PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the Administrative Code. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. "‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."

THE ADMINISTRATIVE CODE

The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions.

The Code is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the Code. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the Register volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the Register.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the Code in Supp. 18-1 to comply with A.R.S. § 41-1012(B) and A.R.S. § 5302(1), (2)(d) through (e), and (3)(d) through (e).

A certification verifies the authenticity of each Code Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the Code includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Register online at www.azsos.gov/rules, click on the Administrative Register link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

A candidate may develop his or her own three-part reporting slip for qualifying contributions, or one that is photocopied or computer reproduced, if the form substantially complies with the form prescribed by the Commission. The candidate must comply with the Act and ensure that the original qualifying slip is tendered to the Secretary of State, a copy remains with the candidate, and that a copy is given to the contributor.

C. A candidate may accept electronic $5 qualifying contributions for the elected office sought by the candidate. The Secretary of State’s secured internet portal must be used to collect electronic $5 qualifying. A $5 contribution must accompany every $5 qualifying contribution form and must be submitted via the Secretary of State’s portal using a private electronic payment service, specified by the Secretary of State’s Office, bank account, credit or debit card. A non-refundable transaction fee may be assessed on electronic $5 qualifying contribution transactions. The transaction fee is not a contribution to the candidate’s campaign and is paid by the contributor. If excess funds are accumulated by the candidate’s campaign based on the transaction fee then all excess funds must be given to the Commission and must be entered into the candidate’s campaign finance report in a manner that indicates the transaction fees have been accumulated and transferred.

D. A solicitor who seeks signatures and qualifying contributions on behalf of a participating candidate shall provide his or her residential address, typed or printed name and signature on each reporting slip. The solicitor shall also sign a sworn statement on the contribution slip avowing that the contributor signed the slip, that the contributor contributed the $5, that based on information and belief, the contributor’s name and address are correctly stated and that each contributor is a qualified elector of this state. If a contribution is received unsolicited, the candidate or contributor may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. Nothing in this rule shall prohibit the use of direct mail or the internet to obtain qualifying contributions as long as an original signature is provided on the qualifying contribution form. The candidate may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. For qualifying contributions received in accordance with subsection (C) of this Section, the residential address and signature of the solicitor is not required.

E. The Secretary of State has the authority to approve or deny a candidate for Clean Elections funding, pursuant to A.R.S. § 16-950(C) based upon the verification of the qualifying contribution forms by the appropriate county recorder. The county recorder shall disqualify any qualifying contribution forms that are:
1. Unsigned by the contributor;
2. Undated; or
3. That the recorder is unable to verify as matching signature of a person who is registered to vote, on the date specified for the responsibilities of a solicitor. Nothing in this rule shall prohibit the use of direct mail or the internet to obtain qualifying contributions as long as an original signature is provided on the qualifying contribution form. The candidate may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. For qualifying contributions received in accordance with subsection (C) of this Section, the residential address and signature of the solicitor is not required.

F. The Secretary of State will notify the candidate and the Commission regarding the approval or denial of Clean Elections funds. A candidate who is denied Clean Elections funding after all of the slips are verified is eligible to submit supplemental qualifying contribution forms for one additional opportunity to be approved for funding pursuant to subsection (G) of this rule.

G. The amount equal to the sum of the qualifying contributions collected and tendered to the Secretary of State pursuant to A.R.S. § 16-950(B) will be deposited into the fund, and the amount tendered will not be returned to a candidate if a candidate is denied Clean Elections funding.

H. In accordance with the procedure set forth at A.R.S. § 16-950(C), if the Secretary of State determines that the result of the five percent random sample is less than 110 percent of the slips needed to qualify for funding, then the Secretary of State shall send all of the slips for verification. If the county recorder has verified all of the candidate’s signature slips and there is an insufficient number of valid qualifying contribution slips to qualify the candidate for funding, the candidate may make only one supplemental filing of additional qualifying contribution slips and qualifying contributions to the Secretary of State if all of the following apply:
1. The candidate files at least the minimum number of additional slips needed to qualify for funding;
2. The slips are not receipts for duplicate contributions from individuals who have previously contributed to that candidate; and
3. The period for filing qualifying contributions slips has not expired.

