  - a. Who, from conception to one year of age, was clinically evaluated for a possible birth defect or a medical condition that may be related to a birth defect:
    - i. By a physician, midwife, registered nurse practitioner, or physician assistant; or
    - ii. At a hospital or clinic;
  - b. Whose mother was clinically evaluated during her pregnancy with the individual:
    - i. For a medical condition that may be related to a possible birth defect, and
    - ii. By an individual or facility specified in subsection (22)(a);
  - c. Who, from conception to one year of age, was tested by a genetic testing facility or other clinical laboratory;
  - d. Whose mother was tested during her pregnancy with the individual by a:
    - i. Genetic testing facility or other clinical laboratory, or
    - ii. Prenatal diagnostic facility;
  - e. Who, from conception to one year of age, was provided treatment or whose mother during her pregnancy with the individual was provided treatment by a hospital, clinic, physician, registered nurse practitioner, or other person specified in R9-4-503(A) for a medical condition that may be related to a possible birth defect; or
  - f. Who has received a diagnosis of having a medical condition that may be related to a birth defect.
23. "Perinatal risk factor" means a situation or circumstance that may increase the chance of an individual being born with a birth defect, such as:
  - a. A family medical history of birth defects or other medical conditions;
  - b. The exposure of the individual or the individual's mother or biological father to radiation, medicines, chemicals, or diseases before the individual's birth; or
  - c. An abnormal result of a test performed for the individual or the individual's mother by a prenatal diagnostic facility or clinical laboratory, including a genetic testing facility.
24. "Prenatal diagnostic facility" means an organization, institution, corporation, partnership, business, or entity that conducts diagnostic ultrasound or other medical procedures that may diagnose a birth defect in a human being.
25. "Principal diagnosis" means the primary reason for which an individual is:
  - a. Admitted to a hospital;
  - b. Treated by a hospital, clinic, midwife, physician, registered nurse practitioner, or physician assistant; or
  - c. Tested by a genetic testing facility or prenatal diagnostic facility.
26. "Procedure" means a set of activities performed on a patient or the mother of a patient that:
  - a. Are invasive;
  - b. Are intended to diagnose or treat a disease, illness, or injury;
  - c. Involve a risk to the patient or patient's mother from the activities themselves or from anesthesia; and
  - d. Require the individual performing the set of activities to be trained in the set of activities.
27. "Refer" means to provide direction to an individual or the individual's parent or guardian to obtain medical services or a test for assessment, diagnosis, or treatment of a birth defect or other medical condition.
28. "Routinely" means occurring in the regular or customary course of business.

## TITLE 9. HEALTH SERVICES

## CHAPTER 4. DEPARTMENT OF HEALTH SERVICES - NONCOMMUNICABLE DISEASES

29. "Secondary diagnosis" means all other diagnoses that may be related to a birth defect for an individual besides the principal diagnosis.
30. "Singleton gestation" means a pregnancy in which a patient is the only fetus carried in a mother's womb.
31. "Support services" means activities, not related to the diagnosis or treatment of a birth defect, intended to maintain or improve the physical, mental, or psychosocial capabilities of a patient or those individuals biologically or legally related to the patient.
32. "Surgical procedure" means making an incision into an individual's body for the:
  - a. Correction of a deformity or defect,
  - b. Repair of an injury,
  - c. Excision of a part of the individual's body, or
  - d. Diagnosis, amelioration, or cure of a disease.
33. "Test" means:
  - a. An analysis performed on body fluid, tissue, or excretion by a genetic testing facility or other clinical laboratory to evaluate for the presence or absence of a disease; or
  - b. A procedure performed on the body of a patient or the patient's mother that may be used to evaluate for the presence or absence of a birth defect.
34. "Transfer" means for a hospital to discharge a patient or the patient's mother and send the patient or the patient's mother to another hospital for inpatient medical services without the intent that the patient or the patient's mother will return to the sending hospital.
35. "Treatment" means the same as in A.A.C. R9-10-101.
36. "Unit" means an area of a hospital designated to provide an organized service, as defined in A.A.C. R9-10-201.

**R9-4-502. Reporting Sources; Information Submitted to the Department**

- A. The designee of a hospital shall:
  1. Upon the request of the Department and no more often than once per month, prepare a report, in a format specified by the Department, identifying all individuals:
    - a. Who are patients or the mothers of patients; and
    - b. Whose:
      - i. Discharge date is within the time period for which the report is being prepared, as specified in subsection (A)(2)(d); and
      - ii. Medical records include for the principal diagnosis, a secondary diagnosis, or a procedure performed on the individual, an ICD Code for a diagnosis or a procedure code specified in a list provided to the hospital by the Department;
  2. Include the following information in the report specified in subsection (A)(1):
    - a. The name, address, and telephone number of the hospital, or the identification number assigned by the Department to the hospital;
    - b. The name, telephone number, and e-mail address of the designee of the hospital;
    - c. The date the report was completed;
    - d. The time period for which the report is being prepared; and
    - e. For each patient or the mother of the patient:
      - i. The patient's or mother's medical record number;
      - ii. The name of the patient or patient's mother, if available, and, if applicable, any other name by which the patient or patient's mother is known;
      - iii. The patient's gender and date of birth, if applicable;
      - iv. The admission and discharge dates;
      - v. The principal and secondary diagnoses or the ICD Codes for the principal and secondary diagnoses for the patient or patient's mother; and
      - vi. The codes for procedures provided to the patient or patient's mother; and
- B. The designee of a prenatal diagnostic facility, high-risk perinatal practice, or clinic shall:
  1. Upon the request of the Department and no more often than once per month, prepare a report, in a format specified by the Department, identifying all individuals:
    - a. For whom a specified test was conducted, with test results indicating a diagnosis in a list provided by the Department; or
    - b. Whose medical records include a principal diagnosis or secondary diagnosis specified in a list provided by the Department;
  2. Include the following information in the report specified in subsection (B)(1):
    - a. Either:
      - i. The name, address, and telephone number of the prenatal diagnostic facility, high-risk perinatal practice, or clinic; or
      - ii. The identification number assigned by the Department to the prenatal diagnostic facility, high-risk perinatal practice, or clinic;
    - b. The name, telephone number, and e-mail address of the designee of the prenatal diagnostic facility, high-risk perinatal practice, or clinic;
    - c. The date the report was completed;
    - d. The time period for which the report is being prepared;
    - e. The mother's name, date of birth, and medical record number;
    - f. The estimated gestational age of the patient at the time of the test or diagnosis, as applicable;
    - g. The mother's estimated date of confinement;
    - h. The outcome of the pregnancy, if known;
    - i. The location and date of the patient's birth, if known;
    - j. The patient's gender, if known;
    - k. The principal diagnosis and secondary diagnoses for the patient or the patient's mother, as applicable; and
    - l. Information about the test leading to the diagnosis, including:
      - i. The type of test performed,
      - ii. The date the test was completed, and

## TITLE 9. HEALTH SERVICES

## CHAPTER 4. DEPARTMENT OF HEALTH SERVICES - NONCOMMUNICABLE DISEASES

- iii. The results of the test; and
3. Submit the report specified in subsection (B)(1) to the Department, in a Department-provided format, within 30 calendar days after the Department's request.
- C. The designee of a genetic testing facility shall:
1. Prepare a report, in a format specified by the Department, for all individuals:
    - a. Who are patients or the mothers of patients, and
    - b. For whom the genetic testing facility performed a test specified in a list provided by the Department;
  2. Include the following information in the report specified in subsection (C)(1):
    - a. The name, address, and telephone number of the genetic testing facility, or the identification number assigned by the Department to the genetic testing facility;
    - b. The name, telephone number, and e-mail address of the designee of the genetic testing facility;
    - c. The date the report was completed;
    - d. The month for which the report is being prepared, if reporting according to subsection (C)(3)(a); and
    - e. For each patient or mother of a patient:
      - i. If the test was performed on the patient:
        - (1) The patient's name, date of birth, and gender; and
        - (2) The name of the patient's parent or guardian;
      - ii. If the test was performed on the mother of the patient:
        - (1) The mother's name and date of birth;
        - (2) The estimated gestational age of the patient when the test was performed, if available; and
        - (3) The mother's estimated date of confinement when the test was performed, if available;
      - iii. The name of the physician, registered nurse practitioner, or physician assistant who ordered the test for the patient or the patient's mother; and
      - iv. Information about the test, including:
        - (1) The type of test performed on the patient or the patient's mother,
        - (2) The date the test was completed, and
        - (3) The results of the test; and
  3. Submit to the Department the report specified in subsection (C)(1) and a copy of the test results within 30 calendar days after either:
    - a. The end of the month during which the test was completed, or
    - b. The date of the test.
- Historical Note**  
 Adopted effective September 25, 1991 (Supp. 91-3). New Section R9-4-502 renumbered from R9-4-501 and amended by final rulemaking at 7 A.A.R. 712, effective January 17, 2001 (Supp. 01-1). Section repealed; new Section made by final rulemaking at 13 A.A.R. 1702, effective June 30, 2007 (Supp. 07-2). Amended by final rulemaking at 25 A.A.R. 3429, effective January 1, 2020 (Supp. 19-4).
- R9-4-503. Review of Records; Information Collected**
- A. Upon notice from the Department of at least five business days, the following persons or facilities shall allow the Department access to the facility and the electronic or written records specified in subsection (B)(1) to collect the information specified in subsection (B)(2):
1. A hospital,
  2. A clinic,
  3. A physician,
  4. A midwife,
  5. A registered nurse practitioner,
  6. A genetic testing facility,
  7. A prenatal diagnostic facility,
  8. A physician assistant,
  9. A clinical laboratory, or
  10. A medical examiner.
- B. The Department may:
1. Review any of the following records in electronic or written format, as are applicable to the person or facility specified in subsection (A):
    - a. Patient medical records;
    - b. Medical records for the mother of a patient;
    - c. Reports from:
      - i. Physicians or other individuals who clinically evaluated, diagnosed, or treated a patient or the patient's mother, including physical therapists, as defined in A.R.S. § 32-2001; occupational therapists, as defined in A.R.S. § 32-3401; podiatrists, as defined in A.R.S. § 32-801; and speech-language pathologists, licensed according to A.R.S. Title 35, Chapter 17;
      - ii. High-risk perinatal practices;
      - iii. Prenatal diagnostic facilities;
      - iv. Genetic testing facilities;
      - v. Pathology laboratories; or
      - vi. Other facilities or clinical laboratories that performed a test for a patient or the patient's mother;
    - d. Logs and registers containing information about surgical procedures, as specified in A.A.C. R9-10-215(6) or A.A.C. R9-10-911(A);
    - e. Other logs that may contain information about a patient or the mother of a patient with a birth defect, such as:
      - i. Labor and delivery unit logs,
      - ii. Nursery unit logs,
      - iii. Pediatric unit logs,
      - iv. Intensive care unit logs,
      - v. Autopsy logs, and
      - vi. Ultrasound logs;
    - f. Autopsy reports; and
    - g. Records other than those specified in subsections (B)(1)(a) through (f) that contain information about or may lead to information about:
      - i. A patient,
      - ii. The patient's mother, or
      - iii. The patient's biological sibling; and
  2. Collect the following information from a person or facility specified in subsection (A), as applicable to a patient or the mother of a patient:
    - a. The name, address, and telephone number of the person or facility, or the identification number assigned by the Department to the person or facility;
    - b. The date of first contact and the date of last contact;
    - c. The date the patient was admitted to a hospital;
    - d. The date the patient was discharged from a hospital;

## CHAPTER 4. DEPARTMENT OF HEALTH SERVICES - NONCOMMUNICABLE DISEASES

- e. The dates the mother of the patient was admitted to and discharged from a hospital for:
  - i. The birth of the patient, or
  - ii. Treatment related to a possible birth defect in the patient;
- f. The name and address of the hospital or other location in which the patient was born;
- g. The name and address of a hospital in which the patient or the mother of the patient was admitted for treatment related to a possible birth defect in the patient;
- h. The specific unit of a hospital that provided medical services to the patient or the patient's mother;
- i. The medical record number of the patient or the patient's mother;
- j. The patient's name and any other name by which the patient is known;
- k. The names, addresses, and dates of birth of the patient's parents;
- l. The name, address and telephone number of the patient's guardian, if a parent of the patient does not have physical custody of the patient;
- m. The patient's date of birth and hour of birth;
- n. The estimated date of confinement for the pregnancy resulting in the patient's birth;
- o. The estimated gestational age, length, weight, and head circumference of the patient at birth;
- p. The patient's gender, race, and ethnicity;
- q. The race and ethnicity of the patient's biological mother and father;
- r. The address of the patient's mother at the time of the patient's birth;
- s. The address and telephone number of the patient at the date of last contact;
- t. The county in which the patient was born;
- u. The name of each physician, registered nurse practitioner, physician assistant, or other person that clinically evaluated, diagnosed, ordered a test for, or treated the patient or the patient's mother;
- v. The names of any facility from which or to which the patient or the patient's mother was transferred or referred;
- w. Whether the patient was referred for or approved to receive services under 9 A.A.C. 22, Article 13, and, if so, the date of referral or approval;
- x. Whether the patient is receiving any medical services, nursing services, health-related services, or other services to support the patient or the patient's parent related to a birth defect, other than services under 9 A.A.C. 22, Article 13, and, if so, the name of the person providing the services and the date the provision of the services began;
- y. The name of the insurance company, if applicable, that:
  - i. Paid for the birth of the patient, and
  - ii. Is currently covering medical expenses for the patient or the patient's mother;
- z. Any perinatal risk factors documented in:
  - i. The patient's medical record,
  - ii. The patient's mother's medical record, or
  - iii. The patient's family medical history;
- aa. Whether any tests were performed on the patient or the patient's mother by a genetic testing facility and, if so:
  - i. The types of tests performed,
  - ii. The test dates,
  - iii. The test results,
  - iv. The age or estimated gestational age of the patient at the time of each test,
  - v. The estimated date of confinement of the patient's mother at the time of each test,
  - vi. The name of the genetic testing facility that performed each test, and
  - vii. The names of the individuals who interpreted the test results;
- bb. Whether any tests were performed on the patient or the patient's mother by a prenatal diagnostic facility and, if so:
  - i. The types of tests performed,
  - ii. The test dates,
  - iii. The test results,
  - iv. The estimated gestational age of the patient at the time of each test,
  - v. The estimated date of confinement of the patient's mother at the time of each test,
  - vi. The name of the prenatal diagnostic facility that performed each test, and
  - vii. The names of the individuals who interpreted the test results;
- cc. Whether any other types of tests were performed on the patient or the patient's mother that may enable the diagnosis of a birth defect and, if so:
  - i. The types of tests performed,
  - ii. The test dates,
  - iii. The test results,
  - iv. The age or estimated gestational age of the patient at the time of each test,
  - v. The estimated date of confinement of the patient's mother at the time of each test,
  - vi. The names of the facilities that performed the tests, and
  - vii. The names of the individuals who interpreted the test results;
- dd. Whether any surgical procedures associated with a birth defect were performed on the patient or the patient's mother and, if so:
  - i. The types of surgical procedures performed,
  - ii. The dates of the surgical procedures,
  - iii. The results of the surgical procedures,
  - iv. The ages or estimated gestational ages of the patient at the time of the surgical procedures,
  - v. The estimated date of confinement of the patient's mother at the times of the surgical procedures,
  - vi. The names of the facilities at which the surgical procedures were performed, and
  - vii. The names of the individuals who performed the surgical procedures;
- ee. For each diagnosis made for the patient or the patient's mother:
  - i. The diagnosis,
  - ii. Whether the diagnosis is a principal or secondary diagnosis,
  - iii. The facility at which the diagnosis was made,
  - iv. The date on which the diagnosis was made, and
  - v. The name of the individual who made the diagnosis;

**R9-4-504. Data Quality Assurance and Follow-up**

- A. The Department may request a hospital, clinic, high-risk perinatal practice, genetic testing facility, or prenatal diagnostic facility to revise a report:
  - 1. That was submitted to the Department by the designee of the hospital, clinic, high-risk perinatal practice, genetic testing facility, or prenatal diagnostic facility under R9-4-502;
  - 2. That was not prepared according to R9-4-502; and
  - 3. By identifying the revisions that are needed in the report.
- B. If a person receives a request from the Department for revision of a report under subsection (A), the person shall return a revised report, containing the revisions requested by the Department, to the Department within 15 business days after the date of the Department's request, or by a date agreed to by the person and the Department.
- C. The Department may discuss the information submitted to the Department as specified in R9-4-502 or collected as specified in R9-4-503(B)(2) with:
  - 1. Any of the entities specified in R9-4-503(A) to obtain additional information about a patient's diagnosis or treatment;
  - 2. The Arizona Early Intervention Program, according to A.R.S. § 36-133(E); and

- 3. The parent or guardian of a patient, as allowed by A.R.S. § 36-133(E).

by emergency rulemaking at 24 A.A.R. 630, effective March 20, 2018, for 180 days (Supp. 18-1). New permanent Section made by final rulemaking at 24 A.A.R. 783, with an immediate effective date of April 5, 2018 (Supp. 18-2).

**R9-4-602. Opioid Poisoning-Related Reporting Requirements**

- A.** A first response agency shall, either personally or through a representative, submit a report to the Department, in a Department-provided format and within five business days after an encounter with an individual with a suspected opioid overdose, that includes:
1. The following information about the first response agency:
    - a. Name;
    - b. Street address, city, county, and zip code;
    - c. Whether the first response agency reporting is:
      - i. An ambulance service,
      - ii. An emergency medical services provider, or
      - iii. A law enforcement agency; and
    - d. If applicable, the certificate number issued by the Department to the ambulance service;
  2. The name, title, telephone number, and email address of a point of contact for the first response agency required to report;
  3. The following information about the location at which the first response agency encountered the individual:
    - a. Street address or, if the location at which the first response agency encountered the individual does not have a street address, another indicator of the location at which the encounter occurred;
    - b. City, if applicable;
    - c. County;
    - d. State; and
    - e. Zip code;
  4. If applicable, the date and time the first response agency was dispatched to the location specified according to subsection (A)(3);
  5. The following information, as known, about the individual with a suspected opioid overdose or who died of a suspected opioid overdose:
    - a. Name,
    - b. Date of birth,
    - c. Age in years,
    - d. Gender,
    - e. Race and ethnicity, and
    - f. Reason for suspecting that the individual had an opioid overdose;
  6. Whether naloxone or another opioid antagonist designated according to A.R.S. § 36-2228 was administered to the individual before the first response agency encountered the individual and, if so:
    - a. The number of doses of naloxone or other opioid antagonist administered to the individual; and
    - b. As applicable, that the naloxone or other opioid antagonist was administered to the individual by:
      - i. Another individual; or
      - ii. Another first response agency and, if so the type of first response agency that administered the naloxone or other opioid antagonist to the individual;
  7. Whether naloxone or another opioid antagonist designated according to A.R.S. § 36-2228 was administered to the individual by the first response agency and, if so, the number of doses of naloxone or other opioid antagonist administered to the individual;
  8. Whether the disposition of the individual was that the individual:
    - a. Survived the suspected opioid overdose; or
    - b. Was pronounced dead:
      - i. At the location specified according to subsection (A)(3), or
      - ii. After leaving the location specified according to subsection (A)(3);
  9. If the individual was transported by a first response agency:
    - a. The type of first response agency that transported the individual; and
    - b. Whether the individual was transported to:
      - i. A hospital and, if so, the name of the hospital to which the individual was transported;

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

**R9-5-202. Time-frames**

- A.** The administrative completeness review time-frame for each type of approval granted by the Department under this Article is listed in Table 2.1 and begins on the date that the Department receives an application.
1. An application for a license is not complete until the date, provided to the Department with the application or by written notice, that the child care facility is ready for an onsite licensing inspection.
  2. The Department shall send a notice of administrative completeness or deficiencies to the applicant within the administrative completeness review time-frame.
    - a. A notice of deficiencies shall list each deficiency and the items needed to complete the application.
    - b. The administrative completeness review time-frame and the overall time-frame are suspended from the date that the notice of deficiencies is issued until the date that the Department receives all of the missing items from the applicant.
    - c. If an applicant for a license or an approval of a change affecting a license fails to submit to the Department all of the items listed in the notice of deficiencies within 180 calendar days after the date that the Department sent the notice of deficiencies, the Department shall consider the application or request for approval withdrawn.
  3. If the Department issues a license or other approval to the applicant during the administrative completeness review time-frame, the Department shall not issue a separate written notice of administrative completeness.
- B.** The substantive review time-frame for each type of approval granted by the Department under this Article is listed in Table 2.1 and begins on the date of the notice of administrative completeness.
1. As part of the substantive review for a license application, the Department shall conduct an inspection that may require more than one visit to the facility.
  2. As part of the substantive review for a request for approval of a change affecting a license that requires a change in the use of physical space at the facility, the Department shall conduct an evaluation of the request to determine compliance with applicable rules and statutes that may include an onsite inspection.
  3. The Department shall send a license, a written notice of approval, or denial of a license or other request for approval to an applicant within the substantive review time-frame.
  4. During the substantive review time-frame, the Department may make one comprehensive written request for

additional information, unless the Department and the applicant have agreed in writing to allow the Department to submit supplemental requests for information.

- a. If the Department determines that an applicant or a facility is not in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter, the Department shall send a comprehensive written request for additional information that includes a written statement of deficiencies stating each statute and rule upon which noncompliance is based.
  - b. An applicant shall submit to the Department all of the information requested in the comprehensive written request for additional information and documentation of the corrections required in the statement of deficiencies, if applicable within 120 calendar days after the date of the comprehensive written request for additional information.
  - c. The substantive review time-frame and the overall time-frame are suspended from the date that the Department issues a comprehensive written request for additional information or a supplemental request for information until the date that the Department receives all of the information requested, including documentation of corrections required in a statement of deficiencies, if applicable.
  - d. If an applicant fails to submit to the Department all of the information requested in a comprehensive written request for additional information or a supplemental request for information, including documentation of corrections required in a statement of deficiencies, if applicable, within the time prescribed in subsection (C)(4)(b), the Department shall deny the application.
5. The Department shall issue a license or other approval if the Department determines that the applicant and facility are in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter, and the applicant submits documentation of corrections that is acceptable to the Department for any deficiencies.
  6. If the Department determines that a license or other approval is to be denied, the Department shall send to the applicant a written notice of denial complying with A.R.S. § 36-888 and stating the reasons for denial and all other information required by A.R.S. §§ 36-888 and 41-1076.

**R9-5-203. Fingerprinting and Background Check**

- A.** A licensee shall ensure that a staff member completes, signs, dates, and submits to the licensee, before the staff member's starting date of employment or volunteer service:
1. The form required in A.R.S. § 36-883.02(C); and
  2. If required by A.R.S. § 8-804, the form in A.R.S. § 8-804(I).
- B.** A licensee shall maintain documentation of a valid fingerprint clearance card issued under A.R.S. § 41-1758.03 and a valid background check document issued under A.R.S. § 46-811.
- C.** Except as provided in A.R.S. § 41-1758.03, a licensee shall ensure that each staff member, before starting date of employment or volunteer service, submits to the licensee a copy of the staff member's valid fingerprint clearance card, front and back, issued under A.R.S. Title 41, Chapter 12, Article 3.1.
- D.** A licensee shall ensure that each staff member submits to the licensee a copy of the staff member's valid fingerprint clearance card each time the fingerprint clearance card is issued or renewed every five years.
- E.** If a staff member possesses a fingerprint clearance card that was issued before the staff member became a staff member at the facility, a licensee shall:
1. Contact the Department of Public Safety before the individual becomes a staff member to determine whether the fingerprint clearance card is valid; and
  2. Document this determination, including the name of the staff member, the date of contact with the Department of Public Safety, and whether the fingerprint clearance card is valid.
- F.** A licensee shall ensure that each staff member submits to the licensee a copy of the staff member's valid background check document:
1. Issued under A.R.S. § 46-811(A) before the starting date of employment or volunteer service; and
  2. Each time a background check is issued or renewed every five years.
- G.** As required by A.R.S. § 8-804, before an individual's starting date of employment or volunteer service, a licensee shall comply with the submission requirements in A.R.S. § 8-804(C) for the individual.
- H.** A licensee shall not allow an individual to be a staff member if the individual:
1. Has been denied a fingerprint clearance card under A.R.S. Title 41, Chapter 12, Article 3.1 and has not received an interim approval under A.R.S. § 41-619.55;
  2. Has been denied a background check document that indicates the individual is not eligible for employment due to violations identified pursuant to A.R.S. § 46-811;
  3. Receives an interim approval under A.R.S. § 41-619.55 but is subsequently denied a good cause exception under A.R.S. § 41-619.55 and a fingerprint clearance card under A.R.S. Title 41, Chapter 12, Article 3.1;
- I.** Within 30 calendar days after the day of a staff member's or volunteer's 18th birthday, the staff member or volunteer shall provide to the licensee copies of a valid fingerprint clearance card and background check document specified in subsection (C).
4. Is a parent or guardian of a child adjudicated to be a dependent child as defined in A.R.S. § 8-201;
  5. Has been denied or had revoked a certificate to operate a child care group home or a license to operate a child care facility for the care of children in this state or another state;
  6. Has been denied or had revoked a certification to work in a child care facility or a child care group home in this state or another state;
  7. If applicable, has stated on the form required in A.R.S. § 8-804(I) that the individual is currently under investigation for an allegation of abuse or neglect or has a substantiated allegation of abuse or neglect and has not subsequently received a central registry exception according to A.R.S. § 41-619.57; or
  8. If applicable, is disqualified from employment or volunteer service as a staff member according to A.R.S. § 8-804 and has not subsequently received a central registry exception according to A.R.S. § 41-619.57.

**R9-5-207. Invalid License**

If a licensee does not submit the licensure fee as required in R9-5-205(2), the facility license is no longer valid and the facility is operating without a license.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Former Section R9-5-207 renumbered to R9-5-206; new Section R9-5-207 made by final rulemaking at 8 A.A.R. 4060, effective November 10, 2002 (Supp. 02-3). Section repealed; new Section made by exempt rulemaking at 16 A.A.R. 1564, effective September 30, 2010 (Supp. 10-3).

**R9-5-208. Changes Affecting a License**

- A.** At least 30 calendar days before the date of a change in a facility's name, a licensee shall send the Department written notice of the name change.
- B.** At least 30 calendar days before the date of an intended change in a facility's service classification, space utilization, or licensed capacity, a licensee shall submit a written request for approval of the intended change to the Department that includes:
1. The licensee's name;
  2. The facility's name, street address, city, state, zip code, mailing address, and telephone number;
  3. The name, telephone number, and fax number of a point of contact for the request;
  4. The facility's license number;
  5. The type of change intended:
    - a. Service classification,

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- b. Space utilization, or
  - c. Licensed capacity;
- 6. A narrative description of the intended change; and
- 7. The following additional information, as applicable, if the intended change:
  - a. Affects an activity area, the following information about each affected activity area, as applicable:
    - i. Identification of the activity area,
    - ii. Current and intended square footage,
    - iii. Current and intended operating hours,
    - iv. Current and intended service classification,
    - v. Current and intended licensed capacity, and
    - vi. Whether the activity area has or will have a diaper changing area;
  - b. Is to increase licensed capacity, the square footage of the outdoor activity area; and
  - c. Includes an alteration or addition to the physical plant of a licensed facility, the following, as applicable, if the facility is:
    - i. Not located in a public school or if providing child care services to infants, one-year-old children, or two-year-old children in a facility located in a public school, the information required in R9-5-201(A)(5)(g) and (h) showing the intended change; or
    - ii. Located in a public school and provides child care only for three-year-old, four-year-old, or five-year-old, or school-age children, a set of final construction drawings or a school map, including the information required in R9-5-201(5)(j) showing the intended change.
- C. If the intended change in subsection (B) includes an increase in the licensed capacity, a licensee shall submit the fee for an increase in licensed capacity in R9-5-206(C) with the written request for approval.
- D. If requesting a diaper changing area outside an infant room or indoor activity area to allow privacy for diapering an enrolled child with a special health care need or a disability, submit a written request for an approval; and
  - 1. For a license application, submit physical plant documents required by R9-5-201(A)(5)(h) that designate the location of the proposed diaper changing area;
  - 2. For a licensed facility, submit a drawing of the proposed diaper changing area to the Department before installing the diaper changing area. Within 30 calendar days after the date of the receipt of the request, the Department shall send written notice to the licensee of approval or disapproval. If the proposed diaper changing area:
    - a. Complies with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter and provides privacy for the enrolled child with a special health care need or a disability, the Department shall approve the proposed diaper changing area; or
    - b. Does not comply with A.R.S. Title 36, Chapter 7.1, Article 1 or this Chapter or provide privacy for the enrolled child with a special health care need or a disability, the Department shall provide the licensee with the requirements necessary for the Department to approve the requested change; and
  - 3. Not use a diaper changing area located outside of an activity area until the Department approves the use of the diaper changing area;
- E. The Department will review a request submitted under subsection (B) according to R9-5-202. If the intended change is in compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter and any applicable fee is submitted, the Department will send the licensee written approval of the requested change or an amended license that incorporates the change but retains the anniversary date of the current license.
- F. A licensee shall not implement any change described under subsection (B) until the Department issues an approval or amended license.
- G. At least 30 days before the date of a change in ownership of a facility, a licensee shall send the Department written notice of the change. For the purpose of this Section, "change in ownership" means a transfer of controlling legal or controlling equitable interest and authority in a facility resulting from a sale or merger of a facility. A new owner shall obtain a new license as prescribed in R9-5-201 before the new owner begins operating the facility.
- H. A licensee changing a facility's location shall apply for a new license as prescribed in R9-5-201.
- I. Within 30 calendar days after a change in a controlling person, a licensee shall send the Department written notice of the change that includes:
  - 1. The name of the licensee;
  - 2. A description of the change made;
  - 3. The name, title, street address, city, state, and zip code of each controlling person;
  - 4. A statement that each controlling person has not been denied a certificate to operate a child care group home or a license to operate a child care facility for the care of children in this state or another state;
  - 5. A statement that each controlling person has not had a certificate to operate a child care group home or a license to operate a child care facility revoked in this state or another state for reasons that relate to the endangerment of the health and safety of children;
  - 6. A statement that the information provided in the written notice is accurate and complete; and
  - 7. The signature of the licensee.
- J. If the change in subsection (I) is a change in a controlling person who is a designated agent, a licensee shall include a copy of documentation for the designated agent that complies with A.R.S. § 41-1080.
- K. Within 30 calendar days after changing a responsible party, a licensee shall send the Department written notice of the change that includes:
  - 1. The name of the licensee;
  - 2. A description of the change made;
  - 3. The name, title, street address, city, state, and zip code of each responsible party, if the responsible party is an individual, or each individual in the group, if the responsible party is a group of individuals; and
  - 4. A statement signed by the licensee stating that each individual in subsection (K)(3) has not:
    - a. Been denied a certificate or license to operate a child care group home or child care facility in this state or another state, and
    - b. Had a certificate or license to operate a child care group home or child care facility revoked in this state or another state for endangering the health and safety of children.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Amended by final rulemaking at 8 A.A.R. 4060, effective November 10, 2002 (Supp. 02-3).

**R9-5-210. Denial, Revocation, or Suspension of License**

A. The Department may deny, revoke, or suspend a license to operate a facility if an applicant or licensee:

1. Provides false or misleading information to the Department;
2. Has been denied a certificate or license to operate a child care group home or child care facility in any state, unless the denial was based on the applicant's failure to complete the certification or licensing process according to a required time-frame;
3. Has had a certificate or license to operate a child care group home or child care facility revoked or suspended in any state;
4. Has been denied a fingerprint clearance card or has had a fingerprint clearance card revoked under A.R.S. Title 41, Chapter 12, Article 3.1;
5. Fails to substantially comply with any provision in A.R.S. Title 36, Chapter 7.1, Article 1 or this Chapter; or
6. Substantially complies with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter, but refuses to carry out a plan acceptable to the Department to eliminate any deficiencies.

B. In determining whether to deny, suspend, or revoke a license, the Department shall consider the threat to the health and safety of children in a facility based on such factors as:

1. Repeated violations of statutes or rules,
2. A pattern of non-compliance,
3. The type of violation,
4. The severity of each violation, and
5. The number of violations.

**ARTICLE 3. FACILITY ADMINISTRATION****R9-5-301. General Licensee Responsibilities**

A. A licensee shall:

1. Designate a facility director who acts on behalf of the licensee and is responsible for the daily onsite operation of a facility;
2. Submit the name of the designated facility director in a written notice to the Department before a license is issued;
3. Except as provided in subsection (A)(4), within 10 calendar days before changing a facility director, submit written notice of the change including the new designated facility director's name and starting date;
4. If the licensee is not aware of a change in the facility director 10 calendar days before the effective date of the change, submit written notice of the change to the Department including the new designated facility director's name and starting date within 72 hours after becoming aware of the change.

B. A licensee shall ensure that a facility director:

1. Designates, in writing, an individual who meets the requirements of R9-5-401(2) to act on behalf of the facility director when the facility director is not present in the facility;
2. Supervises or assigns a child educator to supervise each staff member who does not meet the qualifications of R9-5-401(3);
3. Prepares a dated attendance record for each day and ensures that each staff member documents on the attendance record the time of each arrival and departure of the staff member; and
4. Maintains on the facility premises, the dated attendance record required in subsection (B)(3) for 12 months after the date on the attendance record.

C. A licensee shall develop and implement written facility policies and procedures required for the daily onsite operation of the facility as prescribed in A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter.

D. A licensee shall ensure that the following individuals are allowed immediate access to facility premises during hours of operation:

1. A parent of an enrolled child or an individual designated in writing by the parent of an enrolled child; or
2. A representative of:
  - a. The Department,
  - b. The local health department,
  - c. Arizona Department of Child Safety, or
  - d. The local fire department or State Fire Marshal.

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- E. A licensee shall ensure that a staff member supervises any individual who is not a staff member who is on facility premises where enrolled children are present.
- F. A licensee shall ensure that a staff member submits, on or before the starting date of employment or volunteer services, a completed self-screening form in a Department-provided format for tuberculosis screening purposes and follow recommendations for further tuberculosis testing, as applicable.
- G. A licensee shall ensure that a staff member who has current certification in adult and pediatric first aid and CPR, as required by R9-5-403(E), is present:
  - 1. At all times during hours of operation on facility premises,
  - 2. On field trips, and
  - 3. While transporting enrolled children in the facility's motor vehicle or a vehicle designated by the licensee to transport enrolled children.
- H. A licensee shall prohibit the use or possession of the following items when an enrolled child is on facility premises, during hours of operation, or in any motor vehicle used for transporting an enrolled child:
  - 1. Any beverage containing alcohol;
  - 2. A controlled substance as listed in A.R.S. Title 36, Chapter 27, Article 2, except where used as a prescription medication in the manner prescribed;
  - 3. A dangerous drug as defined in A.R.S. § 13-3401, except where used as a prescription medication in the manner prescribed;
  - 4. A prescription medication as defined in A.R.S. § 32-1901, except where used in the manner prescribed; or
  - 5. A firearm as defined in A.R.S. § 13-105.
- I. At least once a month, and at different times of the day, a licensee shall ensure that:
  - 1. An unannounced practice drill that includes evacuation, relocation, shelter-in place, and lock downs are conducted;
  - 2. Each staff member, volunteer, and enrolled child at the facility participates in the practice drill;
  - 3. If applicable, accommodations are made for an enrolled child with a special need or disability according to the enrolled child's individualized plan as specified in R9-5-507(A)(1);
  - 4. If applicable, accommodations are made for an enrolled child or infant who is not yet walking; and
  - 5. Document each practice drill and maintain the documentation on facility premises for 12 months after the date of the practice drill.
- J. A licensee shall not allow a staff member who lacks proof of immunity against a disease listed in A.A.C. R9-6-702 to be present in the facility between the start and end of an outbreak of the disease at the facility.
- K. A licensee shall ensure that the Department is notified orally or in writing within 24 hours after an enrolled child's death at the child care facility during hours of operation.

9. Field trip requirements and procedures;
10. Responsibilities and participation of parents in facility activities;
11. A general description of activities and programs;
12. A description of the liability insurance required by R9-5-308 that is carried by the licensee and a statement that documentation of the liability insurance coverage is available for review on the facility premises;
13. Medication administration procedures;
14. Accident and emergency procedures;
15. A notice stating inspection reports are available onsite;
16. A provision stating that the facility is regulated by the Arizona Department of Health Services including the Department's local street address, city, state, zip code, and local telephone number;
17. The procedures for notifying a parent at least 48 hours before a pesticide is applied on a facility's premises;
18. A statement that a parent has access to the areas on facility premises where the parent's enrolled child is receiving child care services; and
19. Policies and procedures for suspension and expulsion of children to include clear, appropriate, consistent expectations, including suspension and expulsion prevention strategies.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Amended subsection (A) effective July 7, 1988 (Supp. 88-3). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Amended by exempt rulemaking at 16 A.A.R. 1564, effective September 30, 2010 (Supp. 10-3). Section R9-5-302 and its historical note were inadvertently removed and overwritten with rule text from R9-5-301 in Supp. 18-4; the Section and historical note have been restored as last amended and codified in Supp. 10-3 (Supp. 20-3). Amended by final rulemaking at 31 A.A.R. 2015 (June 27, 2025), effective August 3, 2025 (Supp. 25-2).

**R9-5-303. Posting of Notices**

- A. A licensee shall post in a place that can be conspicuously viewed by individuals entering or leaving the facility or activity area the:
  1. Facility's license;
  2. Name of the facility director;

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

3. Name of the individual designated to act on behalf of the facility director when the facility director is not present in the facility, as prescribed by R9-5-301(B)(1);
  4. Schedule of child care services fees and policy for refunding fees as prescribed by A.R.S. § 36-882(P);
  5. Breakfast, lunch, dinner, and snack menus for each calendar week at the beginning of the calendar week;
  6. Notice of the presence of any communicable disease or infestation listed in 9 A.A.C. 6, Article 2, Table 2.2, from the date of discovery through the incubation period of the communicable disease or infestation;
  7. Notice of the Department's intent to deny, revoke, or suspend as prescribed by A.R.S. § 36-888 at the expiration of time in the notice for the licensee to respond;
  8. Notice of an intermediate sanction imposed as prescribed by A.R.S. § 36-891.01 within 10 calendar days after the licensee received notice of the intermediate sanction;
  9. Notice of a legal injunction imposed as prescribed by A.R.S. § 36-886.01 when the licensee receives the legal injunction; and
  10. Notice of the availability of facility inspection reports for public viewing at the facility premises.
- B.** A licensee shall ensure that the licensed capacity of each indoor activity area is posted in that activity area.
- C.** Except as prescribed in A.R.S. § 36-898(C), a licensee shall post a notification of pesticide application in each activity area and in each entrance of a facility, at least 48 hours before a pesticide is applied on the facility's premises, containing:
1. The date and time of the pesticide application, and
  2. A statement that written pesticide information is available from the licensee upon request.
6. The written authorization for emergency medical care of the enrolled child;
  7. The name of the individual to be contacted in case of injury or sudden illness of the child;
  8. The written instructions of a child's parent or health care provider for the nutritional and dietary needs of the child including, if applicable, the request in R9-5-509(C)(14); and
  9. A written record completed by the child's parent or health care provider noting the child's susceptibility to illness, physical conditions of which a staff member should be aware, and any individual requirements for health maintenance.
- C.** A licensee shall maintain a current Emergency, Information, and Immunization Record for each enrolled child on facility premises in a place that provides a staff member ready access to the record in the event of an emergency at, or evacuation of, the facility.
- D.** When an enrolled child is disenrolled from a facility, the licensee shall:
1. Enter the date of disenrollment on the child's Emergency, Information, and Immunization Record; and
  2. Maintain the records in subsection (D)(1) for 12 months after the date of disenrollment on facility premises in a place separate from the current Emergency, Information, and Immunization Record. If a licensee is a school governing board, a charter school, or a person operating multiple child care facilities, the licensee may maintain disenrollment records in a single central administrative office located in the same city, town, or school attendance area as the facility.

**R9-5-305. Child Immunization Requirements**

- A.** A licensee shall not permit an enrolled child to attend a facility until the facility receives:
1. An immunization record for the enrolled child with the information required in 9 A.A.C. 6, Article 7, documenting that the enrolled child has received all current, age-appropriate immunizations required under 9 A.A.C. 6, Article 7:
    - a. Provided by a health care provider, or
    - b. Generated from the Arizona State Immunization Information System, which is the Department's child immunization reporting system established in A.R.S. § 36-135; or
  2. An exemption affidavit for the enrolled child provided by the enrolled child's parent that contains a statement, signed by the enrolled child's:
    - a. Health care provider, that the immunizations required by 9 A.A.C. 6, Article 7 would endanger the enrolled child's health or medical condition; or
    - b. Parent, that the enrolled child is being raised in a religion whose teachings are in opposition to immunization.
- B.** If an enrolled child has not had immunizations and is either homeless, as in "homeless children and youths" according to

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

42 USC 11434a, who is referred by DCS or Tribal Child Protective Services, initial doses should be administered within 30-calendar days, unless the enrolled child has a religious or medical exemption, as specified in subsections (A)(1) and (2). A child who is experiencing homelessness or who is referred by DCS or Tribal Child Protective Services is permitted to enroll in the program while required documentation is obtained.

- C. A licensee shall attach an enrolled child's written immunization record or exemption affidavit, required in subsection (A), to the enrolled child's Emergency, Information, and Immunization Record, required in R9-5-304(B).
- D. A licensee shall ensure that a staff member updates an enrolled child's written immunization record required in subsection (A)(1)(a) each time the enrolled child's parent provides the licensee with a written statement from the enrolled child's health care provider that the enrolled child has received an age-appropriate immunization required by 9 A.A.C. 6, Article 7.
- E. If an enrolled child's immunization record indicates that the enrolled child has not received an age-appropriate immunization required by 9 A.A.C. 6, Article 7, a licensee shall ensure that a staff member:
  - 1. Notifies the enrolled child's parent in writing that the enrolled child may attend the facility for not more than 15 calendar days after the date of the notification unless the enrolled child's parent complies with the immunization requirements in 9 A.A.C. 6, Article 7; and
  - 2. Documents on the enrolled child's Emergency, Information, and Immunization Record the date on which the enrolled child's parent is notified of an immunization required by the Department.
- F. A licensee shall not allow an enrolled child who lacks proof of immunity against a disease listed in A.A.C. R9-6-702 to attend the child care facility between the start and end of an outbreak of the disease at the facility.
- G. If a parent of an enrolled child, excluded from a child care facility because of the lack of documented immunity to a disease during an outbreak of the disease at the child care facility, submits any of the documents in A.A.C. R9-6-704 as proof of the enrolled child's immunity to the disease, a licensee shall allow the enrolled child to attend the child care facility during the outbreak of the disease.

**R9-5-306. Admission and Release of Children; Attendance Records**

- A. A licensee shall:
  - 1. Maintain a dated attendance form containing an enrolled child's name with the time of each admission and release, and the parent or staff member's signature or other unique identifier.
  - 2. If an electronic signature is used to admit or release the enrolled child, adopt policies and procedures to ensure that the individual whose signature the electronic or digi-

tal method of identification represents is accountable for the use of the electronic or digital method;

- 3. Develop, document, and implement policies and procedures to ensure that the identity of an individual is known to the staff member or is verified with picture identification before releasing an enrolled child to the individual.
- 4. Not release the enrolled child to an individual other than the enrolled child's parent or other individual designated in writing by the enrolled child's parent except when the enrolled child's parent is unable to collect the enrolled child and authorizes the licensee by telephone to release the enrolled child to an individual not so designated.
- 5. Not permit the self-admission or self-release of an enrolled child unless the enrolled child is of school-age and the licensee has obtained and verified written permission from the enrolled child's parent.
- 6. Maintain the attendance form on facility premises for 12 months after the date of attendance.
- B. A licensee shall:
  - 1. Develop, document, and implement policies and procedures to ensure that a staff member maintains daily documentation of the presence of an enrolled child in an activity area that includes a method to account for any temporary absences of the enrolled child from the activity area; and
  - 2. Maintain the documentation of the presence of enrolled children in an activity area required in subsection (B)(1) on facility premises for 12 months after the date of the documentation.

1. When tube feeding an enrolled child, a staff member only uses:
    - a. Commercially prepackaged formula in a ready-to-use state,
    - b. Formula prepared by the enrolled child's parent and brought to the facility in an unbreakable container, or
    - c. Breast milk brought to the facility in an unbreakable container; and
  2. Only a staff member instructed by an enrolled child's parent or individual designated by the enrolled child's parent:
    - a. Feeds the enrolled child using the enrolled child's tube-feeding apparatus, and
    - b. Cleans the enrolled child's tube-feeding apparatus.

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- D.** A licensee shall provide an enrolled child with a special health care need or a disability with:
1. Developmentally-appropriate toys, materials, and equipment; and
  2. Assistance from staff members to enable the enrolled child to participate in the activities of the facility.
- E.** In addition to complying with the transportation requirements in R9-5-517, a licensee transporting an enrolled child with a special health care need or a disability in a wheelchair in a facility's motor vehicle shall ensure that the enrolled:
1. Child's wheelchair is manufactured to be secured in a motor vehicle;
  2. Child's wheelchair is secured in the motor vehicle using a minimum of four anchorages attached to the motor vehicle floor, and four securement devices, such as straps or webbing that have buckles and fasteners, that attach the wheelchair to the anchorages;
  3. Child is secured in the wheelchair by means of a wheelchair restraint that is a combination of pelvic and upper body belts intended to secure a passenger in a wheelchair; and
  4. Child's wheelchair is placed in a position in the motor vehicle that does not prevent access to the enrolled child in the wheelchair or passage to the front and rear of the motor vehicle.
- F.** A licensee providing child care services for an enrolled child who uses a wheelchair or is not able to walk shall locate the enrolled child on the ground floor of the facility.
- G.** If a child care facility requires a separate diaper changing area to allow privacy while providing diapering to an enrolled child with a special health care need or a disability, the licensee shall submit a written request for approval of the intended change to the Department according to R9-5-208 prior to adding a diaper changing area.
- Historical Note**
- Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Amended by exempt rulemaking at 16 A.A.R. 1564, effective September 30, 2010 (Supp. 10-3). Amended by final expedited rulemaking at 24 A.A.R. 3429, effective December 5, 2018 (Supp. 18-4). - R9-5-508. General Nutrition Standards**
- A.** A licensee shall:
1. Make breakfast available to an enrolled child who is present at a facility before 8:00 a.m.,
  2. Serve lunch to an enrolled child who is present at a facility between 11:00 a.m. through 1:00 p.m., and
  3. Serve dinner to an enrolled child who is present from 5:00 p.m. through 7:00 p.m. and who will remain at the facility after 7:00 p.m.
- B.** A licensee shall serve the following meals or snacks to an enrolled child present at a facility if an enrolled child is present:
1. For two to four hours, one or more snacks;
  2. During any of the meal times stated in subsection (A), a meal that meets the meal pattern requirements in subsection (C);
  3. For four to eight hours, one or more snacks and a meal;
  4. For nine or more hours, two snacks and one or more meals; and
  5. Before bedtime, one snack.
- C.** If a licensee provides food, a licensee shall prepare and serve food according to the meal pattern requirements found in Table 5.1, "Meal Pattern Requirements for Children."
- D.** If an enrolled child's parent provides food for the parent's enrolled child, the licensee shall provide milk or juice to the enrolled child if not provided by the parent.
- E.** If a licensee plans and serves meals, the licensee shall ensure that the meals:
1. Meet the age-appropriate nutritional requirements of an enrolled child; and
  2. For each calendar week, provide a variety of foods within each food group from the meal pattern requirements.
- F.** If a licensee provides food, the licensee shall maintain on the facility premises at least a one day supply of food needed to provide the meals and snacks required by subsections (B) and (C) to each enrolled child attending the facility.
- G.** In addition to the required daily servings of food stated in subsection (C), a licensee:
1. Shall make second servings of food available to each enrolled child at meals and at snack time,
  2. May substitute a food that is equivalent to a specific food component if second servings of the specific food component are not available, and
  3. Shall ensure that a food substitution in subsection (G)(2) is written on the posted weekly menu by the end of the meal or snack service.
- Historical Note**
- Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Amended by exempt rulemaking at 16 A.A.R. 1564, effective September 30, 2010 (Supp. 10-3). Amended by final rulemaking at 31 A.A.R. 2015 (June 27, 2025), effective August 3, 2025 (Supp. 25-2).

