# HOUSE BILL 2166

AN ACT

AMENDING SECTIONS 32-101, 32-110, 32-111, 32-121, 32-122, 32-122.02, 32-126 AND 32-127, ARIZONA REVISED STATUTES; MAKING AN APPROPRIATION; RELATING TO ARCHITECTS, ASSAYERS, ENGINEERS, GEOLOGISTS, HOME INSPECTORS, LANDSCAPE ARCHITECTS AND SURVEYORS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 32-101, Arizona Revised Statutes, is amended to  
3 read:

4 32-101. Purpose; definitions

5 A. The purpose of this chapter is to provide for the safety, health  
6 and welfare of the public through the promulgation and enforcement of  
7 standards of qualification for those individuals registered or certified and  
8 seeking registration or certification pursuant to this chapter.

9 B. In this chapter, unless the context otherwise requires:

10 1. "Advertising" includes business cards, signs or letterhead provided  
11 by a person to the public.

12 2. "Architect" means a person who, by reason of knowledge of the  
13 mathematical and physical sciences and the principles of architecture and  
14 architectural engineering acquired by professional education and practical  
15 experience, is qualified to engage in the practice of architecture as  
16 attested by registration as an architect.

17 3. "Architect-in-training" means a candidate for registration as a  
18 professional architect who is a graduate of a school approved by the board  
19 or who has five years or more of education or experience, or both, in  
20 architectural work which meets standards specified by the board in its rules.  
21 In addition, the candidate shall have passed the architect-in-training  
22 examination.

23 4. "Architectural practice" means any professional service or creative  
24 work requiring architectural education, training and experience, and the  
25 application of the mathematical and physical sciences and the principles of  
26 architecture and architectural engineering to such professional services or  
27 creative work as consultation, evaluation, design and review of construction  
28 for conformance with contract documents and design, in connection with any  
29 building, planning or site development. A person shall be deemed to practice  
30 or offer to practice architecture who in any manner represents that the  
31 person is an architect, or is able to perform any architectural service or  
32 other services recognized by educational authorities as architecture.

33 5. "Assayer" means a person who analyzes metals, ores, minerals, or  
34 alloys in order to ascertain the quantity of gold or silver or any other  
35 substance present in them. A person employed on a full-time basis as an  
36 assayer by an employer engaged in the business of developing, mining or  
37 treating ores or other minerals shall not be deemed to be engaged in assaying  
38 practice for the purposes of this chapter if the person engages in assaying  
39 practice exclusively for and as an employee of such employer and does not  
40 represent that the person is available and is not represented as being  
41 available to perform any assaying services for anyone other than the person's  
42 employer.

43 6. "Assayer-in-training" means a candidate for registration as a  
44 professional assayer who is a graduate of a school and curriculum approved

1 by the board or who has four years or more of education or experience, or  
2 both, in assaying work which meets standards specified by the board in its  
3 rules. In addition, the candidate shall have passed the assayer-in-training  
4 examination.

5 7. "Assaying practice" means any professional service or work  
6 requiring assaying education, training and experience and the application of  
7 special knowledge of the mineral sciences to such service or work as  
8 consultation and the evaluation of minerals. A person is deemed to practice  
9 or offer to practice assaying who in any manner represents that the person  
10 is an assayer or is able to perform any assaying service or other services  
11 recognized by educational authorities as assaying.

12 8. "Board" means the state board of technical registration.

13 9. "Certified remediation specialist" means a person who has been  
14 certified by the board to perform, supervise and review environmental  
15 remediations if the use of a certified remediation specialist is specifically  
16 authorized by title 49 and rules adopted pursuant to title 49.

17 10. "Engineer" means a person who, by reason of special knowledge of  
18 the mathematical and physical sciences and the principles and methods of  
19 engineering analysis and design acquired by professional education and  
20 practical experience, is qualified to practice engineering as attested by  
21 registration as a professional engineer.

22 11. "Engineering practice" means any professional service or creative  
23 work requiring engineering education, training and experience and the  
24 application of special knowledge of the mathematical, physical and  
25 engineering sciences to such professional services or creative work as  
26 consultation, research investigation, evaluation, planning, surveying as  
27 defined in paragraph 26, subdivisions (d) and (e), design, location,  
28 development, and review of construction for conformance with contract  
29 documents and design, in connection with any public or private utility,  
30 structure, building, machine, equipment, process, work or project. Such  
31 services and work include plans and designs relating to the location,  
32 development, mining and treatment of ore and other minerals. A person shall  
33 be deemed to be practicing or offering to practice engineering if the person  
34 practices any branch of the profession of engineering, or by verbal claim,  
35 sign, advertisement, letterhead, card or any other manner represents that the  
36 person is a professional engineer, or is able to perform or does perform any  
37 engineering service or other service recognized by educational authorities  
38 as engineering. A person employed on a full-time basis as an engineer by an  
39 employer engaged in the business of developing, mining and treating ores and  
40 other minerals shall not be deemed to be practicing engineering for the  
41 purposes of this chapter if the person engages in the practice of engineering  
42 exclusively for and as an employee of such employer and does not represent  
43 that the person is available and is not represented as being available to

1 perform any engineering services for persons other than the person's  
2 employer.

3 12. "Engineer-in-training" means a candidate for registration as a  
4 professional engineer who is a graduate in an approved engineering curriculum  
5 of four years or more of a school approved by the board or who has had four  
6 years or more of education or experience, or both, in engineering work which  
7 meets standards specified by the board in its rules. In addition, the  
8 candidate shall have passed the engineer-in-training examination.

9 13. "Firm" means any two or more individuals, including partnerships,  
10 corporations or other types of associations, including the association of a  
11 nonregistrant and a registrant who offer professional services regulated by  
12 this THE board.

13 14. "Geological practice" means any professional service or work  
14 requiring geological education, training and experience, and the application  
15 of special knowledge of the earth sciences to such professional services as  
16 consultation, evaluation of mining properties, petroleum properties and  
17 groundwater resources, professional supervision of exploration for mineral  
18 natural resources including metallic and nonmetallic ores, petroleum and  
19 groundwater, and the geological phases of engineering investigations.

20 15. "Geologist" means a person, not of necessity an engineer, who by  
21 reason of special knowledge of the earth sciences and the principles and  
22 methods of search for and appraisal of mineral or other natural resources  
23 acquired by professional education and practical experience is qualified to  
24 practice geology as attested by registration as a professional geologist. A  
25 person employed on a full-time basis as a geologist by an employer engaged  
26 in the business of developing, mining or treating ores and other minerals  
27 shall not be deemed to be engaged in geological practice for the purposes of  
28 this chapter if the person engages in geological practice exclusively for and  
29 as an employee of such employer and does not represent that the person is  
30 available and is not represented as being available to perform any geological  
31 services for persons other than the person's employer.

32 16. "Geologist-in-training" means a candidate for registration as a  
33 professional geologist who is a graduate of a school approved by the board  
34 or who has had four years or more of education or experience, or both, in  
35 geological work which meets standards specified by the board in its rules.  
36 In addition, the candidate shall have passed the geologist-in-training  
37 examination.

38 17. "Home inspection" means a visual analysis for the purposes of  
39 providing a professional opinion of the building, any reasonably accessible  
40 installed components and the operation of the building's systems, including  
41 the controls normally operated by the owner, for the following components of  
42 a residential building of four units or less:

- 43 (a) Heating system.  
44 (b) Cooling system.

- 1 (c) Plumbing system.
- 2 (d) Electrical system.
- 3 (e) Structural components.
- 4 (f) Foundation.
- 5 (g) Roof covering.
- 6 (h) Exterior and interior components.
- 7 (i) Site aspects as they affect the building.

8 18. "Home inspection report" means a written report that is prepared  
9 for compensation, that is issued after a home inspection and that clearly  
10 describes and identifies the inspected systems, structures and components of  
11 the A COMPLETED dwelling and any visible major defects found to be in need  
12 of immediate major repair and any recommendations for additional evaluation  
13 by appropriate persons.

14 19. "Home inspector" means an individual who is certified pursuant to  
15 this chapter as a home inspector and who engages in the business of  
16 performing home inspections and writing home inspection reports.

17 20. "Home inspector-in-training" means a candidate for certification  
18 as a home inspector who has completed a course of study approved by the board  
19 and is participating in a training program that complies with standards  
20 recommended by the home inspector rules and standards committee and approved  
21 by the board.

22 21. "Landscape architect" means a person who, by reason of professional  
23 education or practical experience, or both, is qualified to engage in the  
24 practice of landscape architecture as attested by registration as a landscape  
25 architect.

26 22. "Landscape architect-in-training" means a candidate for  
27 registration as a professional landscape architect who is a graduate of a  
28 school approved by the board or who has had four years or more of education  
29 or experience, or both, in landscape architectural work which meets standards  
30 specified by the board in its rules. In addition, the candidate shall have  
31 passed the landscape architect-in-training examination.

32 23. "Landscape architectural practice" means the performance of  
33 professional services such as consultations, investigation, reconnaissance,  
34 research, planning, design or responsible supervision in connection with the  
35 development of land and incidental water areas where, and to the extent that,  
36 the dominant purpose of such services is the preservation, enhancement or  
37 determination of proper land uses, natural land features, ground cover and  
38 planting, naturalistic and aesthetic values, the settings of and approaches  
39 to buildings, structures, facilities or other improvements, natural drainage  
40 and the consideration and the determination of inherent problems of the land  
41 relating to erosion, wear and tear, light or other hazards. This practice  
42 shall include the location and arrangement of such tangible objects and  
43 features as are incidental and necessary to the purposes outlined in this  
44 paragraph but shall not include the making of cadastral surveys or final land

1 plats for official recording or approval, nor mandatorily include planning  
2 for governmental subdivisions.

3 24. "Land surveyor" means a person who by reason of knowledge of the  
4 mathematical and physical sciences, principles of land surveying and evidence  
5 gathering acquired by professional education or practical experience, or  
6 both, is qualified to practice land surveying as attested by registration as  
7 a land surveyor. A person employed on a full-time basis as a land surveyor  
8 by an employer engaged in the business of developing, mining or treating ores  
9 or other minerals shall not be deemed to be engaged in land surveying  
10 practice for purposes of this chapter if the person engages in land surveying  
11 practice exclusively for and as an employee of such employer and does not  
12 represent that the person is available and is not represented as being  
13 available to perform any land surveying services for persons other than the  
14 person's employer.

15 ~~26.~~ 25. "Land surveying practice" means the performance of one or more  
16 of the following professional services:

17 (a) Measurement of land to determine the position of any monument or  
18 reference point which marks a property line, boundary or corner for the  
19 purpose of determining the area or description of the land.

20 (b) Location, relocation, establishment, reestablishment, setting,  
21 resetting or replacing of corner monuments or reference points which identify  
22 land boundaries, rights-of-way or easements.

23 (c) Platting or plotting of lands for the purpose of subdividing.

24 (d) Measurement by angles, distances and elevations of natural or  
25 artificial features in the air, on the surface and immediate subsurface of  
26 the earth, within underground workings and on the surface or within bodies  
27 of water for the purpose of determining or establishing their location, size,  
28 shape, topography, grades, contours or water surface and depths, and the  
29 preparation and perpetuation of field note records and maps depicting these  
30 features.

31 (e) Setting, resetting or replacing of points to guide the location  
32 of new construction.

33 ~~25.~~ 26. "Land surveyor-in-training" means a candidate for registration  
34 as a professional land surveyor who is a graduate of a school and curriculum  
35 approved by the board, or who has four years or more of education or  
36 experience, or both, in land surveying work which meets standards specified  
37 by the board in its rules. In addition, the candidate shall have passed the  
38 land surveyor-in-training examination.