I. The Secretary of State shall forward facsimiles of all of the supplemental qualifying contribution slips to the appropriate county recorders for the county of the contributors’ addresses as shown on the contribution slips. The county recorder shall verify all of the supplemental slips within 10 business days after receipt of the facsimiles and shall provide a report to the Secretary of State identifying as disqualified any slips that are unsigned by the contributor or undated or that the recorder is unable to verify as matching the signature of a person who is registered to vote, on the date specified for the responsibilities of a solicitor. Nothing in this rule shall prohibit the use of direct mail or the internet to obtain qualifying contributions as long as an original signature is provided on the qualifying contribution form. The candidate may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. For qualifying contributions received in accordance with subsection (C) of this Section, the residential address and signature of the solicitor is not required.

R2-20-106. Distribution of Funds to Certified Candidates
A. Before the initial disbursement of funds, the Commission shall review the candidate’s funding application and all relevant facts and circumstances and:
1. Verify that the number of signatures on the candidate’s nominating petitions equals or exceeds the number required pursuant to A.R.S. § 16-322 as follows:
a. If the application is submitted before the March 1 voter registration list is determined, the Commission shall verify that the number of signatures on the candidate’s nominating petitions equals or exceeds 115 percent of the number required pursuant to A.R.S. § 16-322 based on the prior election voter registration list as determined by the Secretary of State; or
b. If the application is submitted after the current year March 1 voter registration list is determined, the Commission shall verify that the number of signatures on the candidate’s nominating petitions is equal to or greater than the number required pursuant to A.R.S. § 16-322.

2. Determine that the required number of qualifying contributions have been received and paid to the Secretary of State for deposit in the Fund; and
3. Determine whether the candidate is opposed in the election.

B. In making the determinations described in subsection (A)(3), the Commission shall consider all relevant facts and circumstances, and it shall not be bound by election formalities such as the filing of nominating petitions by others in determining whether an applicant is opposed. Among other evidence the Commission may consider is the existence of exploratory committees or filings made to organize campaign committees of opponents and other like indicia.

C. The Commission may review and affirm or change its determination that the candidate is or is not opposed until the ballot for the election is established.

D. Within seven days after a primary election and before the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to the participating candidates who received the greatest number of votes at each primary election, provided that the candidate with the highest number of votes out of the total number of votes, has at least two percentage points greater than the candidate with the next highest votes based on the unofficial results as of that date. In a legislative race for the Arizona House of Representatives, the Commission shall disburse funds for general election campaigns to participating candidates with the highest or second highest number of votes cast, provided such candidate received votes totaling at least two percentage points, of the total ballots cast, larger than the vote total cast for the candidate with the third highest vote total.

E. Promptly after the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to all eligible participating candidates to whom payment has not been made. If a participating candidate has received funds from the Commission pursuant to subsection (D) and the canvass or recount determines that the candidate is not eligible to appear on the general election ballot, the participating candidate shall return all unused funds to the Fund within 10 days after such determination is made. That candidate shall make no expenditures from general election funds from the date of the canvass.

F. The Commission may refuse to distribute funds to participating candidates in cases in which the Commission finds evidence of fraud or illegal activity committed by the participating candidate.

G. Pursuant to A.R.S. § 16-953, a participating candidate shall return to the Fund:
   1. All primary election funds not committed to expenditures (1) during the primary election period; and (2) for goods or services directed to the primary election. A candidate shall not be deemed to have violated A.R.S. § 16-953(A) or this subsection on account of failure to use all materials purchased with primary election funds prior to the primary election, provided such candidate exercises good faith and diligent efforts to comply with the requirement that goods and services purchased with primary election funds be directed to the primary election. Subject to A.R.S. § 16-953(A) and this subsection, a candidate may continue to use goods purchased with primary election funds during the general election period.
   2. All general funds not committed to expenditures (1) during the general election period; and (2) for goods or services directed to the general election.

