45 the child's parent.

1 B. If the court determines that services supplemental to those
2 provided through the department are available from another source at no
3 cost to this state, the court may order the services on agreement of the
4 provider.

5 C. The court may employ an individual or individuals to facilitate
6 collaboration between the parties and to ensure the delivery of
7 court-ordered services. An employee acting in that capacity has access to
8 all documents and information necessary to ensure service delivery
9 regarding the child and the child's family without obtaining prior
10 approval from the child, the child's family or the court. The employee
11 may disclose documents and information the employee acquires, reviews or
12 produces only as prescribed pursuant to section 8-807.

13 D. The court shall consider the following factors in determining
14 whether reunification services are required to be provided. Reunification
15 services are not required to be provided if the court finds by clear and
16 convincing evidence that:

17 1. One or more of the following aggravating circumstances exist:

18 (a) A party to the action provides a verified affidavit that states
19 that a reasonably diligent search has failed to identify and locate the
20 parent within three months after the filing of the dependency petition or
21 the parent has expressed no interest in reunification with the child for
22 at least three months after the filing of the dependency petition.

23 (b) The parent or guardian is suffering from a mental illness or
24 mental deficiency of such magnitude that it renders the parent or guardian
25 incapable of benefitting from the reunification services. This finding
26 shall be based on competent evidence from a psychologist or physician that
27 establishes that, even with the provision of reunification services, the
28 parent or guardian is unlikely to be capable of adequately caring for the
29 child within twelve months after the date of the child's removal from the
30 home.

31 (c) The child previously has been removed and adjudicated dependent
32 due to physical or sexual abuse. After the adjudication the child was
33 returned to the custody of the parent or guardian and then subsequently