39 27. "Person" means any individual, firm, partnership, corporation,  
40 association or other organization.

41 28. "Principal" means an individual who is an officer of the  
42 corporation or is designated by a firm as having full authority and  
43 responsible charge of the services offered by the firm.

1           Sec. 2. Section 32-110, Arizona Revised Statutes, is amended to read:  
2           32-110. Immunity from personal liability

3           Members, agents and employees of the board and members of advisory  
4 committees AND THE HOME INSPECTOR RULES AND STANDARDS COMMITTEE are immune  
5 from personal liability with respect to acts done and actions taken in good  
6 faith within the scope of their authority.

7           Sec. 3. Section 32-111, Arizona Revised Statutes, is amended to read:  
8           32-111. Home inspector rules and standards committee

9           A. A home inspector rules and standards committee of the state board  
10 of technical registration is established and consists of:

11           1. Three home inspectors, one of whom is a resident of a county with  
12 a population of four hundred thousand persons or less, appointed by the board  
13 from a list of names any home inspector organization provides if the home  
14 inspector organization meets all of the following criteria:

15           (a) Has at least fifty members actively engaged in the practice of  
16 home inspection in this state.

17           (b) Holds regular elections.

18           (c) Publishes bylaws.

19           (d) Maintains a code of ethics.

20           2. Two members of the board of technical registration including:

21           (a) An architect or engineer member of the board appointed by the  
22 chairman.

23           (b) The public member.

24           B. The board may make appointments of home inspectors to the committee  
25 from the lists provided pursuant to subsection A, paragraph 1 of this section  
26 or from others having the necessary qualifications.

27           C. The board appointed members serve staggered three year  
28 terms. These members shall be home inspectors, shall EACH have at least five  
29 years of experience as a home inspector and shall have passed the examination  
30 prescribed in section 32-122.02. The board by a majority vote may remove any  
31 member for misconduct, incapacity or neglect of duty and may appoint a new  
32 member to complete a term.

33           D. The committee is responsible for drafting and recommending to the  
34 board of technical registration:

35           1. Criteria for home inspector certification.

36           2. Standards for home inspection reports.

37           3. Standards for written examinations.

38           4. Standards for educational programs including course of study, home  
39 inspector-in-training programs and continuing education.

40           5. Rules defining conduct.

41           6. Recommendations for types of financial assurances as required in  
42 section 32-122.02.

43           7. Other rules and standards related to the practice of home  
44 inspectors.

1 E. The committee shall make its initial recommendations within six  
2 months of appointment or the board may proceed without these recommendations.  
3 Thereafter the committee shall make recommendations within six months of a  
4 board request for recommendations. The committee may initiate  
5 recommendations at any time it deems appropriate.

6 F. The committee may participate in the investigation and review of  
7 home inspector complaints as provided by the board.

8 G. MEMBERS OF THE HOME INSPECTORS RULES AND STANDARDS COMMITTEE ARE  
9 ELIGIBLE TO RECEIVE COMPENSATION PURSUANT TO TITLE 38, CHAPTER 4, ARTICLE 1.

10 Sec. 4. Section 32-121, Arizona Revised Statutes, is amended to read:

11 32-121. Certificate required for practice of architecture,  
12 assaying, engineering, geology, landscape  
13 architecture, home inspection or land surveying

14 A person desiring to practice the profession of architecture, assaying,  
15 engineering, geology, landscape architecture, HOME INSPECTION or land  
16 surveying shall first secure a certificate of registration and shall comply  
17 with all the conditions prescribed in this chapter.

18 Sec. 5. Section 32-122, Arizona Revised Statutes, is amended to read:

19 32-122. Qualifications for in-training registration

20 A. An applicant for in-training registration as an architect,  
21 engineer, geologist or landscape architect shall:

22 1. Be of good moral character and repute.

