the suspected abuse, neglect, or exploitation from occurring in the future; and
- 6. Maintain a copy of the documented information required in subsection (J)(5) for at least 12 months after the date the investigation was initiated.
- K.** A manager shall provide written notification to the Department of a resident's:
 - 1. Death, if the resident's death is required to be reported according to A.R.S. § 11-593, within one working day after the resident's death; and
 - 2. Self-injury, within two working days after the resident inflicts a self-injury that requires immediate intervention by an emergency services provider.
- L.** If a resident is receiving services from a home health agency or hospice service agency, a manager shall ensure that:
 - 1. The resident's medical record contains:
 - a. The name, address, and contact individual, including contact information, of the home health agency or hospice service agency;
 - b. Any information provided by the home health agency or hospice service agency; and
 - c. A copy of resident follow-up instructions provided to the resident by the home health agency or hospice service agency; and
 - 2. Any care instructions for a resident provided to the assisted living facility by the home health agency or hospice service agency are:
 - a. Within the assisted living facility's scope of services,
 - b. Communicated to a caregiver, and
 - c. Documented in the resident's service plan.
- M.** A manager of an assisted living home may establish, in policies and procedures, requirements that a caregiver obtains and provides documentation of cardiopulmonary resuscitation training specific to adults, which includes a demonstration of the caregiver's ability to perform cardiopulmonary resuscitation, from one of the following organizations:
 - 1. American Red Cross,
 - 2. American Heart Association, or
 - 3. National Safety Council.
- 1. A plan is established, documented, and implemented for an ongoing quality management program that, at a minimum, includes:
 - a. A method to identify, document, and evaluate incidents;
 - b. A method to collect data to evaluate services provided to residents;
 - c. A method to evaluate the data collected to identify a concern about the delivery of services related to resident care;
 - d. A method to make changes or take action as a result of the identification of a concern about the delivery of services related to resident care; and
 - e. The frequency of submitting a documented report required in subsection (2) to the governing authority;
- 2. A documented report is submitted to the governing authority that includes:
 - a. An identification of each concern about the delivery of services related to resident care, and
 - b. Any change made or action taken as a result of the identification of a concern about the delivery of services related to resident care; and
- 3. The report required in subsection (2) and the supporting documentation for the report are maintained for at least 12 months after the date the report is submitted to the governing authority.

R9-10-807. Residency and Residency Agreements

- A. Except as provided in R9-10-808(B)(2), a manager shall ensure that a resident provides evidence of freedom from infectious tuberculosis:
 1. Before or within seven calendar days after the resident's date of occupancy; and
 2. As specified in R9-10-113.
- B. A manager shall ensure that before or at the time of acceptance of an individual, the individual submits documentation that is dated within 90 calendar days before the individual is accepted by an assisted living facility and:
 1. If an individual is requesting or is expected to receive supervisory care services, personal care services, or directed care services:
 - a. Includes whether the individual requires:
 - i. Continuous medical services,
 - ii. Continuous or intermittent nursing services, or
 - iii. Restraints; and
 - b. Is dated and signed by a:
 - i. Physician,
 - ii. Registered nurse practitioner,
 - iii. Registered nurse, or
 - iv. Physician assistant; and
 2. If an individual is requesting or is expected to receive behavioral health services, other than behavioral care, in addition to supervisory care services, personal care services, or directed care services from an assisted living facility:
 - a. Includes whether the individual requires continuous behavioral health services; and
 - b. Is signed and dated by a behavioral health professional.
- C. A manager shall not accept or retain an individual if:
 1. The individual requires continuous:
 - a. Medical services;
 - b. Nursing services, unless the assisted living facility complies with A.R.S. § 36-401(C); or
 - c. Behavioral health services;
 2. The assisted living services needed by the individual are not within the assisted living facility's scope of services;
 3. The assisted living facility does not have the ability to provide the assisted living services needed by the individual; or
 4. The individual requires restraints, including the use of bedrails.
- D. Before or at the time of an individual's acceptance by an assisted living facility, a manager shall ensure that there is a documented residency agreement with the assisted living facility that includes:
 1. The individual's name;
 2. Terms of occupancy, including:
 - a. Date of occupancy or expected date of occupancy,
 - b. Resident responsibilities, and

 - 4. A list of the services available from the assisted living facility at an additional fee or charge;
 - 5. For an assisted living home, whether the manager or a caregiver is awake during nighttime hours;
 - 6. The policy for refunding fees, charges, or deposits;
 - 7. The policy and procedure for a resident to terminate residency, including terminating residency because services were not provided to the resident according to the resident's service plan;
 - 8. The policy and procedure for an assisted living facility to terminate residency;
 - 9. The complaint process; and
 - 10. The manager's signature and date signed.
- E.** Before or within five working days after a resident's acceptance by an assisted living facility, a manager shall obtain on the documented agreement, required in subsection (D), the signature of one of the following individuals:
- 1. The resident,
 - 2. The resident's representative,
 - 3. The resident's legal guardian, or
 - 4. Another individual who has been designated by the individual under A.R.S. § 36-3221 to make health care decisions on the individual's behalf.
- F.** A manager shall:
- 1. Before or at the time of an individual's acceptance by an assisted living facility, provide to the resident or resident's representative a copy of:
 - a. The residency agreement in subsection (D),
 - b. Resident's rights, and
 - c. The policy and procedure on health care directives; and
 - 2. Maintain the original of the residency agreement in subsection (D) in the resident's medical record.
- G.** A manager may terminate residency of a resident as follows:
- 1. Without notice, if the resident exhibits behavior that is an immediate threat to the health and safety of the resident or other individuals in an assisted living facility;
 - 2. With a 14 calendar day written notice of termination of residency:
 - a. For nonpayment of fees, charges, or deposit; or
 - b. Under any of the conditions in subsection (C); or
 - 3. With a 30 calendar day written notice of termination of residency, for any other reason.
- H.** A manager shall ensure that a written notice of termination of residency includes:
- 1. The date of notice;
 - 2. The reason for termination;
 - 3. The policy for refunding fees, charges, or deposits;
 - 4. The deposition of a resident's fees, charges, and deposits; and
 - 5. Contact information for the State Long-Term Care Ombudsman.
- I.** A manager shall provide the following to a resident when the manager provides a written notice of termination of residency:
- 1. A copy of the resident's current service plan, and
 - 2. Documentation of the resident's freedom from infectious tuberculosis.
- J.** If an assisted living facility issues a written notice of termination of residency to a resident or the resident's representative because the resident needs services the assisted living facility is either not licensed to provide or is licensed to provide but not able to provide, a manager shall ensure that the written notice of termination of residency includes a description of the

specific services that the resident needs that the assisted living facility is either not licensed to provide or is licensed to provide but not able to provide.

R9-10-816. Medication Services

- A.** A manager shall ensure that:
- 1. Policies and procedures for medication services include:
 - a. Procedures for preventing, responding to, and reporting a medication error;
 - b. Procedures for responding to and reporting an unexpected reaction to a medication;
 - c. Procedures to ensure that a resident's medication regimen and method of administration is reviewed by a medical practitioner to ensure the medication regimen meets the resident's needs;
 - d. Procedures for:
 - i. Documenting, as applicable, medication administration and assistance in the self-administration of medication; and
 - ii. Monitoring a resident who self-administers medication;
 - e. Procedures for assisting a resident in procuring medication; and
 - f. If applicable, procedures for providing medication administration or assistance in the self-administration of medication off the premises; and
 - 2. If a verbal order for a resident's medication is received from a medical practitioner by the assisted living facility:
 - a. The manager or a caregiver takes the verbal order from the medical practitioner,
 - b. The verbal order is documented in the resident's medical record, and
 - c. A written order verifying the verbal order is obtained from the medical practitioner within 14 calendar days after receiving the verbal order.
- B.** If an assisted living facility provides medication administration, a manager shall ensure that:
- 1. Medication is stored by the assisted living facility;
 - 2. Policies and procedures for medication administration:
 - a. Are reviewed and approved by a medical practitioner, registered nurse, or pharmacist;
- b. Include a process for documenting an individual, authorized, according to the definition of "administer" in A.R.S. § 32-1901, by a medical practitioner to administer medication under the direction of the medical practitioner;
 - c. Ensure that medication is administered to a resident only as prescribed; and
 - d. Cover the documentation of a resident's refusal to take prescribed medication in the resident's medical record; and
3. A medication administered to a resident:
- a. Is administered by an individual under direction of a medical practitioner,
 - b. Is administered in compliance with a medication order, and
 - c. Is documented in the resident's medical record.
- C.** If an assisted living facility provides assistance in the self-administration of medication, a manager shall ensure that:
- 1. A resident's medication is stored by the assisted living facility;
 - 2. The following assistance is provided to a resident:
 - a. A reminder when it is time to take the medication;
 - b. Opening the medication container or medication organizer for the resident;
 - c. Observing the resident while the resident removes the medication from the container or medication organizer;
 - d. Except when a resident uses a medication organizer, verifying that the medication is taken as ordered by the resident's medical practitioner by confirming that:
 - i. The resident taking the medication is the individual stated on the medication container label,
 - ii. The resident is taking the dosage of the medication stated on the medication container label or according to an order from a medical practitioner dated later than the date on the medication container label, and
 - iii. The resident is taking the medication at the time stated on the medication container label or according to an order from a medical practitioner dated later than the date on the medication container label;
 - e. For a resident using a medication organizer, verifying that the resident is taking the medication in the medication organizer according to the schedule specified on the medical practitioner's order; or
 - f. Observing the resident while the resident takes the medication;
 - 3. Policies and procedures for assistance in the self-administration of medication are reviewed and approved by a medical practitioner or nurse; and
 - 4. Assistance in the self-administration of medication provided to a resident:
 - a. Is in compliance with an order, and
 - b. Is documented in the resident's medical record.
- D.** A manager shall ensure that:
- 1. A current drug reference guide is available for use by personnel members, and
 - 2. A current toxicology reference guide is available for use by personnel members.
- E.** A manager shall ensure that a resident's medication organizer is only filled by:
- 1. The resident;
 - 2. The resident's representative;
 - 3. A family member of the resident;