**R9-5-509. General Food Service and Food Handling Standards**

- A.** A licensee that prepares food for enrolled children on facility premises shall, if required by 9 A.A.C. 8, Article 1, and the local ordinances of the local health department where the facility is located, obtain a food establishment permit issued under 9 A.A.C. 8, Article 1, and:
1. Submit to the Department a written notice of the facility's food establishment permit before the Department issues a license to the facility,
  2. Maintain the facility's current food establishment permit on the facility's premises, and
  3. Provide a written notice of the facility's current food establishment permit to the Department upon request.
- B.** If a licensee contracts with a food establishment to prepare and deliver food to the facility, the licensee shall obtain and provide the Department with a copy of the food establishment's permit, issued under 9 A.A.C. 8, Article 1, at the following times:
1. Before the Department issues a license to the facility,
  2. Upon contracting with the food establishment, and
  3. Every 12 months after the date the contract is entered into while the contract is in effect.
- C.** A licensee shall ensure that:
1. Enrolled children, except infants and children with a special health care need or a disability who cannot wash their own hands, wash their hands with soap and running water before and after handling or eating food;
  2. A staff member:
    - a. Washes the hands of an infant or a child with a special health care need or a disability who cannot wash the child's own hands before and after the infant or child with a special health care need or a disability handles or eats food using:
      - i. A washcloth,
      - ii. A single-use paper towel, or
      - iii. Soap and running water; and
    - b. If using a washcloth, uses each washcloth on only one child and only one time before it is laundered or discarded;
  3. An enrolled child is not permitted to eat food directly off the floor, carpet, or ground or with utensils placed directly on the floor, carpet, or ground;
  4. A staff member encourages, but never forces, enrolled children to eat food;
  5. A staff member assists each enrolled child who needs assistance with eating;
  6. A staff member teaches self-feeding skills and habits of good nutrition to each enrolled child as necessary;
  7. Lunch and dinner are family-style meals as demonstrated by at least one of the following:
    - a. Food is served from a serving container on the table where enrolled children are seated;
    - b. Enrolled children serve themselves, independently or with the help of a staff member, from a serving container on the table where enrolled children are seated;
    - c. Enrolled children pass a serving container from individual to individual;
    - d. In a facility where lunch or dinner is provided by the facility, a staff member sits at the table and eats the lunch or dinner with enrolled children; or
    - e. In a facility where each enrolled child brings the enrolled child's own lunch or dinner, a staff member sits at the table with the enrolled children and eats the staff member's own lunch or dinner;
  8. Fresh milk is served from the original, commercially filled container, to a container used for meal service or a cup, and unused portions are not returned to the original container;
  9. Milk served to an enrolled child older than two years of age is fat-free or 1% lowfat milk unless the enrolled child's parent requests otherwise;
  10. Reconstituted dry milk is not served to meet the fluid milk requirement;
  11. Juice served to children for a meal or snack is full-strength 100% vegetable or 100% fruit juice from an original, commercially filled container or reconstituted from a concentrate according to manufacturer instructions;

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

12. Fruit juice served to an enrolled child is limited to the following amounts for an enrolled child:
    - a. Younger than six years of age, four ounces per day; or
    - b. Six years of age or older, six ounces per day;
  13. Each staff member is informed of a modified diet prescribed for an enrolled child by the child's parent or health care provider, and the modified diet is posted in the kitchen and in the child's activity area;
  14. The food served to an enrolled child is consistent with a modified diet prescribed for the child by the child's parent or health care provider;
  15. An enrolled child is not permitted in the kitchen during food preparation or food service except as part of an activity;
  16. An enrolled child does not use the kitchen or a food storage area as a passageway;
  17. A staff member:
    - a. Prepares a weekly menu at least one week in advance,
    - b. Includes on the menu the specific foods to be served on each day,
    - c. Dates each menu,
    - d. Posts each menu at least one day before the first meal on the menu will be served, and
    - e. Writes food substitutions on a posted menu no later than the morning of the day of meal service;
  18. Non-single-use utensils and equipment used in preparing, eating, or drinking food are:
    - a. After each use washed in:
      - i. An automatic dishwasher and air dried or heat dried; or
      - ii. Hot soapy water, rinsed in clean water, sanitized, and air dried or heat dried; and
    - b. Stored in a clean area protected from contamination;
  19. Single-use utensils and equipment are disposed of after being used;
  20. Perishable foods, which are foods that become unfit for human consumption if not stored to prevent spoilage, are covered and stored in a refrigerator at a temperature of 41° F or below;
  21. A refrigerator at the child care facility maintains a temperature of 41° F or below and a freezer maintains a temperature of 0° F or below, as shown by a thermometer kept in the refrigerator and in the freezer at all times;
  22. Foods are prepared as close as possible to serving time and, if prepared in advance, are either:
    - a. Cold held at a temperature of 45° F or below or hot held at a temperature of 130° F or above until served, or
    - b. Cold held at a temperature of 45° F or below and then reheated to a temperature of at least 165° F before being served.
- A. A staff member shall provide guidance to help children respond to difficult situations. To develop self-regulation, children should receive adult support that is individual to the child and adapts as the child develops internal controls. This process should include:
    1. Forming a positive relationship with the child, which occurs when the adult spends time talking to the child, listening to the child, following the child's lead, playing with the child, and responding to the child's needs;
    2. Base expectations on the child's developmental level;
    3. Establishing and being proactive in teaching and supporting children in learning simple rules;
    4. Modifying the learning/play environment to support the child's appropriate behavior;
    5. Creating a predictable daily routine and schedule;
    6. Modeling desired behavior;
    7. Showing children positive alternatives;
    8. Using deliberate redirection, the staff member should encourage the child to use appropriate behavior, and provide positive feedback when the child exhibits the behavior;
    9. Individualized positive discipline strategies based on the individual needs of children, such as using a buddy system, individualized schedule, special break, or another applicable positive discipline strategy; and
    10. If applicable, a licensee shall develop a written plan with the enrolled child's parent to provide individualized social and emotional intervention supports for the enrolled child that includes methods for understanding the enrolled child's behavior, and developing, adopting, and implementing a team-based positive behavior support plan.
  - B. A licensee shall ensure that a staff member does not use or permit:
    1. The use of physical punishment including:
      - a. Hitting, spanking, shaking, slapping, twisting, pulling, squeezing, or biting;
      - b. Demanding excessive physical exercise or excessive rest; and
      - c. Forcing a child to eat or consume soap, food, or foreign substances;
    2. Any form of emotional abuse, including rejecting, extended ignoring, public or private humiliation;
    3. Abusive, profane, sarcastic language, verbal abuse, threats, or derogatory remarks about the child or child's family;
    4. Punishment associated with eating, resting, sleeping, toileting, and withholding outdoor play;
    5. Using medication to control behavior or restrict freedom of movement unless it is prescribed by a health care provider;
    6. Mechanical restraint to restrict a child's freedom of movement;
    7. Placing a child in a crib, high chair, car seat, or other restrictive device for a time-out or to restrict a child's freedom of movement; and
    8. Directing an enrolled child to punish another enrolled child.
  - C. A licensee may allow a staff member to separate an enrolled child from other enrolled children with continuous supervision.
    1. Separation should only be used in combination with instructional approaches that teach children what to do in place of the behavior problem;

**Historical Note**

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

2. Separation may not be used for children ages infant to two-years-old;
  3. A staff member may allow an enrolled child to be separated for no longer than three minutes. If the enrolled child has not regained control or composure after three minutes, a staff member may extend the separation for up to 10 minutes with staff member interaction.
- D.** A licensee shall not physically restrain an enrolled child, except when necessary to protect an enrolled child from physical injury, to protect persons on the premises from physical injury, or to protect property from damage.
1. When a child has an out-of-control behavior, the enrolled child may be removed from the company of other enrolled children until the enrolled child's behavior has stabilized. Removal of a child is only to be used when there is a safety concern that cannot be reduced or eliminated with reasonable accommodations;
  2. After determining that an enrolled child's behavior may result in harm, a staff member may safely hold the child until the enrolled child regains control or composure; and
  3. A licensee shall develop and implement written policies and procedures on physical restraint to protect children's safety and development.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). **R9-5-511. Sleeping and Napping**

- A.** A licensee shall provide each enrolled child who naps or sleeps at the facility with a separate cot or mat or a crib that meets the requirements of R9-5-502(A)(8) and ensure that:
1. A cot, mat, or crib used by the enrolled child accommodates the enrolled child's height and weight;
  2. A staff member covers each cot or mat with a clean sheet that is laundered when soiled, or at least once every seven days and before use by a different enrolled child;
  3. A clean blanket or sheet is available for each enrolled child;
  4. A rug, carpet, blanket, or towel is not used as a mat;
  5. Each cot, mat, or crib is maintained in a clean and repaired condition;
  6. An infant is placed to sleep on the infant's back, unless the infant's parent submits written instructions from the infant's health care provider that states otherwise; and
  7. An enrolled child sleeps alone with no other children.
- B.** A licensee shall not use bunk beds or waterbed mattresses.
- C.** A licensee shall provide an unobstructed passageway at least 18 inches wide between each row of cots or mats to allow a staff member access to each enrolled child.
- D.** A licensee shall ensure that if an enrolled child is present at the facility during evening and nighttime hours, the licensee:
1. Permits the enrolled child to use a mat only when used on top of a cot;
  2. Before bathing the enrolled child at the facility, obtains written consent and bathing instructions from the enrolled child's parent and follows the instructions when bathing the enrolled child;
  3. Requires that a staff member cleans and sanitizes a bathtub or shower stall after bathing each enrolled child;

4. Requires that a staff member remains awake while supervising the sleeping enrolled child; and
  5. Prohibits the operation of a television set in a room where the enrolled child is sleeping.
- E.** A licensee shall ensure that if an enrolled child is present at the facility during naptime, the licensee:
1. Does not permit the enrolled child to lie in direct contact with the floor while napping,
  2. Prohibits the operation of a television set in a room where the enrolled child is napping,
  3. Requires that a staff member remain awake while supervising the enrolled sleeping child, and
  4. Prohibits the enrolled child from napping in an attic or a loft during naptime.
- F.** A licensee shall ensure that storage space is provided in the facility for cots, mats, sheets, and blankets, that is:
1. Accessible to an area used for naptime or sleeping; and
  2. Separate from food service and preparation areas, toilet rooms, and laundry rooms.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). **R9-5-512. Cleaning and Sanitation**

- A.** A licensee shall maintain facility premises free of insects and vermin.
- B.** A licensee shall maintain facility premises and furnishings:
1. In a clean condition, and
  2. Free from odor.
- C.** A licensee shall ensure that floor coverings are:
1. Clean, and
  2. Free from:
    - a. Dampness,
    - b. Odors, and
    - c. Hazards.
- D.** A licensee shall ensure that toilet bowls, lavatory fixtures, and floors in toilet rooms and kitchens are cleaned and sanitized as often as necessary to maintain them in a clean and sanitized condition or at least once every 24 hours.
- E.** If laundry belonging to a facility is done on facility premises, a licensee shall:
1. Not use a kitchen or food storage area for sorting, handling, washing, or drying laundry;
  2. Locate the laundry equipment in an area that is separate from licensed activity areas and inaccessible to enrolled children;
  3. Not permit an enrolled child to be in a laundry room or use a laundry area as a passageway for enrolled children; and
  4. Ensure that laundry soiled by vomitus, urine, feces, blood, or other body fluid is stored, cleaned, and sanitized separately from other laundry.
- F.** A licensee shall ensure that:
1. Each toilet room in a facility contains, within easy reach of enrolled children:
    - a. Mounted toilet tissue; and
    - b. Except as provided in subsection (G):
      - i. A sink with running water;
      - ii. Soap contained in a dispenser; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- iii. Disposable, single-use paper towels in a mounted dispenser, or a mechanical air hand dryer;
  - 2. Staff members wash their hands with soap and running water after toileting;
  - 3. An enrolled child's hands are washed with soap and running water after toileting;
  - 4. Except for a cup or receptacle used only for water, food waste is stored in a covered container and the container is clean and lined with a plastic bag;
  - 5. Food waste and other refuse is removed from the facility building at least once every 24 hours or more often as necessary to maintain a clean condition and avoid odors;
  - 6. A staff member or an enrolled child does not draw water for human consumption from a toilet room hand-washing sink;
  - 7. Toys, materials, and equipment are maintained in a clean condition;
  - 8. Plumbing fixtures are maintained in a clean and working condition; and
  - 9. Chipped or cracked sinks and toilets are replaced or repaired.
- G.** A licensee may have a sink with running water, soap contained in a dispenser, and single-use paper towels in a mounted dispenser or a mechanical air hand dryer located directly outside a toilet room if an enrolled child exiting the toilet room can access the sink, soap, and paper towels or air hand dryer without having to cross space that is used for any activity.
- Historical Note**
- Adopted effective December 12, 1986 (Supp. 86-6). Amended subsection (P) effective July 7, 1988 (Supp. 88-3). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). Amended by exempt rulemaking at 16 A.A.R. 1564, effective September 30, 2010 (Supp. 10-3).
- R9-5-513. Pets and Animals**
- A.** A licensee shall maintain written documentation of current immunization against rabies for each ferret, dog, or cat owned by a licensee or staff member that is present on facility premises.
  - B.** A licensee shall ensure that a staff member:
    - 1. Keeps all pet and animal habitats clean;
    - 2. Prohibits reptiles, such as turtles, iguanas, snakes, and lizards, in the facility;
    - 3. Prohibits birds in food preparation and eating areas;

- R9-5-514. Accident and Emergency Procedures**
- A.** A licensee shall ensure that there is a first aid kit on facility premises that contains first aid supplies in a quantity sufficient to meet the needs of the enrolled children including the following:
    - 1. Sterile bandages including:
      - a. Adhesive bandages of assorted sizes,
      - b. Sterile gauze pads, and
      - c. Sterile gauze rolls;
    - 2. Antiseptic solution or sealed antiseptic wipes;
    - 3. A pair of scissors;
    - 4. Adhesive or self-adhering tape;
    - 5. Single-use, non-porous gloves; and
    - 6. Reclosable plastic bags of at least one-gallon size.
  - B.** A licensee shall ensure that the first aid kit required in subsection (A) is accessible to staff members but inaccessible to enrolled children.
  - C.** A licensee shall:
    - 1. Prepare and date a written fire and emergency plan that contains:
      - a. The location of the first aid kit;
      - b. The names of staff members who have adult and pediatric first aid and CPR certification, as required by R9-5-403(E);
      - c. The directions for:
        - i. Initiating verbal notification of an enrolled child's parent by telephone or other equally expeditious means within 30 minutes of a fire or emergency, and
        - ii. Providing written notification to the enrolled child's parent within 24 hours, and
      - d. The facility's street address and the emergency telephone numbers for the local fire department, police department, ambulance service, and poison control center;
      - e. The procedures for evacuation, relocation, shelter-in-place and lockdown, staff and volunteer emergency preparedness training and practice drills, communication and reunification with families, continuity of operations, and accommodation of infants, children with disabilities, and children with chronic medical conditions, as specified in R9-5-301;
    - 2. Maintain the plan required in subsection (C)(1) in a location on facility premises that has an operable telephone service or two-way voice communication system that connects the facility with an individual who has direct access to an in-and-out operable telephone service;
    - 3. Post the plan required in subsection (C)(1) in any indoor activity area that does not have an operable telephone service or two-way voice communication system that connects the indoor activity area with an individual who has direct access to an in-and-out operable telephone services; and
    - 4. Update the plan in subsection (C)(1) every 12 months after the date of initial preparation of the plan or when any information changes.
  - D.** The licensee shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies.
  - E.** A licensee shall post, near an activity area or a room's designated exit, a building evacuation plan that details the designated exits from the activity area or room and the facility.
  - F.** A licensee shall maintain and use a communication system that contains:
    - 1. A direct-access, in-and-out, operating telephone service at the facility; or

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

2. A two-way voice communication system that connects the facility with an individual who has direct access to an in-and-out, operating telephone service.
- G.** If while attending a facility an enrolled child has an accident, injury, or emergency that, based on an evaluation by a staff member, requires medical treatment by a health care provider, a licensee shall ensure that a staff member:
1. Notifies the enrolled child's parent and the Department immediately after the accident, serious physical injury, as defined in A.R.S. § 8-201, or emergency;
  2. Documents:
    - a. A description of the accident, serious physical injury, or emergency, including the date, time, and location of the accident, serious physical injury, or emergency;
    - b. The method used to notify the enrolled child's parent; and
    - c. The time the enrolled child's parent was notified; and
  3. Maintains documentation required in subsection (F)(2) on facility premises for 12 months after the date of the child's disenrollment.
- H.** If an enrolled child's parent informs a staff member at the facility that the enrolled child's parent obtained medical treatment from a health care provider for an accident, serious physical injury, or emergency the enrolled child had while attending the facility, a licensee shall ensure that a staff member:
1. Documents any information about the enrolled child's accident, serious physical injury, or emergency received from the enrolled child's parent; and
  2. Maintains documentation required in subsection (G)(1) on facility premises for 12 months after the date of the child's disenrollment.

**R9-5-515. Illness and Infestation**

- A.** A licensee shall not permit an enrolled child to remain at the facility if a staff member determines that the enrolled child shows signs of illness or infestation.
- B.** If an enrolled child exhibits signs of illness or infestation at a facility, a licensee shall ensure that a staff member:
1. Immediately separates the enrolled child from other enrolled children,
  2. Immediately notifies the enrolled child's parent by telephone or other expeditious means to arrange for the enrolled child's removal from the facility, and
  3. Maintains documentation of the notification on facility premises for 12 months after the date of the notification.
- C.** A licensee shall ensure that a staff member who has signs of illness or infestation is excluded from a facility.
- D.** A facility director shall not permit a staff member to return to a facility until free from signs of illness or infestation or until the staff member provides documentation by a health care provider that the individual may return to the facility.
- E.** If a staff member or enrolled child contracts a communicable disease or infestation listed in 9 A.A.C. 6, Article 2, Table 2.2, a licensee shall ensure that, within 24 hours of notice of the

communicable disease or infestation, written notice is provided to each staff member, parent, and the local health department.

- F.** A licensee shall ensure that:

1. A dated, written notice of the communicable disease or infestation is prepared and posted in the facility's entrance as required by R9-5-303;
2. Documentation of the notification is maintained on facility premises for 12 months from the date of the notification; and
3. Documentation of the absences of staff members and enrolled children due to a communicable disease or infestation listed in 9 A.A.C. 6, Article 2, Table 2.2, is prepared and maintained on facility premises for 12 months from the first date of absence.

**R9-5-516. Medications**

- A.** A licensee shall ensure that a written statement is prepared and maintained on facility premises that specifies:
1. Whether prescription or nonprescription medications are administered to enrolled children; and
  2. If prescription or nonprescription medications are administered, the requirements in subsection (B) for administering the prescription or nonprescription medications.
- B.** If prescription or nonprescription medications are administered, a licensee shall ensure that:
1. A facility director, or a staff member designated in writing by the facility director, is responsible for the administration of all medications in the facility, including storing, supervising an enrolled child's ingestion of a medication, and documenting all medications administered to an enrolled child;
  2. A facility director ensures that only one staff member in the facility at any given time is responsible for the administration of medications;
  3. A facility director, or a staff member designated in writing by the facility director, does not administer a medication to an enrolled child unless the facility receives written authorization signed by the enrolled child's parent or health care provider that includes the:
    - a. Name of the enrolled child;
    - b. Type of the medication;
    - c. Prescription number, if any;
    - d. Instructions for administration specifying the:
      - i. Dosage and route of administration;
      - ii. If indicated, starting and ending dates of the dosage period; and
      - iii. Times and frequency of administration;
    - e. Reason for the medication; and
    - f. Date of authorization; and
  4. A staff member:
    - a. Administers a prescription medication provided by a parent only from a container dispensed by a pharmacy;
    - b. Administers a nonprescription medication provided by a parent for an enrolled child only from a con-

- c. Does not administer any medication that has been transferred from one container to another; and
  - d. Does not administer a nonprescription medication to an enrolled child inconsistent with the instructions on the nonprescription medication's label, unless the facility receives written authorization from the enrolled child's health care provider.
- C.** A licensee shall allow an enrolled child to receive an injection only after obtaining a written authorization from a health care provider.
- D.** A licensee shall maintain the health care provider's written authorization required in subsection (C) on facility premises for 12 months after the date of the written authorization.
- E.** An individual authorized by state law to give injections may give an injection to an enrolled child. In an emergency, an individual may give an injection to an enrolled child according to A.R.S. §§ 32-1421(A)(1) and 32-1631(2).
- F.** A licensee shall maintain documentation of all medications administered to an enrolled child.
1. Documentation shall contain:
    - a. The name of the enrolled child;
    - b. The name and amount of medication administered and the prescription number, if any;
    - c. The date and time the medication was administered; and
    - d. The signature of the staff member who administered the medication to the enrolled child; and
  2. A licensee shall maintain the documentation on facility premises for 12 months after the date the medication is administered.
- G.** A licensee shall return all unused prescription and nonprescription medications to a parent when the medication prescription date has expired or the medication is no longer being administered to the enrolled child or dispose of the medication if unable to locate the enrolled child's parent after the child's disenrollment.
- H.** Except as provided in subsection (J), a licensee shall ensure that prescription and nonprescription medications are stored as follows:
1. An enrolled child's medication is kept in a locked, leak-proof storage cabinet or container that is used only for storing enrolled children's medications and is located out of reach of children;
  2. Medication for a staff member is kept in a locked, leak-proof storage cabinet or container that is separate from the storage container for enrolled children's medications and is located out of reach of children; and
  3. Medications requiring refrigeration are kept in a locked, leak-proof container in a refrigerator.
- I.** Except as specified in A.R.S. § 36-2229(B) through (D), a licensee shall ensure that a facility does not stock a supply of medications for administration to enrolled children, including:
1. Any prescription medication; or
  2. A nonprescription medication such as aspirin, acetaminophen, ibuprofen, or cough syrup.
- J.** A staff member's or enrolled child's prescription medication necessary to treat life-threatening symptoms:
1. May be kept in the activity area where the staff member or enrolled child is present; and
  2. Except when the prescription medication is administered to treat life-threatening symptoms, is inaccessible to an enrolled child.
- K.** A licensee of a licensed child care facility owned and located on a public school premises shall ensure that enrolled school-aged children are allowed to possess emergency medications and self-administer auto-injectable epinephrine and handheld inhaler devices according to A.R.S. § 15-341, if an enrolled school-aged child:
1. Has a written prescription from a physician,
  2. Is named on the prescription label, and
  3. Has written documentation from the enrolled school-aged child's parent approving the enrolled school-aged child to possess and self-administer emergency medication.

**R9-5-602. Facility Square Footage Requirements**

**A.** A licensee shall ensure that the facility meets the following square footage requirements for indoor activity areas based on the child care services classifications:

1. At least 35 square feet of indoor activity space for each infant and 1-year-old child;
2. At least 25 square feet of indoor activity space for each child who is not an infant or a 1-year-old child; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

3. When 1-year-old children are grouped together with children older than 1-year-old children in the same activity area, at least 35 square feet of indoor activity space for each child.
- B. When computing indoor activity space for subsections (A)(1) through (3) to determine licensed capacity, the floor space occupied by the following shall be excluded:
  1. The interior walls;
  2. A kitchen, bathroom, closet, hallway, stair, entryway, office, a room designated for isolating an enrolled child from other children, storage rooms, and a room designated for the sole use of child care staff; and
  3. Room space occupied by desks, file cabinets, storage cabinets, and hand washing sinks.
- C. To provide activities that develop large muscles and an opportunity to participate in structured large muscle physical activities, a licensee shall:
  1. Provide at least 75 square feet of outdoor or indoor activity area per child for at least 50% of the facility's licensed capacity, or
  2. If children are in care for less than four consecutive hours, the licensee is not required to have an outdoor activity space.
- D. A licensee substituting indoor activity area for outdoor activity area shall install and maintain a mat or pad designed to provide impact protection in the fall zone of indoor swings, slides, and climbing equipment.

**Historical Note**

Adopted effective December 12, 1986 (Supp. 86-6). Section repealed; new Section adopted effective October 17, 1997 (Supp. 97-4). **R9-5-603. Outdoor Activity Areas**

- A. Except as provided in subsection (B), a licensee shall not permit an enrolled child to cross a driveway or parking lot to access an outdoor activity area on the facility premises or a school campus unless the licensee obtains written approval from the Department.
- B. Except as provided in subsection (D), a licensee shall ensure that an outdoor activity area:
  1. Is enclosed by a fence:
    - a. A minimum of 4 feet high,
    - b. Secured to the ground, and
    - c. With either vertical or horizontal open spaces on the fence or gate that do not exceed 4.0 inches;
  2. Is maintained free from hazards, such as exposed concrete footings and broken toys; and
  3. Has gates that are kept closed while an enrolled child is in the outdoor activity area.
- C. A licensee shall ensure that a playground used only for enrolled school-age children at a facility operating at a public school meets the fencing requirements of the public school. If the Department determines by inspection that a facility fence at a public school does not ensure the health, safety, or welfare of enrolled children, the licensee shall meet the fencing requirements of subsection (C).

- D. A licensee shall ensure that the following is provided and maintained within the fall zones of swings and climbing equipment in an outdoor activity area:
  1. A shock-absorbing unitary surfacing material manufactured for such use in outdoor activity areas; or
  2. A minimum depth of 6 inches of a nonhazardous, resilient material such as fine loose sand or wood chips.
- E. A licensee shall ensure that hard surfacing material such as asphalt or concrete is not installed or used under swings or climbing equipment unless used as a base for a rubber surfacing.
- F. A licensee shall ensure that a swing or climbing equipment is not located in the fall zone of another swing or climbing equipment.
- G. A licensee shall provide a shaded area for each enrolled child occupying an outdoor activity area at any time of day.

**R9-5-704. Time-frames**

- A. The administrative completeness review time-frame for each type of approval granted by the Department under this Article is listed in Table 2.1 and begins on the date that the Department receives an application.
  - 1. An application for a license is not complete until the date, provided to the Department with the application or by written notice, that the child care facility is ready for an onsite licensing inspection.
  - 2. The Department shall send a notice of administrative completeness or deficiencies to the applicant within the administrative completeness review time-frame.
    - a. A notice of deficiencies shall list each deficiency and the items needed to complete the application.
    - b. The administrative completeness review time-frame and the overall time-frame are suspended from the date that the notice of deficiencies is issued until the date that the Department receives all of the missing items from the applicant.
    - c. If an applicant for a license or an approval of a change affecting a license fails to submit to the Department all of the items listed in the notice of deficiencies within 180 calendar days after the date that the Department sent the notice of deficiencies,

TITLE 9. HEALTH SERVICES

CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

the Department shall consider the application or request for approval withdrawn.

3. If the Department issues a license or other approval to the applicant during the administrative completeness review time-frame, the Department shall not issue a separate written notice of administrative completeness.
- B. The substantive review time-frame for each type of approval granted by the Department under this Article is listed in Table 2.1 and begins on the date of the notice of administrative completeness.
  1. As part of the substantive review for a license application, the Department shall conduct an inspection that may require more than one visit to the facility.
  2. As part of the substantive review for a request for approval of a change affecting a license that requires a change in the use of physical space at the facility, the Department shall conduct an evaluation of the request to determine compliance with applicable rules and statutes that may include an onsite inspection.
  3. The Department shall send a license, a written notice of approval, or denial of a license or other request for approval to an applicant within the substantive review time-frame.
  4. During the substantive review time-frame, the Department may make one comprehensive written request for additional information, unless the Department and the applicant have agreed in writing to allow the Department to submit supplemental requests for information.
    - a. If the Department determines that an applicant or a facility is not in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter, the Department shall send a comprehensive written request for additional information that includes a written statement of deficiencies stating each statute and rule upon which noncompliance is based.
    - b. An applicant shall submit to the Department all of the information requested in the comprehensive written request for additional information and documentation of the corrections required in the statement of deficiencies, if applicable within 120 calendar days after the date of the comprehensive written request for additional information.
    - c. The substantive review time-frame and the overall time-frame are suspended from the date that the Department issues a comprehensive written request

for additional information or a supplemental request for information until the date that the Department receives all of the information requested, including documentation of corrections required in a statement of deficiencies, if applicable.

- d. If an applicant fails to submit to the Department all of the information requested in a comprehensive written request for additional information or a supplemental request for information, including documentation of corrections required in a statement of deficiencies, if applicable, within the time prescribed in subsection (C)(4)(b), the Department shall deny the application.
5. The Department shall issue a license or other approval if the Department determines that the applicant and facility are in substantial compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter, and the applicant submits documentation of corrections that is acceptable to the Department for any deficiencies.
6. If the Department determines that a license or other approval is to be denied, the Department shall send to the applicant a written notice of denial complying with A.R.S. § 36-888 and stating the reasons for denial and all other information required by A.R.S. §§ 36-888 and 41-1076.

**R9-5-710. Changes Affecting a License**

- A. At least 30 calendar days before the date of a change in a facility's name, a licensee shall send the Department written notice of the name change.
- B. At least 30 calendar days before the date of an intended change in a facility's service classification, space utilization, or licensed capacity, a licensee shall submit a written request for approval of the intended change to the Department that includes:
  - 1. The licensee's name;
  - 2. The facility's name, street address, city, state, zip code, mailing address, and telephone number;
  - 3. The name, telephone number, and fax number of a point of contact for the request;
  - 4. The facility's license number;
  - 5. The type of change intended:
    - a. Service classification,
    - b. Space utilization, or
    - c. Licensed capacity;
  - 6. A narrative description of the intended change; and
  - 7. The following additional information, as applicable, if the intended change:
    - a. Affects an activity area, the following information about each affected activity area, as applicable:
      - i. Identification of the activity area,
      - ii. Current and intended square footage,
      - iii. Current and intended operating hours,
      - iv. Current and intended service classification,
      - v. Current and intended licensed capacity, and
      - vi. Whether the activity area has or will have a diaper changing area;
    - b. Is to increase licensed capacity, the square footage of the outdoor activity area; and
    - c. Includes an alteration or addition to the physical plant of a licensed facility, the following, as applicable, if the facility is located in a public school and provides child care only for school-age children, a set of final construction drawings or a school map, including the information required in R9-5-703(5)(j) showing the intended change.
- C. If the intended change in subsection (B) includes an increase in the licensed capacity, a licensee shall submit the fee for an increase in licensed capacity in R9-5-708(C) with the written request for approval.
- D. The Department will review a request submitted under subsection (B) according to R9-5-202. If the intended change is in compliance with A.R.S. Title 36, Chapter 7.1, Article 1 and this Chapter and any applicable fee is submitted, the Department will send the licensee written approval of the requested change or an amended license that incorporates the change but retains the anniversary date of the current license.
- E. A licensee shall not implement any change described under subsection (B) until the Department issues an approval or amended license.
- F. At least 30 days before the date of a change in ownership of a facility, a licensee shall send the Department written notice of the change. For the purpose of this Section, "change in ownership" means a transfer of controlling legal or controlling equitable interest and authority in a facility resulting from a sale or merger of a facility. A new owner shall obtain a new license as prescribed in R9-5-703 before the new owner begins operating the facility.
- G. A licensee changing a facility's location shall apply for a new license as prescribed in R9-5-703.

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- H.** Within 30 calendar days after a change in a controlling person, a licensee shall send the Department written notice of the change that includes:
1. The name of the licensee;
  2. A description of the change made;
  3. The name, title, street address, city, state, and zip code of each controlling person;
  4. A statement that each controlling person has not been denied a certificate to operate a child care group home or a license to operate a child care facility for the care of children in this state or another state;
  5. A statement that each controlling person has not had a certificate to operate a child care group home or a license to operate a child care facility revoked in this state or another state for reasons that relate to the endangerment of the health and safety of children;
  6. A statement that the information provided in the written notice is accurate and complete; and
  7. The signature of the licensee.
- I.** If the change in subsection (H) is a change in a controlling person who is a designated agent, a licensee shall include a copy of documentation for the designated agent: that complies with A.R.S. § 41-1080.
- J.** Within 30 calendar days after changing a responsible party, a licensee shall send the Department written notice of the change that includes:
1. The name of the licensee;
  2. A description of the change made;
  3. The name, title, street address, city, state, and zip code of each responsible party, if the responsible party is an individual, or each individual in the group, if the responsible party is a group of individuals; and

**R9-5-716. Enrollment of Children**

- A.** A licensee shall require that a child be enrolled by the child's parent or an individual authorized in writing by the parent.
- B.** Except as required in A.R.S. § 36-3009, before an enrolled child receives child care services, a licensee shall require the enrolled child's parent to complete an Emergency, Information, and Immunization Record, no more than a two-page written notice, that is signed by the enrolled child's parent containing:
1. The child's name, home address, sex, and date of birth;
  2. The date of the child's enrollment;
  3. The name, home address, email address, and telephone number of each parent of the child;
  4. The name and telephone number of at least two individuals authorized by the child's parent to collect the child from the facility in case of emergency, or if the child's parent cannot be contacted;
  5. The name and contact telephone number of the child's health care provider;
  6. The written authorization for emergency medical care of the enrolled child;
  7. The name of the individual to be contacted in case of injury or sudden illness of the child;
  8. The written instructions of a child's parent or health care provider for the nutritional and dietary needs of the child including, if applicable, the request in R9-5-731(C)(13); and
  9. A written record completed by the child's parent or health care provider noting the child's susceptibility to illness, physical conditions of which a staff member should be

aware, and any individual requirements for health maintenance.

- C.** A licensee shall maintain a current Emergency, Information, and Immunization Record for each enrolled child on facility premises in a place that provides a staff member ready access to the record in the event of an emergency at, or evacuation of, the facility.
- D.** When an enrolled child is disenrolled from a facility, the licensee shall:
1. Enter the date of disenrollment on the child's Emergency, Information, and Immunization Record; and
  2. Maintain the records in subsection (D)(1) for 12 months after the date of disenrollment on facility premises in a place separate from the current Emergency, Information, and Immunization Record. If a licensee is a school governing board, a charter school, or a person operating multiple child care facilities, the licensee may maintain disenrollment records in a single central administrative office located in the same city, town, or school attendance area as the facility.

New Section made by final rulemaking at 31 A.A.R. 2015 (June 27, 2025), effective August 3, 2025 (Supp. 25-2).

**R9-5-717. Child Immunization Requirements**

- A.** A licensee shall not permit an enrolled child to attend a facility until the facility receives:
1. An immunization record for the enrolled child with the information required in 9 A.A.C. 6, Article 7, documenting that the enrolled child has received all current, age-appropriate immunizations required under 9 A.A.C. 6, Article 7:
    - a. Provided by a health care provider, or
    - b. Generated from the Arizona State Immunization Information System, which is the Department's child immunization reporting system established in A.R.S. § 36-135; or
  2. An exemption affidavit for the enrolled child provided by the enrolled child's parent that contains a statement, signed by the enrolled child's:
    - a. Health care provider, that the immunizations required by 9 A.A.C. 6, Article 7 would endanger the enrolled child's health or medical condition; or
    - b. Parent, that the enrolled child is being raised in a religion whose teachings are in opposition to immunization; or
- B.** If an enrolled child has not had immunizations and is either homeless, as in "homeless children and youths" according to 42 USC 11434a, who is referred by DCS or Tribal Child Protective Services, initial doses should be administered within 30-calendar days, unless the enrolled child has a religious or medical exemption, as specified in subsections (A)(1) and (2). A child who is experiencing homelessness or who is referred by DCS or Tribal Child Protective Services is permitted to enroll in the program while required documentation is obtained
- C.** A licensee shall attach an enrolled child's written immunization record or exemption affidavit, required in subsection (A), to the enrolled child's Emergency, Information, and Immunization Record, required in R9-5-304(B).
- D.** A licensee shall ensure that a staff member updates an enrolled child's written immunization record required in subsection (A)(1)(a) each time the enrolled child's parent provides the

licensee with a written statement from the enrolled child's health care provider that the enrolled child has received an age-appropriate immunization required by 9 A.A.C. 6, Article 7.

- E. If an enrolled child's immunization record indicates that the enrolled child has not received an age-appropriate immunization required by 9 A.A.C. 6, Article 7, a licensee shall ensure that a staff member:
  - 1. Notifies the enrolled child's parent in writing that the enrolled child may attend the facility for not more than 15 calendar days after the date of the notification unless the enrolled child's parent complies with the immunization requirements in 9 A.A.C. 6, Article 7; and
  - 2. Documents on the enrolled child's Emergency, Information, and Immunization Record the date on which the enrolled child's parent is notified of an immunization required by the Department.
- F. A licensee shall not allow an enrolled child who lacks proof of immunity against a disease listed in A.A.C. R9-6-702 to attend the child care facility between the start and end of an outbreak of the disease at the facility.
- G. If a parent of an enrolled child, excluded from a child care facility because of the lack of documented immunity to a disease during an outbreak of the disease at the child care facility, submits any of the documents in A.A.C. R9-6-704 as proof of the enrolled child's immunity to the disease, a licensee shall allow the enrolled child to attend the child care facility during the outbreak of the disease.

**R9-5-730. General Nutrition Standards****A.** A licensee shall:

1. Make breakfast available to an enrolled child who is present at a facility before 8:00 a.m.,
2. Serve lunch to an enrolled child who is present at a facility between 11:00 a.m. through 1:00 p.m., and
3. Serve dinner to an enrolled child who is present from 5:00 p.m. through 7:00 p.m. and who will remain at the facility after 7:00 p.m.

**B.** A licensee shall serve the following meals or snacks to an enrolled child present at a facility if an enrolled child is present:

1. For two to four hours, one or more snacks;
2. During any of the meal times stated in subsection (A), a meal that meets the meal pattern requirements in subsection (C);
3. For four to eight hours, one or more snacks and a meal;
4. For nine or more hours, two snacks and one or more meals; and
5. Before bedtime, one snack.

**C.** If a licensee provides food, a licensee shall prepare and serve food according to the meal pattern requirements found in Table 7.2, "Meal Pattern Requirements for Children."

**D.** If an enrolled child's parent provides food for the parent's enrolled child, the licensee shall provide milk or juice to the enrolled child if not provided by the parent.

**E.** If a licensee plans and serves meals, the licensee shall ensure that the meals:

1. Meet the age-appropriate nutritional requirements of an enrolled child; and
2. For each calendar week, provide a variety of foods within each food group from the meal pattern requirements.

**F.** If a licensee provides food, the licensee shall maintain on the facility premises at least a one day supply of food needed to provide the meals and snacks required by subsections (B) and (C) to each enrolled child attending the facility.

**G.** In addition to the required daily servings of food stated in subsection (C), a licensee:

1. Shall make second servings of food available to each enrolled child at meals and at snack time,
2. May substitute a food that is equivalent to a specific food component if second servings of the specific food component are not available, and
3. Shall ensure that a food substitution in subsection (G)(2) is written on the posted weekly menu by the end of the meal or snack service.

  11. Does not use audio headphones or a telephone while the motor vehicle is in motion.
- C.** When transporting an enrolled school-age child in a motor vehicle, a licensee shall ensure that the staff-to-children ratios required in R9-5-726(A) are met. A motor vehicle driver may be counted in the staff-to-children ratio, when transporting an enrolled school-age child in a motor vehicle, if the motor vehicle driver meets the qualifications of a child educator.
- D.** A licensee who is transporting an enrolled child in a commercial motor vehicle, as defined in A.R.S. § 28-1301, is exempt from the provisions in subsections (A)(9), (A)(10)(b), and (B)(7).
- E.** A licensee who is transporting an enrolled child in a school bus, as defined in A.R.S. § 28-101, is exempt from the provision in subsection (A)(10)(c) and shall comply with A.A.C. R13-13-107.
- B.** A licensee shall ensure that a staff member taking enrolled children on a field trip carries the following on the field trip:
1. Documentation of the Emergency, Information, and Immunization Record including the attached immunization record or exemption affidavit, of each enrolled child participating in the field trip;
  2. A copy of the written field trip plan required in subsection (A)(2);
  3. A list stating the name of each participating enrolled child; and
  4. Sufficient water to meet the needs of each enrolled child participating in the field trip.
- C.** A staff member shall verify the presence of each enrolled child and place a checkmark next to the enrolled child's name on the list required in subsection (B)(3) for each enrolled child who is present at the following times:
1. At the beginning of the field trip or when boarding the motor vehicle,
  2. Upon arrival and each hour while at the field trip destination,
  3. When preparing to leave the field trip destination or when boarding the motor vehicle to return to the facility, and
  4. When reentering the facility at the conclusion of the field trip.
- D.** A licensee shall ensure that each enrolled child participating in a field trip is wearing in plain view a written identification stating the facility's name, address, and telephone number.
- E.** A licensee shall also ensure that each enrolled child is wearing out of view a written identification stating the enrolled child's name.
- F.** If a licensee uses a motor vehicle volunteered by a parent or other individual for a field trip, a licensee shall determine before the field trip begins that the motor vehicle is in compliance with R9-5-517(A)(3) and (4) and that the motor vehicle driver is in compliance with R9-5-517(B)(1) and (2).
- G.** When six or more enrolled children are participating in a field trip, a licensee shall ensure that a child educator and at least one additional staff member are present on the field trip, including in each motor vehicle.
- H.** A licensee may use the written permission required in subsection (A) annually for multiple field trips to the same destination.

**R9-5-741. Facility Square Footage Requirements**

- A. A licensee shall ensure that the facility meets the following square footage requirements for indoor activity areas based on the child care services classifications at least 25 square feet of indoor activity space for each school-aged child.
- B. When computing indoor activity space for subsections (A)(1) through (3) to determine licensed capacity, the floor space occupied by the following shall be excluded:
  - 1. The interior walls;
  - 2. A kitchen, bathroom, closet, hallway, stair, entryway, office, a room designated for isolating an enrolled child from other children, storage rooms, and a room designated for the sole use of child care staff; and
  - 3. Room space occupied by desks, file cabinets, storage cabinets, and hand washing sinks.
- C. To provide activities that develop large muscles and an opportunity to participate in structured large muscle physical activities, a licensee shall:
  - 1. Provide at least 75 square feet of outdoor or indoor activity area per child for at least 50% of the facility's licensed capacity, or
  - 2. If children are in care for less than four consecutive hours, the licensee is not required to have an outdoor activity space.
- D. A licensee substituting indoor activity area for outdoor activity area shall install and maintain a mat or pad designed to provide impact protection in the fall zone of indoor swings, slides, and climbing equipment.

**Historical Note**

New Section made by final rulemaking at 31 A.A.R. 2015 (June 27, 2025), effective August 3, 2025 (Supp. 25-2).

**R9-5-742. Outdoor Activity Areas**

- A. Except as provided in subsection (B), a licensee shall not permit an enrolled child to cross a driveway or parking lot to access an outdoor activity area on the facility premises or a school campus unless the licensee obtains written approval from the Department.
- B. Except as provided in subsection (D), a licensee shall ensure that an outdoor activity area:
  - 1. Is enclosed by a fence:
    - a. A minimum of 4 feet high,
    - b. Secured to the ground, and
    - c. With either vertical or horizontal open spaces on the fence or gate that do not exceed 4.0 inches;
  - 2. Is maintained free from hazards, such as exposed concrete footings and broken toys; and
  - 3. Has gates that are kept closed while an enrolled child is in the outdoor activity area.
- C. A licensee shall ensure that a playground used only for enrolled school-age children at a facility operating at a public school meets the fencing requirements of the public school. If the Department determines by inspection that a facility fence at a public school does not ensure the health, safety, or welfare

of enrolled children, the licensee shall meet the fencing requirements of subsection (C).

- D. A licensee shall ensure that the following is provided and maintained within the fall zones of swings and climbing equipment in an outdoor activity area:
  - 1. A shock-absorbing unitary surfacing material manufactured for such use in outdoor activity areas; or
  - 2. A minimum depth of 6 inches of a nonhazardous, resilient material such as fine loose sand or wood chips.
- E. A licensee shall ensure that hard surfacing material such as asphalt or concrete is not installed or used under swings or climbing equipment unless used as a base for a rubber surfacing.
- F. A licensee shall ensure that a swing or climbing equipment is not located in the fall zone of another swing or climbing equipment.
- G. A licensee shall provide a shaded area for each enrolled child occupying an outdoor activity area at any time of day.

**Historical Note**

New Section made by final rulemaking at 31 A.A.R. 2015 (June 27, 2025), effective August 3, 2025 (Supp. 25-2).

**R9-5-743. Swimming Pools**

- A. If a licensee uses a public or semi-public swimming pool for an enrolled child, the swimming pool shall meet the requirements of the swimming pool ordinance enacted by the local government. If no ordinance has been adopted, the swimming pool shall meet the requirements in A.A.C. R9-8-801 through R9-8-813.
- B. A licensee that uses a private pool for an enrolled child shall ensure that the swimming pool and its equipment meet the following requirements:
  - 1. If a licensee uses a private pool that is a minimum of 2 feet in depth for enrolled children, the swimming pool shall meet the requirements of the swimming pool ordinance enacted by the local government and, at a minimum, be equipped with the following:
    - a. A recirculation system consisting of piping, pumps, filters, and water conditioning and disinfecting equipment that conforms to the swimming pool manufacturer's specifications for installation and operation, and is adequate to clarify and disinfect the pool water continuously;
    - b. Two swimming pool inlets located on opposite sides of the swimming pool to produce uniform circulation of water and maintain uniform chlorine residual throughout the entire swimming pool without the existence of dead spots;
    - c. A drain located at the swimming pool's lowest point and covered by a grating that cannot be removed by bathers;
    - d. A swimming pool water vacuum system in operating condition;
    - e. A removable strainer to prevent hair, lint, or other objects from reaching the pump and filter;
    - f. An automatic mechanical water disinfectant system in use and in operating condition. The disinfecting agents shall maintain the swimming pool water as follows:
      - i. A free chlorine level between 1.0 and 3.0 parts per million as tested by the diethyl-p-phenylene diamine method or 0.4 to 1.0 parts per million when tested by the orthotolidine method;

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- ii. A pH level between 7.0 and 8.0 as tested by the diethyl-p-phenylene diamine method or the orthotolidine method; or
  - iii. A bromine level between 2.0 and 4.0 parts per million as tested by the diethyl-p-phenylene diamine method;
- g. A shepherd's crook; and
- h. A ring buoy attached to a 1/2 inch diameter rope at least 25 feet in length;
- 2. If a licensee uses a private pool that is less than 2 feet in depth for enrolled children, the swimming pool shall meet the requirements of subsection (B)(1) except that:
  - a. The swimming pool shall have a minimum of one swimming pool inlet;
  - b. The swimming pool is not required to have a bottom drain;
  - c. A pool water vacuum cleaning system is not required; and
  - d. A ring buoy with an attached rope is not required;
- 3. A portable pool that does not meet the requirements of subsection (B)(1) or (2) is prohibited;
- 4. On each day an enrolled child uses the swimming pool, a licensee shall test the water in the swimming pool at least once every day to verify that the swimming pool water meets the swimming pool water chemical ranges in subsection (B)(1)(f);
- 5. A licensee shall create a written swimming pool log at the swimming pool site while enrolled children are using the swimming pool that includes results of tests required in subsection (B)(4) and maintain the written swimming pool log on facility premises for three months after the last date the swimming pool water was tested and documented.
- 6. If the swimming pool water does not meet the swimming pool water chemical ranges in subsection (B)(1)(f), the licensee shall:
  - a. Add liquid or dissolved dry chemicals to the swimming pool water;
  - b. Document any actions taken by the licensee to restore the swimming pool water chemical ranges in the written swimming pool log required in subsection (B)(5)(a), and
  - c. Not allow enrolled children to use the swimming pool until tests of the swimming pool water verify that the swimming pool water meets the swimming pool water chemical ranges in subsection (B)(1)(f).
- C. A licensee shall ensure that a public, semi-public, or private pool used by an enrolled child is enclosed by a wall, fence, or barrier that complies with:
  - 1. The requirements of a swimming pool barrier ordinance adopted by the local government where the swimming pool is located; or
  - 2. If the local government where the swimming pool is located has not adopted a swimming pool barrier ordinance, the requirements in A.R.S. § 36-1681.
- D. A licensee that uses any semi-public or private swimming pool for enrolled children shall ensure that the swimming pool has been inspected by the Department or a city or county health department before it is used by enrolled children.
  - 1. If a licensee operates or uses a swimming pool that is inspected by a city or county health department, the licensee shall provide the Department with a current written report of the swimming pool inspection.
- 2. A licensee shall maintain the current swimming pool inspection reports of a swimming pool used by enrolled children on the facility premises.
- E. A licensee shall ensure that written permission is:
  - 1. Obtained from an enrolled child's parent before allowing the enrolled child to participate in a swimming activity, and
  - 2. Maintained on facility premises for 12 months after the date the enrolled child participated in the swimming activity.

**R9-5-744. Fire and Safety**

- A. A licensee shall install and maintain a portable, pressurized fire extinguisher that meets, at a minimum, a 2A-10-BC rating of the Underwriters Laboratories in a facility's kitchen and any other location required by Standard 10-1 of the International Fire Code, incorporated by reference in A.A.C. R9-10-104.01.
- B. A licensee shall ensure that:
  - 1. All designated exits, corridors, and passageways that provide an escape from the building are unobstructed and unlocked during hours of operation;
  - 2. Combustible material, such as paper, boxes, or rags, is not permitted to accumulate inside or outside the facility premises;
  - 3. An unvented or open-flame space heater or portable heater is not used on the facility premises;
  - 4. A gas valve on an unused gas outlet is removed and capped where it emerges from the wall or floor;
  - 5. Electrical extension cords are not used;
  - 6. Slow cookers and hot plates are used only in a kitchen and are inaccessible to an enrolled child;
  - 7. Heating and cooling equipment is inaccessible to an enrolled child;
  - 8. Fans are mounted and inaccessible to an enrolled child;
  - 9. Toilet rooms are ventilated to the outside of the building, either by a screened window open to the outside air or by an exhaust fan and duct system that is operated when the toilet room is in use;
  - 10. A toilet room with a door that opens to the exterior of a building is equipped with a self-closing device that keeps the door closed except when an individual is entering or exiting;
  - 11. A toilet room door does not open into a kitchen;
  - 12. A smoke detector is installed in each indoor activity area and kitchen;
  - 13. Each smoke detector required in subsection (B)(13) is:
    - a. Maintained in an operable condition;
    - b. Either battery operated or, if hard wired into the electrical system of the child care facility, has a back-up battery; and
    - c. Tested monthly;
  - 14. If the local fire jurisdiction requires a sprinkler system, the sprinkler system is:
    - a. Installed,
    - b. Operable,
    - c. Tested quarterly, and
    - d. Serviced at least once every 12 months;
  - 15. The fire extinguisher required in subsection (A):
    - a. Is serviced at least once every 12 months; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 5. DEPARTMENT OF HEALTH SERVICES - CHILD CARE FACILITIES

- b. Has a tag attached to the fire extinguisher that specifies the date of the last servicing, and
- 16. The testing required in subsections (B)(14) and (15) and servicing required in subsection (B)(16) is documented and the documentation is:
  - a. Maintained by the licensee, and
  - b. Available for at least 12 months after the date of the testing or servicing.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

## ARTICLE 1. GENERAL

**R9-6-101. Definitions**

In this Chapter, unless otherwise specified:

1. "Active tuberculosis" means the same as in A.R.S. § 36-711.
2. "Administrator" means the individual who is the senior leader at a child care establishment, health care institution, correctional facility, school, pharmacy, or shelter.
3. "Agency" means any board, commission, department, office, or other administrative unit of the federal government, the state, or a political subdivision of the state.
4. "Agent" means an organism that may cause a disease, either directly or indirectly.
5. "AIDS" means Acquired Immunodeficiency Syndrome.
6. "Airborne precautions" means, in addition to use of standard precautions:
  - a. Either:
    - i. Placing an individual in a private room with negative air-pressure ventilation, at least six air exchanges per hour, and air either:
      - (1) Exhausted directly to the outside of the building containing the room, or
      - (2) Recirculated through a HEPA filtration system before being returned to the interior of the building containing the room; or
    - ii. If the building in which an individual is located does not have an unoccupied room meeting the specifications in subsection (6)(a)(i):
      - (1) Placing the individual in a private room, with the door to the room kept closed when not being used for entering or leaving the room, until the individual is transferred to a health care institution that has a room meeting the specifications in subsection (6)(a)(i) or to the individual's residence, as medically appropriate; and
      - (2) Ensuring that the individual is wearing a mask covering the individual's nose and mouth; and
  - b. Ensuring the use by other individuals, when entering the room in which the individual is located, of a device that is:
    - i. Designed to protect the wearer against inhalation of an atmosphere that may be harmful to the health of the wearer, and
    - ii. At least as protective as a National Institute for Occupational Safety and Health-approved N-95 respirator.
7. "Approved test for tuberculosis" means a Mantoux skin test or other test for tuberculosis recommended by the Centers for Disease Control and Prevention or the Tuberculosis Control Officer appointed under A.R.S. § 36-714.
8. "Arizona State Laboratory" means the part of the Department authorized by A.R.S. Title 36, Chapter 2, Article 2, and A.R.S. § 36-132(A)(11) that performs serological, microbiological, entomological, and chemical analyses.
9. "Average window period" means the typical time between exposure to an agent and the ability to detect infection with the agent in human blood.
10. "Barrier" means a mask, gown, glove, face shield, face mask, or other membrane or filter to prevent the transmission of infectious agents and protect an individual from exposure to body fluids.
11. "Body fluid" means semen, vaginal secretion, tissue, cerebrospinal fluid, synovial fluid, pleural fluid, peritoneal fluid, pericardial fluid, amniotic fluid, urine, blood, lymph, or saliva.
12. "Carrier" means an infected individual without symptoms who can spread the infection to a susceptible individual.
13. "Case" means an individual:
  - a. With a communicable disease whose condition is documented:
    - i. By laboratory results that support the presence of the agent that causes the disease;
    - ii. By a health care provider's diagnosis based on clinical observation; or
    - iii. By epidemiologic associations with the communicable disease, the agent that causes the disease, or toxic products of the agent;
  - b. Who has experienced diarrhea, nausea, or vomiting as part of an outbreak; or
  - c. Who has experienced respiratory disease symptoms as part of an outbreak; or
  - d. Who has experienced a vaccinia-related adverse event.
14. "Case definition" means the disease-specific criteria that must be met for an individual to be classified as a case.
15. "Chief medical officer" means the senior health care provider in a correctional facility or that individual's designee who is also a health care provider.
16. "Child" means an individual younger than 18 years of age.
17. "Child care establishment" means:
  - a. A "child care facility," as defined in A.R.S. § 36-881;
  - b. A "child care group home," as defined in A.R.S. § 36-897;
  - c. A child care home registered with the Arizona Department of Education under A.R.S. § 46-321; or
  - d. A child care home certified by the Arizona Department of Economic Security under A.R.S. Title 46, Chapter 7, Article 1.
18. "Clinical signs and symptoms" means evidence of disease or injury that can be observed by a health care provider or can be inferred by the health care provider from a patient's description of subjective complaints.
19. "Cohort room" means a room housing only individuals infected with the same agent and no other agent.
20. "Communicable disease" means an illness caused by an agent or its toxic products that arises through the transmission of that agent or its products to a susceptible host, either directly or indirectly.
21. "Communicable period" means the time during which an agent may be transmitted directly or indirectly:
  - a. From an infected individual to another individual;
  - b. From an infected animal, arthropod, or vehicle to an individual; or
  - c. From an infected individual to an animal.
22. "Confirmatory test" means a laboratory analysis approved by the U.S. Food and Drug Administration to be used after a screening test to diagnose or monitor the progression of HIV infection.
23. "Contact" means an individual who has been exposed to an infectious agent in a manner that may have allowed transmission of the infectious agent to the individual during the communicable period.

