20 Administration

21 In accordance with section 35-142.01, Arizona Revised Statutes, the
 22 department of economic security shall remit to the department of
 23 administration any monies received as reimbursement from the federal
 24 government or any other source for the operation of the department of
 25 economic security west building and any other building lease-purchased by the
 26 state of Arizona in which the department of economic security occupies space.
 27 The department of administration shall deposit these monies in the state
 28 general fund.

29 Aging and community services

30 All domestic violence shelter fund monies above \$2,220,000 received by
 31 the department of economic security are appropriated for the domestic
 32 violence prevention line item. Before the expenditure of these increased
 33 monies, the department of economic security shall report the intended use of
 34 monies above \$2,220,000 to the joint legislative budget committee.

35 The department of economic security shall report to the joint
 36 legislative budget committee on the amount of state and federal monies
 37 available statewide for domestic violence funding by December 15, 2012. The
 38 report shall include, at a minimum, the amount of monies available and the
 39 state fiscal agent receiving those monies.

40 Benefits and medical eligibility

41 The operating lump sum appropriation may be expended on Arizona health
 42 care cost containment system eligibility determinations based on the results
 43 of the Arizona random moment sampling survey.

1 Of the amount appropriated for temporary assistance for needy families
2 cash benefits, \$500,000 reflects appropriation authority only to ensure
3 sufficient cash flow to administer cash benefits for tribes operating their
4 own welfare programs. The department shall notify the joint legislative
5 budget committee and the governor's office of strategic planning and
6 budgeting staff before the use of any of the \$500,000 appropriation
7 authority.

8 Child support enforcement

9 All state share of retained earnings, fees and federal incentives above
10 \$16,534,900 received by the division of child support enforcement are
11 appropriated for operating expenditures. New full-time equivalent positions
12 may be authorized with the increased funding. Before the expenditure of
13 these increased monies, the department of economic security shall report the
14 intended use of the monies to the joint legislative budget committee.

15 Children, youth and families

16 Of the amounts appropriated for children support services, CPS
17 emergency and residential placement and foster care placement, the department
18 may transfer up to ten per cent of the total amount of federal temporary
19 assistance for needy families block grant monies appropriated to the
20 department of economic security to the social services block grant for use in
21 the following line items in the division of children, youth and families:
22 children support services, CPS emergency and residential placement and foster
23 care placement. Before transferring federal temporary assistance for needy
24 families block grant monies to the social services block grant, the
25 department shall report the proposed amount of the transfer to the director
26 of the joint legislative budget committee. This report may be in the form of
27 an expenditure plan that is submitted at the beginning of the fiscal year and
28 updated, if necessary, throughout the fiscal year.

29 The department of economic security shall provide training to any new
30 child protective services FTE positions before assigning to any of these
31 employees any client caseload duties.

32 It is the intent of the legislature that the department of economic
33 security use the funding in the division of children, youth and families to
34 achieve a one hundred per cent investigation rate.

35 Developmental disabilities

36 The department of economic security shall report all new placements
37 into a state-owned ICF-MR or the Arizona training program at Coolidge campus
38 in fiscal year 2012-2013 to the president of the senate, the speaker of the
39 house of representatives, the chairpersons of the senate and house of
40 representatives appropriations committees and the director of the joint
41 legislative budget committee and the reason why this placement, rather than a
42 placement into a privately run facility for the developmentally disabled, was
43 deemed as the most appropriate placement. The department shall also report
44 if no new placements were made. This report shall be made available by July
45 15, 2013.

1 All monies in the long-term care system fund unexpended and
2 unencumbered at the end of fiscal year 2012-2013 revert to the state general
3 fund, subject to approval by the Arizona health care cost containment system
4 administration.

5 The department shall report to the joint legislative budget committee
6 by March 1 of each year on preliminary actuarial estimates of the capitation
7 rate changes for the following fiscal year along with the reasons for the
8 estimated changes. For any actuarial estimates that include a range, the
9 total range from minimum to maximum shall be not more than two per cent.
10 Before implementation of any changes in capitation rates for the long-term
11 care program, the department shall report for review the expenditure plan to
12 the joint legislative budget committee. Before the department implements any
13 changes in policy affecting the amount, sufficiency, duration and scope of
14 health care services and who may provide services, the department shall
15 prepare a fiscal impact analysis on the potential effects of this change on
16 the following year's capitation rates. If the fiscal analysis demonstrates
17 that these changes will result in additional state costs of \$500,000 or
18 greater for a given fiscal year, the department shall submit the policy
19 changes for review by the joint legislative budget committee.

20 Prior to the implementation of any developmentally disabled or
21 long-term care statewide provider rate adjustments not already specifically
22 authorized by the legislature, court mandates or changes to federal law, the
23 department shall submit a report for review by the joint legislative budget
24 committee. The report shall include, at a minimum, the estimated cost of the
25 provider rate adjustment and the ongoing source of funding for the
26 adjustment, if applicable.