Department of Health Services - Health Care Institutions: Licensing

4. A personnel member of a home health agency or hospice service agency; or
 5. The manager or a caregiver who has been designated and is under the direction of a medical practitioner, according to subsection (B)(2)(b).
- F.** When medication is stored by an assisted living facility, a manager shall ensure that:
1. Medication is stored in a separate locked room, closet, cabinet, or self-contained unit used only for medication storage;
 2. Medication is stored according to the instructions on the medication container; and
 3. Policies and procedures are established, documented, and implemented for:
 - a. Receiving, storing, inventorying, tracking, dispensing, and discarding medication including expired medication;
 - b. Discarding or returning prepackaged and sample medication to the manufacturer if the manufacturer requests the discard or return of the medication;
 - c. A medication recall and notification of residents who received recalled medication; and
 - d. Storing, inventorying, and dispensing controlled substances.
- G.** A manager shall ensure that a caregiver immediately reports a medication error or a resident's unexpected reaction to a medication to the medical practitioner who ordered the medication or, if the medical practitioner who ordered the medication is not available, another medical practitioner.
- H.** If medication is stored by a resident in the resident's bedroom or residential unit, a manager shall ensure that:
1. The medication is stored according to the resident's service plan; or
 2. If the medication is not being stored according to the resident's service plan, the resident's service plan is updated to include how the medication is being stored by the resident.

R9-10-818. Emergency and Safety Standards

- A.** A manager shall ensure that:
 1. A disaster plan is developed, documented, maintained in a location accessible to caregivers and assistant caregivers, and, if necessary, implemented that includes:
 - a. When, how, and where residents will be relocated;
 - b. How a resident's medical record will be available to individuals providing services to the resident during a disaster;
 - c. A plan to ensure each resident's medication will be available to administer to the resident during a disaster; and
 - d. A plan for obtaining food and water for individuals present in the assisted living facility or the assisted living facility's relocation site during a disaster;
 2. The disaster plan required in subsection (A)(1) is reviewed at least once every 12 months;
 3. Documentation of the disaster plan review required in subsection (A)(2) includes:
 - a. The date and time of the disaster plan review;
 - b. The name of each employee or volunteer participating in the disaster plan review;
 - c. A critique of the disaster plan review; and
 - d. If applicable, recommendations for improvement;
 4. A disaster drill for employees is conducted on each shift at least once every three months and documented;
 5. An evacuation drill for employees and residents:
 - a. Is conducted at least once every six months; and
 - b. Includes all individuals on the premises except for:
 - i. A resident whose medical record contains documentation that evacuation from the assisted living facility would cause harm to the resident, and
 - ii. Sufficient caregivers to ensure the health and safety of residents not evacuated according to subsection (A)(5)(b)(i);
 6. Documentation of each evacuation drill is created, is maintained for at least 12 months after the date of the evacuation drill, and includes:
 - a. The date and time of the evacuation drill;
 - b. The amount of time taken for employees and residents to evacuate the assisted living facility;
 - c. If applicable:
 - i. An identification of residents needing assistance for evacuation, and
 - ii. An identification of residents who were not evacuated;
 - d. Any problems encountered in conducting the evacuation drill; and
 - e. Recommendations for improvement, if applicable; and
 7. An evacuation path is conspicuously posted in each hallway of each floor of the assisted living facility.
- B.** A manager shall ensure that:
 1. A resident receives orientation to the exits from the assisted living facility and the route to be used when evacuating the assisted living facility within 24 hours after the resident's acceptance by the assisted living facility, and
 2. The resident's orientation is documented.
- C.** A manager shall ensure that a first-aid kit is maintained in the assisted living facility in a location accessible to caregivers and assistant caregivers.
- D.** When a resident has an accident, emergency, or injury that results in the resident needing medical services, a manager shall ensure that a caregiver or an assistant caregiver:
 1. Immediately notifies the resident's emergency contact and primary care provider; and
 2. Documents the following:
 - a. The date and time of the accident, emergency, or injury;
 - b. A description of the accident, emergency, or injury;
 - c. The names of individuals who observed the accident, emergency, or injury;
 - d. The actions taken by the caregiver or assistant caregiver;
 - e. The individuals notified by the caregiver or assistant caregiver; and
 - f. Any action taken to prevent the accident, emergency, or injury from occurring in the future.
- E.** A manager of an assisted living center shall ensure that:
 1. Unless the assisted living center has documentation of having received an exception from the Department before October 1, 2013, in the areas of the assisted living center providing personal care services or directed care services:
 - a. A fire alarm system is installed according to the National Fire Protection Association 72: National Fire Alarm and Signaling Code, incorporated by reference in A.A.C. R9-1-412, and is in working order; and
 - b. A sprinkler system is installed according to the National Fire Protection Association 13 Standard for the Installation of Sprinkler Systems, incorporated by reference in A.A.C. R9-1-412, and is in working order;
 2. For the areas of the assisted living center providing only supervisory care services:
 - a. A fire alarm system and a sprinkler system meeting the requirements in subsection (E)(1) are installed and in working order, or
 - b. The assisted living center complies with the requirements in subsection (F);
 3. A fire inspection is conducted by a local fire department or the State Fire Marshal before initial licensing and according to the time-frame established by the local fire department or the State Fire Marshal;
 4. Any repairs or corrections stated on the fire inspection report are made; and
 5. Documentation of a current fire inspection is maintained.
- F.** A manager of an assisted living home shall ensure that:
 1. A fire extinguisher that is labeled as rated at least 2A-10-BC by the Underwriters Laboratories is mounted and maintained in the assisted living home;
 2. A disposable fire extinguisher is replaced when its indicator reaches the red zone;
 3. A rechargeable fire extinguisher:
 - a. Is serviced at least once every 12 months, and

Department of Health Services - Health Care Institutions: Licensing

- b. Has a tag attached to the fire extinguisher that specifies the date of the last servicing and the identification of the person who serviced the fire extinguisher;
 - 4. Except as provided in subsection (G):
 - a. A smoke detector is:
 - i. Installed in each bedroom, hallway that adjoins a bedroom, storage room, laundry room, attached garage, and room or hallway adjacent to the kitchen, and other places recommended by the manufacturer;
 - ii. Either battery operated or, if hard-wired into the electrical system of the assisted living home, has a back-up battery;
 - iii. In working order; and
 - iv. Tested at least once a month; and
 - b. Documentation of the test required in subsection (F)(4)(a)(iv) is maintained for at least 12 months after the date of the test;
 - 5. An appliance, light, or other device with a frayed or spliced electrical cord is not used at the assisted living home; and
 - 6. An electrical cord, including an extension cord, is not run under a rug or carpeting, over a nail, or from one room to another at the assisted living home.
- G. A manager of an assisted living home may use a fire alarm system and a sprinkler system to ensure the safety of residents if the fire alarm system and sprinkler system:
 - 1. Are installed and in working order, and
 - 2. Meet the requirements in subsection (E)(1).