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

24. "Correctional facility" means any place used for the confinement or control of an individual:
  - a. Charged with or convicted of an offense,
  - b. Held for extradition, or
  - c. Pursuant to a court order for law enforcement purposes.
25. "Court-ordered subject" means a subject who is required by a court of competent jurisdiction to provide one or more specimens of blood or other body fluids for testing.
26. "Dentist" means an individual licensed under A.R.S. Title 32, Chapter 11, Article 2.
27. "Department" means the Arizona Department of Health Services.

42. "Health education" means supplying to an individual or a group of individuals:
  - a. Information about a communicable disease or options for treatment of a communicable disease, and
  - b. Guidance about methods to reduce the risk that the individual or group of individuals will become infected or infect other individuals.
43. "HIV" means Human Immunodeficiency Virus.
44. "HIV-related test" has the same meaning as in A.R.S. § 36-661.
45. "Infected" or "infection" means when an individual has an agent for a disease in a part of the individual's body where the agent may cause a disease.
46. "Infectious active tuberculosis" means pulmonary or laryngeal active tuberculosis in an individual, which can be transmitted from the infected individual to another individual.
47. "Infectious agent" means an agent that can be transmitted to an individual.
48. "Infant" means a child younger than 12 months of age.
49. "Isolate" means:
  - a. To separate an infected individual or animal from others to limit the transmission of infectious agents, or
  - b. A pure strain of an agent obtained from a specimen.
50. "Isolation" means separation, during the communicable period, of an infected individual or animal from others to limit the transmission of infectious agents.
51. "Laboratory report" means a document that:
  - a. Is produced by a laboratory that conducts a test or tests on a subject's specimen; and
  - b. Shows the outcome of each test, including personal identifying information about the subject.
52. "Local health agency" means a county health department, a public health services district, a tribal health unit, or a U.S. Public Health Service Indian Health Service Unit.
53. "Local health officer" means an individual who has daily control and supervision of a local health agency or the individual's designee.
54. "Medical evaluation" means an assessment of an individual's health by a physician, physician assistant, or registered nurse practitioner.
55. "Medical examiner" means an individual:
  - a. Appointed as a county medical examiner by a county board of supervisors under A.R.S. § 11-592, or
  - b. Employed by a county board of supervisors under A.R.S. § 11-592 to perform the duties of a county medical examiner.
56. "Multi-drug resistant tuberculosis" means active tuberculosis that is caused by bacteria that are not susceptible to the antibiotics isoniazid and rifampin.
57. "Officer in charge" means the individual in the senior leadership position in a correctional facility or that individual's designee.
58. "Outbreak" means an unexpected increase in incidence of a disease, infestation, or sign or symptom of illness.
59. "Parent" means a biological or adoptive mother or father.

**R9-6-103. Disclosure of Communicable Disease-Related Information to a Good Samaritan**

- A.** In this Section, unless otherwise specified, the following definitions apply:
1. "Affidavit" means a voluntary declaration or statement of facts that is made in writing and under oath or affirmation.
  2. "Assisted person" means the individual with whom a Good Samaritan alleges interaction constituting a significant exposure risk.
  3. "Available" means in the possession of or accessible by the Designated Officer who is reviewing a disclosure request.
  4. "Communicable disease-related information" has the same meaning as in A.R.S. § 36-661.
  5. "Designated Officer" means an individual appointed by the Director or a local health officer to:
    - a. Review a disclosure request from a Good Samaritan;
    - b. Determine whether disclosure of communicable disease-related information is required under A.R.S. § 36-664(E) and this Section; and
    - c. Respond to the Good Samaritan.
  6. "Director" has the same meaning as in A.R.S. § 36-101.
  7. "Disclosure request" means the information submitted by a Good Samaritan according to A.R.S. § 36-664(E) and subsection (C) or (D).
  8. "Emergency care or assistance" means actions performed by an individual on or for another individual, which are necessary to prevent death or impairment of the health of the other individual.
  9. "Emergency department" has the same meaning as in A.A.C. R9-11-101.
  10. "Good Samaritan" has the same meaning as in A.R.S. § 36-661.
  11. "In writing" means:
    - a. An original document,
    - b. A photocopy,
    - c. A facsimile, or
    - d. An email.
  12. "Medical consultation" means discussion between a Good Samaritan and:
    - a. A physician or a registered nurse practitioner working in an emergency department or urgent care unit;
    - b. An occupational health provider as defined in A.A.C. R9-6-801; or
    - c. Any other health care provider knowledgeable in determining circumstances when post-exposure prophylaxis is necessary.
  13. "Mucous membrane" means a thin, pliable layer of tissue that lines passageways and cavities in the human body that lead to the outside, such as the mouth, gastrointestinal tract, nose, vagina, and urethra.
  14. "Notarized" means signed and dated by a notary.
  15. "Notary" means any individual authorized to perform the acts specified under A.R.S. § 41-251.
  16. "Post-exposure prophylaxis" means treatment provided to an individual who may have been exposed to a communicable disease, which is intended to prevent infection of the individual.
  17. "Significant exposure risk" has the same meaning as in A.R.S. § 36-661.
  18. "Under oath or affirmation" means a sworn or affirmed statement made by a Good Samaritan to a notary under the penalty of perjury.
  19. "Urgent care unit" has the same meaning as in A.A.C. R9-11-201.
- B.** A significant exposure risk may occur when a Good Samaritan's interaction with an individual results in:
1. A transfer of blood or body fluids from the individual onto the mucous membranes or into breaks in the skin of the Good Samaritan; or
  2. A sharing of airspace between the Good Samaritan and the individual.
- C.** If a Good Samaritan makes a disclosure request to the Department or a local health agency 72 hours or less after an alleged significant exposure risk, the disclosure request shall include:
1. The Good Samaritan's name;
  2. The Good Samaritan's mailing address or email address;
  3. The telephone number at which the Good Samaritan may be reached during a working day;
  4. A description of the accident, fire, or other life-threatening emergency, in which the Good Samaritan rendered emergency care or assistance;
  5. A description of the:
    - a. Emergency care or assistance rendered by the Good Samaritan at the accident, fire, or other life-threatening emergency; and
    - b. Circumstances that the Good Samaritan believes constitute a significant exposure risk;
  6. If known, the name of the assisted person;
  7. If known, the date of birth of the assisted person; and
  8. Any additional information that may identify the assisted person.
- D.** If a Good Samaritan makes a disclosure request to the Department or a local health agency more than 72 hours after an alleged significant exposure risk, the disclosure request shall include:
1. A statement in writing that the Good Samaritan is requesting communicable disease-related information for an assisted person as allowed under A.R.S. § 36-664(E);
  2. Documentation concerning the accident, fire, or other life-threatening emergency in which the Good Samaritan rendered emergency care or assistance; and
  3. A notarized affidavit that contains:
    - a. The information specified in subsections (C)(1) through (8);
    - b. A statement that the Good Samaritan understands that the Good Samaritan may seek medical consultation to determine whether post-exposure prophylaxis for a communicable disease is needed;
    - c. A statement that the Good Samaritan certifies that the declarations contained within the affidavit are truthful to the best of the Good Samaritan's knowledge; and
    - d. The Good Samaritan's signature.

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

E. Within two working days after the Department or a local health agency receives a disclosure request from a Good Samaritan, the Designated Officer shall:

1. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) indicates a significant exposure risk to the Good Samaritan and communicable disease-related information is available for the assisted person:
  - a. Attempt to contact the Good Samaritan by telephone and provide the Good Samaritan with the communicable disease-related information:
    - i. For the assisted person;
    - ii. Pertaining to the specific communicable disease or diseases that may be transmitted through the interaction between the Good Samaritan and the assisted person; and
    - iii. Without revealing the assisted person's name;
  - b. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that disclosure of communicable disease-related information for one communicable disease does not rule out the possibility that the Good Samaritan was exposed to other communicable diseases about which information is not available to the Designated Officer;
  - c. Attempt to contact the Good Samaritan by telephone and provide to the Good Samaritan information concerning the agent causing the communicable disease for which the Designated Officer is disclosing communicable disease-related information, including:
    - i. A description of the disease or syndrome caused by the agent, including its symptoms;
    - ii. A description of how the agent is transmitted to others;
    - iii. The average window period for the agent;
    - iv. An explanation that exposure to an individual with a communicable disease does not mean that infection has occurred or will occur;
    - v. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
    - vi. That it is necessary to notify others that they may be or may have been exposed to the agent through interaction with the Good Samaritan; and
    - vii. The availability of assistance from the Department, local health agencies, or other resources; and
  - d. Send to the Good Samaritan in writing:
    - i. The information specified in subsection (E)(1)(a);
    - ii. The notification specified in subsection (E)(1)(b);
    - iii. The information specified in subsection (E)(1)(c); and
    - iv. A statement that the confidentiality of the disclosed communicable disease-related information is protected by A.R.S. §§ 36-664(G) and 36-666(A)(2);
2. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) indicates a significant exposure risk to the Good Samaritan, but the

Designated Officer is unable to provide communicable disease-related information for the assisted person:

- a. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that either:
    - i. Communicable disease-related information, pertaining to the specific communicable disease or diseases that may be transmitted through the interaction between the Good Samaritan and the assisted person, is not available to the Designated Officer; or
    - ii. The Designated Officer is unable to identify the assisted person from the information provided in the Good Samaritan's disclosure request, as specified in subsection (C) or (D);
  - b. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that:
    - i. The Good Samaritan's interaction with the assisted person may pose a significant exposure risk to the Good Samaritan; and
    - ii. The Good Samaritan may seek medical consultation on the need for post-exposure prophylaxis; and
  - c. Send to the Good Samaritan in writing the notifications specified in subsections (E)(2)(a) and (b); and
3. If the Designated Officer determines that the information provided as specified in subsection (C) or (D) does not indicate a significant exposure risk to the Good Samaritan:
- a. Attempt to contact the Good Samaritan by telephone and notify the Good Samaritan that the Designated Officer will not disclose any available communicable disease-related information for the assisted person; and
  - b. Send to the Good Samaritan in writing:
    - i. The notification specified in subsection (E)(3)(a);
    - ii. A statement that the Designated Officer's decision not to disclose communicable disease-related information to the Good Samaritan is based on A.R.S. § 36-664(E) and this Section;
    - iii. The Designated Officer's reasons for not disclosing communicable disease-related information to the Good Samaritan; and
    - iv. A statement that the Good Samaritan has the right to obtain a hearing as specified in A.R.S. § 41-1092.03(B).

    - f. Telephone number and, if available, email address;
    - g. Date of birth;
    - h. Race and ethnicity;
    - i. Sex assigned at birth;
    - j. A unique patient identifier, such as a medical record number;
  2. The following information about the disease:
    - a. The name of the disease,
    - b. The date of onset of symptoms, and
    - c. The date of diagnosis;
  3. If reporting a case or suspect case of tuberculosis:
    - a. The site of infection;
    - b. A description of the treatment prescribed, if any, including:
      - i. The name of each drug prescribed,
      - ii. The dosage prescribed for each drug, and
      - iii. The date of prescription for each drug; and
    - c. Whether the diagnosis was confirmed by a laboratory and, if so, the name, address, and phone number of the laboratory;
  4. If reporting a case or suspect case of chancroid, or gonorrhea:
    - a. A description of the treatment prescribed, if any, including:
      - i. The name of each drug prescribed,
      - ii. The dosage prescribed for each drug, and
      - iii. The date of prescription for each drug;
    - b. The site of infection;
- 5.** If reporting a case or suspect case of syphilis:
  - a. For a case or suspect case whose sex assigned at birth is female, whether the case or suspect case is pregnant;
  - b. The information required under subsection (C)(4); and
  - c. Identification of the stage of the disease;
- 6.** If reporting a case of congenital syphilis in an infant, and in addition to the information required under subsections (C)(5)(b) and (c) and A.R.S. § 36-694(A), the following information:
  - a. The name and date of birth of the individual who gave birth to the infant, and
  - b. The residential address and telephone number of the individual who gave birth to the infant;
- 7.** If reporting a case or suspect case with one of the following, the pregnancy status of a case or suspected case whose sex assigned at birth is female:
  - a. Hepatitis C,
  - b. Listeriosis,
  - c. Rubella, or
  - d. Emerging or exotic disease;
- 8.** The name, address, telephone number, and, if available, email address of the individual making the report; and
- 9.** The name, address, telephone number, and, if available, email address of the:
  - a. Health care provider, if reporting under subsection (A) and different from the individual specified in subsection (C)(8); or
  - b. Health care institution or correctional facility, if reporting under subsection (B).
- D.** For each outbreak for which a report is required by subsection (B) and Table 2.1, an administrator of a health care institution or correctional facility shall submit a report that includes:
  1. A description of the signs and symptoms;
  2. If possible, a diagnosis and identification of suspected sources;
  3. The number of known cases and suspect cases;
  4. A description of the location and setting of the outbreak;
  5. The name, address, telephone number, and, if available, email address of the individual making the report; and
  6. The name, address, telephone number, and, if available, email address of the health care institution or correctional facility.
- E.** When an HIV-related test is ordered for an infant, the health care provider who orders the HIV-related test or the administrator of the health care institution in which the HIV-related test is ordered shall:
  1. Report the results of the infant's HIV-related test to the Department, either personally or through a representative, within five working days after receiving the results of the HIV-related test;

## Key:

-  Submit a report immediately after receiving one specimen for detection of the agent. Report the receipt of subsequent specimens within five working days after receipt.
-  Submit a report within 24 hours after obtaining a positive test result.
- ! Submit a report within one working day after obtaining a positive test result.
-  Submit a report within five working days after obtaining a positive test result or a test result specified in Table 2.3.
- \* Submit an isolate of the organism for each positive culture, if available, or a specimen for each positive test result to the Arizona State Laboratory within one working day.
- + Submit an isolate of the organism for each positive culture to the Arizona State Laboratory within one working day.

## Footnotes:

When appearing after one of the symbols above, the following modify the requirement:

- <sup>1</sup> When reporting a positive result for any of the specified tests, report the results of all other tests performed for the subject as part of the disease panel or as a reflex test.
- <sup>2</sup> Submit a report only when an initial positive result is obtained for an individual.
- <sup>3</sup> Submit an isolate or specimen of the organism, as applicable, only when an initial positive result is obtained for an individual, when a change in resistance pattern or mechanism is detected, or when a positive result is obtained  $\geq 12$  months after the initial positive result is obtained for an individual.
- <sup>4</sup> Submit an isolate of the organism, if available, or a specimen when a positive result is obtained for an individual  $< 5$  years of age.

**R9-6-205. Reporting Requirements for a Pharmacist or an Administrator of a Pharmacy**

- A. A pharmacist who fills an individual's initial prescription for two or more of the drugs listed in subsection (B) or an administrator of a pharmacy in which an individual's initial prescription for two or more of the drugs listed in subsection (B) is filled shall, either personally or through a representative, submit a report, in a Department-provided format, that complies with subsection (C) to the Department within five working days after the prescription is filled.
- B. Any combination of two or more of the following drugs when initially prescribed for an individual triggers the reporting requirement of subsection (A):
  1. Isoniazid,
  2. Any rifamycin,
  3. Pyrazinamide, or
  4. Ethambutol.
- C. A pharmacist or an administrator of a pharmacy shall submit a report required under subsection (A) that includes:
  1. The following information about the individual for whom the drugs are prescribed:
    - a. Name,
    - b. Address,
    - c. Telephone number, and

- d. Date of birth; and
2. The following information about the prescription:
  - a. The name of the drugs prescribed,
  - b. The date of prescription, and
  - c. The name and telephone number of the prescribing health care provider.

## Historical Note

New Section made by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3). Amended by final rulemaking at 23 A.A.R. 2605, effective January 1, 2018 (Supp. 17-3). Amended by final rulemaking at 31 A.A.R. 1317 (April 25, 2025), effective June 2, 2025 (Supp. 25-2).

**R9-6-206. Local Health Agency Responsibilities Regarding Communicable Disease Reports**

- A. The Department shall notify each local health agency of the format to be used by:
  1. A health care provider required to report when making a report required under R9-6-202(A) and Table 2.1;
  2. An administrator of a health care institution or correctional facility when making a report required under R9-6-202(B) and Table 2.1; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

3. An administrator of a school, child care establishment, or shelter when making a report required under R9-6-203(A) and Table 2.2.
- B. A local health agency shall inform health care providers required to report and administrators of health care institutions, correctional facilities, schools, child care establishments, and shelters of the format to use when making a report, as specified in subsection (A).
- C. Except as specified in Table 2.4 and Article 3, a local health agency shall provide to the Department the information contained in each report of a case, suspect case, or occurrence received by the local health agency under R9-6-202 or R9-6-203, including any report of disease in a nonresident of the jurisdiction who is or has been diagnosed or treated in the jurisdiction, within five working days after receipt and shall specify:
  1. Which of the following best describes the individual identified in each report:
    - a. The individual meets the case definition for a case of the specific disease,
    - b. The individual is a suspect case,
    - c. The individual does not meet the case definition for a case or suspect case of the specific disease, or
    - d. The local health agency has not yet determined the status of the disease in the individual; and
  2. The status of the epidemiologic investigation for each report.
- D. Except as specified in Table 2.4 and Article 3, a local health agency shall submit to the Department a report, in a Department-provided format, of an epidemiologic investigation conducted by the local health agency:
  1. In response to a report of a case, suspect case, or occurrence:
    - a. Submitted under R9-6-202 or R9-6-203, or
    - b. About which the local health agency was notified by the Department;
  2. Within 30 calendar days after receiving the report submitted under R9-6-202 or R9-6-203 or notification by the Department;
  3. If an epidemiologic investigation is required for the reported disease under Article 3; and
  4. Including in the report of the epidemiologic investigation:
    - a. The information described in:
      - i. R9-6-202(C) for a report submitted under R9-6-202,
      - ii. R9-6-203(B) for a report submitted under R9-6-203, or
      - iii. R9-6-202(C) for a report about which the Department notified the local health agency;
    - b. A description of all laboratory or other test results, performed in addition to the laboratory tests described in R9-6-202(C) and contributing to the diagnosis;
    - c. A description of the case's symptoms of the disease and other signs that may be observed that indicate that the individual may have the disease, if applicable;
    - d. A classification of the case according to the case definition;
    - e. A description of the condition or status of the case at the end of the epidemiologic investigation;
    - f. A description of the case's specific risk factors for acquiring the disease or other epidemiologic evidence of how the case acquired the infection that resulted in the disease;
- E. For each instance when the local health agency receives a report or reports indicating an outbreak or possible outbreak, the local health agency shall:
  1. Within 24 hours after receiving the report or reports, provide to the Department, in a Department-provided format, the following information:
    - a. The location of the outbreak or possible outbreak;
    - b. If known, the number of cases and suspect cases;
    - c. The date that the outbreak was reported or the dates that cases suggestive of an outbreak were reported;
    - d. The setting of the outbreak or possible outbreak;
    - e. The name of the disease suspected or known to be the cause of the outbreak or possible outbreak; and
    - f. The name and telephone number of an individual at the local health agency who can serve as a point of contact regarding the outbreak or possible outbreak; and
  2. Within 30 calendar days after receiving the last report or reports associated with the outbreak, submit to the Department a report, in a Department-provided format, of the epidemiologic investigation conducted by the local health agency in response to the outbreak or possible outbreak, including:
    - a. A description of the outbreak location and setting;
    - b. The date that the local health agency was notified of the outbreak;
    - c. A description of how the local health agency verified the outbreak;
    - d. The number of individuals reported to be ill during the outbreak;
    - e. The number of individuals estimated to be at risk for illness as a result of the outbreak;
    - f. The specific case definition used;
    - g. A summary profile of the signs and symptoms;
    - h. An epidemiologic curve;
    - i. A copy of the laboratory evidence collected, including all laboratory test results, for all specimens submitted for testing to a laboratory other than the Arizona State Laboratory;
    - j. Hypotheses of how the outbreak occurred;
    - k. A description of the control measures used and the dates the control measures were implemented;
    - l. The conclusions drawn based upon the results of the epidemiologic investigation;
    - m. Recommendations for preventing future outbreaks; and
    - n. The name, address, and telephone number of the individual making the report to the Department.

**R9-6-207. Federal or Tribal Entity Reporting**

A. To the extent permitted by law, a federal or tribal entity shall comply with the reporting requirements in this Article as follows:

1. If the federal or tribal entity is participating in the diagnosis or treatment of an individual, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for a health care provider;
2. If the federal or tribal entity is operating a facility that provides health care services, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for an administrator of a health care institution;
3. If the federal or tribal entity is operating a correctional facility, the federal or tribal entity shall comply with the reporting requirements in R9-6-202 and Table 2.1 for an administrator of a correctional facility;
4. If the federal or tribal entity is operating a facility that provides child care services, the federal or tribal entity shall comply with the reporting requirements in R9-6-203 and Table 2.2 for an administrator of a child care establishment;
5. If the federal or tribal entity is operating a facility that offers instruction to students in a grade level from kindergarten through grade 12, a college or university, a "private vocational program" as defined in A.R.S. § 32-3001, or an institution that grants a "degree" as defined in A.R.S. § 32-3001, the federal or tribal entity shall comply with the reporting requirements in R9-6-203 and Table 2.2 for an administrator of a school;
6. If the federal or tribal entity is operating a clinical laboratory, the federal or tribal entity shall comply with the reporting requirements in R9-6-204 and Table 2.3 for a clinical laboratory director; and
7. If the federal or tribal entity is operating a facility that provides pharmacy services, the federal or tribal entity shall comply with the reporting requirements in R9-6-205 for an administrator of a pharmacy.

B. For the purposes of this Section, "federal or tribal entity" means a person operating within this state, whether on federal or tribal land or otherwise, under the authority of an agency or other administrative subdivision of the federal government or a tribal nation and who is:

1. Licensed as a doctor of allopathic, naturopathic, osteopathic, or homeopathic medicine under the laws of this or another state;
2. Licensed as a physician assistant under the laws of this or another state;

3. Licensed as a registered nurse practitioner under the laws of this or another state;
4. Licensed as a dentist under the laws of this or another state;
5. Operating a facility that provides health care services;
6. Operating a correctional facility;
7. Operating a facility that provides child care services;
8. Operating a facility that offers instruction to students in a grade level from kindergarten through grade 12, a college or university, a "private vocational program" as defined in A.R.S. § 32-3001, or an institution that grants a "degree" as defined in A.R.S. § 32-3001;
9. Operating a clinical laboratory; or
10. Operating a facility that provides pharmacy services.

**R9-6-301. Definitions**

In this Article, unless otherwise specified:

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

1. "Aquatic venue" means an artificially constructed structure or modified natural structure that:
  - a. Is used:
    - i. For water contact recreation, as defined in A.A.C. R9-8-801; or
    - ii. To treat a diagnosed injury, illness, or medical condition under the supervision of a health professional, as defined in A.R.S. § 32-3201;
  - b. Is open to all individuals or to all residents of a community, members of a club or camp, individuals being treated by a specific health professional, or patrons of other such establishments; and
  - c. Includes a:
    - i. Natural bathing place as defined in A.A.C. R18-5-201,
    - ii. Public spa as defined in A.A.C. R18-5-201,
    - iii. Public swimming pool as defined in A.A.C. R18-5-201,
    - iv. Semi-artificial bathing place as defined in A.A.C. R18-5-201,
    - v. Semi-public spa as defined in A.A.C. R18-5-201,
    - vi. Semi-public swimming pool as defined in A.A.C. R18-5-201, and
    - vii. Water-play area, an artificially constructed depression in which water issues from showers or other nozzles and drains away to leave little or no standing water.
2. "Blood bank" means a facility where human whole blood or a blood component is collected, prepared, tested, processed, or stored, or from which human whole blood or a blood component is distributed.
3. "Blood center" means a mobile or stationary facility that procures human whole blood or a blood component that is transported to a blood bank.
4. "Contact precautions" means, in addition to use of standard precautions:
  - a. Placing an individual in a private room or a cohort room with a distance of three or more feet separating the individual's bed from the bed of another individual; and
  - b. Ensuring the use of a gown and gloves by other individuals when entering the room in which the individual is located.
5. "Contaminated" means to have come in contact with a disease-causing agent or toxin.
6. "Disinfection" means killing or inactivating communicable-disease-causing agents on inanimate objects by directly applied chemical or physical means.
7. "Disinfestation" means any physical, biological, or chemical process to reduce or eliminate undesired arthropod or rodent populations.
8. "Droplet precautions" means, in addition to use of standard precautions:
  - a. Placing an individual in a private room or a cohort room with a distance of three or more feet and a curtain separating the individual's bed from the bed of another individual;
  - b. Ensuring that the individual wears a mask covering the individual's mouth and nose, if medically appropriate, when not in the room described in subsection (8)(a); and
  - c. Ensuring the use of a mask covering the mouth and nose by other individuals when entering the room in which the individual is located.
9. "Follow-up" means the practice of investigating and monitoring cases, carriers, contacts, or suspect cases to detect, treat, or prevent disease.
10. "Incapacitated adult" means an individual older than 18 years of age for whom a guardian has been appointed by a court of competent jurisdiction.
11. "Isolation precautions" means methods to limit the transmission of an infectious agent, based on the infectious agent and the location of infection in or on the infected individual or animal, that includes isolation of the infected individual or animal and may include any one or combination of the following:
  - a. Standard precautions,
  - b. Contact precautions,
  - c. Droplet precautions, or
  - d. Airborne precautions.
12. "Midwife" has the same meaning as in A.R.S. § 36-751.
13. "Multi-drug-resistant organism" means a bacterial agent on a Department-provided list that is known to not be killed or whose growth is not slowed by specific classes of antibiotics.
14. "Pediculocide" means a shampoo or cream rinse manufactured and labeled for controlling head lice.
15. "Person in charge" means the individual present at a food establishment who is responsible for the food establishment's operation at the time in question.
16. "Plasma center" means a facility where the process of plasmapheresis or another form of apheresis is conducted.
17. "State health officer" means the Director of the Department or the Director's designee.
18. "Vector" means a living animal, usually a mosquito, tick, flea, or other arthropod, that may transmit an infectious agent to an individual.

**Historical Note**

Adopted effective October 19, 1993 (Supp. 93-4).  
 Amended effective April 4, 1997 (Supp. 97-2). Former R9-6-301 repealed; new R9-6-301 renumbered from R9-6-103 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3). **R9-6-302. Local Health Agency Control Measures**

A local health agency shall:

1. Review each report received under Article 2 for completeness and accuracy;
2. Confirm each diagnosis;
3. Conduct epidemiologic and other investigations required by this Chapter or in cooperation with the Department;
4. Facilitate notification of known contacts;
5. Conduct surveillance;
6. Determine trends;
7. Implement control measures, quarantines, isolations, and exclusions as required by the Arizona Revised Statutes and this Chapter;
8. Disseminate surveillance information to health care providers;

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

9. Provide health education to a disease case or contact to reduce the risk of transmission of the respective disease; and
10. Report to the Department, as specified in R9-6-206 and this Article.

**Historical Note**

Renumbered from R9-6-702 and amended effective October 19, 1993 (Supp. 93-4). Former R9-6-302 renumbered to R9-6-304; new R9-6-302 renumbered from R9-6-204 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3).

**R9-6-303. Isolation, Quarantine, Exclusion, and Other Control Measures**

- A. When a local health agency is required by this Article to isolate or quarantine an individual or group of individuals, the local health agency:
  1. Shall issue a written order:
    - a. For isolation or quarantine and other control measures;
    - b. To each individual or group of individuals and, for each individual who is a minor or incapacitated adult, the individual's parent or guardian, except as provided in subsection (A)(2);
    - c. That specifies:
      - i. The isolation or quarantine and other control measure requirements being imposed, including, if applicable, requirements for physical examinations and medical testing to ascertain and monitor each individual's health status;
      - ii. The identity of each individual or group of individuals subject to the order;
      - iii. The premises at which each individual or group of individuals is to be isolated or quarantined;
      - iv. The date and time at which isolation or quarantine and other control measure requirements begin; and
      - v. The justification for isolation or quarantine and other control measure requirements, including, if known, the disease for which the individual or individuals are believed to be cases, suspect cases, or contacts; and
    - d. That may provide information about existing medical treatment, if available and necessary to render an individual less infectious, and the consequences of an individual's failure to obtain the medical treatment; and
  2. May post the written order in a conspicuous place at the premises at which a group of individuals is to be isolated or quarantined if:
    - a. The written order applies to the group of individuals, and
    - b. It would be impractical to provide a copy to each individual in the group.
- B. A local health agency may issue a written order for additional control measures:
  1. Except as provided in subsection (A)(2), to each affected individual, group of individuals, or person and, for each individual who is a minor or incapacitated adult, the individual's parent or guardian;
2. That specifies:
  - a. The control measure requirements being imposed, including, if applicable, requirements for:
    - i. Being excluded from working as a food handler, caring for patients or residents in a health care institution, or caring for children in or attending a school or child care establishment;
    - ii. Avoiding other locations where the individual or an individual in the group of individuals may pose a health risk to other individuals;
    - iii. Observing airborne precautions, droplet precautions, or contact precautions and the methods by which the individual shall comply with the requirement;
    - iv. Prophylaxis or immunization, as applicable, as an alternative to or to reduce the length of exclusion;
    - v. Physical examinations and medical testing to ascertain and monitor the individual's health status; or
    - vi. Not creating a situation where additional individuals may be exposed to the communicable disease;
  - b. The identity of each individual, group of individuals, or person subject to the order;
  - c. The date and time at which the control measure requirements begin; and
  - d. The justification for the control measure requirements, including:
    - i. If known, the disease for which the individual or individuals are believed to be cases, suspect cases, or contacts; and
    - ii. If applicable, the possible consequences of the individual, group of individuals, or person failing to follow the recommendations of the Department or the local health agency to control the spread of the communicable disease; and
3. That may provide information about the disease, existing medical treatment, if applicable, and the consequences of an individual's failure to comply with the order.

- C. Within 10 calendar days after the issuing of a written order described in subsection (A) or (B), if a local health agency determines that isolation, quarantine, or other control measure requirements need to continue for more than 10 calendar days after the date of the order, the local health agency shall file a petition for a court order that:
  1. Authorizes the continuation of isolation, quarantine, or other control measure requirements pertaining to an individual, a group of individuals, or a person;
  2. Includes the following:
    - a. The isolation, quarantine, or other control measure requirements being imposed, including, if applicable, requirements for physical examinations and medical testing to ascertain and monitor an individual's health status;
    - b. The identity of each individual, group of individuals, or person subject to isolation, quarantine, or other control measure requirements;
    - c. If applicable, the premises at which each individual or group of individuals is isolated or quarantined;
    - d. The date and time at which isolation, quarantine, or other control measure requirements began; and

### R9-6-363. Methicillin-resistant *Staphylococcus aureus* (MRSA)

#### A. Case control measures:

1. A diagnosing health care provider or an administrator of a health care institution transferring a known methicillin-resistant *Staphylococcus aureus* case with active infection to another health care provider or health care institution or to a correctional facility shall, either personally or through a representative, ensure that the receiving health care provider, health care institution, or correctional facility is informed that the patient is a known methicillin-resistant *Staphylococcus aureus* case.
2. If a known methicillin-resistant *Staphylococcus aureus* case with active infection is being transferred from a correctional facility to another correctional facility or to a health care institution, an administrator of the correctional facility, either personally or through a representative, shall ensure that the receiving correctional facility or health care institution is informed that the individual is a known methicillin-resistant *Staphylococcus aureus* case.

#### B. Outbreak control measures:

1. A local health agency, in consultation with the Department, shall:
  - a. Conduct an epidemiologic investigation of each reported outbreak of methicillin-resistant *Staphylococcus aureus* in a health care institution or correctional facility; and
  - b. For each outbreak of methicillin-resistant *Staphylococcus aureus* in a health care institution or correctional facility, submit to the Department the information required under R9-6-206(E).
2. When an outbreak of methicillin-resistant *Staphylococcus aureus* occurs in a health care institution or correctional facility, the administrator of the health care institution or correctional facility, either personally or through a representative, shall comply with the control measures recommended by a local health agency or the Department.

**R9-6-404. Initial Application Process**

- A.** An applicant for initial enrollment in ADAP or the applicant's representative shall submit to the Department the following application packet:
- 1.** An application in a Department-provided format, completed by the applicant or the applicant's representative, containing:
    - a.** The applicant's name, date of birth, and gender;
    - b.** Except as provided in subsection (A)(1)(c), the applicant's residential address and mailing address;
    - c.** If the applicant is in non-permanent housing, the address of a person that has agreed to receive written communications for the applicant;
    - d.** If applicable, the address in Arizona to which the applicant would want drugs to be shipped;
    - e.** If applicable, the name of the applicant's representative and the mailing address of the applicant's representative, if different from the applicant's mailing address;
    - f.** Either:
      - i.** The telephone number of the applicant or a person that has agreed to receive telephone communications for the applicant, or
      - ii.** An email address for the applicant;
    - g.** The number of individuals in the applicant's household that can be claimed on the applicant's income taxes and the names and ages of the individuals;
    - h.** The names of individuals, other than the persons specified in subsection (A)(1)(s)(v), with whom the applicant authorizes the Department to speak about the applicant's enrollment in ADAP;
    - i.** The applicant's annual household income;
    - j.** The applicant's race and ethnicity;
    - k.** Whether the applicant or an adult in the applicant's household:
      - i.** Is employed;
      - ii.** Is self-employed;
      - iii.** Is receiving regular monetary payments from a source not specified in subsection (A)(1)(k)(i) or (ii) and, if so, an identification of the source of the monetary payments; or
      - iv.** Is using a source not specified in subsections (A)(1)(k)(i) through (iii) or savings to assist the applicant in obtaining food, water, housing, or clothing for the applicant and if so, an identification of the source;
    - l.** Whether the applicant is receiving health insurance coverage from AHCCCS and:
      - i.** If so, the name of the AHCCCS health plan and the date enrolled; and
      - ii.** If the applicant's eligibility determination for AHCCCS is pending, the date the application for AHCCCS was submitted;
    - m.** Whether the applicant is eligible for Medicare health insurance coverage and, if not, the date on which the applicant will be eligible for Medicare health insurance coverage;
    - n.** If the applicant is eligible for Medicare health insurance coverage, whether:
      - i.** The applicant, or the applicant's representative has applied for a low-income subsidy for the applicant and, if so, the date of the application for the low-income subsidy; and
      - ii.** Either:
        - (1)** The applicant or the applicant's representative has applied for a Medicare drug plan for the applicant and, if so, the date of the application for the Medicare drug plan; or
        - (2)** The applicant is enrolled in a Medicare drug plan;
    - o.** Whether the applicant or the applicant's spouse has or is eligible to enroll in health insurance coverage other than AHCCCS or Medicare that would pay for drugs on the ADAP formulary;
    - p.** If the applicant or the applicant's spouse is eligible to enroll in health insurance coverage other than Medicare that would pay for drugs on the ADAP formulary but enrollment is closed, the date the next health insurance enrollment period begins;
    - q.** Whether the applicant is eligible to receive benefits from:
      - i.** The Indian Health Service or a clinic operated by a sovereign tribal nation, or
      - ii.** The Veterans Health Administration;
    - r.** Whether the applicant is living in non-permanent housing or is in another situation in which the applicant's financial records to verify annual household income, as specified in subsection (A)(6), are not available to the applicant;
    - s.** A statement by the applicant or the applicant's representative confirming that the applicant or the applicant's representative:
      - i.** Understands that, if the annual household income of the applicant is at an amount that may make the applicant eligible for enrollment in AHCCCS, the applicant or the applicant's representative is required to submit to the Department documentation stating the applicant's status for enrollment in AHCCCS before the end of the month after the month in which the applicant applied for ADAP, if not provided to the Department with the application;
      - ii.** Except as provided in R9-6-405(E), if the applicant is eligible for Medicare, understands that the applicant or the applicant's representative is required to submit to the Department proof of enrollment in a Medicare drug plan before the end of the month after the month in which the applicant applied for ADAP, if not provided to the Department with the application;
      - iii.** Except as provided in R9-6-405(E), if the applicant is eligible for Medicare and the annual household income of the applicant is

- less than 175% of the poverty level, understands that the applicant or the applicant's representative is required to submit to Department documentation of the applicant's status for a low-income subsidy before the end of the month after the month in which the applicant applied for ADAP, if not provided to the Department with the application;
- iv. Except as provided in R9-6-405(E), if the applicant or the applicant's spouse has or is eligible for health insurance coverage other than AHCCCS or Medicare, understands that the applicant or the applicant's representative is required to submit to the Department information about the health insurance coverage to enable the Department to determine if the health insurance coverage is inadequate, according to R9-6-403(4)(b), or unaffordable, according to R9-6-403(4)(c), before the end of the month after the month in which the applicant applied for ADAP, if not provided to the Department with the application;
  - v. Grants permission to the Department to discuss the information provided to the Department under subsection (A) with:
    - (1) AHCCCS, for the purpose of determining AHCCCS eligibility;
    - (2) Medicare and the Social Security Administration, for the purpose of determining eligibility for a low-income subsidy and enrollment in a Medicare drug plan;
    - (3) The applicant's HIV-care provider or designee;
    - (4) The contract pharmacy or a pharmacy at which the applicant or the applicant's representative may request a drug through ADAP, to assist with drug distribution;
    - (5) Other providers of services for persons living with HIV that are funded through Ryan White;
    - (6) Other providers of HIV-related services, as applicable to the applicant; and
    - (7) Any other entity as necessary to establish eligibility for enrollment in ADAP or assist with drug distribution to the applicant or payment of prescription co-payment costs;
  - vi. Understands that the applicant or the applicant's representative is required to submit to the Department proof of the applicant's annual household income as part of the application; and
  - vii. Understands that the applicant or the applicant's representative is required to notify the Department of changes specified in R9-6-406(A);
  - t. A statement by the applicant or the applicant's representative attesting that:
    - i. To the best of the knowledge and belief of the applicant or the applicant's representative, the information and documents provided to the Department in the application packet is accurate and complete;
    - ii. The applicant meets the eligibility criteria specified in R9-6-403; and
    - iii. The applicant or applicant's representative understands that eligibility does not guarantee that the Department will be able to provide drugs and understands that an individual's enrollment in ADAP may be terminated as specified in R9-6-408; and
  - u. The dated signature of the applicant or the applicant's representative;
2. The information specified in subsection (B), completed by the applicant's HIV-care provider in a Department-provided format;
  3. If the annual household income of the applicant is an amount that may make the applicant eligible for enrollment in AHCCCS, a copy of documentation from AHCCCS, dated within 60 calendar days before the date of application, stating the status of the applicant's eligibility for enrollment in AHCCCS;
  4. If the applicant is eligible for Medicare, a copy of valid documentation stating:
    - a. The applicant's enrollment in a Medicare drug plan; and
    - b. If the applicant's annual household income is at or below 175% of the poverty level, the status of the applicant's eligibility for a low-income subsidy;
  5. If the applicant or the applicant's spouse has or is eligible for health insurance coverage other than AHCCCS or Medicare:
    - a. Information about the health insurance coverage to enable the Department to determine whether the health insurance coverage is inadequate, according to R9-6-403(4)(b), or unaffordable, according to R9-6-403(4)(c); and
    - b. If the applicant has other health insurance coverage, documentation confirming the health insurance coverage;
  6. Except as provided in subsection (C), proof of the applicant's annual household income, including the following items as applicable to the applicant's household:
    - a. An income tax return submitted by the applicant for the previous tax year to the U.S. Internal Revenue Service or the Arizona Department of Revenue;
    - b. If an income tax return in subsection (A)(6)(a) is not available, for each job held by an adult in the household:
      - i. Paycheck stubs from within 60 calendar days before the date of application, or
      - ii. A statement from the employer listing gross wages for the 30 calendar days before the date of application;
    - c. If an income tax return in subsection (A)(6)(a) is not available, from each self-employed adult in the household, documentation of the net income from self-employment, such as:
      - i. The Internal Revenue Service Forms 1099 prepared for the previous tax year for the self-employed adult in the household;
      - ii. A profit and loss statement for the self-employed adult's business, covering a period ending no earlier than three months before the date of application; or
      - iii. Bank statements from the self-employed adult's checking and savings accounts, covering a

- period ending no earlier than three months before the date of application; and
- d. Documentation showing the amount and source of any regular monetary payments received by an adult in the household from sources other than those specified in subsection (A)(6)(a) through subsection (A)(6)(c);
7. If the applicant or the applicant's representative has stated according to subsection (A)(1)(k)(iv) that the applicant has no source of regular monetary payments and is unable to provide any of the documentation specified in subsection (A)(6), the following, in a Department-provided format, completed and signed within 30 calendar days before the date of application, containing:
    - a. Information completed by the applicant or the applicant's representative stating whether:
      - i. An adult in the applicant's household receives money from intermittent work performed by the adult in the household for which no paycheck stub is received and, if so, the average monthly earnings, and the adult's occupation;
      - ii. The applicant is living in non-permanent housing;
      - iii. The applicant is receiving assistance from another individual; and
      - iv. The applicant has another source of assistance for obtaining food, water, housing, and clothing, and, if so, an identification of the source;
    - b. A statement by the applicant or the applicant's representative attesting that, to the best of the knowledge and belief of the applicant or the applicant's representative, the information submitted under subsection (A)(7)(a) is accurate and complete; and
    - c. The dated signature of the applicant or the applicant's representative; and
  8. Proof that the applicant is a resident of Arizona that includes:
    - a. One of the following that shows the Arizona residential address specified according to subsection (A)(1)(b) and the name of the applicant or an adult in the applicant's household:
      - i. Documentation issued by a governmental entity related to the applicant's eligibility for benefits, dated within 60 calendar days before the date of application;
      - ii. Valid documentation from the Social Security Administration or the Department of Veterans Affairs related to the applicant's eligibility for benefits;
      - iii. A property tax statement for the most recent tax year issued by a governmental entity;
      - iv. A homeowners' association assessment or fee statement, dated within 60 calendar days before the date of application;
      - v. A valid lease agreement;
      - vi. A mortgage statement for the most recent tax year;
      - vii. A letter issued by an entity providing non-permanent housing to the applicant, dated within 30 calendar days before the date of application;
      - viii. Any document or mail dated within 60 calendar days before the date of application and received by the applicant, including a utility bill, check stub, or statement of direct deposit issued by an employer, a bank or credit union statement, a credit card statement, a mobile telephone company billing statement, a billing statement or receipt from an HIV-care provider's office, or a document from an insurance company;
    - ix. A non-expired Arizona driver license issued by the Arizona Department of Transportation's Motor Vehicle Division within the previous 12 months;
    - x. A non-expired Arizona vehicle registration issued by the Arizona Department of Transportation's Motor Vehicle Division within the previous 12 months;
    - xi. A non-expired Arizona identification card issued by the Arizona Department of Transportation's Motor Vehicle Division within the previous 12 months; or
    - xii. A tribal enrollment card or other type of tribal identification; or
  - b. If the applicant is unable to produce documentation that satisfies subsection (A)(8)(a), one of the following that includes the name of the applicant or an adult in the applicant's household and is dated within 30 calendar days before the date of application:
    - i. A written statement issued by the applicant's case manager verifying that the applicant is living in non-permanent housing and a resident of Arizona;
    - ii. A written statement issued by the applicant's case manager indicating that the case manager has conducted a home visit with the applicant at the Arizona residential address specified according to subsection (A)(1)(b); or
    - iii. A written statement issued by the applicant's HIV-care provider, verifying that the applicant is a resident of Arizona.
- B. The HIV-care provider of an applicant for initial enrollment in ADAP shall provide:
    1. The following information for the applicant in a Department-provided format:
      - a. The applicant's name;
      - b. The HIV-care provider's name, business address, telephone number, email address, fax number, and professional license number;
      - c. A statement that the applicant has been diagnosed with HIV infection;
      - d. A list of each drug prescribed for the applicant by the HIV-care provider;
      - e. A statement by the HIV-care provider attesting that, to the best of the HIV-care provider's knowledge and belief, the information provided to the Department as specified in subsection (B) is accurate and complete; and
      - f. The dated signature of the HIV-care provider;
    2. Documentation confirming HIV-infection of the applicant; and
    3. A copy of the most recent laboratory report of a test for viral load and, if available, CD4-T-lymphocyte count conducted for the applicant.
  - C. If an applicant or the applicant's representative stated in subsection (A)(1)(r) that the applicant is in a situation in which the applicant's financial records to verify annual household income, as required in subsection (A)(6), are not available to

**R9-6-405. Enrollment Process; Pre-approved Enrollment Status****A.** The Department shall:

1. Review the documents submitted by an applicant as required in R9-6-404(A);
2. Determine whether the applicant is eligible under R9-6-403;
3. Grant or deny enrollment based on applicant eligibility, the date of application, and the availability of funds; and
4. Notify the applicant or the applicant's representative of the Department's decision within five working days after receiving the documents specified in R9-6-404(A).

**B.** An applicant or the applicant's representative shall execute any consent forms or releases of information necessary for the Department to verify eligibility.**C.** The Department shall send an applicant or the applicant's representative a written notice of denial, setting forth the information required under A.R.S. § 41-1092.03, if:

1. The applicant does not qualify for enrollment in ADAP, based on the documentation provided to establish eligibility;
2. The documentation submitted to the Department under R9-6-404 is found to contain false information; or
3. The Department does not have funds available to enroll the applicant in ADAP.

**D.** The Department shall grant pre-approved enrollment status in ADAP to an applicant, lasting until the end of the month after the month in which an applicant applied for ADAP, if:

1. The Department determines that the applicant meets the requirement in R9-6-403(1);
2. The applicant, whose annual household income is an amount that may make the applicant eligible for enroll-

ment in AHCCCS, or the applicant's representative attests in writing that the applicant has applied for AHCCCS enrollment but is unable to provide documentation that states the status of the applicant's enrollment in AHCCCS;

3. Except as provided in subsection (E), the applicant, who is eligible for Medicare or other health insurance coverage, or the applicant's representative attests in writing that the applicant has applied for, but is unable to provide documentation of, enrollment in Medicare and a Medicare drug plan or in other health insurance coverage, as applicable; and
4. The applicant or the applicant's representative attests in writing that the applicant or the applicant's representative will provide, before the end of the period during which the applicant has pre-approved enrollment status, a missing component of:
  - a. Proof of the applicant's annual household income, according to R9-6-404(A)(6) or (7); or
  - b. Proof of residency, according to R9-6-404(A)(8).

**E.** The Department shall grant pre-approved enrollment status in ADAP, lasting until the end of the month after the month in which an applicant may apply for Medicare or other health insurance, if the applicant or the applicant's representative provides documentation that the applicant would be eligible for Medicare or other health insurance coverage during the next health insurance enrollment period, but that enrollment was closed on the date of application for ADAP.**F.** The Department shall provide an applicant to whom the Department has granted pre-approved enrollment status in ADAP with the drugs on the ADAP formulary during the period during which the applicant has pre-approved enrollment status.**G.** Except as specified in subsection (I), to continue ADAP enrollment beyond the period in subsection (D) or (E) during which the applicant has pre-approved enrollment status, an applicant or the applicant's representative shall provide to the Department, before the end of the period, documentation that establishes eligibility according to R9-6-403.**H.** Except as specified in subsection (I), if an applicant with pre-approved enrollment status or the applicant's representative fails to provide documentation as required in subsection (G) to the Department before the end of the period during which the applicant has pre-approved enrollment status, the Department shall send the applicant or the applicant's representative a written notice of denial, setting forth the information required under A.R.S. § 41-1092.03.**I.** The Department may grant an extension of pre-approved enrollment status to an applicant beyond the period in subsection (D) or (E) if the applicant or the applicant's representative provides a justification for needing more time to obtain the required documentation to verify eligibility because of missing:

1. Documentation of health insurance coverage;
2. Financial records to verify annual household income, specified in R9-6-404(A)(6);
3. Proof of residency, specified in R9-6-404(A)(8); or
4. Viral load test results on the laboratory report required in R9-6-404(B)(2).

**J.** Based on the information provided by an applicant about the applicant's health insurance coverage and except as provided in R9-6-409(F), the Department shall:

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

1. For an applicant with no health insurance coverage, provide a drug on the ADAP formulary through the contract pharmacy;
2. For an applicant with health insurance coverage that is inadequate, according to R9-6-403(4)(b), provide a drug on the ADAP formulary that is not covered by the applicant's health insurance, as documented according to R9-6-409(E), through the contract pharmacy; or
3. For an applicant with health insurance coverage that is unaffordable, according to R9-6-403(4)(c), provide a drug on the ADAP formulary with no copayment cost to the applicant when requesting the filling of a prescription for the drug or obtaining a refill of the drug through ADAP.

**R9-6-409. Drug Prescription and Distribution Requirements**

- A.** A HIV-care provider shall:
1. Issue a prescription order:
    - a. For each drug on the ADAP formulary prescribed for an applicant or enrolled individual by the HIV-care provider; and
    - b. For dispensing up to a 30-day supply of the drug; and
  2. Provide a written prescription order to the applicant or enrolled individual or an electronic prescription order to the contract pharmacy or a pharmacy at which the applicant or enrolled individual may request a drug through ADAP.
- B.** The Department shall:
1. Except as specified in subsection (D), provide up to a 30-day supply of a drug to an enrolled individual; and
  2. Ensure that a drug to be shipped to an enrolled individual is sent to the address in Arizona provided by the enrolled individual according to R9-6-404(A)(1)(d) or R9-6-407(B)(1)(d).
- C.** The Department may authorize replacement of a drug when:
1. The drug has been dispensed by the contract pharmacy or a pharmacy in which the enrolled individual or the enrolled individual's representative requested a refill of the drug through ADAP; and
  2. The enrolled individual or the enrolled individual's representative claims the dispensed drug was lost, stolen, or damaged.
- D.** The Department may authorize an enrolled individual to receive more than a 30-day supply of a drug if the enrolled individual:
1. Submits to the Department:
    - a. The enrolled individual's name and date of birth;
    - b. The number of days for which the enrolled individual is requesting a supply of the drug; and
    - c. A justification for receiving more than a 30-day supply of a drug, such as that:
      - i. The enrolled individual will be out of Arizona for more than 30 days without changing residency, or
      - ii. The enrolled individual's health insurance coverage will allow for more than a 30-day supply of a drug; and
  2. Is expected to continue to be enrolled in ADAP:
    - a. Past the number of days for which the enrolled individual is requesting a supply of the drug, and
    - b. Without needing to submit information or documentation for continuing enrollment, according to R9-6-407(E) or (F), during the time period.
- E.** For an enrolled individual who has health insurance coverage, the HIV-care provider of the enrolled individual, independently or through the contract pharmacy, may request approval of a drug on the ADAP formulary that is not covered by the enrolled individual's health insurance by submitting to the Department documentation that:
1. The drug is not covered by the enrolled individual's health insurance,
  2. A request for health insurance coverage of the drug as a medical exception has been denied by the enrolled individual's health insurance, and

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

3. An appeal of the denial of the request in subsection (E)(2) has been denied by the enrolled individual's health insurance.
- F. The HIV-care provider of an enrolled individual, independently or through the contract pharmacy, may request approval of a drug that is not covered by health insurance and not on the ADAP formulary for the enrolled individual by:
  1. Providing to the Department the following information, in a Department-provided format, for each requested drug:
    - a. The name, business address, email address, and telephone number of the HIV-care provider;
    - b. The date of the request;
    - c. The enrolled individual's name and date of birth;
    - d. The name and any other identifier of the drug;
    - e. The cost of the drug, if available;
    - f. The expected duration of the enrolled individual's use of the drug, including whether:
      - i. Use of the drug is expected to be a one-time occurrence, or
      - ii. The enrolled individual is expected to need multiple refills of the drug and the expected number of refills;
    - g. A justification for use of the drug that is not on the ADAP formulary by the enrolled individual;
    - h. Whether the Department should consider adding the drug to the ADAP formulary and the reasons for the recommendation; and
    - i. The dated signature of the HIV-care provider;
  2. Issuing a valid prescription order for the drug that is not on the ADAP formulary to the contract pharmacy; and
  3. Unless the enrolled individual has no health insurance coverage, submitting to the Department the documentation required in subsections (E)(1) through (3).
- G. When the Department receives a request under subsection (E) or (F) for an enrolled individual, the Department shall:
  1. Review the documents submitted according to subsection (E) or (F), as applicable;
  2. Determine whether the information submitted to the Department:
    - a. Is complete; and
    - b. Substantiates that the enrolled individual's use of the drug is indicated; and
  3. Notify, through the contract pharmacy, the following of the Department's decision within five working days after receiving the request:
    - a. The enrolled individual or the enrolled individual's representative, and
    - b. The enrolled individual's HIV-care provider.
- H. If the Department denies a request under subsection (E) or (F) for an enrolled individual, the Department shall send to the enrolled individual or the enrolled individual's representative a written notice of denial setting forth the information required under A.R.S. § 41-1092.03.
- I. The Department shall only authorize the distribution of drugs that are included on the ADAP formulary or approved for an enrolled individual according to subsection (F).

**R9-6-502. Management of Exposed Animals**

- A. An animal control agency shall manage an exposed dog, cat, or ferret as follows:
  1. If the exposed dog, cat, or ferret is currently vaccinated, the animal control agency shall:
    - a. Revaccinate the animal with an approved rabies vaccine within seven days after the date that the animal is exposed; and
    - b. Confine and observe the animal in the owner's home or, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined by the animal control agency, for 45 days after the animal is exposed; or
  2. If the exposed dog, cat, or ferret is not currently vaccinated, the animal control agency shall:
    - a. Euthanize the animal; or
    - b. At the owner's request, confine the animal for 120 days, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined by the animal control agency, and vaccinate the animal with an approved rabies vaccine 28 days before it is released from confinement.
- B. An animal control agency that is aware of an exposed animal, other than a cat, dog, ferret, or livestock, shall:

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

1. Make every effort to capture the exposed animal as soon as it is identified, and
  2. Euthanize the animal as soon as it is captured.
- C. An animal control agency shall release from confinement a dog, cat, or ferret exposed to a suspect case when the animal control agency receives a negative rabies report on the suspect case from the Department.

- <sup>1</sup> Only four doses of DTP/DTaP are required if the fourth dose of DTP/DTaP was received after the child's fourth birthday; otherwise an additional dose is required after the child's fourth birthday, up to a maximum of six doses.
- <sup>2</sup> Only three doses of tetanus-diphtheria-containing vaccine are required if the first dose of tetanus-diphtheria-containing vaccine was received on or after the child's first birthday; otherwise four are required.
- <sup>3</sup> One dose of Tdap is required if five years have passed since the date of the child's last dose of tetanus-diphtheria-containing vaccine and the child has not received Tdap. At least one dose of a tetanus-diphtheria-containing vaccine is required to have been administered within the previous 10 years.
- <sup>4</sup> Only three doses are required if the third dose was received at or after the child was 24 weeks of age; otherwise four are required.
- <sup>5</sup> Only two doses, at least four months apart, are required if the child received the adolescent series using the Merck Recombivax HB Adult Formulation vaccine when the child was 11-15 years of age.
- <sup>6</sup> Bivalent and monovalent oral poliomyelitis vaccines do not meet these immunization requirements. An oral poliomyelitis vaccine received before April 2016 is assumed to be trivalent oral poliomyelitis vaccine, unless otherwise specified, and to satisfy immunization requirements. Only three doses are required if the third dose was received after the child's fourth birthday and at least six months after the second dose; otherwise four doses are required, with the last received after the child's fourth birthday. **R9-6-703. Responsibilities of Individuals and Local Health Agencies for Administering Vaccines**

- A.** Upon request of a parent, a local health agency shall provide for the immunization of a child against any disease listed in R9-6-702.
- B.** An individual administering a vaccine shall ensure that the dosage and route by which the vaccine is administered is:
  1. As recommended by the Centers for Disease Control and Prevention, or
  2. According to the manufacturer's recommendations.
- C.** Before administering a vaccine to a child, the individual administering the vaccine shall:
  1. Provide the child's parent with the following information in writing:
    - a. A description of the disease,
    - b. A description of the vaccine,
    - c. A statement of the risks of the disease and the risks and benefits of immunization, and
    - d. Contraindications for administering the vaccine; and
  2. Obtain documentation from the child's parent confirming that the child's parent:
    - a. Was provided the information described in subsection (C)(1),
    - b. Was provided an opportunity to read the information described in subsection (C)(1),
    - c. Was provided an opportunity to ask questions, and
    - d. Requests that the designated vaccine be administered to the child.
- D.** Following the administration of a vaccine, the individual administering the vaccine shall provide to the child's parent or, if a child is immunized at school, to the child to give to the child's parent:
  1. Information in writing about:
    - a. The vaccine administered,

- R9-6-705. Responsibilities of Administrators of Schools, Child Care Administrators, and the Department**
- A.** An administrator of a school or a child care administrator shall ensure that:
1. For each child attending the school or child care, one of the following is maintained at the school or child care for each disease listed in R9-6-702:
    - a. Documentary proof of immunization, as specified in R9-6-704(A), according to Table 7.1;
    - b. Documentary proof of immunization, as specified in R9-6-704(A), demonstrating compliance with Table 7.2;
    - c. Documentary proof of immunity, as specified in R9-6-704(B) and according to R9-6-706(D); or
    - d. A statement of exemption from immunization, as specified in R9-6-706(A) through (C);
  2. Lists are maintained at the school or child care of children who:
    - a. Do not have documentary proof of:
      - i. Immunization for each disease listed in R9-6-702, according to Table 7.1; or
      - ii. Immunity for each disease listed in R9-6-702, according to R9-6-706(D);
    - b. Do not have documentary proof according to subsection (A)(1)(a) or (c) but are in compliance with Table 7.2; or
    - c. Have a statement of exemption from immunization, according to R9-6-706(A), (B), or (C), for any of the diseases listed in R9-6-702;
  3. Except as provided in subsection (D), for a child enrolled in school who does not have one of the documents in subsection (A)(1) for each disease listed in R9-6-702:
    - a. The child's parent is notified in writing at the time of school enrollment or, for an enrolled child, at the time of review of immunization documentation that the child:
      - i. Is not in compliance with Arizona immunization requirements; and
      - ii. Except as required by 42 U.S.C. 11301, will be excluded from school entry, according to A.R.S. § 15-872(B), unless the documentation required in subsection (A)(1) is provided for each disease listed in R9-6-702 before school entry; and
    - b. The child is excluded from school entry if the required documentation is not provided before school entry; and
  4. Except as provided in subsection (D), for a child enrolled in a child care who does not have one of the documents in subsection (A)(1) for each disease listed in R9-6-702:
    - a. The child's parent is notified in writing before or at the time of child care entry or, for an enrolled child, at the time of review of immunization documentation that the child:
      - i. Is not in compliance with Arizona immunization requirements; and
      - ii. May attend the child care for not more than 15 days from the date of child care entry without providing one of the documents in subsection (A)(1) for each disease listed in R9-6-702; and
    - b. The child is excluded from child care entry if the required documentation is not provided for the child within 15 days following child care entry.
- B.** If an administrator of a school or a child care administrator questions the accuracy of a document provided for a child as documentary proof of immunization or immunity and is unable to verify the accuracy of the document, the administrator of the school or the child care administrator shall notify the child's parent in writing that:
1. For a child attending a school:
    - a. The administrator of the school cannot verify compliance with Arizona immunization requirements on the basis of the documents provided; and
    - b. Except as required by 42 U.S.C. 11301, the child will be excluded from school entry, according to A.R.S. § 15-872(B), until the child's parent provides to the school documentation that meets the requirements in R9-6-704 or R9-6-706;
  2. For a child attending a child care:
    - a. The child care administrator cannot verify compliance with Arizona immunization requirements on the basis of the documents provided; and
    - b. The child may attend the child care for not more than 15 days after the date of child care entry without the child's parent providing to the child care documentation that meets the requirements in R9-6-704 or R9-6-706; and
  3. The child's parent may bring the child to a physician, a registered nurse practitioner, a local health agency, or, as authorized under A.R.S. § 32-1974, a pharmacist as defined in A.R.S. § 32-1901 to:
    - a. Review the child's immunization history,
    - b. Provide needed immunizations, and
    - c. Provide the required documentation.
- C.** An administrator of a school or a child care administrator shall not allow a child to attend the school or child care during an outbreak of a disease listed in R9-6-702, as determined by the Department or a local health agency, for which the child lacks:
1. Documentary proof of immunization, according to R9-6-704(A); or
  2. Documentary proof of immunity, according to R9-6-704(B).

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

- D.** If the Department receives notification from the Centers for Disease Control and Prevention that there is a shortage of a vaccine for a disease listed in R9-6-702, or that the amount of a vaccine for a disease listed in R9-6-702 is being limited, the Department shall:
1. Determine whether:
    - a. Compliance with exclusion requirements in subsections (A)(3) and (4) is suspended for the vaccine in limited supply, or
    - b. A different vaccine or a combination of different vaccines may substitute for the vaccine in limited supply;
  2. Provide notification in writing to each school and child care in this state:
    - a. Of the shortage or limitation of the vaccine;
    - b. Whether the Department is:
      - i. Suspending compliance with exclusion requirements in subsections (A)(3) and (4) on the basis of the vaccine in limited supply; or
      - ii. Recommending an alternative vaccine or combination of vaccines to satisfy the requirement R9-6-702 for the vaccine in limited supply and, if so, the Department's recommendation; and
    - c. If known, when the shortage or limitation of the vaccine is expected to end and the vaccine to be available; and
  3. Upon receiving notification from the Centers for Disease Control and Prevention that the vaccine is available, notify each school and child care in this state:
    - a. That the vaccine is available, and
    - b. If applicable, the date that compliance with exclusion requirements in subsections (A)(3) and (4) will be reinstated.
- E.** The Department shall notify each school and child care in this state if the Department no longer requires compliance with subsection (A) for a disease listed in R9-6-702.
- Historical Note**
- Adopted effective January 28, 1987 (Supp. 87-1). Former Section R9-6-705 renumbered to Section R9-6-305, new Section R9-6-705 renumbered from R9-6-505 and amended effective October 19, 1993 (Supp. 93-4). Former Section R9-6-705 renumbered to R9-6-706; new Section R9-6-705 renumbered from R9-6-704 and amended by final rulemaking at 8 A.A.R. 4274, effective September 16, 2002 (Supp. 02-3). Amended by final expedited rulemaking at 24 A.A.R. 2682, effective September 4, 2018 (Supp. 18-3).
- R9-6-706. Exemptions from Immunizations**
- A.** For a child attending a school, the child is exempt from the applicable immunization requirements in R9-6-702 for personal beliefs, as allowed by A.R.S. § 15-873(A)(1), if the child's parent submits to the school a statement of exemption from immunization for personal beliefs, in a Department-provided format, that contains:
1. The parent's name,
  2. The child's name,
  3. The child's date of birth,
  4. The immunizations from which the child's parent is requesting an exemption,
  5. A statement that the parent is requesting the exemption based on personal beliefs, and
  6. The signature of the child's parent and the date signed.
- B.** For a child attending a child care, the child is exempt from the applicable immunization requirements in R9-6-702 for religious beliefs, as allowed in A.R.S. § 36-883(C), if the child's parent submits to the child care a statement of exemption from immunization for religious beliefs, in a Department-provided format, that contains:
1. The parent's name,
  2. The child's name;
  3. The child's date of birth;
  4. The immunizations from which the child's parent is requesting an exemption;
  5. A statement that the parent is requesting the exemption based on religious beliefs, and
  6. The signature of the child's parent and the date signed.
- C.** A child is exempt from the applicable immunization requirements in R9-6-702, as allowed by A.R.S. § 15-873(A)(2), if the child's parent submits to a school or child care a certification of medical exemption from immunization, in a Department-provided format, that contains:
1. The parent's name;
  2. The child's name;
  3. The child's date of birth;
  4. The immunizations from which the child's parent is requesting an exemption;
  5. A statement that the parent is requesting a medical exemption according to A.R.S. § 15-873(A)(2);
  6. Statements from a physician or registered nurse practitioner that:
    - a. The immunizations specified according to subsection (C)(4) may be harmful to the child's health;
    - b. Indicate the specific nature of the medical condition or circumstance that precludes immunization;
    - c. Indicate whether the medical exemption is permanent or temporary; and
    - d. If the medical exemption is temporary, provide the date the medical exemption ends;
  7. The signature of the physician or registered nurse practitioner providing the medical exemption and the date signed; and
  8. The signature of the child's parent and the date signed;
- D.** A child is exempt from the applicable immunization requirements in R9-6-702 due to immunity if the child's parent submits to a school or child care:
1. A certification of medical exemption from immunization due to immunity, in a Department-provided format, that contains:
    - a. The parent's name;
    - b. The child's name;
    - c. The child's date of birth;
    - d. The name of each disease for which the child's parent is requesting an exemption from immunization requirements;
    - e. A statement that the parent is requesting a medical exemption from immunization due to the child's immunity to a disease;
    - f. A statement from a physician or registered nurse practitioner that the physician or registered nurse practitioner has determined that the child is immune to the disease specified according to subsection (D)(1)(d), for which an exemption from immunization requirements is being requested, based on:
      - i. For measles, rubella, or varicella, a review by the physician or registered nurse practitioner of

- laboratory evidence of immunity for the child; or
- ii. For a disease other than measles, rubella, or varicella, a review by the physician or registered nurse practitioner of either:
    - (1) Laboratory evidence of immunity for the child, or
    - (2) The medical records of the physician or registered nurse practitioner;
  - g. The signature of the physician or registered nurse practitioner providing the medical exemption and the date signed; and
  - h. The signature of the child's parent and the date signed; and
2. If applicable, a copy of the laboratory evidence of immunity.
- E.** An administrator of a school or a child care administrator shall:
1. Include a child's exemption from the requirements in R9-6-702 in the documentation required in R9-6-705(A)(1); and
  2. If a child has a temporary medical exemption:
    - a. Allow the child to attend a school or child care until the date the temporary exemption ends; and
    - b. At least 30 calendar days before the temporary medical exemption ends, notify the child's parent in writing of the date by which the child is required to complete all immunizations.

**R9-6-802. Notice of Test Results**

- A. Within 10 working days after the date of receipt of a laboratory report for a test ordered by a health care provider as a result of a court order issued under A.R.S. § 13-1210, the ordering health care provider shall:

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

1. If the test is conducted on the blood of a court-ordered subject who is incarcerated or detained:
    - a. Provide a written copy of the laboratory report to the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained; and
    - b. Notify the occupational health provider in writing of the results of the test; and
  2. If the test is conducted on the blood of a court-ordered subject who is not incarcerated or detained:
    - a. Unless the court-ordered subject is deceased, notify the court-ordered subject as specified in subsection (D);
    - b. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
    - c. Notify the occupational health provider in writing of the results of the test.
- B.** Within five working days after the date of receipt of a laboratory report for a court-ordered subject who is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained shall:
1. Notify the court-ordered subject as specified in subsection (D);
  2. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
  3. Notify the officer in charge of the correctional facility as specified in subsection (E).
- C.** Within five working days after an occupational health provider receives written notice of test results as required in subsection (A), the occupational health provider shall notify:
1. The named employee or volunteer as specified in subsection (D); and
  2. The employer as specified in subsection (E).
- D.** An individual who provides notice to a court-ordered subject or named employee or volunteer as required under subsection (A), (B), or (C) shall describe the test results and provide or arrange for the court-ordered subject or named employee or volunteer to receive the following information about each agent for which the court-ordered subject was tested:
1. A description of the disease or syndrome caused by the agent, including its symptoms;
  2. A description of how the agent is transmitted to others;
  3. The average window period for the agent;
  4. An explanation that a negative test result does not rule out infection and that retesting for the agent after the average window period has passed is necessary to rule out infection;
  5. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
  6. That it is necessary to notify others that they may be or may have been exposed to the agent by the individual receiving notice;
  7. The availability of assistance from local health agencies or other resources; and
  8. The confidential nature of the court-ordered subject's test results.
- E.** An individual who provides notice to the officer in charge of a correctional facility, as required under subsection (B), or to an employer, as required under subsection (C), shall describe the test results and provide or arrange for the officer in charge of the facility or the employer to receive the following information about each agent for which a court-ordered subject's test results indicate the presence of infection:
1. A description of the disease or syndrome caused by the agent, including its symptoms;
  2. A description of how the agent is transmitted to others;
  3. Measures to reduce the likelihood of transmitting the agent to others;
  4. The availability of assistance from local health agencies or other resources; and
  5. The confidential nature of the court-ordered subject's test results.
- F.** An individual who provides notice under this Section shall not provide a copy of the laboratory report to anyone other than the court-ordered subject and, if the court-ordered subject is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained.
- G.** An individual who provides notice under this Section shall protect the confidentiality of the court-ordered subject's personal identifying information and test results.
- H.** A health care provider who orders a test on the blood of a court-ordered subject who is not incarcerated or detained may, at the time the court-ordered subject is seen by the ordering health care provider, present the court-ordered subject with a telephone number and instruct the court-ordered subject to contact the ordering health care provider after a stated period of time for notification of the test results.
- I.** A health care provider who orders a test has not satisfied the obligation of the health care provider to notify under subsection (A) if:
1. The health care provider provides a telephone number and instructions, as allowed by subsection (H), for a court-ordered subject to contact the ordering health care provider and receive the information specified in subsection (D); and
  2. The court-ordered subject does not contact the ordering health care provider.
- J.** A health care provider who orders a test on a court-ordered subject's blood shall comply with all applicable reporting requirements contained in this Chapter.

In this Article, unless otherwise specified:

1. "Employer" means an individual in the senior leadership position with the agency or entity for which a health professional works or that individual's designee.
2. "Health professional" means the same as in A.R.S. § 32-3201.
3. "Occupational health provider" means a physician, physician assistant, registered nurse practitioner, or registered nurse, as defined in A.R.S. § 32-1601, who provides medical services for work-related health conditions for an agency or entity for which a health professional works.
4. "Petitioner" means a health professional who petitions a court, under A.R.S. § 32-3207, to order testing of an individual.

**Historical Note**

New Section made by final rulemaking at 8 A.A.R. 1953, effective April 3, 2002 (Supp. 02-2). Section R9-6-901 recodified to R9-6-1001 at 13 A.A.R. 1745, effective April 27, 2007 (Supp. 07-2). New Section made by final rulemaking at 14 A.A.R. 1502, effective April 1, 2008 (Supp. 08-2).

**R9-6-902. Notice of Test Results**

- A. Within 10 working days after the date of receipt of a laboratory report for a test ordered by a health care provider as a result of a court order issued under A.R.S. § 32-3207, the ordering health care provider shall:
  1. If the test is conducted on the blood of a court-ordered subject who is incarcerated or detained:
    - a. Provide a written copy of the laboratory report to the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained; and
    - b. Notify the petitioner's occupational health provider in writing of the results of the test; and
  2. If the test is conducted on the blood of a court-ordered subject who is not incarcerated or detained:
    - a. Unless the court-ordered subject is deceased, notify the court-ordered subject as specified in subsection (D);
    - b. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
    - c. Notify the petitioner's occupational health provider in writing of the results of the test.
- B. Within five working days after the date of receipt of a laboratory report for a court-ordered subject who is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained shall:
  1. Notify the court-ordered subject as specified in subsection (D);
  2. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
  3. Notify the officer in charge of the correctional facility as specified in subsection (E).
- C. Within five working days after the petitioner's occupational health provider receives written notice of test results as required in subsection (A), the petitioner's occupational health

provider shall notify the petitioner, as specified in subsection (D), and the petitioner's employer, as specified in subsection (E).

- D. An individual who provides notice to a court-ordered subject or petitioner as required under subsection (A), (B) or (C) shall describe the test results and provide or arrange for the court-ordered subject or petitioner to receive the following information about each agent for which the court-ordered subject was tested:
  1. A description of the disease or syndrome caused by the agent, including its symptoms;
  2. A description of how the agent is transmitted to others;
  3. The average window period for the agent;
  4. An explanation that a negative test result does not rule out infection and that retesting for the agent after the average window period has passed is necessary to rule out infection;
  5. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
  6. That it is necessary to notify others that they may be or may have been exposed to the agent by the individual receiving notice;
  7. The availability of assistance from local health agencies or other resources; and
  8. The confidential nature of the court-ordered subject's test results.
- E. An individual who provides notice to the officer in charge of a correctional facility, as required under subsection (B), or to the petitioner's employer, as required under subsection (C), shall describe the test results and provide or arrange for the officer in charge of the facility or the employer to receive the following information about each agent for which a court-ordered subject's test results indicate the presence of infection:
  1. A description of the disease or syndrome caused by the agent, including its symptoms;
  2. A description of how the agent is transmitted to others;
  3. Measures to reduce the likelihood of transmitting the agent to others;
  4. The availability of assistance from local health agencies or other resources; and
  5. The confidential nature of the court-ordered subject's test results.
- F. An individual who provides notice under this Section shall not provide a copy of the laboratory report to anyone other than the court-ordered subject and, if the court-ordered subject is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained.
- G. An individual who provides notice under this Section shall protect the confidentiality of the court-ordered subject's personal identifying information and test results.
- H. A health care provider who orders a test on the blood of a court-ordered subject who is not incarcerated or detained may, at the time the court-ordered subject is seen by the ordering health care provider, present the court-ordered subject with a telephone number and instruct the court-ordered subject to contact the ordering health care provider after a stated period of time for notification of the test results.
- I. A health care provider who orders a test has not satisfied the obligation of the health care provider to notify under subsection (A) if:

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

1. The health care provider provides a telephone number and instructions, as allowed by subsection (H), for a court-ordered subject to contact the ordering health care provider and receive the information specified in subsection (D); and
2. The court-ordered subject does not contact the ordering health care provider.

- J.** A health care provider who orders a test on a court-ordered subject's blood shall comply with all applicable reporting requirements contained in this Chapter.

**R9-6-1006. Notification**

- A. The Department or the Department's designee shall confidentially notify an individual reported to be at risk for HIV infection, as required under A.R.S. § 36-664(I), if all of the following conditions are met:
  1. The Department receives the report of risk for HIV infection in a document that includes the following:
    - a. The name and address of the individual reported to be at risk for HIV infection or enough other identifying information about the individual to enable the individual to be recognized and located,
    - b. The name and address of the HIV-infected individual placing the individual named under subsection (A)(1)(a) at risk for HIV infection,
    - c. The name and address of the individual making the report, and
    - d. The type of exposure placing the individual named under subsection (A)(1)(a) at risk for HIV infection;
  2. The individual making the report is in possession of confidential HIV-related information; and
  3. The Department determines that the information provided in the report is accurate and contains sufficient detail to:
    - a. Indicate that the exposure described as required in subsection (A)(1)(d) constitutes a significant exposure for the individual reported to be at risk for HIV infection, and
    - b. Enable the individual reported to be at risk for HIV infection to be recognized.
- B. As authorized under A.R.S. § 36-136(M), the Department shall notify the superintendent of a school district in a confidential document that a pupil of the school district tested positive for HIV if the Department determines that:
  1. The pupil places others in the school setting at risk for HIV infection; and
  2. The school district has an HIV policy that includes the following provisions:
    - a. That a school shall not exclude a pupil who tested positive for HIV from attending school or school functions or from participating in school activities solely due to HIV infection;

## TITLE 9. HEALTH SERVICES

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

- b. That school district personnel who are informed that a pupil tested positive for HIV shall keep the information confidential; and
- c. That the school district shall provide HIV-education programs to pupils, parents or guardians of pupils, and school district personnel through age-appropriate curricula, workshops, or in-service training sessions.

Amended by final rulemaking at 31 A.A.R. 1317 (April 25, 2025), effective June 2, 2025 (Supp. 25-2).

**R9-6-1103. Local Health Agency Requirements****A. For each STI case, a local health agency shall:**

- 1. Comply with the requirements in:
  - a. R9-6-321(A)(1) and (2) for each chancroid case reported to the local health agency, and
  - b. R9-6-391(A)(3)(a) through (c) for each syphilis case reported to the local health agency;
- 2. Offer or arrange for treatment for each STI case that seeks treatment from the local health agency for:
  - a. Chancroid,
  - b. Chlamydia infection,
  - c. Gonorrhea, or
  - d. Syphilis;
- 3. Provide information about the following to each STI case that seeks treatment from the local health agency:
  - a. A description of the infection or syndrome caused by the applicable STI, including its symptoms;
  - b. Treatment options for the applicable STI;
  - c. A description of measures to reduce the likelihood of transmitting the STI to others and that it is necessary to continue the measures until the infection is eliminated; and
  - d. The confidential nature of the STI case's test results; and
- 4. Inform the STI case that:
  - a. A chlamydia or gonorrhea case must notify each individual, with whom the chlamydia or gonorrhea case has had sexual contact within 60 days preceding the onset of chlamydia or gonorrhea symptoms up to the date the chlamydia or gonorrhea case began treatment for chlamydia or gonorrhea infection, of the need for the individual to be tested for chlamydia or gonorrhea; and
  - b. The Department or local health agency will notify, as specified in subsection (B), each contact named by a chancroid or syphilis case.

**B. For each contact named by a chancroid or syphilis case, the Department or a local health agency shall:**

- 1. Notify the contact named by a chancroid or syphilis case of the contact's exposure to chancroid or syphilis and of the need for the contact to be tested for:
  - a. Chancroid, if the chancroid case has had sexual contact with the contact within 10 days preceding the onset of chancroid symptoms up to the date the chancroid case began treatment for chancroid infection; or
  - b. Syphilis, if the syphilis case has had sexual contact with the contact within:

## CHAPTER 6. DEPARTMENT OF HEALTH SERVICES - COMMUNICABLE DISEASES AND INFESTATIONS

- i. 90 days preceding the onset of symptoms of primary syphilis up to the date the syphilis case began treatment for primary syphilis infection;
    - ii. Six months preceding the onset of symptoms of secondary syphilis up to the date the syphilis case began treatment for secondary syphilis infection; or
    - iii. 12 months preceding the date the syphilis case was diagnosed with syphilis if the syphilis case cannot identify when symptoms of primary or secondary syphilis began;
  2. Offer or arrange for each contact named by a chancroid or syphilis case to receive testing and, if appropriate, treatment for chancroid or syphilis; and
  3. Provide information to each contact named by a chancroid or syphilis case about:
    - a. The characteristics of the applicable STI,
    - b. The syndrome caused by the applicable STI,
    - c. Measures to reduce the likelihood of transmitting the applicable STI, and
    - d. The confidential nature of the contact's test results.
- C.** For each contact of a chlamydia or gonorrhea case who seeks treatment from a local health agency for chlamydia or gonorrhea, the local health agency shall:
1. Offer or arrange for treatment for chlamydia or gonorrhea;
  2. Provide information to each contact of a chlamydia or gonorrhea case about:
    - a. The characteristics of the applicable STI,
    - b. The syndrome caused by the applicable STI,
    - c. Measures to reduce the likelihood of transmitting the applicable STI, and

- R9-6-1104. Court-ordered STI-related Testing**
- A.** A health care provider who receives the results of a test, ordered by the health care provider to detect an STI and performed as a result of a court order issued under A.R.S. § 13-1210, shall comply with the requirements in 9 A.A.C. 6, Article 8.
- B.** A health care provider who receives the results of a test, ordered by the health care provider to detect an STI and performed as a result of a court order issued under A.R.S. § 32-3207, shall comply with the requirements in 9 A.A.C. 6, Article 9.
- C.** When a court orders a test under A.R.S. § 13-1415 to detect a sexually transmitted infection, the prosecuting attorney who petitioned the court for the order shall provide to the Department:
1. A copy of the court order, including an identifying number associated with the court order;
  2. The name and address of the victim; and
  3. The name and telephone number of the prosecuting attorney or the prosecuting attorney's designee.
- D.** A person who tests a specimen of blood or another body fluid from a subject to detect a sexually-transmitted disease as authorized by a court order issued under A.R.S. § 13-1415 shall:
1. Be a certified laboratory, as defined in A.R.S. § 36-451;
  2. Use a test approved by the U.S. Food and Drug Administration for use in STI-related testing; and
  3. Report the test results for each subject to the submitting entity within five working days after obtaining the test results.
- E.** A submitting entity that receives the results of a test to detect a sexually transmitted infection that was performed as a result of a court order issued under A.R.S. § 13-1415 shall:
1. Notify the Department within five working days after receiving the results of the test to detect a sexually transmitted infection;
  2. Provide to the Department:
    - a. A written copy of the court order,
    - b. A written copy of the results of the test to detect a sexually transmitted infection, and
    - c. The name and telephone number of the submitting entity or submitting entity's designee; and
  3. Either:
    - a. Comply with the requirements in:
      - i. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
      - ii. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained; or
    - b. Provide to the Department or the local health agency in whose designated service area the subject is living:
      - i. The name and address of the subject;
      - ii. A written copy of the results of the test to detect a sexually transmitted infection, if not provided as specified in subsection (E)(2)(b); and
      - iii. Notice that the submitting entity did not provide notification as specified in subsection (E)(3)(a).
- F.** If the Department or a local health agency is notified by a submitting entity as specified in subsection (E)(3)(b), the Department or local health agency shall comply with the requirements in:
1. R9-6-802(A)(2)(a) and (b), R9-6-802(D), and R9-6-802(F) through (J) for a subject who is not incarcerated or detained; and
  2. R9-6-802(B), R9-6-802(D) through (G), and R9-6-802(J) for a subject who is incarcerated or detained.
- G.** When the Department receives the results of a test to detect a sexually transmitted infection that was performed for a subject as a result of a court order issued under A.R.S. § 13-1415, the Department shall:
1. Provide to the victim:
    - a. A description of the results of the test to detect the sexually transmitted infection,
    - b. The information specified in R9-6-802(D), and
    - c. A written copy of the test results for the sexually transmitted infection; or
  2. Provide to the local health agency in whose designated service area the victim is living:
    - a. The name and address of the victim,
    - b. A written copy of the results of the test to detect the sexually transmitted infection, and

New Section made by final rulemaking at 14 A.A.R. 1502, effective April 1, 2008 (Supp. 08-2). Section amended by final expedited rulemaking at 29 A.A.R. 3633 (November 24, 2023), with an immediate effective date of November 8, 2023 (Supp. 23-4).

**ARTICLE 12. TUBERCULOSIS CONTROL****R9-6-1201. Definitions**

In addition to the definitions in A.R.S. § 36-711, the following definitions apply in this Article, unless otherwise specified:

1. "Inmate" means an individual who is incarcerated in a correctional facility.
2. "Latent tuberculosis infection" means the presence of *Mycobacterium tuberculosis*, as evidenced by a positive result from an approved test for tuberculosis, in an individual who:
  - a. Has no symptoms of active tuberculosis,
  - b. Has no clinical signs of tuberculosis other than the positive result from the approved test for tuberculosis, and
  - c. Is not infectious to others.
3. "Symptoms suggestive of tuberculosis" means any of the following that cannot be attributed to a disease or condition other than tuberculosis:
  - a. A productive cough that has lasted for at least three weeks;
  - b. Coughing up blood; or
  - c. A combination of at least three of the following:
    - i. Fever,
    - ii. Chills,
    - iii. Night sweats,
    - iv. Fatigue,
    - v. Chest pain, and
    - vi. Weight loss.

**Historical Note**

Section R9-6-1201 renumbered from R9-6-601 by final rulemaking at 13 A.A.R. 4106, effective January 5, 2008 (Supp. 07-4). Amended by final expedited rulemaking at 25 A.A.R. 255, effective January 8, 2019 (Supp. 19-1).

**R9-6-1202. Local Health Agency Reporting Requirements**

A local health agency shall report to the Department:

1. Regarding each individual in its jurisdiction who:
  - a. Has been diagnosed with active tuberculosis,
  - b. Is suspected of having active tuberculosis, or
  - c. Is believed to have been exposed to an individual with infectious active tuberculosis;
2. According to R9-6-206:

- a. After receiving information according to R9-6-202; and
  - b. After conducting an epidemiologic investigation of a case, suspect case, or contact;
3. Within 30 days after receiving the information needed to complete an initial summary for a case of active tuberculosis, in a Department-provided format, containing:
    - a. Demographic information about the case,
    - b. Information specific to the case's diagnosis of active tuberculosis,
    - c. Information about the case's risk factors for tuberculosis, and
    - d. Information specific to the treatment being provided to the case;
  4. As applicable, within 30 days after receiving the information needed to complete a summary of laboratory test results for a case of active tuberculosis, in a Department-provided format, including:
    - a. The results from the analysis of the agent causing tuberculosis in the case, and
    - b. The drug sensitivity pattern of the agent causing tuberculosis in the case;
  5. Within 30 days after determining the final disposition of a case or, except for a case still receiving treatment, two years after the case's initial diagnosis of active tuberculosis, whichever is earlier, in a Department-provided format, including:
    - a. Whether the case:
      - i. Completed treatment, including confirmation of the case's freedom from active tuberculosis;
      - ii. Refused treatment;
      - iii. Was lost to follow-up before completing treatment;
      - iv. Left the jurisdiction of the local health agency before completing treatment; or
      - v. Died;
    - b. If applicable, the method by which the local health agency has knowledge of completion of treatment;
    - c. If the period of treatment was longer than 12 months, the reason for the extended treatment; and
    - d. A description of each course or method of treatment provided to the case, including the date each treatment was initiated.

**Historical Note**

Section R9-6-1202 renumbered from R9-6-602 by final rulemaking at 13 A.A.R. 4106, effective January 5, 2008 (Supp. 07-4). Amended by final rulemaking at 23 A.A.R. 2605, effective January 1, 2018 (Supp. 17-3). Amended by final expedited rulemaking at 25 A.A.R. 255, effective January 8, 2019 (Supp. 19-1).

**R9-6-1203. Tuberculosis Control in Correctional Facilities**

- A.** An administrator of a correctional facility shall ensure that:
1. Each new inmate in the correctional facility undergoes a symptom screening for tuberculosis while processing into the correctional facility;
  2. An inmate in whom symptoms suggestive of tuberculosis are detected during screening:
    - a. Is immediately:
      - i. Placed in airborne infection isolation, or
      - ii. Required to wear a surgical mask and retained in an environment where exposure to the general inmate population is minimal and the

- inmate can be observed at all times to be wearing the mask;
- b. If not immediately placed in airborne infection isolation, is within 24 hours after screening:
    - i. Given a medical evaluation for active tuberculosis, or
    - ii. Transported to a health care institution to be placed in airborne infection isolation; and
  - c. Is given a medical evaluation for active tuberculosis before being released from airborne infection isolation or permitted to stop wearing a surgical mask and released from the environment described in subsection (A)(2)(a)(ii).
3. Except as provided in subsection (A)(5), each new inmate who does not have a documented history of a positive result from an approved test for tuberculosis or who has not received an approved test for tuberculosis within the previous 12 months is given an approved test for tuberculosis within seven days after processing into the correctional facility;
  4. Except as provided in subsection (A)(8), each new inmate who has a positive result from an approved test for tuberculosis or who has a documented history of a positive result from an approved test for tuberculosis is given a chest x-ray and a medical evaluation, within 14 days after processing into the correctional facility, to determine whether the inmate has active tuberculosis;
  5. Each new inmate who is HIV-positive, in addition to receiving an approved test for tuberculosis, is given a chest x-ray and a medical evaluation within seven days after processing into the correctional facility, to determine whether the inmate has active tuberculosis;
  6. Each inmate who had a negative result from an approved test for tuberculosis when tested according to subsection (A)(3) during processing has a repeat approved test for tuberculosis after 12 months of incarceration and every 12 months thereafter during the inmate's term of incarceration;
  7. Each inmate who has a positive result on a repeat approved test for tuberculosis after a negative result on a previous approved test for tuberculosis is given a chest x-ray and a medical evaluation within 14 days after the date of the positive result on the repeat approved test to determine whether the inmate has active tuberculosis;
  8. An inmate is not required to have another chest x-ray unless the inmate has symptoms suggestive of tuberculosis if the inmate has had a documented negative chest x-ray;
  9. Each inmate with active tuberculosis is:
    - a. Provided medical treatment that meets accepted standards of medical practice, and
    - b. Placed in airborne infection isolation until no longer infectious; and
  10. All applicable requirements in 9 A.A.C. 6, Articles 2 and 3 are complied with.
- B. The requirements of subsection (A) apply to each correctional facility that houses inmates for 14 days or longer and to each inmate who will be incarcerated for 14 days or longer.
  - C. An administrator of a correctional facility, either personally or through a representative, shall:
    1. Unless unable to provide prior notification because of security concerns, notify the local health agency at least one working day before releasing a tuberculosis case or suspect case;

2. If unable to provide prior notification because of security concerns, notify the local health agency within 24 hours after releasing a tuberculosis case or suspect case;
3. Provide to a local health agency, within three working days after the local health agency's request, the information required by the local health agency to comply with R9-6-1202(5); and
4. Provide a tuberculosis case or suspect case or an inmate being treated for latent tuberculosis infection the name and address of the local health agency before the case, suspect case, or inmate is released.

**Historical Note**

Section R9-6-1203 renumbered from R9-6-603 by final rulemaking at 13 A.A.R. 4106, effective January 5, 2008 (Supp. 07-4). Amended by final expedited rulemaking at 25 A.A.R. 255, effective January 8, 2019 (Supp. 19-1).

**R9-6-1204. Standards of Medical Care**

- A. Unless a health care provider believes, based on the health care provider's professional judgment, that deviation is medically necessary, a health care provider caring for an afflicted person shall comply with the recommendations for treatment of tuberculosis in the Official American Thoracic Society/ Centers for Disease Control and Prevention/Infectious Diseases Society of America Clinical Practice Guidelines: Treatment of Drug-Susceptible Tuberculosis (October 2016), which is incorporated by reference, on file with the Department, and available from the American Thoracic Society, 25 Broadway, New York, NY 10004 or at [www.atsjournals.org](http://www.atsjournals.org).
- B. If a health care provider caring for an afflicted person deviates from the recommendations for treatment of tuberculosis specified in subsection (A), the health care provider shall, upon request, explain to the Department or a local health agency the rationale for the deviation.
- C. If the tuberculosis control officer determines that deviation from the recommendations for treatment of tuberculosis specified in subsection (A) is inappropriate and that the public health and welfare require intervention, the tuberculosis control officer may take charge of the afflicted person's treatment as authorized under A.R.S. § 36-723(C).

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director  
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “*Rule*’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31  
Second Quarter: April 1 - June 30  
Third Quarter: July 1 - September 30  
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2025 is cited as Supp. 25-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. The Office links to these codified Sections in the Table of Contents of this Chapter.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, [www.azleg.gov](http://www.azleg.gov). An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, [www.azsos.gov](http://www.azsos.gov) under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at [www.azsos.gov/rules](http://www.azsos.gov/rules), click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

Authority: A.R.S. §§ 36-132(A)(1), 36-136, 36-405, and 36-406

## Supp. 25-2

*Editor's Note: The heading for 9 A.A.C. 10 changed from "Licensure" to "Licensing" per a request from the Department of Health Services (Supp. 03-4).*

*Editor's Note: The Office of the Secretary of State publishes all Chapters on white paper (Supp. 01-2).*

*Editor's Note: This Chapter contains rules which were adopted, amended, and repealed under exemptions from the provisions of the Administrative Procedure Act (A.R.S. Title 41, Chapter 6) pursuant to Laws 1993, Ch. 163, § 3(B); Laws 1996, Ch. 329, § 5; Laws 1998, Ch. 178 § 17, and Laws 1999, Ch. 311. Exemption from A.R.S. Title 41, Chapter 6 means that the Department of Health Services did not submit these rules to the Governor's Regulatory Review Council for review; the Department may not have submitted notice of proposed rulemaking to the Secretary of State for publication in the Arizona Administrative Register; the Department was not required to hold public hearings on these rules; and the Attorney General did not certify these rules. Because this Chapter contains rules which are exempt from the regular rulemaking process, the Chapter is printed on blue paper.*

**R9-10-104. Approval of Architectural Plans and Specifications**

- A.** For approval of architectural plans and specifications for the construction or modification of a health care institution that is required by this Chapter to comply with any of the physical plant codes and standards incorporated by reference in R9-10-104.01, an applicant shall submit to the Department an application packet including:
1. An application in a Department-provided format that contains:
    - a. For construction of a new health care institution:
      - i. The health care institution's name, street address, city, state, zip code, telephone number, and e-mail address;
      - ii. The name and mailing address of the health care institution's governing authority;
      - iii. The requested health care institution class or subclass; and
      - iv. If applicable, the requested licensed capacity, licensed occupancy, respite capacity, and number of dialysis stations for the health care institution;
    - b. For modification of a licensed health care institution that requires approval of architectural plans and specifications:
      - i. The health care institution's license number,
      - ii. The name and mailing address of the licensee,
      - iii. The health care institution's class or subclass, and
      - iv. The health care institution's existing licensed capacity, licensed occupancy, respite capacity, or number of dialysis stations; and the requested licensed capacity, licensed occupancy, respite capacity, or number of dialysis stations for the health care institution;
    - c. The health care institution's contact person's name, street mailing address, city, state, zip code, telephone number, and e-mail address;
    - d. The name, street mailing address, city, state, zip code, telephone number, and e-mail address of:
      - i. The project architect; or
      - ii. If the construction or modification of the health care institution does not require a project architect, the project engineer or other individual responsible for the completion of the construction or modification;
    - e. A narrative description of the project;
  2. If the health care institution is located on land under the jurisdiction of a local governmental agency, one of the following:
    - a. A building permit for the construction or modification issued by the local governmental agency; or
    - b. If a building permit issued by the local governmental agency is not required, zoning clearance issued by the local governmental agency that includes:
      - i. The health care institution's name, street address, city, state, zip code, and county;
      - ii. The health care institution's class or subclass and each type of medical services, nursing services, or health-related services to be provided; and
      - iii. A statement signed by a representative of the local governmental agency stating that the address listed is zoned for the health care institution's class or subclass;
  3. The following information that is as necessary to demonstrate that the project described on the application complies with applicable codes and standards incorporated by reference in R9-10-104.01:
    - a. A table of contents containing:
      - i. The architectural plans and specifications submitted;
- f. The estimated total project cost including the costs of:
    - i. Site acquisition,
    - ii. General construction,
    - iii. Architect fees,
    - iv. Fixed equipment, and
    - v. Movable equipment;
  - g. If providing or planning to provide medical services, nursing services, or health-related services that require compliance with specific physical plant codes and standards incorporated by reference in R9-10-104.01, the number of rooms or inpatient beds designated for providing the medical services, nursing services, or health-related services;
  - h. If providing or planning to provide behavioral health observation/stabilization services, the number of behavioral health observation/stabilization observation chairs designated for providing the behavioral health observation/stabilization services;
  - i. For construction of a new health care institution and if modification of a health care institution requires a project architect, a statement signed and sealed by the project architect, according to the requirements in 4 A.A.C. 30, Article 3, that the:
    - i. Project architect has complied with A.A.C. R4-30-301; and
    - ii. Architectural plans and specifications comply with applicable licensing requirements in A.R.S. Title 36, Chapter 4 and this Chapter;
  - j. If construction or modification of a health care institution requires a project engineer, a statement signed and sealed by the project engineer, according to the requirements in 4 A.A.C. 30, Article 3, that the project engineer has complied with A.A.C. R4-30-301; and
  - k. A statement signed by the governing authority or the licensee that the architectural plans and specifications comply with applicable licensing requirements in A.R.S. Title 36, Chapter 4 and this Chapter;

  3. If applicable, information or documentation required in another Article of this Chapter, specific to the health care institution, to be submitted with the relevant fees required in R9-10-106; and
  4. The applicable annual licensing fees in R9-10-106.
- D.** If any information in the Department's current records for a health care institution is incorrect, before a licensee submits annual licensing fees according to subsection (C), the licensee shall comply with the applicable requirements in R9-10-109 or R9-10-110 to update the Department's records for the health care institution.
- E.** A licensee may submit to the Department the information in subsection (C)(1), verification in subsection (C)(2), applicable information or documentation in subsection (C)(3), and applicable annual licensing fees in R9-10-106:
1. Within 30 calendar days after the anniversary date of the facility's health care institution license, with the payment of the additional late payment fee in R9-10-106(F); or
  2. If an alternate licensing fee due date has been established for the licensee according to subsections (F) and (G):
    - a. By the anniversary date of the facility's health care institution license, with the appropriate fee amount to prorate the annual licensing fees in R9-10-106 for a facility to the alternate licensing fee due date;
    - b. By the alternate licensing fee due date;
    - c. If a new alternate licensing fee due date has been established, by the current alternate licensing fee due date, with the appropriate fee amount to prorate the annual licensing fees in R9-10-106 for a facility to the new alternate licensing fee due date; or
    - d. Within 30 calendar days after the alternate licensing fee due date, with the payment of the additional late payment fee in R9-10-106(F).
- F.** Except as specified in subsection (H), a licensee may request a licensing fee due date for a facility that is different from the anniversary date of a facility's health care institution license by submitting an application for an alternate licensing fee due date to the Department, at least 30 calendar days before the anniversary date of the facility's health care institution license, that includes the following information in a Department-provided format:
1. The licensee's name and e-mail address,
  2. The facility's name and license number,
  3. The current licensing fee due date,
  4. The proposed alternate licensing fee due date,
  5. The reason the licensee is requesting an alternate licensing fee due date, and
  6. The name of the health care institution's administrator's or individual representing the health care institution as designated in A.R.S. § 36-422 and the dated signature of the administrator or individual.
- G.** The Department shall review a request made according to subsection (F) according to R9-10-108.
- H.** A licensee may not request an alternate licensing fee due date according to subsection (F):
1. More frequently than once in each three-year period, or
  2. For a facility for which the payment of licensing fees is not up-to-date.

New Section made by final rulemaking at 8 A.A.R. 3559, effective August 1, 2002 (Supp. 02-3). Amended by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Section repealed; new Section made by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3).

**R9-10-108. Time-frames**

- A.** The overall time-frame for each type of approval granted by the Department is listed in Table 1.1. The applicant and the Department may agree in writing to extend the substantive review time-frame and the overall time-frame. The substantive review time-frame and the overall time-frame may not be extended by more than 25% of the overall time-frame.
- B.** The administrative completeness review time-frame for each type of approval granted by the Department as prescribed in this Article is listed in Table 1.1. The administrative completeness review time-frame begins on the date the Department receives an application packet or a written request for an alternate licensing fee due date.
1. The application packet for a health care institution license is not complete until the applicant provides the Department with written notice that the health care institution is ready for a licensing inspection by the Department.
  2. If the application packet or written request is incomplete, the Department shall provide a written notice to the applicant specifying the missing document or incomplete information. The administrative completeness review time-frame and the overall time-frame are suspended from the date of the notice until the date the Department receives the missing document or information from the applicant.
  3. When an application packet or written request is complete, the Department shall provide a written notice of administrative completeness to the applicant.
  4. For an application packet for review of architectural plans and specifications, a health care institution license application packet, an application packet for a modification not requiring review of architectural plans and specifications, or a written request for an alternate licensing fee due date, the Department shall consider the application or written request withdrawn if the applicant fails to supply the missing documents or information included in the notice described in subsection (B)(2) within 60 calendar days after the date of the notice described in subsection (B)(2).

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

5. If the Department issues a license or grants an approval during the time provided to assess administrative completeness, the Department shall not issue a separate written notice of administrative completeness.
- C. The substantive review time-frame is listed in Table 1.1 and begins on the date of the notice of administrative completeness.
  1. The Department may conduct an onsite inspection of the facility:
    - a. As part of the substantive review for approval of architectural plans and specifications;
    - b. As part of the substantive review for issuing a health care institution license; or
    - c. As part of the substantive review for approving a modification of a health care institution's license.
  2. During the substantive review time-frame, the Department may make one comprehensive written request for additional information or documentation. If the Department and the applicant agree in writing, the Department may make supplemental requests for additional information or documentation. The time-frame for the Department to complete the substantive review is suspended from the date of a written request for additional information or documentation until the Department receives the additional information or documentation.
  3. The Department shall send a written notice of approval to an applicant that is in substantial compliance with applicable requirements in A.R.S. Title 36, Chapter 4 and this Chapter.
  4. After an applicant for a health care institution license receives the written notice of approval in subsection (C)(3), the applicant shall submit the applicable health care institution license fee in R9-10-106 according to R9-10-107(A).
  5. After receiving the applicable health care institution licensing fee from an applicant according to subsection (C)(4) and R9-10-107(A), the Department shall send a health care institution license to the applicant.
6. The Department shall provide a written notice of denial that complies with A.R.S. § 41-1076 to an applicant who does not:
  - a. For a health care institution license application or a request for approval of a modification of a health care institution requiring architectural plans and specifications, submit the information or documentation in subsection (C)(2) within 120 calendar days after the Department's written request to the applicant;
  - b. For a request for approval of a modification of a health care institution not requiring architectural plans and specifications or a written request for an alternate licensing fee due date, submit the information or documentation in subsection (C)(2) within 30 calendar days after the Department's written request to the applicant;
  - c. Comply with the applicable requirements in A.R.S. Title 36, Chapter 4 and this Chapter; or
  - d. If applicable, submit a fee required in R9-10-106 or R9-10-107.
7. An applicant may file a written notice of appeal with the Department within 30 calendar days after receiving the notice described in subsection (C)(6). The appeal shall be conducted according to A.R.S. Title 41, Chapter 6, Article 10.
8. If a time-frame's last day falls on a Saturday, a Sunday, or an official state holiday, the Department shall consider the next working day to be the time-frame's last day.

