- A.** Procedure codes. When procedure codes are issued by CMS and added to the Current Procedural Terminology published by the American Medical Association, AHCCCS shall add to the Outpatient Capped Fee-for-Service Schedule the new procedure codes for covered outpatient services and shall either assign the default CCR under R9-22-712.40(F)(2), the Medicare rate, or calculate an appropriate fee.
- B.** APC changes. AHCCCS may reassign procedure codes to new or different APC groups when APC groups are revised by CMS. AHCCCS may reassign procedure codes to a different APC group than Medicare. If AHCCCS determines that utilization of a procedure code within the Medicare program is substantially different from utilization of the procedure code in the AHCCCS program, AHCCCS may choose not to assign the procedure code to any APC group. For procedure codes not grouped into an APC by Medicare, AHCCCS may assign the code to an APC group when AHCCCS determines that the cost and resources associated with the non-assigned code are substantially similar to those in the APC group.
- C.** Annual update for Outpatient Hospital Fee Schedule. Beginning October 1, 2006, through September 30, 2011, AHCCCS shall adjust outpatient fee schedule rates:
  1. Annually by multiplying the rates effective during the prior year by the Global Insight Prospective Hospital Market Basket Inflation Index; or
  2. In a particular year the director may substitute the increases in subsection (C)(1) by calculating the dollar value associated with the inflation index in subsection (C)(1), and applying the dollar value to adjust rates at varying levels.
- D.** Reductions to the Outpatient Capped Fee-For-Service Schedule. Claims paid using the Outpatient Capped Fee-For-Service Schedule with dates of service on or after October 1, 2011, shall be reimbursed at 95 percent of the rates in effect on September 30, 2011, subject to the annual adjustments to procedure codes and APCs under this Section.
- E.** Rebase. AHCCCS shall rebase the outpatient fees every five years.
- F.** Statewide CCR:
  1. For begin dates of service on or before September 30, 2011, the statewide CCR calculated in R9-22-712.30 shall be recalculated at the time of rebasing. When rebasing, AHCCCS may recalculate the statewide CCR based on the costs and charges for services excluded from the outpatient hospital fee schedule.
  2. For begin dates of service on or after October 1, 2011, the statewide CCR shall be set under R9-22-712.30(C).
- G.** Other Updates. In addition to the other updates provided for in this Section, the Administration may adjust the Outpatient Capped Fee-For-Service Fee Schedule and the Statewide CCR to the extent necessary to assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available at least to the extent that such care and services are available to the general population in the geographic area.

- B.** AHCCCS shall include payment for the emergency room, observation, and other outpatient hospital services provided to the member before the hospital admission in the AHCCCS Inpatient Tiered Per Diem Capped Fee-For-Service Schedule under Article 7 of this Chapter.
- C.** Same day admit and discharge.

Based on the SDOH CYE 2024 monthly screenings/referrals average, the hospital's goal for CYE 2025 is to improve the submission of the monthly screenings/referrals average by 5%, and no less than a combination of 10 screenings or referrals per month per facility location, whichever is greater. This goal will be defined and discussed in the post-live meeting with the hospital's assigned SDOH Advisor.
  - iv. From October 1, 2024, through September 30, 2025, the hospital must meet with their SDOH Advisor quarterly to review progress on goals. If the goal is not being met, the SDOH Advisor will assist the hospital in completing a written document that identifies barriers to achieving goals and outlines steps to overcome these barriers (improvement plan).
- f. Hospitals who have not participated in the DAP SDOH program in CYE 2023 or CYE 2024.
  - i. No later than April 1, 2024, the hospital must submit a CommunityCares Access Agreement and a signed Differential Adjusted Payment Statement of Work (DAP SOW) to the HIE organization. The participant list attached to the DAP SOW must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the hospital requests to participate in the DAP, and the total number of patient visits per year.
  - ii. No later than January 1, 2025, the hospital must have onboarding completed by working with the CommunityCares team to submit all requirements prior to gaining access to the system. The hospital must utilize CommunityCares by facilitating in-network screenings and referrals within CommunityCares per facility location.
  - iii. From October 1, 2024, through September 30, 2025, the hospital must meet with their SDOH Advisor quarterly to set a utilization goal and to review progress. If the goal is not being met, the SDOH Advisor will assist hospitals in completing a written document that identifies barriers to achieving goals and outlines steps to overcome these barriers (improvement plan).
- g. Hospitals with an Emergency Department that participated in the NDP DAP in CYE 2024.
  - i. No later than April 1, 2024, the hospital must submit a Letter of Intent (LOI) to AHCCCS to the following email address: AHCCCS-DAP@azahcccs.gov, indicating that they will participate in the Naloxone Distribution Program (NDP). The LOI must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the hospital requests to participate in the DAP.
  - ii. No later than November 30, 2024, the hospital must develop and submit a facility policy that ensures hospitals are purchasing Naloxone through standard routine pharmacy ordering.
  - iii. No later than February 28, 2025, the hospital must submit a Naloxone Distribution Program Attestation to AHCCCS to the following email address: AHCCCS-DAP@azahcccs.gov.
- h. Hospitals with an Emergency Department that have not participated in the NDP DAP in CYE 2024.
  - i. No later than April 1, 2024, the hospital must submit a Letter of Intent (LOI) to AHCCCS to the following email address: AHCCCS-DAP@azahcccs.gov, indicating that they will participate in the Naloxone Distribution Program (NDP). The LOI must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the hospital requests to participate in the DAP.
  - ii. No later than November 30, 2024, the hospital must develop and submit a facility policy that meets AHCCCS/ADHS standards for a NDP.
  - iii. No later than January 1, 2025, the hospital must begin distribution of Naloxone to individuals at risk of overdose as identified through the facilities' policy.
  - iv. No later than February 28, 2025, the hospital must submit a Naloxone Distribution Program Attestation to AHCCCS to the following email address: AHCCCS-DAP@azahcccs.gov.

**R9-22-712.62. DRG Base Payment**

- A. The initial DRG base payment is the product of the DRG base rate, the DRG relative weight for the post-HCAC DRG code assigned to the claim, and any applicable provider and service policy adjusters.
- B. The DRG base rate for each hospital is the statewide standardized amount of which the hospital's labor-related share of that amount is adjusted by the hospital's wage index. The hospital's labor share is determined based on the labor share for the Medicare inpatient prospective payment system published in 85 Fed. Reg. 59060 through 59061 (September 18, 2020). The hospital's wage index is determined based on the wage index tables reference in 85 Fed. Reg. 59059 (September 18, 2020). The statewide standardized amount is included in the AHCCCS capped fee schedule available on the agency's website.
- C. Claims shall be assigned both a DRG code derived from all diagnosis and surgical procedure codes included on the claim (the "pre-HCAC" DRG code) and a DRG code derived excluding diagnosis and surgical procedure codes associated with the health care acquired conditions that were not present on admission or any other provider-preventable conditions (the "post-HCAC" DRG code). The DRG code with the lower relative weight shall be used to process claims using the DRG methodology.

**R9-22-712.63. DRG Base Payments Not Based on the Statewide Standardized Amount**

- A. Notwithstanding Section R9-22-712.62, a select specialty hospital standardized amount shall be used in place of the statewide standardized amount in subsection R9-22-712.62(B) to calculate the DRG base rate for the following hospitals:

1. Hospitals located in a city with a population greater than one million, which on average have at least 15 percent of inpatient days for patients who reside outside of Arizona, and at least 50 percent of discharges as reported on the 2011 Medicare Cost Report are reimbursed by Medicare.
  2. Hospitals designated as type: hospital, subtype: short term that has a license number beginning "SH" in the Provider & Facility Database for Arizona Medical Facilities posted by the ADHS Division of Licensing Services on its website for March of each year.
- B. The select specialty hospital standardized amount is included in the AHCCCS capped fee schedule available on the agency's website.
  - C. Notwithstanding Section R9-22-712.62, a rural hospital standardized amount shall be used in place of the statewide standardized amount in subsection R9-22-712.62(B) to calculate the DRG base rate for the following hospitals:
    1. A health care institution that is licensed as an acute care hospital, that has one hundred or fewer beds, and that is located in a county with a population of less than five hundred thousand persons; or
    2. A health care institution that is licensed as a critical access hospital.
  - D. The rural hospital standardized amount is included in the AHCCCS capped fee schedule available on the agency's website.
  - E. Notwithstanding Sections R9-22-712.62 and R9-22-712.63(B), a hospital standardized amount shall be used in place of the statewide standardized amount in subsection R9-22-712.62(B) or R9-22-712.63(B) to calculate the DRG base rate for a health care institution that is licensed as an acute care hospital, that has one hundred or fewer beds, that is located in a county with a population of less than five hundred thousand persons and has greater than twenty percent of Medicaid inpatient reimbursement with a primary diagnosis of behavioral health in the prior federal fiscal year as of April 30th.
  - F. The hospital standardized amount is included in the AHCCCS capped fee schedule available on the agency's website.
  - G. Notwithstanding Section R9-22-712.62 and R9-22-712.63(B), a hospital standardized amount shall be used in place of the statewide standardized amount in subsection R9-22-712.62(B) or R9-22-712.63(B) to calculate the DRG base rate for a health care institution with two separate ADHS acute care hospital licenses, with one facility that has one hundred or fewer beds, that is located in a county with a population of less than five hundred thousand persons and has one single AHCCCS registration for both licenses.
  - H. The hospital standardized amount is included in the AHCCCS capped fee schedule available on the agency's website.