R9-10-819. Environmental Standards

- A. A manager shall ensure that:
 - 1. The premises and equipment used at the assisted living facility are:
 - a. Cleaned and, if applicable, disinfected according to policies and procedures designed to prevent, minimize, and control illness or infection; and
 - b. Free from a condition or situation that may cause a resident or other individual to suffer physical injury;
 - 2. A pest control program is implemented and documented;
 - 3. Garbage and refuse are:
 - a. Stored in covered containers lined with plastic bags, and
 - b. Removed from the premises at least once a week;
 - 4. Heating and cooling systems maintain the assisted living facility at a temperature between 70° F and 84° F at all times, unless individually controlled by a resident;
 - 5. Common areas:
 - a. Are lighted to ensure the safety of residents, and
 - b. Have lighting sufficient to allow caregivers and assistant caregivers to monitor resident activity;
 - 6. Hot water temperatures are maintained between 95° F and 120° F in areas of an assisted living facility used by residents;
 - 7. The supply of hot and cold water is sufficient to meet the personal hygiene needs of residents and the cleaning and sanitation requirements in this Article;
 - 8. A resident has access to a laundry service or a washing machine and dryer in the assisted living facility;
 - 9. Soiled linen and soiled clothing stored by the assisted living facility are maintained separate from clean linen and clothing and stored in closed containers away from food storage, kitchen, and dining areas;
 - 10. Oxygen containers are secured in an upright position;
 - 11. Poisonous or toxic materials stored by the assisted living facility are maintained in labeled containers in a locked area separate from food preparation and storage, dining areas, and medications and are inaccessible to residents;
 - 12. Combustible or flammable liquids and hazardous materials stored by the assisted living facility are stored in the original labeled containers or safety containers in a locked area inaccessible to residents;
 - 13. Equipment used at the assisted living facility is:
 - a. Maintained in working order;
 - b. Tested and calibrated according to the manufacturer's recommendations or, if there are no manufacturer's recommendations, as specified in policies and procedures; and
 - c. Used according to the manufacturer's recommendations;
 - 14. If pets or animals are allowed in the assisted living facility, pets or animals are:
 - a. Controlled to prevent endangering the residents and to maintain sanitation;
 - b. Licensed consistent with local ordinances; and
 - c. For a dog or cat, vaccinated against rabies;
 - 15. If a water source that is not regulated under 18 A.A.C. 4 by the Arizona Department of Environmental Quality is used:
 - a. The water source is tested at least once every 12 months for total coliform bacteria and fecal coliform or *E. coli* bacteria;
 - b. If necessary, corrective action is taken to ensure the water is safe to drink; and
 - c. Documentation of testing is retained for at least 12 months after the date of the test; and
 - 16. If a non-municipal sewage system is used, the sewage system is in working order and is maintained according to applicable state laws and rules.
- B. If a swimming pool is located on the premises, a manager shall ensure that:
 - 1. On a day that a resident uses the swimming pool, an employee:
 - a. Tests the swimming pool's water quality at least once for compliance with one of the following chemical disinfection standards:
 - i. A free chlorine residual between 1.0 and 3.0 ppm as measured by the N, N-Diethyl-p-phenylenediamine test;
 - ii. A free bromine residual between 2.0 and 4.0 ppm as measured by the N, N-Diethyl-p-phenylenediamine test; or
 - iii. An oxidation-reduction potential equal to or greater than 650 millivolts; and
 - b. Records the results of the water quality tests in a log that includes the date tested and test result;
 - 2. Documentation of the water quality test is maintained for at least 12 months after the date of the test; and
 - 3. A swimming pool is not used by a resident if a water quality test shows that the swimming pool water does not comply with subsection (B)(1)(a).

R9-10-820. Physical Plant Standards

- A.** A manager shall ensure that an assisted living center complies with the applicable physical plant health and safety codes and standards, incorporated by reference in A.A.C. R9-1-412, in effect on the date the assisted living facility submitted architectural plans and specifications to the Department for approval, according to R9-10-104.
- B.** A manager shall ensure that:
- The premises and equipment are sufficient to accommodate:
 - The services stated in the assisted living facility's scope of services, and
 - An individual accepted as a resident by the assisted living facility;
 - A common area for use by residents is provided that has sufficient space and furniture to accommodate the recreational and socialization needs of residents;
 - A dining area has sufficient space and tables and chairs to accommodate the needs of the residents;
 - At least one bathroom is accessible from a common area and:
 - May be used by residents and visitors;
 - Provides privacy when in use; and
 - Contains the following:
 - At least one working sink with running water,
 - At least one working toilet that flushes and has a seat,
 - Toilet tissue for each toilet,
 - Soap in a dispenser accessible from each sink,
 - Paper towels in a dispenser or a mechanical air hand dryer,
 - Lighting, and
 - A window that opens or another means of ventilation;
 - An outside activity space is provided and available that:
 - Is on the premises,
 - Has a hard-surfaced section for wheelchairs, and
 - Has an available shaded area;
 - Exterior doors are equipped with ramps or other devices to allow use by a resident using a wheelchair or other assistive device; and
 - The key to the door of a lockable bathroom, bedroom, or residential unit is available to a manager, caregiver, and assistant caregiver.
- C.** A manager shall ensure that:
- For every eight residents there is at least one working toilet that flushes and has a seat and one sink with running water;
 - For every eight residents there is at least one working bathtub or shower; and
 - A resident bathroom provides privacy when in use and contains:
 - A mirror;
 - Toilet tissue for each toilet;
 - Soap accessible from each sink;
 - Paper towels in a dispenser or a mechanical air hand dryer for a bathroom that is not in a residential unit and used by more than one resident;
 - A window that opens or another means of ventilation;
 - Grab bars for the toilet and, if applicable, the bathtub or shower and other assistive devices, if required to provide for resident safety; and
 - Nonporous surfaces for shower enclosures and slip-resistant surfaces in tubs and showers.
- D.** A manager shall ensure that:
- Each resident is provided with a sleeping area in a residential unit or a bedroom;
 - For an assisted living home, a resident's sleeping area is on the ground floor of the assisted living home unless:
 - The resident is able to direct self-care;
 - The resident is ambulatory without assistance; and
 - There are at least two unobstructed, usable exits to the outside from the sleeping area that the resident is capable of using;
 - Except as provided in subsection (E), no more than two individuals reside in a residential unit or bedroom;
 - A resident's sleeping area:
 - Is not used as a common area;
 - Is not used as a passageway to a common area, another sleeping area, or common bathroom unless the resident's sleeping area:
 - Was used as a passageway to a common area, another sleeping area, or common bathroom before October 1, 2013; and
 - Written consent is obtained from the resident or the resident's representative;
 - Is constructed and furnished to provide unimpeded access to the door;
 - Has floor-to-ceiling walls with at least one door;
 - Has access to natural light through a window or a glass door to the outside; and
 - Has a window or door that can be used for direct egress to outside the building;
 - If a resident's sleeping area is in a bedroom, the bedroom has:
 - For a private bedroom, at least 80 square feet of floor space, not including a closet or bathroom;
 - For a shared bedroom, at least 60 square feet of floor space for each individual occupying the shared bedroom, not including a closet or bathroom; and

R9-10-1012. Behavioral Health Observation/Stabilization Services

- A. An administrator of an outpatient treatment center that is authorized to provide behavioral health observation/stabilization services shall ensure that:
1. Behavioral health observation/stabilization services are available 24 hours a day, every calendar day;
 2. Behavioral health observation/stabilization services are provided in a designated area that:
 - a. Is used exclusively for behavioral health observation/stabilization services;
 - b. Has the space for a patient to receive privacy in treatment and care for personal needs; and
 - c. For every 15 observation chairs or less, has at least one bathroom that contains:
 - i. A working sink with running water,
 - ii. A working toilet that flushes and has a seat,
 - iii. Toilet tissue,
 - iv. Soap for hand washing,
 - v. Paper towels or a mechanical air hand dryer,
 - vi. Lighting, and
 - vii. A means of ventilation;
 3. If the outpatient treatment center is authorized to provide behavioral health observation/stabilization services to individuals under 18 years of age:
 - a. There is a separate designated area for providing behavioral health observation/stabilization services to individuals under 18 years of age that:
 - i. Meets the requirements in subsection (B)(2), and
 - ii. Has floor to ceiling walls that separate the designated area from other areas of the outpatient treatment center;
 - b. A registered nurse is present in the separate designated area; and
 - c. A patient under 18 years of age does not share any space, participate in any activity or treatment, or have verbal or visual interaction with a patient 18 years of age or older;
4. A medical practitioner is available;
 5. If the medical practitioner present at the outpatient treatment center is a registered nurse practitioner or a physician assistant, a physician is on-call;
 6. A registered nurse is present and provides direction for behavioral health observation/stabilization services in the designated area;
 7. A nurse monitors each patient at the intervals determined according to subsection (A)(12) and documents the monitoring in the patient's medical record;
 8. An individual who arrives at the designated area for behavioral health observation/stabilization services in the outpatient treatment center is screened within 30 minutes after entering the designated area to determine whether the individual is in need of immediate physical health services;
 9. If a screening indicates that an individual needs immediate physical health services that the outpatient treatment center is:
 - a. Able to provide according to the outpatient treatment center's scope of services, the individual is examined by a medical practitioner within 30 minutes after being screened; or
 - b. Not able to provide, the individual is transferred to a health care institution capable of meeting the individual's immediate physical health needs;
 10. If a screening indicates that an individual needs behavioral health observation/stabilization services and the outpatient treatment center has the capabilities to provide the behavioral health observation/stabilization services, the individual is admitted to the designated area for behavioral health observation/stabilization services and may remain in the designated area and receive observation/stabilization services for up to 23 hours and 59 minutes;
 11. Before a patient is discharged from the designated area for behavioral health observation/stabilization services, a medical practitioner determines whether the patient will be:
 - a. If the behavioral health observation/stabilization services are provided in a health care institution that also provides inpatient services and is capable of meeting the patient's needs, admitted to the health care institution as an inpatient;
 - b. Transferred to another health care institution capable of meeting the patient's needs;
 - c. Provided a referral to another entity capable of meeting the patient's needs; or
 - d. Discharged and provided patient follow-up instructions;
 12. When a patient is admitted to a designated area for behavioral health observation/stabilization services, an assessment of the patient includes the interval for monitoring the patient based on the patient's medical condition, behavior, suspected drug or alcohol abuse, and medication status to ensure the health and safety of the patient;
 13. If a patient is not being admitted as an inpatient to a health care institution, before discharging the patient

