ABOUT THIS PUBLICATION

The paper copy of the Administrative Register (A.A.R.) is the official publication for rules and rulemaking activity in the state of Arizona.

Rulemaking is defined in Arizona Revised Statues known as the Arizona Administrative Procedure Act (APA), A.R.S. Title 41, Chapter 6, Articles 1 through 10.

The Office of the Secretary of State does not interpret or enforce rules published in the Arizona Administrative Register or Code. Questions should be directed to the state agency responsible for the promulgation of the rule as provided in its published filing.

The Register is cited by volume and page number. Volumes are published by calendar year with issues published weekly. Page numbering continues in each weekly issue.

In addition, the Register contains the full text of the Governor’s Executive Orders and Proclamations of general applicability, summaries of Attorney General opinions, notices of rules terminated by the agency, and the Governor’s appointments of state officials and members of state boards and commissions.

ABOUT RULES

Rules can be: made (all new text); amended (rules on file, changing text); repealed (removing text); or renumbered (moving rules to a different Section number). Rules activity published in the Register includes: proposed, final, emergency, expedited, and exempt rules as defined in the APA.

Rulemakings initiated under the APA as effective on and after January 1, 1995, include the full text of the rule in the Register. New rules in this publication (whether proposed or made) are denoted with underlining; repealed text is stricken.

WHERE IS A “CLEAN” COPY OF THE FINAL OR EXEMPT RULE PUBLISHED IN THE REGISTER?

The Arizona Administrative Code (A.A.C) contains the codified text of rules. The A.A.C. contains rules promulgated and filed by state agencies that have been approved by the Attorney General or the Governor’s Regulatory Review Council. The Code also contains rules exempt from the rulemaking process.

The printed Code is the official publication of a rule in the A.A.C. is prima facie evidence of the making, amendment, or repeal of that rule as provided by A.R.S. § 41-1012. Paper copies of rules are available by full Chapter or by subscription. The Code is posted online for free.

LEGAL CITATIONS AND FILING NUMBERS

On the cover: Each agency is assigned a Chapter in the Arizona Administrative Code under a specific Title. Titles represent broad subject areas. The Title number is listed first; with the acronym A.A.C., which stands for the Arizona Administrative Code; following the Chapter number and Agency name, then program name. For example, the Secretary of State has rules on rulemaking in Title 1, Chapter 1 of the Arizona Administrative Code. The citation for this chapter is 1 A.A.C. 1, Secretary of State, Rules and Rulemaking

Every document filed in the office is assigned a file number. This number, enclosed in brackets, is located at the top right of the published documents in the Register. The original filed document is available for 10 cents a copy.
Participate in the Process

Look for the Agency Notice

Review (inspect) notices published in the Arizona Administrative Register. Many agencies maintain stakeholder lists and would be glad to inform you when they proposed changes to rules. Check an agency’s website and its newsletters for news about notices and meetings.

Feel like a change should be made to a rule and an agency has not proposed changes? You can petition an agency to make, amend, or repeal a rule. The agency must respond to the petition. (See A.R.S. § 41-1033)

Attend a public hearing/meeting

Attend a public meeting that is being conducted by the agency on a Notice of Proposed Rulemaking. Public meetings may be listed in the Preamble of a Notice of Proposed Rulemaking or they may be published separately in the Register. Be prepared to speak, attend the meeting, and make an oral comment.

An agency may not have a public meeting scheduled on the Notice of Proposed Rulemaking. If not, you may request that the agency schedule a proceeding. This request must be put in writing within 30 days after the published Notice of Proposed Rulemaking.

Write the agency

Put your comments in writing to the agency. In order for the agency to consider your comments, the agency must receive them by the close of record. The comment must be received within the 30-day comment timeframe following the Register publication of the Notice of Proposed Rulemaking.

You can also submit to the Governor’s Regulatory Review Council written comments that are relevant to the Council’s power to review a given rule (A.R.S. § 41-1052). The Council reviews the rule at the end of the rulemaking process and before the rules are filed with the Secretary of State.

Agency opens a docket. Agency files a Notice of Rulemaking Docket Opening; it is published in the Register. Often an agency will file the docket with the proposed rulemaking.

Agency files Notice of Proposed Rulemaking. Notice is published in the Register. Notice of meetings may be published in Register or included in Preamble of Proposed Rulemaking. Agency opens comment period.

Agency decides not to act and closes docket. The agency may let the docket lapse by not filing a Notice of Proposed rulemaking within one year.

Agency decides not to proceed and does not file final rule with G.R.R.C. within one year after proposed rule is published. A.R.S. § 41-1021(A)(4).

Agency decides not to proceed and files Notice of Termination of Rulemaking for publication in Register. A.R.S. § 41-1021(A)(2).

Substantial change?

If no change then

Rule must be submitted for review or terminated within 120 days after the close of the record.

A final rulemaking package is submitted to G.R.R.C. or A.G. for review. Contains final preamble, rules, and Economic Impact Statement.

G.R.R.C. has 90 days to review and approve or return the rule package, in whole or in part; A.G. has 60 days.

After approval by G.R.R.C. or A.G., the rule becomes effective 60 days after filing with the Secretary of State (unless otherwise indicated).

Final rule is published in the Register and the quarterly Code Supplement.
Definitions

Administrative Procedure Act (APA): A.R.S. Title 41, Chapter 6, Articles 1 through 10. Available online at www.azleg.gov.

Arizona Revised Statutes (A.R.S.): The statutes are made by the Arizona State Legislature during a legislative session. They are compiled by Legislative Council, with the official publication codified by Thomson West. Citations to statutes include Titles which represent broad subject areas. The Title number is followed by the Section number. For example, A.R.S. § 41-1001 is the definitions Section of Title 41 of the Arizona Administrative Procedures Act. The “§” symbol simply means “section.” Available online at www.azleg.gov.

Chapter: A division in the codification of the Code designating a state agency or, for a large agency, a major program.

Close of Record: The close of the public record for a proposed rulemaking is the date an agency chooses as the last date it will accept public comments, either written or oral.

Docket: A public file for each rulemaking containing materials related to the proceedings of that rulemaking. The docket file is established and maintained by an agency from the time it begins to consider making a rule until the rulemaking is finished. The agency provides public notice of the docket by filing a Notice of Rulemaking Docket Opening with the Office for publication in the Register.

Economic, Small Business, and Consumer Impact Statement (EIS): The EIS identifies the impact of the rule on private and public employment, on small businesses, and on consumers. It includes an analysis of the probable costs and benefits of the rule. An agency includes a brief summary of the EIS in its preamble. The EIS is not published in the Register but is available from the agency promulgating the rule. The EIS is also filed with the rulemaking package.

Governor's Regulatory Review (G.R.R.C.): Reviews and approves rules to ensure that they are necessary and to avoid unnecessary duplication and adverse impact on the public. G.R.R.C. also assesses whether the rules are clear, concise, understandable, legal, consistent with legislative intent, and whether the benefits of a rule outweigh the cost.

Incorporated by Reference: An agency may incorporate by reference standards or other publications. These standards are available from the state agency with references on where to order the standard or review it online.

Federal Register (FR): The Federal Register is a legal newspaper published every business day by the National Archives and Records Administration (NARA). It contains federal agency regulations; proposed rules and notices; and executive orders, proclamations, and other presidential documents.

Session Laws or “Laws”: When an agency references a law that has not yet been codified into the Arizona Revised Statutes, use the word “Laws” is followed by the year the law was passed by the Legislature, followed by the Chapter number using the abbreviation “Ch.”, and the specific Section number using the Section symbol (§). For example, Laws 1995, Ch. 6, § 2. Session laws are available at www.azleg.gov.

United States Code (U.S.C.): The Code is a consolidation and codification by subject matter of the general and permanent laws of the United States. The Code does not include regulations issued by executive branch agencies, decisions of the federal courts, treaties, or laws enacted by state or local governments.

About Preambles

The Preamble is the part of a rulemaking package that contains information about the rulemaking and provides agency justification and regulatory intent.

It includes reference to the specific statutes authorizing the agency to make the rule, an explanation of the rule, reasons for proposing the rule, and the preliminary Economic Impact Statement.

The information in the Preamble differs between rulemaking notices used and the stage of the rulemaking.
NOTICES OF PROPOSED RULEMAKING

This section of the Arizona Administrative Register contains Notices of Proposed Rulemakings. A proposed rulemaking is filed by an agency upon completion and submittal of a Notice of Rulemaking Docket Opening. Often these two documents are filed at the same time and published in the same Register issue. When an agency files a Notice of Proposed Rulemaking under the Administrative Procedure Act (APA), the notice is published in the Register within three weeks of filing. See the publication schedule in the back of each issue of the Register for more information.

Under the APA, an agency must allow at least 30 days to elapse after the publication of the Notice of Proposed Rulemaking in the Register before beginning any proceedings for making, amending, or repealing any rule (A.R.S. §§ 41-1013 and 41-1022). The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed rules should be addressed to the agency that promulgated the rules. Refer to item #4 below to contact the person charged with the rulemaking and item #10 for the close of record and information related to public hearings and oral comments.

4. The agency’s contact person who can answer questions about the rulemaking:

   Web site: https://dcs.az.gov/about/dcs-rules-rulemaking

5. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:
   The proposed amended rules pertain to fire and pool safety. The justification for this regular rulemaking is A.R.S. § 41-1026(A)(1) and (A)(5). The current rules do not enable homes with a bedroom that leads into a pool enclosure to be licensed as foster homes or residential group care facilities. The Department seeks to amend the rules shall permit this circumstance, as long as safeguards are met for applicable state law, county code, or municipal ordinances. The current rules limit the number of foster homes available as this design is common in residential housing, and can unfairly preclude interested applicants from meeting current licensing requirements and becoming licensed to provide foster care. Further, the Department is in need of more licensed foster homes to protect the health and well-being of the children in Arizona.

6. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:
   The agency did not review or rely on any study relevant to the proposed amended rules.

7. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:
   Not applicable
8. The preliminary summary of the economic, small business, and consumer impact:
   Amending these rules will have a positive economic impact for foster home and Child Welfare Agency applicants. Homes with a bedroom leading to a pool enclosure will not have to undergo a significant renovation to be compliant with fire and pool safety rules. The amended rules will not require any additional safeguards that are not already required by state law, county code, and municipal ordinances in the State of Arizona.

9. The agency’s contact person who can answer questions about the economic, small business and consumer impact statement:
   Name: Jonathan Slater
   Address: Department of Child Safety

10. The time, place, and nature of the proceedings to make, amend, repeal, or renumber the rule, or if no proceeding is scheduled, where, when, and how persons may request an oral proceeding on the proposed rule:
    Written comments may be submitted to: DCSPolicyUpdate@azdes.gov
    Close of public comment record. Tuesday, December 13, 2016 at 5 p.m.
    The Department will hold an oral proceeding.
    Date: Monday, December 12, 2016

    Americans with Disabilities Act: Persons with disabilities may request reasonable accommodations by contacting the Arizona Department of Child Safety, Carrie Senseman, at (602) 255-2534. Please make requests as early as possible to allow time to arrange the accommodation.

11. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:
    a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:
       The rules pertain to a requirement for foster home and Child Welfare Agency licensing. A general permit is not used. The Department is exempt from issuing a general permit for foster homes, (A.R.S. 8-503), and Child Welfare Agencies (A.R.S. § 8-505) under A.R.S. § 41-1037(A)(5).
    b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

    c. Whether a person submitted an analysis to the agency that compares the rule’s impact of the competitiveness of business in this state to the impact on business in other states:

   A. No change
   B. For a home that has a pool, and provides care to a child six years of age or less, or an individual with a Developmental Disability, the provider shall ensure the following:
      1. That the pool complies with A.R.S. § 36-1681 and all local municipal codes to the extent not inconsistent with this Section.
      2. A fence or barrier meeting the following requirements is maintained between the pool and the home, or any building used to provide care and supervision.
         a. The exterior side of the fence or barrier is at least five feet high;
         b. If the barrier is a chain link fence or lattice, each opening in the mesh measures less than 1 3/4 inches horizontally. Chicken wire and other light gauge wire are prohibited as a primary fencing material for the pool;
         c. If the barrier is a fence constructed of vertical bars or wooden slats, the openings between bars or slats measure less than four inches;
         d. The exterior side of the barrier is free of hand holds or foot holds or other means that could be used to climb over it and if it has a horizontal component spaced at least 45 inches, measured vertically;
         e. The gate to the enclosure is locked, except when in use and there is an adult within the enclosure to supervise the pool and spa area;
         f. The connection between the panels of the fence cannot be separated without a key or a tool;
         g. The fence is secured to the ground or has sufficient tension to prevent the fence from being lifted more than four inches from the ground;
      h. If the home or building to provide care or supervision constitutes part of the enclosure:
         i. The enclosure does not interfere with safe egress from the home;
         ii. A door from the home does not open within the pool enclosure unless it is a bedroom door in a bedroom not occupied by an individual receiving care and such a door cannot be opened by a foster child or child in a residential group care facility because it is either permanently locked as required in R21-8-112(6)(c)(iii) or barricaded inoperable. Any key shall not be accessible to a foster child or child in a residential group care facility;
         iii. A window located in a room that is designated as a bedroom for a foster child or child in a residential group care facility shall not open into the pool enclosure; or shall be permanently locked and not used for egress; and

      v. Animal or doggie doors shall not open directly into the pool enclosure.
      3. A pool shall have its methods of access through the barrier equipped with a safety device, such as a bolt lock:
         a. Gates should be self-closing and self-latching, maintained in good repair, and open out or away from the pool.
         b. The gate latch is at least 54” above the ground and is equipped with a key or combination lock.
      4. If the swimming pool cannot be emptied after each use, the pool must have a working pump and filtering system.
      5. Hot tubs and spas must have safety covers that are locked when not in use.

NOTICES OF FINAL RULEMAKING

This section of the Arizona Administrative Register contains Notices of Final Rulemaking. Final rules have been through the regular rulemaking process as defined in the Administrative Procedures Act. These rules were either approved by the Governor’s Regulatory Review Council or the Attorney General’s Office. Certificates of Approval are on file with the Office. The final published notice includes a preamble and text of the rules as filed by the agency. Economic Impact Statements are not published.

The Office of the Secretary of State is the filing office and publisher of these rules. 2. Citations to the agency’s statutory rulemaking authority to include the authorizing statute (general) and the implementing statute (specific):

Implementing statute: A.R.S. § 46-809

3. The effective date of the rules:

a. If the agency selected a date earlier than the 60 day effective date as specified in A.R.S. § 41-1032(A), include the earlier date and state the reason or reasons the agency selected the earlier effective date as provided in A.R.S. § 41-1032(A)(1) through (5):

   October 28, 2016

   The Department requests that the rule be effective immediately on filing in the office of the Secretary of State and the time and date are affixed as provided in A.R.S. § 41-1031, for the following reasons:

   To provide a benefit to the public and a penalty is not associated with a violation of the rule. § 41-1032(A)(4); and
   To adopt a rule that is less stringent than the rule that is currently in effect and that does not have an impact on the public health, safety, welfare or environment, or that does not affect the public involvement and public participation process. § 41-1032(A)(5)

b. If the agency selected a date later than the 60 day effective date as specified in A.R.S. § 41-1032(A), include the later date and state the reason or reasons the agency selected the later effective date as provided in A.R.S. § 41-1032(B):

   Not applicable

4. Citations to all related notices published in the Register as specified in R1-1-409(A) that pertain to the record of the proposed rulemaking:

5. The agency’s contact person who can answer questions about the rulemaking:

   Name: Rodney K. Huenemann
   Address: Department of Economic Security
   P.O. Box 6123, Mail Drop 1292
   Phoenix, AZ 85005
6. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

This rulemaking is in response to a Five-year Review Report, approved by the Governor’s Regulatory Review Council on September 9, 2014. This rulemaking will address concerns identified in a rulemaking petition that the current rule unnecessarily restricts the number of organizations that are allowed to provide training in first aid and infant/child cardiopulmonary resuscitation (CPR) to family child care home providers. The current rule defines acceptable first aid and infant/child CPR training as a course approved by the American Red Cross or the American Heart Association. The proposed rule will adjust the definition of “acceptable training” to include a classroom or blended-learning course which conforms to the current guidelines of the American Red Cross or the American Heart Association, as confirmed in writing by the training provider. Additionally, this rulemaking will make technical corrections to correct typographical errors and incorrect citations.

7. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

The Department did not review or rely on any study relevant to the rules.

8. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

9. A summary of the economic, small business, and consumer impact:

All Department certified family child care providers are small business owners who contract with Child Care Administration to care for children of Department clients. The current rule significantly limits the options of choosing first aid and CPR courses especially in the rural areas. Because of the limited availability, some providers are unable to comply with the first aid and CPR training requirement within 60 days after receiving a child care certificate. In addition, the providers, in some cases, find themselves incurring higher cost due to limited availability and not being able to wait for better options. Having more training available means less burden on the providers who will benefit from having additional opportunities to choose the training that is affordable, timely, and that fits their needs.

10. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

There are no substantive changes between the proposed rules, published on May 6, 2016, and the final rules. In R6-5-5202(R), in the second sentence, the word “completeness” was added after “administrative” to correct an omission. In response to a public comment, the definition of “acceptable training” was changed to include a “classroom or blended-learning course” in R6-5-5207(C).

