29 business of prime contracting and the business of manufactured building
30 dealer. Sales for resale to another manufactured building dealer are not
31 subject to tax. Sales for resale do not include sales to a lessor of
32 manufactured buildings. The sale of a used manufactured building is not
33 taxable under this chapter.

34 B. The tax base for the prime contracting classification is
35 sixty-five percent of the gross proceeds of sales or gross income derived
36 from the business. The following amounts shall be deducted from the gross
37 proceeds of sales or gross income before computing the tax base:

38 1. The sales price of land, which shall not exceed the fair market
39 value.

43 permit required by law.

44 3. The sales price of furniture, furnishings, fixtures, appliances
45 and attachments that are not incorporated as component parts of or

1 attached to a manufactured building or the setup site. The sale of such
2 items may be subject to the taxes imposed by article 1 of this chapter
3 separately and distinctly from the sale of the manufactured building.

5 contract entered into for the modification of any building, highway, road,
6 railroad, excavation, manufactured building or other structure, project,
7 development or improvement located in a military reuse zone for providing

9 fabricator of aviation or aerospace products within an active military
10 reuse zone after the zone is initially established or renewed under
11 section 41-1531. To be eligible to qualify for this deduction, before
12 beginning work under the contract, the prime contractor must have applied
13 for a letter of qualification from the department of revenue.

14 5. The gross proceeds of sales or gross income derived from a
15 contract to construct a qualified environmental technology manufacturing,

18 ten years after the start of initial construction. To qualify for this
19 deduction, before beginning work under the contract, the prime contractor
20 must obtain a letter of qualification from the department of revenue.
21 This paragraph shall apply for ten full consecutive calendar or fiscal
22 years after the start of initial construction.

23 6. The gross proceeds of sales or gross income from a contract to

41 groundwater or surface water to reduce the concentration or toxicity of a
42 contaminant.

43 (e) The installation of structures, such as cutoff walls or caps,
44 to contain contaminants present in groundwater or soil and prevent them

1 from reaching a location where they could threaten human health or welfare
2 or the environment.

3 This paragraph does not include asbestos removal or the construction or
4 use of ancillary structures such as maintenance sheds, offices or storage
5 facilities for unattached equipment, pollution control equipment,

31 maintenance or removal of machinery, equipment or other tangible personal
32 property that is either deducted from the tax base of the retail
33 classification under section 42-5061, subsection B or exempt from use tax
34 under section 42-5159, subsection B.

38 (d) For the purposes of this paragraph, "independent functional
39 utility" means that the machinery, equipment or other tangible personal
40 property can independently perform its function without attachment to real
41 property, other than attachment for any of the following purposes:

43 property.

44 (ii) Connecting items of machinery, equipment or other tangible
45 personal property to each other.

21 from a contract entered into with a person who is engaged in the
22 commercial production of livestock, livestock products or agricultural,
23 horticultural, viticultural or floricultural crops or products in this

25 manufactured building or other structure, project, development or
26 improvement used directly and primarily to prevent, monitor, control or
27 reduce air, water or land pollution.

28 11. The gross proceeds of sales or gross income that is derived
29 from the installation, assembly, repair or maintenance of clean rooms that
30 are deducted from the tax base of the retail classification pursuant to
31 section 42-5061, subsection B, paragraph 16.

13 contracts entered into before July 1, 2006 for constructing a state
14 university research infrastructure project if the project has been
15 reviewed by the joint committee on capital review before the university
16 enters into the construction contract for the project. For the purposes
17 of this paragraph, "research infrastructure" has the same meaning
18 prescribed in section 15-1670.

19 18. The gross proceeds of sales or gross income received from a
20 contract for the construction of any building, or other structure,
21 project, development or improvement owned by a qualified business under
22 section 41-1516 for harvesting or processing qualifying forest products
23 removed from qualifying projects as defined in section 41-1516 if actual

35 development fees paid by the prime contractor or subcontractor, and the
36 total development fees credited in exchange for the construction of,
37 contribution to or dedication of real property for providing public
38 infrastructure, public safety or other public services necessary to the
39 development. The real property must be the subject of the development

6 (a) "Mixed waste processing facility" means a solid waste facility
7 that is owned, operated or used for the treatment, processing or disposal
8 of solid waste, recyclable solid waste, conditionally exempt small
9 quantity generator waste or household hazardous waste. For the purposes
10 of this subdivision, "conditionally exempt small quantity generator
11 waste", "household hazardous waste" and "solid waste facility" have the
12 same meanings prescribed in section 49-701, except that solid waste
13 facility does include a site that stores, treats or processes paper,
14 glass, wood, cardboard, household textiles, scrap metal, plastic,

19 and reconstituting recyclable solid waste that would otherwise become
20 solid waste, but does not include incineration or other similar processes.

