ABOUT THIS PUBLICATION

The paper copy of the *Administrative Register* (A.A.R.) is the official publication for rules and rulemaking activity in the state of Arizona.

Rulemaking is defined in Arizona Revised Statutes known as the Arizona Administrative Procedure Act (APA), A.R.S. Title 41, Chapter 6, Articles 1 through 10.

The Office of the Secretary of State does not interpret or enforce rules published in the *Arizona Administrative Register* or *Code*. Questions should be directed to the state agency responsible for the promulgation of the rule as provided in its published filing.

The *Register* is cited by volume and page number. Volumes are published by calendar year with issues published weekly. Page numbering continues in each weekly issue.

In addition, the *Register* contains the full text of the Governor's Executive Orders and Proclamations of general applicability, summaries of Attorney General opinions, notices of rules terminated by the agency, and the Governor's appointments of state officials and members of state boards and commissions.

ABOUT RULES

Rules can be: made (all new text); amended (rules on file, changing text); repealed (removing text); or renumbered (moving rules to a different Section number). Rules activity published in the *Register* includes: proposed, final, emergency, expedited, and exempt rules as defined in the APA.

Rulemakings initiated under the APA as effective on and after January 1, 1995, include the full text of the rule in the *Register*. New rules in this publication (whether proposed or made) are denoted with underlining; repealed text is stricken.

WHERE IS A "CLEAN" COPY OF THE FINAL OR EXEMPT RULE PUBLISHED IN THE REGISTER?

The *Arizona Administrative Code* (A.A.C.) contains the codified text of rules. The A.A.C. contains rules promulgated and filed by state agencies that have been approved by the Attorney General or the Governor's Regulatory Review Council. The *Code* also contains rules exempt from the rulemaking process.

The printed *Code* is the official publication of a rule in the A.A.C., and is prima facie evidence of the making, amendment, or repeal of that rule as provided by A.R.S. § 41-1012. Paper copies of rules are available by full Chapter or by subscription. The *Code* is posted online for free.

LEGAL CITATIONS AND FILING NUMBERS

On the cover: Each agency is assigned a Chapter in the *Arizona Administrative Code* under a specific Title. Titles represent broad subject areas. The Title number is listed first; with the acronym A.A.C., which stands for the *Arizona Administrative Code*; following the Chapter number and Agency name, then program name. For example, the Secretary of State has rules on rulemaking in Title 1, Chapter 1 of the *Arizona Administrative Code*. The citation for this chapter is 1 A.A.C. 1, Secretary of State, Rules and Rulemaking

Every document filed in the office is assigned a file number. This number, enclosed in brackets, is located at the top right of the published documents in the *Register*. The original filed document is available for 10 cents a page.

Participate in the Process

Look for the Agency Notice

Review (inspect) notices published in the *Arizona Administrative Register*. Many agencies maintain stakeholder lists and would be glad to inform you when they proposed changes to rules. Check an agency's website and its newsletters for news about notices and meetings.

Feel like a change should be made to a rule and an agency has not proposed changes? You can petition an agency to make, amend, or repeal a rule. The agency must respond to the petition. (See A.R.S. § 41-1033)

Attend a public hearing/meeting

Attend a public meeting that is being conducted by the agency on a Notice of Proposed Rulemaking. Public meetings may be listed in the Preamble of a Notice of Proposed Rulemaking or they may be published separately in the *Register*. Be prepared to speak, attend the meeting, and make an oral comment.

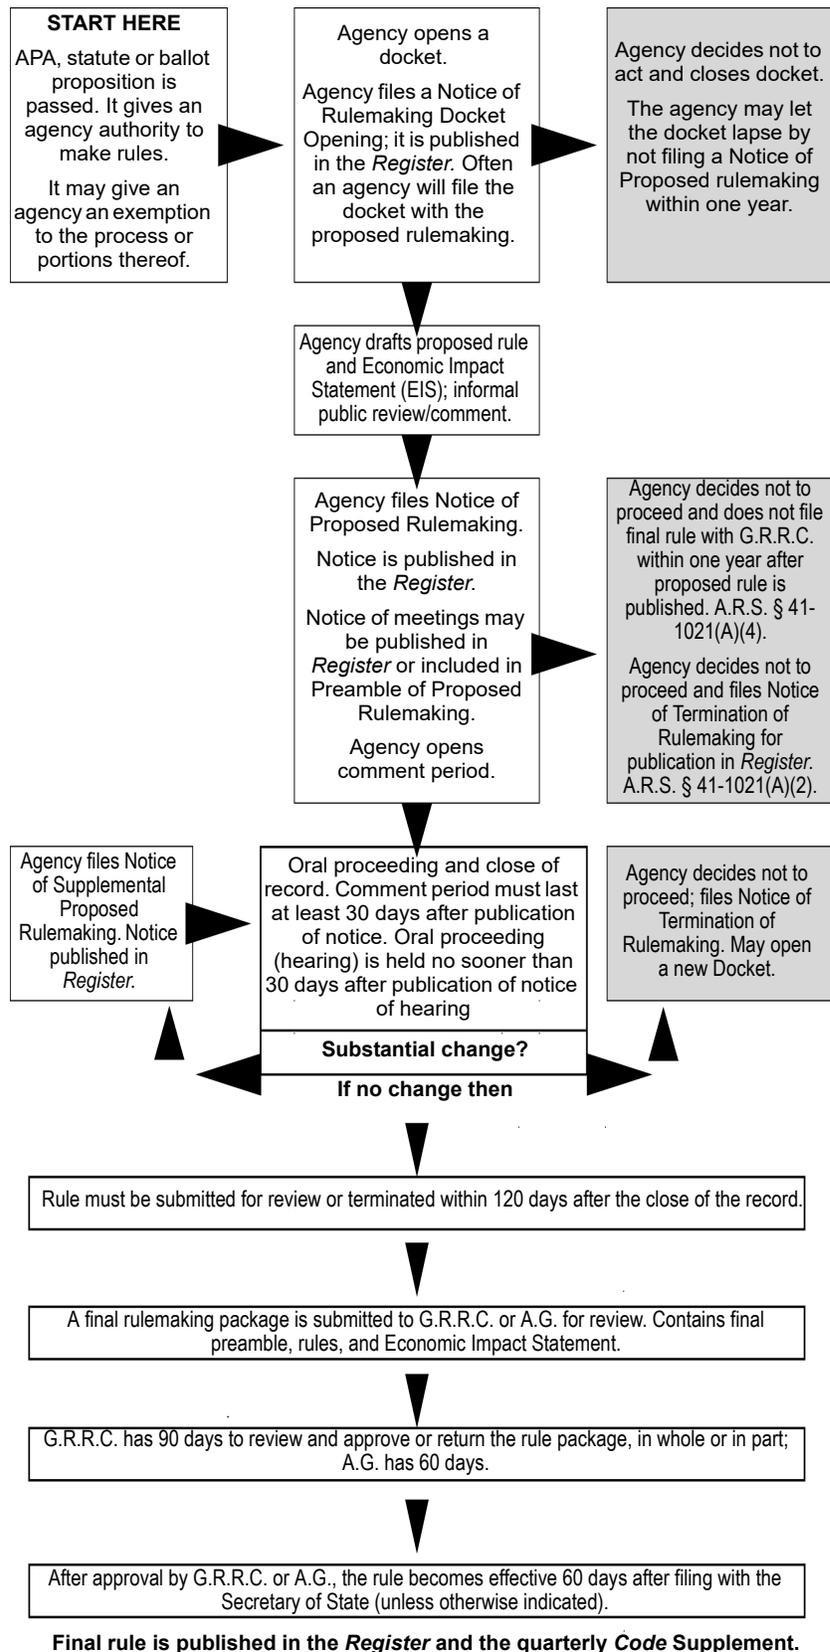

An agency may not have a public meeting scheduled on the Notice of Proposed Rulemaking. If not, you may request that the agency schedule a proceeding. This request must be put in writing within 30 days after the published Notice of Proposed Rulemaking.

Write the agency

Put your comments in writing to the agency. In order for the agency to consider your comments, the agency must receive them by the close of record. The comment must be received within the 30-day comment timeframe following the *Register* publication of the Notice of Proposed Rulemaking.

You can also submit to the Governor's Regulatory Review Council written comments that are relevant to the Council's power to review a given rule (A.R.S. § 41-1052). The Council reviews the rule at the end of the rulemaking process and before the rules are filed with the Secretary of State.

About Preambles

The Preamble is the part of a rulemaking package that contains information about the rulemaking and provides agency justification and regulatory intent.

It includes reference to the specific statutes authorizing the agency to make the rule, an explanation of the rule, reasons for proposing the rule, and the preliminary Economic Impact Statement.

The information in the Preamble differs between rulemaking notices used and the stage of the rulemaking.

NOTICES OF PROPOSED RULEMAKING

This section of the *Arizona Administrative Register* contains Notices of Proposed Rulemakings.

A proposed rulemaking is filed by an agency upon completion and submittal of a Notice of Rulemaking Docket Opening. Often these two documents are filed at the same time and published in the same *Register* issue.

When an agency files a Notice of Proposed Rulemaking under the Administrative Procedure Act (APA), the notice is published in the *Register* within three weeks of filing. See the publication schedule in the back of each issue of the *Register* for more information.

Under the APA, an agency must allow at least 30 days to elapse after the publication of the Notice of Proposed Rulemaking in the *Register* before beginning any proceedings for making, amending, or repealing any rule (A.R.S. §§ 41-1013 and 41-1022).

The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed rules should be addressed to the agency that promulgated the rules. Refer to item #4 below to contact the person charged with the rulemaking and item #10 for the close of record and information related to public hearings and oral comments.

TITLE 15. REVENUE

CHAPTER 10. DEPARTMENT OF REVENUE – GENERAL ADMINISTRATION

[R17-233]

PREAMBLE

- 1. Article, Part, or Section Affected (as applicable) Rulemaking Action
2. Citations to the agency's statutory rulemaking authority to include the authorizing statute (general), the implementing statute (specific):
3. The effective date of the rule:
4. Citations to all related notices published in the Register as specified in R1-1-409(A) that pertain to the record of the final rulemaking package:
5. The agency's contact person who can answer questions about the rulemaking:
6. An agency's justification and reason why a rule should be made, amended, repealed, or renumbered to include an explanation about the rulemaking:

R15-10-303. R15-10-303 is amended to allow taxpayers that do not meet the new tax liability threshold amounts under A.R.S. § 42-1129(A) to participate in the electronic payment process.

R15-10-505. A.R.S. § 42-5014 previously provided that certain taxpayers subject to transaction privilege, use and associated excise taxes that were conducting business in two or more locations were required to file their tax returns through electronic means. The Department previously submitted a rulemaking package amending A.A.C. 15-10-501 *et. seq.* outlining procedures for filing returns through electronic means by use of an electronic signature. A.R.S. § 42-5014, however, was amended in 2017 by HB 2280, Laws 2017 Chap 60 section 15, to mandate that these taxpayers owing taxes over certain thresholds are required to file their tax returns through electronic means, regardless of the number of locations out of which they operated. The A.R.S. § 42-5014 amendment reduces, over a period of four years, the threshold requirements over which taxpayers would have to file their returns electronically. As a result, R15-10-505 is amending the requirements for filing electronically to reflect the current statutory provisions.

7. **A reference to any study relevant to the rule that the agency reviewed and either relied on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:**
Not applicable
8. **A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:**
Not applicable
9. **A summary of the economic, small business, and consumer impact:**
Data used in preparation of the economic, small business, and consumer impact statement includes figures assembled by Department personnel and are based on current electronic filers. The Department projects an increase in the number of electronic filers due to the lowering of the liability threshold. The increase in the number of e-filers will reduce return processing times. The data used also includes figures based on current taxpayers that pay their tax liability electronically. The Department projects an increase in the number of those taxpayers as well as the increase in electronic payment amounts as a result of a decrease in the thresholds and increase of the types of taxpayers that will be required to pay by electronic means. Benefits will accrue to the state's general fund, and payment and refund processing times will decrease. Compliance by taxpayers not already required to file electronically and/or remit their returns electronically will necessitate a change in payment and/or filing methods and may involve changes in processing and accounting systems. It is expected that the benefits of the rules will be greater than the costs.
10. **A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:**
Technical changes were made at the request of Council staff.
11. **An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:**
Oral proceedings were not held for this rulemaking.
12. **All agencies shall list other matters prescribed by statute applicable to a specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. § 41-1052 and A.R.S. § 41-1055 shall respond to the following questions:**
 - a. **Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:**
The rules do not require a permit.
 - b. **Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than the federal law and if so, citation to the statutory authority to exceed the requirements of federal law:**
No federal laws directly apply to the rules.
 - c. **Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:**
No such analysis was submitted.
13. **A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:**
Not applicable
14. **Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1- 409(A). Also, the agency shall state where the text changed between the emergency and the final rulemaking packages:**
Not applicable

6. An agency’s justification and reason why a rule should be made, amended, repealed, or renumbered to include an explanation about the rulemaking:

In 2014, to retain accreditation with the National Association of Insurance Commissioners (NAIC), the Arizona Legislature passed amendments to Arizona’s insurance holding company statutes, Arizona Revised Statutes (“A.R.S.”) §§ 20-481 through 20-481.32 (Laws 2014, Ch. 104, §§ 1-20). By session law, the legislature exempted the Arizona Department of Insurance (“Department”) from Title 41, Chapter 6 for two years or until April 22, 2016.

A.R.S. § 20-481.19(C) reads in pertinent part: “For the purposes of this section, “extraordinary dividend or distribution” includes any dividend or distribution of cash or other property whose fair market value together with that of other dividends or distributions made within the preceding twelve months exceeds the lesser of . . . net income, if such insurer is not a life insurer, for the twelve month period ending December 31 next preceding . . .” (Emphasis added.)

In 2015, the Department published a Final Exempt Rulemaking (21 A.A.R. 54, January 9, 2015). Section R20-6-1409, which was renumbered from R20-6-1408, is the correlate rule to A.R.S. § 20-481.19. Unfortunately, the Department erred during the rulemaking process and failed to make one necessary change to R20-6-1409 to remove the word “investment” which had been a part of R20-6-1408. After publication, the NAIC brought to the Department’s attention that R20-6-1409(A)(4)(d) retained the phrase “net investment income” which does not comport with ARS § 20-481.19 which uses “net income.” The current wording of R20-6-1409(A)(4)(d) places a financial limitation on certain insurers seeking to make a dividend or distribution. The Department seeks to amend the rule in order to be consistent with ARS § 20-481.19(C), to be consistent with the NAIC Model Regulation, and to not burden insurers with this limitation.

7. A reference to any study relevant to the rule that the agency reviewed and either to rely on or did not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable

8. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

The rule will not diminish a previous grant of authority of a political subdivision of this state.

9. A summary of the economic, small business, and consumer impact:

The rulemaking is only to correct an error made in a prior rulemaking and does not target any conduct.

The National Association of Insurance Commissioners (NAIC) brought to the Department’s attention that, when it did a recent rulemaking, R20-6-1409(A)(4)(d) retained the phrase “net investment income” which does not comport with A.R.S. § 20-481.19 which uses “net income.” The current wording of R20-6-1409(A)(4)(d) places a financial limitation on certain insurers seeking to make a dividend or distribution. The Department seeks to amend the rule in order to be consistent with A.R.S. § 20-481.19(C), to be consistent with the NAIC Model Regulation, and to not burden insurers with this limitation.

This correction has no financial impact either to the state or to registered insurers seeking to pay an extraordinary dividend or distribution because A.R.S. § 20-481.19 already contains the correct language.

10. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

No changes

11. An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

The Department did not receive any public or stakeholder comments.

12. All agencies shall list other matters prescribed by statute that are applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

No permit is required.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than the federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

No federal law is applicable.

c. Whether a person submitted an analysis to the agency that compares the rule’s impact of the competitiveness of business in this state to the impact on business in other states:

No person submitted an analysis.

13. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

14. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

The rule was not previously made, amended or repealed as an emergency rule.

NOTICES OF RULEMAKING DOCKET OPENING

This section of the Arizona Administrative Register contains Notices of Rulemaking Docket Opening.

A docket opening is the first part of the administrative rulemaking process. It is an "announcement" that the agency intends to work on its rules.

When an agency opens a rulemaking docket to consider rulemaking, the Administrative Procedure Act (APA) requires the publication of the Notice of Rulemaking Docket Opening.

Under the APA effective January 1, 1995, agencies must submit a Notice of Rulemaking Docket Opening before beginning the formal rulemaking process. Many times an agency may file the Notice of Rulemaking Docket Opening with the Notice of Proposed Rulemaking.

The Office of the Secretary of State is the filing office and publisher of these notices. Questions about the interpretation of this information should be directed to the agency contact person listed in item #4 of this notice.

WHEREAS, job creators and entrepreneurs are especially hurt by red tape and regulations;

WHEREAS, all government agencies of the State of Arizona should promote customer-service-oriented principles for the people that it serves;

WHEREAS, each State agency should undertake a critical and comprehensive review of its administrative rules and take action to reduce the regulatory burden, administrative delay, and legal uncertainty associated with government regulation;

WHEREAS, overly burdensome, antiquated, contradictory, redundant, and nonessential regulations should be repealed;

WHEREAS, Article 5, Section 4 of the Arizona Constitution and Title 41, Chapter 1, Article 1 of the Arizona Revised Statutes vests the executive power of the State of Arizona in the Governor;

NOW, THEREFORE, I, Douglas A. Ducey, by virtue of the authority vested in me by the Constitution and laws of the State of Arizona hereby declare the following:

1. A State agency subject to this Order, shall not conduct any rulemaking except as permitted by this Order.
2. A State agency subject to this Order, shall not conduct any rulemaking, whether informal or formal, without the prior written approval of the Office of the Governor. In seeking approval, a State agency shall address one or more of the following as justification for the rulemaking:
 - a. To fulfill an objective related to job creation, economic development, or economic expansion in this State.
 - b. To reduce or ameliorate a regulatory burden while achieving the same regulatory objective.
 - c. To prevent a significant threat to the public health, peace, or safety.
 - d. To avoid violating a court order or federal law that would result in sanctions by a court of the federal government against an agency for failure to conduct the rulemaking action.
 - e. To comply with a federal statutory or regulatory requirement if such compliance is related to a condition for the receipt of federal funds or participation in any federal program.
 - f. To comply with a state statutory requirement.
 - g. To fulfill an obligation related to fees or any other action necessary to implement the State budget that is certified by the Governor's Office of Strategic Planning and Budgeting.
 - h. To promulgate a rule or other item that is exempt from Title 41, Chapter 6, Arizona Revised Statutes, pursuant to section 41-1005, Arizona Revised Statutes.
 - i. To address matters pertaining to the control, mitigation, or eradication of waste, fraud, or abuse within an agency or wasteful, fraudulent, or abusive activities perpetrated against an agency.
 - j. To eliminate rules that are antiquated, redundant or otherwise no longer necessary for the operation of state government.
3. All directors of state agencies subject to this Order shall engage their respective regulated or stakeholder communities to solicit comment on which rules the regulated community believes to be overly burdensome and not necessary to protect consumers, public health, or public safety. Each agency shall submit a report regarding the aforementioned information to the Governor's Office no later than September 1, 2017.
4. For the purposes of this Order, the term "State agencies," includes without limitation, all executive departments, agencies, offices, and all state boards and commissions, except for: (a) any State agency that is headed by a single elected State official, (b) the Corporation Commission and (c) any board or commission established by ballot measure during or after the November 1998 general election. Those State agencies, boards and commissions excluded from this Order are strongly encouraged to voluntarily comply with this Order in the context of their own rulemaking processes.
5. This Order does not confer any legal rights upon any persons and shall not be used as a basis for legal challenges to rules, approvals, permits, licenses or other actions or to any inaction of a State agency. For the purposes of this Order, "person," "rule," and "rulemaking" have the same meanings prescribed in Arizona Revised Statutes Section 41-1001.

6. This Executive Order expires on December 31, 2017.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arizona.

Douglas A. Ducey

DONE at the Capitol in Phoenix on this Eleventh day of January in the Year Two Thousand and Seventeen and of the Independence of the United States of America the Two Hundred and Forty-First.