11. An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

The Department received a written request on May 18, 2016, from the Health and Safety Institute, to amend the rules to permit training and certification using hybrid (blended) learning approaches in addition to the traditional classroom approach. The Department agreed with the request and changed the definition of “acceptable training” to include a classroom or blended-learning course in R6-5-5207(C).

12. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

No other matters are prescribed.

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

These rules do not require a permit.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

The Child Care and Development Block Grant (CCDBG) Act of 1990 and 45 CFR 98 and 99 are applicable to the subject of the rule. The Department has determined that the rules are not more stringent than corresponding federal law.

   Web site: www.azahcccs.gov

6. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:
   A.R.S. §§ 36-2905.04 and 36-2991 provide for the control and deterrence of fraud relating to AHCCCS eligibility, including the Hospital Presumptive Eligibility (HPE) program, through the discretionary imposition of a civil penalty on those persons who obtain AHCCCS eligibility through fraudulent means. A.R.S. §§ 36-2905.04(E) and 36-2991(E) require the AHCCCS Director to adopt rules providing for the appeal of a decision to impose such a penalty. The Administration will promulgate rules necessary for the imposition and appeal of penalties resulting from eligibility fraud, including fraud associated with the HPE program.
7. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:
   A study was not referenced or relied upon when adding these regulations as A.R.S. §§ 36-2905.04(E) and 36-2991(E) require AHCCCS to promulgate these rules.

8. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:
   Not applicable

9. A summary of the economic, small business, and consumer impact:
   The Administration anticipates a minimal economic impact on the implementing agency, small businesses and consumers. AHCCCS currently pursues civil remedies against those who obtain AHCCCS eligibility through fraudulent means; therefore, AHCCCS does not anticipate that adding these regulations to its recovery efforts will have more than a minimal economic impact.

In SFY 2015, the AHCCCS Member Compliance section, through prosecutions and repayment agreements, recovered $812,124.14 in money from persons who obtained eligibility through fraudulent means. In addition, the unit saved $840,008.24 by discontinuing the eligibility of persons who were deemed ineligible due to non-residency in Arizona, unreported income, impermissible transference of resources and other misrepresentations.

The Administration anticipates an increase of 10% to 25% above the existing recovery amounts within the next fiscal year as a result of this rulemaking, which represents a potentially positive economic impact for the implementing agency.

10. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:
    No changes were made between the proposed rulemaking and the final rulemaking.

11. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:
    No comments were received.

12. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:
   a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:
      Not applicable
   b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:
      The following federal law applies to the subject of this rulemaking:
      42 C.F.R. Part 455 requires AHCCCS to maintain a fraud detection and investigation program to maintain the integrity of the Arizona Health Care Cost Containment System.
      This rulemaking is not more stringent than, or prohibited by, federal law.
   c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:
      No analysis was submitted.

13. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rule:
    None

14. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

**CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM ADMINISTRATION**
ARTICLE 4. REPEALED PENALTY FOR OBTAINING ELIGIBILITY BY FRAUD

Definitions

The following definitions apply specifically to terms used within this Article:

"Amounts incurred by the system" include capitation payments, costs incurred by any contractor in excess of capitation, reinsurance, and other administrative, legal or investigative costs associated with a person who obtained eligibility contrary to A.R.S. §§ 36-2905.04 and/or A.R.S. § 36-2991.

"Application for eligibility" means any request for benefits administered by AHCCCS under the authority of A.R.S. Title 36, Chapter 29, including applications for presumptive eligibility submitted to hospitals as described under Article 16 of this Chapter.

"Penalty" means an amount not to exceed the amounts incurred by the system during any time period that the person would have been ineligible for benefits but for the false or fraudulent information provided on the application for eligibility. A penalty does not include, and does not need to be reduced by, the amount of any overpayments that AHCCCS may be entitled to recoup from a person who violated A.R.S. § 36-2905.04 and/or A.R.S. § 36-2991.

Determining the Amount of the Penalty

A. AHCCCS shall determine the amount of a penalty according to A.R.S. § 36-2905.04(B) or A.R.S. § 36-2991(B), whichever is applicable, and this Article.

B. In addition to any penalty imposed pursuant to ARS §§ 36-2905.04 or 36-2991, and this Article, the Administration may also recoup from the person the amounts incurred by the system as a part of the notice and appeal process described in this Article.

Mitigating and Aggravating Circumstances

A. AHCCCS shall consider any of the following to be mitigating circumstances when determining the amount of a penalty for obtaining eligibility by fraud.

1. Degree of culpability. The degree of culpability of a person is a mitigating circumstance if the person did not intend to provide or cause to be provided false information on the application for eligibility but was negligent as to the truthfulness of the information provided.

2. Prior Offenses. At the time of the submittal of the application the person:
   a. Did not have any prior criminal convictions; and
   b. Had not been held civilly liable for defrauding a public assistance program.

3. Financial condition. The financial condition of a person who violates A.R.S. §§ 36-2905.04 or 36-2991 is a mitigating circumstance if the imposition of a penalty without reduction will render the person incapable of obtaining necessities of life such as food, clothing, and shelter. AHCCCS may consider the resources available to the person when determining the amount of the penalty.

4. Other matters as justice may require. AHCCCS shall take into account other circumstances of a mitigating nature, if in the interest of justice; the circumstances require a reduction of the penalty.

B. AHCCCS shall consider any of the following to be aggravating circumstances when determining the amount of a penalty for obtaining eligibility by fraud.

1. Degree of culpability. The degree of culpability of a person who provides or causes to be provided false information on the application for eligibility is an aggravating circumstance if the person knows or had reason to know that the information provided on the application for eligibility was false, or the person failed to correct the false information prior to AHCCCS incurring a financial loss as a result of the application for eligibility.

2. Prior offenses. At any time before the submittal of the application for eligibility, the person was held criminally or civilly liable for committing any fraud, waste, or abuse against any public assistance program.

3. Financial Loss. The person’s violation of A.R.S. §§ 36-2905.04 or 36-2991 caused a loss to the system equal to or exceeding $5,000.00.

4. Other matters as justice may require. AHCCCS shall take into account other circumstances of an aggravating nature, if in the interest of justice; the circumstances require an increase of the penalty.

Notice of Intent

A. If AHCCCS imposes a penalty pursuant to this Article, AHCCCS shall hand deliver or send by certified mail, return receipt requested, or Federal Express to the person, a written Notice of Intent to impose a penalty.

B. The Notice of Intent shall include:
1. The legal and factual basis for AHCCCS’ determination that there has been a violation of A.R.S §§ 36-2905.04 and/or 36-2991;
2. The penalty;
3. The amounts incurred by the system as a result of the violation of A.R.S. §§ 36-2905.04 and/or 36-2991, if AHCCCS intends to recoup those amounts through this process; and
4. The procedure for requesting a State Fair Hearing.

R9-22-405. Repealed Failure to Respond to the Notice of Intent
If a person fails to respond to the Notice of Intent within the timeframe described in A.A.C. § R9-22-406(A), AHCCCS shall uphold the penalty and recoupment amounts described in the Notice of Intent.

R9-22-406. Request for State Fair Hearing
A. To dispute the agency action described in the Notice of Intent, the person shall file a written Request for State Fair Hearing with AHCCCS within sixty (60) days from the date of receipt of the Notice of Intent.

NOTICES OF RULEMAKING DOCKET OPENING

This section of the Arizona Administrative Register contains Notices of Rulemaking Docket Opening. A docket opening is the first part of the administrative rulemaking process. It is an “announcement” that the agency intends to work on its rules.

When an agency opens a rulemaking docket to consider rulemaking, the Administrative Procedure Act (APA) requires the publication of the Notice of Rulemaking Docket Opening.

Under the APA effective January 1, 1995, agencies must submit a Notice of Rulemaking Docket Opening before beginning the formal rulemaking process. Many times an agency may file the Notice of Rulemaking Docket Opening with the Notice of Proposed Rulemaking.

The Office of the Secretary of State is the filing office and publisher of these notices. Questions about the interpretation of this information should be directed to the agency contact person listed in item #4 of this notice.

2. The subject matter of the proposed rule:
   This rulemaking will create efficiencies in a pharmacy by enabling a licensed pharmacy technician working under the supervision of a pharmacist to use technology to verify the accuracy of medications prepared for dispensing. Current law requires that a pharmacist do this verification. The technology required to verify the accuracy of medications prepared for dispensing exists and is simple to use. It involves scanning a bar code and visually comparing the prepared medication with the result on a computer screen. By enabling a licensed pharmacy technician to perform routine technology-assisted verification, this rulemaking will remove a regulatory burden and provide additional time in which the pharmacist is able to perform tasks such as patient counseling that require the pharmacist’s skills.

   An exemption from Executive Order 2016-03 was provided for this rulemaking by Christina Corieri, Policy Advisor for Health and Human Services in the Governor’s office, in an e-mail dated July 14, 2016.
