

State of Arizona  
House of Representatives  
Forty-second Legislature  
Second Regular Session  
1996

**FILED**

**Jane Dee Hull  
Secretary of State**

CHAPTER 209

**HOUSE BILL 2198**

AN ACT

AMENDING SECTIONS 41-2411 AND 41-2413, ARIZONA REVISED STATUTES; RELATING TO THE ARIZONA AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM.

Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 41-2411, Arizona Revised Statutes, is amended to read:

41-2411. Arizona automated fingerprint identification system; development and implementation

A. The Arizona automated fingerprint identification system is established in the department of public safety for the purpose of retaining fingerprint files ~~and conducting fingerprint identification for criminal justice agencies in this state.~~ TO BE USED BY THE DEPARTMENT AND OTHER AUTHORIZED CRIMINAL JUSTICE AUTOMATED FINGERPRINT IDENTIFICATION SITES TO MAKE FINGERPRINT IDENTIFICATIONS FOR CRIMINAL JUSTICE AND NONCRIMINAL JUSTICE PURPOSES SPECIFICALLY PERMITTED PURSUANT TO LAW.

B. The Arizona automated fingerprint identification system is an automated system consisting of:

1. A central fingerprint repository operated and maintained by the department of public safety.

2. Two remote full access system terminals which are operated and maintained by a law enforcement agency designated by the Arizona automated fingerprint identification system advisory board.

C. The department of public safety shall procure the necessary equipment and services to establish the system.

1           Sec. 2. Section 41-2413, Arizona Revised Statutes, is amended to read:  
2           41-2413. Arizona automated fingerprint identification system  
3                     manager; powers and duties; master plan; annual  
4                     report

5           The director of the department of public safety is the manager of the  
6 Arizona automated fingerprint identification system. The manager shall:

7           1. Supervise the operations and maintenance of the system.

8           2. Operate and maintain the central fingerprint repository of the  
9 system ~~and conduct fingerprint identification for criminal justice agencies.~~  
10 TO BE USED BY THE DEPARTMENT AND OTHER AUTHORIZED CRIMINAL JUSTICE AUTOMATED  
11 FINGERPRINT IDENTIFICATION SITES TO MAKE FINGERPRINT IDENTIFICATIONS FOR  
12 CRIMINAL JUSTICE AND NONCRIMINAL JUSTICE PURPOSES SPECIFICALLY PERMITTED  
13 PURSUANT TO LAW.

14           3. Develop a system master plan to describe the overall system design  
15 and functions and to establish the system and remote access network.

16           4. Develop a system policy manual to provide guidelines to all  
17 participating agencies.

18           5. Develop system standards of service for the central state  
19 repository and participating agencies.

20           6. Coordinate and standardize the design, development and  
21 implementation of the system and subsystems.

22           7. Provide for system and subsystem planning.

23           8. Establish as necessary advisory committees to assist in the  
24 development, implementation and operation of the system.

25           9. Enforce the rules adopted pursuant to section 41-1750 relating to  
26 the privacy, confidentiality and dissemination of criminal history record  
27 information collected and maintained in conjunction with operations of the  
28 system.

29           10. Procure equipment and services to establish the system.

30           11. Submit an annual report to the Arizona automated fingerprint  
31 identification system advisory board on the status of the system.

APPROVED BY THE GOVERNOR APRIL 18, 1996