H. All funds returned to the Commission pursuant to subsection (G) of this rule, shall be returned to the Fund by a cashier’s check drawn on the candidate’s campaign bank account. Any fee associated with the issuance of a cashier’s check shall be deemed a direct campaign expenditure and reported on the candidate’s campaign finance report.

I. If a participating candidate does not account for any outstanding expenditures in the amount of the funds returned to the Commission, the participating candidate must reconcile the outstanding expenditures with personal monies. Once funds have been returned to the Commission, no further reimbursements from the Clean Elections Fund shall be permitted. Participating candidates may not exceed the primary or general election spending limits.

J. Commission staff may waive the return of funds if:
   1. The Commission staff determines the amount to be returned is de minimus;
   2. The Commission staff determines the cost of recovery exceeds the amount of the return;
   3. The funds to be returned shall not exceed $25; and
   4. The Commission is notified of any waiver of the return of funds.

Except as set forth in the subsection below, the Commission shall not be required to sponsor a debate if there is no participating candidate in the election for a particular office.

B. In the primary election period, the Commission shall sponsor political party primary election debates for every office in which:
   1. There are more candidates appearing on the ballot than there are seats available for the political party's nomination for general election candidates, and
   2. At least one of the candidates is a participating candidate.

C. The following candidates will not be invited to participate in debates as follows:
   1. In the primary election, write-in candidates for the primary election, independent candidates, no party affiliation or unrecognized party candidates.
   2. In the general election, write-in candidates.

D. In the event that there is no participating candidate in a primary or general election but there is an election involving candidates who are not unopposed, a candidate may request that
the Commission sponsor a debate pursuant to this rule. If the requesting candidate is the sole participant in the debate the format shall be as prescribed in R2-20-107(K).

1. A nonparticipating candidate who requests a debate pursuant to this rule shall complete and return the invitation form sent to the candidate by the Commission by the deadline identified on the form. Forms received by the Commission past the deadline may still be considered at the discretion of the Commission. Commission staff shall notify all invited candidates if a debate will be sponsored by the Commission and which candidates will participate.

2. If a candidate requests that the Commission sponsor a debate and fails or refuses to attend the debate, or a candidate agrees to participate in a debate and subsequently fails or refuses to attend the debate sponsored by the Commission, each candidate who fails or refuses to attend the debate shall reimburse the Commission for the cost of debate preparations not to exceed $10,000 for a non-participating candidate for the legislature and $25,000 for a non-participating candidate for statewide office. In the event that a candidate requests a general election debate or agrees to participate in a general election debate but does not advance to the general election, the candidate shall not be liable for the reimbursement.

E. Pursuant to A.R.S. § 16-956(A)(2), all participating candidates certified pursuant to A.R.S. § 16-947 shall attend and participate in the debates sponsored by the Commission. No proxies or representatives are permitted to participate for any candidate and no statements may be read on behalf of an absent candidate.

F. Unless exempted, if a participating candidate fails to participate in any Commission-sponsored debate, the participating candidate shall be fined $500.00. For purposes of this Section, each primary or general election shall be considered a separate election.

G. A participating candidate may request to be exempt from participating in a required debate by doing the following:
1. Submit a written request to the Commission at least one week prior to the scheduled debate, and
2. State the reasons and circumstances justifying the request for exemption.

H. After examining the request to be exempt, the Commission will exempt a candidate from participating in a debate if at least three Commissioners determine that the circumstances are:
1. Beyond the control of the candidate; or
2. Of such nature that a reasonable person would find the failure to attend justifiable or excusable.

I. A participating candidate who fails to participate in a required debate may submit a request for excused absence to the Commission.
1. The candidate's request for excused absence shall:
   a. State the reason the candidate failed to participate in the debate, and
   b. State the reason the candidate failed to request an exemption in advance, and
   c. Be submitted to the Commission no later than five business days after the date of the debate the candidate failed to attend.
2. After examining the request for excused absence, the Commission may excuse a candidate from the penalties imposed if at least three Commissioners determine that the circumstances were:
   a. Beyond the control of the candidate; or
   b. Of such nature that a reasonable person would find the failure to attend justifiable or excusable.