23 2. Be a graduate of a school approved by the board or have four years  
24 or more, or if an applicant for in-training registration as an architect,  
25 five years or more, of education or experience, or both, in work in the  
26 profession in which registration is sought that meets standards specified by  
27 the board in its rules.

28 3. Unless exempt under section 32-126, subsection D, pass the  
29 in-training examination in the profession in which registration is sought.

30 B. An applicant for in-training registration as an assayer or land  
31 surveyor shall:

32 1. Be of good moral character and repute.

33 2. Be a graduate of a school and curriculum approved by the board, or  
34 have four years or more of education or experience, or both, in work in the  
35 profession in which registration is sought that meets standards specified by  
36 the board in its rules.

37 3. Unless exempt under section 32-126, subsection D, pass the  
38 in-training examination in the profession in which registration is sought.

39 C. AN APPLICANT FOR IN-TRAINING REGISTRATION AS A HOME  
40 INSPECTOR-IN-TRAINING SHALL:

41 1. BE OF GOOD MORAL CHARACTER AND REPUTE.

42 2. MEET THE REQUIREMENTS OF SECTION 32-122.02, SUBSECTION A,  
43 PARAGRAPHS 1 THROUGH 7.

1           Sec. 6. Section 32-122.02, Arizona Revised Statutes, is amended to  
2 read:

3           32-122.02. Certification of home inspectors; insurance

4           A. An applicant for certification as a home inspector shall:

5           1. Be at least eighteen years of age.

6           2. Be of good moral character and repute.

7           3. Have passed within two years preceding application, OR WITHIN FIVE  
8 YEARS PRECEDING APPLICATION IF THE APPLICATION IS MADE BY DECEMBER 31, 2002,  
9 a written examination THAT IS approved by the board AND that meets the  
10 competency standards recommended by the home inspector rules and standards  
11 committee and adopted by the board.

12           4. Have passed a course of study and a home inspector-in-training  
13 program and that meets the standards recommended by the home inspector rules  
14 and standards committee and approved by the board.

15           5. Pay a fee as determined by the board and shall submit a full set  
16 of fingerprints to the board for the purpose of obtaining a state and federal  
17 criminal records check pursuant to section 41-1750 and Public Law 92-544. The  
18 department of public safety may exchange this fingerprint data with the  
19 federal bureau of investigation. Any documents and information relating to  
20 the state and federal criminal records check required by this section are not  
21 public records.

22           6. Not have had a certificate denied or revoked pursuant to this  
23 chapter within one year immediately preceding the application.

24           7. Have received an absolute discharge from sentence at least five  
25 years before the application if the person has been convicted of one or more  
26 felonies, PROVIDED THE BOARD DETERMINES THE APPLICANT IS OF GOOD MORAL  
27 CHARACTER AND REPUTE.

28           8. Provide evidence of the applicant's ability to obtain financial  
29 assurance as provided by subsection B of this section.

30           B. Within sixty days after certification, a home inspector certified  
31 pursuant to this chapter shall file one of the following financial assurances  
32 pursuant to rules recommended by the home inspector rules and standards  
33 committee and adopted by the board:

34           1. Errors and omissions insurance for negligent acts committed in the  
35 course of a home inspection in an amount of two hundred thousand dollars in  
36 the aggregate and one hundred thousand dollars per occurrence.

37           2. A bond in the amount of twenty-five thousand dollars OR PROOF THAT  
38 MINIMUM NET ASSETS HAVE A VALUE OF AT LEAST TWENTY-FIVE THOUSAND DOLLARS.

39           3. A financial assurance mechanism with a value of at least  
40 twenty-five thousand dollars recommended by the home inspector rules and  
41 standards committee and approved by the board.

42           C. If a home inspector loses or otherwise fails to maintain a required  
43 financial assurance the certification shall be automatically suspended and  
44 shall be reinstated if a financial assurance is obtained within ninety days.

