 Barclay Dick, Director

Executive Order 2004-22 established the Aviation (“ACA” or the “Council”) to develop strategies for improving the efficiency of Arizona’s aviation system, enhance land use and aviation planning, and improve the working relationship and communication between state and local aviation entities and relevant federal agencies. The members of the Council shall be appointed by the Governor and will serve at the pleasure of the Governor for up to four years. The Council membership will include a chairperson to be named by the Governor. The Council will include the Director of the Arizona Department of Transportation or designee and at least 10 at-large members with expertise or experience in aviation. At-large members shall not advocate for or represent any special or corporate interest when performing their duties on the Council. The Advisory Council, during the course of its deliberations, should take testimony from all aviation interests including corporations, aviation businesses, the military, and the general public. The Governor may appoint representatives from other state, regional, or federal agencies, such as the Federal Aviation Administration and the U.S. Department of Defense, to serve as ex-officio members of the Advisory Council. The Arizona Department of Transportation shall serve as staff to the Council. The Council, in consultation with state, regional, and local transportation entities, shall establish mechanisms or procedures for improving the communication, dialogue, and working relations with federal agencies that have jurisdiction over aviation issues in Arizona. The Advisory Council shall work with the State Transportation Board and other appropriate aviation officials to establish a process for defining future aviation needs and a strategy for addressing these needs. The Advisory Council shall study and issue “consensus” findings and recommendations that specifically address the following issues: airspace utilization and airport capacity, land use compatibility, federal funding for aviation in Arizona, criteria for evaluating aviation facility and system needs, future aviation needs assessments and funding strategies. The Council shall issue a preliminary report 12 months from the Council’s first session and a final report 24 months from the Council’s first session. The report shall be distributed to the Governor, the president of the Arizona State Senate, and the speaker of the Arizona House of Representatives.

Nolan Thompson, Chairman

The administration of the Corrections Officer Retirement Plan and the responsibility for making the provisions of the plan effective for each employer are vested in a local board. The Department of Corrections, the Department of Juvenile Corrections, and each participating county shall have a local board. For state departments, the local boards consist of: two members elected by secret ballot by members employed by that department in a designated position; two citizens appointed by the Governor; one member who is knowledgeable in personnel actions appointed by each of the Directors of the Departments of Corrections and Juvenile Corrections for their respective boards. Each state department local board shall elect a chairperson. For each participating county, the local boards consist of: the chairperson of the Board of Supervisors, or a designee who is approved by the Board of Supervisors, who serves as chairperson; two members elected by secret ballot by members employed by the participating county in a designated position; and two citizens appointed by the chairperson of, and with the approval of, the Board of Supervisors, including one citizen who is the head of

the merit system if it exists for the members. For political subdivisions, the mayor or chief elected official or a designee approved by the respective governing body as chairman, two members elected by secret ballot by members employed by the appropriate employer, and two citizens, one of whom is the head of the merit system if it exists for the group of members, appointed by the mayor or chief elected official and with the approval of the city council or governing body of the employer. Local boards: decide all questions of eligibility and service credits and determine the amount, manner, and time of payment of any benefit under the plan; determine the right of a claimant to a benefit and afford a claimant or the fund manager or both the right to a rehearing on the original determination; request and receive from the employers and from members information necessary for the proper administration of the plan and action on claims for benefits and forward the information to the fund manager; distribute in an appropriate manner information explaining the plan which the fund manager receives; furnish the employer, the fund manager, and the Legislature on request annual reports with respect to the administration of the plan; appoint a medical board composed of a designated physician or clinic other than the employer's regular employee or contractor; and sue and be sued to effectuate the duties and responsibilities set forth. The Governor's Equity in State Contracting Executive Oversight Review Team considers procurement and purchasing recommendations designed to improve opportunities and participation in state contracting by small, women- and minority-owned businesses. The Team meets quarterly and is composed of the following eight executive office members, each of whom is appointed by the Governor, and serve, without compensation, at the pleasure of the Governor: the Deputy General Counsel of the Governor's Office, the Director of the Governor's Equal Opportunity Office, the Director of the Governor's Accounting Office, one representative from the Attorney General's Office, one representative from the State Procurement Office and three representatives from state agencies with significant knowledge and expertise on state procurement contracts. The Team is chaired by the Governor, or in his/her absence, by the Governor's Chief of Staff or Deputy General Counsel, who shall also serve as the Executive Director. The Governor, the Chief of Staff or the Deputy General Counsel has the power to convene the Executive Oversight Team. The Team assesses the viability of recommendations from the Community Consultants Group and where appropriate, authorizes the implementation of their recommendations, produces an overall plan for enhanced small, women- and minority-owned business contracting opportunities with the state of Arizona, approves recommendations within state agencies to implement their plan, monitors, reviews, and evaluates recommendations of intra- and inter-agency focus groups and of the Community Consultant Group and identifies and addresses any relevant impediments that small, women- and minority-owned businesses face in accessing procurement and purchasing opportunities with the state of Arizona. Executive Order 2004-6.

Phoenix, AZ 85007  
(602) 542-0997  
Donald Butler, Director

The Citrus, Fruit, and Vegetable Advisory Council consists of eight members appointed by the Governor for three-year terms. A.R.S. § 3-527.01. The Council advises the supervisor of inspection and makes recommendations concerning inspection services, procedures and training, statutes and rules, budget and fees, and enforcement actions relating to citrus, fruit, and vegetable standardization. 2005 Senate Bill 1070 modifies the Citrus, Fruit and Vegetable Council membership and qualifications and adjusts industry licensing requirements. Revises prerequisites for Council membership by allowing either an apple, grape or tree fruit producer to fill the Council position previously reserved for only apple producers. Removes the grape producer member of the council, making the total number of Council members seven. Specifies that the office of a member is deemed vacant if the member has been absent from four consecutive council meetings without being excused by the Council and that the Governor should appoint a person to fill the remainder of the term if this situation should occur. Removes the language that prohibits the Governor from appointing a replacement member if the member is an apple, grape or iceberg lettuce producer and represents commodity that is exempt from standardization, and finance.

 Phoenix, AZ 85007  
 (602) 771-1104  
 Debra Raeder, Director

Created by Executive Order 2005-19, the P-20 Council explores ways Arizona can achieve a more effective, efficient and equitable education pipeline through some or all of the following strategies: aligning high school, college, and work expectations to meet industry-specific skill sets in high-growth, high-skill occupations that will bring economic prosperity and diversity to Arizona. Helping students at all levels meet higher standards and prepare for formal education and workforce training beyond high school. Giving all students the excellent teachers and leaders that they need, particularly in the areas of math, science and literacy. Strengthening high school and postsecondary accountability systems to better prepare students for college and increase enrollment and completion rates. Improving middle school and elementary school standards to ensure high school preparedness for math and science. Ensuring clear pathways for all students to obtain college degree, regardless of point of entry. Assessing the need to expand four-year degree programs at postsecondary institutions.

**BOARD OF EXAMINERS NURSING CARE INSTITUTION ADMINISTRATORS AND ASSISTED LIVING FACILITY MANAGERS**

1400 W. Washington St., Suite B-8  
 Phoenix, AZ  
 (602) 542-8156  
 Allen Imig, Executive Director

In the 2005 Legislative Session Senate Bill 1358 continues the Board of Examiners of Nursing Care Institution Administrators and Assisted Living Facility Managers for one year, modifies the membership of the Board and allows the Board to take action against regulated persons after their license has expired. Continues the Board for one year until July 1, 2006. Shortens the terms of Board members from three-year terms to two-year terms. Eleven members are appointed by the Governor to serve on the board including two new members, a manager of an assisted living center and a manager of an assisted living home. Removes one lay member representing consumers of nursing care institution services and one lay member representing consumers of assisted living facilities from the Board and replaces them with two public members. Prohibits managers of the assisted living centers and managers of assisted living homes from being affiliated with a nursing care institution. Eliminates the option of appointing an administrator at large to the Board and instead requires that only a manager at large who is not affiliated with a nursing care institution be appointed. Requires that the member of the Board that is an administrator of a nonprofit skilled nursing facility be an administrator of a faith-based nonprofit skilled nursing facility. Prohibits members of the board from serving on any other board relating to long-term care during the member's term with the Board. Stipulates that a Board member's term automatically ends when that member no longer meets the qualifications for appointment to the Board. Requires the Board to notify the Governor of the Board vacancy. Requires the Board to provide the Senate and House Health Committee Chairpersons copies of Board minutes and executive decisions. Subjects the Board and its licensees to the same requirements that apply to other health professional boards and licensees including allowing the Board to take action against a licensee after a license has expired.