**R9-10-113. Tuberculosis Screening**

- A.** If a health care institution is subject to the requirements of this Section, as specified in an Article in this Chapter, the health care institution's chief administrative officer shall ensure that the health care institution establishes, documents, and implements tuberculosis infection control activities that:
1. Are consistent with recommendations in Tuberculosis Screening, Testing, and Treatment of U.S. Health Care Personnel: Recommendations from the National Tuberculosis Controllers Association and CDC, 2019, published by the U.S. Department of Health and Human Services, Atlanta, GA 30333, available at <https://www.cdc.gov/mmwr/volumes/68/wr/mm6819a3.htm>, incorporated by reference, on file with the Department, and including no future editions or amendments; and
  2. Include:
    - a. For each individual who is employed by the health care institution, provides volunteer services for the health care institution, or is admitted to the health care institution and who is subject to the requirements of this Section, baseline screening, on or before the date specified in the applicable Article of this Chapter, that consists of:
      - i. Assessing risks of prior exposure to infectious tuberculosis,
      - ii. Determining if the individual has signs or symptoms of tuberculosis, and
      - iii. Obtaining documentation of the individual's freedom from infectious tuberculosis according to subsection (B)(1);
    - b. If an individual may have a latent tuberculosis infection, as defined in A.A.C. R9-6-1201:
      - i. Referring the individual for assessment or treatment; and
      - ii. Annually obtaining documentation of the individual's freedom from symptoms of infectious tuberculosis, signed by a medical practitioner, occupation health provider, as defined in A.A.C. R9-6-801, or local health agency, as defined in A.A.C. R9-6-101;
    - c. Annually providing training and education related to recognizing the signs and symptoms of tuberculosis to individuals employed by or providing volunteer services for the health care institution;
    - d. Annually assessing the health care institution's risk of exposure to infectious tuberculosis;
    - e. Reporting, as specified in A.A.C. R9-6-202, an individual who is suspected of exposure to infectious tuberculosis; and
    - f. If an exposure to infectious tuberculosis occurs in the health care institution, coordinating and sharing information with the local health agency, as defined in A.A.C. R9-6-101, for identifying, locating, and

investigating contacts, as defined in A.A.C. R9-6-101.

- B.** A health care institution's chief administrative officer shall:
1. For an individual for whom baseline screening and documentation of freedom from infectious tuberculosis is required by an Article in this Chapter, as specified in subsection (A)(2)(a), obtain one of the following as evidence of freedom from infectious tuberculosis:
    - a. Documentation of a negative Mantoux skin test or other tuberculosis screening test that:
      - i. Is recommended by the U.S. Centers for Disease Control and Prevention (CDC),
      - ii. Was administered within 12 months before the date the individual begins providing services at or on behalf of the health care institution or is admitted to the health care institution, and
      - iii. Includes the date and the type of tuberculosis screening test;
    - b. If the individual had a history of tuberculosis or documentation of latent tuberculosis infection, as defined in A.A.C. R9-6-1201, compliance with subsection (A)(2)(b); or
    - c. If the individual had a positive Mantoux skin test or other tuberculosis screening test according to subsection (B)(1)(a) and does not have history of tuberculosis or documentation of latent tuberculosis infection, as defined in A.A.C. R9-6-1201, a written statement:
      - i. That the individual is free from infectious tuberculosis, signed by a medical practitioner or local health agency, as defined in A.A.C. R9-6-101; and
      - ii. Dated within 12 months before the date the individual begins providing services at or on behalf of the health care institution or is admitted to the health care institution; and
  2. As part of the annual assessment of the health care institution's risk of exposure to infectious tuberculosis according to subsection (A)(2)(d), ensure that documentation is obtained for each individual required to be screened for infectious tuberculosis that:
    - a. Indicates the individual's freedom from symptoms of infectious tuberculosis; and
    - b. Is signed by a medical practitioner, occupation health provider, as defined in A.A.C. R9-6-801, or local health agency, as defined in A.A.C. R9-6-101.

**R9-10-114. Clinical Practice Restrictions for Hemodialysis**

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

**Technician Trainees****A.** The following definitions apply in this Section:

1. "Assess" means collecting data about a patient by:
  - a. Obtaining a history of the patient,
  - b. Listening to the patient's heart and lungs, and
  - c. Checking the patient for edema.
2. "Blood-flow rate" means the quantity of blood pumped into a dialyzer per minute of hemodialysis.
3. "Blood lines" means the tubing used during hemodialysis to carry blood between a vascular access and a dialyzer.
4. "Central line catheter" means a type of vascular access created by surgically implanting a tube into a large vein.
5. "Clinical practice restriction" means a limitation on the hemodialysis tasks that may be performed by a hemodialysis technician trainee.
6. "Conductivity test" means a determination of the electrolytes in a dialysate.
7. "Dialysate" means a mixture of water and chemicals used in hemodialysis to remove wastes and excess fluid from a patient's body.
8. "Dialysate-flow rate" means the quantity of dialysate pumped per minute of hemodialysis.
9. "Directly observing" or "direct observation" means a medical person stands next to an inexperienced hemodialysis technician trainee and watches the inexperienced hemodialysis technician trainee perform a hemodialysis task.
10. "Direct supervision" has the same meaning as "supervision" in A.R.S. § 36-401.
11. "Electrolytes" means chemical compounds that break apart into electrically charged particles, such as sodium, potassium, or calcium, when dissolved in water.
12. "Experienced hemodialysis technician trainee" means an individual who has passed all didactic, skills, and competency examinations provided by a health care institution that measure the individual's knowledge and ability to perform hemodialysis.
13. "Fistula" means a type of vascular access created by a surgical connection between an artery and vein.
14. "Fluid-removal rate" means the quantity of wastes and excess fluid eliminated from a patient's blood per minute of hemodialysis to achieve the patient's prescribed weight, determined by:
  - a. Dialyzer size,
  - b. Blood-flow rate,
  - c. Dialysate-flow rate, and
  - d. Hemodialysis duration.
15. "Germicide-negative test" means a determination that a chemical used to kill microorganisms is not present.
16. "Germicide-positive test" means a determination that a chemical used to kill microorganisms is present.
17. "Graft" means a vascular access created by a surgical connection between an artery and vein using a synthetic tube.
18. "Hemodialysis machine" means a mechanical pump that controls:
  - a. The blood-flow rate,
  - b. The mixing and temperature of dialysate,
  - c. The dialysate-flow rate,
  - d. The addition of anticoagulant, and
  - e. The fluid-removal rate.
19. "Hemodialysis technician" has the same meaning as in A.R.S. § 36-423(A).

20. "Hemodialysis technician trainee" means an individual who is working in a health care institution to assist in providing hemodialysis and who is not certified as a hemodialysis technician according to A.R.S. § 36-423(A).
  21. "Inexperienced hemodialysis technician trainee" means an individual who has not passed all didactic, skills, and competency examinations provided by a health care institution that measure the individual's knowledge and ability to perform hemodialysis.
  22. "Medical person" means:
    - a. A physician who is experienced in dialysis;
    - b. A registered nurse practitioner who is experienced in dialysis;
    - c. A nurse who is experienced in dialysis;
    - d. A hemodialysis technician who meets the requirements in A.R.S. § 36-423(A) approved by the governing authority; and
    - e. An experienced hemodialysis technician trainee approved by the governing authority.
  23. "Not established" means not approved by a patient's nephrologist for use in hemodialysis.
  24. "Patient" means an individual who receives hemodialysis.
  25. "pH test" means a determination of the acidity of a dialysate.
  26. "Preceptor course" means a health care institution's instruction and evaluation provided to a nurse, hemodialysis technician, or hemodialysis technician trainee that enables the nurse, hemodialysis technician, or hemodialysis technician trainee to provide direct observation and education to hemodialysis technician trainees.
  27. "Respond" means to mute, shut off, reset, or troubleshoot an alarm.
  28. "Safety check" means successful completion of tests recommended by the manufacturer of a hemodialysis machine, a dialyzer, or a water system used for hemodialysis before initiating a patient's hemodialysis.
  29. "Water-contaminant test" means a determination of the presence of chlorine or chloramine in a water system used for hemodialysis.
- B.** An experienced hemodialysis technician trainee may:
1. Perform hemodialysis under direct supervision, and
  2. Provide direct observation to another hemodialysis technician trainee only after completing the health care institution's preceptor course approved by the governing authority.
- C.** An experienced hemodialysis technician trainee shall not access a patient's:
1. Fistula that is not established, or
  2. Graft that is not established.
- D.** An inexperienced hemodialysis technician trainee may perform the following hemodialysis tasks only under direct observation:
1. Access a patient's central line catheter;
  2. Respond to a hemodialysis-machine alarm;
  3. Draw blood for laboratory tests;
  4. Perform a water-contaminant test on a water system used for hemodialysis;
  5. Inspect a dialyzer and perform a germicide-positive test before priming a dialyzer;
  6. Set up a hemodialysis machine and blood lines before priming a dialyzer;
  7. Prime a dialyzer;
  8. Test a hemodialysis machine for germicide presence;

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

9. Perform a hemodialysis machine safety check;
  10. Prepare a dialysate;
  11. Perform a conductivity test and a pH test on a dialysate;
  12. Assess a patient;
  13. Check and record a patient's vital signs, weight, and temperature;
  14. Determine the amount and rate of fluid removal from a patient;
  15. Administer local anesthetic at an established fistula or graft, administer anticoagulant, or administer replacement saline solution;
  16. Perform a germicide-negative test on a dialyzer before initiating hemodialysis;
  17. Initiate or discontinue a patient's hemodialysis;
  18. Adjust blood-flow rate, dialysate-flow rate, or fluid-removal rate during hemodialysis; or
  19. Prepare a blood, water, or dialysate culture to determine microorganism presence.
- E.** An inexperienced hemodialysis technician trainee shall not:
1. Access a patient's:
    - a. Fistula that is not established, or
    - b. Graft that is not established; or
  2. Provide direct observation.
- F.** When a hemodialysis technician trainee performs hemodialysis tasks for a patient, the patient's medical record shall include:
1. The name of the hemodialysis technician trainee;
  2. The date, time, and hemodialysis task performed;
  3. The name of the medical person directly observing or the nurse or physician directly supervising the hemodialysis technician trainee; and
  4. The initials or signature of the medical person directly observing or the nurse or physician directly supervising the hemodialysis technician trainee.
- G.** If the Department determines that a health care institution is not in substantial compliance with this Section, the Department may take enforcement action according to R9-10-111.

**Historical Note**

Former Section R9-10-114 repealed, new Section R9-10-114 adopted effective February 4, 1981 (Supp. 81-1).

Amended by adding paragraph (7) as an emergency effective November 17, 1983 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 83-6). Amended by adding paragraph (7) as a permanent amendment effective August 2, 1984 (Supp. 84-4). Section repealed by final rulemaking at 8 A.A.R. 3559, effective August 1, 2002 (Supp. 02-3). New Section R9-10-114 made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Section R9-10-114 renumbered to Section R9-10-115; new Section R9-10-114 renumbered from R9-10-113 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3).

**R9-10-115. Behavioral Health Paraprofessionals; Behavioral Health Technicians**

If a health care institution is a behavioral health facility or is authorized by the Department to provide behavioral health services, an administrator shall ensure that:

1. Policies and procedures are established, documented, and implemented that:

- a. Delineate the services a behavioral health paraprofessional is allowed to provide at or for the health care institution;
  - b. Cover supervision of a behavioral health paraprofessional, including documentation of supervision;
  - c. Establish the qualifications for a behavioral health professional providing supervision to a behavioral health paraprofessional;
  - d. Delineate the services a behavioral health technician is allowed to provide at or for the health care institution;
  - e. Cover clinical oversight for a behavioral health technician, including documentation of clinical oversight;
  - f. Establish the qualifications for a behavioral health professional providing clinical oversight to a behavioral health technician;
  - g. Delineate the methods used to provide clinical oversight, including when clinical oversight is provided on an individual basis or in a group setting; and
  - h. Establish the process by which information pertaining to services provided by a behavioral health technician is provided to the behavioral health professional who is responsible for the clinical oversight of the behavioral health technician;
2. A behavioral health paraprofessional receives supervision according to policies and procedures;
  3. Clinical oversight is provided to a behavioral health technician to ensure that patient needs are met based on, for each behavioral health technician:
    - a. The scope and extent of the services provided,
    - b. The acuity of the patients receiving services, and
    - c. The number of patients receiving services;
  4. A behavioral health technician receives clinical oversight at least once during each two week period, if the behavioral health technician provides services related to patient care at the health care institution during the two week period;
  5. When clinical oversight is provided electronically:
    - a. The clinical oversight is provided verbally with direct and immediate interaction between the behavioral health professional providing and the behavioral health technician receiving the clinical oversight,
    - b. A secure connection is used, and
    - c. The identities of the behavioral health professional providing and the behavioral health technician receiving the clinical oversight are verified before clinical oversight is provided; and
  6. A behavioral health professional provides supervision to a behavioral health paraprofessional or clinical oversight to behavioral health technician within the behavioral health professional's scope of practice established in the applicable licensing requirements under A.R.S. Title 32.

**Historical Note**

Adopted effective February 4, 1981 (Supp. 81-1).

Amended by final rulemaking 16 A.A.R. 688, effective November 1, 2010 (Supp. 10-2). Section repealed; new Section made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Section R9-10-115 renumbered to Section R9-10-116; new Section R9-10-115 renumbered from R9-10-114 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3).

**R9-10-116. Nutrition and Feeding Assistant Training Programs**

- A.** For the purposes of this Section, “agency” means an entity other than a nursing care institution that provides the nutrition and feeding assistant training required in A.R.S. § 36-413.
- B.** An agency shall apply for approval to operate a nutrition and feeding assistant training program by submitting:
  1. An application in a Department-provided format that contains:
    - a. The name of the agency;
    - b. The name, telephone number, and e-mail address of the individual in charge of the proposed nutrition and feeding assistant training program;
    - c. The address where the nutrition and feeding assistant training program records are maintained;
    - d. A description of the training course being offered by the nutrition and feeding assistant training program including for each topic in subsection (I):
      - i. The information presented for each topic,
      - ii. The amount of time allotted to each topic,
      - iii. The skills an individual is expected to acquire for each topic, and
      - iv. The testing method used to verify an individual has acquired the stated skills for each topic;
    - e. Whether the agency agrees to allow the Department to submit supplemental requests for information as specified in subsection (F)(2); and
    - f. The signature of the individual in charge of the proposed nutrition and feeding assistant training program and the date signed; and
  2. A copy of the materials used for providing the nutrition and feeding assistant training program.
- C.** For an application for an approval of a nutrition and feeding assistant training program, the administrative review time-frame is 30 calendar days, the substantive review time-frame is 30 calendar days, and the overall time-frame is 60 calendar days.
- D.** Within 30 calendar days after the receipt of an application in subsection (B), the Department shall:
  1. Issue an approval of the agency’s nutrition and feeding assistant training program;
  2. Provide a notice of administrative completeness to the agency that submitted the application; or
  3. Provide a notice of deficiencies to the agency that submitted the application, including a list of the information or documents needed to complete the application.
- E.** If the Department provides a notice of deficiencies to an agency:
  1. The administrative completeness review time-frame and the overall time-frame are suspended from the date of the notice of deficiencies until the date the Department receives the missing information or documents from the agency;
  2. If the agency does not submit the missing information or documents to the Department within 30 calendar days, the Department shall consider the application withdrawn; and
  3. If the agency submits the missing information or documents to the Department within 30 calendar days, the substantive review time-frame begins on the date the Department receives the missing information or documents.
- F.** Within the substantive review time-frame, the Department:
  1. Shall issue or deny an approval of a nutrition and feeding assistant training program; and
  2. May make one written comprehensive request for more information, unless the Department and the agency agree in writing to allow the Department to submit supplemental requests for information.
- G.** If the Department issues a written comprehensive request or a supplemental request for information:
  1. The substantive review time-frame and the overall time-frame are suspended from the date of the written comprehensive request or the supplemental request for information until the date the Department receives the information requested, and
  2. The agency shall submit to the Department the information and documents listed in the written comprehensive request or supplemental request for information within 10 working days after the date of the comprehensive written request or supplemental request for information.
- H.** The Department shall issue:
  1. An approval for an agency to operate a nutrition and feeding assistant training program if the Department determines that the agency and the application comply with A.R.S. § 36-413 and this Section; or
  2. A denial for an agency that includes the reason for the denial and the process for appeal of the Department’s decision if:
    - a. The Department determines that the agency does not comply with A.R.S. § 36-413 and this Section; or
    - b. The agency does not submit information and documents listed in the written comprehensive request or supplemental request for information within 10 working days after the date of the comprehensive written request or supplemental request for information.
- I.** An individual in charge of a nutrition and feeding assistant training program shall ensure that:
  1. The materials and coursework for the nutrition and feeding assistant training program demonstrate the inclusion of the following topics:
    - a. Feeding techniques;
    - b. Assistance with feeding and hydration;
    - c. Communication and interpersonal skills;
    - d. Appropriate responses to resident behavior;
    - e. Safety and emergency procedures, including the Heimlich maneuver;
    - f. Infection control;
    - g. Resident rights;
    - h. Recognizing a change in a resident that is inconsistent with the resident’s normal behavior; and
    - i. Reporting a change in subsection (I)(1)(h) to a nurse at a nursing care institution;
  2. An individual providing the training course is:
    - a. A physician,
    - b. A physician assistant,
    - c. A registered nurse practitioner,
    - d. A registered nurse,
    - e. A registered dietitian,
    - f. A licensed practical nurse,
    - g. A speech-language pathologist, or
    - h. An occupational therapist; and
  3. An individual taking the training course completes:
    - a. At least eight hours of classroom time, and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- b. Demonstrates that the individual has acquired the skills the individual was expected to acquire.
- J.** An individual in charge of a nutrition and feeding assistant training program shall issue a certificate of completion to an individual who completes the training course and demonstrates the skills the individual was expected to acquire as a result of completing the training course that contains:
1. The name of the agency approved to operate the nutrition and feeding assistant training program;
  2. The name of the individual completing the training course;
  3. The date of completion;
  4. The name, signature, and professional license of the individual providing the training course; and
  5. The name and signature of the individual in charge of the nutrition and feeding assistant training program.
- K.** The Department may deny, revoke, or suspend an approval to operate a nutrition and feeding assistant training program if an agency operating or applying to operate a nutrition and feeding assistance training program:
1. Provides false or misleading information to the Department;
  2. Does not comply with the applicable statutes and rules;
  3. Issues a training completion certificate to an individual who did not:
    - a. Complete the nutrition and feeding assistant training program, or
    - b. Demonstrate the skills the individual was expected to acquire; or
  4. Does not implement the nutrition and feeding assistant training program as described in or use the materials submitted with the agency's application.
- L.** In determining which action in subsection (K) is appropriate, the Department shall consider the following:
1. Repeated violations of statutes or rules,
  2. Pattern of non-compliance,
  3. Types of violations,
  4. Severity of violations, and
  5. Number of violations.

**Historical Note**

Adopted effective February 4, 1981 (Supp. 81-1). Section repealed by final rulemaking at 8 A.A.R. 3559, effective August 1, 2002 (Supp. 02-3). New Section made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Section R9-10-116 renumbered to Section R9-10-117; new Section R9-10-116 renumbered from R9-10-115 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3).

**R9-10-117. Repealed****Historical Note**

Adopted effective February 4, 1981 (Supp. 81-1). Section repealed by final rulemaking at 8 A.A.R. 3559, effective August 1, 2002 (Supp. 02-3). New Section made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Section R9-10-117 renumbered to Section R9-10-118; new Section R9-10-117 renumbered from R9-10-116 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Repealed by exempt

rulemaking at 20 A.A.R. 3535, pursuant to Laws 2014, Ch. 233, § 5; effective January 1, 2015 (Supp. 14-4).

**R9-10-118. Collaborating Health Care Institution**

- A.** An administrator of a collaborating health care institution shall ensure that:
1. A list is maintained of adult behavioral health therapeutic homes and behavioral health respite homes for which the collaborating health care institution serves as a collaborating health care institution;
  2. For each adult behavioral health therapeutic home or behavioral health respite home in subsection (A)(1), the collaborating health care institution maintains the following information:
    - a. A copy of the documented agreement that establishes the responsibilities of the adult behavioral health therapeutic home or behavioral health respite home and the collaborating health care institution consistent with the requirements in this Chapter;
    - b. For the adult behavioral health therapeutic home or behavioral health respite home, the following information:
      - i. Provider's name;
      - ii. Street address;
      - iii. License number;
      - iv. Whether the residence is an adult behavioral health therapeutic home or a behavioral health respite home;
      - v. If the residence is a behavioral health respite home, whether the behavioral health respite home provides respite care services to:
        - (1) Individuals 18 years of age or older, or
        - (2) Individuals less than 18 years of age;
      - vi. The beginning and ending dates of the documented agreement in subsection (A)(2)(a); and
      - vii. The name and contact information for the individual assigned by the collaborating health care institution to monitor the adult behavioral health therapeutic home or behavioral health respite home;
    - c. For the adult behavioral health therapeutic home or behavioral health respite home, a copy of the following that have been approved by the collaborating health care institution:
      - i. Scope of services,
      - ii. Policies and procedures, and
      - iii. Documentation of the review and update of policies and procedures;
    - d. A description of the required skills and knowledge for a provider, based on the scope of services of the adult behavioral health therapeutic home or behavioral health respite home, as established by the collaborating health care institution; and
    - e. For a provider in the adult behavioral health therapeutic home or behavioral health respite home, documentation of:
      - i. The provider's skills and knowledge;
      - ii. If applicable, the provider's completion of training in assistance in the self-administration of medication;
      - iii. Verification of the provider's skills and knowledge; and
      - iv. If the provider is required to have clinical oversight according to R9-10-1805(C), the provider's receiving clinical oversight;

3. A provider's skills and knowledge are verified by a personnel member according to policies and procedures;
  4. A provider who provides behavioral health services receives clinical oversight, required in R9-10-1805(C), from a behavioral health professional; and
  5. A provider, other than a provider who is a medical practitioner or nurse, receives training in assistance in the self-administration of medication:
    - a. From a medical practitioner or registered nurse or from a personnel member of the collaborating health care institution trained by a medical practitioner or registered nurse;
    - b. That includes:
      - i. A demonstration of the provider's skills and knowledge necessary to provide assistance in the self-administration of medication,
      - ii. Identification of medication errors and medical emergencies related to medication that require emergency medical intervention, and
      - iii. The process for notifying the appropriate entities when an emergency medical intervention is needed; and
    - c. That is documented.
- B.** For a patient referred to an adult behavioral health therapeutic home or a behavioral health respite home, an administrator shall ensure that:
1. A resident or recipient accepted by and receiving services from the adult behavioral health therapeutic home or behavioral health respite home does not present a threat to the referred patient, based on the resident's or recipient's developmental levels, social skills, verbal skills, and personal history;
  2. The referred patient does not present a threat to a resident or recipient accepted by and receiving services from the adult behavioral health therapeutic home or behavioral health respite home based the referred patient's developmental levels, social skills, verbal skills, and personal history;
  3. The referred patient requires services within the adult behavioral health therapeutic home's or behavioral health respite home's scope of services;
  4. A provider of the adult behavioral health therapeutic home or behavioral health respite home has the verified skills and knowledge to provide behavioral health services to the referred patient;
  5. A treatment plan for the referred patient, which includes information necessary for a provider to meet the referred patient's needs for behavioral health services, is completed and forwarded to the provider before the referred patient is accepted as a resident or recipient;
  6. A patient's treatment plan is reviewed and updated at least once every 12 months, and a copy of the patient's updated treatment plan is forwarded to the patient's provider;
  7. If documentation of a significant change in a patient's behavioral, physical, cognitive, or functional condition and the action taken by a provider to address patient's changing needs is received by the collaborating health care institution, a behavioral health professional or behavioral health technician reviews the documentation and:
    - a. Documents the review; and
    - b. If applicable:
      - i. Updates the patient's treatment plan, and
      - ii. Forwards the updated treatment plan to the provider within 10 working days after receipt of the documentation of a significant change;
  8. If the review and updated treatment plan required in subsection (B)(7) is performed by a behavioral health technician, a behavioral health professional reviews and signs the review and updated treatment plan to ensure the patient is receiving the appropriate behavioral health services; and
  9. In addition to the requirements for a medical record for a patient in this Chapter, a referred patient's medical record contains:
    - a. The provider's name and the street address and license number of the adult behavioral health therapeutic home or behavioral health respite home to which the patient is referred,
    - b. A copy of the treatment plan provided to the adult behavioral health therapeutic home or behavioral health respite home,
    - c. Documentation received according to and required by subsection (B)(7),
    - d. Any information about the patient received from the adult behavioral health therapeutic home or behavioral health respite home, and
    - e. Any follow-up actions taken by the collaborating health care institution related to the patient.
- C.** For a patient referred to an adult behavioral health therapeutic home, an administrator shall ensure that the collaborating health care institution has documentation in the patient's medical record of evidence of freedom from infectious tuberculosis that meets the requirements in R9-10-113.

**Historical Note**

New Section R9-10-118 renumbered from R9-10-117 and amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3). The word twelve has been changed to the numeral 12 in subsection (B)(6) for consistency in Chapter style and format (Supp. 21-2).

**R9-10-119. Abortion Reporting**

- A.** A licensed health care institution where abortions are performed shall submit to the Department, in a Department-provided format and according to A.R.S. § 36-2161(D) and (E), a report that contains the information required in A.R.S. § 36-2161(A) and the following:
1. The final disposition of the fetal tissue from the abortion; and
  2. Except as provided in subsection (B), if custody of the fetal tissue is transferred to another person or persons:
    - a. The name and address of the person or persons accepting custody of the fetal tissue,
    - b. The amount of any compensation received by the licensed health care institution for the transferred fetal tissue, and
    - c. Whether a patient provided informed consent for the transfer of custody of the fetal tissue.
- B.** A licensed health care institution where abortions are performed is not required to include the information specified in subsections (A)(2)(a) through (c) in the report required in subsection (A) if the licensed health care institution where abortions are performed:
1. Transfers custody of the fetal tissue:

**R9-10-120. Opioid Prescribing and Treatment**

- A. This Section does not apply to a health care institution licensed under Article 20 of this Chapter.
- B. In addition to the definitions in A.R.S. §§ 32-3248.01 and 36-401(A) and R9-10-101, the following definitions apply in this Section:
- 1. “Episode of care” means medical services, nursing services, or health-related services provided by a health care institution to a patient for a specific period of time, ending in discharge, the completion of the patient’s treatment plan, or 90 days from the start of service provision to the patient, whichever is later.
  - 2. “Order” means to issue written, verbal, or electronic instructions for a specific dose of a specific medication in a specific quantity and route of administration to be obtained and administered to a patient in a health care institution.
- C. An administrator of a health care institution where opioids are prescribed or ordered as part of treatment shall:
- 1. Establish, document, and implement policies and procedures for prescribing or ordering an opioid as part of treatment, to protect the health and safety of a patient, that:
    - a. Cover which personnel members may prescribe or order an opioid in treating a patient and the required knowledge and qualifications of these personnel members;
    - b. As applicable and except when contrary to medical judgment for a patient, are consistent with A.R.S. § 32-3248.01 and the Arizona Opioid Prescribing Guidelines or national opioid-prescribing guidelines, such as guidelines developed by the:
      - i. Centers for Disease Control and Prevention, or
      - ii. U.S. Department of Veterans Affairs and the U.S. Department of Defense;
    - c. As applicable, include how, when, and by whom:
      - i. A patient’s profile on the Arizona Board of Pharmacy Controlled Substances Prescription Monitoring Program database is reviewed;
      - ii. An assessment is conducted of a patient’s substance use risk;
  - 2. Include in the plan for the health care institution’s quality management program a process for:
    - a. Review of known incidents of opioid-related adverse reactions or other negative outcomes a patient experiences or opioid-related deaths, and
    - b. Surveillance and monitoring of adherence to the policies and procedures in subsection (C)(1);
  - 3. Except as prohibited by 42 CFR, Chapter I, Subchapter A, Part 2, or as provided in subsection (H)(1), ensure that, if a patient’s death may be related to an opioid prescribed or ordered as part of treatment, written notification, in a Department-provided format, is provided to the Department:
    - iii. The potential risks, adverse outcomes, and complications, including death, associated with the use of opioids are explained to a patient or the patient’s representative;
    - iv. Alternatives to a prescribed or ordered opioid are explained to a patient or the patient’s representative;
    - v. Informed consent is obtained from a patient or the patient’s representative and, if applicable, in what situations, described in subsection (G), (H), or (I), informed consent would not be obtained before an opioid is prescribed or ordered for a patient;
    - vi. A patient receiving an opioid is monitored; and
    - vii. The actions taken according to subsections (C)(1)(c)(i) through (vi) are documented;
  - d. Address conditions that may impose a higher risk to a patient when prescribing or ordering an opioid as part of treatment, including:
    - i. Concurrent use of a benzodiazepine or other sedative-hypnotic medication,
    - ii. History of substance use disorder,
    - iii. Co-occurring behavioral health issue, or
    - iv. Pregnancy;
  - e. Cover the criteria for co-prescribing a short-acting opioid antagonist for a patient who is not an inpatient, as defined in R9-10-201;
  - f. Include that, if continuing control of a patient’s pain after discharge is medically indicated due to the patient’s medical condition, a method for continuing pain control will be addressed as part of discharge planning;
  - g. Include the frequency of the following for a patient being prescribed an opioid for longer than a 30-calendar-day period:
    - i. Face-to-face interactions with the patient,
    - ii. Conducting an assessment of a patient’s substance use risk,
    - iii. Renewal of a prescription for an opioid without a face-to-face interaction with the patient, and
    - iv. Monitoring the effectiveness of the treatment;
  - h. If applicable according to A.R.S. § 36-2608, include documenting a dispensed opioid in the Arizona Board of Pharmacy Controlled Substances Prescription Monitoring Program database;
  - i. As applicable and consistent with A.R.S. § 32-3248.01, cover the criteria and procedures for tapering opioid prescription or ordering as part of treatment; and
  - j. Cover the criteria and procedures for offering or referring a patient for treatment for substance use disorder;

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

ment of the patient's death within one working day after the health care institution learns of the patient's death; and

4. Ensure that informed consent, if required from a patient or the patient's representative, includes:
  - a. The patient's:
    - i. Name,
    - ii. Date of birth or other patient identifier, and
    - iii. Condition for which opioids are being prescribed;
  - b. That an opioid is being prescribed or ordered;
  - c. The potential risks, adverse reactions, complications, and medication interactions associated with the use of an opioid;
  - d. If applicable, the potential risks, adverse outcomes, and complications associated with the concurrent use of an opioid and a benzodiazepine or another sedative-hypnotic medication;
  - e. Alternatives to a prescribed or ordered opioid;
  - f. The name and signature of the individual explaining the use of an opioid to the patient; and
  - g. The signature of the patient or the patient's representative and the date signed.
- D. Except as provided in subsection (H) or (I), an administrator of a health care institution where opioids are prescribed as part of treatment shall ensure that a medical practitioner authorized by policies and procedures to prescribe an opioid in treating a patient:
  1. Before prescribing an opioid for a patient of the health care institution:
    - a. Conducts a physical examination of the patient or reviews the documentation from a physical examination conducted during the patient's same episode of care;
    - b. Except as exempted by A.R.S. § 36-2606(G), reviews the patient's profile on the Arizona Board of Pharmacy Controlled Substances Prescription Monitoring Program database;
    - c. Conducts an assessment of the patient's substance use risk or reviews the documentation from an assessment of the patient's substance use risk conducted during the same episode of care by an individual licensed under A.R.S. Title 32 and authorized by policies and procedures to conduct an assessment of the patient's substance use risk;
    - d. Explains to the patient or the patient's representative the risks and benefits associated with the use of opioids or ensures that the patient or the patient's representative understands the risks and benefits associated with the use of opioids, as explained to the patient or the patient's representative by an individual licensed under A.R.S. Title 32 and authorized by policies and procedures to explain to the patient or the patient's representative the risks and benefits associated with the use of opioids;
    - e. If applicable, explains alternatives to a prescribed opioid; and
    - f. Obtains informed consent from the patient or the patient's representative that meets the requirements in subsection (C)(4), including the potential risks, adverse outcomes, and complications associated with the concurrent use of an opioid and a benzodiazepine or another sedative-hypnotic medication, if the patient:
      - i. Is also prescribed or ordered a sedative-hypnotic medication, or
      - ii. Has been prescribed a sedative-hypnotic medication by another medical practitioner;
  2. Includes the following information in the patient's medical record, an existing treatment plan, or a new treatment plan developed for the patient:
    - a. The patient's diagnosis;
    - b. The patient's medical history, including co-occurring disorders;
    - c. The opioid to be prescribed;
    - d. Other medications or herbal supplements being taken by the patient;
    - e. If applicable:
      - i. The effectiveness of the patient's current treatment,
      - ii. The duration of the current treatment, and
      - iii. Alternative treatments tried by or planned for the patient;
    - f. The expected benefit of the treatment and, if applicable, the benefit of the new treatment compared with continuing the current treatment; and
    - g. Other factors relevant to the patient's being prescribed an opioid; and
  3. If applicable, specifies in the patient's discharge plan how medically indicated pain control will occur after discharge to meet the patient's needs.
- E. Except as provided in subsection (G) or (H), an administrator of a health care institution where opioids are ordered for administration to a patient in the health care institution as part of treatment shall ensure that a medical practitioner authorized by policies and procedures to order an opioid in treating a patient:
  1. Before ordering an opioid for a patient of the health care institution:
    - a. Conducts a physical examination of the patient or reviews the documentation from a physical examination conducted:
      - i. During the patient's same episode of care; or
      - ii. Within the previous 30 calendar days, at a health care institution transferring the patient to the health care institution or by the medical practitioner who referred the patient for admission to the health care institution;
    - b. Except as exempted by A.R.S. § 36-2606(G), reviews the patient's profile on the Arizona Board of Pharmacy Controlled Substances Prescription Monitoring Program database;
    - c. If medically appropriate based on the physical examination in subsection (E)(1)(a) and the patient's medical history, assesses the patient's substance use risk or reviews the documentation from an assessment of the patient's substance use risk conducted within the previous 30 calendar days by an individual licensed under A.R.S. Title 32 and authorized by policies and procedures to conduct an assessment of the patient's substance use risk;
    - d. Ensures that the patient or the patient's representative understands the risks and benefits associated with the use of opioids, as explained to the patient or the patient's representative according to policies and procedures; and
    - e. If applicable, explains alternatives to an ordered opioid; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

2. Includes the following information in the patient's medical record, an existing treatment plan, or a new treatment plan developed for the patient:
  - a. The patient's diagnosis;
  - b. The patient's medical history, including co-occurring disorders;
  - c. The opioid being ordered and the reason for the order;
  - d. Other medications or herbal supplements being taken by the patient; and
  - e. If applicable:
    - i. The effectiveness of the patient's current treatment,
    - ii. The duration of the current treatment,
    - iii. Alternative treatments tried by or planned for the patient,
    - iv. The expected benefit of a new treatment compared with continuing the current treatment, and
    - v. Other factors relevant to the patient's being ordered an opioid.
- F. For a health care institution where opioids are administered as part of treatment or where a patient is provided assistance in the self-administration of medication for a prescribed opioid, including a health care institution in which an opioid may be prescribed or ordered as part of treatment, an administrator, a manager as defined in R9-10-801, or a provider, as applicable to the health care institution, shall:
  1. Establish, document, and implement policies and procedures for administering an opioid as part of treatment or providing assistance in the self-administration of medication for a prescribed opioid, to protect the health and safety of a patient, that:
    - a. Cover which personnel members may administer an opioid in treating a patient and the required knowledge and qualifications of these personnel members;
    - b. Cover which personnel members may provide assistance in the self-administration of medication for a prescribed opioid and the required knowledge and qualifications of these personnel members;
    - c. Include how, when, and by whom a patient's need for opioid administration is assessed;
    - d. Include how, when, and by whom a patient receiving an opioid is monitored; and
    - e. Cover how, when, and by whom the actions taken according to subsections (F)(1)(c) and (d) are documented;
  2. Include in the plan for the health care institution's quality management program a process for:
    - a. Review of incidents of opioid-related adverse reactions or other negative outcomes a patient experiences or opioid-related deaths, and
    - b. Surveillance and monitoring of adherence to the policies and procedures in subsection (F)(1);
  3. Except as prohibited by 42 CFR, Chapter I, Subchapter A, Part 2, or as provided in subsection (H)(1), ensure that, if a patient's death may be related to an opioid administered as part of treatment, written notification, in a Department-provided format, is provided to the Department of the patient's death within one working day after the patient's death; and
  4. Except as provided in subsection (H), ensure that an individual authorized by policies and procedures to administer an opioid in treating a patient or to provide assistance in the self-administration of medication for a prescribed opioid:
    - a. Before administering an opioid or providing assistance in the self-administration of medication for a prescribed opioid in compliance with an order as part of the treatment for a patient, identifies the patient's need for the opioid;
    - b. Monitors the patient's response to the opioid; and
    - c. Documents in the patient's medical record:
      - i. An identification of the patient's need for the opioid before the opioid was administered or assistance in the self-administration of medication for a prescribed opioid was provided, and
      - ii. The effect of the opioid administered or for which assistance in the self-administration of medication for a prescribed opioid was provided.
- G. A medical practitioner authorized by a health care institution's policies and procedures to order an opioid in treating a patient is exempt from the requirements in subsection (E), if:
  1. The health care institution's policies and procedures, required in subsection (C)(1) or the applicable Article in 9 A.A.C. 10, contain procedures for:
    - a. Providing treatment without obtaining the consent of a patient or the patient's representative,
    - b. Ordering and administering opioids in an emergency situation, and
    - c. Complying with the requirements in subsection (E) after the emergency is resolved;
  2. The order for the administration of an opioid is:
    - a. Part of the treatment for a patient in an emergency, and
    - b. Issued in accordance with policies and procedures; and
  3. The emergency situation is documented in the patient's medical record.
- H. The requirements in subsections (D), (E), and (F)(4), as applicable, do not apply to a health care institution's:
  1. Prescribing, ordering, or administration of an opioid as part of treatment for a patient with an end-of-life condition or pain associated with an active malignancy;
  2. Prescribing an opioid as part of treatment for a patient when changing the type or dosage of an opioid, which had previously been prescribed by a medical practitioner of the health care institution for the patient according to the requirements in subsection (D):
    - a. Before a pharmacist dispenses the opioid for the patient; or
    - b. If changing the opioid because of an adverse reaction to the opioid experienced by the patient, within 72 hours after the opioid was dispensed for the patient by a pharmacist;
  3. Ordering an opioid as part of treatment for no longer than three calendar days for a patient remaining in the health care institution and receiving continuous medical services or nursing services from the health care institution; or
  4. Ordering an opioid as part of treatment:
    - a. For a patient receiving a surgical procedure or other invasive procedure; or
    - b. When changing the type, dosage, or route of administration of an opioid, which had previously been ordered by a medical practitioner of the health care institution for a patient according to the requirements in subsection (E), to meet the patient's needs.

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- I. The requirements in subsections (D)(1)(c) through (f) do not apply to a health care institution's prescribing an opioid as part of treatment for a patient with chronic, intractable pain who has had an established health professional-patient relationship with the prescribing medical practitioner for at least 90 days before the opioid is prescribed.

**R9-10-121. Disease Prevention and Control****A.** This Section applies:

1. When the Governor has declared a state of emergency, as defined in A.R.S. § 26-301, to address a situation described under A.R.S. § 36-787; and
2. To health care institutions licensed under Article 4, 5, or 8 of this Chapter.

**B.** The following definitions apply in this Section:

1. "Communicable disease" has the same meaning as in A.A.C. R9-6-101.
2. "Infection" has the same meaning as in A.A.C. R9-6-101.
3. "Respiratory symptoms" means coughing, shortness of breath, or wheezing not known to be caused by asthma or another chronic lung-related disease.

**C.** An administrator or manager, as applicable, shall ensure that policies and procedures are established, documented, and implemented, to protect the health and safety of a resident, that:

1. Cover screening and triage of personnel members, employees, visitors, and, except as provided in subsection (E), any other individuals entering the facility;
2. Cover the manner and frequency of assessing residents to determine a change in a resident's medical condition;
3. Establish disinfection protocols and schedules for frequently touched surfaces; and
4. Specify requirements for distancing residents who exhibit symptoms of a communicable disease from other residents to reduce the chance for infection of another individual.

**D.** An administrator or manager, as applicable, shall ensure that:

1. Except as provided in subsection (E), before entering the facility, each individual, including a personnel member, employee, or visitor, is screened for fever or respiratory symptoms indicative of a communicable disease;
2. If an individual refuses to be screened, the individual is excluded from entry to the facility;
3. If an individual is determined to have a fever or respiratory symptoms, the individual is excluded from entry to the facility until symptoms have resolved or the individual has been evaluated and cleared by a medical practitioner;
4. If an individual, other than a resident, develops a fever or respiratory symptoms while in the facility, the individual is required to leave the facility and not return until symptoms

have resolved or the individual has been evaluated and cleared by a medical practitioner; and

5. If insufficient personnel members are available to meet the needs of all residents in the facility, the administrator or manager, as applicable, implements the disaster plan required in R9-10-424, R9-10-523, or R9-10-819, as applicable, which may include moving a resident to a different facility.
- E.** An administrator or manager, as applicable, may allow an emergency medical care technician, as defined in A.R.S. § 36-2201, to enter the facility without screening if the emergency medical care technician is responding to a call for providing emergency medical services, as defined in A.R.S. § 36-2201, to a resident or other individual in the facility.
- F.** An administrator or manager, as applicable, shall ensure that:
1. An assessment of a resident includes whether the resident has a fever or respiratory symptoms indicative of a communicable disease and is documented in the resident's medical record; and
  2. If a resident is found to have a fever or respiratory symptoms indicative of a communicable disease:
    - a. The resident is evaluated by a medical practitioner within 24 hours to determine what services need to be provided to the resident and what precautions need to be taken by the facility, and the evaluation is documented in the resident's medical record;
    - b. To reduce the chance for infection of another individual, the resident is:
      - i. Kept at a distance of at least six feet from other residents; or
      - ii. If not possible to keep the resident at a distance from other residents, required to wear a face-mask;
    - c. A personnel member:
      - i. Takes precautions, which may include the use of gloves and a facemask or other personal protection equipment, while providing services to the resident; and
      - ii. - iv. The skills an individual is expected to acquire for each topic; and
- v. The testing method used to verify an individual has acquired the stated skills for each topic;
- h. Whether the applicant agrees to allow the Department to submit supplemental requests for information as specified in subsection (H)(2); and
- i. The signature of the individual in charge of the proposed memory care services training program and the date signed; and
- 2. A copy of the materials used for providing the memory care services training program.
- B.** The memory care services training program shall include in-person components and may incorporate online components. The in-person component shall include a demonstration of the individual's skills and knowledge necessary to provide memory care services.
- C.** The memory care services training program shall review the topics and materials provided in the memory care services training at least once every 12 months to ensure the information is current and evidence-based, and if necessary, update the materials based on the most up-to-date source or sources for evidence-based practice or practices.
- D.** For annual renewal, at least 60 days before the expiration of approval, a memory care services training program shall submit to the Department, in a Department-provided format:
  1. The memory care services training program's approval number; and
  2. The information in subsection (A).
- E.** For an application for an approval of a memory care services training program, the administrative review time-frame is 30 calendar days, the substantive review time-frame is 30 calendar days, and the overall time-frame is 60 calendar days.
- F.** Within 30 calendar days after the receipt of an application in subsection (A), the Department shall:
  1. Issue an approval of the applicant's memory care services training program;
  2. Provide a notice of administrative completeness to the applicant that submitted the application; or
  3. Provide a notice of deficiencies to the applicant that submitted the application, including a list of the information or documents needed to complete the application.
- G.** If the Department provides a notice of deficiencies to an applicant:
  1. The administrative completeness review time-frame and the overall time-frame are suspended from the date of the notice of deficiencies until the date the Department receives the missing information or documents from the applicant;
  2. If the applicant does not submit the missing information or documents to the Department within 30 calendar days, the Department shall consider the application withdrawn; and
- 3. If the applicant submits the missing information or documents to the Department within 30 calendar days, the substantive review time-frame begins on the date the Department receives the missing information or documents.
- H.** Within the substantive review time-frame, the Department:
  1. Shall issue or deny an approval of a memory care services training program; and
  2. May make one written comprehensive request for more information, unless the Department and the applicant agree in writing to allow the Department to submit supplemental requests for information.
- I.** If the Department issues a written comprehensive request or a supplemental request for information:
  1. The substantive review time-frame and the overall time-frame are suspended from the date of the written comprehensive request or the supplemental request for information until the date the Department receives the information requested, and
  2. The applicant shall submit to the Department the information and documents listed in the written comprehensive request or supplemental request for information within 10 working days after the date of the comprehensive written request or supplemental request for information.
- J.** The Department shall issue:
  1. An approval for an applicant to operate a memory care services training program if the Department determines that the applicant and the application comply with A.R.S. § 36-405.03 and this Section, or
  2. A denial for an applicant that includes the reason for the denial and the process for appeal of the Department's decision if:
    - a. The Department determines that the applicant does not comply with A.R.S. § 36-405.03 and this Section, or
    - b. The applicant does not submit information and documents listed in the written comprehensive request or supplemental request for information within 10 working days after the date of the comprehensive written request or supplemental request for information.
- K.** The Department may deny, revoke, or suspend an approval to operate a memory care services training program if a memory care services training program provider or an applicant applying to operate a memory care services training program:
  1. Provides false or misleading information to the Department,
  2. Does not comply with the applicable statutes and rules,
  3. Issues a training certificate of completion to an individual who did not,
    - a. Complete the memory care services training program, or
    - b. Demonstrate the skills the individual was expected to acquire, or
  4. Does not implement the memory care services training program as described in or use the materials submitted with the application.
- L.** In determining which action in subsection (K) is appropriate, the Department shall consider the following:
  1. Repeated violations of statutes or rules,
  2. Pattern of non-compliance,
  3. Types of violations,
  4. Severity of violations, and

    - (1) Frequencies of monitoring and assessment based on a patient's condition, cognitive status, situational factors, and risks associated with the specific restraint or seclusion;
    - (2) For the renewal of an order for restraint or seclusion, whether an assessment is required before the order is renewed and, if an assessment is required, who may conduct the assessment;
    - (3) Assessment content, which may include, depending on a patient's condition, the patient's vital signs, respiration, circulation, hydration needs, elimination needs, level of distress and agitation, mental status, cognitive functioning, neurological functioning, and skin integrity;
    - (4) If a mechanical restraint is used, how often the mechanical restraint is monitored or loosened; and
    - (5) A process for meeting a patient's nutritional needs and elimination needs;
- g. Establish the criteria and procedures for renewing an order for restraint or seclusion;
- h. Establish procedures for internal review of the use of restraint or seclusion;
- i. Establish requirements for notifying the parent or guardian of a patient who is under 18 years of age and who is restrained or secluded; and
- j. Establish medical record and personnel record documentation requirements for restraint and seclusion, if applicable;
- 6. If time-out is used in the organized psychiatric services unit or special hospital, a time-out:
  - a. Takes place in an area that is unlocked, lighted, quiet, and private;
  - b. Does not take place in the room approved for seclusion by the Department under R9-10-104;
  - c. Is time-limited and does not exceed two hours per incident or four hours per day;
  - d. Does not result in a patient's missing a meal if the patient is in time-out at mealtime;
  - e. Includes monitoring of the patient by a medical staff member or personnel member at least once every 15 minutes to ensure the patient's health, safety, and welfare and to determine if the patient is ready to leave time-out; and
  - f. Is documented in the patient's medical record, to include:
    - i. The date of the time-out,
    - ii. The reason for the time-out,
    - iii. The duration of the time-out, and
    - iv. The action planned and taken to address the reason for the time-out;
- 7. Restraint or seclusion is:
  - a. Not used as a means of coercion, discipline, convenience, or retaliation;
  - b. Only used when all of the following conditions are met:
    - i. Except as provided in subsection (A)(8), after obtaining an order for the restraint or seclusion;
    - ii. For the management of a patient's aggressive, violent, or self-destructive behavior;
    - iii. When less restrictive interventions have been determined to be ineffective; and
    - iv. To ensure the immediate physical safety of the patient, to prevent imminent harm to the patient or another individual, or to stop physical harm to another individual; and
  - c. Discontinued at the earliest possible time;
- 8. If as a result of a patient's aggressive, violent, or self-destructive behavior, harm to the patient or another individual is imminent or the patient or another individual is being physically harmed, a personnel member:
  - a. May initiate an emergency application of restraint or seclusion for the patient before obtaining an order for the restraint or seclusion, and
  - b. Obtains an order for the restraint or seclusion of the patient during the emergency application of the restraint or seclusion;
- 9. Restraint or seclusion is:
  - a. Only ordered by a physician or a registered nurse practitioner, and
  - b. Not written as a standing order or on an as-needed basis;
- 10. An order for restraint or seclusion includes:

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- a. The name of the individual ordering the restraint or seclusion;
  - b. The date and time that the restraint or seclusion was ordered;
  - c. The specific restraint or seclusion ordered;
  - d. If a drug is ordered as a chemical restraint, the drug's name, strength, dosage, and route of administration;
  - e. The specific criteria for release from restraint or seclusion without an additional order; and
  - f. The maximum duration authorized for the restraint or seclusion;
11. An order for restraint or seclusion is limited to the duration of the emergency situation and does not exceed:
- a. Four continuous hours for a patient who is 18 years of age or older,
  - b. Two continuous hours for a patient who is between the ages of nine and 17 years of age, or
  - c. One continuous hour for a patient who is younger than nine years of age;
12. If restraint and seclusion are used on a patient simultaneously, the patient receives continuous:
- a. Face-to-face monitoring by a medical staff member or personnel member, or
  - b. Video and audio monitoring by a medical staff member or personnel member who is in close proximity to the patient;
13. If an order for restraint or seclusion of a patient is not provided by a medical practitioner coordinating the patient's medical services, the medical practitioner is notified as soon as possible;
14. A medical staff member or personnel member does not participate in restraint or seclusion, monitor a patient during restraint or seclusion, or evaluate a patient after restraint or seclusion until the medical staff member or personnel member completes education and training that:
- a. Includes:
    - i. Techniques to identify medical staff member, personnel member, and patient behaviors; events; and environmental factors that may trigger circumstances that require restraint or seclusion;
    - ii. The use of nonphysical intervention skills, such as de-escalation, mediation, conflict resolution, active listening, and verbal and observational methods;
    - iii. Techniques for identifying the least restrictive intervention based on an assessment of the patient's medical or behavioral health condition;
    - iv. The safe use of restraint and the safe use of seclusion, including training in how to recognize and respond to signs of physical and psychological distress in a patient who is restrained or secluded;
    - v. Clinical identification of specific behavioral changes that indicate that the restraint or seclusion is no longer necessary;
    - vi. Monitoring and assessing a patient while the patient is in restraint or seclusion according to policies and procedures; and
    - vii. Training exercises in which medical staff members and personnel members successfully demonstrate the techniques that the medical staff members and personnel members have learned for managing emergency situations; and
  - b. Is provided by individuals qualified according to policies and procedures;
15. When a patient is placed in restraint or seclusion:
- a. The restraint or seclusion is conducted according to policies and procedures;
  - b. The restraint or seclusion is proportionate and appropriate to the severity of the patient's behavior and the patient's:
    - i. Chronological and developmental age;
    - ii. Size;
    - iii. Gender;
    - iv. Physical condition;
    - v. Medical condition;
    - vi. Psychiatric condition; and
    - vii. Personal history, including any history of physical or sexual abuse;
  - c. The physician or registered nurse practitioner who ordered the restraint or seclusion is available for consultation throughout the duration of the restraint or seclusion;
  - d. A patient is monitored and assessed according to policies and procedures;
  - e. A physician or other health professional authorized by policies and procedures assesses the patient within one hour after the patient is placed in the restraint or seclusion and determines:
    - i. The patient's current behavior,
    - ii. The patient's reaction to the restraint or seclusion used,
    - iii. The patient's medical and behavioral condition, and
    - iv. Whether to continue or terminate the restraint or seclusion;
  - f. The patient is given the opportunity:
    - i. To eat during mealtime, and
    - ii. To use the toilet; and
  - g. The restraint or seclusion is discontinued at the earliest possible time, regardless of the length of time identified in the order;
16. If a patient is placed in seclusion, the room used for seclusion:
- a. Is approved for use as a seclusion room by the Department under R9-10-104;
  - b. Is not used as a patient's bedroom or a sleeping area;
  - c. Allows full view of the patient in all areas of the room;
  - d. Is free of hazards, such as unprotected light fixtures or electrical outlets;
  - e. Contains at least 60 square feet of floor space; and
  - f. Except as provided in subsection (A)(17), contains a non-adjustable bed that:
    - i. Consists of a mattress on a solid platform that is:
      - (1) Constructed of a durable, non-hazardous material; and
      - (2) Raised off of the floor;
    - ii. Does not have wire springs or a storage drawer; and
    - iii. Is securely anchored in place;
17. If a room used for seclusion does not contain a non-adjustable bed required in subsection (A)(16)(f):

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- a. A piece of equipment is available for use in the room used for seclusion that:
    - i. Is commercially manufactured to safely and humanely restrain a patient's body;
    - ii. Provides support to the trunk and head of a patient's body;
    - iii. Provides restraint to the trunk of a patient's body;
    - iv. Is able to restrict movement of a patient's arms, legs, trunk, and head;
    - v. Allows a patient's body to recline; and
    - vi. Does not inflict harm on a patient's body; and
  - b. Documentation of the manufacturer's specifications for the piece of equipment in subsection (A)(17)(a) is maintained;
18. A seclusion room may be used for services or activities other than seclusion if:
- a. A sign stating the service or activity scheduled or being provided in the room is conspicuously posted outside the room;
  - b. No permanent equipment other than the bed required in subsection (A)(16)(f) is in the room;
  - c. Policies and procedures are established, documented, and implemented that:
    - i. Delineate which services or activities other than seclusion may be provided in the room,
    - ii. List what types of equipment or supplies may be placed in the room for the delineated services, and
    - iii. Provide for the prompt removal of equipment and supplies from the room before the room is used for seclusion; and
  - d. The sign required in subsection (A)(18)(a) and equipment and supplies in the room, other than the bed required in subsection (A)(16)(f), are removed before a patient is placed in seclusion in the room;
19. A medical staff member or personnel member documents the following information in a patient's medical record before the end of the shift in which the patient is placed in restraint or seclusion or, if the patient's restraint or seclusion does not end during the shift in which it began, during the shift in which the patient's restraint or seclusion ends:
- a. The emergency situation that required the patient to be restrained or put in seclusion;
  - b. The times the patient's restraint or seclusion actually began and ended;
  - c. The time of the face-to-face assessment required in subsection (A)(12)(a);
  - d. The monitoring required in subsection (A)(12)(b) or (15)(d), as applicable;
  - e. The times the patient was given the opportunity to eat or use the toilet according to subsection (A)(15)(f); and
  - f. The names of the medical staff members and personnel members with direct patient contact while the patient was in the restraint or seclusion; and
20. If an emergency situation continues beyond the time limit of an order for restraint or seclusion, the order is renewed according to policies and procedures.
- B.** For a patient who was admitted after a suicide attempt or who exhibits suicidal ideation, in addition to the admission requirements in R9-10-208 and discharge planning requirements in R9-10-209, an administrator shall ensure that:
1. The patient receives a suicide assessment; and
  2. The patient or the patient's representative receives:
    - a. The results of the suicide assessment in subsection (B)(1);
    - b. Information about the availability of age-appropriate, suicide crisis services, including contact information;
    - c. Specific information about or a referral to one of the following for ongoing or follow-up treatment related to suicide, including scheduling an appointment for the patient when practicable:
      - i. Another health care institution;
      - ii. A medical practitioner or, for a patient going to another state after discharge, a similarly licensed individual in the other state; or
      - iii. A behavioral health professional certified or licensed under A.R.S. Title 32 to provide treatment related to suicide or, for a patient going to another state after discharge, a similarly certified or licensed individual in the other state; and
    - d. Information about and instructions on how to access the Department of Insurance and Financial Institution's website, available through [difi.az.gov](http://difi.az.gov), developed in compliance with A.R.S. § 20-3503(B), including how to file an appeal of an insurance determination.
- C.** An administrator of a hospital that provides opioid treatment services to an outpatient shall comply with the requirements in R9-10-1020.