27 It is the intent of the legislature that the department of economic
28 security increase developmental disabilities provider rates by two per cent
29 beginning April 1, 2013.

30 Employment and rehabilitation services

31 Of the \$121,396,600 appropriated for day care subsidy, plus any funding
32 authorized to be deferred to fiscal year 2013-2014, \$115,199,900 is for a
33 program in which the upper income limit is no more than one hundred
34 sixty-five per cent of the federal poverty level.

35 All federal workforce investment act monies that are received by this
36 state in excess of \$56,029,800 are appropriated to the workforce investment
37 act services line item. Before the expenditure of these increased monies,
38 the department of economic security shall report the intended use of monies
39 above \$56,029,800 to the joint legislative budget committee.

40 Departmentwide

41 The above appropriations are in addition to funds granted to the state
42 by the federal government for the same purposes but shall be deemed to
43 include the sums deposited in the state treasury to the credit of the
44 department of economic security pursuant to section 42-5029, Arizona Revised
45 Statutes.

1 A monthly report comparing total expenditures for the month and
 2 year-to-date as compared to prior year totals shall be forwarded to the
 3 president of the senate, the speaker of the house of representatives, the
 4 chairpersons of the senate and house of representatives appropriations
 5 committees and the director of the joint legislative budget committee by the
 6 thirtieth of the following month. The report shall include an estimate of
 7 potential shortfalls in entitlement programs and potential federal and other
 8 funds, such as the statewide assessment for indirect costs, and any projected
 9 surplus in state supported programs that may be available to offset these
 10 shortfalls and a plan, if necessary, for eliminating any shortfall without a
 11 supplemental appropriation.

12 Any federal temporary assistance for needy families block grant monies
 13 received in fiscal year 2012-2013, including the beginning balance, by the
 14 department of economic security in excess of \$220,775,800 is appropriated to
 15 the department in fiscal year 2012-2013. For every dollar the department of
 16 economic security receives in federal temporary assistance for needy families
 17 block grant monies in fiscal year 2012-2013 in excess of the \$220,775,800
 18 appropriated, there shall be a corresponding dollar reduction in the
 19 department's long-term care system fund appropriation. On or before June 30,
 20 2013, the department shall notify the joint legislative budget committee and
 21 the governor's office of strategic planning and budgeting of the amount of
 22 long-term care system fund monies, if any, that will not be expended under
 23 this provision.

24 Sec. 135. State employee health insurance premium holiday;
25 report

26 For the purpose of instituting a one-time insurance premium holiday,
27 the department of administration shall not collect premiums for the
28 self-insured state employee health insurance program for sufficient pay
29 periods during fiscal year 2012-2013 to generate \$25,000,000 of state general

31 premium charged. This premium holiday applies to all premiums, including
32 employer, employee and retiree contributions. For entities that pay premiums
33 on a basis other than biweekly, the department shall calculate an equivalent
34 decrease in premiums and reduce their premium collection by that amount. On
35 or before September 1, 2012, the department shall report to the joint
36 legislative budget committee on its plans for implementing the premium
37 holiday.

3 It is the intent of the legislature that all departments, agencies or
4 budget units receiving appropriations under the terms of this act shall
5 continue to report actual, estimated and requested expenditures by budget
6 programs and budget classes in a format that is similar to the budget
7 programs and budget classes used for budgetary purposes in prior years. A
8 different format may be used if deemed necessary to implement section 35-113,
9 Arizona Revised Statutes, agreed to by the director of the joint legislative
10 budget committee and incorporated into the budget preparation instructions
11 adopted by the governor's office of strategic planning and budgeting pursuant
12 to section 35-112, Arizona Revised Statutes.

22 positions" shall mean the total number of hours worked, including both
23 regular and overtime hours as well as hours taken as leave, divided by the
24 number of hours in a work year. The director of the department of
25 administration shall notify the director of each budget unit if the budget
26 unit has exceeded its number of appropriated FTE positions. The above
27 excluded agencies shall each report to the director of the joint legislative
28 budget committee in a manner comparable to the department of administration
29 reporting.

30 Sec. 139. Filled FTE positions; reporting

36 Sec. 140. Transfer of spending authority

37 The department of administration shall report monthly to the director
38 of the joint legislative budget committee on any transfers of spending
39 authority made pursuant to section 35-173, subsection C, Arizona Revised
40 Statutes, during the prior month.

41 Sec. 141. Interim reporting requirements

12 staff of the joint legislative budget committee shall report to the joint
13 legislative budget committee by October 15 of 2012 and 2013 as to whether
14 that fiscal year's revenues and ending balance are expected to change by more
15 than \$50,000,000 from the budgeted projections. The executive branch may
16 also provide its own estimates to the joint legislative budget committee by
17 October 15 of each year.
