OFFICE OF THE GOVERNOR

DOUGLAS A. DUCEY
GOVERNOR

EXECUTIVE OFFICE

March 14, 2017

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Dear Secretary Reagan:

Arizona's onerous occupational licensing requirements desperately need comprehensive reform. Professional licensing boards all too often needlessly obstruct the livelihoods of thousands of Arizonans. Burdensome training requirements, excessive fees and fines, arbitrary investigations and a sense of economic protectionism stand in the way of Arizonans' right to work an honest job.

Senate Bill 1130 is a start; not a solution. By allowing individuals to apply solely for a hairstylist license with less training requirements versus a cosmetology license, more people can work in more jobs quicker.

But Senate Bill 1130 barely dents the thick layers of unjustified regulation. The requirements for licensure still discourage people from pursuing meaningful careers. Cosmetology students working toward licensure, such as Juan Carlos Montesdeoca, are subject to extraordinarily expensive fines even before they apply for a license. This and other examples of government overreach must end.

Professional licensing exists for one purpose and one purpose only—to keep the public safe. There is no role for government restrictions beyond this.

Sincerely,

Douglas A. Ducey
Governor
State of Arizona