21 (d) "Renewable energy" has the same meaning prescribed in section

23 C. Entitlement to the deduction pursuant to subsection B, paragraph
24 7 of this section is subject to the following provisions:

25 1. A prime contractor may establish entitlement to the deduction by
26 both:

27 (a) Marking the invoice for the transaction to indicate that the
28 gross proceeds of sales or gross income derived from the transaction was
29 deducted from the base.

30 (b) Obtaining a certificate executed by the purchaser indicating
31 the name and address of the purchaser, the precise nature of the business
32 of the purchaser, the purpose for which the purchase was made, the
33 necessary facts to establish the deductibility of the property under
34 section 42-5061, subsection B, and a certification that the person
35 executing the certificate is authorized to do so on behalf of the
36 purchaser. The certificate may be disregarded if the prime contractor has
37 reason to believe that the information contained in the certificate is not
38 accurate or complete.

39 2. A person who does not comply with paragraph 1 of this subsection
40 may establish entitlement to the deduction by presenting facts necessary
41 to support the entitlement, but the burden of proof is on that person.

42 3. The department may prescribe a form for the certificate
43 described in paragraph 1, subdivision (b) of this subsection. The
44 department may also adopt rules that describe the transactions with
45 respect to which a person is not entitled to rely solely on the

1 information contained in the certificate provided in paragraph 1,
2 subdivision (b) of this subsection but must instead obtain such additional
3 information as required in order to be entitled to the deduction.

4 4. If a prime contractor is entitled to a deduction by complying
5 with paragraph 1 of this subsection, the department may require the
6 purchaser who caused the execution of the certificate to establish the
7 accuracy and completeness of the information required to be contained in
8 the certificate that would entitle the prime contractor to the deduction.
9 If the purchaser cannot establish the accuracy and completeness of the
10 information, the purchaser is liable in an amount equal to any tax,
11 penalty and interest that the prime contractor would have been required to
12 pay under article 1 of this chapter if the prime contractor had not
13 complied with paragraph 1 of this subsection. Payment of the amount under
14 this paragraph exempts the purchaser from liability for any tax imposed
15 under article 4 of this chapter. The amount shall be treated as a
16 transaction privilege tax to the purchaser and as tax revenues collected
17 from the prime contractor in order to designate the distribution base for
18 purposes of section 42-5029.

19 D. Subcontractors or others who perform modification activities are
20 not subject to tax if they can demonstrate that the job was within the
21 control of a prime contractor or contractors or a dealership of
22 manufactured buildings and that the prime contractor or dealership is
23 liable for the tax on the gross income, gross proceeds of sales or gross
24 receipts attributable to the job and from which the subcontractors or
25 others were paid.

26 E. Amounts received by a contractor for a project are excluded from
27 the contractor's gross proceeds of sales or gross income derived from the
28 business if the person who hired the contractor executes and provides a
29 certificate to the contractor stating that the person providing the
30 certificate is a prime contractor and is liable for the tax under article
31 1 of this chapter. The department shall prescribe the form of the
32 certificate. If the contractor has reason to believe that the information
33 contained on the certificate is erroneous or incomplete, the department
34 may disregard the certificate. If the person who provides the certificate
35 is not liable for the tax as a prime contractor, that person is
36 nevertheless deemed to be the prime contractor in lieu of the contractor
37 and is subject to the tax under this section on the gross receipts or
38 gross proceeds received by the contractor.

39 F. Every person engaging or continuing in this state in the
40 business of prime contracting or dealership of manufactured buildings
41 shall present to the purchaser of such prime contracting or manufactured
42 building a written receipt of the gross income or gross proceeds of sales
43 from such activity and shall separately state the taxes to be paid
44 pursuant to this section.

1 G. For the purposes of section 42-5032.01, the department shall
2 separately account for revenues collected under the prime contracting
3 classification from any prime contractor engaged in the preparation or
4 construction of a multipurpose facility, and related infrastructure, that
5 is owned, operated or leased by the tourism and sports authority pursuant
6 to title 5, chapter 8.

7 H. For the purposes of section 42-5032.02, from and after
8 September 30, 2013, the department shall separately account for revenues
9 reported and collected under the prime contracting classification from any
10 prime contractor engaged in the construction of any buildings and
11 associated improvements that are for the benefit of a manufacturing
12 facility. For the purposes of this subsection, "associated improvements"
13 and "manufacturing facility" have the same meanings prescribed in section
14 42-5032.02.

