**WHEREAS**, Arizona's community colleges play a critical role in meeting workforce demand by providing a pathway for students to complete certificates and associate's degrees; and

**WHEREAS**, Arizona's community colleges serve as an entry point for many students seeking bachelor's, master's and doctorate degrees; and

**WHEREAS**, Arizona's community colleges serve diverse student populations, including those student groups traditionally underrepresented in higher education institutions and adult re-entry students; and

**WHEREAS**, Arizona's locally-governed community colleges seek opportunities to collaborate and cooperate with one another, other education institutions, and Arizona's business community; and