13. When a patient is admitted, a registered nurse:
    - a. Conducts a nursing assessment of a patient's medical condition and history;
    - b. Determines whether the:
      - i. Patient requires immediate physical health services, and
      - ii. Patient's behavioral health issue may be related to the patient's medical condition and history;
    - c. Determines the acuity of the patient's medical condition;
    - d. Documents the patient's nursing assessment and the determinations required in subsection (A)(13)(b) and (c) in the patient's medical record; and
    - e. Signs the patient's medical record;
  14. A behavioral health assessment:
    - a. Documents the patient's:
      - i. Presenting issue, including the acuity of the patient's presenting issue;
      - ii. Substance abuse history;
      - iii. Co-occurring disorder;
      - iv. Legal history, including:
        - (1) Custody,
        - (2) Guardianship, and
        - (3) Pending litigation;
      - v. Court-ordered evaluation;
      - vi. Court-ordered treatment;
      - vii. Criminal justice record;
      - viii. Family history;
      - ix. Behavioral health treatment history;
      - x. Symptoms reported by the patient; and
      - xi. Referrals needed by the patient, if any; and
    - b. Includes:
      - i. Recommendations for further assessment or examination of the patient's needs;
      - ii. Recommendations for staffing levels or personnel member qualifications related to the patient's treatment to ensure patient health and safety;
      - iii. For a patient who:
        - (1) Is admitted to receive crisis services, the behavioral health services and physical health services that will be provided to the patient; or
        - (2) Does not need crisis services, the behavioral health services or physical health services that will be provided to the patient until the patient's treatment plan is completed; and
      - iv. The signature and date signed of the personnel member conducting the behavioral health assessment;
  15. A patient is referred to a medical practitioner if a determination is made that the patient requires immediate physical health services or the patient's behavioral health issue may be related to the patient's medical condition;
  16. A request for participation in a patient's behavioral health assessment is made to the patient or the patient's representative;
  17. An opportunity for participation in the patient's behavioral health assessment is provided to the patient or the patient's representative;
  18. The request in subsection (A)(16) and the opportunity in subsection (A)(17) are documented in the patient's medical record;
  19. For a patient who is admitted to receive crisis services, the patient's behavioral health assessment is documented in the patient's medical record within eight hours after admission;
  20. Except as provided in subsection (A)(19), a patient's behavioral health assessment is documented in the patient's medical record within 24 hours after completing the assessment; and
  21. If the information listed in subsection (A)(14) is obtained about a patient after the patient's behavioral health assessment is completed, an interval note, including the information, is documented in the patient's medical record within 48 hours after the information is obtained.
- B.** If the results of a suicide assessment required in subsection (A)(11) indicate that the patient could be a danger to self upon discharge, an administrator shall ensure that the information in R9-10-309(B)(2) is made available to the patient or the patient's representative as part of the opportunity for participation in the patient's behavioral health assessment required in subsection (A)(17).

**Historical Note**

New Section R9-10-307 made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). **R9-10-308. Treatment Plan**

- A.** Except for a patient admitted to receive crisis services or as provided in R9-10-315(E) or (F), an administrator shall ensure that a treatment plan is developed and implemented for a patient that:
1. Is based on the behavioral health assessment and ongoing changes to the behavioral health assessment of the patient;
  2. Is completed:
    - a. By a behavioral health professional or by a behavioral health technician under the clinical oversight of a behavioral health professional, and
    - b. Before the patient receives treatment;
  3. Is documented in the patient's medical record within 24 hours after the patient first receives treatment;
  4. Includes:
    - a. The patient's presenting issue, including the acuity of the patient's presenting issue;
    - b. The behavioral health services and physical health services to be provided to the patient;
    - c. If the patient was admitted after a suicide attempt or who exhibits suicidal ideation:
      - i. The results of the suicide assessment required in R9-10-307(11), and

- ii. Information specific to helping prevent a recurrence;
    - d. The signature of the patient or the patient's representative and date signed, or documentation of the refusal to sign;
    - e. The date when the patient's treatment plan will be reviewed;
    - f. If a discharge date has been determined, the treatment needed after discharge; and
    - g. The signature of the personnel member who developed the treatment plan and the date signed;
  - 5. If the treatment plan was completed by a behavioral health technician, is reviewed and signed by a behavioral health professional within 24 hours after the completion of the treatment plan to ensure that the treatment plan identifies the acuity of the patient and meets the patient's treatment needs; and
  - 6. Is reviewed and updated on an on-going basis:
    - a. According to the review date specified in the treatment plan,
    - b. When a treatment goal is accomplished or changes,
    - c. When additional information that affects the patient's behavioral health assessment is identified, and
    - d. When a patient has a significant change in condition or experiences an event that affects treatment.
  - B.** An administrator shall ensure that:
    - 1. A request for participation in developing a patient's treatment plan is made to the patient or the patient's representative;
    - 2. An opportunity for participation in developing the patient's treatment plan is provided to the patient or the patient's representative; and
    - 3. The request in subsection (B)(1) and the opportunity in subsection (B)(2) are documented in the patient's medical record.
  - C.** If a patient who is admitted to receive crisis services remains admitted as a patient after the patient no longer needs crisis services, an administrator shall ensure that a treatment plan for the patient is:
    - 1. Except for subsection (A)(3), completed according to the requirements in subsection (A); and
    - 2. Documented in the patient's medical record within 24 hours after the patient no longer needs crisis services.
- Historical Note**
- New Section R9-10-308 made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). - R9-10-309. Discharge**
- A.** Except as provided in R9-10-315(E) or (F), an administrator shall ensure that a discharge plan for a patient is:
    - 1. Developed that:
      - a. Identifies any specific needs of the patient after discharge;
      - b. If the discharge date has been determined, includes the discharge date;
      - c. Is completed before discharge occurs; and
    - d. Includes a description of the level of care that may meet the patient's assessed and anticipated needs after discharge;
    - 2. Documented in the patient's medical record within 48 hours after the discharge plan is completed; and
    - 3. Provided to the patient or the patient's representative before the discharge occurs.
  - B.** For a patient who was admitted after a suicide attempt or who exhibits suicidal ideation, in addition to the discharge planning requirements in subsection (A), an administrator shall ensure that:
    - 1. The patient receives a suicide assessment; and
    - 2. The patient or the patient's representative receives:
      - a. The results of the suicide assessment;
      - b. Information about the availability of age-appropriate, suicide crisis services, including contact information; and
      - c. Information about and instructions on how to access the Department of Insurance and Financial Institution's website, available through [difi.az.gov](http://difi.az.gov), developed in compliance with A.R.S. § 20-3503(B), including how to file an appeal of an insurance determination.
  - C.** An administrator shall ensure that:
    - 1. A request for participation in developing a patient's discharge plan is made to the patient or the patient's representative,
    - 2. An opportunity for participation in developing the patient's discharge plan is provided to the patient or the patient's representative, and
    - 3. The request in subsection (C)(1) and the opportunity in subsection (C)(2) are documented in the patient's medical record.
  - D.** An administrator shall ensure that a patient is discharged from a behavioral health inpatient facility when the patient's treatment needs are not consistent with the services that the behavioral health inpatient facility is authorized and able to provide.
  - E.** An administrator shall ensure that there is a documented discharge order by a medical practitioner or behavioral health professional before a patient is discharged unless the patient leaves the behavioral health inpatient facility against a medical practitioner's or behavioral health professional's advice.
  - F.** An administrator shall ensure that, at the time of discharge, a patient receives:
    - 1. A referral for treatment or ancillary services that the patient may need after discharge, if applicable; and
    - 2. For a patient who was admitted after a suicide attempt or who exhibits suicidal ideation, specific information about or a referral to one of the following for ongoing or follow-up treatment related to suicide, including scheduling an appointment for the patient when practicable:
      - a. Another health care institution;
      - b. A medical practitioner or, for a patient going to another state after discharge, a similarly licensed individual in the other state; or
      - c. A behavioral health professional certified or licensed under A.R.S. Title 32 to provide treatment related to suicide or, for a patient going to another state after discharge, a similarly certified or licensed individual in the other state.
  - G.** If a patient is discharged to any location other than a health care institution, an administrator shall ensure that:
    - 1. Discharge instructions are documented, and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

2. The patient or the patient's representative is provided with a copy of the discharge instructions.
- H.** An administrator shall ensure that a discharge summary:
  1. Is entered into the patient's medical record within 10 working days after a patient's discharge; and
  2. Includes:
    - a. The following information authenticated by a medical practitioner or behavioral health professional:
      - i. The patient's presenting issue and other physical health and behavioral health issues identified in the patient's nursing assessment, behavioral health assessment, or treatment plan;
      - ii. A summary of the treatment provided to the patient;
      - iii. The patient's progress in meeting treatment goals, including treatment goals that were and were not achieved; and
      - iv. The name, dosage, and frequency of each medication ordered for the patient by a medical practitioner at the behavioral health inpatient facility at the time of the patient's discharge;
    - b. For a patient who was admitted after a suicide attempt or who exhibits suicidal ideation, the following information:
      - i. A description of the specific information about ongoing or follow-up treatment related to suicide provided to the patient or the patient's representative;
      - ii. Whether a referral was made for the patient according to subsection (F)(2) for ongoing or follow-up treatment related to suicide and, if so, information about the referral; and
      - iii. Whether an appointment was scheduled for the patient according to subsection (F)(2) for ongoing or follow-up treatment related to suicide and, if so, the date and time of the appointment; and
    - c. A description of the disposition of the patient's possessions, funds, or medications brought to the behavioral health inpatient facility by the patient.
- I.** An administrator shall ensure that a patient who is dependent upon a prescribed medication is offered detoxification services, opioid treatment, or a written referral to detoxification services or opioid treatment before the patient is discharged from the behavioral health inpatient facility if a medical practitioner for the behavioral health inpatient facility will not be prescribing the medication for the patient at or after discharge.
  - b. Information from the patient's medical record is provided to a receiving health care institution,
  - c. A personnel member explains risks and benefits of the transport to the patient or the patient's representative, and
  - d. A personnel member communicates or documents why the personnel member did not communicate with an individual at a receiving health care institution; and
3. The patient's medical record includes documentation of:
  - a. Communication or lack of communication with an individual at a receiving health care institution;
  - b. The date and time of the transport;
  - c. The mode of transportation; and
  - d. If applicable, the name of the personnel member accompanying the patient during a transport.
- B.** Subsection (A) does not apply to:
  1. Transportation to a location other than a licensed health care institution,
  2. Transportation provided for a patient by the patient or the patient's representative,
  3. Transportation provided by an outside entity that was arranged for a patient by the patient or the patient's representative, or
  4. A transport to another licensed health care institution in an emergency.
- C.** Except for a transfer of a patient due to an emergency, an administrator shall ensure that:
  1. A personnel member coordinates the transfer and the services provided to the patient;
  2. According to policies and procedures:
    - a. An evaluation of the patient is conducted before the transfer;
    - b. Information from the patient's medical record, including orders that are in effect at the time of the transfer, is provided to a receiving health care institution; and
    - c. A personnel member explains risks and benefits of the transfer to the patient or the patient's representative; and
  3. Documentation in the patient's medical record includes:
    - a. Communication with an individual at a receiving health care institution;
    - b. The date and time of the transfer;
    - c. The mode of transportation; and
    - d. If applicable, the name of the personnel member accompanying the patient during a transfer.

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

2. At the time of admission, a patient or the patient's representative receives a written copy of the requirements in subsection (B) and the patient rights in subsection (D); and
3. Policies and procedures include:
  - a. How and when a patient or the patient's representative is informed of patient rights in subsection (D), and
  - b. Where patient rights are posted as required in subsection (A)(1).
- B.** An administrator shall ensure that:
  1. A patient is treated with dignity, respect, and consideration;
  2. A patient is not subjected to:
    - a. Abuse;
    - b. Neglect;
    - c. Exploitation;
    - d. Coercion;
    - e. Manipulation;
    - f. Sexual abuse;
    - g. Sexual assault;
    - h. Except as allowed under R9-10-316, restraint or seclusion;
    - i. Retaliation for submitting a complaint to the Department or another entity;
    - j. Misappropriation of personal and private property by the behavioral health inpatient facility's personnel members, employees, volunteers, or students;
    - k. Discharge or transfer, or threat of discharge or transfer, for reasons unrelated to the patient's treatment needs, except as established in a fee agreement signed by the patient or the patient's representative; or
    - l. Treatment that involves the denial of:
      - i. Food,
      - ii. The opportunity to sleep, or
      - iii. The opportunity to use the toilet;
  3. Except as provided in subsection (C), a patient is allowed to:
    - a. Associate with individuals of the patient's choice, receive visitors, and make telephone calls during the hours established by the behavioral health inpatient facility;
    - b. Have privacy in correspondence, communication, visitation, financial affairs, and personal hygiene; and
    - c. Unless restricted by a court order, send and receive uncensored and unopened mail; and
  4. Except as provided in R9-10-318, a patient or, if applicable, the patient's representative:
    - a. Except in an emergency, either consents to or refuses treatment;
    - b. May refuse or withdraw consent for treatment before treatment is initiated, unless the treatment is ordered by a court according to A.R.S. Title 36, Chapter 5; is necessary to save the patient's life or physical health; or is provided according to A.R.S. § 36-512;
    - c. Except in an emergency, is informed of alternatives to a proposed psychotropic medication and the associated risks and possible complications of the proposed psychotropic medication;
    - d. Is informed of the following:
      - i. The policy on health care directives, and
      - ii. The patient complaint process; and
    - e. Except as otherwise permitted by law, provides written consent to the release of information in the patient's:
      - i. Medical record, or
      - ii. Financial records.
- C.** If a medical director or clinical director determines that a patient's treatment requires the behavioral health inpatient facility to restrict the patient's ability to participate in an activity in subsection (B)(3), the medical director or clinical director shall:
  1. Document a specific treatment purpose in the patient's medical record that justifies restricting the patient from the activity,
  2. Inform the patient of the reason why the activity is being restricted, and
  3. Inform the patient of the patient's right to file a complaint and the procedure for filing a complaint.
- D.** A patient has the following rights:
  1. Not to be discriminated against based on race, national origin, religion, gender, sexual orientation, age, disability, marital status, or diagnosis;
  2. To receive treatment that:
    - a. Supports and respects the patient's individuality, choices, strengths, and abilities;
    - b. Supports the patient's personal liberty and only restricts the patient's personal liberty according to a court order, by the patient's or the patient's representative's general consent, or as permitted in this Chapter; and
    - c. Is provided in the least restrictive environment that meets the patient's treatment needs;
  3. To receive privacy in treatment and care for personal needs, including the right not to be fingerprinted, photographed, or recorded without consent, except:
    - a. A patient may be photographed when admitted to a behavioral health inpatient facility for identification and administrative purposes;
    - b. For a patient receiving treatment according to A.R.S. Title 36, Chapter 37; or
    - c. For video recordings used for security purposes that are maintained only on a temporary basis;
  4. Not to be prevented or impeded from exercising the patient's civil rights unless the patient has been adjudicated incompetent or a court of competent jurisdiction has found that the patient is not able to exercise a specific right or category of rights;
  5. To review, upon written request, the patient's own medical record according to A.R.S. §§12-2293, 12-2294, and 12-2294.01;
  6. To receive a referral to another health care institution if the behavioral health inpatient facility is not authorized or not able to provide physical health services or behavioral health services needed by the patient;
  7. To participate or have the patient's representative participate in the development of a treatment plan or decisions concerning treatment;
  8. To participate or refuse to participate in research or experimental treatment; and
  9. To receive assistance from a family member, the patient's representative, or other individual in understanding, protecting, or exercising the patient's rights.

1979, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 79-1). Adopted effective June 14, 1979 (Supp. 79-3). Former Section R9-10-311 repealed, new Section R9-10-311 adopted effective February 4, 1981 (Supp. 81-1). Section repealed by final rulemaking at 8 A.A.R. 2785, effective October 1, 2002 (Supp. 02-2). New Section R9-10-311 made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

**R9-10-312. Medical Records****A.** An administrator shall ensure that:

1. A medical record is established and maintained for each patient according to A.R.S. Title 12, Chapter 13, Article 7.1;
2. An entry in a patient's medical record is:
  - a. Recorded only by a personnel member authorized by policies and procedures to make the entry;
  - b. Dated, legible, and authenticated; and
  - c. Not changed to make the initial entry illegible;
3. An order is:
  - a. Dated when the order is entered in the patient's medical record and includes the time of the order;
  - b. Authenticated by a medical practitioner or behavioral health professional according to policies and procedures; and
  - c. If the order is a verbal order, authenticated by the medical practitioner or behavioral health professional issuing the order;
4. If a rubber-stamp signature or an electronic signature is used to authenticate an order, the individual whose signature the rubber-stamp signature or electronic signature represents is accountable for the use of the rubber-stamp signature or electronic signature;
5. A patient's medical record is available to an individual:
  - a. Authorized according to policies and procedures to access the patient's medical record;
  - b. If the individual is not authorized according to policies and procedures, with the written consent of the patient or the patient's representative, or
  - c. As permitted by law; and
6. A patient's medical record is protected from loss, damage, or unauthorized use.

**B.** If a behavioral health inpatient facility maintains patients' medical records electronically, an administrator shall ensure that:

1. Safeguards exist to prevent unauthorized access, and
2. The date and time of an entry in a medical record is recorded by the computer's internal clock.

**C.** An administrator shall ensure that a patient's medical record contains:

1. Patient information that includes:
  - a. The patient's name;
  - b. The patient's address;
  - c. The patient's date of birth; and
  - d. Any known allergy, including medication allergies;
2. Medication information that includes:
  - a. Documentation of medication ordered for the patient; and
  - b. Documentation of medication administered to the patient that includes:
    - i. The date and time of administration;

- ii. The name, strength, dosage, amount, and route of administration;
  - iii. For a medication administered for pain on a PRN basis:
    - (1) An assessment of the patient's pain before administering the medication, and
    - (2) The effect of the medication administered;
  - iv. For a psychotropic medication administered on a PRN basis:
    - (1) An assessment of the patient's behavior before administering the psychotropic medication, and
    - (2) The effect of the psychotropic medication administered;
  - v. The identification and authentication of the individual administering the medication or providing assistance in the self-administration of the medication; and
  - vi. Any adverse reaction the patient has to the medication;
3. If applicable, documented general consent and informed consent by the patient or the patient's representative;
  4. If applicable, the name and contact information of the patient's representative and:
    - a. If the patient is 18 years of age or older or an emancipated minor, the document signed by the patient consenting for the patient's representative to act on the patient's behalf; or
    - b. If the patient's representative:
      - i. Has a health care power of attorney established under A.R.S. § 36-3221 or a mental health care power of attorney executed under A.R.S. § 36-3282, a copy of the health care power of attorney or mental health care power of attorney; or
      - ii. Is a legal guardian, a copy of the court order establishing guardianship;
  5. The patient's medical history and results of a physical examination or an interval note;
  6. If the patient provides a health care directive, the health care directive signed by the patient or the patient's representative;
  7. An admitting diagnosis or presenting symptoms;
  8. The date of admission and, if applicable, the date of discharge;
  9. The name of the admitting medical practitioner or behavioral health professional;
  10. Orders;
  11. The patient's nursing assessment and behavioral health assessment and any interval notes;
  12. Treatment plans;
  13. Documentation of behavioral health services and physical health services provided to the patient;

        - (1) Constructed of a durable, non-hazardous material; and
        - (2) Raised off of the floor;
      - ii. Does not have wire springs or a storage drawer; and
      - iii. Is securely anchored in place;
    3. If a room used for seclusion does not contain a non-adjustable bed required in subsection (B)(2)(f):
      - a. A piece of equipment is available that:
        - i. Is commercially manufactured to safely and humanely restrain a patient's body;
        - ii. Provides support to the trunk and head of a patient's body;
        - iii. Provides restraint to the trunk of a patient's body;
        - iv. Is able to restrict movement of a patient's arms, legs, body, and head;
        - v. Allows a patient's body to recline; and
        - vi. Does not inflict harm on a patient's body; and
      - b. Documentation of the manufacturer's specifications for the piece of equipment in subsection (B)(3)(a) is maintained; and
    4. A seclusion room may be used for services or activities other than seclusion if:
      - a. A sign stating the service or activity scheduled or being provided in the room is conspicuously posted outside the room;
      - b. No permanent equipment other than the bed required in subsection (B)(2)(f) is in the room;
      - c. Policies and procedures:
        - i. Delineate which services or activities other than seclusion may be provided in the room,
        - ii. List what types of equipment or supplies may be placed in the room for the delineated services, and
        - iii. Provide for the prompt removal of equipment and supplies from the room before the room is used for seclusion; and
      - d. The sign required in subsection (B)(4)(a) and equipment and supplies in the room, other than the bed required in subsection (B)(2)(f), are removed before being used for seclusion.
- C.** An administrator shall ensure that:
  1. Policies and procedures for providing restraint or seclusion are established, documented, and implemented to protect the health and safety of a patient that:
    - a. Establish the process for patient assessment, including identification of a patient's medical conditions and criteria for the on-going monitoring of any identified medical condition;
    - b. Identify each type of restraint or seclusion used and include for each type of restraint or seclusion used:
      - i. The qualifications of a personnel member who can:
        - (1) Order the restraint or seclusion,
        - (2) Place a patient in the restraint or seclusion,
        - (3) Monitor a patient in the restraint or seclusion,
        - (4) Evaluate a patient's physical and psychological well-being after being placed in the restraint or seclusion and when released from the restraint or seclusion, or
        - (5) Renew the order for restraint or seclusion;
      - ii. On-going training requirements for a personnel member who has direct patient contact while the patient is in a restraint or seclusion; and
      - iii. Criteria for monitoring and assessing a patient including:
        - (1) Frequencies of monitoring and assessment based on a patient's medical condition and risks associated with the specific restraint or seclusion;
        - (2) For the renewal of an order for restraint or seclusion, whether an assessment is required before the order is renewed and, if an assessment is required, who may conduct the assessment;
        - (3) Assessment content, which may include, depending on a patient's condition, the patient's vital signs, respiration, circulation, hydration needs, elimination needs, level of distress and agitation, mental status, cognitive functioning, neurological functioning, and skin integrity;
        - (4) If a mechanical restraint is used, how often the mechanical restraint is loosened; and
        - (5) A process for meeting a patient's nutritional needs and elimination needs;
    - c. Establish the criteria and procedures for renewing an order for restraint or seclusion;
    - d. Establish procedures for internal review of the use of restraint or seclusion; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- c. Establish medical record and personnel record documentation requirements for restraint and seclusion, if applicable;
- 2. An order for restraint or seclusion is:
  - a. Obtained from a physician or registered nurse practitioner, and
  - b. Not written as a standing order or on an as-needed basis;
- 3. Restraint or seclusion is:
  - a. Not used as a means of coercion, discipline, convenience, or retaliation;
  - b. Only used when all of the following conditions are met:
    - i. Except as provided in subsection (C)(4), after obtaining an order for the restraint or seclusion;
    - ii. For the management of a patient's aggressive, violent, or self-destructive behavior;
    - iii. When less restrictive interventions have been determined to be ineffective; and
    - iv. To ensure the immediate physical safety of the patient, to prevent imminent harm to the patient or another individual, or to stop physical harm to another individual; and
  - c. Discontinued at the earliest possible time;
- 4. If as a result of a patient's aggressive, violent, or self-destructive behavior, harm to the patient or another individual is imminent or the patient or another individual is being physically harmed, a personnel member:
  - a. May initiate an emergency application of restraint or seclusion for the patient before obtaining an order for the restraint or seclusion, and
  - b. Obtains an order for the restraint or seclusion of the patient during the emergency application of the restraint or seclusion;
- 5. An order for restraint or seclusion includes:
  - a. The name of the physician or registered nurse practitioner ordering the restraint or seclusion;
  - b. The date and time that the restraint or seclusion was ordered;
  - c. The specific restraint or seclusion ordered;
  - d. If a drug is ordered as a chemical restraint, the drug's name, strength, dosage, and route of administration;
  - e. The specific criteria for release from restraint or seclusion without an additional order; and
  - f. The maximum duration authorized for the restraint or seclusion;
- 6. An order for restraint or seclusion is limited to the duration of the emergency situation and does not exceed three continuous hours;
- 7. If an order for restraint or seclusion of a patient is not provided by the patient's attending physician, the patient's attending physician is notified as soon as possible;
- 8. A medical practitioner or personnel member does not participate in restraint or seclusion, assess or monitor a patient during restraint or seclusion, or evaluate a patient after restraint or seclusion, and a physician or registered nurse practitioner does not order restraint or seclusion, until the medical practitioner or personnel member, completes education and training that:
  - a. Includes:
    - i. Techniques to identify medical practitioner, personnel member, and patient behaviors, events, and environmental factors that may trigger circumstances that require restraint or seclusion;
  - ii. The use of nonphysical intervention skills, such as de-escalation, mediation, conflict resolution, active listening, and verbal and observational methods;
  - iii. Techniques for identifying the least restrictive intervention based on an assessment of the patient's medical or behavioral health condition;
  - iv. The safe use of restraint and the safe use of seclusion, including training in how to recognize and respond to signs of physical and psychological distress in a patient who is restrained or secluded;
  - v. Clinical identification of specific behavioral changes that indicate that the restraint or seclusion is no longer necessary;
  - vi. Monitoring and assessing a patient while the patient is in restraint or seclusion according to policies and procedures; and
  - vii. Except for the medical practitioner, training exercises in which the personnel member successfully demonstrates the techniques that the medical practitioner or personnel member has learned for managing emergency situations; and
- b. Is provided by individuals qualified according to policies and procedures;
- 9. When a patient is placed in restraint or seclusion:
  - a. The restraint or seclusion is conducted according to policies and procedures;
  - b. The restraint or seclusion is proportionate and appropriate to the severity of the patient's behavior and the patient's:
    - i. Chronological and developmental age;
    - ii. Size;
    - iii. Gender;
    - iv. Physical condition;
    - v. Medical condition;
    - vi. Psychiatric condition; and
    - vii. Personal history, including any history of physical or sexual abuse;
  - c. The physician or registered nurse practitioner who ordered the restraint or seclusion is available for consultation throughout the duration of the restraint or seclusion;
  - d. The patient is monitored and assessed according to policies and procedures;
  - e. A physician or registered nurse assesses the patient within one hour after the patient is placed in the restraint or seclusion and determines:
    - i. The patient's current behavior,
    - ii. The patient's reaction to the restraint or seclusion used,
    - iii. The patient's medical and behavioral condition, and
    - iv. Whether to continue or terminate the restraint or seclusion;
  - f. The patient is given the opportunity:
    - i. To eat during mealtime, and
    - ii. To use the toilet; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- g. The restraint or seclusion is discontinued at the earliest possible time, regardless of the length of time identified in the order;
- 10. A medical practitioner or personnel member documents the following information in a patient's medical record before the end of the shift in which the patient is placed in restraint or seclusion or, if the patient's restraint or seclusion does not end during the shift in which it began, during the shift in which the patient's restraint or seclusion ends:
  - a. The emergency situation that required the patient to be restrained or put in seclusion;
  - b. The times the patient's restraint or seclusion actually began and ended;
  - c. The time of the assessment required in subsection (C)(9)(e);
  - d. The monitoring required in subsection (C)(9)(d);
  - e. The names of the medical practitioners and personnel members with direct patient contact while the patient was in the restraint or seclusion;
  - f. The times the patient was given the opportunity to eat or use the toilet according to subsection (C)(9)(f); and
  - g. The patient evaluation required in subsection (C)(12);
- 11. If an emergency situation continues beyond the time limit of an order for restraint or seclusion, the order is renewed according to policies and procedures that include:
  - a. The specific criteria for release from restraint or seclusion without an additional order, and
  - b. The maximum duration authorized for the restraint or seclusion; and
- 12. A patient is evaluated after restraint or seclusion is no longer being used for the patient.

**R9-10-320. Medication Services**

- A. An administrator shall ensure that policies and procedures for medication services:
  1. Include:
    - a. A process for providing information to a patient about medication prescribed for the patient including:
      - i. The prescribed medication's anticipated results,
      - ii. The prescribed medication's potential adverse reactions,
      - iii. The prescribed medication's potential side effects, and
      - iv. Potential adverse reactions that could result from not taking the medication as prescribed;
    - b. Procedures for preventing, responding to, and reporting:
      - i. A medication error,
      - ii. An adverse reaction to a medication, or
      - iii. A medication overdose;
    - c. Procedures to ensure that a patient's medication regimen is reviewed by a medical practitioner to ensure the medication regimen meets the patient's needs;
    - d. Procedures for documenting medication administration and assistance in the self-administration of medication;
    - e. Procedures for assisting a patient in obtaining medication; and
  2. Specify a process for review through the quality management program of:
    - a. A medication administration error, and
    - b. An adverse reaction to a medication.
- B. If a behavioral health inpatient facility provides medication administration, an administrator shall ensure that:
  1. Policies and procedures for medication administration:
    - a. Are reviewed and approved by a medical practitioner;
    - b. Specify the individuals who may:
      - i. Order medication, and
      - ii. Administer medication;
    - c. Ensure that medication is administered to a patient only as prescribed; and
    - d. Cover the documentation of a patient's refusal to take prescribed medication in the patient's medical record;
  2. Verbal orders for medication services are taken by a nurse, unless otherwise provided by law; and
  3. A medication administered to a patient is:
    - a. Administered in compliance with an order, and
    - b. Documented in the patient's medical record.
- C. If a behavioral health inpatient facility provides assistance in the self-administration of medication, an administrator shall ensure that:
  1. A patient's medication is stored by the behavioral health inpatient facility;
  2. The following assistance is provided to a patient:
    - a. A reminder when it is time to take the medication;
    - b. Opening the medication container for the patient;
    - c. Observing the patient while the patient removes the medication from the container;
    - d. Verifying that the medication is taken as ordered by the patient's medical practitioner by confirming that:
      - i. The patient taking the medication is the individual stated on the medication container label,
      - ii. The patient is taking the dosage of the medication stated on the medication container label or according to an order from a medical practitioner dated later than the date on the medication container label, and
      - iii. The patient is taking the medication at the time stated on the medication container label or according to an order from a medical practitioner dated later than the date on the medication container label; or
    - e. Observing the patient while the patient takes the medication;
  3. Policies and procedures for assistance in the self-administration of medication are reviewed and approved by a medical practitioner or registered nurse;
  4. Training for a personnel member, other than a medical practitioner or registered nurse, in assistance in the self-administration of medication:
    - a. Is provided by a medical practitioner or registered nurse or an individual trained by a medical practitioner or registered nurse; and
    - b. Includes:
      - i. A demonstration of the personnel member's skills and knowledge necessary to provide

- assistance in the self-administration of medication,
  - ii. Identification of medication errors and medical emergencies related to medication that require emergency medical intervention, and
  - iii. The process for notifying the appropriate entities when an emergency medical intervention is needed;
- 5. A personnel member, other than a medical practitioner or registered nurse, completes the training in subsection (C)(4) before the personnel member provides assistance in the self-administration of medication; and
- 6. Assistance in the self-administration of medication provided to a patient:
  - a. Is in compliance with an order, and
  - b. Is documented in the patient's medical record.
- D.** An administrator shall ensure that:
  - 1. A current drug reference guide is available for use by personnel members;
  - 2. A current toxicology reference guide is available for use by personnel members; and
  - 3. If pharmaceutical services are provided on the premises:
    - a. A committee, composed of at least one physician, one pharmacist, and other personnel members as determined by policies and procedures, is established to:
      - i. Develop a drug formulary,
      - ii. Update the drug formulary at least once every 12 months,
      - iii. Develop medication usage and medication substitution policies and procedures, and
      - iv. Specify which medications and medication classifications are required to be stopped automatically after a specific time period unless the ordering medical practitioner specifically orders otherwise;
    - b. The pharmaceutical services are provided under the direction of a pharmacist;
    - c. The pharmaceutical services comply with A.R.S. Title 36, Chapter 27; A.R.S. Title 32, Chapter 18; and 4 A.A.C. 23; and
    - d. A copy of the pharmacy license is provided to the Department upon request.
- E.** When medication is stored at a behavioral health inpatient facility, an administrator shall ensure that:
  - 1. Medication is stored in a separate locked room, closet, or self-contained unit used only for medication storage;
  - 2. Medication is stored according to the instructions on the medication container; and
  - 3. Policies and procedures are established, documented, and implemented for:
    - a. Receiving, storing, inventorying, tracking, dispensing, and discarding medication, including expired medication;
    - b. Discarding or returning prepackaged and sample medication to the manufacturer if the manufacturer requests the discard or return of the medication;
    - c. A medication recall and notification of patients who received recalled medication; and
    - d. Storing, inventorying, and dispensing controlled substances.
- F.** An administrator shall ensure that a personnel member immediately reports a medication error or a patient's adverse reaction to a medication to the medical practitioner who ordered

the medication and, if applicable, the behavioral health inpatient facility's clinical director.

- R9-10-324. Physical Plant Standards**
- A. An administrator shall ensure that the premises and equipment are sufficient to accommodate:
    1. The services stated in the behavioral health inpatient facility's scope of services, and
    2. An individual accepted as a patient by the behavioral health inpatient facility.
  - B. An administrator shall ensure that:
    1. A behavioral health inpatient facility has a:
      - a. Waiting area with seating for patients and visitors;
      - b. Room that provides privacy for a patient to receive treatment or visitors; and
      - c. Common area and a dining area that:
        - i. Are not converted, partitioned, or otherwise used as a sleeping area; and
        - ii. Contain furniture and materials to accommodate the recreational and socialization needs of the patients and other individuals in the behavioral health inpatient facility;
    2. A bathroom is available for use by visitors during the behavioral health inpatient facility's hours of operation and:
      - a. Provides privacy; and
      - b. Contains:
        - i. A working sink with running water,
        - ii. A working toilet that flushes and has a seat,
        - iii. Toilet tissue,
        - iv. Soap for hand washing,
        - v. Paper towels or a mechanical air hand dryer,
        - vi. Lighting, and
        - vii. A window that opens or another means of ventilation;
  3. For every six patients, there is at least one working toilet that flushes and has a seat and one sink with running water;
  4. For every eight patients, there is at least one working bathtub or shower with a slip-resistant surface;
  5. A patient bathroom complies with the following:
    - a. Provides privacy when in use;
    - b. Contains:
      - i. A shatterproof mirror, unless the patient's treatment plan requires otherwise;
      - ii. A window that opens or another means of ventilation; and
      - iii. Nonporous surfaces for shower enclosures and slip-resistant surfaces in tubs and showers;
    - c. Has plumbing, piping, ductwork, or other potentially hazardous elements concealed above a ceiling;
    - d. If the bathroom or shower area has a door, the door swings outward to allow for staff emergency access;
    - e. If grab bars for the toilet and tub or shower or other assistive devices are identified in the patient's treatment plan, has grab bars or other assistive devices to provide for patient safety;
    - f. If a grab bar is provided, has the space between the grab bar and the wall filled to prevent a cord being tied around the grab bar;
    - g. Does not contain a towel bar, a shower curtain rod, or a lever handle that is not a specifically designed anti-ligature lever handle;
    - h. Has tamper-resistant lighting fixtures, sprinkler heads, and electrical outlets; and
    - i. For a bathroom with a sprinkler head where a patient is not supervised while the patient is in the bathroom, has a sprinkler head that is recessed or designed to minimize patient access;
  6. If a patient bathroom door locks from the inside, an employee has a key and access to the bathroom;
  7. Each patient is provided a bedroom for sleeping;
  8. A patient bedroom complies with the following:
    - a. Is not used as a common area;
    - b. Is not used as a passageway to another bedroom or bathroom unless the bathroom is for the exclusive use of a patient occupying the bedroom;
    - c. Contains a door that opens into a hallway, common area, or outdoors and, except as provided in subsection (E), another means of egress;
    - d. Is constructed and furnished to provide unimpeded access to the door;
    - e. Has window or door covers that provide patient privacy;
    - f. Has floor to ceiling walls;
    - g. Is a:
      - i. Private bedroom that contains at least 60 square feet of floor space, not including the closet; or
      - ii. Shared bedroom that:
        - (1) Is shared by no more than four patients;
        - (2) Contains, except as provided in subsection (B)(9), at least 60 square feet of floor space, not including a closet, for each patient occupying the bedroom; and
        - (3) Provides sufficient space between beds to ensure that a patient has unobstructed

- access to the bedroom door;
- h. Contains for each patient occupying the bedroom:
    - i. A bed that is: at least 36 inches wide and at least 72 inches long, and consists of at least a frame and mattress and linens that is not a threat to health and safety; and
    - ii. Individual storage space for personnel effects and clothing such as shelves, a dresser, or chest of drawers;
  - i. Has clean linen for each bed including mattress pad, sheets large enough to tuck under the mattress, pillows, pillow cases, bedspread, waterproof mattress covers as needed, and blankets to ensure warmth and comfort for each patient;
  - j. Has sufficient lighting for a patient occupying the bedroom to read; and
  - k. If applicable, has a drawer pull that is recessed to eliminate the possibility of use as a tie-off point;
9. If a behavioral health inpatient facility licensed before November 1, 2003 was approved for 50 square feet of floor space for each patient in a bedroom, ensure that the bedroom contains at least 50 square feet for each patient not including the closet;
  10. In a patient bathroom or a patient bedroom:
    - a. The ceiling is secured from access or at least 9 feet in height; and
    - b. A ventilation grille is:
      - i. Secured and has perforations that are too small to use as a tie-off point, or
      - ii. Of sufficient height to prevent patient access;
  11. For a door located in an area of the behavioral health inpatient facility that is accessible to patients:
    - a. A door closing device, if used on a patient bedroom door, is mounted on the public side of the door;
    - b. A door's hinges are designed to minimize points for hanging;
    - c. Except for a door lever handle that contains specifically designed anti-ligature hardware, a door lever handle points downward when in the latched or unlatched position; and
    - d. Hardware has tamper-resistant fasteners; and
  12. A window located in an area of the behavioral health inpatient facility that is accessible to patients is fabricated with laminated safety glass or protected by polycarbonate, laminate, or safety screens.
- C.** An administrator of a licensed behavioral health inpatient facility may submit a request, in a Department-provided format, for additional time to comply with a physical plant requirement in subsection (B)(5)(c) through (B)(5)(i), (B)(10), (B)(11), or (B)(12) that includes:
1. The rule citation for the specific plant requirement,
  2. The current physical plant condition that does not comply with the physical plant requirement,
  3. How the current physical plant condition will be changed to comply with the physical plant requirement,
  4. Estimated completion date of the identified physical plant change, and
  5. Specific actions taken to ensure the health and safety of a patient until the physical plant requirement is met.
- D.** When the Department receives a request for additional time to comply with a physical plant requirement in subsection (B)(5)(c) through (B)(5)(i), (B)(10), (B)(11), or (B)(12) submitted according to subsection (C), the Department may
- approve the request for up to 24 months after the effective date of these rules based on:
1. The behavioral health inpatient facility's scope of services,
  2. The expected patient acuity based on the behavioral health inpatient facility's scope of services,
  3. The specific physical plant requirement in the request, and
  4. The threat to patients' health and safety.
- E.** A bedroom in a behavioral health inpatient facility is not required to have a second means of egress if:
1. An administrator ensures that policies and procedures are established, documented, and implemented that provide for the safe evacuation of a patient in the bedroom based on the patient's physical and mental limitations and the location of the bedroom; or
  2. The building where the bedroom is located has a fire alarm system and a sprinkler system required in R9-10-322(A)(1).
- F.** If a swimming pool is located on the premises, an administrator shall ensure that:
1. The swimming pool is enclosed by a wall or fence that:
    - a. Is at least five feet in height as measured on the exterior of the wall or fence;
    - b. Has no vertical openings greater than four inches across;
    - c. Has no horizontal openings, except as described in subsection (F)(1)(e);
    - d. Is not chain-link;
    - e. Does not have a space between the ground and the bottom fence rail that exceeds four inches in height; and
    - f. Has a self-closing, self-latching gate that:
      - i. Opens away from the swimming pool,
      - ii. Has a latch located at least 54 inches from the ground, and
      - iii. Is locked when the swimming pool is not in use; and
  2. A life preserver or shepherd's crook is available and accessible in the pool area.
- G.** An administrator shall ensure that a spa that is not enclosed by a wall or fence as described in subsection (F)(1) is covered and locked when not in use.

**R9-10-413. Medical Services**

**A.** An administrator shall appoint a medical director.

**B.** A medical director shall ensure that:

- 1. A resident has an attending physician;
- 2. An attending physician is available 24 hours a day;
- 3. An attending physician designates a physician who is available when the attending physician is not available;
- 4. A physical examination is performed on a resident at least once every 12 months after the date of admission by an individual listed in R9-10-407(6);
- 5. As required in A.R.S. § 36-406, vaccinations for influenza and pneumonia are available to each resident at least once every 12 months unless:
  - a. The attending physician provides documentation that the vaccination is medically contraindicated;
  - b. The resident or the resident's representative refuses the vaccination or vaccinations and documentation is maintained in the resident's medical record that the resident or the resident's representative has been informed of the risks and benefits of a vaccination refused; or
  - c. The resident or the resident's representative provides documentation that the resident received a pneumonia vaccination within the last five years or the current recommendation from the U.S. Department of Health and Human Services, Center for Disease Control and Prevention; and
- 6. If any of the following services are not provided by the nursing care institution and needed by a resident, the resident is assisted in obtaining, at the resident's expense:
  - a. Vision services;
  - b. Hearing services;
  - c. Dental services;

- d. Clinical laboratory services from a laboratory that holds a certificate of accreditation or certificate of compliance issued by the United States Department of Health and Human Services under the 1988 amendments to the Clinical Laboratories Improvement Act of 1967;

Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2).

**R9-10-414. Comprehensive Assessment; Care Plan**

**A.** A director of nursing shall ensure that:

- 1. A comprehensive assessment of a resident:
  - a. Is conducted or coordinated by a registered nurse in collaboration with an interdisciplinary team;
  - b. Is completed for the resident within 14 calendar days after the resident's admission to a nursing care institution;
  - c. Is updated:
    - i. No later than 12 months after the date of the resident's last comprehensive assessment, and
    - ii. When the resident experiences a significant change;
  - d. Includes the following information for the resident:
    - i. Identifying information;
    - ii. An evaluation of the resident's hearing, speech, and vision;
    - iii. An evaluation of the resident's ability to understand and recall information;
    - iv. An evaluation of the resident's mental status;
    - v. Whether the resident's mental status or behaviors:
      - (1) Put the resident at risk for physical illness or injury,
      - (2) Significantly interfere with the resident's care,
      - (3) Significantly interfere with the resident's ability to participate in activities or social interactions,
      - (4) Put other residents or personnel members at significant risk for physical injury,
      - (5) Significantly intrude on another resident's privacy, or
      - (6) Significantly disrupt care for another resident;
    - vi. Preferences for customary routine and activities;
    - vii. An evaluation of the resident's ability to perform activities of daily living;
    - viii. Need for a mobility device;

- xi. Any medical conditions that impact the resident's functional status, quality of life, or need for nursing care institution services;
- xii. An evaluation of the resident's ability to maintain adequate nutrition and hydration;
- xiii. An evaluation of the resident's oral and dental status;
- xiv. An evaluation of the condition of the resident's skin;
- xv. Identification of any medication or treatment administered to the resident during a seven-day calendar period that includes the time the comprehensive assessment was conducted;
- xvi. Identification of any treatment or medication ordered for the resident;
- xvii. A description of the resident or resident's representative's participation in the comprehensive assessment;
- xviii. The name and title of the interdisciplinary team members who participated in the resident's comprehensive assessment;
- xix. Potential for rehabilitation; and
- xx. Potential for discharge; and
- e. Is signed and dated by:
  - i. The registered nurse who conducts or coordinates the comprehensive assessment or review; and
  - ii. If a behavioral health professional is required to review according to subsection (A)(2), the behavioral health professional who reviewed the comprehensive assessment or review;
- 2. If any of the conditions in (A)(1)(d)(v) are answered in the affirmative during the comprehensive assessment or review, a behavioral health professional reviews a resident's comprehensive assessment or review and care plan to ensure that the resident's needs for behavioral health services are being met;
- 3. A new comprehensive assessment is not required for a resident who is hospitalized and readmitted to a nursing care institution unless a physician, an individual designated by the physician, or a registered nurse determines the resident has a significant change in condition; and
- 4. A resident's comprehensive assessment is reviewed by a registered nurse at least once every three months after the date of the current comprehensive assessment and if there is a significant change in the resident's condition.
- B. An administrator shall ensure that a care plan for a resident:
  - 1. Is developed, documented, and implemented for the resident within seven calendar days after completing the resident's comprehensive assessment required in subsection (A)(1);
  - 2. Is reviewed and revised based on any change to the resident's comprehensive assessment; and
  - 3. Ensures that a resident is provided nursing care institution services that:
    - a. Address any medical condition or behavioral health issue identified in the resident's comprehensive assessment, and

- b. Assist the resident in maintaining the resident's highest practicable well-being according to the resident's comprehensive assessment.

**Historical Note**

- a. A process for providing information to a resident about medication prescribed for the resident including:
    - i. The prescribed medication's anticipated results,
    - ii. The prescribed medication's potential adverse reactions,
    - iii. The prescribed medication's potential side effects, and
    - iv. Potential adverse reactions that could result from not taking the medication as prescribed;
  - b. Procedures for preventing, responding to, and reporting:
    - i. A medication error,
    - ii. An adverse response to a medication, or
    - iii. A medication overdose;
  - c. Procedures to ensure that a pharmacist reviews a resident's medications at least once every three months and provides documentation to the resident's attending physician and the director of nursing indicating potential medication problems such as incompatible or duplicative medications;
  - d. Procedures for documenting medication services; and
  - e. Procedures for assisting a resident in obtaining medication; and
- 2. Specify a process for review through the quality management program of:
    - a. A medication administration error, and
    - b. An adverse reaction to a medication.
- B. An administrator shall ensure that:
    - 1. Policies and procedures for medication administration:
      - a. Are reviewed and approved by the director of nursing;
      - b. Specify the individuals who may:
        - i. Order medication, and
        - ii. Administer medication;
      - c. Ensure that medication is administered to a resident only as prescribed; and
      - d. Cover the documentation of a resident's refusal to take prescribed medication in the resident's medical record;
    - 2. Verbal orders for medication services are taken by a nurse, unless otherwise provided by law;
    - 3. A medication administered to a resident:
      - a. Is administered in compliance with an order, and
      - b. Is documented in the resident's medical record; and
    - 4. If a psychotropic medication is administered to a resident, the psychotropic medication:
      - a. Is only administered to a resident for a diagnosed medical condition; and
      - b. Unless clinically contraindicated or otherwise ordered by an attending physician or the attending physician's designee, is gradually reduced in dosage while the resident is simultaneously provided with interventions such as behavior and environment modification in an effort to discontinue the psychotropic medication, unless a dose reduction is attempted and the resident displays behavior justifying the need for the psychotropic medication, and the attending physician documents the necessity for the continued use and dosage.
  - C. An administrator shall ensure that:
    - 1. A current drug reference guide is available for use by personnel members; and

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

2. If pharmaceutical services are provided:
  - a. The pharmaceutical services are provided under the direction of a pharmacist;
  - b. The pharmaceutical services comply with A.R.S. Title 36, Chapter 27; A.R.S. Title 32, Chapter 18; and 4 A.A.C. 23; and
  - c. A copy of the pharmacy license is provided to the Department upon request.
- D. When medication is stored at a nursing care institution, an administrator shall ensure that:
  1. Medication is stored in a separate locked room, closet, or self-contained unit used only for medication storage;
  2. Medication is stored according to the instructions on the medication container; and
  3. Policies and procedures are established, documented, and implemented to protect the health and safety of a resident for:
    - a. Receiving, storing, inventorying, tracking, dispensing, and discarding medication including expired medication;
    - b. Discarding or returning prepackaged and sample medication to the manufacturer if the manufacturer requests the discard or return of the medication;
    - c. A medication recall and notification of residents who received recalled medication; and
    - d. Storing, inventorying, and dispensing controlled substances.
- E. An administrator shall ensure that a personnel member immediately reports a medication error or a resident's adverse reaction to a medication to the medical practitioner who ordered the medication and the nursing care institution's director of nursing.
  - iii. Reports of communicable diseases to the governing authority and state and county health departments;
2. Infection control documentation is maintained for at least 12 months after the date of the documentation;
3. Policies and procedures are established, documented, and implemented that cover:
  - a. Handling and disposal of biohazardous medical waste;
  - b. Sterilization, disinfection, and storage of medical equipment and supplies;
  - c. Using personal protective equipment such as aprons, gloves, gowns, masks, or face protection when applicable;
  - d. Cleaning of an individual's hands when the individual's hands are visibly soiled and before and after providing a service to a resident;
  - e. Training of personnel members, employees, and volunteers in infection control practices; and
  - f. Work restrictions for a personnel member with a communicable disease or infected skin lesion;
4. Biohazardous medical waste is identified, stored, and disposed of according to 18 A.A.C. 13, Article 14 and policies and procedures;
5. Soiled linen and clothing are:
  - a. Collected in a manner to minimize or prevent contamination;
  - b. Bagged at the site of use; and
  - c. Maintained separate from clean linen and clothing and away from food storage, kitchen, or dining areas; and
6. A personnel member, an employee, or a volunteer washes hands or uses a hand disinfection product after a resident contact and after handling soiled linen, soiled clothing, or potentially infectious material.

- c. Is available for consultation regarding a resident's nutritional needs; and
5. If a registered dietitian is not employed full-time, an individual is designated as a director of food services who consults with a registered dietitian as often as necessary to ensure that the nutritional needs of a resident are met.
- B. A registered dietitian or director of food services shall ensure that:
  1. Food is prepared:
    - a. Using methods that conserve nutritional value, flavor, and appearance; and
    - b. In a form to meet the needs of a resident such as cut, chopped, ground, pureed, or thickened;
  2. A food menu:
    - a. Is prepared at least one week in advance,
    - b. Includes the foods to be served on each day,
    - c. Is conspicuously posted at least one day before the first meal on the food menu will be served,
    - d. Includes any food substitution no later than the morning of the day of meal service with a food substitution, and
    - e. Is maintained for at least 60 calendar days after the last day included in the food menu;
  3. Meals and snacks for each day are planned and served using the applicable guidelines in <http://www.health.gov/dietaryguidelines/2010.asp>;
  4. A resident is provided:
    - a. A diet that meets the resident's nutritional needs as specified in the resident's comprehensive assessment and care plan;
    - b. Three meals a day with not more than 14 hours between the evening meal and breakfast except as provided in subsection (B)(4)(d);
    - c. The option to have a daily evening snack identified in subsection (B)(4)(d)(ii) or other snack; and
    - d. The option to extend the time span between the evening meal and breakfast from 14 hours to 16 hours if:
      - i. A resident group agrees; and
      - ii. The resident is offered an evening snack that includes meat, fish, eggs, cheese, or other protein, and a serving from either the fruit and vegetable food group or the bread and cereal food group;
  5. A resident is provided with food substitutions of similar nutritional value if:
    - a. The resident refuses to eat the food served, or
    - b. The resident requests a substitution;
  6. Recommendations and preferences are requested from a resident or the resident's representative for meal planning;
  7. A resident requiring assistance to eat is provided with assistance that recognizes the resident's nutritional, physical, and social needs, including the use of adaptive eating equipment or utensils;
  8. Tableware, utensils, equipment, and food-contact surfaces are clean and in good repair;
  9. A resident eats meals in a dining area unless the resident chooses to eat in the resident's room or is confined to the resident's room for medical reasons documented in the resident's medical record; and
  10. Water is available and accessible to residents.
- C. If a nursing care institution has nutrition and feeding assistants, an administrator shall ensure that:
  1. A nutrition and feeding assistant:
    - a. Is at least 16 years of age;
    - b. If applicable, complies with the fingerprint clearance card requirements in A.R.S. § 36-411;
    - c. Completes a nutrition and feeding assistant training course within 12 months before initially providing nutrition and feeding assistance;
    - d. Provides nutrition and feeding assistance where nursing personnel are present;
    - e. Immediately reports an emergency to a nurse or, if a nurse is not present in the common area, to nursing personnel; and
    - f. If the nutrition and feeding assistant observes a change in a resident's physical condition or behavior, reports the change to a nurse or, if a nurse is not present in the common area, to nursing personnel;
  2. A resident is not eligible to receive nutrition and feeding assistance from a nutrition and feeding assistant if the resident:
    - a. Has difficulty swallowing,
    - b. Has had recurrent lung aspirations,
    - c. Requires enteral feedings,
    - d. Requires parenteral feedings, or
    - e. Has any other eating or drinking difficulty that may cause the resident's health or safety to be compromised if the resident receives nutrition and feeding assistance from a nutrition and feeding assistant;
  3. Only an eligible resident receives nutrition and feeding assistance from a nutrition and feeding assistant;
  4. A nurse determines if a resident is eligible to receive nutrition and feeding assistance from a nutrition and feeding assistant, based on:
    - a. The resident's comprehensive assessment,
    - b. The resident's care plan, and
    - c. An assessment conducted by the nurse when making the determination;
  5. A method is implemented that identifies eligible residents that ensures only eligible residents receive nutrition and feeding assistance from a nutrition and feeding assistant;
  6. When a nutrition and feeding assistant initially provides nutrition and feeding assistance and at least once every three months, a nurse observes the nutrition and feeding assistant while the nutrition and feeding assistant is providing nutrition and feeding assistance to ensure that the nutrition and feeding assistant is providing nutrition and feeding assistance appropriately;
  7. A nurse documents the nurse's observations required in subsection (C)(6); and
  8. A nutrition and feeding assistant is provided additional training:
    - a. According to policies and procedures, and
    - b. If a nurse identifies a need for additional training based on the nurse's observation in subsection (C)(6).

**R9-10-427. Quality Rating**

- A. As required in A.R.S. § 36-425.02(A), the Department shall issue a quality rating to each licensed nursing care institution based on the results of a compliance inspection.
- B. The following quality ratings are established:
- 1. A quality rating of "A" for excellent is issued if the nursing care institution achieves a score of 90 to 100 points,
  - 2. A quality rating of "B" is issued if the nursing care institution achieves a score of 80 to 89 points,
  - 3. A quality rating of "C" is issued if the nursing care institution achieves a score of 70 to 79 points, and
  - 4. A quality rating of "D" is issued if the nursing care institution achieves a score of 69 or fewer points.
- C. The quality rating is determined by the total number of points awarded based on the following criteria:
- 1. Nursing Services:
    - a. 15 points: The nursing care institution is implementing a system that ensures residents are provided nursing services to maintain the resident's highest practicable physical, mental, and psychosocial well-being according to the resident's comprehensive assessment and care plan.
    - b. 5 points: The nursing care institution ensures that each resident is free from medication errors that resulted in actual harm.
    - c. 5 points: The nursing care institution ensures the resident's representative is notified and the resident's attending physician is consulted if a resident has a significant change in condition or if the resident is in an incident that requires medical services.
  - 2. Resident Rights:
    - a. 10 points: The nursing care institution is implementing a system that ensures a resident's privacy needs are met.
    - b. 10 points: The nursing care institution ensures that a resident is free from physical and chemical restraints for purposes other than to treat the resident's medical condition.
    - c. 5 points: The nursing care institution ensures that a resident or the resident's representative is allowed to participate in the planning of, or decisions concern-
  - ing treatment including the right to refuse treatment and to formulate a health care directive.
  - 3. Administration:
    - a. 10 points: The nursing care institution has no repeat deficiencies that resulted in actual harm or immediate jeopardy to residents that were cited during the last compliance inspection or a complaint investigation conducted between the last compliance inspection and the current compliance inspection.
    - b. 5 points: The nursing care institution is implementing a system to prevent abuse of a resident and misappropriation of resident property, investigate each allegation of abuse of a resident and misappropriation of resident's property, and report each allegation of abuse of a resident and misappropriation of resident's property to the Department and as required by A.R.S. § 46-454.
    - c. 5 points: The nursing care institution is implementing a quality management program that addresses nursing care institution services provided to residents, resident complaints, and resident concerns, and documents actions taken for response, resolution, or correction of issues about nursing care institution services provided to residents, resident complaints, and resident concerns.
    - d. 1 point: The nursing care institution is implementing a system to provide social services and a program of ongoing recreational activities to meet the resident's needs based on the resident's comprehensive assessment.
    - e. 1 point: The nursing care institution is implementing a system to ensure that records documenting freedom from infectious pulmonary tuberculosis are maintained for each personnel member, volunteer, and resident.
    - f. 2 points: The nursing care institution is implementing a system to ensure that a resident is free from unnecessary drugs.
    - g. 1 point: The nursing care institution is implementing a system to ensure a personnel member attends in-service education according to policies and procedures.
  - 4. Environment and Infection Control:
    - a. 5 points: The nursing care institution environment is free from a condition or situation within the nursing care institution's control that may cause a resident injury.
    - b. 1 point: The nursing care institution establishes and maintains a pest control program that complies with A.A.C. R3-8-201(C)(4).
    - c. 1 point: The nursing care institution develops a written disaster plan that includes procedures for protecting the health and safety of residents.
    - d. 1 point: The nursing care institution ensures orientation to the disaster plan for each personnel member is completed within the first scheduled week of employment.
    - e. 1 point: The nursing care institution maintains a clean and sanitary environment.
    - f. 5 points: The nursing care institution is implementing a system to prevent and control infection.

cleaning is indicated to prevent the spread of infection.

## 5. Food Services:

- a. 1 point: The nursing care institution complies with 9 A.A.C. 8, Article 1, for food preparation, storage and handling as evidenced by a current food establishment license.
- b. 3 points: The nursing care institution provides each resident with food that meets the resident's needs as specified in the resident's comprehensive assessment and care plan.
- c. 2 points: The nursing care institution obtains input from each resident or the resident's representative and implements recommendations for meal planning and food choices consistent with the resident's dietary needs.
- d. 2 points: The nursing care institution provides assistance to a resident who needs help in eating so that the resident's nutritional, physical, and social needs are met.
- e. 1 point: The nursing care institution prepares menus at least one week in advance, conspicuously posts each menu, and adheres to each planned menu unless an uncontrollable situation such as food spoilage or non-delivery of a specified food requires substitution.
- f. 1 point: The nursing care institution provides food substitution of similar nutritive value for residents who refuse the food served or who request a substitution.

- D. A nursing care institution's quality rating remains in effect until a subsequent compliance inspection or complaint investigation is conducted by the Department except as provided in subsection (E).
- E. If the Department issues a provisional license, the current quality rating is terminated. A provisional licensee may submit an application for a substantial compliance inspection. If the Department determines that, as a result of a substantial compliance inspection, the nursing care institution is in substantial compliance, the Department shall issue a new quality rating according to subsection (C).
- F. The issuance of a quality rating does not preclude the Department from seeking a civil penalty as provided in A.R.S. § 36-431.01, or suspension or revocation of a license as provided in A.R.S. § 36-427.

- i. Immediately but not later than two hours if the alleged violation involves abuse or results in serious bodily injury; or
  - ii. Not later than 24 hours if the alleged violation involves neglect, exploitation, mistreatment, or misappropriation of resident property; and does not result in serious bodily injury;
- 3. Document:
  - a. The suspected abuse, neglect, or exploitation;
  - b. Any action taken according to subsection (F)(1); and
  - c. The report in subsection (F)(2);
- 4. Maintain the documentation in subsection (F)(3) for at least 12 months after the date of the report in subsection (F)(2);
- 5. Initiate an investigation of the suspected abuse, neglect, or exploitation and document the following information within five working days after the report required in subsection (F)(2):
  - a. The dates, times, and description of the suspected abuse, neglect, or exploitation;
  - b. A description of any injury to the resident related to the suspected abuse or neglect and any change to the resident's physical, cognitive, functional, or emotional condition;
  - c. The names of witnesses to the suspected abuse, neglect, or exploitation; and
  - d. The actions taken by the administrator to prevent the suspected abuse, neglect, or exploitation from occurring in the future; and
- 6. Maintain a copy of the documented information required in subsection (F)(5) and any other information obtained during the investigation for at least 12 months after the date the investigation was initiated.
- G.** An administrator shall:
  - 1. Allow a resident advocate to assist a resident or the resident's representative with a request or recommendation, and document in writing any complaint submitted to the ICF/IID;
  - 2. Ensure that a monthly schedule of recreational activities for residents is developed, documented, and implemented; and
  - 3. Ensure that the following are conspicuously posted on the premises:
    - a. The current ICF/IID license issued by the Department;
    - b. The name, address, and telephone number of:
      - i. The Department's Office of Long Term Care, and
      - ii. Adult Protective Services of the Department of Economic Security;
    - c. A notice that a resident may file a complaint with the Department concerning the ICF/IID;
    - d. The monthly schedule of recreational activities; and
    - e. One of the following:
      - i. A copy of the current license survey report with information identifying residents redacted, any subsequent reports issued by the Department, and any plan of correction that is in effect; or
      - ii. A notice that the current license survey report with information identifying residents redacted, any subsequent reports issued by the Department, and any plan of correction that is in effect are available for review upon request.
- H.** An administrator shall provide written notification to the Department of a resident's:
  - 1. Death, if the resident's death is required to be reported according to A.R.S. § 11-593, within one working day after the resident's death; and
  - 2. Self-injury, within two working days after the resident inflicts a self-injury that requires immediate intervention by an emergency medical services provider.
- I.** An administrator shall:
  - 1. Notify a resident's representative, family member, or other individual designated by the resident immediately, with no delay between staff awareness of the occurrence and reporting unless the situation is unstable in which case reporting should occur as soon as the safety of the resident is assured, after:
    - a. The resident's death,
    - b. There is a significant change in the resident's medical condition, or
    - c. The resident has an illness or injury that requires immediate intervention by an emergency medical services provider or treatment by a health care provider; and
  - 2. For an illness or injury in subsection (I)(1)(c), document the following:
    - a. The date and time of the illness or injury;
    - b. A description of the illness or injury;
    - c. If applicable, the names of individuals who observed the injury;
    - d. The actions taken by personnel members, according to policies and procedures;
    - e. The individuals notified by the personnel members; and
    - f. Any action taken to prevent the illness or injury from occurring in the future.
- J.** If an administrator administers a resident's personal account at the request of the resident or the resident's representative, the administrator shall:
  - 1. Comply with policies and procedures established according to subsection (C)(1)(q);
  - 2. Designate a personnel member who is responsible for the personal accounts;
  - 3. Maintain a complete and separate accounting of each personal account;
  - 4. Obtain written authorization from the resident or the resident's representative for a personal account transaction;
  - 5. Document an account transaction and provide a copy of the documentation to the resident or the resident's representative upon request and at least every three months;
  - 6. Transfer all money from the resident's personal account in excess of \$50.00 to an interest-bearing account and credit the interest to the resident's personal account; and
  - 7. Within 30 calendar days after the resident's death, transfer, or discharge, return all money in the resident's personal account and a final accounting to the resident, the resident's representative, or the probate jurisdiction administering the resident's estate.
- K.** If a petty cash fund is established for use by residents, the administrator shall ensure that:
  - 1. The policies and procedures established according to subsection (C)(1)(r) include:
    - a. A prescribed cash limit of the petty cash fund, and
    - b. The hours of the day a resident may access the petty cash fund; and

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

2. A resident's written acknowledgment is obtained for a petty cash transaction.
- L. An administrator shall ensure that an acuity plan is developed, documented, and implemented for each unit in the ICF/IID that:
  1. Includes:
    - a. A method that establishes the types and numbers of personnel members that are required for each unit in the ICF/IID to ensure resident health and safety, and
    - b. A policy and procedure stating the steps the ICF/IID will take to obtain or assign the necessary personnel members to address resident acuity;
  2. Is used when making assignments for resident treatment; and
  3. Is reviewed and updated, as necessary, at least once every 12 months.
- M. An administrator shall establish and document the criteria for determining when a resident's absence is unauthorized, including the criteria for a resident who:
  1. Is absent against medical advice,
  2. Is under the age of 18, or
  3. Does not return to the ICF/IID at the expected time after an authorized absence.
- N. An administrator shall ensure that the following are on the premises of the ICF/IID:
  1. The most recent inspection report of the ICF/IID conducted by the Arizona Department of Economic Security under A.R.S. § 36-557(G)(1), and
  2. Documentation of the most recent monitoring of the ICF/IID conducted by the Arizona Department of Economic Security under A.R.S. § 36-557(G)(2).

    - a. The individual's qualifications, including skills and knowledge applicable to the individual's job duties;
    - b. The individual's education and experience applicable to the individual's job duties;
    - c. The individual's compliance with the requirements in A.R.S. § 36-411;
    - d. The ICF/IID's check on the individual in the adult protective services registry established according to A.R.S. § 46-459;
    - e. Orientation and in-service education as required by policies and procedures;
    - f. Training in preventing, recognizing, and reporting abuse or neglect, required according to R9-10-503(C)(1)(d)(i);
    - g. The individual's license or certification, if the individual is required to be licensed or certified in this Article or policies and procedures;
    - h. The individual's qualifications and on-going training for each type of restraint or seclusion used, as required in R9-10-515;
    - i. Cardiopulmonary resuscitation training, if required for the individual according to R9-10-503(C)(1)(g);
    - j. First aid training, if required for the individual according to this Article or policies and procedures; and
    - k. Evidence of freedom from infectious tuberculosis, if required for the individual according to subsection (F).
- J. An administrator shall ensure that personnel records are:
  - 1. Maintained:
    - a. Throughout the individual's period of providing services in or for the ICF/IID, and
    - b. For at least 24 months after the last date the individual provided services in or for the ICF/IID; and
  - 2. For a personnel member who has not provided active treatment or other physical health services or behavioral care at or for the ICF/IID during the previous 12 months, provided to the Department within 72 hours after the Department's request.
- K. An administrator shall ensure that:
  - 1. A plan to provide orientation specific to the duties of a personnel member, an employee, a volunteer, and a student is developed, documented, and implemented;
  - 2. A personnel member completes orientation before providing active treatment or other physical health services or behavioral care;
  - 3. An individual's orientation is documented, to include:
    - a. The individual's name,
    - b. The date of the orientation, and
    - c. The subject or topics covered in the orientation;
  - 4. A plan to provide in-service education specific to the duties of a personnel member is developed, documented, and implemented;
  - 5. A personnel member's in-service education is documented, to include:
    - a. The personnel member's name,
    - b. The date of the training, and
    - c. The subject or topics covered in the training; and
  - 6. A work schedule of each personnel member is developed and maintained at the ICF/IID for at least 12 months after the date of the work schedule.
- L. An administrator shall designate a qualified individual to provide:
  - 1. Social services, and
  - 2. Recreational activities.
- M. An administrator shall ensure that a fall prevention and fall recovery program that complies with requirements in A.R.S. § 36-420.01 is developed, documented, and implemented.

meet the immediate needs of a resident, such as habilitation services, medication, and food services;

3. At the time of a resident's admission, a registered nurse conducts or coordinates an initial assessment of a resident to determine the resident's acuity and ensure the resident's immediate needs are met;
4. A resident's needs do not exceed the medical services, rehabilitation services, and nursing services available at the ICF/IID as established in the ICF/IID's scope of services;
5. A resident is assigned to a unit in the ICF/IID based, as applicable, on the patient's:
  - a. Documented diagnosis,
  - b. Treatment needs,
  - c. Developmental level,
  - d. Social skills,
  - e. Verbal skills, and
  - f. Acuity;
6. A resident does not share any space, participate in any activity or treatment, or verbally or physically interact with any other resident that, based on the other resident's documented diagnosis, treatment needs, developmental level, social skills, verbal skills, and personal history, may present a threat to the resident's health and safety;
7. Within 30 calendar days before admission or 10 working days after admission, a medical history and physical examination is completed on a resident by:
  - a. A physician, or
  - b. A physician assistant or a registered nurse practitioner designated by the attending physician;
8. Compliance with the requirements in subsection (7) is documented in the resident's medical record;
9. Except as specified in subsection (10), a resident provides evidence of freedom from infectious tuberculosis:
  - a. Before or within seven calendar days after the resident's admission, and
  - b. As specified in R9-10-113; and
10. A resident who transfers from an ICF/IID or nursing care institution to the ICF/IID is not required to be rescreened for tuberculosis as specified in R9-10-113 if:
  - a. Fewer than 12 months have passed since the resident was screened for tuberculosis, and
  - b. The documentation of freedom from infectious tuberculosis required in subsection (9) accompanies the resident at the time of transfer.

**R9-10-508. Transfer; Discharge**

- A. An administrator, in coordination with the Arizona Department of Economic Security, Division of Developmental Disabilities, shall ensure that:
  1. A resident is transferred or discharged if:
    - a. The ICF/IID is not authorized or not able to meet the needs of the resident, or
    - b. The resident's behavior is a threat to the health or safety of the resident or other individuals at the ICF/IID; and
  2. Documentation of a resident's transfer or discharge includes:
    - a. The date of the transfer or discharge;
    - b. The reason for the transfer or discharge;
    - c. A 30-day written notice except:
      - i. In an emergency, or
      - ii. If the resident no longer requires rehabilitation services or habilitation services as determined by a physician or the physician's designee;
    - d. A notation by a physician or the physician's designee if the transfer or discharge is due to any of the reasons listed in subsection (A)(1); and
    - e. If applicable, actions taken by a personnel member to protect the resident or other individuals if the resident's behavior is a threat to the health and safety of the resident or other individuals in the ICF/IID and beyond the ICF/IID's scope of services.
- B. Except for a transfer of a resident due to an emergency, an administrator shall ensure that:
  1. A qualified intellectual disabilities professional or, if the resident has a nursing care plan or medical care plan, a registered nurse coordinates the transfer and the services provided to the resident;
  2. According to policies and procedures:
    - a. An evaluation of the resident is conducted before the transfer;
    - b. Information from the resident's medical record, including orders that are in effect at the time of the transfer, is provided to a receiving health care institution; and
    - c. A personnel member explains the risks and benefits of the transfer to the resident or the resident's representative; and
  3. Documentation in the resident's medical record includes:
    - a. Communication with an individual at a receiving health care institution;
    - b. The date and time of the transfer;
    - c. The mode of transportation; and
    - d. If applicable, the name of the personnel member accompanying the resident during a transfer.
- C. Except in an emergency, a qualified intellectual disabilities professional or, if the resident has a nursing care plan or medical care plan, a registered nurse shall ensure that before a resident is discharged:
  1. Written follow-up instructions are developed with the resident or the resident's representative that include:

## TITLE 9. HEALTH SERVICES

**R9-10-514. Individual Program Plan****A.** An administrator shall ensure that:

1. A comprehensive assessment of a resident:
  - a. Is conducted or coordinated by a qualified intellectual disabilities professional, in collaboration with an interdisciplinary team that includes:
    - i. The resident's attending physician or designee;
    - ii. A registered nurse;
    - iii. If the resident is receiving medications as part of active treatment, a pharmacist; and
    - iv. Personnel members qualified to provide each type of rehabilitation services identified in a placement evaluation or the initial assessment required in R9-10-507(3);
  - b. Is completed for the resident within 30 calendar days after the resident's admission to an ICF/IID;
  - c. Is updated:
    - i. No later than 12 months after the date of the resident's last comprehensive assessment, and
    - ii. When the resident experiences a significant change;
  - d. Includes the following information for the resident:
    - i. Identifying information;
    - ii. An evaluation of the resident's hearing, speech, and vision;
    - iii. An evaluation of the resident's ability to understand and recall information;
    - iv. An evaluation of the resident's mental status;
    - v. Whether the resident demonstrates inappropriate behavior;
    - vi. Preferences for customary routine and activities;
    - vii. An evaluation of the resident's ability to perform activities of daily living;
    - viii. Need for a mobility device;
    - ix. An evaluation of the resident's ability to control the resident's bladder and bowels;
    - x. Any diagnosis that impacts rehabilitation services or other physical health services or behavioral care that the resident may require;
    - xi. Any medical conditions that impact the resident's functional status, quality of life, or need for nursing services;
    - xii. An evaluation of the resident's ability to maintain adequate nutrition and hydration;
    - xiii. An evaluation of the resident's oral and dental status;
    - xiv. An evaluation of the condition of the resident's skin;
    - xv. Identification of any medication or treatment administered to the resident during a seven-day calendar period that includes the time the comprehensive assessment was conducted;
    - xvi. Identification of any treatment or medication ordered for the resident;
    - xvii. Identification of interventions that may support the resident towards independence;
    - xviii. Identification of any assistive devices needed by the resident;
    - xix. Identification of the active treatment needed by the resident, including active treatment not provided by the ICF/IID;
    - xx. Identification of measurable goals and behavioral objective for the active treatment, in priority order, with time limits for attainment;
    - xxi. Identification of the methods, schedule, and strategies to accomplish the goals, including the personnel member responsible;
    - xxii. Evaluation procedures for determining if the methods and strategies in subsection (A)(1)(d)(ix) are working, including the type of data required and frequency of collection;

- xxiii. Whether any restraints have been used for the resident during a seven-day calendar period that includes the time the comprehensive assessment was conducted;
- xxiv. If the resident demonstrates inappropriate behavior, as reported according to subsection (A)(1)(d)(v), identification of the methods, schedule, and strategies for replacement of the inappropriate behavior with appropriate behavioral expressions, including the hierarchy for use;
- xxv. If restraint or seclusion is included in subsection (A)(1)(d)(xxiii), the specific restraints or conditions of seclusion that may be used because of the resident's inappropriate behavior;
- xxvi. A description of the resident or resident's representative's participation in the comprehensive assessment;
- xxvii. The name and title of the interdisciplinary team members who participated in the resident's comprehensive assessment;
- xxviii. Potential for rehabilitation, including the resident's strengths and specific developmental or behavioral health needs; and
- xxix. Potential for discharge;
- e. Is signed and dated by the qualified intellectual disabilities professional who conducts or coordinates the comprehensive assessment or review; and
- f. Is used to determine or update the resident's acuity;
- 2. If the condition in subsection (A)(1)(d)(v) is answered in the affirmative during the comprehensive assessment or review, a behavioral health professional reviews a resident's comprehensive assessment or review and individual program plan to ensure that the resident's needs for behavioral care are being met;
- 3. A new comprehensive assessment is not required for a resident who is hospitalized and readmitted to an ICF/IID unless a physician, an individual designated by the physician, a qualified intellectual disabilities professional, or a registered nurse determines the resident has a significant change in condition; and
- 4. A resident's comprehensive assessment is reviewed at least once every three months after the date of the current comprehensive assessment and if there is a significant change in the resident's condition by:
  - a. A qualified intellectual disabilities professional; and
  - b. If the resident has a nursing care plan or medical care plan, a registered nurse.
- B. An administrator shall ensure that an individual program plan for a resident:
  - 1. Is developed, documented, and implemented for the resident within seven calendar days after completing the resident's comprehensive assessment required in subsection (A)(1);
  - 2. Includes the acuity of the resident;
  - 3. Is reviewed at least annually by the interdisciplinary team required in subsection (A)(1)(a) and revised based on any change to the resident's comprehensive assessment; and
  - 4. Ensures that a resident is provided rehabilitation services and other physical health services or behavioral care that:
    - a. Address any medical condition or behavioral care issue identified in the resident's comprehensive assessment, and

- b. Assist the resident in maintaining the resident's highest practicable well-being according to the resident's comprehensive assessment.

**R9-10-515. Seclusion; Restraint**

- A. An administrator shall ensure that:
  - 1. An ICF/IID's policies and procedures for managing a resident's inappropriate behavior, as described in R9-10-503(C)(2)(g) are reviewed, approved, and monitored through the quality management process in R9-10-504; and
  - 2. Restraint is provided according to the requirements in subsection (C).
- B. An administrator of an ICF/IID authorized to provide seclusion shall ensure that:
  - 1. Seclusion is provided according to the requirements in subsection (C);
  - 2. If a resident is placed in seclusion, the room used for seclusion:
    - a. Is approved for use as a seclusion room by the Department;
    - b. Is not used as a resident's bedroom or a sleeping area;
    - c. Allows full view of the resident in all areas of the room;
    - d. Is free of hazards, such as unprotected light fixtures or electrical outlets;
    - e. Contains at least 60 square feet of floor space; and
    - f. Except as provided in subsection (B)(3), contains a non-adjustable bed that:
      - i. Consists of a mattress on a solid platform that is:
        - (1) Constructed of a durable, non-hazardous material; and
        - (2) Raised off of the floor;
      - ii. Does not have wire springs or a storage drawer; and
      - iii. Is securely anchored in place;

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

3. If a room used for seclusion does not contain a non-adjustable bed required in subsection (B)(2)(f):
    - a. A piece of equipment is available that:
      - i. Is commercially manufactured to safely and humanely restrain a resident's body;
      - ii. Provides support to the trunk and head of a resident's body;
      - iii. Provides restraint to the trunk of a resident's body;
      - iv. Is able to restrict movement of a resident's arms, legs, body, and head;
      - v. Allows a resident's body to recline; and
      - vi. Does not inflict harm on a resident's body; and
    - b. Documentation of the manufacturer's specifications for the piece of equipment in subsection (B)(3)(a) is maintained; and
  4. A seclusion room may be used for services or activities other than seclusion if:
    - a. A sign stating the service or activity scheduled or being provided in the room is conspicuously posted outside the room;
    - b. No permanent equipment other than the bed required in subsection (B)(2)(f) is in the room;
    - c. Policies and procedures:
      - i. Delineate which services or activities other than seclusion may be provided in the room,
      - ii. List what types of equipment or supplies may be placed in the room for the delineated services, and
      - iii. Provide for the prompt removal of equipment and supplies from the room before the room is used for seclusion; and
    - d. The sign required in subsection (B)(4)(a) and equipment and supplies in the room, other than the bed required in subsection (B)(2)(f), are removed before use as a seclusion room.
- C. An administrator shall ensure that:
1. Policies and procedures for providing restraint or seclusion are established, documented, and implemented to protect the health and safety of a resident that:
    - a. Establish the process for resident assessment, including identification of a resident's medical conditions and criteria for the on-going monitoring of any identified medical condition;
    - b. Identify each type of restraint or seclusion used and include for each type of restraint or seclusion used:
      - i. The qualifications of a personnel member who can:
        - (1) Order the restraint or seclusion,
        - (2) Place a resident in the restraint or seclusion,
        - (3) Monitor a resident in the restraint or seclusion,
        - (4) Evaluate a resident's physical and psychological well-being after being placed in the restraint or seclusion and when released from the restraint or seclusion, or
        - (5) Renew the order for restraint or seclusion;
      - ii. On-going training requirements for a personnel member who has direct resident contact while the resident is in a restraint or seclusion; and
      - iii. Criteria for monitoring and assessing a resident including:
        - (1) Frequencies of monitoring and assessment based on a resident's medical condition and risks associated with the specific restraint or seclusion;
  - (2) For the renewal of an order for restraint or seclusion, whether an assessment is required before the order is renewed and, if an assessment is required, who may conduct the assessment;
  - (3) Assessment content, which may include, depending on a resident's condition, the resident's vital signs, respiration, circulation, hydration needs, elimination needs, level of distress and agitation, mental status, cognitive functioning, neurological functioning, and skin integrity;
  - (4) If a mechanical restraint is used, how often the mechanical restraint is loosened; and
  - (5) A process for meeting a resident's nutritional needs and elimination needs;
- c. Establish the criteria and procedures for renewing an order for restraint or seclusion;
  - d. Establish procedures for internal review of the use of restraint or seclusion; and
  - e. Establish medical record and personnel record documentation requirements for restraint and seclusion, if applicable;
2. An order for restraint or seclusion is:
    - a. Obtained from a physician or registered nurse practitioner, and
    - b. Not written as a standing order or on an as-needed basis;
  3. Restraint or seclusion is:
    - a. Not used as a means of coercion, discipline, convenience, or retaliation;
    - b. Only used when all of the following conditions are met:
      - i. Except as provided in subsection (C)(4), after obtaining an order for the restraint or seclusion;
      - ii. For the management of a resident's aggressive, violent, or self-destructive behavior;
      - iii. When less restrictive interventions have been determined to be ineffective; and
      - iv. To ensure the immediate physical safety of the resident, to prevent imminent harm to the resident or another individual, or to stop physical harm to another individual; and
    - c. Discontinued at the earliest possible time;
  4. If as a result of a resident's aggressive, violent, or self-destructive behavior, harm to the resident or another individual is imminent or the resident or another individual is being physically harmed, a personnel member:
    - a. May initiate an emergency application of restraint or seclusion for the resident before obtaining an order for the restraint or seclusion, and
    - b. Obtains an order for the restraint or seclusion of the resident during the emergency application of the restraint or seclusion;
  5. An order for restraint or seclusion includes:
    - a. The name of the physician or registered nurse practitioner ordering the restraint or seclusion;
    - b. The date and time that the restraint or seclusion was ordered;
    - c. The specific restraint or seclusion ordered;

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- d. If a drug is ordered as a chemical restraint, the drug's name, strength, dosage, and route of administration;
  - e. The specific criteria for release from restraint or seclusion without an additional order; and
  - f. The maximum duration authorized for the restraint or seclusion;
6. An order for restraint or seclusion is limited to the duration of the emergency situation and does not exceed three continuous hours;
7. If an order for restraint or seclusion of a resident is not provided by the resident's attending physician, the resident's attending physician is notified as soon as possible;
8. A medical practitioner or personnel member does not participate in restraint or seclusion, assess or monitor a resident during restraint or seclusion, or evaluate a resident after restraint or seclusion, and a physician or registered nurse practitioner does not order restraint or seclusion, until the medical practitioner or personnel member, completes education and training that:
- a. Includes:
    - i. Techniques to identify medical practitioner, personnel member, and resident behaviors, events, and environmental factors that may trigger circumstances that require restraint or seclusion;
    - ii. The use of nonphysical intervention skills, such as de-escalation, mediation, conflict resolution, active listening, and verbal and observational methods;
    - iii. Techniques for identifying the least restrictive intervention based on an assessment of the resident's medical or behavioral health condition;
    - iv. The safe use of restraint and the safe use of seclusion, including training in how to recognize and respond to signs of physical and psychological distress in a resident who is restrained or secluded;
    - v. Clinical identification of specific behavioral changes that indicate that the restraint or seclusion is no longer necessary;
    - vi. Monitoring and assessing a resident while the resident is in restraint or seclusion according to policies and procedures; and
    - vii. Except for the medical practitioner, training exercises in which the personnel member successfully demonstrates the techniques that the medical practitioner or personnel member has learned for managing emergency situations; and
  - b. Is provided by individuals qualified according to policies and procedures;
9. When a resident is placed in restraint or seclusion:
- a. The restraint or seclusion is conducted according to policies and procedures;
  - b. The restraint or seclusion is proportionate and appropriate to the severity of the resident's behavior and the resident's:
    - i. Chronological and developmental age;
    - ii. Size;
    - iii. Gender;
    - iv. Physical condition;
    - v. Medical condition;
    - vi. Psychiatric condition; and
  - vii. Personal history, including any history of physical or sexual abuse;
- c. The physician or registered nurse practitioner who ordered the restraint or seclusion is available for consultation throughout the duration of the restraint or seclusion;
- d. The resident is monitored and assessed according to policies and procedures;
- e. A physician or registered nurse assesses the resident within one hour after the resident is placed in the restraint or seclusion and determines:
  - i. The resident's current behavior,
  - ii. The resident's reaction to the restraint or seclusion used,
  - iii. The resident's medical and behavioral condition, and
  - iv. Whether to continue or terminate the restraint or seclusion;
- f. The resident is given the opportunity:
  - i. To eat during mealtime, and
  - ii. To use the toilet; and
- g. The restraint or seclusion is discontinued at the earliest possible time, regardless of the length of time identified in the order;
10. A medical practitioner or personnel member documents the following information in a resident's medical record before the end of the shift in which the resident is placed in restraint or seclusion or, if the resident's restraint or seclusion does not end during the shift in which it began, during the shift in which the resident's restraint or seclusion ends:
  - a. The emergency situation that required the resident to be restrained or put in seclusion,
  - b. The times the resident's restraint or seclusion actually began and ended,
  - c. The monitoring and time of the assessment,
  - d. The names of the medical practitioners and personnel members with direct resident contact while the resident was in the restraint or seclusion,
  - e. The times the resident was given the opportunity to eat or use the toilet according to subsection (C)(9)(f), and
  - f. The resident evaluation required in subsection (C)(12);
11. If an emergency situation continues beyond the time limit of an order for restraint or seclusion, the order is renewed according to policies and procedures that include:
  - a. The specific criteria for release from restraint or seclusion without an additional order, and
  - b. The maximum duration authorized for the restraint or seclusion; and
12. A resident is evaluated after restraint or seclusion is no longer being used for the resident.

**R9-10-516. Physical Health Services****A.** An administrator shall ensure that:

1. A resident has an attending physician;
2. An attending physician is available 24 hours a day;
3. An attending physician designates a physician who is available when the attending physician is not available;
4. A physical examination is performed on a resident by a physician or by a physician assistant or registered nurse practitioner designated by the resident's attending physician:
  - a. If indicated, based on the resident's placement evaluation or comprehensive assessment; and
  - b. At least once every 12 months after the date of admission, including an assessment of the acuity of the resident's medical condition;
5. If a resident's physical examination, placement evaluation, or comprehensive assessment indicates a need for:
  - a. Intermittent nursing services, the resident's attending physician, in conjunction with the director of nursing, develops a nursing care plan of treatment for the resident, which is integrated into the resident's individual program plan; or
  - b. Continuous nursing services, the resident's attending physician, in conjunction with the director of nursing, develops a medical care plan of treatment for the resident, which is integrated into the resident's individual program plan; and
6. Vaccinations for influenza and pneumonia are available to each resident at least once every 12 months unless:
  - a. The attending physician provides documentation that the vaccination is medically contraindicated;
  - b. The resident or the resident's representative refuses the vaccination or vaccinations and documentation is maintained in the resident's medical record that the resident or the resident's representative has been informed of the risks and benefits of a vaccination refused; or
  - c. The resident or the resident's representative provides documentation that the resident received a pneumonia vaccination within the last five years or the current recommendation from the U.S. Department of Health and Human Services, Center for Disease Control and Prevention.

**B.** An administrator shall ensure that:

1. Nursing services are available 24 hours a day in an ICF/IID;
2. For an ICF/IID authorized to admit a resident requiring:
  - a. Continuous nursing services, a registered nurse is on the premises; or

- b. Intermittent nursing services, a nurse is on the premises according to the schedule in a resident's nursing care plan; and

3. The director of nursing or an individual designated by the director of nursing participates in the quality management program.

**C.** A director of nursing shall ensure that:

1. A method is established and documented that identifies the types and numbers of nursing personnel that are necessary to provide nursing services to residents based on:
  - a. The acuity of the residents, and
  - b. The ICF/IID's scope of services;
2. Sufficient nursing personnel, as determined by the method in subsection (C)(1), are on the ICF/IID's premises to meet the needs of a resident for nursing services;
3. A registered nurse participates in the development, review, and updating of a resident's nursing care plan or medical care plan;
4. Personnel members providing direct care to a resident with a nursing care plan or medical care plan receive direction from a nurse;
5. At least once every three months, a nurse:
  - a. Assesses the health of a resident without a nursing care plan or medical care plan;
  - b. Documents the results in the resident's medical record; and
  - c. If the assessment indicates the need for physical health services or behavioral care, initiate action, according to policies and procedures, to address the resident's needs;
6. Nursing personnel provide education and training to:
  - a. Residents on hygiene and other behaviors that promote health; and
  - b. Personnel members on:
    - i. Detecting signs of illness or injury or significant changes in condition,
    - ii. First aid, and
    - iii. Basic skills for caring for residents;
7. A nurse notifies a resident's attending physician and, if applicable, the resident's representative immediately or within 24 hours after one of the following events occur:
  - a. Is injured,
  - b. Is involved in an incident that requires medical services, or
  - c. Has a significant change in condition; and
8. Only a medication required by an order is administered to a resident.

**D.** An administrator shall ensure that:

1. Dental services are provided to a resident by an individual licensed as:
  - a. A dentist under A.R.S. Title 32, Chapter 11, Article 2; or
  - b. A dental hygienist under A.R.S. Title 32, Chapter 11, Article 4;
2. If needed, based on a resident's initial assessment, a dentist or dental hygienist in subsection (D)(1) participates as part of an interdisciplinary team in the development of the resident's individual program plan;
3. A resident is provided with a complete dental examination within one month after admission, unless the ICF/IID has documentation of the resident's dental examination completed within 12 months before admission;
4. If a resident's dental examination indicates the resident needs dental treatment:

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- a. A dentist or dental hygienist in subsection (D)(1) participates as part of an interdisciplinary team in the review and updating of the resident's individual program plan, and
    - b. The resident is provided with dental treatment;
  - 5. A dental examination is performed by a dentist or dental hygienist in subsection (D)(1) on a resident at least once every 12 months and treatment is provided as needed;
  - 6. If needed, a resident is provided with emergency dental services;
  - 7. A resident is provided with education and training in oral hygiene; and
  - 8. A resident's medical record contains documentation of:
    - a. Each dental examination of the resident,
    - b. All dental treatment provided to the resident, and
    - c. The resident's education and training in oral hygiene.
- E.** An administrator shall ensure that:
- 1. A resident's vision and hearing are assessed as part of the resident's comprehensive assessment and, if applicable, as part of the update of the comprehensive assessment; and
  - 2. If an issue is identified with the resident's vision or hearing, the resident is provided, as applicable, with:
    - a. Treatment to address the identified issue, or
    - b. An assistive device to address an issue.

**R9-10-517. Behavioral Care**

- A.** An administrator shall ensure that:
- 1. A resident who receives behavioral care from the ICF/IID is evaluated by a behavioral health professional or medical practitioner:
    - a. Within 30 calendar days before the resident is admitted to the ICF/IID or before the resident begins receiving behavioral care, and
    - b. At least once every six months throughout the duration of the resident's need for behavioral care;
  - 2. A behavioral health professional or medical practitioner:

- a. Documents that the behavioral care needed by the resident is within the ICF/IID's scope of services, and
    - b. Includes measurable objectives for the behavioral care and the methods for meeting the objectives in the resident's individual program plan; and
  - 3. The documentation in subsection (A)(2) is included in the resident's medical record.
- B.** If a resident of an ICF/IID requires behavioral health services provided by a behavioral health professional on an intermittent basis as part of behavioral care, an administrator shall ensure that:
- 1. The behavioral health services are provided by a behavioral health professional licensed or certified to provide the type of behavioral health services required by the resident; and
  - 2. Except for a psychotropic drug used as a chemical restraint or administered according to an order from a court of competent jurisdiction, informed consent is obtained from a resident or the resident's representative for a psychotropic drug and documented in the resident's medical record before the psychotropic drug is administered to the resident.

**R9-10-518. Clinical Laboratory Services**

If clinical laboratory services are authorized to be provided on an ICF/IID's premises, an administrator shall ensure that:

- 1. Clinical laboratory services and pathology services are provided through a laboratory that holds a certificate of accreditation, certificate of compliance, or certificate of waiver issued by the United States Department of Health and Human Services under the 1988 amendments to the Clinical Laboratories Improvement Act of 1967;
- 2. A copy of the certificate of accreditation, certificate of compliance, or certificate of waiver in subsection (1) is provided to the Department for review upon the Department's request;
- 3. The ICF/IID:
  - a. Is able to provide the clinical laboratory services delineated in the ICF/IID's scope of services when needed by the residents,

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- b. Obtains specimens for the clinical laboratory services delineated in the ICF/IID's scope of services without transporting the residents from the ICF/IID's premises, and
- c. Has the examination of the specimens performed by a clinical laboratory;
4. Clinical laboratory and pathology test results are:
  - a. Available to the ordering physician within 24 hours after the test:
    - i. Is complete with results if the test is performed at a laboratory on the ICF/IID's premises, or
    - ii. Result is received if the test is performed at a laboratory outside of the ICF/IID's premises; and
  - b. Documented in a resident's medical record;
5. If a test result is obtained that indicates a resident may have an emergency medical condition, as established in policies and procedures, personnel notify:
  - a. The ordering physician,
  - b. A registered nurse in the resident's assigned unit,
  - c. The ICF/IID's administrator, or
  - d. The director of nursing;
6. If a clinical laboratory report is completed on a resident, a copy of the report is included in the resident's medical record;
7. If the ICF/IID provides blood or blood products, policies and procedures are established, documented, and implemented for:
  - a. Procuring, storing, transfusing, and disposing of blood or blood products;
  - b. Blood typing, antibody detection, and blood compatibility testing; and
  - c. Investigating transfusion adverse reactions that specify a process for review through the quality management program; and
8. Expired laboratory supplies are discarded according to policies and procedures.

**R9-10-519. Respiratory Care Services**

If respiratory care services are authorized to be provided on an ICF/IID's premises, an administrator shall ensure that:

1. Respiratory care services are provided under the direction of an attending physician;
2. Respiratory care services are provided according to an order that includes:
  - a. The resident's name;
  - b. The name and signature of the ordering individual;
  - c. The type, frequency, and, if applicable, duration of treatment;
  - d. The type and dosage of medication and diluent; and
  - e. The oxygen concentration or oxygen liter flow and method of administration;
3. Respiratory care services provided to a resident are documented in the resident's medical record and include:
  - a. The date and time of administration;
  - b. The type of respiratory care services provided;
  - c. The effect of the respiratory care services;
  - d. The resident's adverse reaction to the respiratory care services, if any; and
  - e. The authentication of the individual providing the respiratory care services; and
4. Any area or unit that performs blood gases or clinical laboratory tests complies with the requirements in R9-10-518.

