

Introduction

The Secretary of State's Office is required to publish a semi-annual index under the Arizona Administrative Procedure Act. A.R.S. § 41-1013(A) states, "The secretary of state shall publish the register at least once each month, including the information which is provided under subsection B of this section and which is filed with the secretary of state during the preceding thirty days. The secretary of state shall publish an index to the register at least twice each year." The Semi-Annual Index is published in two parts. This index contains the Governor's executive orders and proclamations; the Governor's appointments of state officials and members of boards and commissions; and Attorney General opinions filed in the Secretary of State's Office from January through June 2001. The Semi-Annual Index to rulemaking activity is published separately.
