Re: House Bill 2006 (general appropriations; fiscal year 2009-2010)

Dear Speaker Adams:

Today I signed House Bill 2006, the Third Special Session fiscal year 2009-2010 General Appropriation Act, while at the same time exercising my line item veto authority with respect to several specific items of appropriation.

Let me begin by thanking you for your continued diligent efforts toward the development of a comprehensive and long-term solution to the state's financial crisis. Despite the enactment of the deepest spending cuts in state history, Arizona continues to experience a fiscal crisis unlike anything our state has ever seen. I sincerely appreciate your efforts to address this challenge, and I believe that the budget package you have approved represents a significant step toward achieving our mutual goal of a fiscally responsible state budget for FY 2010.

As you know, education is one of my top priorities and I believe a strong educational system is essential to our state's economic development. Therefore, I have used my line-item veto authority with the intent to restore education funding, address General Fund cash flow concerns, and ensure the appropriate application of federal stimulus dollars. However, I have no mechanism by which to achieve an education funding level that is adequate and preserves the spending required by ARRA, but that is also reasonable and responsible. As a result, education funding is higher than the state can sustain given current available revenues.

The Honorable Kirk Adams

In addition to my concerns about education spending, I remain troubled by the reductions to the Department of Economic Security (DES) without the prospect of counterbalancing measures. I have consistently maintained that, although I recognize the necessity of and certainly support reductions in government spending, there must be an opportunity to mitigate those reductions for programs that provide critical services to vulnerable populations. Absent this opportunity, I am forced to maintain the budget for DES at its current levels.

I want to reaffirm that I believe reductions in spending on education and DES are necessary. Indeed, I had agreed to cuts in both areas and I remain open to further discussions. However, I have been clear that this agreement was contingent upon the opportunity to buffer some of the decreases. I still believe a referral to the voters of a temporary sales tax increase to mitigate reductions in education and services for our vulnerable populations is critical. When the federal stimulus monies expire, an infusion of additional revenues will be even more essential to preserve adequate funding for services that are vital to our economic prosperity.

Again, I thank you for your hard work and efforts. I look forward to our continuing partnership to provide a long-term fiscal solution to build a better Arizona.

Sincerely,

19 Sec. 13. Department of transportation; vehicle license tax;
20 transfer

21 Notwithstanding any other law, \$43,170,600 received in fiscal year
22 2009-2010 pursuant to title 28, chapter 16, article 3, Arizona Revised
23 Statutes, relating to vehicle license tax, for distribution to the state
24 highway fund pursuant to section 28-6538, subsection A, paragraph 1, Arizona
25 Revised Statutes, shall be deposited in the state general fund.

26 Sec. 14. Reductions; fiscal year 2009-2010; K-12 education;
27 legislative intent; federal education stabilization
28 fund

29 A. Notwithstanding any other law, if this state receives federal
30 assistance from the federal education stabilization fund, the sum of
31 \$472,114,000 is reduced from appropriations made from the state general fund
32 in fiscal year 2009-2010 to the department of education for basic state aid
33 and additional state aid and is transferred to the state general fund.

34 B. It is the intent of the legislature that in fiscal year 2009-2010,
35 \$472,114,000 will be disbursed from the federal education stabilization fund
36 to school districts and not-for-profit charter schools in order to restore
37 the funding reduction made in subsection A. These monies shall be disbursed
38 in accordance with the provisions of the American recovery and reinvestment
39 act of 2009.

40 C. Notwithstanding any other law, for fiscal year 2009-2010, the use
41 of the monies specified in subsection B shall not impact the revenue control
42 limit of any school district.

43 D. As soon as possible after the effective date of this act, the
44 department of education shall reduce by the amount specified in subsection A
45 of this section the amount of basic state aid and additional state aid

1 funding that otherwise would be apportioned to school districts and
2 not-for-profit charter schools for fiscal year 2009-2010 pursuant to section
3 15-973, Arizona Revised Statutes. The timing of these reductions may be
4 adjusted to ensure compliance with the maintenance of effort requirements of
5 the American recovery and reinvestment act of 2009.

6 E. Any reduction in basic state aid and additional state aid funding
7 that occurs under this section shall not result in a reduction in basic state
8 aid funding for for-profit charter schools.

9 F. Notwithstanding any other law, the sum of basic state aid and
10 additional state aid funding that school districts and not-for-profit charter
11 schools receive for fiscal year 2009-2010 from all sources, plus federal
12 education stabilization fund monies that they will receive pursuant to this

15 prescribed in state law for fiscal year 2009-2010.

16 G. Notwithstanding any other law, the sum of basic state aid and
17 additional state aid funding that school districts and not-for-profit charter
18 schools receive for fiscal year 2009-2010 from all sources, plus federal
19 education stabilization fund monies that they will receive pursuant to this
20 section, shall not exceed the amount that they would receive under the
21 state's application for federal education stabilization fund monies.

22 Sec. 15. Reductions; fiscal year 2009-2010; higher education;
23 legislative intent; federal education stabilization
24 fund

25 A. Notwithstanding any other law, if this state receives federal
26 assistance from the federal education stabilization fund, in addition to any
27 other reductions made in sections 8 through 12 of this act, the sum of
28 \$10,000,000 is reduced from the appropriations made from the state general
29 fund in fiscal year 2009-2010 in sections 8 through 12 of this act for the
30 support and maintenance of institutions under the jurisdiction of the Arizona
31 board of regents and is transferred to the state general fund. On or before
32 September 1, 2009, the Arizona board of regents shall report to the joint
33 legislative budget committee the final allocation of the \$10,000,000
34 reduction. The Arizona board of regents shall reduce funding to the
35 institutions under its jurisdiction in proportion to the state general fund
36 appropriation received by each institution.

37 B. It is the intent of the legislature that in fiscal year 2009-2010,
38 \$10,000,000 will be disbursed from the federal education stabilization fund
39 to the Arizona board of regents, which will restore the funding reductions
40 made in subsection A. These monies shall be disbursed in accordance with the
41 provisions of the American recovery and reinvestment act of 2009. The
42 legislature intends that the Arizona board of regents allocate the
43 \$10,000,000 disbursement in a manner that does not increase the differences
44 in per student funding among the universities.

1 C. It is the intent of the legislature that the Arizona board of
2 regents may receive additional federal education stabilization fund monies
3 above \$10,000,000 if awarded by the governor. The Arizona board of regents
4 shall report to the joint legislative budget committee the final allocation
5 of all federal education stabilization fund disbursements within thirty days
6 of allocating the monies.

7 Sec. 16. Fiscal year 2009-2010 conditional appropriations

8 A. On or before December 15, 2009, the directors of the joint
9 legislative budget committee and the governor's office of strategic planning
10 and budgeting shall project the state general fund revenues for fiscal year
11 2009-2010, which would include all state general fund revenues, not including
12 the beginning balance, for fiscal year 2009-2010, including one-time revenues
13 and revenues from any voter-approved temporary additional transaction
14 privilege tax rate increment.

15 B. If the amount projected pursuant to subsection A of this section
16 exceeds all budgeted state general fund revenues, not including the beginning
17 balance, for fiscal year 2009-2010, including one-time revenues, the amount
18 of the difference shall be appropriated from the state general fund to cities
19 and towns that receive vehicle license tax monies pursuant to section
20 28-5808, subsection A, paragraph 2, subdivision (c) and subsection B,
21 paragraph 2, subdivision (c), Arizona Revised Statutes, and that are required
22 to distribute a portion of those monies in fiscal year 2009-2010 to local
23 school districts, distributed based on the cities' and towns' relative
24 population and not to exceed \$22,000,000.

25 C. On or before December 15, 2009, the directors of the joint
26 legislative budget committee and the governor's office of strategic planning
27 and budgeting shall jointly notify the governor, the president of the senate
28 and the speaker of the house of representatives whether the amount projected
29 pursuant to subsection A of this section exceeds all budgeted state general
30 fund revenues, not including the beginning balance, for fiscal year
31 2009-2010, including one-time revenues and, if so, the total excess amount.

32 D. If the report in subsection C of this section indicates a total
33 excess amount of revenues, by December 28, 2009, the governor shall issue a
34 public notice stating the amounts appropriated from the state general fund
35 for the purposes specified in subsection B of this section.

36 Sec. 17. Reduction in state full-time equivalent employees

37 A. On or before February 1, 2010, the number of full-time equivalent
38 employees for every general fund supported agency, board, commission or other
39 entity of this state shall be reduced by five per cent. To meet this
40 requirement, an agency, board, commission or other entity may not reduce the
41 hours of or furlough any employee. The reduction may only be made through
42 reduction of positions.

1 B. Every agency, board, commission or other entity that is required to
2 reduce full-time equivalent employees pursuant to subsection A shall report
3 on how the reduction was accomplished to the joint legislative budget
4 committee on or before June 1, 2010.

5 Sec. 18. Automobile theft authority; reduction; transfer

6 In addition to any other reductions made to the automobile theft
7 authority's fiscal year 2009-2010 appropriation, the automobile theft
8 authority fund appropriation to the automobile theft authority is reduced by
9 \$500,000 in fiscal year 2009-2010 and is transferred to the state general
10 fund.