J. When a participating candidate is not opposed in the general election, the candidate shall be exempt from participating in a Commission-sponsored debate for the general election.

K. In the event that a participating candidate is opposed in the primary election or general election but is the only candidate taking part in a primary election period or general election period debate, as applicable, the debate will be held and will consist of a 30-minute question and answer session for the single participating candidate. If more than one candidate takes part in the debate, regardless of participation status, the debate will be held in accordance with the procedures established by the Commission staff.

R2-20-108. Termination of Participating Candidate Status

A. A candidate may voluntarily request termination of his or her participating candidate status at any time prior to notification by the Commission that such candidate has qualified for Clean Elections funding. To withdraw from participating candidate status, a candidate shall send a letter to the Commission stating the candidate’s intent to withdraw and the reason for the withdrawal. The candidate shall not accept any private monies until the withdrawal is approved by the Commission. The Commission shall act on the withdrawal request within seven days. If the Commission takes no action within the seven-day time period, the withdrawal is automatic.

B. A candidate’s participating candidate status shall automatically terminate if:
1. The candidate fails to make such submissions to the Secretary of State as prescribed in R2-20-105(B) within seven days after the end of the qualifying period, or
2. The candidate is denied Clean Elections funding by the Secretary of State and the candidate is ineligible to make a supplemental filing with the Secretary of State in accordance with R2-20-105(G).

C. A candidate whose participating candidate status has been terminated in accordance with this Section shall be ineligible to receive Clean Elections funding for that election cycle unless he/she refiles for certification and is in compliance with R2-20-104(A) and (C).

D. In the event that a candidate who has collected qualifying contributions decides not to seek certification as a participating candidate, the candidate shall return all qualifying contributions received from contributors who have not given written permission to use their qualifying contributions as campaign contributions. Written permission may include a check box on the original $5 form that authorizes a candidate to treat the qualifying contribution as a general campaign contribution if he or
she decides not to participate in the Clean Elections system. If a good faith attempt to return the funds to the contributor is unsuccessful, the contributions shall be submitted to the Fund.

1. Expressly provided otherwise by another Commission rule; or
2. That system, or the necessary function on the system, is unavailable, in which case the executive director shall implement a suitable process.

B. Independent Expenditure Reporting Requirements.

1. Any person making independent expenditures cumulatively exceeding the amount prescribed in A.R.S. § 16-941(D) in an election cycle shall file campaign finance reports in accordance with A.R.S. § 16-958 and Commission rules.

2. Any person who fails to file a timely campaign finance report pursuant to A.R.S. § 16-941(D), A.R.S. §16-958, shall be subject to a civil penalty as prescribed in A.R.S. § 16-942(B). Subsection R2-20-109(B)(4) does not apply to reports pursuant to A.R.S. §§ 16-941(D) and 16-958 or this subsection. Any expenditure advocating against one or more candidates shall be considered an expenditure on behalf of any opposing candidate or candidates. Penalties shall be assessed as follows:

   a. For an election involving a candidate for statewide office, the civil penalty shall be $300 per day.
   b. For an election involving a legislative candidate, the civil penalty shall be $100 per day.
   c. The penalties in (a) and (b) shall be doubled if the amount not reported for a particular election cycle exceeds ten (10%) percent of the applicable adjusted primary election spending limit or adjusted general election spending limit.
   d. The dollar amounts in items (a) and (b), and the spending limits in item (c) are subject to adjustment of A.R.S. § 16-959.
   e. Penalties imposed pursuant to this subsection shall not exceed twice the amount of expenditures not reported.

3. A.R.S. § 16-942(B) applies to any entity including political committees that accepts contributions or makes expenditures on behalf of any candidate regardless of any other contributions taken or expenditures made and fails to timely file a campaign finance report under Chapter 6 of Title 16, Arizona Revised Statutes. Any expenditure advocating against one or more candidates shall be considered an expenditure on behalf of any opposing candidate or candidates. Penalties shall be assessed as follows:

   a. For an election involving a candidate for statewide office, the civil penalty shall be $300 per day.
   b. For an election involving a legislative candidate, the civil penalty shall be $100 per day.
   c. The penalties in (a) and (b) shall be doubled if the amount not reported for a particular election cycle exceeds ten (10%) percent of the applicable adjusted primary election spending limit or adjusted general election spending limit.
   d. The dollar amounts in items (a) and (b), and the spending limits in item (c) are subject to adjustment of A.R.S. § 16-959.
   e. Penalties imposed pursuant to this subsection shall not exceed twice the amount of expenditures not reported.

4. For purposes of A.A.C. R2-20-109(B)(3):

   a. Subject to A.R.S. § 16-901(43) and notwithstanding any rule to the contrary of that section, an entity shall not be found to have the predominant purpose of influencing elections unless, a preponderance of the evidence establishes that during a two-year legislative election cycle, the total reportable contributions made by the entity, in any combination, in a calendar year exceeds $1,000 and is more than fifty percent (50%) of the entity’s total spending during the election cycle.

   i. For purposes of this provision, a “reportable contribution” or “reportable expenditure” shall be limited to a contribution or expenditure, as defined in title 16 of the Arizona revised statutes, that must be reported to the Arizona secretary of state, the Arizona citizens clean elections commission, or local filing officer in Arizona. A contribution or expenditure that must be reported to the federal election commission or to the election authority of any other state, but not to the Arizona secretary of state, the Arizona citizens clean elections commission or a local filing officer in Arizona, shall not be considered a reportable contribution or reportable expenditure.

   ii. For purposes of this provision, “total spending” shall not include volunteer time or fundraising and administrative expenses but shall include all other spending by the organization.

   iii. For purposes of this provision, grants to other organizations shall be treated as follows:

   (1) A grant made to a political committee or an organization organized under section 527 of the internal revenue code shall be counted in total spending and as a reportable contribution or reportable expenditure, unless expressly designated for use outside Arizona or for federal elections, in which case such spending shall be counted in total spending but not as a reportable contribution or reportable expenditure.

   (2) If the entity making a grant takes reasonable steps to ensure that the transferee does not use such funds to make a reportable contribution or reportable expenditure, such a grant shall be counted in total
spending but not as a reportable contribution or reportable expenditure.

iv. If the entity making a grant earmarks the grant for reportable contributions or reportable expenditures, knows the grant will be used to make reportable contributions or reportable expenditures, knows that a recipient will likely use a portion of the grant to make reportable contributions or reportable expenditures, or responds to a solicitation for reportable contributions or reportable expenditures, the grant shall be counted in total spending and the relevant portion of the grant as set forth in subsection (v) of this section shall count as a reportable contribution or reportable expenditure.

v. Notwithstanding subsections (iii) and (iv) the amount of a grant counted as a reportable contribution or reportable expenditure shall be limited to the lesser of the grant or the following:

1. The amount that the recipient organization spends on reportable contributions and reportable expenditures, plus

2. The amount that the recipient organization gives to third parties but not more than the amount that such third parties fund reportable contributions or reportable expenditures.

b. Notwithstanding section a, the commission may nonetheless determine that an entity is not a political committee if, taking into account all the facts and circumstances of grants made by an entity, it is not persuaded that the preponderance of the evidence establishes that the entity is a political committee as defined in title 16 of Arizona Revised Statutes.

   3. Unless specified by the contributor or contributors to the contrary, the treasurer shall record a contribution made by check, money order or other written instrument as a contribution by the person whose signature or name appears on the bottom of the instrument or who endorses the instrument before delivery to the candidate. If a contribution is made by more than one person in a single written instrument, the treasurer shall record the amount to be attributed to each contributor as specified.
4. All contributions other than in-kind contributions and qualifying contributions must be made by a check drawn on the account of the actual contributor or by a money order or a cashier’s check containing the name of the actual contributor or must be evidenced by a written receipt with a copy of the receipt given to the contributor and a copy maintained in the records of the candidate.

The inspection shall occur during the Commission’s regular business hours and shall be limited to a two-hour time period.

The Commission may enforce the public inspection request by issuing a subpoena pursuant to A.R.S. § 16-956(B) for the production of any books, papers, records, or other items sought in the public inspection request. CHAPTER 20. CITIZENS CLEAN ELECTIONS COMMISSION

ARTICLE 2. COMPLIANCE AND ENFORCEMENT PROCEDURES

R2-20-201. Scope
These rules provide procedures for processing possible violations of the Citizens Clean Elections Act.

R2-20-202. Initiation of Compliance Matters
Compliance matters may be initiated by a complaint or on the basis of information ascertained by the Commission in the normal course of carrying out its statutory responsibilities.

R2-20-203. Complaints
A. Any person who believes that a violation of any statute or rule over which the Commission has jurisdiction has occurred or is about to occur may file a complaint in writing to the Executive Director.

B. A complaint shall conform to the following:
   1. Provide the full name and address of the complainant; and
   2. Contents of the complaint shall be sworn to and signed in the presence of a notary public and shall be notarized.

C. All statements made in a complaint are subject to the statutes governing perjury. The complaint shall differentiate between statements based upon personal knowledge and statements based upon information and belief.

D. The complaint shall conform to the following provisions:
   1. Clearly identify as a respondent each person or entity who is alleged to have committed a violation;
   2. Statements which are not based upon personal knowledge shall be accompanied by an identification of the source of information which gives rise to the complainant’s belief in the truth of such statements;
   3. Contain a clear and concise recitation of the facts which describe a violation of a statute or rule over which the Commission has jurisdiction; and
   4. Be accompanied by any documentation supporting the facts alleged if such documentation is known of, or available to, the complainant.

R2-20-204. Initial Complaint Processing; Notification
A. Upon receipt of a complaint, the Administrative Counsel shall review the complaint for substantial compliance with the technical requirements of R2-20-203, and, if it complies with those requirements, shall within five days after receipt notify each respondent that the complaint has been filed, advise each respondent of Commission compliance procedures, and provide each respondent a copy of the complaint.

B. If a complaint does not comply with the requirements of R2-20-203, the Administrative Counsel shall so notify the complainant and any person or entity identified therein as respondent, within the five-day period specified in subsection (A), that no action should be taken on the basis of that complaint. A copy of the complaint shall be provided with the notification to each respondent.

R2-20-205. Opportunity for No Action on Complaint-generated Matters
A. A respondent shall be afforded an opportunity to demonstrate that no action should be taken on the basis of a complaint by submitting, within 5 days from receipt of a written copy of the complaint, a letter or memorandum setting forth reasons why the Commission should take no action.

B. The Commission shall not take any action, or make any finding, against a respondent other than action dismissing the complaint, unless it has considered such response or unless no such response has been served upon the Commission within the 5 day period specified in subsection A.

C. The respondent’s response shall be sworn to and signed in the presence of a notary public and shall be notarized. The respondent’s failure to respond in accordance with subsection A within 5 days of receiving the written copy of the complaint may be viewed as an admission to the allegations made in the complaint for purposes of the reason to believe finding pursuant to A.A.C. R2-20-206.

R2-20-206. Executive Director’s Recommendation on Complaint-generated Matters
A. Following either the expiration of the 5 day period specified by A.A.C. R2-20-205 or the receipt of a response as specified by A.A.C. R2-20-205(A), whichever occurs first, the Executive Director:
   1. May recommend to the Commission whether it should find reason to believe that a respondent has committed or is about to commit a violation of a statute or rule over which the Commission has jurisdiction;
   2. May recommend that the Commission find that there is no reason to believe that a violation of a statute or rule over which the Commission has jurisdiction has been committed or is about to be committed, or that the Commission otherwise dismiss a complaint without regard to the provisions of A.A.C. R2-20-205(A); or
   3. May close the complaint generated matter without a reason to believe recommendation from the Executive Director based upon Respondent complying with the statute or rule on which the complaint is founded and in such case shall notify the Commission.

R2-20-207. Executive Director’s Final Recommendation on Complaint-generated Matters
A. The Commission shall consider the recommendation of the Executive Director and shall act in accordance with such recommendation.

B. Neither the complainant nor the respondent has the right to appeal the Executive Director’s recommendation made pursuant to subsection (A) because the recommendation is not an appealable agency action.
C. If the complaint relates to a violation of A.R.S. § 16-941(B) by a non-participating candidate or that candidate’s campaign committee, the Executive Director shall not proceed pursuant to R2-20-206(A) or R2-20-207(A), without first receiving Commission approval to initiate an inquiry.

D. The respondent shall not have the right to appeal the Commission’s decision to authorize an inquiry pursuant to subsection (C) because the Commission’s decision whether or not to authorize an inquiry is not an appealable agency action.

B. If the Commission finds reason to believe that a violation of a statute or rule over which the Commission has jurisdiction has occurred or is about to occur, the Executive Director shall notify the respondent of the Commission’s decision and shall include a copy of a staff report setting forth the legal basis and the alleged facts which support the Commission’s action.

In accordance with A.R.S. § 16-957(A), the Commission shall serve on the respondent an order requiring compliance within 14 days. During that period, the respondent may provide any explanation to the Commission, comply with the order, or enter into a public administrative settlement with the Commission.

4. Repayments may be made only from the following sources: personal funds of the candidate, funds in the candidate’s current election campaign account, and any additional funds raised subject to the limitations and prohibitions of the Act.

5. The Commission may withhold the portion of funds required to be repaid from future payments to a participating candidate if the Commission has made a repayment determination.

B. The Commission may determine that a participating candidate who has received payments from the Fund must repay the Fund under any of the following circumstances:

1. Payments in excess of candidate’s entitlement. If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the Fund an amount equal to such portion.

2. Use of funds not for direct campaign expenses. If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than direct campaign purposes described in R2-20-702, it will notify the candidate of the amount so used, and such candidate shall pay to the Fund an amount equal to such amount.

3. Expenditures that were not documented in accordance with campaign finance reporting requirements, expended in violation of state or federal law, or used to defray expenses resulting from a violation of state or federal law, such as the payment of fines or penalties.

4. Surplus. If the Commission determines that a portion of payments from the Fund remains unspent after all direct campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the Fund that portion of surplus funds.

5. Income on investment or other use of payments from the Fund. If the Commission determines that a candidate received any income as a result of an investment or other use of payments from the Fund, it shall so notify the candidate, and such candidate shall pay to the Fund an amount equal to the amount determined to be income, less any federal, state or local taxes on such income.

6. Unlawful acceptance of contributions by an eligible candidate. If the Commission determines that a participating candidate accepted contributions, other than early contributions or qualifying contributions, it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the Fund an amount equal to such amount, plus any civil penalties assessed.

C. Repayment determination procedures. The Commission’s repayment determination will be made in accordance with the following procedures:

1. Repayment determination. The Commission will send a repayment determination pursuant to Article 2, Compliance and Enforcement Procedures, and will set forth the legal and factual reasons for such determination, as well as the evidence upon which any such determination is based. The candidate shall repay, in accordance with subsection (D), the amount that the Commission has determined to be repayable.

2. Administrative review of repayment determination. If a candidate disputes the Commission’s repayment determination, he or she may request an administrative appeal of the determination in accordance with A.R.S. § 41-1092 et. seq.

D. Repayment period.

1. Within 30 days of service of the notice of the Commission’s repayment determination, the candidate shall repay the amounts the Commission has determined must be repaid. Upon application by the candidate, the Commission may grant an extension of time in which to make repayment.

2. If the candidate requests an administrative appeal of the Commission’s repayment determination of this Section, the time for repayment will be suspended until the Com-
mission has concluded its review of the Administrative Law Judge’s (ALJ) decision. Within 30 days after service of the notice of the Commission’s review of the ALJ’s decision, the candidate shall repay the amounts that the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 30 days in which to make repayment.

3. Interest shall be assessed on all repayments made after the initial 30-day repayment period or the 30-day repayment period established by this Section. The amount of interest due shall be the greater of:
