Otherwise, write “N/A” (for “not applicable”) after the word “Date” if the debt was not first incurred or fully discharged during the period covered by this Financial Disclosure Statement.

- Debts on motor vehicles used primarily for personal purposes (not commercial purposes);

B. BUSINESS FINANCIAL INTERESTS

This section requires disclosure of any financial interests of a business owned by you or a member of your household.

11. Business Names

What to disclose: The name of any business under which you or any member of your household owns or did business under (in other words, if you or your household member were self-employed) during the period covered by this Financial Disclosure Statement, which include any corporations, limited liability companies, partnerships, sole proprietorships or any other type of business conducted under a trade name.

Also disclose if the named business is controlled or dependent. A business is "controlled" if you or any member of your household (individually or combined) had an ownership interest that amounts to more than 50%. A business is classified as "dependent," on the other hand, if: (1) you or any household member (individually or combined) had an ownership interest that amounts more than 10%; *and* (2) the business received more than \$10,000 from a single source during the period covered by this Financial Disclosure Statement, which amounted to more than 50% of the business' gross income for the period.

Please note: If the business was either controlled or dependent, check whether it was controlled or dependent (double-click the appropriate box and change the default value to "checked") in the last column below. If the business was both controlled *and* dependent during the period covered by this Financial Disclosure Statement, check *both* boxes. Otherwise, leave the boxes in the last column below blank.

⁹You are not required to disclose the names of your spouse or minor children. Thus, you may identify your household members as "spouse," "minor child 1", "minor child 2," etc.
