# Hand Count Audit Report
# General Election - November 3, 2026

**Synopsis:**

Pursuant to A.R.S. § 16-602(B), Pinal County conducted the hand count audit of early and election day precinct ballots for the November 3, 2026 General Election. Three (3) election day precincts were counted as well as 1% of early ballots.

The preliminary phase of the hand count began on November 4, 2026, at 2:30 p.m. with the Pinal County Democratic Party Chair and Pinal County Republican Party Chair met to randomly select the precincts and races to be audited. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican Party was randomly selected by draw to go first, followed by the Democratic Party. No other recognized parties were present. With the draw order established, the parties alternated in selecting the contested races, precincts, and batches to be audited. The following races were selected:

**Federal Race -** *U.S. Representative*
**Statewide Prop**- *Prop 319*
**Statewide Race -** *Superintendent of Public Instruction*
**Legislative Race -** *State Rep*

**Precincts 1, 11/12/14 & 40** were selected by lot, as well as fourteen batches randomly selected from each of the four tabulators utilized during early ballot tabulation. All ballots were tabulated on four DS950's.

**Precinct Ballot Audit:**

On November 7, 2026, appointed political party representatives were broken into bipartisan teams with Democrats and Republicans on each board.

**Early Ballot Audit:**

More than 1% of early ballots were audited per Arizona State law. 126,991 early ballots were cast, 1270 ballots were required to be audited to reach the 1% requirement. The early ballot audit consisted of 14 batches (one from each tabulator) containing an aggregate total of 1372 ballots.

**Comments:**

There were no discrepancies between the machine count and the hand count. Please find the aggregate precinct and early ballot reports attached for review.