Department of Health Services - Health Care Institutions: Licensing

- from a designated area for behavioral health observation/stabilization services, a personnel member:
- a. Identifies the specific needs of the patient after discharge necessary to assist the patient to function independently;
 - b. Identifies any resources, including family members, community social services, peer support services, and Regional Behavioral Health Agency staff, that may be available to assist the patient; and
 - c. Documents the information in subsection (A)(13)(a) and the resources in subsection (A)(13)(b) in the patient's medical record;
14. When a patient is discharged from a designated area for behavioral health observation/stabilization services, a personnel member:
 - a. Provides the patient with discharge information that includes:
 - i. The identified specific needs of the patient after discharge, and
 - ii. Resources that may be available for the patient; and
 - b. Contacts any resources identified as required in subsection (A)(13)(b);
 15. Except as provided in subsection (A)(16), a patient is not re-admitted to the outpatient treatment center for behavioral health observation/stabilization services within two hours after the patient's discharge from a designated area for behavioral health observation/stabilization services;
 16. A patient may be re-admitted to the outpatient treatment center for behavioral health observation/stabilization services within two hours after the patient's discharge if:
 - a. It is at least one hour since the time of the patient's discharge;
 - b. A law enforcement officer or the patient's case manager accompanies the patient to the outpatient treatment center;
 - c. Based on a screening of the patient, it is determined that re-admission for behavioral health observation/stabilization is necessary for the patient; and
 - d. The name of the law enforcement officer or the patient's case manager and the reasons for the determination in subsection (A)(16)(c) are documented in the patient's medical record;
 17. A patient admitted for behavioral health observation/stabilization services is provided:
 - a. An observation chair; or
 - b. A separate piece of equipment for the patient to use to sit or recline that:
 - i. Is at least 12 inches from the floor; and
 - ii. Has sufficient space around the piece of equipment to allow a personnel member to provide behavioral health services and physical health services, including emergency services, to the patient;
 18. If an individual is not admitted for behavioral health observation/stabilization services because there is not an observation chair available for the individual's use, a personnel member provides support to the individual to access the services or resources necessary for the individual's health and safety, which may include:
 - a. Admitting the individual to the outpatient treatment center to provide behavioral health services other than behavioral health observation/stabilization services;
 - b. Establishing a method to notify the individual when there is an observation chair available;
 - c. Referring or providing transportation to the individual to another health care institution;
 - d. Assisting the individual to contact the individual's support system; and
 - e. If the individual is enrolled with a Regional Behavioral Health Authority, contacting the appropriate person to request assistance for the individual;
 19. Personnel members establish a log of individuals who were not admitted because there was not an observation chair available and document the individual's name, actions taken to provide support to the individual to access the services or resources necessary for the individual's health and safety, and date and time the actions were taken;
 20. The log required in subsection (A)(19) is maintained for at least 12 months after the date of documentation in the log;
 21. An observation chair or, as provided in subsection (A)(17)(b), a piece of equipment used by a patient to sit or recline is visible to a personnel member;
 22. Except as provided in subsection (A)(23), a patient admitted to receive behavioral health observation/stabilization services is visible to a personnel member;
 23. A patient admitted to receive behavioral health observation/stabilization services may use the bathroom and not be visible to a personnel member, if the personnel member:
 - a. Determines that the patient is capable of using the bathroom unsupervised,
 - b. Is aware of the patient's location, and
 - c. Is able to intervene in the patient's actions to ensure the patient's health and safety; and
 24. An observation chair:
 - a. Effective until July 1, 2015, has space around the observation chair that allows a personnel member to provide behavioral health services and physical health services, including emergency services, to a patient in the observation chair; and
 - b. Effective on July 1, 2015, has at least three feet of clear floor space:
 - i. On at least two sides of the observation chair, and
 - ii. Between the observation chair and any other observation chair.
- B.** An administrator of an outpatient treatment center that is authorized to provide behavioral health observation/stabilization services shall:
1. Have a room used for seclusion that complies with requirements for seclusion rooms in R9-10-316, and
 2. Comply with the requirements for restraint and seclusion in R9-10-316.
- C.** An administrator of an outpatient treatment center that is authorized to provide behavioral health observation/stabilization services shall ensure that:
1. Policies and procedures are established, documented, and implemented to protect the health and safety of a patient that:
 - a. Cover the process for:
 - i. Evaluating a patient previously admitted to the designated area to determine whether the patient is ready for admission to an inpatient setting or discharge, including when to implement the process;
 - ii. Contacting other health care institutions that provide behavioral health observation/stabilization services to determine if the patient could

- be admitted for behavioral health observation/stabilization services in another health care institution, including when to implement the process; and
- iii. Ensuring that sufficient personnel members, space, and equipment are available to provide behavioral health observation/stabilization services to patients admitted to receive behavioral health observation/stabilization services; and
 - b. Establish a maximum capacity of the number of patients for whom the outpatient treatment center is capable of providing behavioral health observation/stabilization services;
2. The outpatient treatment center does not:
 - a. Exceed the maximum capacity established by the outpatient treatment center in subsection (C)(1)(b); or
 - b. Admit an individual if the outpatient treatment center does not have personnel members, space, and equipment available to provide behavioral health observation/stabilization services to the individual; and
 3. Effective on July 1, 2015:
 - a. If an admission of an individual causes the outpatient treatment center to exceed the outpatient treatment center's licensed occupancy, the individual is only admitted for behavioral health observation/stabilization services after:
 - (i.) A behavioral health professional reviews the individual's screening and determines the admission is an emergency; and
 - (ii.) Documents the determination in the individual's medical record; and
 - b. The outpatient treatment center's quality management program's plan, required in R9-10-1004(1), includes a method to identify and document each occurrence of exceeding licensed occupancy, to evaluate the occurrences of exceeding licensed occupancy, and to review the actions taken to reduce future occurrences of exceeding licensed occupancy.