**R9-22-712.64. DRG Base Payments and Outlier CCR for Out-of-State Hospitals**

- A. DRG Base payment:
  1. For high volume out-of-state hospitals defined in subsection (C), the wage adjusted DRG base payment is determined as described in R9-22-712.62.

## TITLE 9. HEALTH SERVICES

## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

2. Notwithstanding subsection R9-22-712.62 the wage adjusted DRG base rate for out-of-state hospitals that are not high volume hospitals shall be included in the AHCCCS capped fee schedule available on the agency's website.
- B. Outlier CCR:**
  1. Notwithstanding subsection R9-22-712.68, the CCR used for the outlier calculation for out-of-state hospitals that are not high volume hospitals shall be the sum of the statewide urban default operating cost-to-charge ratio and the statewide capital CCR in the data file established as part of the Medicare Inpatient Prospective Payment System by CMS.
  2. The CCR used for the outlier calculation for high volume out-of-state hospitals is the same as in-state hospitals as described in R9-22-712.68.
- C.** A high volume out-of-state hospital is a hospital not otherwise excluded under R9-22-712.61, that is located in a county that borders the State of Arizona and had 500 or more AHCCCS covered inpatient days for the fiscal year beginning October 1, 2015.
- D.** Other than as required by this Section, DRG reimbursement for out-of-state hospitals is determined under R9-22-712.60 through R9-22-712.81.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3). Amended by final rulemaking at 23 A.A.R. 2896, effective January 1, 2018 (Supp. 17-4).

**R9-22-712.65. DRG Provider Policy Adjustor**

- A.** After calculating the DRG base payment as required in R9-22-712.62, R9-22-712.63, or R9-22-712.64, for claims from a high-utilization hospital, the product of the DRG base rate and the DRG relative weight for the post-HCAC DRG code shall be multiplied by a provider policy adjustor that is included in the AHCCCS capped fee schedule available on the agency's website.
- B.** A hospital is a high-utilization hospital if the hospital had:
  1. Covered inpatient days subject to DRG reimbursement, determined using adjudicated claim and encounter data during the fiscal year beginning October 1, 2015, equal to at least four hundred percent of the statewide average number of AHCCCS-covered inpatient days at all hospitals;
  2. A Medicaid inpatient utilization rate greater than 30 percent calculated as the ratio of AHCCCS-covered inpatient days to total inpatient days as reported in the hospital's Medicare Cost Report for the fiscal year ending 2016; and,
  3. Received less than \$2 million in add-on payment for outliers under R9-22-712.68, based on adjudicated claims and encounters for fiscal year beginning October 1, 2015.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3). Amended by final rulemaking at 23 A.A.R. 2896, effective January 1, 2018 (Supp. 17-4).

**R9-22-712.66. DRG Service Policy Adjustor**

In addition to Section R9-22-712.65, for claims with DRG codes in the following categories, the product of the DRG base rate, the DRG relative weight for the post-HCAC DRG code, and the DRG provider policy adjustor shall be multiplied by the service policy

adjustor listed in the AHCCCS capped fee schedule, available on the agency's website, corresponding to the following DRG codes:

1. Normal newborn DRG codes,
2. Neonates DRG codes,
3. Obstetrics DRG codes,
4. Psychiatric DRG codes,
5. Rehabilitation DRG codes,
6. Burn DRG codes.
7. Claims for members under age 19 assigned DRG codes other than listed above:
  - a. For dates of discharge occurring on or after October 1, 2014 and ending no later than December 31, 2015 regardless of severity of illness level,
  - b. For dates of discharge on or after January 1, 2016, for severity of illness levels 1 and 2,
  - c. For dates of discharge on or after January 1, 2016 and before January 1, 2017, for severity of illness levels 3 and 4.
  - d. For dates of discharge on or after January 1, 2017, and before January 1, 2018 for severity of illness levels 3 and 4.
  - e. For dates of discharge on or after January 1, 2018, for severity of illness levels 3 and 4.
8. Claims for members assigned DRG codes other than listed above.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3). Amended by final rulemaking at 22 A.A.R. 2187, effective October 1, 2016 (Supp. 16-4). Amended by final rulemaking at 23 A.A.R. 2896, effective January 1, 2018 (Supp. 17-4).

**R9-22-712.67. DRG Reimbursement: Transfers**

- A.** For purposes of this Section a "transfer" means the transfer of a member from a hospital to a short-term general hospital for inpatient care, a designated cancer center, children's hospital, or a critical access hospital except when a member is moved for the purpose of receiving sub-acute services.
- B.** Designated cancer center or children's hospitals are those hospitals identified as such in the UB-04 billing manual published by the National Uniform Billing Committee.
- C.** The hospital the member is transferred from shall be reimbursed either the initial DRG base payment or the transfer DRG base payment, whichever is less.
- D.** The transfer DRG base payment is an amount equal to the initial DRG base payment, as determined after making any provider or service policy adjustors, divided by the DRG National Average length of stay for the DRG code multiplied by the sum of one plus the length of stay.
- E.** The hospital the member is transferred to shall be reimbursed under the DRG payment methodology without a reduction due to the transfer.
- F.** Unadjusted DRG base payment. The unadjusted DRG base payment is either the initial DRG base payment, as determined after making any provider or service policy adjustors, or the transfer DRG base payment, whichever is less.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3). Amended by final rulemaking at 22 A.A.R. 2187, effective October 1, 2016 (Supp. 16-4).

**R9-22-712.68. DRG Reimbursement: Unadjusted Outlier Add-on Payment**

## TITLE 9. HEALTH SERVICES

## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

- A. Claims for inpatient hospital services qualify for an outlier add-on payment if the claim cost exceeds the outlier cost threshold.
- B. The claim cost is determined by multiplying covered charges by an outlier CCR as described by the following subsections:
  - 1. For hospitals designated as type: hospital, subtype: children's in the Provider & Facility Database for Arizona Medical Facilities posted by the ADHS Division of Licensing Services on its website for March of each year. The outlier CCR will be calculated by dividing the hospital total costs by the total charges using the most recent Medicare Cost Report available as of September 1 of that year.
  - 2. For Critical Access Hospitals the outlier CCR will be the sum of the statewide rural default operating cost-to-charge ratio and the statewide capital cost-to-charge ratio in the data file established as part of the Medicare Inpatient Prospective Payment System by CMS.
  - 3. For all other hospitals the outlier CCR will be the sum of the operating cost-to-charge ratio and the capital cost-to-charge ratio established for each hospital in the impact file established as part of the Medicare Inpatient Prospective Payment System by CMS.
- C. AHCCCS shall update the CCRs described in subsection (B) to conform to the most recent CCRs established by CMS as of September 1 of each year, and the CCRs so updated shall be used for claims with dates of discharge on or after October 1 of that year.
- D. The outlier threshold is equal to the sum of the unadjusted DRG base payment plus the fixed loss amount. The fixed loss amount for critical access hospitals and for all other hospitals are included in the AHCCCS capped fee schedule available on the agency's website.
- E. For those inpatient hospital claims that qualify for an outlier add-on payment, the payment is calculated by subtracting the outlier threshold from the claim cost and multiplying the result by the DRG marginal cost percentage. The DRG marginal cost percentage for claims assigned DRG codes associated with the treatment of burns and for all other claims are included in the AHCCCS capped fee schedule available on the agency's website.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3). Amended by final rulemaking at 23 A.A.R. 2896, effective January 1, 2018 (Supp. 17-4).

**R9-22-712.69. DRG Reimbursement: Covered Day Adjusted DRG Base Payment and Covered Day Adjusted Outlier Add-on Payment**

Adjustments to the payments are made to account for days not covered by AHCCCS as follows:

- 1. A covered day reduction factor unadjusted is determined if the member is not eligible on the first day of the inpatient stay but is eligible for subsequent days during the inpatient stay. In this case, a covered day reduction factor unadjusted is calculated by dividing the number of AHCCCS covered days by the DRG National Average length of stay. The number of AHCCCS covered days is equal to the number of days the member is eligible during the inpatient stay.
- 2. A covered day reduction factor unadjusted is also determined if the member is eligible on the first day of the inpatient stay but is determined ineligible for one or more

days prior to the date of discharge. In this case, a covered day reduction factor unadjusted is calculated by adding one to the number of AHCCCS covered days and dividing the result by the DRG National Average length of stay. The number of AHCCCS covered days is equal to the number of days the member is eligible during the inpatient stay.

- 3. If the covered day reduction factor unadjusted is greater than one, then the covered day reduction factor final is one; otherwise, the covered day reduction factor final is equal to the covered day reduction factor unadjusted.
- 4. The covered day adjusted DRG base payment is an amount equal to the product of the unadjusted DRG base payment and the covered day reduction factor final.
- 5. The covered day adjusted DRG outlier add-on payment is an amount equal to the product of the unadjusted DRG outlier add-on payment and the covered day reduction factor final.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3).

**R9-22-712.70. Covered Day Adjusted DRG Base Payment and Covered Day Adjusted Outlier Add-on Payment for FES members**

In addition to the covered day reduction factor in R9-22-712.69, a covered day reduction factor unadjusted is determined for an inpatient stay during which an FES member receives services for the treatment of an emergency medical condition and also receives services once the condition no longer meets the criteria as an emergency medical condition described in R9-22-217.

- 1. A covered day reduction factor unadjusted is calculated by adding one to the AHCCCS covered days and dividing the result by the DRG National Average length of stay. The number of AHCCCS covered days is equal to the number of inpatient days during which an FES member receives services for an emergency medical condition as described in R9-22-217. For purposes of this adjustment, any portion of a day during which the FES member receives treatment for an emergency medical condition is counted as an AHCCCS covered day.
- 2. If the covered day reduction factor unadjusted is greater than one, then the covered day reduction factor final is one; otherwise, the covered day reduction factor final is equal to the covered day reduction factor unadjusted.
- 3. The covered day adjusted DRG base payment is an amount equal to the product of the unadjusted DRG base payment and the covered day reduction factor final.
- 4. The covered day adjusted DRG outlier add-on payment is an amount equal to the product of the unadjusted DRG outlier add-on payment and the covered day reduction factor final.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3).

**R9-22-712.71. Final DRG Payment**

- A. The final DRG payment is the sum of the final DRG base payment, the final DRG outlier add-on payment, and the Differential Adjusted Payment.
- B. The final DRG base payment is an amount equal to the product of the covered day adjusted DRG base payment and a hospital-specific factor established to limit the financial impact to individual hospitals of the transition from the tiered per diem pay-

## TITLE 9. HEALTH SERVICES

## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

ment methodology and to account for improvements in documentation and coding that are expected as a result of the transition.

- C. The final DRG outlier add-on payment is an amount equal to the product of the covered day adjusted DRG outlier add-on payment and a hospital-specific factor established to limit the financial impact to individual hospitals of the transition from the tiered per diem payment methodology and to account for improvements in documentation and coding that are expected as a result of the transition.
- D. The factor for each hospital and for each federal fiscal year is published as part of the AHCCCS capped fee schedule and is available on the AHCCCS administration's website and is on file for public inspection at the AHCCCS administration located at 801 E. Jefferson Street, Phoenix, Arizona.
- E. For inpatient services with a date of discharge from October 1, 2023 through September 30, 2024 (CYE 2024), the Inpatient Differential Adjusted Payment is the sum of the final DRG base payment and the final DRG outlier add-on payment multiplied by a percentage published on the Administration's public website as part of its fee schedule, subsequent to the public notice published no later than September 1, 2023. A hospital will qualify for an increase if it meets the criteria specified below for the applicable hospital subtype. If a hospital receives a DAP for CYE 2024 but fails to meet all of the requirements in subsection (F), the hospital shall be disqualified from participating in a DAP for dates of service October 1, 2024 through September 30, 2025 (CYE 2025), if a DAP would be available at that time.
  - 1. A hospital designated by the Arizona Department of Health Services Division of Licensing Services as type: hospital, subtype: short-term or children's will qualify for an increase if it meets the criteria in subsection (1)(a), (b), (c), or (d):
    - a. No later than April 1, 2023, the hospital must have in place an active participation agreement with the Health Information Exchange (HIE) organization and submit a signed Health Information Exchange Statement of Work (HIE SOW) to the HIE. The HIE SOW must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the hospital requests to participate in the DAP.
    - i. No later than May 1, 2023, the hospital must have actively accessed, and continue to access on an ongoing basis, patient health information via the HIE organization, utilizing one or more HIE services, such as the HIE Portal, ADT Alerts, Clinical Notifications, or an interface that delivers patient data into the hospital's system.
    - ii. No later than May 1, 2023, hospitals that utilize external reference labs for any lab result processing must submit necessary provider authorization forms to the HIE organization, if required by the external reference lab, to have all outsourced lab test results flow to the HIE on their behalf.
    - iii. No later than May 1, 2023, the hospital must electronically submit the following actual patient identifiable information to the production environment of the HIE organization: admission, discharge, and transfer information (generally known as ADT information), including data from the hospital emergency department if the provider has an emergency department; laboratory and radiology information (if the provider has these services); transcription; medication information; immunization data; and discharge summaries that include, at a minimum, discharge orders, discharge instructions, active medications, new prescriptions, active problem lists (diagnosis), treatments and procedures conducted during the stay, active allergies, and discharge destination.
    - iv. No later than May 1, 2023, the hospital must have or obtain a unique Object Identifier (OID) created by a registration authority, the hospital, and Health Level Seven (HL7). The OID is a globally unique International Organization for Standardization identifier for the hospital. Contact the HIE's Quality Improvement Team for instructions and to ensure the hospital is compliant.
    - v. No later than July 1, 2023, the hospital must sign a DAP SOW amendment to include HIE integration requirements. Which will include the steps and expectations and timeline to transition to the hospital's HIE connection to the new HIE platform. The hospital must continue to meet the HIE integration requirements through September 30, 2024.
  - b. No later than April 1, 2023, the hospital must submit a signed Health Information Exchange Statement of Work (HIE SOW) indicating AzHDR participation to the HIE. The HIE SOW must contain each facility, including AHCCCS ID(s) and corresponding NPI(s), that the hospital requests to participate in the DAP.
    - i. For hospitals that have participated in DAP HIE requirements in CYE 2023:
      - (1) No later than September 30, 2023, initiate use of the AzHDR platform operated by the HIE organization.
      - (2) After all the onboarding requirements have been met and the provider has access to the platform (Go-Live), the hospital must regularly utilize the AzHDR platform which will be measured by facilitating at least 10 patient document uploads or queries of advance directives per month per registered AHCCCS ID from the Go-Live date through September 30, 2024. Both uploads entered into the system and queries of the system by the hospital will be counted toward volume requirements, tracked monthly, and reported as a final deliverable by June 1, 2024. Uploading is defined by submitting a document or multiple documents for a patient into the registry and a query is defined as querying for documents within the Registry.
    - ii. For hospitals that have not participated in DAP HIE requirements in CYE 2023:
      - (1) No later than November 1, 2023, complete the AzHDR Participant Agreement, and
      - (2) No later than April 1, 2024, have onboard-

- ing completed by working with the HIE to submit all HIE requirements prior to gaining access to the platform.
- c. No later than April 1, 2023, the hospital must submit a signed Health Information Exchange Statement of Work (HIE SOW) and the Community Cares Access Agreement indicating SDOH participation to the HIE organization. The HIE SOW must contain each facility, including AHCCCS ID(s) and corresponding NPI(s), that the hospital requests to participate in the DAP.

**R9-22-712.72. DRG Reimbursement: Enrollment Changes During an Inpatient Stay**

- A. If a member's enrollment changes during an inpatient stay, including changing enrollment from fee-for-service to a contractor, or vice versa, or changing from one contractor to another contractor, the contractor with whom the member is enrolled on the date of discharge shall be responsible for reimbursing the hospital for the entire length of stay under the DRG payment rules in Sections R9-22-712.60 through R9-22-712.81. If the member is eligible but not enrolled with a contractor on the date of discharge, then the AHCCCS administration shall be responsible for reimbursing the hospital for the entire length of stay under the DRG payment rules in Sections R9-22-712.60 through R9-22-712.81.
- B. When a member's enrollment changes during an inpatient stay, the hospital shall use the date of enrollment with the payer responsible on the date of discharge as the "from" date of service on the claim regardless of the date of admission.
- C. Interim claims submitted to a payer other than the payer responsible on the day of discharge shall be processed in the same manner as other interim claims as described in R9-22-712.76.

**R9-22-712.73. DRG Reimbursement: Inpatient Stays for Members Eligible for Medicare**

If the hospital receives less than the full Medicare payment for a member eligible for benefits under Part A of Medicare because the member has exceeded the maximum benefit permitted under Part A of Medicare, the hospital shall submit a separate claim for services performed after the date the maximum Medicare Part A benefit is exceeded. The claim may include all diagnosis codes for the entire inpatient stay, but the hospital is only required to include revenue codes, surgical procedure codes, service units, and charges for services performed after the date the Medicare Part A benefit is exceeded. A claim so submitted shall be reimbursed using the DRG payment methodology.

**R9-22-712.75. DRG Reimbursement: Payment for Administrative Days**

- A. Categories of Administrative Days. Administrative days fall into one of two categories, either subsection (A)(1) or (A)(2).
  - 1. Administrative days due to lack of appropriate placement options and not meeting inpatient medical criteria. Administrative days are days in which a member is admitted as an inpatient to an acute care hospital, does not meet the criteria for an acute inpatient stay, but is admitted or not discharged because; (1) an appropriate placement outside the hospital is not available, (2) the member cannot be safely discharged or transferred, or (3) the Administration or the contractor failed to provide for the appropriate placement outside the hospital in a timely manner.
    - a. Administrative days may occur prior to an acute care episode, for example, when a woman with a high-risk pregnancy is admitted to a hospital while awaiting delivery.
    - b. Administrative days may also occur at the end of an acute care episode, for example, when a member is not discharged while awaiting placement in a nursing facility or other sub-acute or post-acute setting.
    - c. Administrative days may also include days in a receiving hospital when the member has been discharged from one acute care hospital for the purpose of receiving sub-acute services at the receiving hospital.
    - d. Administrative days do not include days when the member is awaiting appropriate placement or services that are currently available but the hospital has not transferred or discharged the member because of the hospital's administrative or operational delays.

## TITLE 9. HEALTH SERVICES

## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

- e. Administrative days include inpatient claims covered by a RBHA or TRBHA that otherwise meet the criteria in subsection (A)(1).
  2. Administrative days for claims with the principal diagnosis of behavioral health meeting inpatient medical criteria. Administrative days are days with dates of discharge on or after October 1, 2018, in which a member is admitted as an inpatient to an acute care hospital, meets the criteria for an acute inpatient stay, and the principal diagnosis on the hospital claim is a behavioral health diagnosis. Inpatient claims covered by a RBHA or TRBHA are not considered administrative days under subsection (A)(2) regardless of the principal diagnosis on the hospital claim.
- B. Reimbursement of Administrative Days.**
1. Administrative days under subsection (A)(1) are reimbursed at the rate the claim would have paid had the services not been provided in an inpatient hospital setting but had been provided at the appropriate level of care such as the rate paid for stays at a nursing facility.
  2. Administrative days under subsection (A)(2) are reimbursed at the daily rate found on the Inpatient Behavioral Health Capped Fee-For-Service Schedule meeting the criteria of "Service Description – Psychiatric Stay," regardless of revenue code.
- C.** Prior authorization is required for administrative days.
- D.** A hospital shall submit a claim for administrative days separate from any claim for reimbursement for the inpatient stay otherwise reimbursable under the DRG payment methodology.

**Historical Note**

- A.** For inpatient stays with a length of stay greater than 29 days, a hospital may submit interim claims for each 30 day period during the inpatient stay.
- B.** Hospitals shall be reimbursed for interim claims at a per diem rate of \$500 per day.
- C.** Following discharge, the hospital shall void all interim claims. In such circumstances, the hospital shall submit a claim to the payer with whom the member is enrolled on the date of discharge, whether the Administration or a contractor, for the entire inpatient stay for which the final claim shall be reimbursed under the DRG payment methodology. Interim claims will be recouped.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3).

**R9-22-712.77. DRG Reimbursement: Admissions and Discharges on the Same Day**

- A.** Except as provided for in subsection (B), for any claim for inpatient services with an admission date and discharge date that are the same calendar date, the contractor or the Administration shall process the claim as an outpatient claim and the hospital shall be reimbursed under R9-22-712.10 through R9-22-712.50.
- B.** Claims with an admission date and discharge date that are the same calendar date that also indicate that the member expired

on the date of discharge shall be reimbursed under the DRG methodology.

**Historical Note**

**R9-22-712.78. DRG Reimbursement: Readmissions**

If a member is readmitted without prior authorization to the same hospital that the member was discharged from within 72 hours and the DRG code assigned to the claim for the prior admission has the same first three digits as the DRG code assigned to the claim for the readmission, then payment for the claim for the readmission will be disallowed only if the readmission could have been prevented by the hospital.

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3).

**R9-22-712.79. DRG Reimbursement: Change of Ownership**

The administration shall not change any of the components of the calculation of reimbursement for inpatient services using the DRG methodology based upon a change in the hospital's ownership except to the extent those components would change under the methodology had the hospital not changed ownership (e.g., updating the hospital's cost-to-charge ratio as of September 1 of each year under R9-22-712.68).

**Historical Note**

New Section made by final rulemaking at 20 A.A.R. 1956, September 6, 2014 (Supp. 14-3).

For any hospital that does not have a labor share or wage index published by CMS as described in subsection R9-22-712.62(B) because the hospital was not in operation, the DRG base rate described in subsection R9-22-712.62(B) shall be calculated as the statewide standardized amount after adjusting that amount for the labor-related share and the wage index published by CMS as described in subsection R9-22-712.62(B) that is appropriate to the location of the hospital published by CMS as described in subsection R9-22-712.62(B).
- B.** Outlier calculations for new hospitals. For any hospital that does not have an operating cost-to-charge ratio listed in the impact file described in subsection R9-22-712.68(B) because the hospital was not in operation prior to the publication of the impact file, the statewide urban or rural default operating cost-to-charge ratio appropriate to the location of the hospital and the statewide capital cost-to-charge ratio shall be used to determine the unadjusted outlier add-on payment. The statewide urban or rural default operating cost-to-charge ratio and the statewide capital cost-to-charge ratio shall be based on the ratios published by CMS and updated by the Administration as described in subsection R9-22-712.68(C).
- C.** In addition to the requirement of this Section, DRG reimbursement for new hospitals is determined under R9-22-712.60 through R9-22-712.79.

## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

In addition to the other updates provided for in Sections R9-22-712.60 through R9-22-712.80, the Administration may update the version of the APR-DRG classification system established by 3M Health Information Systems, adjust the statewide standardized amount in Section R9-22-712.62, the base payments in R9-22-712.63 and R9-22-712.64, the provider policy adjustor in R9-22-712.65, service policy adjustors in R9-22-712.66, and the fixed loss amounts and marginal cost percentages used to calculate the outlier threshold in R9-22-712.68 to the extent necessary to assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available at least to the extent that such care and services are available to the general population in the geographic area. The Administration shall publish any proposed classification system on the agency's website at least 30 days prior to the effective date, to ensure a sufficient period for public comment, as required by 42 C.F.R. § 447.205. In addition, the public notice shall be available for inspection during normal business hours at 701 E. Jefferson, Phoenix, Arizona. - E.** Services provided by an outpatient treatment center that provides emergency room services under R9-10-1019 but does not otherwise meet the criteria in subsection A, shall be reimbursed based on the non-hospital AHCCCS capped fee-for-service schedule under R9-22-710.
- F.** The Administration shall not reimburse a hospital for services provided at a hospital-based FSED if the member is admitted directly from a hospital-based FSED to a hospital with an ownership interest in the hospital-based FSED. As provided in R9-22-712.60(B), payments made for the inpatient stay using the DRG methodology shall be the sole reimbursement.

    - a. No later than November 30, 2023, develop and submit a hospital-based FSED policy that meets AHCCCS/ADHS standards for a NDP.
    - b. No later than January 1, 2024, begin distribution of Naloxone to individuals at risk of overdose as identified through the hospital-based FSEDs' policy.

    2. If the hospital began operating between January 3 and September 30, the assessment will begin on October 1 of the following calendar year.
    3. A hospital is not considered a new hospital based on a change in ownership.

      - a. If there is not a complete 12 months-worth of data available, the assessment will be based on the annualized number of discharges from the date hospital operations began through December 31 preceding the October assessment start date. The hospital shall self-report the discharge data and all other data requested by the Administration necessary to determine the appropriate assessment to the Administration no later than January preceding the assessment start date for the new hospitals. ## CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

- K. Changes of ownership. The parties to a change of ownership shall promptly provide written notice to the Administration of a change of ownership and any agreement regarding the payment of the assessment. The assessed amount will continue at the same amount applied to the prior owner. Assessments are the responsibility of the owner of record as of the first day of the quarter; however, this Section is not intended to prohibit the parties to a change of ownership from entering into an agreement for a new owner to assume the assessment responsibility of the owner of record as of the first day of the prior quarter.
- L. Hospital closures. Hospitals that close shall pay a proportion of the quarterly assessment equal to that portion of the quarter during which the hospital operated.
- M. Required information for the inpatient assessment. For any hospital that has not filed a 2022 Medicare Cost report, or if the 2022 Medicare Cost report does not include the reliable information sufficient for the Administration to calculate the inpatient assessment, the Administration shall use data reported on the 2022 Uniform Accounting Report filed by the hospital in place of the 2022 Medicare Cost report to calculate the assessment. If the 2022 Uniform Accounting Report filed by the hospital does not include reliable information sufficient for the Administration to calculate the inpatient assessment amounts, the hospital shall provide the Administration with data specified by the Administration necessary in place of the 2022 Medicare Cost report to calculate the assessment.
- N. Required information for the outpatient assessment. For any hospital that has not filed a 2022 Uniform Accounting Report, if the 2022 Uniform Accounting Report does not include reliable information sufficient for the Administration to calculate the outpatient assessment amounts, or if the 2022 Uniform Accounting Report does not reconcile to 2022 Audited Financial Statements, the Administration shall use the data reported on 2022 Audited Financial Statements to calculate the outpatient assessment. If the 2022 Audited Financial Statements do not include the reliable information sufficient for the Administration to calculate the outpatient assessment, the Administration shall use data reported on the 2022 Medicare Cost report. If the Medicare Cost report does not include reliable information sufficient for the Administration to calculate the outpatient assessment amounts, the hospital shall provide the Administration with data specified by the Administration necessary in place of the 2022 Medicare Cost report to calculate the outpatient assessment.
- O. Enforcement. If a hospital does not comply with this Section, the director may suspend or revoke the hospital's provider agreement. If the hospital does not comply within 180 days after the hospital's provider agreement is suspended or revoked, the director shall notify the director of the Department of Health Services who shall suspend or revoke the hospital's license.

- 3. Changes to the annual FPL are implemented in April of each year.
- C. Income period. The income period is the month of application and the next two months. The Department shall add together the three months' income to establish the MED family unit's income amount.

  - 2. Disregard from the remaining earned income an amount billed by the provider for the care of each dependent child under age 18 or incapacitated adult member of the MED family unit if the care is for the purpose of allowing the person to work.     - a. A maximum of \$200 for a child under age two and \$175 for other dependents for a wage-earner employed full-time (86 or more hours per month); and

- B. Ownership and availability. The Department shall evaluate the ownership of resources to determine the availability of resources to a person listed in subsection (A).
1. Jointly owned resources with ownership records containing the words "and" or "and/or" between the owners' names are available to each owner except if one of the owners refuses to sell. A consent to sale is not required if all owners are members of the MED family unit.
  2. Jointly owned resources with ownership records containing the word "or" between the owners' names are presumed to be available in full to each owner. The applicant or member may rebut the presumption by providing clear and convincing evidence of intent to establish a different type of ownership. If the presumption is rebutted, the resource is available to the owners:
    - a. Consistent with the intent of the owners, or
    - b. Based on each owner's proportionate net contribution if there is not clear and convincing evidence of a different allocation.
  3. The Department shall establish availability of a trust under 42 U.S.C. 1396p(d)(4)(A) or (C).
- C. Unavailability. The Department shall consider the following resources unavailable:
1. Property subject to spendthrift restriction, such as:

  2. A resource being disputed in a divorce proceeding or probate matter;

    - c. Clothing, or
    - d. Shelter.
- D. Resource exclusion. The Department shall exclude the following resources from the calculation of resources under subsection (E):

  5. The value of a vehicle used to earn income and not used simply for transportation to and from employment;
  6. The value of a vehicle in which a SSI-cash recipient has an ownership interest; and
  7. The value of any vehicle used for medical treatment, employment, or transportation of a SSI-cash disabled child, and that is excluded by SSI for that reason.
  8. Funds set aside in an Individual Development Account under 6 A.A.C. 12, Article 4; and
  9. Any other resource specifically excluded by federal law.
- E. Calculation of resources. The Department shall determine the value of all household resources as follows:
1. Calculate the total amount of countable liquid resources;
  2. Calculate the equity value of each countable non-liquid resource. The Department shall determine the equity value of a countable non-liquid resource by subtracting the amount of valid encumbrances on that resource from:
    - a. The market value of real property if there is no assessor's evaluation of the property,
    - b. The market value of real property if the assessor's value of the real property does not include the value of permanent structures on that property,
    - c. The assessor's full cash value if subsections (E)(2)(a) and (E)(2)(b) do not apply, and
    - d. The market value of a non-liquid resource that is not real property;
  3. Not assign an equity value to a resource that is less than zero; and
  4. Determine the MED family unit's resources by adding the totals determined in subsections (1) and (2).
- F. Resource standard to be eligible for MED. A person is not eligible for MED if the resources determined in subsection (E) exceed \$100,000 or if more than \$5,000 are liquid resources.

If the family unit meets the income requirements in the application month but does not meet the resource limit until the following month, the family unit's effective date of eligibility is the first day of the month following the month of application.
- B. The Department shall adjust the effective date of eligibility under subsection (A) to an earlier date if:
1. A member presents verification of additional allowable medical expenses incurred on an earlier date during the medical expense deduction period that allow the member to meet the income requirements, and

**R9-22-1702. Enrollment of a Member with an AHCCCS Contractor**

**A.** General enrollment requirements. The Administration shall enroll a member with a contractor as described in this Section, unless the member has pre-selected a contractor on the application:

1. Except as provided in subsections (A)(3), (A)(5), and (C), a member who is determined to be eligible under this Chapter and resides in an area served by more than one contractor, may choose an available contractor serving the member’s GSA within 30 days from the date of notice of enrollment. A Native American member may select IHS or another available contractor.
2. If the member does not make a choice under subsection (A)(1), the Administration shall immediately auto-assign the member to:
  - a. IHS if the member is a Native American living on a reservation,
  - b. A contractor based on family continuity, or
  - c. A contractor by using the auto-assignment algorithm.
3. If the member’s period of ineligibility and disenrollment from the contractor of record is for a period of less than 90 days, the Administration shall enroll the member with the member’s most recent contractor of record, if available, except if:
  - a. The member no longer resides in the contractor’s GSA;
  - b. The contractor’s contract is suspended or terminated;

- c. The member was previously enrolled with CMDP but at the time of re-enrollment the member is not a foster care child;
  - d. The member chooses another contractor or chooses IHS, if available to the member, during the annual enrollment choice period; or
  - e. The member was previously enrolled with a contractor but at the time of re-enrollment the member is a foster care child.
4. When the member’s disenrollment period is more than 90 days, the member may select a contractor as described in subsection (A)(1).
5. The Administration shall not enroll a member with a contractor if a member:
  - a. Is eligible for the FESP under R9-22-1419;
  - b. Is eligible for less than 30 days from the date the Administration receives notification of a member’s eligibility, except for a member who is enrolled with CMDP or IHS;
  - c. Is eligible only for a retroactive period of eligibility, except for a member who is enrolled with CMDP or IHS; or
  - d. Resides in an area not served by a contractor.
- B.** Fee-for-service coverage. A member not enrolled with a contractor under subsection (A)(5) shall obtain covered medical services from an AHCCCS-registered provider on a fee-for-service basis under Article 7.
- C.** Foster care child. The Administration shall enroll a member with CMDP if the member is a foster care child under A.R.S. § 8-512.
- D.** Family Planning Services Extension Program. A member eligible for the Family Planning Services Extension Program under R9-22-1431, shall remain enrolled with the member’s contractor of record or IHS.
- E.** Contractor or IHS enrollment change for a member.
  1. The Administration shall change a member’s enrollment if the member requests a change to an available contractor or IHS during an annual enrollment period. A Native American may change from an available contractor to IHS or from IHS to an available contractor at any time.
  2. The Administration shall approve a change in enrollment for any member if the change is a result of the final outcome of a grievance under 9 A.A.C. 34.
  3. A member may choose a different contractor if the member moves into a GSA not served by the current contractor or if the contractor is no longer available. If the member does not select a contractor, the Administration shall auto-assign the member as provided in subsection (A)(2).
  4. The Administration shall provide the member 60-day advance notice of the member’s option to change plans by the member’s annual enrollment date.
  5. A member may disenroll from a plan if:
    - a. The member moves out of the GSA;
    - b. The plan does not, because of moral or religious objections, cover the service a member seeks; or
    - c. The member needs related services to be performed at the same time; not all related services are available within the network; and the member’s primary care provider or another provider determines that receiving the services separately would subject the member to unnecessary risk.

    - c. Based on administrative and overhead costs directly associated with providing level I trauma care.

**Historical Note**

New Section made by exempt rulemaking at 9 A.A.R. 4001, effective October 19, 2003 (Supp. 03-3). Amended by final rulemaking at 24 A.A.R. 2855, effective November 16, 2018 (Supp. 18-3).

**R9-22-2102. Distribution of Trauma and Emergency Services Fund: Level I Trauma Centers**

- A. On or after November 1, 2003, the Administration shall distribute monies, under R9-22-2101(B), to level I trauma centers using monies available in the trauma and emergency services fund at the time of payment. The Administration shall take into consideration the proportion of those hospitals' trauma case volume. The Administration shall:
  - 1. Recalculate the November 2003 payments in July 2004 using the formula in subsection (B) of this Section;
  - 2. Recoup November 2003 overpayments by reducing the July 2004 distributions under subsection (C) as appropriate; and
  - 3. Redistribute recouped funds, with the July 2004 payment, to level I trauma centers underpaid in November 2003.
- B. On or after January 31 of each year, the Administration shall distribute monies, under R9-22-2101(B), to level I trauma centers using monies available in the trauma and emergency services fund at the time of payment. The Administration shall determine each hospital's unrecovered trauma center readiness costs for the current fiscal year using data from the most recent reporting year as provided under R9-22-2101(D) and (E). The proportion of each hospital's share of the fund for unrecovered trauma center readiness costs is determined after considering:
  - 1. The professional, clinical, administrative, and overhead costs directly associated with providing level I trauma care, and
  - 2. The volume and acuity of trauma care provided by each hospital.
- C. On or after July 31 of each year, the Administration shall distribute monies to level I trauma centers using monies, under R9-22-2101(B), available in the trauma and emergency services fund at the time of payment according to the proportions calculated and used for the January payments in the same year, under subsection (B) of this Section.

1. Ninety percent of the amount shall be distributed to Level I trauma centers based upon each center's pro rata share of each center's acuity-adjusted volume as a percentage of the total acuity-adjusted volume for all centers in the state. The acuity-adjusted volume is calculated by multiplying the Injury Severity Score employed by trauma.org by the number of trauma cases at that level treated at the center during the reporting year. Hospitals shall report trauma scores and case volume on a worksheet prescribed by the Administration.
  2. Ten percent of the amount shall be distributed proportionately to hospitals that had an emergency department from July 1 through June 30 of the reporting year based the pro rata share of each hospital's cost of emergency care as a percentage of the total statewide cost of emergency care provided by hospitals as reported on the Worksheet B,

- C. For the reporting years ending June 30, 2011 and June 30, 2012, payments made under this Article shall not be made in an amount that results in aggregate payments to the hospital by the Administration and contractors exceeding of the upper payment limit for the hospital services as calculated in accordance with 42 CFR 447.
- D. For the reporting years ending June 30, 2011 and June 30, 2012, to ensure compliance with subsection (C), payments under this Article shall be reconciled to the federal fiscal year that is two years subsequent to the payment.
- E. Any payments that are determined under subsection (D) to exceed the limit in subsection (C) shall be distributed as described in this Article to hospitals that have not received payments in excess of the limit in subsection (C).

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## TITLE 12. NATURAL RESOURCES

## CHAPTER 4. GAME AND FISH COMMISSION

Authority: A.R.S. § 17-201 et seq.

## Supp. 25-2

*Editor's Note: The Office of the Secretary of State publishes all Chapters on white paper (Supp. 01-2).*

*Editor's Note: This Chapter contains rules which were adopted or amended under an exemption from the Arizona Administrative Procedure Act (A.R.S. Title 41, Chapter 6), pursuant to A.R.S. § 41-1005(A)(1). Exemption from A.R.S. Title 41, Chapter 6 means that the Game and Fish Commission did not submit notice of this rulemaking to the Secretary of State's Office for publication in the Arizona Administrative Register; the Governor's Regulatory Review Council did not review these rules; the Commission was not required to hold public hearings on these rules; and the Attorney General did not certify these rules. Because this Chapter contains rules which are exempt from the regular rulemaking process, the Chapter is printed on blue paper.*

**R12-4-107. Bonus Point System**

- A.** For the purpose of this Section, the following definitions apply:

"Bonus point hunt number" means the hunt number assigned in a Commission Order for use by an applicant who is applying for a bonus point only.

"Loyalty bonus point" means a bonus point awarded to a person who has submitted a valid application for a hunt permit-tag or a bonus point for a specific genus identified in subsection (B) at least once annually for a consecutive five-year period.

- B.** The bonus point system grants a person one random number entry in each computer draw for bear, bighorn sheep, bison, deer, elk, javelina, pronghorn, Sandhill crane, or turkey for each bonus point that person has accumulated under this Section.

1. Each bonus point random number entry is in addition to the entry normally granted under R12-4-104.
2. When processing a "group" application, as defined under R12-4-104, the Department shall use the average number of bonus points accumulated by all persons in the group, rounded to the nearest whole number. If the average num-

