NOTICES OF EXEMPT RULEMAKING

The Administrative Procedure Act requires the Register publication of the rules adopted by the state’s agencies under an exemption from all or part of the Administrative Procedure Act. Some of these rules are exempted by A.R.S. §§ 41-1005 or 41-1057; other rules are exempted by other statutes; rules of the Corporation Commission are exempt from Attorney General review pursuant to a court decision as determined by the Corporation Commission.

NOTICE OF PROPOSED EXEMPT RULEMAKING

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM ADMINISTRATION

Editor’s Note: The following Notice of Exempt Rulemaking was reviewed per Laws 2010, Ch. 287, § 18. (See the text of § 18 on page 782.) The Governor’s Office authorized the notice to proceed through the rulemaking process on April 4, 2011.

PREAMBLE

1. Sections Affected

   R9-22-206

   Rulemaking Action:

   Amend

2. The statutory authority for the rulemaking, including both the authorizing statute (general) and the statutes the rules are implementing (specific):

   Authorizing statute: A.R.S. §§ 36-2903, 36-2907

   Implementing statute: A.R.S. § 36-2907 as amended by the 50th Arizona State Legislature, 1st Regular Session, Laws 2011, Ch. 31, §§ 34 and 38 (Senate Bill 1619) as signed into law by the Governor on April 6, 2011

3. The proposed effective date of the rules:

   April 1, 2011

4. A list of all previous notices appearing in the Register addressing the proposed exempt rule:

   Notice of Proposed Exempt Rulemaking: 17 A.A.R. 699, April 29, 2011

   Notice of Exempt Rulemaking: 16 A.A.R. 1638, August 27, 2010

   Notice of Exempt Rulemaking: 16 A.A.R. 1386, July 30, 2010

   This proposed revision makes no substantive revisions to the amendments reflected in the Notice of Proposed Exempt Rulemaking published to the AHCCCS web site on April 7, 2011. The Notice posted on that date incorrectly reflects amendments to a prior version of A.A.C. R9-22-206 which was no longer in effect. That rule was amended effective July 15, 2010 and again with changes effective October 1, 2010. The April 7, 2011 NOPER incorrectly shows amendments to the July 15, 2010 version of the rule rather than the October 1, 2010 version. This Notice reflects the amendment that is currently proposed as changes to the October 1, 2010 version of the rule. This Notice does not change the substance of the April 7, 2011 Notice which was to restore coverage for certain transplants pursuant to SB 1619.

5. The name and address of agency personnel with whom persons may communicate regarding the rulemaking:

   Written comments concerning this proposed rule may be submitted to the AHCCCS Administration or submitted electronically via the AHCCCS web site www.azahcccs.gov. Submitting comments via the web site is recommended. All comments must be received no later than 5:00 p.m. May 6, 2011.

6. **An explanation of the rule, including the agency’s reasons for initiating the rule, including the statutory citation to the exemption from regular rulemaking procedures:**

   The AHCCCS Administration is initiating this proposed exempt rulemaking to reinstate coverage for certain transplant services that were covered prior to an amendment to Arizona Revised Statutes § 36-2907(B)(2)(f) that excluded certain transplant services. Arizona Laws 2010, 7th Special Session, Ch. 10 (“the 2010 Act”). Specifically, the Administration is proposing to amend R9-22-206, Organ and Tissue Transplant Services, to explicitly include coverage for lung transplants, allogeneic unrelated Hematopoietic Cell transplants, heart transplants for the treatment of non-ischemic cardiomyopathy, transplants of a pancreas following a kidney transplant, and liver transplants for persons with hepatitis C. With this rulemaking, AHCCCS will continue to exclude coverage of pancreas transplants other than when performed simultaneously with or following a kidney transplant. This exclusion from coverage includes, and will continue to include, the exclusion of islet cell transplants and partial pancreas transplants. The 50th Arizona State Legislature, 1st Regular Session, Laws 2011, Ch. 31, § 38(B) (Senate Bill 1619) as signed into law by the Governor on April 6, 2011 (“the 2011 Act”) calls for coverage of services eliminated by the 2010 Act. While the 2010 Act states that pancreas only transplants and pancreas after kidney transplants are excluded, partial pancreas and islet cell transplants have been excluded prior to the 2010 Act as a matter of long-standing agency policy. The AHCCCS Administration has the authority under Arizona Revised Statute § 36-2907(D) to limit the scope of services by rule. The AHCCCS Administration relies on this authority rather than the 2010 Act to continue to exclude partial pancreas and islet cell transplants.