1 If a financial assurance is not obtained within ninety days the certification  
2 shall be automatically revoked.

3 D. A home inspector is subject to this chapter and rules adopted  
4 pursuant to this chapter.

5 Sec. 7. Section 32-126, Arizona Revised Statutes, is amended to read:  
6 32-126. Exemptions from examination requirement

7 A. The board shall waive the examination requirement for an applicant,  
8 other than an applicant for certification as a home inspector or professional  
9 registration as a land surveyor, who satisfies any one of the following:

10 1. Holds a valid certificate of registration in good standing issued  
11 by another state or foreign country which has or had requirements for  
12 registration substantially identical to those of this state.

13 2. Holds a certificate of qualification in good standing issued by a  
14 national bureau of registration or certification recognized by the board.

15 3. Has been actively engaged in another state or foreign country as  
16 a professional registrant in the profession in which registration is sought  
17 for at least ten years and holds a valid certificate of registration in good  
18 standing issued by that state or country.

19 B. A registered professional engineer who holds a proficiency  
20 designation in one branch of engineering in this state and seeks an  
21 additional or different proficiency designation shall submit evidence to the  
22 board of either:

23 1. Four years of experience acceptable to the board as a registered  
24 professional engineer practicing in that branch of engineering in which the  
25 person seeks the proficiency designation.

26 2. Successful completion of the professional examination in the branch  
27 of engineering in which the applicant seeks the proficiency designation.

28 C. An applicant for professional registration as a land surveyor who  
29 satisfies any one of the requirements of subsection A shall pass the part of  
30 the professional land surveyor examination relating to surveying methods and  
31 legal principles in this state prescribed by the board in its rules.

32 D. The board shall exempt an applicant from the in-training  
33 examination if the applicant is a graduate of a school and curriculum  
34 approved by the board and has been actively engaged in experience in the  
35 profession for which registration is sought for at least twelve years after  
36 graduation.

37 Sec. 8. Section 32-127, Arizona Revised Statutes, is amended to read:  
38 32-127. Renewal of certification or registration; delinquency

39 penalty; inactive status; renewal fees; home  
40 inspector-in-training requirement

41 A. The board shall establish a staggered system for renewing  
42 certification or registration on a triennial basis.

1 B. Certificates of registration or certification are invalid after  
2 their expiration date unless renewed by payment of the required renewal fee.  
3 If the renewal fee is not paid prior to the expiration date, it shall be  
4 accompanied by a penalty fee equal to one-sixth of the triennial renewal fee  
5 for each year or fraction of a year of delinquency.

6 C. The board shall cancel a certificate of registration or  
7 certification if it has remained invalid for three years and shall require  
8 a new application, accompanied by the application fee for reregistration or  
9 recertification.

10 D. A registrant or home inspector shall not practice, offer to  
11 practice or imply that the registrant or home inspector can practice  
12 architecture, assaying, engineering, geology, home inspection, landscape  
13 architecture or land surveying if the registrant's certificate of  
14 registration or the home inspector's certification is inactive or invalid.

15 E. A registrant who retires from the active practice of architecture,  
16 assaying, engineering, geology, landscape architecture or land surveying or  
17 who is not currently practicing architecture, assaying, engineering, geology,  
18 landscape architecture or land surveying in this state may request that the  
19 board place the registrant's certificate of registration on inactive status.  
20 The registrant shall submit the request on a form prescribed by the board.

21 F. If the board has invalidated, pursuant to subsection B of this  
22 section, the certificate of registration of a registrant who seeks to place  
23 the certificate of registration on inactive status, the registrant shall  
24 submit all penalty fees that are due with the registrant's application for  
25 inactive status.

26 G. A registrant shall not place the registrant's certificate of  
27 registration on inactive status if the person's certificate of registration  
28 has been canceled by the board pursuant to subsection C of this section.

29 H. A registrant who holds an inactive certificate of registration may  
30 apply to the board to reactivate the certificate of registration. The board  
31 shall reactivate an inactive certificate of registration if the registrant  
32 submits a completed application on a form prescribed by the board and meets  
33 the qualifications for professional registration set forth in section  
34 32-122.01. A registrant who seeks reactivation of the registrant's