15 I. The gross proceeds of sales or gross income derived from a
16 contract for lawn maintenance services are not subject to tax under this
17 section if the contract does not include landscaping activities. Lawn
18 maintenance service is a service pursuant to section 42-5061, subsection
19 A, paragraph 1, and includes lawn mowing and edging, weeding, repairing
20 sprinkler heads or drip irrigation heads, seasonal replacement of flowers,
21 refreshing gravel, lawn ~~de-thatching~~ DETHATCHING, seeding winter lawns,
22 leaf and debris collection and removal, tree or shrub pruning or clipping,
23 garden and gravel raking and applying pesticides, as defined in section
24 3-361, and fertilizer materials, as defined in section 3-262.

25 J. Except as provided in subsection 0 of this section, the gross
26 proceeds of sales or gross income derived from landscaping activities are
27 subject to tax under this section. Landscaping includes installing lawns,
28 grading or leveling ground, installing gravel or boulders, planting trees
29 and other plants, felling trees, removing or mulching tree stumps,
30 removing other imbedded plants, building irrigation berms, installing
31 railroad ties and installing underground sprinkler or watering systems.

32 K. The portion of gross proceeds of sales or gross income
33 attributable to the actual direct costs of providing architectural or
34 engineering services that are incorporated in a contract is not subject to
35 tax under this section. For the purposes of this subsection, "direct
36 costs" means the portion of the actual costs that are directly expended in
37 providing architectural or engineering services.

38 L. Operating a landfill or a solid waste disposal facility is not
39 subject to taxation under this section, including filling, compacting and
40 creating vehicle access to and from cell sites within the landfill.
41 Constructing roads to a landfill or solid waste disposal facility and
42 constructing cells within a landfill or solid waste disposal facility may
43 be deemed prime contracting under this section.

44 M. The following apply in determining the taxable situs of sales of
45 manufactured buildings:

1 1. For sales in this state where the manufactured building dealer
2 contracts to deliver the building to a setup site or to perform the setup
3 in this state, the taxable situs is the setup site.

4 2. For sales in this state where the manufactured building dealer
5 does not contract to deliver the building to a setup site or does not
6 perform the setup, the taxable situs is the location of the dealership
7 where the building is delivered to the buyer.

8 3. For sales in this state where the manufactured building dealer
9 contracts to deliver the building to a setup site that is outside this
10 state, the situs is outside this state and the transaction is excluded
11 from tax.

12 N. The gross proceeds of sales or gross income attributable to a
13 written contract for design phase services or professional services,
14 executed before modification begins and with terms, conditions and pricing
15 of all of these services separately stated in the contract from those for
16 construction phase services, is not subject to tax under this section,
17 regardless of whether the services are provided sequential to or
18 concurrent with prime contracting activities that are subject to tax under
19 this section. This subsection does not include the gross proceeds of
20 sales or gross income attributable to construction phase services. For
21 the purposes of this subsection:

22 1. "Construction phase services" means services for the execution
23 and completion of any modification, including the following:

24 (a) Administration or supervision of any modification performed on
25 the project, including team management and coordination, scheduling, cost
26 controls, submittal process management, field management, safety program,
27 close-out process and warranty period services.

28 (b) Administration or supervision of any modification performed
29 pursuant to a punch list. For the purposes of this subdivision, "punch
30 list" means minor items of modification work performed after substantial
31 completion and before final completion of the project.

32 (c) Administration or supervision of any modification performed
33 pursuant to change orders. For the purposes of this subdivision, "change
34 order" means a written instrument issued after execution of a contract for
35 modification work, providing for all of the following:

36 (i) The scope of a change in the modification work, contract for
37 modification work or other contract documents.

38 (ii) The amount of an adjustment, if any, to the guaranteed maximum
39 price as set in the contract for modification work. For the purposes of
40 this item, "guaranteed maximum price" means the amount guaranteed to be
41 the maximum amount due to a prime contractor for the performance of all
42 modification work for the project.

43 (iii) The extent of an adjustment, if any, to the contract time of
44 performance set forth in the contract.

1 (d) Administration or supervision of any modification performed

3 "change directive" means a written order directing a change in
4 modification work before agreement on an adjustment of the guaranteed
5 maximum price or contract time.

6 (e) Inspection to determine the dates of substantial completion or
7 final completion.

8 (f) Preparation of any manuals, warranties, as-built drawings,
9 spares or other items the prime contractor must furnish pursuant to the
10 contract for modification work. For the purposes of this subdivision,
11 "as-built drawing" means a drawing that indicates field changes made to
12 adapt to field conditions, field changes resulting from change orders or
13 buried and concealed installation of piping, conduit and utility services.

14 (g) Preparation of status reports after modification work has begun
15 detailing the progress of work performed, including preparation of any of
16 the following:

17 (i) Master schedule updates.

18 (ii) Modification work cash flow projection updates.

19 (iii) Site reports made on a periodic basis.

20 (iv) Identification of discrepancies, conflicts or ambiguities in
21 modification work documents that require resolution.

22 (v) Identification of any health and safety issues that have arisen
23 in connection with the modification work.

24 (h) Preparation of daily logs of modification work, including
25 documentation of personnel, weather conditions and on-site occurrences.

26 (i) Preparation of any submittals or shop drawings used by the
27 prime contractor to illustrate details of the modification work performed.

28 (j) Administration or supervision of any other activities for which
29 a prime contractor receives a certificate for payment or certificate for
30 final payment based on the progress of modification work performed on the
31 project.

32 2. "Design phase services" means services for developing and

40 contract with the owner of real property or improvements to real property
41 for the maintenance, repair, replacement or alteration of existing
42 property is not subject to tax under this section if the contract does not
43 include modification activities, except as specified in this subsection.
44 The gross proceeds of sales or gross income derived from a de minimis
45 amount of modification activity does not subject the contract or any part

1 of the contract to tax under this section. For the purposes of this
2 subsection:

3 1. Tangible personal property that is incorporated or fabricated
4 into a project described in this subsection may be subject to the amount
5 prescribed in section 42-5008.01.

6 2. Each contract is independent of any other contract, except that
7 any change order that directly relates to the scope of work of the
8 original contract shall be treated the same as the original contract under
9 this chapter, regardless of the amount of modification activities included
10 in the change order. If a change order does not directly relate to the
11 scope of work of the original contract, the change order shall be treated
12 as a new contract, with the tax treatment of any subsequent change order
13 to follow the tax treatment of the contract to which the scope of work of
14 the subsequent change order directly relates.

17 subject to title 28, chapter 19, 20 or 22 or title 34, chapter 2 or 6 is
18 taxable under this section, even if the contract also includes vertical

32 subsection if the district does not substantially engage in the

36 person owning real property who enters into a contract for sale of the
37 real property, who is responsible to the new owner of the property for
38 modifications made to the property in the period subsequent to the
39 transfer of title and who receives a consideration for the modifications
40 is considered a prime contractor solely for purposes of taxing the gross
41 proceeds of sale or gross income received for the modifications made
42 subsequent to the transfer of title. The original owner's gross proceeds
43 of sale or gross income received for the modifications shall be determined
44 according to the following methodology:

1 1. If any part of the contract for sale of the property specifies
2 amounts to be paid to the original owner for the modifications to be made
3 in the period subsequent to the transfer of title, the amounts are
4 included in the original owner's gross proceeds of sale or gross income
5 under this section. Proceeds from the sale of the property that are
6 received after transfer of title and that are unrelated to the
7 modifications made subsequent to the transfer of title are not considered
8 gross proceeds of sale or gross income from the modifications.

9 2. If the original owner enters into an agreement separate from the
10 contract for sale of the real property providing for amounts to be paid to
11 the original owner for the modifications to be made in the period
12 subsequent to the transfer of title to the property, the amounts are
13 included in the original owner's gross proceeds of sale or gross income
14 received for the modifications made subsequent to the transfer of title.

15 3. If the original owner is responsible to the new owner for
16 modifications made to the property in the period subsequent to the
17 transfer of title and derives any gross proceeds of sale or gross income
18 from the project subsequent to the transfer of title other than a delayed
19 disbursement from escrow unrelated to the modifications, it is presumed
20 that the amounts are received for the modifications made subsequent to the
21 transfer of title unless the contrary is established by the owner through
22 its books, records and papers kept in the regular course of business.

23 4. The tax base of the original owner is computed in the same
24 manner as a prime contractor under this section.

25 R. For the purposes of this section:

26 1. "Alteration" means an activity or action that causes a direct
27 physical change to existing property. For the purposes of this paragraph:

2 contract to cause a project to qualify as an alteration. The department
3 has the burden of proof that project elements have been artificially
4 separated from a contract.

5 (d) If a project for which the owner and the person performing the
6 work reasonably believed, at the inception of the contract, would be
7 treated as an alteration under this paragraph and, on completion of the
8 project, the project exceeded the applicable threshold described in either
9 subdivision (a) or (b) of this paragraph by no more than twenty-five
10 percent of the applicable threshold for any reason, the work performed
11 under the contract qualifies as an alteration.

12 (e) A change order that directly relates to the scope of work of
13 the original contract shall be treated as part of the original contract,
14 and the contract amount shall include any amount attributable to a change
15 order that directly relates to the scope of work of the original contract.

22 modify that real property and who does not itself modify that real