- ber of bonus points is equal to or greater than .5, the total will be rounded to the next higher number.
3. The Department shall credit a bonus point under an applicant's Department identification number for the genus on the application.
  4. The Department shall not transfer bonus points between persons or genera.
- C.** The Department shall award one bonus point to an applicant who submits a valid Hunt Permit-tag Application provided the following apply:
1. The application is unsuccessful in the computer draw or the application is for a bonus point only;
  2. The application is unsuccessful in the computer draw:
    - a. The applicant is age 10 or younger, and is applying for a hunt for wildlife other than big game; or
    - b. The application is for a bonus point for wildlife other than big game only;
  3. The application is not for a hunt permit-tag leftover after the computer draw and available on a first-come, first-served basis as established under R12-4-114; and
  4. The applicant either provides the appropriate hunting license number on the application, or submits an application and fees for the applicable license with the Hunt Permit-tag Application Form, as applicable.
- D.** An applicant who purchases a bonus point only shall:
1. Submit a valid Hunt Permit-tag Application, as prescribed under R12-4-104 at the times, locations, and in the manner and method established by the schedule published by the Department and available at any Department office, on the Department's website, or a license dealer.
    - a. When the application is submitted for a hunt permit-tag or bonus point, the Department shall reject any application that:
      - i. Indicates the bonus point only hunt number as any choice other than the first-choice,
      - ii. Includes any other hunt number on the application,
      - iii. Includes more than one Hunt Permit-tag Application per genus per computer draw, or
      - iv. Is submitted after the application deadline for that specific computer draw.
    - b. When the application is submitted for a bonus point during the extended bonus point period, the Department shall reject any application that:
      - i. Includes more than one Hunt Permit-tag Application per genus, or
      - ii. Is submitted after the application deadline for that extended bonus point period.
  2. Include the applicable fees:
    - a. Application fee, and
    - b. Applicable license fee, required when the applicant does not possess a valid license at the time of application and the applicant is applying for a hunt permit-tag.
- E.** With the exception of the conservation education and hunter education bonus points, each accumulated bonus point is valid only for the genus designated on the Hunt Permit-tag Application.
- F.** With the exception of a permanent bonus point awarded for conservation education or hunter education and a loyalty bonus point which is accrued and forfeited as established under subsection (L), a person's accumulated bonus points for a genus are expended if:
1. The person is issued a hunt permit-tag for that genus in a computer draw;
  2. The person fails to submit a Hunt Permit-tag Application for that genus for five consecutive years; or
  3. The person purchases a surrendered tag as prescribed under R12-4-118(F)(1), (2), or (3).
- G.** Notwithstanding subsection (F), the Department shall restore any expended bonus points to a person who surrenders or transfers a tag in compliance with R12-4-118 or R12-4-121.
- H.** An applicant issued a first-come, first-served hunt permit-tag under R12-4-114(C)(2)(e) after the computer draw does not expend bonus points for that genus.
- I.** An applicant who is unsuccessful for a first-come, first-served hunt permit-tag made available by the Department after the computer draw is not eligible to receive a bonus point.

Course paperwork must be received by the Department no less than 30 days before the computer draw application deadline, as specified in the hunt permit-tag application schedule in order for the Department to assign hunter education bonus points in the next computer draw.
    - c. Any person who is nine years of age or older may participate in a hunter education course or the Department's conservation education course. When the person is under 10 years of age, the hunter education completion card and certificate shall become valid on the person's 10th birthday.
    - d. The Department shall not award hunter education bonus points for any of the following specialized hunter education courses:
      - i. Bowhunter Education,
      - ii. Trapper Education, or
      - iii. Advanced Hunter Education.
- K.** The Department provides an applicant's total number of accumulated bonus points on the Department's application website or IVR telephone system.
1. If a person believes the total number of accumulated bonus points is incorrect, the person may request proof of compliance with this Section, from the Department, to prove Department error.

**R12-4-110. Posting and Access to State Land**

A. For the purpose of this Section:

## TITLE 12. NATURAL RESOURCES

## CHAPTER 4. GAME AND FISH COMMISSION

“Corrals,” “feed lots,” or “holding pens” mean completely fenced areas used to contain livestock for purposes other than grazing.

“Existing road” means any maintained or unmaintained road, way, highway, trail, or path that has been used for motorized vehicular travel, and clearly shows or has a history of established vehicle use, and is not currently closed by the Commission.

“State lands” means all land owned or held in trust by the state that is managed by the State Land Department and lands that are owned or managed by the Game and Fish Commission.

- B.** In addition to the prohibition against posting proscribed under A.R.S. § 17-304, a person shall not lock a gate, construct a fence, place an obstacle, or otherwise commit an act that denies legally available access to or use of any existing road upon state lands by persons lawfully taking or retrieving wildlife or conducting any activities that are within the scope of and take place while lawfully hunting or fishing.
1. A person in violation of this Section shall take immediate corrective action to remove any lock, fence, or other obstacle unlawfully preventing access to state lands.
  2. If immediate corrective action is not taken, a representative of the Department may remove any unlawful posting and remove any lock, fence, or other obstacle that unlawfully prevents access to state lands.
  3. In addition, the Department may take appropriate legal action to recover expenses incurred in the removal of any unlawful posting or obstacle that prevented access to state land.
- C.** The provisions of this Section do not allow any person to trespass upon private land to gain access to any state land.
- D.** A person may post state lands as closed to hunting, fishing, or trapping without further action by the Commission when the state land is within one-quarter mile of any:
1. Occupied residence, cabin, lodge, or other building; or
  2. Corrals, feed lots, or holding pens containing concentrations of livestock other than for grazing purposes.
  3. Subsection (D) does not authorize any person to deny lawful access to state land in any way.
- E.** The Commission may grant permission to lock, tear down, or remove a gate or close a road or trail that provides legally available access to state lands for persons lawfully taking wildlife or conducting any activities that are within the scope of and take place while lawfully hunting or fishing if access to such lands is provided by a reasonable alternate route.
1. Under R12-4-610, the Director may grant a permit to a state land lessee to temporarily lock a gate or close an existing road that provides access to state lands if the taking of wildlife will cause unreasonable interference during a critical livestock or commercial operation. This permit shall not exceed 30 days.
  2. Applications for permits for more than 30 days shall be submitted to the Commission for approval.
  3. If a permit is issued to temporarily close a road or gate, a copy of the permit shall be posted at the point of the closure during the period of the closure.
- F.** A person may post state lands other than those referenced under subsection (D) as closed to hunting, fishing, or trapping, provided the person has obtained a permit from the Commission authorizing the closure. A person possessing a permit authorizing the closure of state lands shall post signs in compliance with A.R.S. 17-304(C). The Commission may permit the closure of state land when it is necessary:

1. Because the taking of wildlife constitutes an unusual hazard to permitted users;
  2. To prevent unreasonable destruction of plant life or habitat; or
  3. For proper resource conservation, use, or protection, including but not limited to high fire danger, excessive interference with mineral development, developed agricultural land, or timber or livestock operations.
- G.** A person shall submit an application for posting state land to prohibit hunting, fishing, or trapping under subsection (F), or to close an existing road under subsection (E), as required under R12-4-610. If an application to close state land to hunting, fishing, or trapping is made by a person other than the state land lessee, the Department shall provide notice to the lessee and the State Land Commissioner before the Commission considers the application. The state land lessee or the State Land Commissioner shall file any objections with the Department, in writing, within 30 days after receipt of notice, after which the matter shall be submitted to the Commission for determination.
- H.** A person may use a vehicle on or off a road to pick up lawfully taken big game.
- I.** The closing of state land to hunting, fishing, or trapping shall not restrict any other permitted use of the land.
- J.** State trust land may be posted with signs that read “State Land No Trespassing,” but such posting shall not prohibit access to such land by any person lawfully taking or retrieving wildlife or conducting any activities that are within the scope of and take place while lawfully hunting or fishing.
- K.** When hunting, fishing, or trapping on state land, a license holder shall not:
1. Break or remove any lock or cut any fence to gain access to state land;
  2. Open and not immediately close a gate;
  3. Intentionally or wantonly destroy, deface, injure, remove, or disturb any building, sign, equipment, marker, or other property;
  4. Harvest or remove any vegetative or mineral resources or object of archaeological, historic, or scientific interest;
  5. Appropriately mutilate, deface, or destroy any natural feature, object of natural beauty, antiquity, or other public or private property;
  6. Dig, remove, or destroy any tree or shrub;
  7. Gather or collect renewable or non-renewable resources for the purpose of sale or barter unless specifically permitted or authorized by law;
  8. Frighten or chase domestic livestock or wildlife, or endanger the lives or safety of others when using a motorized vehicle or other means; or
  9. Operate a motor vehicle off road or on any road closed to the public by the Commission or landowner, except to retrieve a lawfully taken big game.

  2. Clearly identifies the wildlife for which the tag is valid.
- B.** If the Commission establishes a big game season for which a hunt number is not assigned, the Department or its authorized agent, or both, shall sell nonpermit-tags.

