Re: Hand Count Results, General Election

Pursuant to A.R.S. §16-602(B), Navajo County conducted a Hand Count for the November 5th, 2024, General Election.

On Tuesday, Oct. 22, 2024, at 1:00 pm, representatives from the Navajo County Democratic and Republican Parties met to select the Election Day precincts and the early ballot batches for the hand count.

Conducting the Hand Count

The Hand Count teams met on Nov. 6, 2024, at 1:00 pm to draw the vote centers and races, we then reconvened on Saturday Nov. 9, 2024, at 10am to 2pm. There were 5 boards made up three members.

The stacking method was used for counting.

The two polling locations selected for the hand count were:

- Hardrock Chapter House – Central Count
- Show Low Camp Grace – Central Count

These two sets of ballots were tabulated on different machines; the hand count therefore provides information on the tabulation accuracy of each machine. For each machine, the hand count results matched the tabulated results; there were no discrepancies. The results are shown in the table below.

Under Arizona law, the hand count of early ballots needed to include 1% of early ballots cast in Navajo County. With just under 30,000 early ballots counted prior to the hand count, the Hand Count Board counted 3 batches of ballots: each batch contained 100 ballots. In total, 300 early ballots were counted in the hand count. The results of each hand count matched the tabulated results; there were no discrepancies. The results for each hand count are shown here:
