Board of Funeral Directors and Embalmers

1. To advertise for or solicit business through the use of deceptive, misleading or inaccurate statements or other information.
 2. To display or represent funeral merchandise or services in a deceptive or misleading manner. Failure to display to or show funeral services consumers inexpensive caskets and containers regularly offered for sale and stocked by the funeral establishment is deemed to be a misleading display practice. Display of inexpensive caskets or containers, or photos or facsimiles thereof, under less favorable conditions or circumstances, including poor lighting, merchandise damage or defacement or conditions inhibiting the consumer's free choice of merchandise is also deemed to be a misleading display practice.

 5. To make any false, misleading or unsubstantiated statements or claims, or in any manner imply that natural decomposition or decay of human remains can be prevented by embalming, or certain caskets, vaults or other burial containers, or to otherwise make any false, misleading or unsubstantiated statements or claims of watertightness or airtightness of caskets, vaults or other burial containers.
 6. To reuse a casket or container previously purchased by or delivered to another decedent's family and intended for or used in connection with the burial, cremation or other final disposition of the previous decedent. This provision does not apply to the rental of caskets, containers, casket shells or other devices used in connection with the funeral services if the funeral services consumer is informed of the rental arrangement.
 7. To bill or otherwise charge a purchaser for merchandise or services not actually provided by or arranged through the funeral establishment.
 8. To represent that the price charged for a cash advance item is the same as the cost to the funeral establishment for the item when such is not the case, or to fail to disclose to purchasers that the price being charged for a cash advance item is not the same as the cost to the funeral establishment for the item when such is the case.
 9. To make disparaging statements concerning the quality, utility, suitability or durability of inexpensive caskets or containers without basis in fact.
 10. To make false or misleading statements concerning or otherwise engage in deceptive, misleading or fraudulent practices in connection with the advertising, solicitation or sale of prearranged funeral plans.

 13. To disrupt the funeral arrangement process or funeral service, intimidate, harass or coerce a family member, with the intent to prevent such family member from exercising existing contractual or legal rights.

 4. Represent that federal, state or local laws, or particular cemeteries or crematories require the purchase of any funeral goods or funeral services when such is not the case.

If certain charges required to be itemized on the statement are not known or reasonably ascertainable at the time the contract is signed, a good faith estimate of the charges shall be given on the statement and the establishment shall provide a written description of the actual charges to the purchaser within fifteen (15) days after the information becomes available to the establishment.

WHEREAS the above named principal has applied for an endorsement to its funeral establishment license in the State of Arizona to sell prearranged funeral agreements in conformance with Title 32, Chapter 12, Article 5, Arizona Revised Statutes, and is required by the provisions of such statutes to furnish a

bond in the sum above-named, conditioned as herein set forth.

Now, therefore, if the principal shall during the term of this bond strictly, honestly and faithfully comply with the provisions of Title 32, Chapter 12, Article 5, Arizona Revised Statutes during the term of this bond and shall pay all damages, attorneys fees and other expenses suffered by any person by reason of the violation of any of the provisions of such statutes which concern (1) providing contract information and consumer disclosures, (2) receiving and placing purchaser funds in appropriate trust accounts, (3) maintaining the security and integrity of the trust funds until lawfully disbursed, (4) misrepresentation or deceptive conduct in the advertising, solicitation or sale of prearranged funeral agreements, and (5) criminal misconduct by employees or agents of the funeral establishment concerning the prearranged funeral agreements or trust funds, then this obligation shall be void.

The State of Arizona may proceed against the Bond for the benefit of any person injured by a violation of Title 32, Chapter 12, Article 5, or the person so injured may directly proceed against the Bond in case of default by the principal.

This bond shall become effective on the _____ day of _____, 19 __, and shall remain in force until cancelled by the surety. The surety may cancel this bond and be relieved of further liability hereunder by giving thirty days written notice to the principal and to the Board of Funeral

Directors and Embalmers of the State of Arizona. The liability of the surety for the aggregate of any and all claims which may arise hereunder shall in no event exceed the amount of the penal sum of this bond.

Loss is covered under this bond only if a claim is made hereunder not later than two years after the cancellation or termination of the bond. If the coverage of this bond is substituted for any prior bond provided by the principal, which prior bond is terminated or cancelled as of the time of such substitution, the surety agrees that this bond applies to loss which is discovered and which would have been recoverable under such prior bond except for the fact that the time within which to discover loss thereunder had expired, provided:

(1) Such loss would have been covered under this bond had this bond with its agreements, limitations and conditions as of the time of such substitution been in force when the acts or defaults causing such loss were committed; and

(2) Recovery under this bond on account of such loss shall in no event exceed that amount which would have been recoverable under this bond in the amount for which it is written as of the time of such substitution, had this bond been in force when such acts or defaults were committed, or the amount which would have been recoverable under such prior bond or policy had such prior bond or policy continued in force until the discovery of such loss, if the latter amount be smaller.
