34 Administration

35 In accordance with section 35-142.01, Arizona Revised Statutes, the
36 department of economic security shall remit to the department of
37 administration any monies received as reimbursement from the federal
38 government or any other source for the operation of the department of
39 economic security west building and any other building lease-purchased by the
40 state of Arizona in which the department of economic security occupies space.
41 The department of administration shall deposit these monies in the state
42 general fund.

1 Aging and community services

2 All domestic violence shelter fund monies above \$2,220,000 received by
3 the department of economic security are appropriated for the domestic
4 violence prevention line item. Before the expenditure of these increased
5 monies, the department of economic security shall report the intended use of
6 monies above \$2,220,000 to the joint legislative budget committee.

7 The department of economic security shall report to the joint
8 legislative budget committee on the amount of state and federal monies
9 available statewide for domestic violence funding by December 15, 2011. The
10 report shall include, at a minimum, the amount of monies available and the
11 state fiscal agent receiving those monies.

12 Benefits and medical eligibility

13 The operating lump sum appropriation may be expended on Arizona health
14 care cost containment system eligibility determinations based on the results
15 of the Arizona random moment sampling survey.

16 Of the amount appropriated for temporary assistance for needy families
17 cash benefits, \$500,000 reflects appropriation authority only to ensure
18 sufficient cashflow to administer cash benefits for tribes operating their
19 own welfare programs. The department shall notify the joint legislative
20 budget committee and the governor's office of strategic planning and
21 budgeting staff before the use of any of the \$500,000 appropriation
22 authority.

23 Child support enforcement

24 All state share of retained earnings, fees and federal incentives above
25 \$16,785,200 received by the division of child support enforcement are
26 appropriated for operating expenditures. New full-time equivalent positions
27 may be authorized with the increased funding. Before the expenditure of
28 these increased monies, the division of child support enforcement shall
29 report the intended use of the monies to the joint legislative budget
30 committee.

31 Children, youth and families

32 Of the amounts appropriated for children support services, CPS
33 emergency and residential placement and foster care placement, \$22,613,100 is
34 appropriated from the federal temporary assistance for needy families block
35 grant to the social services block grant for deposit in the following line
36 items in the following amounts:

37 Children support services	\$ 5,371,700
38 CPS emergency and residential	
39 placement	12,167,000
40 Foster care placement	5,074,400

41 The department of economic security shall provide training to any new
42 child protective services FTE positions before assigning to any of these
43 employees any client caseload duties.

1 It is the intent of the legislature that the department of economic
2 security use the funding in the division of children, youth and families to
3 achieve a one hundred per cent investigation rate.

4 Developmental disabilities

5 The department of economic security shall report all new placements
6 into a state-owned ICF-MR or the Arizona training program at Coolidge campus
7 in fiscal year 2011-2012 to the president of the senate, the speaker of the
8 house of representatives, the chairpersons of the senate and house of
9 representatives appropriations committees and the director of the joint
10 legislative budget committee and the reason why this placement, rather than a
11 placement into a privately run facility for the developmentally disabled, was
12 deemed as the most appropriate placement. The department shall also report
13 if no new placements were made. This report shall be made available by July
14 15, 2012.

15 All monies in the long-term care system fund unexpended and
16 unencumbered at the end of fiscal year 2011-2012 revert to the state general
17 fund, subject to approval by the Arizona health care cost containment system
18 administration.

19 The department shall report to the joint legislative budget committee
20 by March 1 of each year on preliminary actuarial estimates of the capitation
21 rate changes for the following fiscal year along with the reasons for the
22 estimated changes. For any actuarial estimates that include a range, the
23 total range from minimum to maximum shall be not more than two per cent.
24 Before implementation of any changes in capitation rates for the long-term
25 care program, the department of economic security shall report for review the
26 expenditure plan to the joint legislative budget committee. Before the
27 department implements any changes in policy affecting the amount,
28 sufficiency, duration and scope of health care services and who may provide
29 services, the department shall prepare a fiscal impact analysis on the
30 potential effects of this change on the following year's capitation rates.
31 If the fiscal analysis demonstrates that these changes will result in
32 additional state costs of \$500,000 or greater for a given fiscal year, the
33 department shall submit the policy changes for review by the joint
34 legislative budget committee.

35 Prior to the implementation of any developmentally disabled or
36 long-term care statewide provider rate adjustments not already specifically
37 authorized by the legislature, court mandates or changes to federal law, the
38 department shall submit a report for review by the joint legislative budget
39 committee. The report shall include, at a minimum, the estimated cost of the
40 provider rate adjustment and the ongoing source of funding for the
41 adjustment, if applicable.

1 For fiscal year 2011-2012, the department of economic security shall
2 not increase reimbursement rates for community service providers and
3 independent service agreement providers contracting with the division of
4 developmental disabilities.

5 Employment and rehabilitation services

6 Of the \$121,396,600 appropriated for day care subsidy, plus any funding
7 authorized to be deferred to fiscal year 2012-2013, \$115,199,900 is for a
8 program in which the upper income limit is no more than one hundred
9 sixty-five per cent of the federal poverty level.

