 25 unencumbered at the end of fiscal year 2007-2008 revert to the state general
 26 fund, subject to approval by the Arizona health care cost containment system
 27 administration.

28 The department shall report to the joint legislative budget committee
 29 by March 1 of each year on preliminary actuarial estimates of the capitation
 30 rate changes for the following fiscal year along with the reasons for the
 31 estimated changes. For any actuarial estimates that include a range, the
 32 total range from minimum to maximum shall be not more than two per cent.
 33 Before implementation of any changes in capitation rates for the long-term
 34 care program, the department of economic security shall report for review the
 35 expenditure plan to the joint legislative budget committee. Before the
 36 department implements any changes in policy affecting the amount,
 37 sufficiency, duration and scope of health care services and who may provide
 38 services, the department shall prepare a fiscal impact analysis on the
 39 potential effects of this change on the following year's capitation rates.
 40 If the fiscal analysis demonstrates that these changes will result in
 41 additional state costs of \$500,000 or greater for a given fiscal year, the
 42 department shall submit the policy changes for review by the joint
 43 legislative budget committee.

1 Prior to the implementation of any developmentally disabled or long
 2 term care statewide provider rate increases not already specifically
 3 authorized by the legislature, court mandates or changes to federal law, the
 4 department shall submit a report for review by the joint legislative budget
 5 committee. The report shall include, at a minimum, the estimated cost of the
 6 provider rate increase and the ongoing source of funding for the increase.

7 The amounts above include \$6,998,700 from the state general fund and
 8 \$11,624,900 from matching federal expenditure authority to raise rates of
 9 community service providers and independent service agreement providers
 10 contracting with the division of developmental disabilities. This amount is
 11 estimated to be the equivalent of one hundred per cent of fiscal year
 12 2007-2008 market rates for all services on the published rate schedule. It
 13 is the intent of the legislature that the division request the Arizona health
 14 care cost containment system administration to approve a capitation rate
 15 increase retroactive to July 1, 2007 to make provider rate increases
 16 effective July 1, 2007. By July 1, 2007, the division shall obtain approval
 17 for a rate increase implementation proposal from AHCCCS. By August 1, 2007,
 18 the division shall submit the implementation plan for review by the joint
 19 legislative budget committee. The adjusted rates shall be implemented
 20 beginning with provider payments due for services performed in August 2007.
 21 Payment for retroactive reimbursement due for services provided in July 2007
 22 shall be paid to providers no later than September 15, 2007.

23 The appropriated amount provides funding for a fiscal year 2007-2008
 24 capitation rate increase of 4.0 per cent above fiscal year 2006-2007
 25 excluding salary, benefits, and other statewide adjustments. The department
 26 shall reallocate resources within its existing budget to pay for any
 27 capitation rate increases above 5.0 per cent excluding salary, benefits, and

21 the adoption services - family preservation projects line item be used to
22 promote adoption as an option for children, including but not limited to

27 monies is reviewed by the joint legislative budget committee. Monies shall
28 not be used from these appropriated amounts for any other expenses of the
29 department of economic security unless a transfer of monies is reviewed by

16 to Pinal county and \$268,300 shall be allocated to Pima county.

17 When expenditures from the hazardous waste or environmental health
18 reserves are authorized, the director of the department of environmental

24 All water quality fee fund revenues received by the department of
25 environmental quality in excess of \$5,859,100 in fiscal year 2007-2008 and
26 \$5,839,100 in fiscal year 2008-2009 are appropriated to the department.
27 Before the expenditure of water quality fee fund receipts in excess of
28 \$5,859,100 in fiscal year 2007-2008 and \$5,839,100 in fiscal year 2008-2009,
29 the department of environmental quality shall submit the intended use of the
30 monies for review by the joint legislative budget committee.

31 The Arizona pollutant discharge elimination system is appropriated
32 \$1,181,800 in fiscal year 2007-2008 and fiscal year 2008-2009 for the
33 purposes established in title 49, chapter 2, article 3.1, Arizona Revised
34 Statutes. If the department reduces permit processing times for the Arizona
35 pollutant discharge elimination system by at least ten per cent on or before
36 December 31, 2007, then an additional \$123,000 and two full-time equivalent
37 positions are appropriated from the state general fund for program
38 expenditures in fiscal year 2008-2009.

39 If, as determined by the staff director of the joint legislative budget
40 committee and the governor's office of strategic planning and budgeting, the
41 department of environmental quality reduces the licensing time frames permit
42 processing times for AZPDES surface water permits by ten per cent by December
43 31, 2007, the sum of \$123,000 and 2 FTE positions are appropriated from the
44 state general fund in fiscal year 2008-2009 to further reduce permit
45 processing times.

1 Any transfer from the amount appropriated for the Arizona pollutant
2 discharge elimination system line item shall require prior joint legislative
3 budget committee review.

4 Pursuant to section 49-282, Arizona Revised Statutes, the department of
5 environmental quality shall submit a fiscal year 2008-2009 and fiscal year
6 2009-2010 budget for the water quality assurance revolving fund before
7 September 1, 2007, and September 1, 2008, respectively, for review by the
8 senate and house of representatives appropriations committees.

9 The department of environmental quality shall report annually on the
10 progress of WQARF activities, including emergency response, priority site
11 remediation, cost recovery activity, revenue and expenditure activity and
12 other WQARF-funded program activity. This report shall also include a budget
13 for the WQARF program which is developed in consultation with the WQARF
14 advisory board. The fiscal year 2007-2008 report shall be submitted to the
15 joint legislative budget committee by September 1, 2007, and the fiscal year
16 2008-2009 report shall be submitted by September 1, 2008. This budget shall
17 specify the monies budgeted for each listed site during fiscal year 2007-2008
18 and fiscal year 2008-2009. In addition, the department and the advisory
19 board shall prepare and submit to the joint legislative budget committee, by
20 October 2, 2007, and October 2, 2008, a report in a table format summarizing
21 the current progress on remediation of each listed site on the WQARF
22 registry. The table shall include the stage of remediation for each site at
23 the end of fiscal year 2006-2007 and fiscal year 2007-2008, whether the
24 current stage of remediation is anticipated to be completed in fiscal year
25 2007-2008 and fiscal year 2008-2009, and the anticipated stage of remediation
26 at each listed site at the end of fiscal year 2008-2009 and fiscal year
27 2009-2010, assuming fiscal year 2007-2008 and 2008-2009 funding levels. The
28 department and advisory board may include other relevant information about
29 the listed sites in the table.

30 The amounts appropriated for the clean water revolving loan program and
31 the drinking water revolving loan program in fiscal year 2007-2008 and fiscal
32 year 2008-2009 shall be used to provide a twenty per cent match of the fiscal
33 year 2007-2008 and fiscal year 2008-2009 federal safe drinking water and
34 clean water revolving fund allocations to this state. Of the amount
35 appropriated, any amount in excess of the required twenty per cent match
36 reverts to the state general fund.

37 The monies appropriated in the transfers to counties program line item
38 are for use by Arizona counties to avoid being declared in nonattainment of
39 particulate matter standards by establishing public notification and outreach
40 programs, minimizing exposure to particulate matter concentrations, and
41 abating and minimizing controllable sources of particulate matter through
42 best available control measures. Of the monies in the transfers to counties
43 program line item in fiscal year 2007-2008, and fiscal year 2008-2009,
44 \$50,000 shall be used by Pima county for carbon monoxide monitoring as

1 required by the Pima county limited maintenance plan with the United States
 2 environmental protection agency.

3 The appropriation from the air permits administration fund is an
 4 estimate representing all monies distributed to this fund, including balance
 5 forward, revenue and transfers during fiscal year 2007-2008 and fiscal year
 6 2008-2009. These monies are appropriated to the department of environmental
 7 quality for the purposes established in section 49-455, Arizona Revised
 8 Statutes. The appropriation shall be adjusted as necessary to reflect actual
 9 final receipts credited to the air permits administration fund.

10 The department of environmental quality shall submit a written report
 11 detailing the maximum, minimum and average water quality permit processing
 12 times for fiscal year 2006-2007 by December 1, 2007, and fiscal year
 13 2007-2008 by December 1, 2008, for review by the joint legislative budget
 14 committee. The fiscal year 2006-2007 and fiscal year 2007-2008 data shall
 15 contain the year-to-date actual data and projected totals for each year.
 16 This report shall also include total number of staff hours devoted to water
 17 quality permit processing in fiscal year 2006-2007 and fiscal year 2007-2008,
 18 the total costs to process these permits, and the progress made in reducing
 19 water quality permit processing times.

20 All indirect cost fund recovery revenues received by the department of
 21 environmental quality in excess of \$10,531,100 in fiscal year 2007-2008 and
 22 \$10,531,000 in fiscal year 2008-2009 are appropriated to the department.
 23 Before the expenditure of indirect cost recovery fund receipts in excess of
 24 \$10,531,100 in fiscal year 2007-2008 and \$10,531,000 in fiscal year
 25 2008-2009, the department of environmental quality shall submit the intended
 26 use of the monies for review by the joint legislative budget committee.

10 Contingent on federal approval of the use of these monies, the \$400,000
11 appropriation for nursing care institution quality improvement grants shall
12 be used to award grants to applicant nursing care institutions that in the
13 past has received one or more deficiencies on the annual facility compliance
14 and licensure survey conducted pursuant to section 36-425.02, Arizona Revised
15 Statutes, regardless of the actual date of the survey. The purpose of the
16 nursing care institution quality improvement grant is to improve the quality
17 in the particular facility in reference to one or more of six specific
18 quality measures: 1) reduction in incidences of pressure ulcers;
19 2) reduction in physical restraints; 3) improvement in pain management;
20 4) reduction in incontinence; 5) reduction in falls; 6) reduction in the use
21 of anti-psychotic medication. A nursing care institution must use a grant
22 awarded pursuant to this paragraph only for programs and activities designed
23 to improve the quality of resident care in the specified six quality
24 measures. The department shall make awards based on the likelihood of
25 success of the grant in addressing one or more of the specified quality
26 measures, the potential development of services or procedures that will
27 contribute to best practices methodology in addressing one or more of the
28 specified criteria, the financial controls identified to ensure the proper
29 expenditure of grant funds and the quality and development of the
30 application. The grant funds shall be available after July 1, 2007. The
31 department shall adopt application forms, time frames for application, time
32 frames for response and time frames for question and answer follow-up. The
33 department may stipulate that if any applicant does not meet any particular
34 time frame in the application process, the applicant's request for a grant is
35 dismissed. The nursing care institution may use available grant funds for
36 measurement tools, in-service training, consultation, technology improvement,
37 work force development initiatives, systems improvements, medication
38 management improvements and development and adoption of best practices and
39 materials in order to improve one or more of the specified quality measures.
40 The department may divide the appropriation based on the number and scope of
41 approved applications into a number of grants that the department deems
42 appropriate. If a facility is awarded a grant, it must submit in writing to
43 spend the grant on the program contained in its application or forfeit the
44 grant and repay the funds to the department. The department may require a
45 grant awardee to report the uses of the award and to share data and best

1 practices that have been developed by the facility. If the facility
 2 transfers ownership, the department shall award the grant to the licensee at
 3 the time of the award. If the facility ceases operation before the quality
 4 improvement grant distribution date it is not eligible for a quality
 5 improvement grant. Up to ten per cent of the monies appropriated to the
 6 department for quality improvement grants may be used by the department for
 7 administrative purposes. Monies appropriated for nursing care institution
 8 quality improvement grants shall not be used for any other expenses of the
 9 department of health services without review of the joint legislative budget
 10 committee. Any transfer to or from the amounts appropriated for nursing care

 35 v. Sarn lawsuit in counties with a population of two million or more persons
 36 and for seriously mentally ill persons that meet the same criteria as those
 37 covered by the Arnold v. Sarn lawsuit in counties with populations of less
 38 than two million persons.

 40 administration/profit for the regional behavioral health authority in
 41 Maricopa county is nine per cent of the overall capitation rate.

1 The appropriation for law enforcement and boating safety fund projects
 2 is an estimate representing all monies distributed to this fund, including
 3 balance forward, revenue and transfers during fiscal year 2007-2008 and
 4 fiscal year 2008-2009. These monies are appropriated to the Arizona state
 5 parks board for the purposes established in section 5-383, Arizona Revised
 6 Statutes. The appropriation shall be adjusted as necessary to reflect actual
 7 final receipts credited to the law enforcement and boating safety fund.

8 All other operating expenditures include \$26,000 from the state parks
 9 enhancement fund for Fool Hollow state park revenue sharing. If receipts to
 10 Fool Hollow exceed \$260,000 in fiscal year 2007-2008 and fiscal year
 11 2008-2009, an additional ten per cent of this increase of Fool Hollow
 12 receipts is appropriated from the state parks enhancement fund to meet the
 13 revenue sharing agreement with the city of Show Low and the United States
 14 forest service.

15 All reservation surcharge revolving fund receipts received by the
 16 Arizona state parks board in excess of \$522,100 in fiscal year 2007-2008 and
 17 fiscal year 2008-2009 are appropriated to the reservation surcharge revolving
 18 fund. Before the expenditure of any reservation surcharge revolving fund
 19 monies in excess of \$522,100 in fiscal year 2007-2008 and fiscal year
 20 2008-2009, the Arizona state parks board shall submit the intended use of the
 21 monies for review by the joint legislative budget committee.

22 During fiscal year 2007-2008 and fiscal year 2008-2009, no more than
 23 \$5,000 each year from appropriated or nonappropriated monies may be used for
 24 the purposes of out-of-state travel expenses by state parks board staff. No
 25 appropriated or nonappropriated monies may be used for out-of-country travel
 26 expenses. The state parks board shall submit by June 30, 2008 and June 30,
 27 2009, a report to the joint legislative budget committee on out-of-state
 28 travel activities and expenditures for that fiscal year.

7 Of the \$28,916,600 appropriated to GIITEM, \$10,000,000 is to be used
8 for the multijurisdictional task force known as the gang and immigration
9 intelligence team enforcement mission (GIITEM). If the department of public
10 safety uses any of the monies appropriated for GIITEM for an agreement or
11 contract with a city, town, county or other entity to provide services for
12 the GIITEM program, the city, town, county or other entity shall provide not
13 less than fifteen per cent of the cost of the services and the department of
14 public safety shall provide not more than eighty-five per cent of the cost
15 for each agreement or contract. The distribution of these monies are
16 contingent upon the department of public safety entering into a 287
17 memorandum of understanding with the United States department of homeland
18 security. The \$10,000,000 is to be used for functions relating to
19 immigration enforcement, including border security and border personnel. As
20 state and local law enforcement officers trained pursuant to a 287 memorandum
21 of understanding come into contact with gang or suspected gang members and
22 there is reason to believe that the individual has entered or remained in the
23 United States illegally, the use of these monies is contingent upon law
24 enforcement agencies verifying the immigration status of these individuals and
25 taking appropriate action that will not jeopardize an ongoing investigation or
26 damage an informant relationship with a law enforcement agency. The
27 \$10,000,000 is exempt from the provisions of section 35-190, Arizona Revised
28 Statutes, relating to the lapsing of appropriations, except that all
29 unexpended and unencumbered monies shall revert on June 30, 2009. The
30 department shall submit an expenditure plan to the joint legislative budget
31 committee for review prior to expending any monies not identified in the
32 department's previous expenditure plans. Within thirty days after the last
33 day of each calendar quarter, the department shall provide a summary of
34 quarterly and year-to-date expenditures and progress to the joint legislative
35 budget committee.

36 Of the \$28,916,600 appropriated to GIITEM, \$9,500,000 is to be used for
37 one hundred department of public safety GIITEM personnel located anywhere
38 within the state. The additional staff shall include at least fifty sworn
39 DPS positions to be used for immigration enforcement and border security and
40 up to fifty DPS positions to expand GIITEM's public awareness, investigation,
41 and intelligence efforts. The additional positions would assist GIITEM in
42 various efforts including, but not limited to: 1) arresting illegal aliens,
43 2) responding to and investigating complaints of employers hiring illegal
44 aliens, 3) investigating crimes of identity theft in the context of hiring
45 illegal aliens and the unlawful entry into the country, and 4) taking

1 enforcement action, as permitted under federal law and article VI of the U.S.
2 Constitution. As state and local law enforcement officers trained pursuant
3 to a 287 memorandum of understanding come into contact with gang or suspected
4 gang members and there is reason to believe that the individual has entered or
5 remained in the United States illegally, the use of these monies is contingent
6 upon law enforcement agencies verifying the immigration status of these
7 individuals and taking appropriate action that will not jeopardize an ongoing
8 investigation or damage an informant relationship with a law enforcement
9 agency. The department shall submit an expenditure plan to the joint
10 legislative budget committee for review prior to expending any monies not
11 identified in the department's previous expenditure plans. Within thirty
12 days after the last day of each calendar quarter, the department shall
13 provide a summary of quarterly and year-to-date expenditures and progress to
14 the joint legislative budget committee.

15 The department of public safety shall report quarterly to the joint
16 legislative budget committee on sworn personnel staffing levels. The report
17 shall identify the number of filled and appropriated positions by job
18 classification and, if applicable, the program to which the position is
19 assigned.

20 Of the \$2,672,900 for sworn officer salary adjustments, \$2,000,000 from
21 the general fund shall be used to provide salary adjustments for the officer
22 I, officer II, and officer III classifications. The distribution of the
23 \$672,900 from the parity compensation fund shall be determined by the
24 department. DPS shall provide a report indicating how the monies were
25 allocated to the joint legislative budget committee by September 30, 2007.
26 The report should include a salary comparison, by classification, based on
27 both the five highest paying law enforcement agencies in the state and those
28 that employ in excess of one hundred sworn positions.

29 Any monies remaining in the department of public safety joint account
30 on June 30, 2008 shall revert to the funds from which they were appropriated.
31 The reverted monies shall be returned in direct proportion to the amounts
32 appropriated.

33 It is the intent of the legislature that \$709,000 from the
34 anti-racketeering fund in fiscal year 2007-2008 be used for the personal
35 computer replacement program.

36 It is the intent of the legislature that \$668,700 from the
37 anti-racketeering fund in fiscal year 2007-2008 be used for the tri-agency
38 disaster recovery system.

39 It is the intent of the legislature that \$2,200,000 from the
40 anti-racketeering fund in fiscal year 2007-2008 be used for the detailed
41 design of the long-term interoperability solution.

42 Prior to expending the \$2,200,000 increase for detailed design of the
43 statewide interoperability solution, the department shall submit an
44 expenditure plan for review by the joint legislative budget committee.
