PIMA COUNTY
Hand Count / Early Ballot Audit Report
July 21, 2026 Primary Election

Synopsis:

Pursuant to A.R.S. § 16-602(B), Pima County conducted the hand count/early ballot audit for the July 21, 2026 Primary Election. Two percent of vote centers were counted as required by statute, which amounted to three vote centers out of 120 vote centers.

The hand count began on July 22, 2026 when representatives from the Pima County Democratic, Green, and Republican Parties met to discuss the number of vote centers and early ballot batches to be audited. On July 25, 2026 at 8:30 AM representatives of the Democratic, Republican, and Green Parties met to select the vote centers and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Republican Party was chosen to go first.

With the order established, the specific vote centers to be counted were selected with the representatives from each party alternating the selection. Once the vote centers were chosen, the early ballot batches to be audited were selected.

The master vote center and early ballot batch selection lists are attached for review. The physical hand count started at 9:00 AM on July 25, 2026 and was concluded at 10:50 AM on July 25, 2026. The tabulation method used was the stacking method. The hand count was conducted by 9 boards consisting of 3 or 4 members, of which not more than 2 members were from the same political party.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 8 batches, each containing 300 early ballots.

Comments:

The results of the early ballot audit and the vote center hand count were within the variance as defined by the Arizona Secretary of State.

Respectfully Submitted,

Constance L. Hargrove, Elections Director

*One ballot for Dunham had the entire line for King crossed out including the oval that the machine reads. So it was counted as an overvote, while the voter's clear intent was to vote for Dunham only.
