The release of this Chapter in Supp. 21-3 replaces Supp. 20-2, 1-27 pages
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.
Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the Administrative Code. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES
The definition for a rule is provided for under A.R.S. § 41-1001. “‘Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE
The Arizona Administrative Code is where the official rules of the state of Arizona are published. The Code is the official codification of rules that govern state agencies, boards, and commissions.

The Code is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the Code. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2021 is cited as Supp. 21-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

AUTHENTICATION OF PDF CODE CHAPTERS
The Office began to authenticate Chapters of the Code in Supp. 18-1 to comply with A.R.S. § 41-1012(B) and A.R.S. § 5302(1), (2)(d) through (e), and (3)(d) through (e).

A certification verifies the authenticity of each Code Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the Code includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE
Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the Arizona Administrative Register for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES
The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES
Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA
It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the Register online at www.azsos.gov/rules, click on the Administrative Register link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR
At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing Chapters using these paper colors.

PERSONAL USE/COMMERCIAL USE
This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 4. PROFESSIONS AND OCCUPATIONS
CHAPTER 26. BOARD OF PSYCHOLOGIST EXAMINERS

Authority: A.R.S. § 32-2063(A)(9) and (12)

Supp. 21-3

Editor’s Note: This Chapter contains amendments that were filed with the Secretary of State on March 3, 1995. At the time of filing, the original copy of the rulemaking package differed from the copy of the package filed at the same time. The Secretary of State uses the copy to prepare the Code supplement. The agency notified the Secretary of State that the wrong version was used. That led to the Secretary of State’s discovery of the two versions filed in March 1995. The Secretary of State then used the original package to publish a corrected edition with Supp. 95-2. The Secretary of State has since been advised by the Attorney General that the original version as published with Supp. 95-1 was correct with the exception of one phrase in R4-26-207 that was inadvertently omitted. With this publication, this Chapter reflects the correct amendments, and the omitted phrase in R4-26-207 has now been added.

R4-26-210. Supervised Professional Experience

A. The Board shall use the following criteria to determine whether an applicant’s supervised preinternship professional experience complies with A.R.S. § 32-2071 (E):
   1. The supervised preinternship professional experience was part of the applicant’s doctoral program from an institution of higher education that meets the standards in A.R.S. § 32-2071(A);
   2. The applicant completed appropriate academic preparation before beginning the supervised preinternship professional experience. The Board shall not include any assessment or treatment conducted as part of the required academic preparation in the hours of supervised preinternship professional experience; and
   3. For each supervised preinternship professional experience training site, the applicant has a written training plan with both the training site and the institution of higher education at which the applicant is pursuing a doctoral degree that includes at least the following:
      a. Training activities included and the amount of time allotted to each activity,
      b. Goals and objectives of each training activity,
      c. Methods of evaluating the supervisee and the supervised preinternship professional experiences provided,
      d. Approval of all individuals providing supervision at sites external to the training site,
      e. Total number of hours to be accrued during the supervised preinternship professional experience,
      f. Total number of hours of face-to-face contact hours with clients or patients during the supervised preinternship professional experience,

      b. Correlates to the internship or training program the applicant completed;
   2. A supervisor was directly available to the applicant when decisions were made regarding emergency psychological services provided to a client or patient as required under A.R.S. § 32-2071 (F)(2);
   3. Course work used to satisfy the requirements of A.R.S. § 32-2071(F)(6); or dissertation time is not credited toward the face-to-face, individual supervision time required by A.R.S. § 32-2071(F)(6);
   4. The two hours a week of other learning activities required under A.R.S. § 32-2071(F)(6) include one or more of the following:
