The Homeland Security Senior Advisory Committee examines how to integrate preparedness activities across disciplines, agencies, and levels of government, including state, territorial, local, and tribal units of government. A cohesive planning framework should be incorporated that builds and implements homeland security initiatives which leverage DHS resources, as well as other federal, state, territory, local, and tribal resources. Specific attention should be paid to how all available preparedness funding sources can be effectively utilized in a collaborative manner to support the enhancement of overall capabilities. The membership of the Senior Advisory Committee must, at a minimum, include the following State officials directly responsible for the administration of FEMA Grant Programs Directorate (GPD) grants and Centers for Disease Control and Prevention (CDC) and Assistant Secretary for Preparedness and Response (ASPR) cooperative agreements: the State Administrative Agency (SAA), ASPR Hospital Preparedness Program Coordinator, and CDC Public Health Emergency Preparedness Program Director. In addition, program representatives from the following entities should be members of the committee: State Homeland Security Advisor (if this role is not also the SAA), State Emergency Management Agency Director, State Public Health Officer, State Public Safety Officer (and SAA for Justice Assistance Grants, if different), State Court Official, State EMS Director, State Trauma System Manager, Statewide Interoperability Coordinator, State Citizen Corps POC, Urban Area POC, United States Coast Guard Area Command or Captain of the Port, Senior Members of the Regional Transit Security Working Group, Senior Security Officials from Major Transportation.

 Allen Imig, Executive Director

In the 2005 Legislative Session Senate Bill 1358 continues the Board of Examiners of Nursing Care Institution Administrators and Assisted Living Facility Managers for one year, modifies the membership of the Board and allows the Board to take action against regulated persons after their license has expired. Continues the Board for one year until July 1, 2006. Shortens the terms of Board members from three-year terms to two-year terms. Eleven members are appointed by the Governor to serve on the board including two new members, a manager of an assisted living center and a manager of an assisted living home. Removes one lay member representing consumers of nursing care institution services and one lay member representing consumers of assisted living facilities from the Board and replaces them with two public members. Prohibits managers of the assisted living centers and managers of assisted living homes from being affiliated with a nursing care institution. Eliminates the option of appointing an administrator at large to the Board and instead requires that only a manager at large who is not affiliated with a nursing care institution be appointed. Requires that the member of the Board that is an administrator of a nonprofit skilled nursing facility be an administrator of a faith-based nonprofit skilled nursing facility. Prohibits members of the board from serving on any other board relating to long-term care during the member's term with the Board. Stipulates that a Board member's term automatically ends when that member no longer meets the qualifications for appointment to the Board. Requires the Board to notify the Governor of the Board vacancy. Requires the Board to provide the Senate and House Health Committee Chairpersons copies of Board minutes and executive decisions. Subjects the Board and its licensees to the same requirements that apply to other health professional boards and licensees including allowing the Board to take action against a licensee after a license has expired.

The Arizona State Board of Pharmacy (Board) establishes rules pertaining to the practice of pharmacy and the manufacture and dispensing of drugs in the state. In 2005, Senate Bill 1126 updates Arizona statutes relating to the regulation of pharmacy licensees and permits as well as regulation of prescription drugs and controlled substances. Senate Bill 1126 adds two members to the Arizona State Board of Pharmacy raising the total number of members to nine including: Six pharmacists, one who must be employed by a licensed hospital and one who must be employed by a community pharmacy and engaged in the day-to-day practice of pharmacy. One pharmacy technician that has been a practicing pharmacy technician for at least five years and has been a licensed pharmacy technician in Arizona for at least five years (pharmacy technicians appointed to the board before July 1, 2009, do not have to meet the five-year licensure requirement and pharmacy technician members serve five-year terms) and Two public members. Before members are appointed, the Executive Director of the Arizona Pharmacy Association may submit a list of names of possible appointees to the Governor. It removes the two-year time limit for an Executive Director to serve on the Board. Prescribes that if the Executive Director dies, becomes incapacitated or resigns, the Deputy Director shall serve as the Executive Director until the Board selects a replacement. Makes other changes to pharmacy statutes relating to definitions, disciplinary actions, permitted practices, Board rules and prescriptions. Removes the requirement of Senate confirmation.