**R9-10-520. Medication Services**

- A. An administrator shall ensure that policies and procedures for medication services:
  1. Include:
    - a. A process for providing information to a resident about medication prescribed for the resident including:
      - i. The prescribed medication's anticipated results,
      - ii. The prescribed medication's potential adverse reactions,
      - iii. The prescribed medication's potential side effects, and
      - iv. Potential adverse reactions that could result from not taking the medication as prescribed;
    - b. Procedures for preventing, responding to, and reporting:
      - i. A medication error,
      - ii. An adverse response to a medication, or
      - iii. A medication overdose;
    - c. Procedures to ensure that a pharmacist reviews a resident's medications at least once every three months and provides documentation to the resident's attending physician and the director of nursing indicating potential medication problems such as incompatible or duplicative medications;
    - d. Procedures for documenting medication services; and
    - e. Procedures for assisting a resident in obtaining medication; and
  2. Specify a process for review through the quality management program of:
    - a. A medication administration error, and
    - b. An adverse reaction to a medication.
- B. An administrator shall ensure that:
  1. Policies and procedures for medication administration:

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- a. Are reviewed and approved by a pharmacist;
  - b. Specify the individuals who may:
    - i. Order medication, and
    - ii. Administer medication;
  - c. Ensure that medication is administered to a resident only as prescribed; and
  - d. Cover the documentation of a resident's refusal to take prescribed medication in the resident's medical record;
2. Verbal orders for medication services are taken by a nurse, unless otherwise provided by law;
3. A medication administered to a resident:
- a. Is administered in compliance with an order, and
  - b. Is documented in the resident's medical record; and
4. If a psychotropic medication is administered to a resident, the psychotropic medication:
- a. Is only administered to a resident for a diagnosed medical condition; and
  - b. Unless clinically contraindicated or otherwise ordered by an attending physician or the attending physician's designee, is gradually reduced in dosage while the resident is simultaneously provided with interventions such as behavior and environment modification in an effort to discontinue the psychotropic medication, unless a dose reduction is attempted and the resident displays behavior justifying the need for the psychotropic medication, and the attending physician documents the necessity for the continued use and dosage.
- C. If an ICF/IID provides assistance in the self-administration of medication, an administrator shall ensure that:
- 1. A resident's medication is stored by the ICF/IID;
  - 2. The following assistance is provided to a resident:
    - a. A reminder when it is time to take the medication;
    - b. Opening the medication container for the resident;
    - c. Observing the resident while the resident removes the medication from the container;
    - d. Verifying that the medication is taken as ordered by the resident's attending physician by confirming that:
      - i. The resident taking the medication is the individual stated on the medication container label,
      - ii. The resident is taking the dosage of the medication stated on the medication container label or according to an order from the resident's attending physician dated later than the date on the medication container label, and
      - iii. The resident is taking the medication at the time stated on the medication container label or according to an order from the resident's attending physician dated later than the date on the medication container label; or
    - e. Observing the resident while the resident takes the medication;
  - 3. Policies and procedures for assistance in the self-administration of medication are reviewed and approved by the resident's attending physician or registered nurse;
  - 4. Training for a personnel member, other than a physician, physician assistant, or registered nurse, in assistance in the self-administration of medication:
    - a. Is provided by the resident's attending physician, another physician, a physician assistant, or a registered nurse or an individual trained by a physician, physician assistant, or registered nurse; and
    - b. Includes:
      - i. A demonstration of the personnel member's skills and knowledge necessary to provide assistance in the self-administration of medication,
      - ii. Identification of medication errors and medical emergencies related to medication that require emergency medical intervention, and
      - iii. The process for notifying the appropriate entities when an emergency medical intervention is needed;
5. A personnel member, other than a physician, physician assistant, or registered nurse, completes the training in subsection (C)(4) before the personnel member provides assistance in the self-administration of medication; and
6. Assistance in the self-administration of medication provided to a resident:
- a. Is in compliance with an order, and
  - b. Is documented in the resident's medical record.
- D. An administrator shall ensure that:
- 1. A current drug reference guide is available for use by personnel members;
  - 2. If applicable, pharmaceutical services are provided under the direction of a pharmacist and comply with A.R.S. Title 36, Chapter 27; A.R.S. Title 32, Chapter 18; and 4 A.A.C. 23; and
  - 3. A copy of the pharmacy license is provided to the Department upon request.
- E. When medication is stored at an ICF/IID, an administrator shall ensure that:
- 1. Medication is stored in a separate locked room, closet, or self-contained unit used only for medication storage;
  - 2. Medication is stored according to the instructions on the medication container; and
  - 3. Policies and procedures are established, documented, and implemented to protect the health and safety of a resident for:
    - a. Receiving, storing, inventorying, tracking, dispensing, and discarding medication including expired medication;
    - b. Discarding or returning prepackaged and sample medication to the manufacturer if the manufacturer requests the discard or return of the medication;
    - c. A medication recall and notification of residents who received recalled medication; and
    - d. Storing, inventorying, and dispensing controlled substances.
- F. An administrator shall ensure that a personnel member immediately reports a medication error or a resident's adverse reaction to a medication to the resident's attending physician or the physician who ordered the medication and the ICF/IID's director of nursing.

- and procedures, to prevent the development and transmission of infections and communicable diseases including:
- a. A method to identify and document infections occurring at the ICF/IID;
  - b. Analysis of the types, causes, and spread of infections and communicable diseases at the ICF/IID;
  - c. The development of corrective measures to minimize or prevent the spread of infections and communicable diseases at the ICF/IID; and
  - d. Documentation of infection control activities including:
    - i. The collection and analysis of infection control data,
    - ii. The actions taken related to infections and communicable diseases, and
    - iii. Reports of communicable diseases to the governing authority and state and county health departments;
2. Infection control documentation is maintained for at least 12 months after the date of the documentation;
  3. Policies and procedures are established, documented, and implemented that cover:
    - a. Handling and disposal of biohazardous medical waste;
    - b. Sterilization, disinfection, and storage of medical equipment and supplies;
    - c. Using personal protective equipment such as aprons, gloves, gowns, masks, or face protection when applicable;
    - d. Cleaning of an individual's hands when the individual's hands are visibly soiled and before and after providing a service to a resident;
    - e. Cleaning of a resident's bedroom, furniture, and bedding after the resident's discharge before the bedroom is reassigned to another resident;
    - f. Training of personnel members, employees, and volunteers in infection control practices; and
    - g. Work restrictions for a personnel member with a communicable disease or infected skin lesion;
  4. Biohazardous medical waste is identified, stored, and disposed of according to 18 A.A.C. 13, Article 14 and policies and procedures;
  5. Soiled linen and clothing are:
    - a. Collected in a manner to minimize or prevent contamination;
    - b. Bagged at the site of use; and
    - c. Maintained separate from clean linen and clothing and away from food storage, kitchen, or dining areas;
  6. A resident's personal laundry is washed separately from towels, sheets, and bedding; and
  7. A personnel member, an employee, or a volunteer washes hands or uses a hand disinfection product after a resident contact and after handling soiled linen, soiled clothing, or potentially infectious material.
2. A copy of the ICF/IID's food establishment license or permit is maintained;
  3. If the ICF/IID contracts with a food establishment, as established in 9 A.A.C. 8, Article 1, to prepare and deliver food to the ICF/IID:
    - a. A copy of the contracted food establishment's license or permit under 9 A.A.C. 8, Article 1 is maintained by the ICF/IID; and
    - b. The ICF/IID is able to store, refrigerate, and reheat food to meet the dietary needs of a resident;
  4. A registered dietitian:
    - a. Participates as part of an interdisciplinary team for a resident requiring a modified or special diet,
    - b. Reviews a food menu before the food menu is used to ensure that a resident's nutritional needs are being met,
    - c. Documents the review of a food menu, and
    - d. Is available for consultation regarding a resident's nutritional needs; and
  5. If a registered dietitian is not employed full-time, an individual is designated as a director of food services who consults with a registered dietitian as often as necessary to ensure that the nutritional needs of a resident are met.
- B.** A registered dietitian or director of food services shall ensure that:
1. Food is prepared:
    - a. Using methods that conserve nutritional value, flavor, and appearance; and
    - b. In a form to meet the needs of a resident such as cut, chopped, ground, pureed, or thickened;
  2. A food menu:
    - a. Is prepared at least one week in advance,
    - b. Includes the foods to be served on each day,
    - c. Is conspicuously posted at least one day before the first meal on the food menu will be served,
    - d. Includes any food substitution no later than the morning of the day of meal service with a food substitution, and
    - e. Is maintained for at least 60 calendar days after the last day included in the food menu;
  3. Meals and snacks for each day are planned and served using the applicable guidelines in the most recent dietary guidelines according to the U.S. Department of Health and Human Services and U.S. Department of Agriculture;
  4. A resident is provided:
    - a. A diet that meets the resident's nutritional needs as specified in the resident's comprehensive assessment and individual program plan;
    - b. Food served in sufficient quantities to meet the resident's nutritional needs and at an appropriate temperature;
    - c. Three meals a day with not more than 14 hours between the evening meal and breakfast, except as provided in subsection (B)(4)(e);
    - d. The option to have a daily evening snack identified in subsection (B)(4)(e)(ii) or other snack; and
    - e. The option to extend the time span between the evening meal and breakfast from 14 hours to 16 hours if:
      - i. A resident group agrees; and
      - ii. The resident is offered an evening snack that includes meat, fish, eggs, cheese, or other protein, and a serving from either the fruit and veg-

- etable food group or the bread and cereal food group;
5. A resident is provided with food substitutions of similar nutritional value if:
    - a. The resident refuses to eat the food served, or
    - b. The resident requests a substitution;
  6. Recommendations and preferences are requested from a resident or the resident's representative for meal planning;
  7. If food is used as a part of a program to manage a resident's inappropriate behavior:
    - a. A special diet is included as part of the resident's individual program plan, and
    - b. The special diet is reviewed and evaluated by a physician and a dietitian to ensure the special diet meets the resident's nutritional needs;
  8. Meals are served to residents at tables in a dining area and in a manner that allows the resident to eat from an upright position, unless otherwise specified in the resident's individual program plan or by an attending physician;
  9. A resident requiring assistance to eat is provided with assistance that recognizes the resident's nutritional, physical, and social needs, including the use of adaptive eating equipment or utensils;
  10. Personnel members supervise meals in dining areas to:
    - a. Direct a resident's self-help dining procedures,
    - b. Ensure a resident consumes enough food to meet the resident's nutritional needs, and
    - c. Ensure that a resident eats in a manner consistent with the resident's developmental level;
  11. Tableware, utensils, equipment, and food-contact surfaces are clean and in good repair; and
  12. Water is available and accessible to residents.

**Historical Note**

**R9-10-523. Emergency and Safety Standards****A.** An administrator shall ensure that:

1. A disaster plan is developed, documented, maintained in a location accessible to personnel members and other employees, and, if necessary, implemented that includes:
  - a. A floor plan of the facility showing emergency protection equipment, evacuation routes, and exits;
  - b. When, how, and where residents will be relocated, including:
    - i. Instructions for the evacuation or transfer of residents,
    - ii. Assigned responsibilities for each employee and personnel member, and
    - iii. A plan for continuing to provide services to meet a resident's needs;
  - c. How a resident's medical record will be available to individuals providing services to the resident during a disaster;
  - d. A plan for back-up power and water supply;
  - e. A plan to ensure a resident's medications will be available to administer to the resident during a disaster;

- f. A plan to ensure a resident is provided nursing services, rehabilitation services, and other services required by the resident during a disaster; and
  - g. A plan for obtaining food and water for individuals present in the ICF/IID or the ICF/IID's relocation site during a disaster;
2. Personnel members receive training on the content and use of the disaster plan required in subsection (A)(1);
  3. The disaster plan required in subsection (A)(1) is reviewed at least once every 12 months;
  4. Documentation of a disaster plan review required in subsection (A)(3) is created, is maintained for at least 12 months after the date of the disaster plan review, and includes:
    - a. The date and time of the disaster plan review;
    - b. The name of each personnel member, employee, or volunteer participating in the disaster plan review;
    - c. A critique of the disaster plan review; and
    - d. If applicable, recommendations for improvement;
  5. A disaster drill for employees is conducted on each shift at least once every three months and documented;
  6. An evacuation drill for employees is conducted on each shift at least once every three months and documented;
  7. An evacuation drill for residents:
    - a. Is conducted at least once each year on each shift and documented; and
    - b. Includes all residents on the premises except for:
      - i. A resident whose medical record contains documentation that evacuation from the ICF/IID would cause harm to the resident, and
      - ii. Sufficient personnel members to ensure the health and safety of residents not evacuated according to subsection (A)(7)(b)(i);
  8. Documentation of each evacuation drill is created, is maintained for at least 12 months after the date of the drill, and includes:
    - a. The date and time of the evacuation drill;
    - b. The amount of time taken for employees and residents to evacuate to a designated area;
    - c. If applicable:
      - i. An identification of residents needing assistance for evacuation, and
      - ii. An identification of residents who were not evacuated;
    - d. Any problems encountered in conducting the evacuation drill; and
    - e. Recommendations for improvement, if applicable; and
  9. An evacuation path is conspicuously posted on each hallway of each floor of the ICF/IID.
- B.** An administrator shall ensure that, if an ICF/IID has:
1. More than 16 residents or a resident who has a medical care plan or whose medical record contains documentation that evacuation from the ICF/IID would cause harm to the resident:
    - a. A fire alarm system is installed according to the National Fire Protection Association 72: National Fire Alarm and Signaling Code, incorporated by reference in R9-10-104.01, and is in working order; and
    - b. A sprinkler system is installed according to the National Fire Protection Association 13 Standard for the Installation of Sprinkler Systems, incorporated

- by reference in R9-10-104.01, and is in working order; and
2. Sixteen or fewer residents, none of whom have a medical care plan or whose medical record contains documentation that evacuation from the ICF/IID would cause harm to the resident:
    - a. A fire alarm system and a sprinkler system meeting the requirements in subsection (B)(1) are installed and in working order; or
    - b. The ICF/IID has:
      - i. A fire extinguisher that is:
        - (1) Labeled as rated at least 2A-10-BC by the Underwriters Laboratories;
        - (2) Accessible to personnel members and inaccessible to residents;
        - (3) If a disposable fire extinguisher, replaced when its indicator reaches the red zone; and
        - (4) If a rechargeable fire extinguisher, is serviced at least once every 12 months, as documented by a tag attached to the fire extinguisher that specifies the date of the last servicing and the identification of the person who serviced the fire extinguisher; and
      - ii. Smoke detectors that are:
        - (1) Installed in each bedroom, hallway that adjoins a bedroom, storage room, laundry room, attached garage, and room or hallway adjacent to the kitchen, and other places recommended by the manufacturer;
        - (2) Either battery operated or, if hard-wired into the electrical system of the ICF/IID, has a back-up battery;
        - (3) In working order; and
        - (4) Tested at least once a month, with documentation of the test maintained for at least 12 months after the date of the test.
- C. An administrator shall:
1. Obtain a fire inspection conducted according to the time-frame established by the local fire department or the State Fire Marshal,
  2. Make any repairs or corrections stated on the fire inspection report, and
  3. Maintain documentation of a current fire inspection.
- D. An administrator shall ensure that, if applicable, a sign is placed at the entrance to a room or area indicating that oxygen is in use.

- 3. Policies and procedures are reviewed at least once every three years and updated as needed;
- 4. Policies and procedures are available to personnel members, employees, volunteers, and students; and
- 5. Unless otherwise stated:
  - a. Documentation required by this Article is provided to the Department within two hours after a Department request; and
  - b. When documentation or information is required by this Chapter to be submitted on behalf of a behavioral health residential facility, the documentation or information is provided to the unit in the Department that is responsible for licensing and monitoring the behavioral health residential facility.
- D. If an applicant requests or a behavioral health residential facility has a licensed capacity of 10 or more residents, an administrator shall designate a clinical director who:
  - 1. Provides direction for the behavioral health services provided by or at the behavioral health residential facility;
  - 2. Is a behavioral health professional; and
  - 3. May be the same individual as the administrator, if the individual meets the qualifications in subsections (A)(2)(b) and (D)(1) and (2).
- E. Except for respite services, an administrator shall ensure that medical services, nursing services, health-related services, or ancillary services provided by a behavioral health residential facility are only provided to a resident who is expected to be present in the behavioral health residential facility for more than 24 hours.
- F. The administrator of a behavioral health residential facility providing services to children shall notify the Department within 30 calendar days after:
  - 1. Beginning to contract exclusively with the federal government, and
  - 2. Receiving only federal monies for services provided.
- G. An administrator shall provide written notification to the Department of a resident's:
  - 1. Death, if the resident's death is required to be reported according to A.R.S. § 11-593, within one working day after the resident's death; and
  - 2. Self-injury, within two working days after the resident inflicts a self-injury or has an accident that requires immediate intervention by an emergency medical services provider.
- H. If abuse, neglect, or exploitation of a resident is alleged or suspected to have occurred before the resident was admitted or while the resident is not on the premises and not receiving services from a behavioral health residential facility's employee or personnel member, an administrator shall report the alleged or suspected abuse, neglect, or exploitation of the resident as follows:
  - 1. For a resident 18 years of age or older, according to A.R.S. § 46-454; or
  - 2. For a resident under 18 years of age, according to A.R.S. § 13-3620.
- I. If an administrator has a reasonable basis, according to A.R.S. § 13-3620 or 46-454, to believe abuse, neglect, or exploitation has occurred on the premises or while a resident is receiving services from a behavioral health residential facility's employee or personnel member, the administrator shall:
  - 1. If applicable, take immediate action to stop the suspected abuse, neglect, or exploitation;
  - 2. Report the suspected abuse, neglect, or exploitation of the resident:
    - a. For a resident 18 years of age or older, according to A.R.S. § 46-454; or
    - b. For a resident under 18 years of age, according to A.R.S. § 13-3620;
  - 3. Document:
    - a. The suspected abuse, neglect, or exploitation;
    - b. Any action taken according to subsection (I)(1); and
    - c. The report in subsection (I)(2);
  - 4. Maintain the documentation in subsection (I)(3) for at least 12 months after the date of the report in subsection (I)(2);
  - 5. Initiate an investigation of the suspected abuse, neglect, or exploitation and document the following information within five working days after the report required in (I)(2):
    - a. The dates, times, and description of the suspected abuse, neglect, or exploitation;
    - b. A description of any injury to the resident related to the suspected abuse or neglect and any change to the resident's physical, cognitive, functional, or emotional condition;
    - c. The names of witnesses to the suspected abuse, neglect, or exploitation; and
    - d. The actions taken by the administrator to prevent the suspected abuse, neglect, or exploitation from occurring in the future; and
  - 6. Maintain a copy of the documented information required in subsection (I)(5) and any other information obtained during the investigation for at least 12 months after the date the investigation was initiated.
- J. In addition to the notification requirements in subsections (F), (G), (H), and (I), an administrator of a behavioral health residential facility providing services to children that contracts exclusively with the federal government and receives only federal monies for services provided shall comply with A.R.S. § 36-418.
- K. An administrator shall:
  - 1. Establish and document requirements regarding residents, personnel members, employees, and other individuals entering and exiting the premises;
  - 2. For a behavioral health residential facility licensed according to A.R.S. § 36-425.06 and in addition to the requirements in subsection (K)(1), establish and document requirements for a resident admitted according to A.R.S. § 36-550.09, consistent with R9-10-722(D);
  - 3. Establish and document guidelines for meeting the needs of an individual residing at a behavioral health residential facility with a resident, such as a child accompanying a parent in treatment, if applicable;
  - 4. If children under the age of 12, who are not admitted to a behavioral health residential facility, are residing at the behavioral health residential facility and being cared for by employees or personnel members, ensure that:

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- a. An employee or personnel member caring for children has current cardiopulmonary resuscitation and first aid training specific to the ages of children being cared for; and
  - b. The staff-to-children ratios in A.A.C. R9-5-404(A) are maintained, based on the age of the youngest child in the group;
- 5. Establish and document the process for responding to a resident's need for immediate and unscheduled behavioral health services or physical health services;
- 6. Establish and document the criteria for determining when a resident's absence is unauthorized, including criteria for a resident who:
  - a. Was admitted under A.R.S. Title 36, Chapter 5, Articles 3, 4, 5, or 10;
  - b. Is absent against medical advice; or
  - c. Is under the age of 18;
- 7. If a resident's absence is unauthorized as determined according to the criteria in subsection (K)(5), within an hour after determining that the resident's absence is unauthorized, notify:
  - a. For a resident who is under 18 years of age, the resident's parent or legal guardian; and
  - b. For a resident who is under a court's jurisdiction, the appropriate court;
- 8. Maintain a written log of unauthorized absences for at least 12 months after the date of a resident's absence that includes the:
  - a. Name of a resident absent without authorization,
  - b. Name of the individual to whom the report required in subsection (K)(6) was submitted, and
  - c. Date of the report; and
- 9. Evaluate and take action related to unauthorized absences under the quality management program in R9-10-704.
- L.** An administrator shall ensure that a personnel member who is able to read, write, understand, and communicate in English is on the premises of the behavioral health residential facility.
- M.** An administrator shall ensure that the following information or documents are conspicuously posted on the premises and are available upon request to a personnel member, employee, resident, or a resident's representative:

  - 2. The location at which inspection reports required in R9-10-720(C) are available for review or can be made available for review, and
  - 3. The calendar days and times when a resident may accept visitors or make telephone calls.
- N.** An administrator shall ensure that:
  - 1. Labor performed by a resident for the behavioral health residential facility is consistent with A.R.S. § 36-510;
  - 2. A resident who is a child is only released to the child's custodial parent, guardian, or custodian or as authorized in writing by the child's custodial parent, guardian, or custodian;
  - 3. The administrator obtains documentation of the identity of the parent, guardian, custodian, or family member authorized to act on behalf of a resident who is a child; and
  - 4. A resident, who is an incapacitated person according to A.R.S. § 14-5101 or who is gravely disabled, is assisted in obtaining a resident's representative to act on the resident's behalf.
- O.** If an administrator determines that a resident is incapable of handling the resident's financial affairs, the administrator shall:
  - 1. Notify the resident's representative or contact a public fiduciary or a trust officer to take responsibility of the resident's financial affairs, and
  - 2. Maintain documentation of the notification required in subsection (O)(1) in the resident's medical record for at least 12 months after the date of the notification.
- P.** If an administrator manages a resident's money through a personal funds account, the administrator shall ensure that:
  - 1. Policies and procedure are established, developed, and implemented for:
    - a. Using resident's funds in a personal funds account,
    - b. Protecting resident's funds in a personal funds account,
    - c. Investigating a complaint about the use of resident's funds in a personal funds account and ensuring that the complaint is investigated by an individual who does not manage the personal funds account,
    - d. Processing each deposit into and withdrawal from a personal funds account, and
    - e. Maintaining a record for each deposit into and withdrawal from a personal funds account; and
  - 2. The personal funds account is only initiated after receiving a written request that:
    - a. Is provided:
      - i. Voluntarily by the resident,
      - ii. By the resident's representative, or
      - iii. By a court of competent jurisdiction;
    - b. May be withdrawn at any time; and
    - c. Is maintained in the resident's record.

This notice also erroneously included a change to the reference of a subsection in (G)(3)(h) which has been corrected to R9-10-703(C)(1)(e) as originally made at 19 A.A.R. 2015 and amended at 20 A.A.R. 1409 (File no. R14-68). The omission of amendments to these subsections were published as filed by the Department and have been corrected as amended in the original notices at the Department’s request (Supp. 21-2). Due to a Department error published at 26 A.A.R. 551, subsections R9-10-706(I), (J), and (K) have been corrected as amended at 25 A.A.R. 1583 (Supp. 21-3).

**R9-10-707. Admission; Assessment**

- A.** An administrator shall ensure that:
1. A resident is admitted based upon:
    - a. The resident’s primary condition for which the resident is admitted to the behavioral health residential facility being a behavioral health issue, and
    - b. The resident’s behavioral health issue and treatment needs are within the behavioral health residential facility’s scope of services;
  2. A behavioral health professional, authorized by policies and procedures to admit a resident, is available;
  3. Except as provided in subsection (A)(4), general consent is obtained from:
    - a. An adult resident or the resident’s representative before or at the time of admission, or
    - b. A resident’s representative, if the resident is not an adult;
  4. General consent is not required from a patient receiving a court-ordered evaluation or court-ordered treatment;
  5. The general consent obtained in subsection (A)(3) is documented in the resident’s medical record;
  6. Except as provided in subsection (E)(1)(a), a medical practitioner performs a medical history and physical examination or a registered nurse performs a nursing assessment on a resident within 30 calendar days before admission or within 72 hours after admission and documents the medical history and physical examination or nursing assessment in the resident’s medical record within 72 hours after admission;
  7. If a medical practitioner performs a medical history and physical examination or a nurse performs a nursing assessment on a resident before admission, the medical practitioner enters an interval note or the nurse enters a progress note in the resident’s medical record within seven calendar days after admission;
  8. If a behavioral health assessment is conducted by a:
    - a. Behavioral health technician or registered nurse, within 24 hours a behavioral health professional,

- certified or licensed to provide the behavioral health services needed by the resident, reviews and signs the behavioral health assessment to ensure that the behavioral health assessment identifies the behavioral health services needed by the resident; or
- b. Behavioral health paraprofessional, a behavioral health professional, certified or licensed to provide the behavioral health services needed by the resident, supervises the behavioral health paraprofessional during the completion of the assessment and signs the assessment to ensure that the assessment identifies the behavioral health services needed by the resident;
9. Except as provided in subsection (A)(10), a behavioral health assessment for a resident is completed before treatment for the resident is initiated;
  10. If a behavioral health assessment that complies with the requirements in this Section is received from a behavioral health provider other than the behavioral health residential facility or if the behavioral health residential facility has a medical record for the resident that contains a behavioral health assessment that was completed within 12 months before the date of the resident's current admission:
    - a. The resident's assessment information is reviewed before treatment for the resident is initiated and updated if additional information that affects the resident's assessment is identified, and
    - b. The review and update of the resident's assessment information is documented in the resident's medical record within 48 hours after the review is completed;
  11. A behavioral health assessment:
    - a. Documents a resident's:
      - i. Presenting issue;
      - ii. Substance abuse history;
      - iii. Co-occurring disorder;
      - iv. Legal history, including:
        - (1) Custody,
        - (2) Guardianship, and
        - (3) Pending litigation;
      - v. Criminal justice record;
      - vi. Family history;
      - vii. Behavioral health treatment history;
      - viii. Symptoms reported by the resident; and
      - ix. Referrals needed by the resident, if any;
    - b. Includes:
      - i. Recommendations for further assessment or examination of the resident's needs,
      - ii. The physical health services or ancillary services that will be provided to the resident until the resident's treatment plan is completed, and
      - iii. The signature and date signed of the personnel member conducting the behavioral health assessment; and
    - c. Is documented in resident's medical record;
  12. A resident is referred to a medical practitioner if a determination is made that the resident requires immediate physical health services or the resident's behavioral health issue may be related to the resident's medical condition; and
  13. Except as provided in subsection (E)(1)(d), a resident provides evidence of freedom from infectious tuberculosis:
    - a. Before or within seven calendar days after the resident's admission, and
    - b. As specified in R9-10-113.
- B. An administrator shall ensure that:
    1. A request for participation in a resident's behavioral health assessment is made to the resident or the resident's representative,
    2. An opportunity for participation in the resident's behavioral health assessment is provided to the resident or the resident's representative, and
    3. The request in subsection (B)(1) and the opportunity in subsection (B)(2) are documented in the resident's medical record.
  - C. An administrator shall ensure that a resident's behavioral health assessment information is documented in the medical record within 48 hours after completing the behavioral health assessment.
  - D. If information in subsection (A)(10) is obtained about a resident after the resident's behavioral health assessment is completed, an administrator shall ensure that an interval note, including the information, is documented in the resident's medical record within 24 hours after the information is obtained.
  - E. If a behavioral health residential facility is authorized to provide respite services, an administrator shall ensure that:
    1. Upon admission of a resident for respite services:
      - a. Except as provided in subsection (F), a medical history and physical examination of the resident:
        - i. Is performed; or
        - ii. If dated within the previous 12 months, is available in the resident's medical record from a previous admission to the behavioral health residential facility;
      - b. A treatment plan that meets the requirements in R9-10-708:

  - i. Medical record, or
  - ii. Financial records.

**C.** For a behavioral health residential facility with licensed capacity of less than 10 residents, if a behavioral health professional determines that a resident's treatment requires the behavioral health residential facility to restrict the resident's ability to participate in the activities in subsection (B)(3), the behavioral health professional shall:

- 1. Document a specific treatment purpose in the resident's medical record that justifies restricting the resident from the activity,
- 2. Inform the resident or resident's representative of the reason why the activity is being restricted, and
- 3. Inform the resident or resident's representative of the resident's right to file a complaint and the procedure for filing a complaint.

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- D.** For a behavioral health residential facility with a licensed capacity of 10 or more residents, if a clinical director determines that a resident's treatment requires the behavioral health residential facility to restrict the resident's ability to participate in the activities in subsection (B)(3), the clinical director shall comply with the requirements in subsections (C)(1) through (3).
- E.** A resident has the following rights:
1. Not to be discriminated against based on race, national origin, religion, gender, sexual orientation, age, disability, marital status, or diagnosis;
  2. To receive treatment that:
    - a. Supports and respects the resident's individuality, choices, strengths, and abilities;
    - b. Supports the resident's personal liberty and only restricts the resident's personal liberty according to a court order, by the resident's or the resident's representative's general consent, or as permitted in this Chapter; and
    - c. Is provided in the least restrictive environment that meets the resident's treatment needs;
  3. To receive privacy in treatment and care for personal needs, including the right not to be fingerprinted, photographed, or recorded without consent, except:
    - a. A resident may be photographed when admitted to a behavioral health residential facility for identification and administrative purposes;
    - b. For a resident receiving treatment according to A.R.S. Title 36, Chapter 37; or
    - c. For video recordings used for security purposes that are maintained only on a temporary basis;
  4. Not to be prevented or impeded from exercising the resident's civil rights unless the resident has been adjudicated incompetent or a court of competent jurisdiction has found that the resident is not able to exercise a specific right or category of rights;
  5. To review, upon written request, the resident's own medical record according to A.R.S. §§ 12-2293, 12-2294, and 12-2294.01;
  6. To be provided locked storage space for the resident's belongings while the resident receives treatment;
  7. To have opportunities for social contact and daily social, recreational, or rehabilitative activities;
  8. To be informed of the requirements necessary for the resident's discharge or transfer to a less restrictive physical environment;
  9. To receive a referral to another health care institution if the behavioral health residential facility is not authorized or not able to provide physical health services or behavioral health services needed by the resident;
  10. To participate or have the resident's representative participate in the development of a treatment plan or decisions concerning treatment;
  11. To participate or refuse to participate in research or experimental treatment; and
  12. To receive assistance from a family member, the resident's representative, or other individual in understanding, protecting, or exercising the resident's rights.

rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3).

**R9-10-712. Medical Records**

- A.** An administrator shall ensure that:
1. A medical record is established and maintained for each resident according to A.R.S. Title 12, Chapter 13, Article 7.1;
  2. An entry in a resident's medical record is:
    - a. Recorded only by a personnel member authorized by policies and procedures to make the entry;
    - b. Dated, legible, and authenticated; and
    - c. Not changed to make the initial entry illegible;
  3. An order is:
    - a. Dated when the order is entered in the resident's medical record and includes the time of the order;
    - b. Authenticated by a medical practitioner or behavioral health professional according to policies and procedures; and
    - c. If the order is a verbal order, authenticated by the medical practitioner or behavioral health professional issuing the order;
  4. If a rubber-stamp signature or an electronic signature is used to authenticate an order, the individual whose signature the rubber-stamp signature or electronic signature represents is accountable for the use of the rubber-stamp signature or electronic signature;
  5. A resident's medical record is available to an individual:
    - a. Authorized according to policies and procedures to access the resident's medical record;
    - b. If the individual is not authorized according to policies and procedures, with the written consent of the resident or the resident's representative; or
    - c. As permitted by law;
  6. Policies and procedures include the maximum time-frame to retrieve a resident's medical record at the request of a medical practitioner, behavioral health professional, or authorized personnel member; and
  7. A resident's medical record is protected from loss, damage, or unauthorized use.
- B.** If a behavioral health residential facility maintains residents' medical records electronically, an administrator shall ensure that:
1. Safeguards exist to prevent unauthorized access, and
  2. The date and time of an entry in a resident's medical record is recorded by the computer's internal clock.
- C.** An administrator shall ensure that a resident's medical record contains:
1. Resident information that includes:
    - a. The resident's name;
    - b. The resident's address;
    - c. The resident's date of birth; and
    - d. Any known allergies, including medication allergies;
  2. The name of the admitting medical practitioner or behavioral health professional;
  3. An admitting diagnosis or presenting behavioral health issues;
  4. The date of admission and, if applicable, date of discharge;

**R9-10-719. Food Services**

A. Except for an outdoor behavioral health care program provided by a behavioral health residential facility, an administrator shall ensure that:

1. For a behavioral health residential facility that has a licensed capacity of more than 10 residents:
  - a. The behavioral health residential facility obtains a license or permit as a food establishment under 9 A.A.C. 8, Article 1; and
  - b. A copy of the behavioral health residential facility's food establishment license or permit is maintained;
2. If a behavioral health residential facility contracts with a food establishment, as established in 9 A.A.C. 8, Article 1, to prepare and deliver food to the behavioral health residential facility, a copy of the food establishment's license or permit under 9 A.A.C. 8, Article 1 is maintained by the behavioral health residential facility;
3. Food is stored, refrigerated, and reheated to meet the dietary needs of a resident;
4. A registered dietitian is employed full-time, part-time, or as a consultant; and
5. If a registered dietitian is not employed full-time, an individual is designated as a director of food services who consults with a registered dietitian as often as necessary to meet the nutritional needs of the residents.

B. Except for an outdoor behavioral health care program provided by a behavioral health residential facility, a registered dietitian or director of food services shall ensure that:

1. Food is prepared:
  - a. Using methods that conserve nutritional value, flavor, and appearance; and
  - b. In a form to meet the needs of a resident, such as cut, chopped, ground, pureed, or thickened;
2. A food menu:
  - a. Is prepared at least one week in advance,
  - b. Includes the foods to be served each day,
  - c. Is conspicuously posted at least one calendar day before the first meal on the food menu will be served,
  - d. Includes any food substitution no later than the morning of the day of meal service with a food substitution, and
  - e. Is maintained for at least 60 calendar days after the last day included in the food menu;
3. Meals and snacks provided by the behavioral health residential facility are served according to posted menus;

4. Meals and snacks for each day are planned using the applicable guidelines in <http://www.health.gov/dietaryguidelines/2015/>;

5. A resident is provided:

- a. A diet that meets the resident's nutritional needs as specified in the resident's assessment or treatment plan;
- b. Three meals a day with not more than 14 hours between the evening meal and breakfast, except as provided in subsection (B)(5)(d);
- c. The option to have a daily evening snack identified in subsection (B)(5)(d)(ii) or other snack; and
- d. The option to extend the time span between the evening meal and breakfast from 14 hours to 16 hours if:
  - i. The resident agrees; and
  - ii. The resident is offered an evening snack that includes meat, fish, eggs, cheese, or other protein, and a serving from either the fruit and vegetable food group or the bread and cereal food group;

6. A resident requiring assistance to eat is provided with assistance that recognizes the resident's nutritional, physical, and social needs, including the use of adaptive eating equipment or utensils; and
7. Water is available and accessible to residents unless otherwise stated in a resident's treatment plan.

C. Except for an outdoor behavioral health care program provided by a behavioral health residential facility, an administrator shall ensure that food is obtained, prepared, served, and stored as follows:

1. Food is free from spoilage, filth, or other contamination and is safe for human consumption;
2. Food is protected from potential contamination;
3. Potentially hazardous food is maintained as follows:
  - a. Foods requiring refrigeration are maintained at 41° F or below; and
  - b. Foods requiring cooking are cooked to heat all parts of the food to a temperature of at least 145° F for 15 seconds, except that:
    - i. Ground beef and ground meats are cooked to heat all parts of the food to at least 155° F;
    - ii. Poultry, poultry stuffing, stuffed meats, and stuffing that contains meat are cooked to heat all parts of the food to at least 165° F;
    - iii. Pork and any food containing pork are cooked to heat all parts of the food to at least 155° F;
    - iv. Raw shell eggs for immediate consumption are cooked to at least 145° F for 15 seconds and any food containing raw shell eggs is cooked to heat all parts of the food to at least 155° F;
    - v. Roast beef and beef steak are cooked to an internal temperature of at least 155° F; and
    - vi. Leftovers are reheated to a temperature of at least 165° F;
4. A refrigerator contains a thermometer, accurate to plus or minus 3° F, placed at the warmest part of the refrigerator;
5. Frozen foods are stored at a temperature of 0° F or below; and
6. Tableware, utensils, equipment, and food-contact surfaces are clean and in good repair.

    - d. The Arizona Center for Disability Law; and
  4. The location at which a copy of the most recent Department inspection report and any plan of correction resulting from the Department inspection may be viewed.
- E.** A manager shall ensure that, unless otherwise stated:
1. Documentation required by this Article is provided to the Department within two hours after a Department request; and
  2. When documentation or information is required by this Chapter to be submitted on behalf of an assisted living facility, the documentation or information is provided to the unit in the Department that is responsible for licensing and monitoring the assisted living facility.
- F.** If a requirement in this Article states that a manager shall ensure an action or condition or sign a document:
1. A governing authority or licensee may ensure the action or condition or sign the document and retain the responsibility to ensure compliance with the requirement in this Article;
  2. The manager may delegate ensuring the action or condition or signing the document to another individual, but the manager retains the responsibility to ensure compliance with the requirement in the Article; and
  3. If the manager delegates ensuring an action or condition or signing a document, the delegation is documented and the documentation includes the name of the individual to whom the action, condition, or signing is delegated and the effective date of the delegation.
- G.** A manager shall:
1. Not act as a resident's representative and not allow an employee or a family member of an employee to act as a resident's representative for a resident who is not a family member of the employee;
  2. If the assisted living facility administers personal funds accounts for residents and is authorized in writing by a resident or the resident's representative to administer a personal funds account for the resident:
    - a. Ensure that the resident's personal funds account does not exceed \$2,000;
    - b. Maintain a separate record for each resident's personal funds account, including receipts and expenditures;
    - c. Maintain the resident's personal funds account separate from any account of the assisted living facility; and
    - d. Provide a copy of the record of the resident's personal funds account to the resident or the resident's representative at least once every three months;
  3. Notify the resident's representative, family member, public fiduciary, or trust officer if the manager determines that a resident is incapable of handling financial affairs; and
  4. Except when a resident's need for assisted living services changes, as documented in the resident's service plan, ensure that a resident receives at least 30 calendar days written notice before any increase in a fee or charge.
- H.** A manager shall permit the Department to interview an employee, a volunteer, a resident, or a resident's representative as part of a compliance survey or a complaint investigation.
- I.** If abuse, neglect, or exploitation of a resident is alleged or suspected to have occurred before the resident was accepted or while the resident is not on the premises and not receiving services from an assisted living facility's manager, caregiver, or assistant caregiver, the manager shall report the alleged or suspected abuse, neglect, or exploitation of the resident according to A.R.S. § 46-454.
- J.** If a manager has a reasonable basis, according to A.R.S. § 46-454, to believe abuse, neglect or exploitation has occurred on the premises or while a resident is receiving services from an assisted living facility's manager, caregiver, or assistant caregiver, the manager shall:
1. If applicable, take immediate action to stop the suspected abuse, neglect, or exploitation;
  2. Report the suspected abuse, neglect, or exploitation of the resident according to A.R.S. § 46-454;
  3. Document:
    - a. The suspected abuse, neglect, or exploitation;
    - b. Any action taken according to subsection (J)(1); and
    - c. The report in subsection (J)(2);
  4. Maintain the documentation in subsection (J)(3) for at least 12 months after the date of the report in subsection (J)(2);
  5. Initiate an investigation of the suspected abuse, neglect, or exploitation and document the following information within five working days after the report required in subsection (J)(2):
    - a. The dates, times, and description of the suspected abuse, neglect, or exploitation;

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

- b. A description of any injury to the resident related to the suspected abuse or neglect and any change to the resident's physical, cognitive, functional, or emotional condition;
  - c. The names of witnesses to the suspected abuse, neglect, or exploitation; and
  - d. The actions taken by the manager to prevent the suspected abuse, neglect, or exploitation from occurring in the future; and
- 6. Maintain a copy of the documented information required in subsection (J)(5) for at least 12 months after the date the investigation was initiated.
- K.** A manager shall provide written notification to the Department of a resident's:
  - 1. Death, if the resident's death is required to be reported according to A.R.S. § 11-593, within one working day after the resident's death;
  - 2. Self-injury, within two working days after the resident inflicts a self-injury that requires immediate intervention by an emergency services provider; and
  - 3. Elopement, within 24 hours of the elopement being discovered.
- L.** If a resident is receiving services from a home health agency or hospice service agency, a manager shall ensure that:
  - 1. The resident's medical record contains:
    - a. The name, address, and contact individual, including contact information, of the home health agency or hospice service agency;
    - b. Any information provided by the home health agency or hospice service agency; and
    - c. A copy of resident follow-up instructions provided to the resident by the home health agency or hospice service agency; and
  - 2. Any care instructions for a resident provided to the assisted living facility by the home health agency or hospice service agency are:
    - a. Within the assisted living facility's scope of services,
    - b. Communicated to a caregiver, and
    - c. Documented in the resident's service plan.
- M.** A manager of an assisted living home may establish, in policies and procedures, requirements that a caregiver obtains and provides documentation of cardiopulmonary resuscitation training specific to adults, which includes a demonstration of the caregiver's ability to perform cardiopulmonary resuscitation, from one of the following organizations:
  - 1. American Red Cross,
  - 2. American Heart Association, or
  - 3. National Safety Council.

- A.** Except as provided in R9-10-808(B)(2), a manager shall ensure that a resident provides evidence of freedom from infectious tuberculosis:
  1. Before or within seven calendar days after the resident's date of occupancy, and
  2. As specified in R9-10-113.
- B.** A manager shall ensure that before or at the time of acceptance of an individual, the individual submits documentation that is dated within 90 calendar days before the individual is accepted by an assisted living facility and:

## TITLE 9. HEALTH SERVICES

## CHAPTER 10. DEPARTMENT OF HEALTH SERVICES - HEALTH CARE INSTITUTIONS: LICENSING

1. If an individual is requesting or is expected to receive supervisory care services, personal care services, or directed care services:
    - a. Includes whether the individual requires:
      - i. Continuous medical services,
      - ii. Continuous or intermittent nursing services, or
      - iii. Restraints; and
    - b. Is dated and signed by a:
      - i. Physician,
      - ii. Registered nurse practitioner,
      - iii. Registered nurse, or
      - iv. Physician assistant; and
  2. If an individual is requesting or is expected to receive behavioral health services, other than behavioral care, in addition to supervisory care services, personal care services, or directed care services from an assisted living facility:
    - a. Includes whether the individual requires continuous behavioral health services, and
    - b. Is signed and dated by a behavioral health professional.
- C.** A manager shall not accept or retain an individual if:
1. The individual requires continuous:
    - a. Medical services;
    - b. Nursing services, unless the assisted living facility complies with A.R.S. § 36-401(C); or
    - c. Behavioral health services;
  2. The primary condition for which the individual needs assisted living services is a behavioral health issue;
  3. The services needed by the individual are not within the assisted living facility's scope of services and a home health agency or hospice service agency is not involved in the care of the individual;
  4. The assisted living facility does not have the ability to provide the assisted living services needed by the individual; or
  5. The individual requires restraints, including the use of bedrails.
- D.** Before or at the time of an individual's acceptance by an assisted living facility, a manager shall ensure that there is a documented residency agreement with the assisted living facility that includes:
1. The individual's name;
  2. Terms of occupancy, including:
    - a. Date of occupancy or expected date of occupancy,
    - b. Resident responsibilities, and
    - c. Responsibilities of the assisted living facility;
  3. A list of the services to be provided by the assisted living facility to the resident;
  4. A list of the services available from the assisted living facility at an additional fee or charge;
  5. For an assisted living home, whether the manager or a caregiver is awake during nighttime hours;
  6. The policy for refunding fees, charges, or deposits;
  7. The policy and procedure for a resident to terminate residency, including terminating residency because services were not provided to the resident according to the resident's service plan;
  8. The policy and procedure for an assisted living facility to terminate residency;
  9. The complaint process; and
  10. The manager's signature and date signed.
- E.** Before or within five working days after a resident's acceptance by an assisted living facility, a manager shall obtain on the documented agreement, required in subsection (D), the signature of one of the following individuals:
1. The resident,
  2. The resident's representative,
  3. The resident's legal guardian, or
  4. Another individual who has been designated by the individual under A.R.S. § 36-3221 to make health care decisions on the individual's behalf.
- F.** A manager shall:
1. Before or at the time of an individual's acceptance by an assisted living facility, provide to the resident or resident's representative a copy of:
    - a. The residency agreement in subsection (D),
    - b. Resident's rights, and
    - c. The policy and procedure on health care directives; and
  2. Maintain the original of the residency agreement in subsection (D) in the resident's medical record.
- G.** A manager may terminate residency of a resident as follows:
1. Without notice, if the resident exhibits behavior that is an immediate threat to the health and safety of the resident or other individuals in an assisted living facility;
  2. With a 14-calendar-day written notice of termination of residency:
    - a. For nonpayment of fees, charges, or deposit; or
    - b. Under any of the conditions in subsection (C); or
  3. With a 30-calendar-day written notice of termination of residency, for any other reason.
- H.** A manager shall ensure that the written notice of termination of residency in subsection (G) includes:
1. The date of notice;
  2. The reason for termination;
  3. The policy for refunding fees, charges, or deposits;
  4. The deposition of a resident's fees, charges, and deposits; and
  5. Contact information for the State Long-Term Care Ombudsman.
- I.** A manager shall provide the following to a resident when the manager provides the written notice of termination of residency in subsection (G):
1. A copy of the resident's current service plan, and
  2. Documentation of the resident's freedom from infectious tuberculosis.
- J.** If an assisted living facility issues a written notice of termination of residency as provided in subsection (G) to a resident or the resident's representative because the resident needs services the assisted living facility is either not licensed to provide or is licensed to provide but not able to provide, a manager shall ensure that the written notice of termination of residency includes a description of the specific services that the resident needs that the assisted living facility is either not licensed to provide or is licensed to provide but not able to provide.

  - a. The resident's condition for which nursing services are required is a result of a short-term illness or injury, and
  - b. The requirements of subsection (B)(2) are met.
- E. A manager shall ensure that a bell, intercom, or other mechanical means to alert employees to a resident's needs or emergencies is available and accessible in a bedroom or residential unit being used by a resident receiving personal care services.
- F. In addition to the requirements in R9-10-808(A)(3), a manager shall ensure that the service plan for a resident receiving personal care services includes:
  1. Skin maintenance to prevent and treat bruises, injuries, pressure sores, and infections;
  2. Offering sufficient fluids to maintain hydration;
  3. Incontinence care that ensures that a resident maintains the highest practicable level of independence when toileting; and
  4. If applicable, the determination in subsection (B)(2)(b)(iii).
- G. A manager shall ensure that an employee does not provide non-prescription medication to a resident receiving personal care services unless the resident has an order from the resident's primary care provider or another medical practitioner for the non-prescription medication.
7. Coordination of communications with the resident's representative, family members, and, if applicable, other individuals identified in the resident's service plan; and
8. If the resident is receiving memory care services:
  - a. Identification of specialized environmental features to support memory care services, such as secure areas to prevent wandering and spaces designed for cognitive stimulation and engagement;
  - b. Strategies for providing person-centered care that aligns with the principles of dementia-friendly environments, including familiar surroundings, optimized sensory stimulation, and meaningful activities; and
  - c. Strategies for administering medications as ordered.
- D. A manager shall ensure that an employee does not provide non-prescription medication to a resident receiving directed care services unless the resident has an order from a medical practitioner for the non-prescription medication.
- E. A manager shall ensure that:
  1. A bell, intercom, or other mechanical means to alert employees to a resident's needs or emergencies is available in a bedroom being used by a resident receiving directed care services; or
  2. An assisted living facility has implemented another means to alert a caregiver or assistant caregiver to a resident's needs or emergencies.
- F. A manager of an assisted living facility authorized to provide directed care services shall ensure that:
  1. Policies and procedures are established, documented, and implemented that ensure the safety of a resident who may wander;
  2. There is a means of exiting the facility for a resident who does not have a key, special knowledge for egress, or the ability to expend increased physical effort that meets one of the following:
    - a. Provides access to an outside area that:
      - i. Allows the resident to be at least 30 feet away from the facility that is secure, and
      - ii. Monitors or alerts employees of the egress of a resident from the facility;
    - b. Provides access to an outside area:
      - i. From which a resident may exit to a location at least 30 feet away from the facility that is secure, and
      - ii. Monitors or alerts employees of the egress of a resident from the facility; or
    - c. Uses a mechanism that meets the Special Egress-Control Devices provisions in the International Building Code incorporated by reference in R9-10-104.01; and
  3. A caregiver or an assistant caregiver complies with the requirements for incidents in R9-10-804 when a resident who is unable to direct self-care wanders into an area not designated by the governing authority for use by the resident.

**R9-10-816. Memory Care Services**

A. If an assisted living facility is authorized to provide directed care services, a manager shall ensure that:

1. Policies and procedures for memory care services are established, documented, and implemented to cover the following:
  - a. Skills and knowledge necessary for the personnel member to provide the expected memory care services;
  - b. Interventions used for behavior management;
  - c. Systems to accommodate visitors, staff, and residents who do not need controlled egress;
  - d. The requirements in R9-10-815(C)(8) regarding the prevention of unsafe wandering or exit seeking, which may include the use of tracking systems;
  - e. Promotion of nutrition and hydration care;
  - f. Evacuation and emergency procedures specific to residents receiving memory care services, that include the requirements in R9-10-819(A)(5);
  - g. Prevention techniques of elopement and responding to elopement incidents promptly and effectively;
  - h. Monitoring residents receiving memory care services in outdoor areas on the premises;
  - i. Specialized environmental features to support memory care that include:
    - i. Secure areas to prevent wandering and spaces designed for cognitive stimulation and engagement; and
    - ii. Strategies for providing person-centered care that aligns with the principles of dementia-friendly environments, including familiar surroundings, optimized sensory stimulation, and meaningful activities; and
  - j. Specialized accommodations and progressive support for activities of daily living tailored to persons living with dementia following evidence-based best practices;
2. Activities that match the resident's cognitive ability, memory, attention span, language, reasoning ability, and physical function;
3. For a resident who requests or receives memory care services from the assisted living facility, a medical practitioner:
  - a. Evaluates the resident within 30 calendar days before acceptance of the resident and at least once every six months throughout the duration of the resident's need for memory care services;
  - b. Reviews the assisted living facility's scope of services; and
  - c. Signs and dates a determination stating that the resident's needs can be met by the assisted living facility within the assisted living facility's scope of services and, for retention of a resident, are being met by the assisted living facility;
4. There is staffing to ensure adequate supervision and care for residents receiving memory care services;
5. In an assisted living facility where residents are housed in two or more detached buildings, or if a building has distinct and segregated areas, a designated caregiver must be

awake and available in each building and each segregated area at all times; and

6. If applicable, staffing is increased to compensate for the evaluated care and service needs of residents at move-in or for the changing physical or cognitive needs of the residents.
- B. A manager shall ensure that staff obtain a certificate of completion, as specified in R9-10-126, including the minimum eight hours of initial memory care services training within the first 30 days of hire or provide a copy of a certificate of completion, as specified in R9-10-126, obtained within the preceding 12 months from the date of hire. If a staff member or contractor has not worked at an assisted living facility that is licensed to provide directed care services for a period of 12 months, the staff member or contractor must complete the minimum eight hours of initial memory care services training within 30 days after the date of hire, rehire, or returning to work.
- C. In addition to the minimum eight hours of initial memory care services training, a manager shall complete a minimum of four hours of memory care services training specific to assisted living facility managers.
- D. Each resident receiving memory care services must have a service plan that meets the requirements specified in R9-10-815(C).
- E. Service planning for residents receiving memory care services shall be person-centered involving comprehensive assessments that consider the resident's medical history, preference, and social context, and should actively include input from the resident and the resident's representative. Service planning for residents receiving memory care services shall be individualized, regularly reviewed according to R9-10-808, and adjusted to meet the changing needs of residents as their condition progresses.
- F. The assisted living facility shall only admit or retain residents whose cognitive and physical care needs can be safely managed within the area or areas in an assisted living facility where memory care services are provided.
- G. An assisted living facility authorized to provide directed care services and is providing memory care services shall incorporate evidence-based specialized environmental features that:
  1. Use clear, easy-to-understand signage and visual cues to help residents navigate their surroundings;
  2. Reduce environmental factors that may cause confusion or distress, such as loud noises or overly bright lighting;
  3. Prevent residents from accessing materials, furnishings, equipment, activities, or treatments that may pose a health or safety risk;
  4. Support resident movement and engagement;
  5. Promote independence and overall well-being;
  6. Ensure easy access and intuitive wayfinding; and
  7. Facilitate engagement and encourage participation in meaningful daily tasks and activities.