10 All federal workforce investment act monies that are received by this
11 state in excess of \$56,052,100 are appropriated to the workforce investment
12 act services line item. Before the expenditure of these increased monies,
13 the department of economic security shall report the intended use of monies
14 above \$56,052,100 to the joint legislative budget committee.

15 Department-wide

16 The above appropriations are in addition to funds granted to the state
17 by the federal government for the same purposes but shall be deemed to
18 include the sums deposited in the state treasury to the credit of the
19 department of economic security pursuant to section 42-5029, Arizona Revised
20 Statutes.

21 A monthly report comparing total expenditures for the month and
22 year-to-date as compared to prior year totals shall be forwarded to the
23 president of the senate, the speaker of the house of representatives, the
24 chairpersons of the senate and house of representatives appropriations
25 committees and the director of the joint legislative budget committee by the
26 thirtieth of the following month. The report shall include an estimate of
27 potential shortfalls in entitlement programs and potential federal and other
28 funds, such as the statewide assessment for indirect costs, and any projected
29 surplus in state supported programs that may be available to offset these
30 shortfalls and a plan, if necessary, for eliminating any shortfall without a
31 supplemental appropriation.

1 Public health/family health

2 The department of health services may use up to four per cent of the
3 amounts appropriated for renal and nonrenal disease management for the
4 administrative costs to implement the program.

5 Of the \$1,125,000 for Alzheimer's disease research, it is the intent of
6 the legislature that \$1,000,000 of that amount be tobacco tax and health care
7 fund monies transferred from the Arizona biomedical research commission to
8 the department of health services.

9 The department of health services shall distribute the entire
10 appropriation for Alzheimer's disease research to grant recipients by
11 September 30, 2011.

12 Behavioral health

13 It is the intent of the legislature that the per cent attributable to
14 administration/profit for the regional behavioral health authority in
15 Maricopa county is nine per cent of the overall capitation rate.

16 The department of health services shall report to the joint legislative
17 budget committee thirty days after the end of each calendar quarter on the
18 progress the department is making toward settling the Arnold v. Sarn lawsuit.
19 The report shall include at a minimum the department's progress towards
20 meeting the exit criteria and whether the department is in compliance with
21 the exit criteria schedule.

22 The amounts included in the proposition 204 administration and medicaid
23 behavioral health - proposition 204 special line items include all available
24 sources of funding consistent with section 36-2901.01, subsection B, Arizona
25 Revised Statutes.

26 In addition to the appropriation for the department of health services,
27 earnings on state lands and interest on the investment of the permanent land
28 funds are appropriated to the state hospital in compliance with the enabling
29 act and the Constitution of Arizona.

30 Department-wide

31 Contingent on federal and joint legislative budget committee approval
32 of the use of these monies, of the monies appropriated from the nursing care
33 institution resident protection revolving fund, \$400,000 shall be used by the
34 department to improve the operation of nursing care institutions. The
35 funding may be used for, but is not limited to, a contract with a survey
36 contractor or contractors to conduct surveys of selected nursing care
37 institution facilities in Arizona over a two year period beginning July 1,
38 2011. Monies appropriated for this purpose are exempt from the provisions of
39 section 35-190, Arizona Revised Statutes, relating to lapsing of
40 appropriations until June 30, 2013. Any unused and unallocated monies
41 remaining on June 30, 2013, shall revert to the nursing care institution
42 resident protection revolving fund. Up to eight per cent of this
43 appropriation may be used by the department for administrative purposes.

1 The department shall report to the joint legislative budget committee
 2 by March 1 of each year on preliminary actuarial estimates of the capitation
 3 rate changes for the following fiscal year along with the reasons for the
 4 estimated changes. For any actuarial estimates that include a range, the
 5 total range from minimum to maximum shall be no more than two per cent.
 6 Before implementation of any changes in capitation rates for any behavioral
 7 health line items, the department of health services shall report its
 8 expenditure plan for review by the joint legislative budget committee.
 9 Before the department implements any changes in policy affecting the amount,
 10 sufficiency, duration and scope of health care services and who may provide
 11 services, the department shall prepare a fiscal impact analysis on the
 12 potential effects of this change on the following year's capitation rates.
 13 If the fiscal analysis demonstrates that these changes will result in
 14 additional state costs of \$500,000 or greater for a given fiscal year, the
 15 department shall submit the policy changes for review by the joint
 16 legislative budget committee.

17 A monthly report comparing total expenditures for the month and
 18 year-to-date as compared to prior year totals shall be forwarded
 19 electronically to the president of the senate, the speaker of the house of
 20 representatives, the chairpersons of the senate and house of representatives
 21 appropriations committees and the director of the joint legislative budget
 22 committee by the thirtieth of the following month. The report shall include
 23 an estimate of potential shortfalls in programs, potential federal and other
 24 funds, such as the statewide assessment for indirect costs, that may be
 25 available to offset these shortfalls, and a plan, if necessary, for
 26 eliminating any shortfall without a supplemental appropriation and total
 27 expenditure authority of the month and year-to-date for federally - matched
 28 services.