7. **A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:**

   None

8. **A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this state:**

   Not applicable

9. **The summary of the economic, small business, and consumer impact:**

   The AHCCCS Administration had previously estimated that the transplant services that were excluded by the 2010 Act would affect one to 10 eligible persons per year at an approximate cost of $100,000.00 per transplant. Reinstatement of the transplant services is estimated to have a corresponding effect.

10. **A description of the changes between the proposed rules, including supplemental notices, and final rules (if applicable):**

    Not applicable

11. **A summary of the comments made regarding the rule and the agency response to them:**

    None have been received yet.

12. **Any other matters prescribed by statute that are applicable to the specific agency or to any specific rule or class of rules:**

    Not applicable

13. **Incorporations by reference and their location in the rules:**

    None

14. **Was this rule previously made as an emergency rule? If so, please indicate the Register citation:**

    No

15. **The full text of the rules follows:**

NOTICE OF EXEMPT RULEMAKING

TITLE 9. HEALTH SERVICES

CHAPTER 17. DEPARTMENT OF HEALTH SERVICES
MEDICAL MARIJUANA PROGRAM

Editor’s note: When Prop 203 was passed by the voters in November 2010 the Department of Health Services (Department) was given an exemption to the rulemaking process under Sec. 6. “For the purposes of this act, the Department is exempt from the rule making [sic] requirements of Title 41, Chapter 6, Arizona Revised Statutes, for one year after the effective date of this act except that the Department shall provide the public with an opportunity to comment on proposed rules and shall publish otherwise exempted rules.”

The Department posted a proposed exempt rulemaking for review on its web site, conducted statewide public meetings and also posted public comments received at www.azdhs.gov/prop203. Since the Department chose not to file and publish its proposed exempt rulemaking in the Arizona Administrative Register (see item 4 in the Preamble of this rulemaking below), our office does not have, nor are we maintaining the public records of the draft rulemaking. For questions regarding the public record of this rulemaking contact the person listed in item 5 below.

At the request of the Department, a manifest typographical error in R9-17-304(D)(1)(f)(i) has been corrected, Office File No. M11-157, filed April 27, 2011.

The following Notice of Exempt Rulemaking was exempt from Laws 2010, Ch. 287, § 18. (See the text of § 18 on page 782.) [R11-38]

6. **An explanation of the rule, including the agency’s reasons for the rule, including the statutory citation to the exemption from regular rulemaking procedures:**

The purpose of this rulemaking is to implement I-04-2010, the Arizona Medical Marijuana Act (Act), passed by the Arizona voters on November 2, 2010. The Act allows a “qualifying patient” who has a “debilitating medical condition” to obtain an “allowable amount of marijuana” from a “nonprofit medical marijuana dispensary” and to possess and use the marijuana to treat or alleviate the debilitating medical condition or symptoms associated with the medical condition. The Act also requires the Arizona Department of Health Services (Department) to adopt and enforce a regulatory system for the distribution of marijuana for medical use, including a system for approving, renewing, and revoking the registration of qualifying patients, designated caregivers, nonprofit dispensaries, and dispensary agents. The costs of the regulatory system are to be paid from application and renewal fees collected, civil penalties imposed, and private donations received pursuant to the Act. The Department was given an exemption from the rulemaking requirements in A.R.S. Title 41, Chapter 6, for one year after the effective date of the Act and is required to provide the public with an opportunity to comment on draft rules.