5. A registered nurse responsible for the nursing services provided to the patient receiving dialysis services:
 - a. Reviews with the patient the results of any diagnostic tests performed on the patient;
 - b. Assesses the patient's medical condition before the patient begins receiving hemodialysis and after the patient has received hemodialysis;
 - c. If the patient returns to another health care institution after receiving dialysis services at the outpatient treatment center, provides an oral or written notice of information related to the patient's medical condition to the registered nurse responsible for the nursing services provided to the patient at the health care institution or, if there is not a registered nurse responsible, the individual responsible for the medical services, nursing services, or health-related services provided to the patient at the health care institution;
 - d. Informs the patient's nephrologist of any changes in the patient's medical condition or needs; and
 - e. Documents in the patient's medical record:
 - i. Any notice provided as required in subsection (E)(5)(c), and
 - ii. Monthly notes related to the patient's progress;
6. If the patient is not stable, before dialysis is provided to the patient, a nephrologist is notified of the patient's medical condition and dialysis is not provided until the nephrologist provides direction;
7. The patient:
 - a. Is under the care of a nephrologist;
 - b. Is assigned a patient identification number according to the policy and procedure in subsection (C)(1)(b);
 - c. Is identified by a personnel member before beginning dialysis;
 - d. Receives the dialysis services ordered for the patient by a medical practitioner;
 - e. Is monitored by a personnel member while receiving dialysis at least once every 30 minutes; and
 - f. If the outpatient treatment center reprocesses and reuses dialyzers, is informed that the outpatient treatment center reprocesses and reuses dialyzers before beginning hemodialysis;
8. Equipment used for hemodialysis is inspected and tested according to the manufacturer's recommendations or the outpatient treatment center's policies and procedures before being used to provide hemodialysis to a patient;
9. The equipment inspection and testing required in subsection (E)(8) is documented in the patient's medical record;
10. Supplies and equipment used for dialysis services for the patient are used, stored, and discarded according to manufacturer's recommendations;
11. If hemodialysis is provided to the patient, a personnel member:
 - a. Inspects the dialyzer before use to ensure that the:
 - i. External surface of the dialyzer is clean;
 - ii. Dialyzer label is intact and legible;
 - iii. Dialyzer, blood port, and dialysate port are free from leaks and cracks or other structural damage; and
 - iv. Dialyzer is free of visible blood and other foreign material;
 - b. Verifies the order for the dialyzer to ensure the correct dialyzer is used for the correct patient;
 - c. Verifies the duration of dialyzer storage based on the type of germicide used or method of sterilization or disinfection used;
 - d. If the dialyzer has been reprocessed and is being reused, verifies that the label on the dialyzer includes:
 - i. The patient's name and the patient's identification number,
 - ii. The number of times the dialyzer has been used in patient treatments,
 - iii. The date of the last use of the dialyzer by the patient, and
 - iv. The date of the last reprocessing of the dialyzer;
 - e. If the patient's name is similar to the name of another patient receiving dialysis in the same outpatient treatment center, informs other personnel members, employees, and volunteers, of the similar names to ensure that the name or other identifying information on the label corresponds to the correct patient; and
 - f. Ensures that a patient's vascular access is visible to a personnel member during dialysis;
12. A patient receiving dialysis is visible to a nurse at a location used by nurses to coordinate patients and treatment;
13. If the patient has an adverse reaction during dialysis, a personnel member responds by implementing the policy and procedure required in subsection (C)(1)(c);
14. If the equipment used during the patient's dialysis malfunctions, a personnel member responds by implementing the policy and procedure required in subsection (C)(1)(d); and
15. After a patient's discharge from an outpatient treatment center, the nephrologist responsible for the dialysis services provided to the patient documents the patient's discharge in the patient's medical record within 30 calendar days after the patient's discharge and includes:
 - a. A description of the patient's medical condition and the dialysis services provided to the patient, and
 - b. The signature of the nephrologist.
- F. If an outpatient treatment center provides support for self-dialysis services, an administrator shall ensure that:
 1. A patient or the patient's caregiver is:
 - a. Instructed to use the equipment to perform self-dialysis by a personnel member trained to provide the instruction, and
 - b. Monitored in the patient's home to assess the patient's or patient caregiver's ability to use the equipment to perform self-dialysis;

2. Instruction provided to a patient as required in subsection (F)(1)(a) and monitoring in the patient's home as required in subsection (F)(1)(b) is documented in the patient's medical record;
 3. All supplies for self-dialysis necessary to meet the needs of the patient are provided to the patient;
 4. All equipment necessary to meet the needs of the patient's self-dialysis is provided for the patient and maintained by the outpatient treatment center according to the manufacturer's recommendations;
 5. The water used for hemodialysis is tested and treated according to the requirements in subsection (N);
 6. Documentation of the self-dialysis maintained by the patient or the patient's caregiver is:
 - a. Reviewed to ensure that the patient is receiving continuity of care, and
 - b. Placed in the patient's medical record; and
 7. If a patient uses self-dialysis and self-administers medication:
 - a. The medical practitioner responsible for the dialysis services provided to the patient reviews the patient's diagnostic laboratory tests;
 - b. The patient and the patient's caregiver are informed of any potential:
 - i. Side effects of the medication; and
 - ii. Hazard to a child having access to the medication and, if applicable, a syringe used to inject the medication; and
 - c. The patient or the patient's caregiver is:
 - i. Taught the route and technique of administration and is able to administer the medication, including injecting the medication;
 - ii. Taught and able to perform sterile techniques if the patient or the patient's caregiver will be injecting the medication;
 - iii. Provided with instructions for the administration of the medication, including the specific route and technique the patient or the patient's caregiver has been taught to use;
 - iv. Able to read and understand the directions for using the medication;
 - v. Taught and able to self-monitor the patient's blood pressure; and
 - vi. Informed how to store the medication according to the manufacturer's instructions.
- G.** An administrator of an outpatient treatment center that is authorized to provide dialysis services shall ensure that a social worker is employed by the outpatient treatment center to meet the needs of a patient receiving dialysis services including:
1. Conducting an initial psychosocial evaluation of the patient within 30 calendar days after the patient's admission to the outpatient treatment center;
 2. Participating in reviewing the patient's need for social work services;
 3. Recommending changes in treatment based on the patient's psychosocial evaluation;
 4. Assisting the patient and the patient's representative in obtaining and understanding information for making decisions about the medical services provided to the patient;
 5. Identifying community agencies and resources and assisting the patient and the patient's representative to utilize the community agencies and resources;
 6. Documenting monthly notes related to the patient's progress in the patient's medical record; and

- H.** An administrator of an outpatient treatment center that is authorized to provide dialysis services shall ensure that a registered dietitian is employed by the outpatient treatment center to assist a patient receiving dialysis services to meet the patient's nutritional and dietetic needs including:
1. Conducting an initial nutritional assessment of the patient within 30 calendar days after the patient's admission to the outpatient treatment center;
 2. Consulting with the patient's nephrologist and recommending a diet to meet the patient's nutritional needs;
 3. Providing advice to the patient and the patient's representative regarding a diet prescribed by the patient's nephrologist;
 4. Monitoring the patient's adherence and response to a prescribed diet;
 5. Reviewing with the patient any diagnostic test performed on the patient that is related to the patient's nutritional or dietetic needs;
 6. Documenting monthly notes related to the patient's progress in the patient's medical record; and
 7. Conducting a follow-up nutritional assessment of the patient at least once every 12 months after the date of the patient's admission to the outpatient treatment center.
- I.** An administrator of an outpatient treatment center that is authorized to provide dialysis services shall ensure that a long-term care plan for each patient:
1. Is developed by a team that includes at least:
 - a. The chief clinical officer of the outpatient treatment center;
 - b. If the chief clinical officer is not a nephrologist, the patient's nephrologist;
 - c. A transplant surgeon or the transplant surgeon's designee;
 - d. A registered nurse responsible for nursing services provided to the patient;
 - e. A social worker;
 - f. A registered dietitian; and
 - g. The patient or patient's representative, if the patient or patient's representative chooses to participate in the development of the long-term care plan;
 2. Identifies the modality of treatment and dialysis services to be provided to the patient;
 3. Is reviewed and approved by the chief clinical officer;
 4. Is signed and dated by each personnel member participating in the development of the long-term care plan;
 5. Includes documentation signed by the patient or the patient's representative that the patient or the patient's representative was provided an opportunity to participate in the development of the long-term care plan;
 6. Is signed and dated by the patient or the patient's representative; and
 7. Is reviewed at least once every 12 months by the team in subsection (I)(1) and updated according to the patient's needs.
- J.** An administrator of an outpatient treatment center that is authorized to provide dialysis services shall ensure that a patient care plan for each patient:
1. Is developed by a team that includes at least:
 - a. The patient's nephrologist;
 - b. A registered nurse responsible for nursing services provided to the patient;
 - c. A social worker;
 - d. A registered dietitian; and

Department of Health Services - Health Care Institutions: Licensing

- e. The patient or the patient's representative, if the patient or patient's representative chooses to participate in the development of the patient care plan;
 2. Includes an assessment of the patient's need for dialysis services;
 3. Identifies treatment and treatment goals;
 4. Is signed and dated by each personnel member participating in the development of the patient care plan;
 5. Includes documentation signed by the patient or the patient's representative that the patient or the patient's representative was provided an opportunity to participate in the development of the patient care plan;
 6. Is signed and dated by the patient or the patient's representative;
 7. Is implemented;
 8. Is evaluated by:
 - a. The registered nurse responsible for the dialysis services provided to the patient,
 - b. The registered dietitian providing services to the patient related to the patient's nutritional or dietetic needs, and
 - c. The social worker providing services to the patient related to the patient's psychosocial needs;
 9. Includes documentation of interventions, resolutions, and outcomes related to treatment goals; and
 10. Is reviewed and updated according to the needs of the patient:
 - a. At least once every six months for a patient whose medical condition is stable, and
 - b. At least once every 30 calendar days for a patient whose medical condition is not stable.
- K.** In addition to the requirements in R9-10-1009(C), an administrator of an outpatient treatment center that is authorized to provide dialysis services shall ensure that a medical record for each patient contains:
1. An annual medical history;
 2. An annual physical examination;
 3. Monthly notes related to the patient's progress by a medical practitioner, registered dietitian, social worker, and registered nurse;
 4. If applicable, documentation of:
 - a. The equipment inspection and testing required in subsection (E)(9), and
 - b. The self-dialysis required in subsection (F)(2); and
 5. If applicable, documentation of the patient's discharge.
- L.** For a patient who received dialysis services, an administrator shall ensure that after the patient's discharge from an outpatient treatment center that is authorized to provide dialysis services, the nephrologist responsible for the dialysis services provided to the patient documents the patient's discharge in the patient's medical record within 30 calendar days after the patient's discharge and includes:
1. A description of the patient's medical condition and the dialysis services provided to the patient, and
 2. The signature of the nephrologist.
- M.** If an outpatient treatment center reuses dialyzers or other dialysis supplies, an administrator shall ensure that the outpatient treatment center complies with the guidelines adopted by the Association for the Advancement of Medical Instrumentation in Reuse of Hemodialyzers, ANSI/AAMI RD47:2002 & RD47:2002/A1:2003, incorporated by reference, on file with the Department, and including no future editions or amendments.  - v. Abuse alcohol or other drugs; or
 - vi. Are incarcerated or detained;
 - d. Contain a method of patient identification to ensure the patient receives the opioid treatment services ordered;
 - e. Contain methods to assess whether a patient is receiving concurrent opioid treatment services from more than one health care institution;
 - f. Contain methods to ensure that the opioid treatment services provided to a patient by or at the outpatient treatment center meet the patient's needs;
 - g. Include relapse prevention procedures;
 - h. Include for laboratory testing:
 - i. Criteria for the assessment of a patient's opioid agonist blood levels,
 - ii. Procedures for specimen collection and processing to reduce the risk of fraudulent results, and
 - iii. Procedures for conducting random drug testing of patients receiving an opioid agonist treatment medication;
 - i. Include procedures for the response of personnel members to a patient's adverse reaction during opioid treatment; and
 - j. Include criteria for dispensing one or more doses of an opioid agonist treatment medication to a patient for use off the premises and address:
 - i. Who may authorize dispensing,
 - ii. Restrictions on dispensing, and
 - iii. Information to be provided to a patient or the patient's representative before dispensing;
 - 2. A physician provides direction for the opioid treatment services provided at the outpatient treatment center;
 - 3. If a patient requires administration of an opioid agonist treatment medication as a result of chronic pain, the patient:
 - a. Receives consultation with or a referral for consultation with a physician or registered nurse practitioner who specializes in chronic pain management, and
 - b. Is not admitted for opioid treatment services:
 - i. Unless the patient is physically addicted to an opioid drug, as manifested by the symptoms of withdrawal in the absence of the opioid drug; and
 - ii. A medical practitioner at the outpatient treatment center coordinates with the physician or registered nurse practitioner who is providing chronic pain management to the patient; and
 - 4. In addition to the requirements in R9-10-1009(C), a medical record for each patient contains:
 - a. If applicable, documentation of the dispensing of doses of an opioid agonist treatment medication to the patient for use off the premises; and
 - b. If applicable, documentation of the patient's discharge from receiving opioid treatment services.
- C. An administrator of an outpatient treatment center that is authorized to provide opioid treatment services shall ensure that for a patient receiving opioid treatment services:
 - 1. The opioid treatment services provided to the patient meet the needs of the patient;

Department of Health Services - Health Care Institutions: Licensing

2. A physician or a medical practitioner under the direction of a physician:
 - a. Performs a medical history and physical examination on the patient within 30 calendar days before admission or within 48 hours after admission, and
 - b. Documents the medical history and physical examination in the patient's medical record within 48 hours after admission;
 3. Before receiving opioid treatment, the patient is informed of the following:
 - a. The progression of opioid addiction and the patient's apparent stage of opioid addiction;
 - b. The goal and benefits of opioid treatment;
 - c. The signs and symptoms of overdose and when to seek emergency assistance;
 - d. The characteristics of opioid agonist treatment medication, including common side-effects and potential interaction effects with other drugs;
 - e. The requirement for a staff member to report suspected or alleged abuse or neglect of a child or an incapacitated or vulnerable adult according to state law;
 - f. Confidentiality requirements;
 - g. Drug screening and urinalysis procedures;
 - h. Requirements for dispensing to a patient one or more doses of an opioid agonist treatment medication for use by the patient off the premises;
 - i. Testing and treatment available for HIV and other communicable diseases; and
 - j. The patient complaint process;
 4. Documentation of the provision of the information specified in subsection (C)(3) is included in the patient's medical record;
 5. The patient receives a dose of an opioid agonist treatment medication only on the order of a medical practitioner;
 6. The patient begins detoxification treatment only at the request of the patient or according to the outpatient treatment center's policy and procedure for discontinuing opioid treatment services required in subsection (B)(1)(b);
 7. If the patient has an adverse reaction during opioid treatment, a personnel member and, if appropriate, a medical practitioner responds by implementing the policy and procedure required in subsection (B)(1)(i);
 8. Before the patient's discharge from opioid treatment services, the patient is provided with patient follow-up instructions that:
 - a. Include information that may reduce the risk of relapse; and
 - b. May include a referral for counseling, support groups, or medication for depression or sleep disorders; and
 9. After the patient's discharge from opioid treatment services provided by or at the outpatient treatment center, the medical practitioner responsible for the opioid treatment services provided to the patient documents the patient's discharge in the patient's medical record within 30 calendar days after the patient's discharge and includes:
 - a. A description of the patient's medical condition and the opioid treatment services provided to the patient, and
 - b. The signature of the medical practitioner.
- D.** An administrator of an outpatient treatment center that is authorized to provide opioid treatment services shall ensure that an assessment for each patient receiving opioid treatment services:
1. Includes, in addition to the information in R9-10-1010(B):
 - a. An assessment of the patient's need for opioid treatment services,
 - b. An assessment of the patient's medical conditions that may be affected by opioid treatment,
 - c. An assessment of other medications being taken by the patient and conditions that may be affected by opioid treatment, and
 - d. A plan to prevent relapse;
 2. Identifies the treatment to be provided to the patient and treatment goals; and
 3. Specifies whether the patient may receive an opioid agonist treatment medication for use off the premises and, if so, the number of doses that may be dispensed.

R9-10-1029. Emergency and Safety Standards

- A. An administrator shall ensure that policies and procedures for providing emergency treatment are established, documented, and implemented that protect the health and safety of patients and include:
 1. A list of the medications, supplies, and equipment required on the premises for the emergency treatment provided by the outpatient treatment center;
 2. A system to ensure medications, supplies, and equipment are available, have not been tampered with, and, if applicable, have not expired;
 3. A requirement that a cart or a container is available for emergency treatment that contains the medication, supplies, and equipment specified in the outpatient treatment center's policies and procedures; and
 4. A method to verify and document that the contents of the cart or container are available for emergency treatment.
- B. An administrator shall ensure that emergency treatment is provided to a patient admitted to the outpatient treatment center according to the outpatient treatment center's policies and procedures.
- C. An administrator shall ensure that:
 1. A disaster plan is developed, documented, maintained in a location accessible to personnel members, and, if necessary, implemented that includes:
 - a. Procedures for protecting the health and safety of patients and other individuals on the premises;
 - b. Assigned responsibilities for each personnel member, employee, or volunteer;
 - c. Instructions for the evacuation of patients and other individuals on the premises; and
 - d. Arrangements to provide medical services, nursing services, and health-related services to meet patients' needs;
 2. The disaster plan required in subsection (C)(1) is reviewed at least once every 12 months;
 3. An evacuation drill is conducted on each shift at least once every 12 months;
 4. A disaster plan review required in subsection (C)(2) or an evacuation drill required in subsection (C)(3) is documented as follows:
 - a. The date and time of the evacuation drill or disaster plan review;
 - b. The name of each personnel member, employee, or volunteer participating in the evacuation drill or disaster plan review;
 - c. A critique of the evacuation drill or disaster plan review; and
 - d. If applicable, recommendations for improvement;
- D. An administrator shall ensure that an outpatient treatment center has either:
 1. Both of the following that are tested and serviced at least once every 12 months:
 - a. A fire alarm system installed according to the National Fire Protection Association 72: National Fire Alarm and Signaling Code, incorporated by reference in A.A.C. R9-1-412, that is in working order; and
 - b. A sprinkler system installed according to the National Fire Protection Association 13 Standard for the Installation of Sprinkler Systems, incorporated by reference in A.A.C. R9-1-412, that is in working order; or
 2. The following:
 - a. A smoke detector installed in each hallway of the outpatient treatment center that is:
 - i. Maintained in an operable condition;
 - ii. Either battery operated or, if hard-wired into the electrical system of the outpatient treatment center, has a back-up battery; and
 - iii. Tested monthly; and
 - b. A portable, operable fire extinguisher, labeled as rated at least 2A-10-BC by the Underwriters Laboratories, that:
 - i. Is available at the outpatient treatment center;
 - ii. Is mounted in a fire extinguisher cabinet or placed on wall brackets so that the top handle of the fire extinguisher is not over five feet from the floor and the bottom of the fire extinguisher is at least four inches from the floor;
 - iii. If a disposable fire extinguisher, is replaced when its indicator reaches the red zone; and
 - iv. If a rechargeable fire extinguisher, is serviced at least once every 12 months and has a tag attached to the fire extinguisher that specifies the date of the last servicing and the name of the servicing person.
- E. An administrator shall ensure that documentation of a test required in subsection (D) is maintained for at least 12 months after the date of the test.
- F. An administrator shall ensure that:
 1. Exit signs are illuminated, if the local fire jurisdiction requires illuminated exit signs;
 2. Except as provided in subsection (G), a corridor in the outpatient treatment center is at least 44 inches wide;
 3. Corridors and exits are kept clear of any obstructions;
 4. A patient can exit through any exit during hours of operation;
 5. An extension cord is not used instead of permanent electrical wiring;
 6. Each electrical outlet and electrical switch has a cover plate that is in good repair;

R9-10-1406. Admission; Assessment

An administrator shall ensure that:

1. A participant is admitted based upon the participant's presenting behavioral health issue and treatment needs and the substance abuse transitional facility's ability and authority to provide behavioral health services or physical health services consistent with the participant's needs;
2. General consent is obtained from a participant or the participant's representative before or at the time of admission;
3. The general consent obtained in subsection (2) is documented in the participant's medical record;
4. An assessment of a participant is completed or updated by an emergency medical care technician or a registered nurse;
5. If an assessment is completed or updated by an emergency medical care technician, a registered nurse reviews the assessment within 24 hours after the completion of the assessment to ensure that the assessment identifies the behavioral health services and physical health services needed by the participant;
6. If an assessment that complies with the requirements in this Section is received from a behavioral health provider other than the substance abuse transitional facility or the substance abuse transitional facility has a medical record for the participant that contains an assessment that was completed within 12 months before the date of the participant's current admission:
 - a. The participant's assessment information is reviewed and updated if additional information that affects the participant's assessment is identified, and
 - b. The review and update of the participant's assessment information is documented in the participant's medical record within 48 hours after the review is completed;
7. An assessment:
 - a. Documents a participant's:
 - i. Presenting issue;
 - ii. Substance abuse history;
 - iii. Co-occurring disorder;
 - iv. Medical condition and history;
 - v. Behavioral health treatment history;
 - vi. Symptoms reported by the participant; and
 - vii. Referrals needed by the participant, if any;
 - b. Includes:
 - i. Recommendations for further assessment or examination of the participant's needs,
 - ii. The behavioral health services and physical health services that will be provided to the participant, and
 - iii. The signature and date signed of the personnel member conducting the assessment; and
 - c. Is documented in participant's medical record;
8. A participant is referred to a medical practitioner if a determination is made that the participant requires immediate physical health services or the participant's behavioral health issue may be related to the participant's medical condition;
9. If a participant requires behavioral health services that the substance abuse transitional facility is not authorized or not able to provide, a personnel member arranges for the participant to be provided transportation to transfer to

another health care institution where the behavioral health services can be provided;

10. A request for participation in a participant's assessment is made to the participant or the participant's representative;
11. An opportunity for participation in the participant's assessment is provided to the participant or the participant's representative;
12. Documentation of the request in subsection (10) and the opportunity in subsection (11) is in the participant's medical record; and
13. A participant's assessment information is:
 - a. Documented in the medical record within 48 hours after completing the assessment, and
 - b. Reviewed and updated when additional information that affects the participant's assessment is identified.

Historical Note

Section R9-10-1406 renumbered to R9-10-1405; new Section R9-10-1406 renumbered from R9-10-1407 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

R9-10-1407. Discharge

A. An administrator shall ensure that:

1. If a participant is not being transferred to another health care institution, before discharging the participant from a substance abuse transitional facility, a personnel member:
 - a. Identifies the specific needs of the participant after discharge necessary to assist the participant to address the participant's substance abuse issues;
 - b. Identifies any resources, including family members, community social services, peer support services, and Regional Behavioral Health Agency staff, that may be available to assist the participant; and
 - c. Documents the information in subsection (A)(1)(a) and the resources in subsection (A)(1)(b) in the participant's medical record; and
2. When an individual is discharged, a personnel member:
 - a. Provides the participant with discharge information that includes:
 - i. The identified specific needs of the participant after discharge, and
 - ii. Resources that may be available for the participant; and
 - b. Contacts any resources identified as required in subsection (A)(1)(b).

B. An administrator shall ensure that there is a documented discharge order by a medical practitioner before a participant is discharged unless the participant leaves the facility against a medical practitioner's advice.

C. An administrator shall ensure that, at the time of discharge, a participant receives a referral for behavioral health services that the participant may need after discharge, if applicable.

D. An administrator shall ensure that a discharge summary:

1. Is entered into the participant's medical record within 10 working days after a participant's discharge; and
2. Includes the following information completed by an individual authorized by policies and procedures:
 - a. The participant's presenting issue and other behavioral health and physical health issues identified in the participant's assessment;
 - b. A summary of the behavioral health services and physical health services provided to the participant;

- c. The name, dosage, and frequency of each medication for the participant ordered at the time of the participant's discharge by a medical practitioner at the facility; and
 - d. A description of the disposition of the participant's possessions, funds, or medications brought to the facility by the participant.
- E.** An administrator shall ensure that a participant who is dependent upon a prescribed medication is offered a written referral to detoxification services or opioid treatment before the participant is discharged.

R9-10-1508. Abortion Procedures

- A.** A medical director shall ensure that a medical evaluation of a patient is conducted before the patient's abortion is performed that includes:
 1. A medical history including:
 - a. Allergies to medications, antiseptic solutions, or latex;
 - b. Obstetrical and gynecological history;
 - c. Past surgeries;
 - d. Medication the patient is currently taking; and
 - e. Other medical conditions;
 2. A physical examination performed by a physician that includes a bimanual examination to estimate uterine size and palpation of adnexa; and
 3. The following laboratory tests:
 - a. A urine or blood test to determine pregnancy;
 - b. Rh typing unless the patient provides written documentation of blood type acceptable to the physician;
 - c. Anemia screening; and
 - d. Other laboratory tests recommended by the physician or medical director on the basis of the physical examination.
- B.** If the medical evaluation indicates a patient is Rh negative, a medical director shall ensure that:
 1. The patient receives information from a physician on this condition;
 2. The patient is offered RhO(d) immune globulin within 72 hours after the abortion procedure;
 3. If a patient refuses RhO(d) immune globulin, the patient signs and dates a form acknowledging the patient's condition and refusing the RhO(d) immune globulin;
 4. The form in subsection (B)(3) is maintained in the patient's medical record; and
 5. If a patient refuses RhO(d) immune globulin or if a patient refuses to sign and date an acknowledgment and refusal form, the physician documents the patient's refusal in the patient's medical record.
- C.** A physician estimates the gestational age of the fetus, and records the estimated age in the patient's medical record. The estimated age is based upon:
 1. Ultrasound measurements of the biparietal diameter, length of femur, abdominal circumference, visible pregnancy sac, or crown-rump length or a combination of these; or
 2. The date of the last menstrual period or the date of fertilization and a bimanual examination of the patient.
- D.** A medical director shall ensure that:
 1. An ultrasound of a patient is performed by an individual who meets the requirements in R9-10-1505(3);
 2. An ultrasound estimate of gestational age of a fetus is performed using methods and tables or charts published in a nationally recognized medical journal;
 3. An original patient ultrasound print is:
 - a. Interpreted by a physician; and
 - b. Maintained in the patient's medical record in either electronic or paper form; and
- E.** If requested by the patient, the ultrasound is reviewed with the patient by a physician, physician assistant, registered nurse practitioner, or registered nurse.
- F.** A medical director shall ensure that before an abortion is performed on a patient:
 1. Written consent is signed and dated by the patient or the patient's legal guardian; and
 2. Information is provided to the patient on the abortion procedure including alternatives, risks, and potential complications.
- G.** A medical director shall ensure that any medication, drug, or substance used to induce an abortion is administered in compliance with the protocol authorized by the United States Food and Drug Administration and that is outlined in the final printing labeling instructions for that medication, drug, or substance.
- H.** A medical director shall ensure that:
 1. Patient care staff monitor the patient's vital signs throughout an abortion procedure to ensure the patient's health and safety;
 2. Intravenous access is established and maintained on a patient undergoing an abortion after the first trimester unless the physician determines that establishing intravenous access is not appropriate for the particular patient and documents that fact in the patient's medical record; and
 3. If a viable fetus shows signs of life:
 - a. Resuscitative measures are used to support life;
 - b. The viable fetus is transferred as required in R9-10-1509; and
 - c. Resuscitative measures and the transfer are documented.
- I.** A medical director shall ensure that following the abortion procedure:
 1. A patient's vital signs and bleeding are monitored by a physician, nurse, registered nurse practitioner, physician assistant, or, if a physician is able to provide direct supervision as defined in A.R.S. § 32-1401 or A.R.S. § 32-1800, as applicable, a medical assistant under the direct supervision of the physician to ensure the patient's health and safety; and
 2. A patient remains in the recovery room or recovery area until a physician, physician assistant, registered nurse practitioner or nurse examines the patient and determines that the patient's medical condition is stable and the patient is ready to leave the recovery room or recovery area.
- J.** A medical director shall ensure that follow-up care includes:
 1. With a patient's consent, a telephone call to the patient by a member of the patient care staff, except a surgical assistant, within 24 hours after the patient's discharge following a surgical abortion to assess the patient's recovery. If the patient care staff is unable to speak with the patient, for any reason, the attempt to contact the patient is documented in the patient's medical record;
 2. Following a surgical abortion, a follow-up visit offered and scheduled, if requested, no more than 21 days after the abortion. The follow-up visit shall include:
 - a. A physical examination;
 - b. A review of all laboratory tests as required in R9-10-1508(A)(3); and

Department of Health Services - Health Care Institutions: Licensing

- c. A urine pregnancy test; and
- 3. Following a medication abortion, a follow-up visit offered and scheduled between seven and 21 days after the initial dose of a substance used to induce an abortion. The follow-up visit shall include:
 - a. A urine pregnancy test; and
 - b. An assessment of the degree of bleeding.
- K. If a continuing pregnancy is suspected as a result of the follow-up visit required in subsection (J)(2) or (J)(3), a physician who performs abortions shall be consulted.

R9-10-1510. Medications and Controlled Substances

A medical director shall ensure that:

1. The abortion clinic complies with the requirements for medications and controlled substances in A.R.S. Title 32, Chapter 18, and A.R.S. Title 36, Chapter 27;
2. A medication is administered in compliance with an order from a physician, physician assistant, registered nurse practitioner, or as otherwise provided by law;
3. A medication is administered to a patient by a physician or as otherwise provided by law;
4. Medications and controlled substances are maintained in a locked area in the physical facilities;
5. Only personnel designated by policies and procedures have access to the locked area containing medications and controlled substances;
6. Expired, mislabeled, or unusable medications and controlled substances are disposed of according to policies and procedures;
7. A medication error or an adverse reaction, including any actions taken in response to the medication error or adverse reaction, is immediately reported to the medical director and licensee, and recorded in the patient's medical record;
8. Medication information is maintained in a patient's medical record and contains:
 - a. The patient's name, age, and weight;
 - b. The medications the patient is currently taking; and
 - c. Allergies or sensitivities to medications, antiseptic solutions, or latex; and
9. If medication is administered to a patient, the following are documented in the patient's medical record:
 - a. The date and time of administration;
 - b. The name, strength, dosage form, amount of medication, and route of administration; and
 - c. The identification and signature of the individual administering the medication.

Editor's Note: The following Section was adopted under an exemption from the provisions of the Administrative Procedure Act, which means these rules were not reviewed by the Governor's Regulatory Review Council or approved by the Attorney General's Office.

R9-10-1511. Medical Records

A. A licensee shall ensure that:

1. A medical record is established and maintained for a patient that contains:
 - a. Patient identification including:
 - i. The patient's name, address, and date of birth;
 - ii. The designated patient's representative, if applicable; and
 - iii. The name and telephone number of an individual to contact in an emergency;
 - b. The patient's medical history required in R9-10-1508(A)(1);
 - c. The patient's physical examination required in R9-10-1508(A)(2);
 - d. The laboratory test results required in R9-10-1508(A)(3);
 - e. The physician's estimated gestational age of the fetus required in R9-10-1508(C);
 - f. The ultrasound results, including the original print, required in R9-10-1508(D);
 - g. Each consent form signed by the patient or the patient's legal guardian;
 - h. Orders issued by a physician, physician assistant or registered nurse practitioner;
 - i. A record of medical services, nursing services, and health-related services provided to the patient; and
 - j. The patient's medication information;
2. A medical record is accessible only to the Department or personnel authorized by policies and procedures;
3. Medical record information is confidential and released only with the written informed consent of a patient or the patient's representative or as otherwise permitted by law;
4. A medical record is protected from loss, damage, or unauthorized use and is maintained and accessible for seven years after the date of an adult patient's discharge or if the patient is a child, either for at least three years after the child's 18th birthday or for at least seven years after the patient's discharge, whichever date occurs last;
5. A medical record is maintained at the abortion clinic for at least six months after the date of the patient's discharge; and
6. Vital records and vital statistics are retained according to A.R.S. § 36-343.

B. A licensee shall comply with Department requests for access to or copies of patient medical records as follows:

1. Subject to the redaction permitted in subsection (B)(5), for patient medical records requested for review in connection with a compliance inspection, the licensee shall provide the Department with the following patient medical records related to medical services associated with an abortion, including any follow-up visits to the abortion clinic in connection with the abortion:
 - a. Patient identification including:
 - i. The patient's name, address, and date of birth;

- ii. The designated patient's representative, if applicable; and
 - iii. The name and telephone number of an individual to contact in an emergency;
 - b. The patient's medical history required in R9-10-1508(A)(1);
 - c. The patient's physical examination required in R9-10-1508(A)(2);
 - d. The laboratory test results required in R9-10-1508(A)(3);
 - e. The physician's estimated gestational age of the fetus required in R9-10-1508(C);
 - f. The ultrasound results required in R9-10-1508(D);
 - g. Each consent form signed by the patient or the patient's representative;
 - h. Orders issued by a physician, physician assistant, or registered nurse practitioner;
 - i. A record of medical services, nursing services, and health-related services provided to the patient; and
 - j. The patient's medication information.
2. For patient medical records requested for review in connection with an initial licensing or compliance inspection, the licensee is not required to produce for review by the Department any patient medical records created or prepared by a referring physician or any of that referring physician's medical staff.
 3. The licensee is not required to provide patient medical records regarding medical services associated with an abortion that occurred before:
 - a. The effective date of these rules, or
 - b. A previous licensing or compliance inspection of the abortion clinic.
 4. The patient medical records may be provided to the Department in either paper or in an electronic format that is acceptable to the Department.
 5. When access to or copies of patient medical records are requested from a licensee by the Department, the licensee shall redact only personally identifiable patient information from the patient medical records before the disclosure of the patient medical records to the Department, except as provided in subsection (B)(8).
 6. For patient medical records requested for review in connection with an initial licensing or compliance inspection, the licensee shall provide the redacted copies of the patient medical records to the Department within two business days of the Department's request for the redacted medical records if the total number of patients for whom patient medical records are requested by the Department is from one to ten patients, unless otherwise agreed to by the Department and the licensee. The time within which the licensee shall produce redacted records to the Department shall be increased by two business days for each additional five patients for whom patient medical records are requested by the Department, unless otherwise agreed to by the Department and the licensee.
 7. Upon request by the Department, in addition to redacting only personally identifiable patient information, the licensee shall code the requested patient medical records by a means that allows the Department to track all patient medical records related to a specific patient without the personally identifiable patient information.
 8. For patient medical records requested for review in connection with a complaint investigation, the Department shall have access to or copies of unredacted patient medical records.

Department of Health Services - Health Care Institutions: Licensing

9. If the Department obtains copies of unredacted patient medical records, the Department shall:
 - a. Allow the examination and use of the unredacted patient medical records only by those Department employees who need access to the patient medical records to fulfill their investigative responsibilities and duties;
 - b. Maintain all unredacted patient medical records in a locked drawer, cabinet, or file or in a password-protected electronic file with access to the secured drawer, cabinet, or file limited to those individuals who have access to the patient medical records according to subsection (B)(9)(a);
 - c. Destroy all unredacted patient medical records at the termination of the Department's complaint investigation or at the termination of any administrative or legal action that is taken by the Department as the result of the Department's complaint investigation, whichever is later;
 - d. If the unredacted patient medical records are filed with a court or other judicial body, including any administrative law judge or panel, file the records only under seal; and
 - e. Prevent access to the unredacted records by anyone except as provided in subsection (B)(9)(a) or subsection (B)(9)(d).
- C. A medical director shall ensure that only personnel authorized by policies and procedures, records or signs an entry in a medical record and:
 1. An entry in a medical record is dated and legible;
 2. An entry is authenticated by:
 - a. A written signature;
 - b. An individual's initials if the individual's written signature already appears in the medical record;
 - c. A rubber-stamp signature; or
 - d. An electronic signature;
 3. An entry is not changed after it has been recorded but additional information related to an entry may be recorded in the medical record;
 4. When a verbal or telephone order is entered in the medical record, the entry is authenticated within 21 days by the individual who issued the order;
 5. If a rubber-stamp signature or an electronic signature is used:
 - a. An individual's rubber stamp or electronic signature is not used by another individual;
 - b. The individual who uses a rubber stamp or electronic signature signs a statement that the individual is responsible for the use of the rubber stamp or the electronic signature; and
 - c. The signed statement is included in the individual's personnel record; and
 6. If an abortion clinic maintains medical records electronically, the medical director shall ensure the date and time of an entry is recorded by the computer's internal clock.
- D. As required by A.R.S. § 36-449.03(I), the Department shall not release any personally identifiable patient or physician information.