## TITLE 12. NATURAL RESOURCES

## CHAPTER 4. GAME AND FISH COMMISSION

1. A person purchasing a nonpermit-tag shall provide all of the following information to a Department office or license dealer at the time of purchase; the applicant's:
    - a. Name,
    - b. Mailing address, and
    - c. Department identification number.
  2. An applicant shall not obtain nonpermit-tags in excess of the bag limit established by Commission Order when it established the season for which the nonpermit-tags are valid.
- C.** If the number of hunt permits for a species in a particular hunt area must be limited, a Commission Order establishes a hunt number for that hunt area and a hunt permit-tag is required to take the species in that hunt area.
1. A person applying for a hunt permit-tag shall submit an application as described under R12-4-104.
  2. The Department shall determine whether a hunt permit-tag will be issued to an applicant as follows:
    - a. The Department shall reserve a maximum of 20% of the hunt permit-tags for each hunt number, except as established under subsection (C)(2)(b), for bear, deer, elk, javelina, pronghorn, Sandhill crane, and turkey and reserve a maximum of 20% of the hunt permit-tags for all hunt numbers combined statewide for bighorn sheep and bison to issue to persons who have bonus points and shall issue the hunt permit-tags as established under subsection (C)(2)(c).
    - b. For bear, deer, elk, javelina, pronghorn, Sandhill crane, and turkey, the Department shall reserve one hunt permit-tag for any hunt number with fewer than five, but more than one, hunt permit-tags and shall issue the tag as established under subsection (C)(2)(c). When this occurs, the Department shall adjust the number of available hunt permit-tags in order to ensure the total number of hunt permit-tags available does not exceed the 20% maximum specified in subsection (C)(2)(a).
    - c. The Department shall issue the reserved hunt permit-tags for hunt numbers that eligible applicants designate as their first or second choices. The Department shall issue the reserved hunt permit-tags by random selection:
      - i. First, to eligible applicants with the highest number of bonus points for that genus;
      - ii. Next, if there are reserved hunt permit-tags remaining, to eligible applicants with the next highest number of bonus points for that genus; and
      - iii. If there are still tags remaining, to the next eligible applicants with the next highest number of bonus points; continuing in the same manner until all of the reserved tags have been issued or until there are no more applicants for that hunt number who have bonus points.
    - d. The Department shall ensure that all unreserved hunt permit-tags are issued by random selection:
      - i. First, to hunt numbers designated by eligible applicants as their first or second choices; and
      - ii. Next, to hunt numbers designated by eligible applicants as their third, fourth, or fifth choices.
    - e. Before each of the three passes listed under (C)(2)(c)(i), (ii), and (iii), each application is processed through the Department's random number generator program. A random number is assigned to each application; an additional random number is assigned to each application for each group bonus point, including the Education and Loyalty bonus points. Only the lowest random number generated for an application is used in the computer draw process. A new random number is generated for each application for each pass of the computer draw.
    - f. If the bag limit is more than one per calendar year, or if there are unissued hunt permit-tags remaining after the random computer draw, the Department shall ensure these hunt permit-tags are available on a first-come, first-served basis as specified in the annual hunt permit-tag application schedule.
- D.** A person may purchase hunt permit-tags equal to the bag limit for a genus.
1. A person shall not exceed the established bag limit for that genus.
  2. A person shall not apply for any additional hunt-permit-tags if the person has reached the bag limit for that genus during the same calendar year.
  3. A person who surrenders a tag in compliance with R12-4-118 is eligible to apply for another hunt permit-tag for the same genus during the same calendar year, provided the person has not reached the bag limit for that genus.
- E.** The Department shall make available to nonresidents:
1. For bighorn sheep and bison, no more than one hunt permit-tag or 10% of the total hunt permit-tags, whichever is greater, for bighorn sheep or bison in any computer draw. The Department shall not make available more than 50% nor more than two bighorn sheep or bison hunt permit-tags of the total in any hunt number.
  2. For antlered deer, bull elk, pronghorn, Sandhill crane, or turkey, no more than 10%, rounded down to the next lowest number, of the total hunt permit-tags in any hunt number. If a hunt number for antlered deer, bull elk, pronghorn, Sandhill crane, or turkey has 10 or fewer hunt permit-tags, no more than one hunt permit-tag will be made available unless the hunt number has only one hunt permit-tag, then that tag shall only be available to a resident.
- F.** The Commission may, at a public meeting, increase the number of hunt permit-tags issued to nonresidents in a computer draw when necessary to meet management objectives.

Amended effective November 10, 1997 (Supp. 97-4).  
Amended by final rulemaking at 10 A.A.R. 2245, effective July 6, 2004 (Supp. 04-2). Section R12-4-606 renumbered to R12-4-607; new Section R12-4-606 renumbered from R12-4-605 and amended by final expedited rulemaking at 24 A.A.R. 393, effective February 6, 2018 (Supp. 18-1).

**R12-4-607. Proceedings for License Revocation, Suspension, or Denial of Right to Obtain a License, and Civil Damages**

- B.** The Commission shall conduct a hearing concerning revocation, suspension, or denial of the right to obtain a license in accordance with the Administrative Procedure Act, A.R.S. Title 41, Chapter 6, Article 10. In a proceeding conducted under A.R.S. § 17-340, a respondent shall limit testimony to facts that show why the license should not be revoked or denied. Because the Commission does not have the authority to consider or change the conviction, a respondent is not permitted to raise this issue in the proceeding. The Commission shall permit a respondent to offer testimony or evidence relevant to the Commission's decision to impose a civil penalty or order a civil action for the recovery of wildlife parts.
- C.** If a respondent does not appear for a hearing on the date scheduled, at the time and location noticed, no further opportunity to be heard shall be provided, unless a rehearing or review is granted under R12-4-608. If the respondent does not wish to attend the hearing, the respondent may submit written testimony to the Department before the hearing date designated in the Notice of Hearing. The Commission shall ensure that written testimony received at the time of the hearing is read into the record at the hearing.
- D.** The Commission shall base its decision on the officer's case report, a summary prepared by the Department, a certified copy of the court record, and any testimony presented at the hearing. The Department shall supply the respondent with a copy of each document provided to the Commission for use in reaching a decision.
- E.** Any party may apply to the Commission for issuance of a subpoena to compel the appearance of any witness or the production of documents at any Commission hearing. No less than 10 calendar days before the hearing, the party shall file a written application that provides the name and address of the witness, the subject matter of the expected testimony, the documents sought to be produced, and the date, time, and place of the hearing. The Commission Chair has the authority to issue the subpoenas.
  1. A party shall have a subpoena served as prescribed in the Arizona Rules of Civil Procedure, Rule 45. An employee of the Department may serve a subpoena at the request of the Commission Chair.
  2. A party may request that a subpoena be amended at any time before the deadline provided in this Section for filing the application. The party shall have the amended subpoena served as provided in subsection (E)(1).

- F.** The Commission may vote to use the services of the office of administrative hearings to conduct a hearing concerning revocation, suspension, or denial of the right to obtain a license and to make a recommendation to the Commission, which shall review and accept, reject or modify the recommendation and issue its decision in an open meeting. When the Department receives a recommendation from the administrative law judge at least 30 days prior to the next regularly scheduled Commission meeting, the Department shall place the recommendation on the agenda for that meeting. A recommendation from the administrative law judge received after this time shall be considered at the next regularly scheduled open meeting.
- G.** A license revoked by the Commission is suspended on the date of the hearing and revoked upon issuance of the findings of fact, conclusions of law, and order. If a respondent appeals the Commission's order revoking a license, the license is revoked after all appeals have been exhausted. A denial of the right to obtain a license is effective for a period determined by the Commission as authorized under A.R.S. § 17-340, beginning on the date of the hearing.
- H.** A license suspended by the Commission is suspended on the date of the hearing, and suspended upon issuance of the findings of fact, conclusions of law, and order. If a respondent appeals the Commission's order suspending a license, the license is suspended after all appeals have been exhausted. - A.** A party shall exhaust the party's administrative remedies by filing a motion for rehearing or review as provided in this Section. The Commission's order granting a rehearing or review shall specify the grounds for the order, and any rehearing shall cover only those grounds upon which the rehearing or review was granted.
- F.** After giving the party notice and an opportunity to be heard, the Commission may grant a motion for a rehearing or review for a reason not stated in the motion.
- G.** Within the time-frame for filing the motion for rehearing or review, the Commission may grant a rehearing or review on its own initiative for any reason for which the Commission may have granted relief on motion of a party.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.