The Department provided an opportunity for electronic comment on a draft posted on the Department’s web site on December 17, 2010. From December 17, 2010 to January 7, 2011, more than 1,700 electronic comments were received. The Department reviewed the comments, made changes to the draft, and posted the amended draft on January 31, 2011, soliciting additional comments. From January 31, 2011 to February 18, 2011, more than 1,450 comments were submitted electronically. Approximately 150 people gave oral comments to Department staff members at four public comment sessions held in Flagstaff, Tempe, and Tucson the week of February 14, 2011. In addition to the electronic comments and the comments at the four public comment sessions, the Department received numerous written comments. The Department reviewed all comments received. The Department has had a web site available to the public that contains information about the Medical Marijuana Program including dates for rulemaking activities, draft rules, links for submitting comments, and answers to frequently asked questions.

The rules for the Medical Marijuana Program are contained in three Articles in 9 A.A.C. 17. Article 1 includes general information pertaining to definitions, fees, making changes to or requesting replacement of a registry identification card, adding a debilitating medical condition, time-frames, and expiration of and voiding of registry identification cards.

Article 2 contains requirements associated with qualifying patients and designated caregivers. R9-17-201-203 lists the debilitating medical conditions that make an individual qualified to obtain and possess medical marijuana. R9-17-204 through R9-17-205 establish the requirements for applying for, amending, renewing, denying, and revoking a qualifying patient’s and, if applicable, the qualifying patient’s designated caregiver’s registry identification card. The Act requires a qualifying patient to submit the name and application information about the individual the qualifying patient is designating as a caregiver with the qualifying patient’s application for a registry identification card. A designated caregiver is issued a registry identification card for each qualifying patient who submitted the required information for the designated caregiver. If a qualifying patient no longer has a valid registry identification card, the designated caregiver’s registry identification card associated with that qualifying patient is no longer valid.

Article 3 contains the requirements associated with dispensaries and dispensary agents. R9-17-301 through R9-17-304 establish the criteria and the process for the allocation of dispensary registration certificates. Requirements for applying for a dispensary registration certificate, an approval to operate a dispensary, changing a dispensary’s location, changing or adding a dispensary’s cultivation site, and renewing a dispensary registration certificate are in R9-17-304 through R9-17-308. Although the Department requires an applicant to submit a sworn statement that the proposed dispensary location complies with local zoning restrictions and obtain documentation from the local jurisdiction verifying compliance with zoning restrictions, the Department does not require an applicant to obtain a special use permit or conditional use permit issued by the local jurisdiction to submit with an application for a dispensary registration certificate. Inspection requirements are in R9-17-309. Requirements for dispensary administration including requirements for hours of operation, policies and procedures, dispensary agents and individuals present in a dispensary, Department notifications, posting information, and operating on a not-for-profit basis are in R9-17-310. Requirements for applying for and renewing a dispensary agent’s registry identification card are in R9-17-311 and R9-17-312. The Act requires a dispensary to submit the name and application information about each individual the dispensary is employing, contracting with, or receiving volunteer services from, when applying for the individual’s dispensary agent registry identification card. A dispensary agent is issued a registry identification card associated with the dispensary. If a dispensary no longer has a valid dispensary registration certificate, the dispensary agent’s registry identification card associated with that dispensary is no longer valid.

Article 3 includes additional requirements and information. Medical director requirements are contained in R9-17-313. Operational standards for a dispensary including requirements for dispensing medical marijuana, qualifying patient records, an inventory control system, product labeling and analysis, security, edible food products, cleaning and sanitation, and physical plant are contained in R9-17-314 through R9-17-321. Information related to the denial or
revocation of a dispensary registration certificate is in R9-17-322 and information related to the denial or revocation of a dispensary agent’s registry identification card is in R9-17-323.

