November 10, 2026

Honorable Adrian Fontes, Arizona Secretary of State
1700 West Washington St, 7th Floor
Phoenix, AZ 85007

Secretary Fontes:
Pursuant to A.R.S. §16-602, La Paz County conducted a Hand Count Audit of the November 3, 2026, General Election.

On November 4, 2026, at 11:00 a.m., the hand count process began when the La Paz County Republican Party Chair and the Democratic Party designee met to randomly select the races, vote centers, and early ballot batches for counting.

The selection order was chosen by lot, and the Republican Party was chosen to go first. With the order established, the following vote centers and early ballot batch were randomly selected: Parker, Salome, and Early Ballot Batch 11.

Four contested races were selected randomly by the party chairs as required by law for the Hand Count. The following is the list of contested races that were selected for each category:

Statewide Candidate Race: **Secretary of State**
Statewide Ballot Measure: **Proposition 142**
Legislative Candidate Race: **State Representative District 30**
Federal Candidate Race: **U.S. Representative in Congress District 9**

The physical hand count started at 1:00 p.m. on November 9th and was concluded that day at 5:30 p.m. The tabulation method used was the stacking method. The hand count was conducted by two boards made up of 3 members each, of which not more than 2 members were from the same political party.

Attached are the early ballot and vote center hand count worksheets, which depict the results of the hand count audit for each race. I am happy to report that the hand count audit totals matched the machine tabulated results perfectly, with no discrepancies.

Respectfully Submitted,

Tracy Page
La Paz County Elections Director
