Elections Director

November 12, 2010

Honorable Ken Bennett
Arizona Secretary of State
1700 West Washington St, 7th Floor
Phoenix, AZ 85007

Secretary Bennett:

Pursuant to A.R.S. §16-602, Yavapai County conducted a hand count audit of the November 2, 2010 General Election.

The Yavapai County Party Chairs from the Democratic and Republican parties met at 3:00 pm on November 3, 2010 and randomly chose the #49 Stoneridge and #82 Mountain Club precincts, and early ballot batches #4, #8, #9, and Prescott TSx #3 to be hand counted. The races chosen were the Corporation Commissioner, Proposition 109, U.S. Senate and State Senate.

At 8:00 am on November 4, 2010, 3 Democratic and 4 Republican hand count workers met to begin the hand count. Because the Democrats did not meet the minimum number of workers, both party chairmen agreed to allow 1 Democratic worker supplied from the County Elections department to fill the vacancy, as well as 1 Independent worker supplied from the County Elections department to make 3 full hand count boards. By 3:00 pm, the hand count audit had been completed successfully.

Attached are the precinct and early ballot hand count worksheets, which depict the results of the hand count audit for each race. Please note that the hand count of the polling locations produced a three vote difference between the machine and the hand count. This difference was a result of a jammed ballot in the #49 Stoneridge machine that was not caught by the poll workers before the ballot dropped into the ballot box, and was therefore not counted at the polling place by the optical scanner. All results fell below the designated margin of error as set by the Vote Count Verification Committee.

Respectfully Submitted,

Lynn A. Constabile
Yavapai County Elections Director

Re: Official Hand Count, General Election

As you know, you may participate in an Official Hand Count of the ballots cast in the upcoming November 2, 2010 General Election.

If you would like to be included in the Official Hand Count, I need you to send me a written list of at least 4 participants by Tuesday, October 26, 2010. If I do not hear from you by 5:00 pm on Tuesday, per statute, my office will contact you by phone on Wednesday morning by 9:00 am. You will then have until 5:00 pm on Thursday, October 28, 2010 to forward your list of participants to me. You may send your list by traditional mail, or if you prefer, you can e-mail your list to the address above.

Hand count participants must be registered voters of the State of Arizona and may be of any party, except that no more than seventy-five per cent of the persons performing the hand count shall be from the same political party.

At least two parties need to participate in order for the Hand Count to proceed. The participating County Chairpersons will meet the day after the Election on Wednesday, November 3, 2010, to draw which precincts and Early ballot batches are to be hand counted. The Hand Count audit will begin promptly at 8:00 am on Thursday, November 4, 2010. It is imperative that all your participants arrive on time that Thursday, as we only have the Board of Supervisors Board Room for a limited time and would have to move another location if additional counting becomes necessary.

If you have any questions, please call my office. Thank you.