7. 6. An explanation of the rule, including the agency’s reasons for initiating the rule:

After publishing the First Notice of Exempt Rulemaking in the Arizona Administrative Register, ADWR determined that several amendments needed to be made to the Sections adopted, repealed and amended through that Notice to clarify: (1) that the FY 2010-2011 Fee Rules are effective only from June 15, 2010 through June 30, 2011; and (2) that beginning July 1, 2011, the FY 2010-2011 Fee Rules will be repealed automatically and the Existing Fee Rules will become effective again. ADWR made those amendments through a Notice of Exempt Rulemaking published in the Arizona Administrative Register on October 1, 2010 (“Second Notice of Exempt Rulemaking”). See 16 A.A.R. 1950, October 1, 2010.

After the Second Notice of Exempt Rulemaking was published in the Arizona Administrative Register, ADWR received permission from the governor’s office to adopt rules to permanently increase its fees through a formal rulemaking proceeding under A.R.S. Title 41, Chapter 6 (“permanent fee rules”). ADWR initiated that rulemaking proceeding by publishing a Notice of Rulemaking Docket Opening and a Notice of Proposed Rulemaking in the Arizona Administrative Register on December 31, 2010. See 16 A.A.R. 2486 and 2519. ADWR held an oral proceeding on the proposed permanent fee rules on January 31, 2011 and filed a Notice of Final Rulemaking with the Governor’s Regulatory Review Council (“G.R.R.C.”) on February 1, 2011. The permanent fee rules were approved by G.R.R.C. at its meeting on April 5, 2011, and the rules will become effective on June 4, 2011. Although the fee increases established by the permanent fee rules are similar to the fee increases in the FY 2010-2011 Fee Rules, there are a number of differences. Among other things, the initial and maximum fees for many of the applications subject to hourly fees are lower in the permanent fee rules than in the FY 2010-2011 Fee Rules and the fixed fees for well assignments, late registration of wells and surface water assignments are lower in the permanent fee rules than in the FY 2010-2011 Fee Rules.

Because the FY 2010-2011 Fee Rules are currently effective through June 30, 2011, the FY 2010-2011 Fee Rules and the permanent fee rules will both be in effect during the period from June 4, 2011 through June 30, 2011 unless ADWR takes action to repeal the FY 2010-2011 Fee Rules effective June 4, 2011. The purpose of this rulemaking is to take that action. Through this Notice of Exempt Rulemaking, ADWR is amending the FY 2010-2011 Fee Rules to provide that they will repeal automatically on June 4, 2011 – the day that the permanent fee rules will become effective. No other changes are being made to the FY 2010-2011 Fee Rules.

None
8. A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this state:
   Not applicable

9. The summary of the economic, small business, and consumer impact:
   Not applicable

10. A description of the changes between the proposed rules, including supplemental notices, and the final rules, (if applicable):
    Not applicable

11. A summary of the comments made regarding the rule and the agency response to them:
    Not applicable

12. Any other matters prescribed by statute that are applicable to the specific agency or to any specific rule or class of rules:
    None

    None

    No

R12-15-103. Applications Subject to Hourly Fee; Amount of Fee; Initial Fee; Billing and Payment; Request for Reconsideration of Fee; Past Due Fee; Automatic Repeal

A. Beginning June 15, 2010 through June 30, 2011, the Department shall calculate the fee for an application listed in subsection (B) of this Section by multiplying the number of review hours for the application by an hourly rate of $118, adjusted annually as provided in this subsection, not to exceed the maximum fee for the application specified in subsection (B) of this Section, plus any applicable review-related costs and the actual cost of mailing or publishing any legal notice of the application or notice of a pre-decision administrative hearing on the application. The Department shall adjust the hourly rate every July 1, to the nearest 10 cents per hour by multiplying $118 by the Consumer Price Index for the most recent year, and then dividing by the Consumer Price Index for the year 2009. The Consumer Price Index for any year is the average of the Consumer Price Index for all-urban consumers published by the U.S. Department of Labor for the 12-month period ending on December 31 of that year. The Department shall post the change to the hourly rate on its web site.
